Grand Horoscope 2016 for Megan

Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones. In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact,
- the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

Such warnings, sometimes displayed as preambles, constitute valuable additional information for the

analysis of the nature and the importance of the transit. We strongly advise you to read them attentively.

Indeed, the new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Important remark: certain paragraphs are repeated. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

Your January Forecast

R Lack of diplomacy and reprehensible exuberance

Square ♃ Jupiter ♀ Venus

★★★★★ Valid from Friday 1 January till Friday 12 February included (particularly active from Tuesday 5 January till Tuesday 5 January, with an orb of 0.17')

These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

Your need to express your joie de vivre and to lavish your affection comes up against weighty requirements such as propriety, gossips, conformism, or selfishness. Your lack of intuition may be partially responsible for this situation. Since you are unable to grasp the nature of the person you are dealing with, you may be too spontaneous, and your exuberance may shock a few people.

On the romantic area, you are longing for adventures, and you are easily blinded by enjoyable short-lived affairs. But here also, external circumstances may force you to control your impulses.

You should constantly demonstrate diplomacy. Moreover, do not commit yourself with people you do not know, and do not waste your energy on your friends or your family members, with whom you will be given the opportunity to prepare a few festivities.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

R Unexpected and exciting changes

Trine ♃ Uranus ☾ Moon

★★★★★ Valid from Friday 1 January till Thursday 11 February included (particularly active on Friday 1 January, with an orb of 1°28')

These planets are linked by a trine in your natal chart: the harmonious effects of this transit may be increased.

You are able to firmly put forward your personal choices and to exteriorise your most intense emotions without falling into hysteria. In the beginning, the originality or the oddity of your misgivings disconcerts your friends, and particularly the members of your family. But you manage to behave with diplomacy, and you make smart moves. Finally, your enthusiasm wins them over.

At home, unexpected events make you happy and spare you a few daily chores. You may move into a less remote and more functional dwelling.

You may also live alone and get an exhilarating sensation of freedom.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Personal achievement

Trine ♃ Jupiter ☉ Sun

★★★★★ Valid from Friday 1 January till Wednesday 27 January included (particularly active from Wednesday 6 January till Wednesday 6 January, with an orb of 1.47')

External circumstances are propitious for your personal initiatives. They are a great credit to you, and they are immediately supported by the people you wanted to impress. Your frank, fair, and optimistic attitude is instrumental in your success.

If you are working in a close-knit team under the guidance of a strong hierarchy, you can show yourself to advantage and get promoted to a higher position. If you want to become the spokesperson for your entourage, your requests or your explanations will be fully taken into account.

In the financial area, you may be blessed with unexpected cash coming in, which will enable you to pamper yourself and, why not, to indulge in a travel. If you must take an exam or a competitive examination, your chance of success is great.

You feel that your romantic partner loves you, supports you, and appreciates you. It is possible to legalise your relationship during this period. If you are already married, you may experience a new honeymoon.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

Persuasiveness and intellectual sharpness

Trine ♇ Pluto ♀ Mercury

★★★★★ Valid from Friday 1 January till Saturday 31 December included (particularly active on Monday 29 February, on Wednesday 8 June and on Friday 30 December, with an orb of 0.00')

A slow work has taken place within you and, over the years, you have learnt that you must neither believe the words you hear, nor find them amusing any more. The time has come now to reap the harvest of this maturation.

Your communication, enhanced by your experience, is at its peak. You express your thoughts with clarity and firmness. You instinctively spot misunderstandings, and you nip them in the bud before they set up a wall of incomprehension between your folks and you.

You are endowed with unfailing critical thinking and incredible powers of persuasion, and you manage to use them to advance your professional projects. As a result, people listen to you and respect you.

You can easily take up the study of new topics which are uncommon and unknown of the general public. Thanks to your intellectual sharpness, you rapidly grasp all its mechanisms, and you will find in them much information valuable for you as well as for other people.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

R Efficient organisation and restrained emotions

Trine ♄ Saturn ☾ Moon

★★★★★ Valid from Saturday 16 January till Wednesday 8 June included (particularly active on Sunday 14 February and on Thursday 5 May, with an orb of 0.00')

These planets are linked by a trine in your natal chart: the harmonious effects of this transit may be increased.

You are implementing an organisation which will prove fruitful in the future. Your private and family life is your top priority, and you are very keen to create around you a quiet and peaceful, though quite eventless, ambiance. You are able to temporarily hush your sensitivity, and you only express the feelings which are unlikely to jeopardise your serenity.

As you are wary of your imagination, you mainly use it to solve daily material problems. This transit is good for you if you consider settling into a home for a long time, investing in properties, or if you are seeking an extremely wise solution to a litigation involving the family. Your ties with your friends and relatives are growing stronger.

You give of yourself the image of a serious and responsible woman.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Commitment and conquering spirit

Conjunction ♂ Mars MC Midheaven

★★★★★ Valid from Monday 18 January till Wednesday 27 January included (particularly active on Saturday 23 January, with an orb of 0°11')

You are determined to take action, to show your worth in the field, and to demonstrate what you are capable of. In the professional area, you may be entrusted with a delicate task which requires your entire dedication and which will make you very happy.

You are persistent and persuasive. You manage to convince people to abide by your instructions. You are

earning a reputation of courage, energy, and efficiency even though, right now, you have not yet received any tangible reward.

You must be very careful if remarkable deeds are not too appreciated in your professional activity. In such a case, your unused vitality will turn into bad mood, and you will take it out on your colleagues or your supervisors. Keep your cool, and control your fits of anger.

Susceptibility and conflicts

Square ♀ Mars ☾ Moon

★★★★★ Valid from Wednesday 27 January till Friday 5 February included (particularly active on Monday 1 February, with an orb of 0°09')

Your sensitivity is severely tested during a few days. Intellectual stress or aggressions crop up to upset you right under your roof. Instead of analysing the situation with a cool head, you get carried away by the surrounding agitation, and you add your panic to that of the members of your entourage.

Do not let unfounded worries overwhelm your thoughts, and preserve several moments of rest for yourself. Weigh your words during family discussions, because your tactlessness may hurt some of your kindred. You are on the defensive, and you tend to exaggerate the meaning of comments aimed at you.

You must pay attention to your stomach, because your digestive system is weakened.

You may exchange biting words with your mother or with a female relative.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

R Blunders and overheated mind

Opposition ♀ Mars ☿ Mercury

★★★★★ Valid from Sunday 31 January till Tuesday 9 February included (particularly active on Thursday 4 February, with an orb of 0°10')

These planets are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

Right now, your mind is in an overheated state. You try to understand everything, to rule everything, and to participate in all conversations, but you cannot follow any more the speedy pace you have set for yourself. This brings about many incoherent words, blunders, slips of tongue, and brusque moves causing small accidents.

If you are confronted with a problem that you must solve, give yourself a few days to ponder, because right now, you are unable to apply your weak reasoning abilities to the crude reality of facts.

You tend to be overly rigid, which harms your adaptation powers. You wish the world functioned according to your desires, and it is precisely in this biased approach that the main cause of your setbacks lies.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

Your February Forecast

R Thirst for initiatives and oncoming success

Trine ♃ Jupiter ♂ Mars

★★★★★ Valid from Wednesday 3 February till Sunday 13 March included (particularly active on Thursday 25 February, with an orb of 0°02')

These planets are linked by a sextile in your natal chart: the harmonious effects of this transit may be increased.

Your dynamism and your enterprising spirit are at their highest level of intensity and efficiency. You take the firm decisions required to protect your interests. Do not be afraid to make mistakes, for all your assessments are accurate. You manage to promote yourself, and you can be propelled to a higher social position.

This is a promising period for activities related to sports and vehicles as well as for works requiring extraordinary strength.

If you consider filing an administrative claim or a lawsuit, you are very likely to win.

You burn a great deal of energy, but you enjoy it very much. Indeed, you find that being in action is tremendously fulfilling and enables you to recharge your batteries.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Reflexes and power of action

Sextile ♂ Mars ♂ Mars

★★★★★ Valid from Saturday 6 February till Monday 15 February included (particularly active on Thursday 11 February, with an orb of 0°12')

Your power of action is reaching its highest level. To put it to good use, impose your initiatives in a frank and straightforward way without spending too much time examining the situation. Your instinctive

knowledge of human beings and of the context in which you are moving enables you to score points and to keep very quick reflexes.

You may be bossy with your friends and relatives. You may also force them to behave according to your interests, but on the whole, your courage, your energy and your outspokenness are very much appreciated. This is a good period for starting sports activities and for all types of competitions.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Explosive situation and dangerous impatience

Square ♃ Uranus ♂ Mars

★★★★★ Valid from Saturday 13 February till Tuesday 10 May included (particularly active on Wednesday 30 March, with an orb of 0°00')

You are bubbling with intense energy, with overflowing vitality, and with the desire to face people and reality, but the context and its hierarchical constraints have decided otherwise. Therefore, you must summon up your patience in order not to brutally blow up the safety valve, as this would work against your interests.

Weigh your words (easily harsh), your moves (clumsy and sudden), as well as your decisions (hasty and unrealistic). In short, control your impetuosity, and find an outlet for your surplus energy.

Practicing a sport may be excellent, but here again, be careful not to overdo when you are tempted to confront danger.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

R Possible conflicts and rivalries

Opposition ♂ Mars ☉ Sun

★★★★★ Valid from Wednesday 17 February till Sunday 28 February included (particularly active on Monday 22 February, with an orb of 0°02')

These planets are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

Because your energy is not properly canalised, it may get wasted in many directions, and it may not yield satisfactory results. In case of wounded pride, you must minimise the issue, for fits of anger are counterproductive.

Try to calm down, and do not believe that in every remark there is an aggressive intent. People put

pressure on you with the will to distract you from your primary goals. Wait a couple of days, and step back to assess the situation. You will realise that you are on the right track and that this is the reason why you arouse a few jealousies.

There is a danger that a quarrel opposes you to your romantic partner.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

Personality transformation and rebirth

Conjunction ♃ Pluto AS Ascendant

★★★★★ Valid from Wednesday 24 February till Monday 13 June included (particularly active from Wednesday 13 April till Wednesday 13 April, with an orb of 1.53')

Although a real alchemical transmutation is currently at work within you, you cannot notice its outward symptoms. Like for any in-depth process, you must put in many efforts, go through several states of discouragement or even depression, and stop deluding yourself about yourself.

Once you dare to show your true self openly, without mask and without make-up, you will feel that you are reborn.

You will be bursting with energy. You will forget your anxieties, and you will radically transform your lifestyle. Everything will be affected: feelings, activities, finances, etc. and later on, you will be proud of the results achieved.

Extreme fighting spirit and lust for power

Conjunction ♃ Pluto ♂ Mars

★★★★★ Valid from Sunday 20 March till Wednesday 18 May included (particularly active from Friday 15 April till Friday 15 April, with an orb of 2.22')

You are bursting with energy, you protect your independence against all opposition, and you do not tolerate any hindrance to your desires. You are active, combative, and easily aggressive. You throw yourself into every battle, and you spontaneously put your fiery zeal at the service of every struggle and of every duel. Likewise, you commit yourself to every competition, fearlessly provoking rivalries and threats.

If this incredible vitality is well canalised, you become able to achieve many feats. Indeed, you do not hesitate to take clear-cut decisions, and you put an end to any unsatisfactory or shoddy situation without believing that you have the right to back out at the moment when the last assault is to be launched.

Nevertheless, you must exercise some patience and polish up your strategy if you do not want to make a nuisance of yourself. You must also tightly rein in your violence and your lust for pleasure.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

These planets are linked by an opposition in your natal chart: the harmonious effects of this transit may be lessened.

You will realise that you need to become more independent from your romantic partner. However, you do not intend to cut off your ties. Your only purpose is to make him understand your need for self-assertion, and it is very likely that you will succeed in doing so without hurting his sensitivity.

If you are single, a new love affair will make you happy. You may need to rein in your jealousy in order not to scare your partner, but the relationship is worth it.

Warm and uplifting bonds will be forged with your friends during this period too. You are endowed with increased self-confidence, laid-back charm, and dynamic energy. You can use these assets in your negotiations or in your job interviews.

Your September Forecast

Excess of desires

Opposition ♂ Mars ♀ Venus

★★★★★ Valid from Tuesday 13 September till Tuesday 20 September included (particularly active on Saturday 17 September, with an orb of 0°13')

Your affective life is fraught with doubts. Your immediate desires, looming up suddenly in your life, are in contradiction with your wish to preserve a climate of understanding and harmony for yourself as well as for those you love.

Short-lived affairs are very likely to crop up. You will have to decide whether you yield to the appeal of the forbidden fruit, or if you steer clear of it. In either case, frustrations are on the agenda.

Likewise, if you have to hold professional negotiations, or if you are willing to facilitate an agreement or a rapprochement, you will feel a bit disappointed, for you are unable to clearly define your real goals.

Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
