Grand Horoscope 2017 for Megan

Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones. In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact,
- the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

Such warnings, sometimes displayed as preambles, constitute valuable additional information for the

analysis of the nature and the importance of the transit. We strongly advise you to read them attentively.

Indeed, the new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Important remark: certain paragraphs are repeated. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

Aspectarian from Sunday 1 January 2017 to Sunday 31 December 2017 for Megan

Your January Forecast

Persuasiveness and intellectual sharpness

Trine ♃ Pluto ♀ Mercury

★★★★★ Valid from Sunday 1 January till Wednesday 22 March included (particularly active on Sunday 1 January, with an orb of 0°03')

A slow work has taken place within you and, over the years, you have learnt that you must neither believe the words you hear, nor find them amusing any more. The time has come now to reap the harvest of this maturation.

Your communication, enhanced by your experience, is at its peak. You express your thoughts with clarity and firmness. You instinctively spot misunderstandings, and you nip them in the bud before they set up a wall of incomprehension between your folks and you.

You are endowed with unfailing critical thinking and incredible powers of persuasion, and you manage to use them to advance your professional projects. As a result, people listen to you and respect you.

You can easily take up the study of new topics which are uncommon and unknown of the general public. Thanks to your intellectual sharpness, you rapidly grasp all its mechanisms, and you will find in them much information valuable for you as well as for other people.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

Explosive situation and dangerous impatience

Square ♃ Uranus ♂ Mars

★★★★★ Valid from Sunday 1 January till Wednesday 1 March included (particularly active on Sunday 1 January and on Monday 2 January, with an orb of 0.41')

You are bubbling with intense energy, with overflowing vitality, and with the desire to face people and reality, but the context and its hierarchical constraints have decided otherwise. Therefore, you must summon up your patience in order not to brutally blow up the safety valve, as this would work against your interests.

Weigh your words (easily harsh), your moves (clumsy and sudden), as well as your decisions (hasty and unrealistic). In short, control your impetuosity, and find an outlet for your surplus energy.

Practicing a sport may be excellent, but here again, be careful not to overdo when you are tempted to confront danger.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet

involved in the transit is in the 1st House of your chart.

R Inopportune hostility and dangerous pugnacity

Square ♃ Jupiter ♂ Mars

★★★★★ Valid from Sunday 1 January till Wednesday 11 January included (particularly active on Sunday 1 January, with an orb of 1°20')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

You believe that external circumstances, and more particularly social structures and codes, constitute the obstacles which prevent you from expressing your desires. As a result, your vitality is lowered, and you champ at the bit.

This smothering situation is the reason why you behave with aggressiveness and consider that every discussion is a bone of contention. You ought to find an outlet for your repressed violence. Practicing a sport seems very suitable. You could also put your pugnacity and your debating talent at the service of an ideological or a humanitarian struggle.

In either case, be careful not to go beyond your capacities of resistance, both physical and psychological. By living on the edge the way you do, you may end up having a nervous breakdown after a silly temper tantrum or a clumsy move.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Affective disappointment and declining powers of seduction

Opposition ♄ Saturn ♀ Venus

★★★★★ Valid from Sunday 1 January till Friday 17 February included (particularly active on Friday 20 January, with an orb of 0°01')

In the romantic area, you do not know any more where you stand. On the one hand, previous commitments and deeply-rooted love seem disappointing and stultifying. On the other hand, you are not prepared to break your moorings.

You are driven by a feeling of insecurity which prompts you to doubt the affection people have for you. As a result, you may become bitter and aggressive. Therefore, you ought to be careful not to lose several sincere friends.

In order to forget your overwhelming sadness, you are tempted to check your powers of seduction by increasing the number of your conquests and of your love affairs. Finally, they will prove unfulfilling, for you refuse to give too much of yourself and of your time to your partners.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

Personality transformation and rebirth

Conjunction ♃ Pluto AS Ascendant

★★★★★ Valid from Sunday 1 January till Sunday 31 December included (particularly active from Saturday 8 April till Saturday 8 April, from Tuesday 25 April till Tuesday 25 April, with an orb of 0.00')

Although a real alchemical transmutation is currently at work within you, you cannot notice its outward symptoms. Like for any in-depth process, you must put in many efforts, go through several states of discouragement or even depression, and stop deluding yourself about yourself.

Once you dare to show your true self openly, without mask and without make-up, you will feel that you are reborn.

You will be bursting with energy. You will forget your anxieties, and you will radically transform your lifestyle. Everything will be affected: feelings, activities, finances, etc. and later on, you will be proud of the results achieved.

R Success in love or high self-esteem

Trine ♃ Jupiter ♀ Venus

★★★★★ Valid from Monday 2 January till Monday 13 March included (particularly active on Sunday 5 February and on Monday 6 February, with an orb of 0.22')

These planets are linked by a square in your natal chart: the harmonious effects of this transit may be lessened.

Your spontaneous and optimistic attitudes, as well as your affable and tolerant comments, are deeply appreciated and bring about numerous joys and successes which boost your self-esteem.

Your love life is full of promising encounters, outings, and amusements. If you are living with your partner as a couple, you may prepare a trip or an escapade far from your daily concerns.

In your professional circles, support from friends or unexpected favours help you progress and show yourself to advantage. Accept them wholeheartedly, and express your gratitude without fearing ulterior motives.

Although you are in a spendthrift mood, at the last minute, you refrain from overstepping your limits, and you do not jeopardise your budget.

If you practice an artistic activity, it is with eagerness that you create. Your works are most likely to receive public acclaim.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

R Spirit of repartee and numerous contacts

Sextile ♀ Mars ♀ Mercury

★★★★★ Valid from Sunday 8 January till Friday 13 January included (particularly active on Tuesday 10 January, with an orb of 0°08')

These planets are linked by a trine in your natal chart: the harmonious effects of this transit may be increased.

You are full of vitality, brilliant in polemics, firm and final in your decisions, and you take action quickly. You are most likely to make numerous short trips and telephone calls. You may also participate in a host of meetings and, each time, you hit the mark.

You clear up old misunderstandings effortlessly, you initiate rapprochements, you spur stragglers to speed up and thus, you save a lot of valuable time for the next phase of your projects.

You can't be bothered to adjust to the prevailing concerns, and you shake up people's usual way of thinking by asking mind-boggling questions.

This is a quite promising period for all types of manual works.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

Extreme fighting spirit and lust for power

Conjunction ♃ Pluto ♀ Mars

★★★★★ Valid from Tuesday 10 January till Thursday 17 August included (particularly active from Wednesday 12 April till Wednesday 12 April, with an orb of 0.28')

You are bursting with energy, you protect your independence against all opposition, and you do not tolerate any hindrance to your desires. You are active, combative, and easily aggressive. You throw yourself into every battle, and you spontaneously put your fiery zeal at the service of every struggle and of every duel. Likewise, you commit yourself to every competition, fearlessly provoking rivalries and threats.

If this incredible vitality is well canalised, you become able to achieve many feats. Indeed, you do not hesitate to take clear-cut decisions, and you put an end to any unsatisfactory or shoddy situation without believing that you have the right to back out at the moment when the last assault is to be launched.

Nevertheless, you must exercise some patience and polish up your strategy if you do not want to make a nuisance of yourself. You must also tightly rein in your violence and your lust for pleasure.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Reflexes and power of action

Sextile ♀ Mars ♀ Mars

★★★★★ Valid from Thursday 12 January till Tuesday 17 January included (particularly active on Saturday 14 January, with an orb of 0°05')

Your power of action is reaching its highest level. To put it to good use, impose your initiatives in a frank and straightforward way without spending too much time examining the situation. Your instinctive knowledge of human beings and of the context in which you are moving enables you to score points and to keep very quick reflexes.

You may be bossy with your friends and relatives. You may also force them to behave according to your interests, but on the whole, your courage, your energy and your outspokenness are very much appreciated. This is a good period for starting sports activities and for all types of competitions.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Frustrations and emotional wounds

Square ♀ Mars ♀ Venus

★★★★★ Valid from Monday 16 January till Sunday 22 January included (particularly active on Thursday 19 January, with an orb of 0°00')

During this short period, you must harden your heart and protect yourself carefully against emotional traps. Indeed, you run the risk of being disappointed by those you love. You may also get the impression that everyone intends to harm you. It must be underlined that, despite everything, such attacks are not very serious and that, because you take everything to heart, you tend to pay too much attention to mere absent-mindedness and omissions devoid of malevolence.

Right now, do not strive to hold any thorny negotiation, and do not seek any reconciliation, because your high-strung disposition does not speak for you.

Watch your expenses, for the urge to splurge is nothing but a means to let off steam when your frustrations are overwhelming, and in the end, you will find yourself cluttered with items you do not like at all.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

R Frankness and promising initiatives

Sextile ♀ Mars ☉ Sun

★★★★★ Valid from Wednesday 18 January till Tuesday 24 January included (particularly active on Saturday 21 January, with an orb of 0°00')

These planets are linked by a trine in your natal chart: the harmonious effects of this transit may be increased.

You are endowed with a great deal of indomitable energy. Use it to solve all your pending problems. You do not beat about the bush, you raise salutary arguments, and you are self-assured enough to impose your will.

Decisions regarding your primary goals ought to be taken without further delay. Once you have made the first step, you will realise that you have pushed aside the obstacles which appeared insurmountable to you, just a few days ago.

You succeed in imposing yourself with firmness in a male-dominated environment.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

Your February Forecast

R Revived romantic or friendly relations

Sextile ♃ Uranus ♀ Venus

★★★★★ Valid from Tuesday 7 February till Sunday 7 May included (particularly active on Tuesday 28 March, with an orb of 0°00')

These planets are linked by an opposition in your natal chart: the harmonious effects of this transit may be lessened.

You will realise that you need to become more independent from your romantic partner. However, you do not intend to cut off your ties. Your only purpose is to make him understand your need for self-assertion, and it is very likely that you will succeed in doing so without hurting his sensitivity.

If you are single, a new love affair will make you happy. You may need to rein in your jealousy in order not to scare your partner, but the relationship is worth it.

Warm and uplifting bonds will be forged with your friends during this period too. You are endowed with increased self-confidence, laid-back charm, and dynamic energy. You can use these assets in your negotiations or in your job interviews.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

Dynamism and imagination

Trine  Mars  Moon

★★★★★ Valid from Tuesday 14 February till Monday 20 February included (particularly active on Friday 17 February, with an orb of 0°00')

This is an excellent period for solving rapidly and with determination the problems pending with your family members or those related to the place where you live.

You are witty, your reactions are quick, and you find colourful retorts which make people laugh and which put them on your side.

If you are a trader, you have a lot on your plate, but this extra work makes you very happy.

Your enlivened imagination helps you deal with the reality of daily events. The hell with unproductive reveries! You manage to adjust your desires to your real possibilities.

You come across as a dynamic person, which prompts some of your friends and relatives to use your services. You do not shirk your responsibilities, and you are concerned about people who are more vulnerable than you.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Anger and impulsiveness

Square  Mars  Mars

★★★★★ Valid from Tuesday 21 February till Sunday 26 February included (particularly active on Friday 24 February, with an orb of 0°21')

Your power of action is declining temporarily. Therefore, it would be wise to wait until this transit is over before taking new initiatives, fighting for your stance, or showing your authority. You may have the nagging feeling that your most basic desires are stymied.

The most impulsive people must beware of new surges of impetuosity. Indeed, they may provoke hasty

splits, anger, squabbles, as well as insistent and clumsy protests, because the slightest frustration and the smallest obstacle on the way become unbearable. When not properly used, this aggressiveness may backfire on them, and they will need to watch their movements and their short trips.

Some other people may champ at the bit. They may feel helpless in front of adversaries brimming with vitality and willing to pull the rug from under their feet.

If you must participate in a competition, try to postpone the date because, for the time being, you are not in a position to cope with serious challenges.

Sextile  Mars  Venus

★★★★★ Valid from Sunday 26 February till Friday 3 March included (particularly active on Wednesday 1 March, with an orb of 0°21')

The barometer of your love life is set fair. An atmosphere of cheerfulness, insouciance, and mutual confidence impacts your mood positively. You are in physical and emotional communion with your environment. Collective gatherings, invitations from friends, and leisure travels are the source of great joys.

If you practice an activity dealing with artistic or aesthetic topics, you will be blessed with inspiration, and your hand will follow punctiliously the commands of your mind. If you are involved in situations requiring diplomacy, you will manage to get out of it advantageously. You blend kindness with firmness, and you will come out of such interviews particularly pleased with the results you achieved.

Purchases made during this period will prove wise and will delight you as well as the persons dear to you.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

★★★★★ Valid from Tuesday 21 March till Monday 27 March included (particularly active on Friday 24 March, with an orb of 0°03')

You are brimming with vitality, and you use your dynamism at home, where you are starting to make radical changes. You want to transform your surroundings, and the persons who live under your roof may bear the brunt of your tyranny.

You may also burn your energy doing domestic works; no matter how difficult and unpleasant the chores are, you do not find them deterring. Moreover, you may have the possibility to jump at an opportunity to rent or to purchase a new house. However, do not take hasty decisions, and carefully consider the costs incurred.

You tend to behave with frankness and rudeness when you deal with the past or with people related to the past. Indeed, you are impatient with your parents or your grandparents, and you do not accept that people go back over what has been said and done.

Susceptibility and conflicts

Square ♀ Mars ☾ Moon

★★★★★ Valid from Tuesday 28 March till Sunday 2 April included (particularly active on Friday 31 March, with an orb of 0°16')

Your sensitivity is severely tested during a few days. Intellectual stress or aggressions crop up to upset you right under your roof. Instead of analysing the situation with a cool head, you get carried away by the surrounding agitation, and you add your panic to that of the members of your entourage.

In your chart, Mercury receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous. However, these planets are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

You are brimming with an ebullient energy, and you cannot accept to be confined in an enclosed universe. You are willing to see new faces and to debate with them over the subjects you are concerned with. You seek efficiency in all circumstances, and you refuse to be burdened with meaningless preambles.

If you like or dislike people, you tell them so frankly, and probably quite too rudely. You are willing to make many short trips to quench your thirst for physical exercise.

You must curb your growing nervousness, for it may lead you to make clumsy moves causing wounds on your hands or on your arms.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

The time has come to make a daring decision and to strengthen your positions in front of long-standing adversaries. They will all be surprised by your firmness, and you can thus have the final say on issues over which you had no authority.

In the area of health, you are feeling that your vitality is extremely strong. To make the most of this transit, quench your thirst for thrills through sports activities. Otherwise, your repressed violence may backfire on you and cause blows, cuts, or burns.

The Midheaven and Jupiter form a trine in your natal chart: the harmonious effects of this transit are increased.

The period is promising for the improvement of your professional situation. It is more about the crowning and the public recognition for your efforts than about a magic set of circumstances thrusting you into centre stage. Therefore, keep a cool head, and do not rely blindly on your lucky star. It is true that it is shining bright in the sky, but you must work to live up to your reputation if you want it to open for you, later on, a new and tremendously rewarding path.

Having said this, be rest assured that you can rely on the support of providential friends, and that you will manage to jump at good opportunities. People talk about you, and regardless of the laudatory or derogatory nature of their comments, with your sharp flair for public relations, you will take full advantage of the fact that you are in the limelight.

Indeed, they may provoke hasty splits, anger, squabbles, as well as insistent and clumsy protests, because the slightest frustration and the smallest obstacle on the way become unbearable. When not properly used, this aggressiveness may backfire on them, and they will need to watch their movements and their short trips.

Some other people may champ at the bit. They may feel helpless in front of adversaries brimming with vitality and willing to pull the rug from under their feet.

These planets are linked by an inconjunction in your natal chart: the negative effects of this transit may be slightly increased.

You have a regrettable tendency to relax your efforts and to let the ambiance prevailing around you influence you. Some sort of temporary laziness or carelessness may destabilise the organisation of your routine.

You must take care of your interests and be wary of the naivety which prompts you to trust anything you hear. You are inclined to spend a lot of money, but it is most likely that you will be disappointed by the quality of your purchases. The other possibility is that you incur debts and that you become unable to reimburse them later on.

Your house may be invaded by intruders and parasites. Therefore, you ought to be tougher and more authoritarian than you presently are, so as to protect your privacy.

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Although the period is not too auspicious for your communication, you are in a talkative mood. You are willing to speak about your experiences and to share your impressions. Unfortunately, due to your clumsiness and to your rabidity, your messages are not accepted as easily as you may think.

Above all, you must avoid taking a stance on topics you do not thoroughly know, because the errors of appreciation you are bound to make will backfire on you. Likewise, your sloppiness when you write may be at the origin of many misunderstandings.

Bearing in mind this temporary handicap, it is preferable that you postpone all administrative steps or claims. You feel the urge to travel, but here again, you must organise your departure very meticulously since forgetfulness is highly probable.

You are persistent and persuasive. You manage to convince people to abide by your instructions. You are earning a reputation of courage, energy, and efficiency even though, right now, you have not yet received any tangible reward.

You must be very careful if remarkable deeds are not too appreciated in your professional activity. In such a case, your unused vitality will turn into bad mood, and you will take it out on your colleagues or your supervisors. Keep your cool, and control your fits of anger.

Susceptibility and conflicts

Square  Mars  Moon

★★★★★ Valid from Saturday 30 December till Sunday 31 December included, this transit is repeated: it previously occurred from 28 March till 2 April (particularly active on Sunday 31 December, with an orb of 1°11')

Your sensitivity is severely tested during a few days. Intellectual stress or aggressions crop up to upset you right under your roof. Instead of analysing the situation with a cool head, you get carried away by the surrounding agitation, and you add your panic to that of the members of your entourage.

Do not let unfounded worries overwhelm your thoughts, and preserve several moments of rest for yourself. Weigh your words during family discussions, because your tactlessness may hurt some of your kindred. You are on the defensive, and you tend to exaggerate the meaning of comments aimed at you.

You must pay attention to your stomach, because your digestive system is weakened.

You may exchange biting words with your mother or with a female relative.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
