Grand Horoscope 2016 for Scarlett

Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones. In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact,
- the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

Such warnings, sometimes displayed as preambles, constitute valuable additional information for the

analysis of the nature and the importance of the transit. We strongly advise you to read them attentively.

Indeed, the new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Important remark: certain paragraphs are repeated. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

Aspectarian from Friday 1 January 2016 to Saturday 31 December 2016 for Scarlett

Your January Forecast

Popularity, well-being, and comfort

Sextile ♃ Jupiter ☾ Moon

★★★★★ Valid from Friday 1 January till Saturday 6 February included (particularly active from Wednesday 6 January till Wednesday 6 January, with an orb of 0.57')

The period is promising for your physical well-being and your material comfort. You feel in a cheerful mood. You are willing to enjoy yourself and to get your family and your friends together around you to discuss with them in a spirit of great tolerance. You are given the opportunity to show your affection to your kindred and to deepen your ties with them. The purchases you make for your house, as well as the gifts you buy, are well chosen.

You are quite popular in your profession, and the atmosphere at work is very warm.

You feel good about yourself, you exude obvious charm, and you are most likely to make many conquests.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Weak communication and fruitless negotiations

Square ♃ Jupiter ☿ Mercury

★★★★★ Valid from Friday 1 January till Saturday 27 February included (particularly active on Sunday 7 February, with an orb of 0°01')

You have the feeling that bad luck is hounding you, or that people wielding authority – or a supervisor – strive to thwart your plans and to prevent you from expressing yourself.

Do not worry though, for the influence of this transit is fleeting, and soon you will be able to think and to speak freely again. Right now, it would be preferable to remain silent. You should also wait before drafting an administrative mail or making an important telephone call, because you are blunder-prone.

Your intellectual abilities, or your school report if you are still a student, may be temporarily inadequate since it is hard for you to concentrate. Furthermore, you run the risk of shocking everybody with your seditious opinions.

During your short trips, pay special attention to your car and to your wallet, as your forgetfulness may attract malevolent people.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the

way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Anger and impulsiveness

Square ♀ Mars ♀ Mars

★★★★★ Valid from Saturday 9 January till Saturday 16 January included (particularly active on Tuesday 12 January, with an orb of 0°10')

Your power of action is declining temporarily. Therefore, it would be wise to wait until this transit is over before taking new initiatives, fighting for your stance, or showing your authority. You may have the nagging feeling that your most basic desires are stymied.

The most impulsive people must beware of new surges of impetuosity. Indeed, they may provoke hasty splits, anger, squabbles, as well as insistent and clumsy protests, because the slightest frustration and the smallest obstacle on the way become unbearable. When not properly used, this aggressiveness may backfire on them, and they will need to watch their movements and their short trips.

Some other people may champ at the bit. They may feel helpless in front of adversaries brimming with vitality and willing to pull the rug from under their feet.

If you must participate in a competition, try to postpone the date because, for the time being, you are not in a position to cope with serious challenges.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

R Harmony and affective closeness

Sextile ♃ Neptune ♀ Venus

★★★★★ Valid from Friday 15 January till Saturday 31 December included (particularly active on Saturday 19 March and on Saturday 17 September, with an orb of 0.00')

These planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

Your emotional life is particularly intense. You are in total unison with all living beings. You are obliging and helpful, and always prepared to embark on idealistic adventures. Fortunately, you fully control your surges and your emotions, and you do not allow anyone to overwhelm you.

As for romance, everything concurs to make you achieve – or regain – perfect harmony with your partner as well as with your friends.

Your acute sensitivity may be channelled into the artistic field where inspiration comes to you

effortlessly.

Entertainment, celebrations, and outings offer the opportunity to make enriching discoveries at the human level.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Fair weather

Sextile ♂ Mars ♀ Venus

★★★★★ Valid from Monday 18 January till Tuesday 26 January included (particularly active on Friday 22 January, with an orb of 0°02')

The barometer of your love life is set fair. An atmosphere of cheerfulness, insouciance, and mutual confidence impacts your mood positively. You are in physical and emotional communion with your environment. Collective gatherings, invitations from friends, and leisure travels are the source of great joys.

If you practice an activity dealing with artistic or aesthetic topics, you will be blessed with inspiration, and your hand will follow punctiliously the commands of your mind. If you are involved in situations requiring diplomacy, you will manage to get out of it advantageously. You blend kindness with firmness, and you will come out of such interviews particularly pleased with the results you achieved.

Purchases made during this period will prove wise and will delight you as well as the persons dear to you.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Your February Forecast

★★★★★ Valid from Monday 15 February till Friday 26 February included (particularly active on Saturday 20 February, with an orb of 0°03')

The Moon and Mars form a quintile in your natal chart: the harmonious effects of this conjunction are slightly strengthened.

The climate at home is quite stormy. It upsets the pace of your daily life, and as a result, you need to work hard in order to restore the balance. Your emerging desires for change, for movements, and for passion arouse intense, extreme, and unstable emotions. If you manage to exteriorise the energy which is in rooted you, you will be able to take the strong initiatives required to improve your life and that of your family members.

You express yourself with a great deal of firmness, and those who do not follow you must expect a few biting remarks.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Boldness and great energy

Conjunction ♀ Mars ☉ Sun

★★★★★ Valid from Monday 29 February till Monday 14 March included (particularly active on Monday 7 March, with an orb of 0°10')

The time has come to make a daring decision and to strengthen your positions in front of long-standing adversaries. They will all be surprised by your firmness, and you can thus have the final say on issues over which you had no authority.

In the area of health, you are feeling that your vitality is extremely strong. To make the most of this transit, quench your thirst for thrills through sports activities. Otherwise, your repressed violence may backfire on you and cause blows, cuts, or burns.

★★★★★ Valid from Wednesday 2 March till Wednesday 16 March included (particularly active on Wednesday 9 March, with an orb of 0°06')

The Ascendant and Mars form a sextile in your natal chart: the harmonious effects of this transit are increased.

You have the feeling that your vitality is at its highest level, and you are driven by the urge to take action in spite of everyone. Actually, the nature of the area in which you intervene does not really matter, for the most important thing to you is that you exert yourself physically and that additional activities provide a safety valve, a suitable outlet for your energy and your aggressiveness. Practicing a sport is highly recommended.

With your friends and relatives, you exercise your authority with inflexibility, and you strive to solve pending problems with extreme determination. When you want to tell people you are not fond of what you think of them, you go straight to the point. Your forthrightness and your independent mind enable you to break with unhealthy habits. However, you must be careful not to hurt well-meaning persons.

The Midheaven and Jupiter form a trine in your natal chart: the harmonious effects of this transit are increased.

The period is promising for the improvement of your professional situation. It is more about the crowning and the public recognition for your efforts than about a magic set of circumstances thrusting you into centre stage. Therefore, keep a cool head, and do not rely blindly on your lucky star. It is true that it is shining bright in the sky, but you must work to live up to your reputation if you want it to open for you, later on, a new and tremendously rewarding path.

Having said this, be rest assured that you can rely on the support of providential friends, and that you

will manage to jump at good opportunities. People talk about you, and regardless of the laudatory or derogatory nature of their comments, with your sharp flair for public relations, you will take full advantage of the fact that you are in the limelight.

This holds true also if your field of competence is related to the latest breaking news.

You may feel the need to take the floor and to express your views with clarity and courage. You are able to stand up for isolated or excluded groups. Moreover, you can shrewdly fight hypocrisies and intolerant and retrograde attitudes.

Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
