# Detailed Grand Horoscope 2023 for Timothée Chalamet

## Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones, except for the cases of the transits to the slow planets (Jupiter, Saturn, Uranus, Neptune, and Pluto). In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- a yellow star indicating that the transit is important (for Jupiter, Saturn, Uranus, Neptune, or Pluto) or mildly important (for Mars), contrary to the fast-moving planets (the Moon, Mercury, Venus, and the Sun) which have no icon, because they are less important, or quite secondary,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance, such as a collective transit. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact,

- the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

The new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Moreover, "collective" transits, i.e. transits to slow-moving planets, are now displayed - even though they are not very active - except for the Moon, because she moves too fast and exerts no significant influence over slow-moving planets.

Besides, our detailed forecasts take into account what is referred to as "slow transits", the most important ones, since they last a long time and are generated by Pluto, Neptune, Uranus, Saturn, Jupiter, and Mars to a lesser extent, and by "fast transits", i.e. those of Mercury, Venus, and the Sun. This means that this report provides at the same time a forecast report and a real diary for small events and feelings.

Slow transits reveal the future climate you may experience and/or feel, whereas fast transits bring about minor fluctuations, although sometimes they may be active. This is the reason why the titles of the slow transits texts are underlined, which is not the case for fast transits; they should be considered as an addition to the main forecasts indicated by slow transits.

Important remark: certain paragraphs are repeated, especially those of the Moon, who moves rapidly and travels around the zodiac in less than a month. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8-9. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

In your natal chart, Mercury is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

During a few days, your thoughts and your communication match your natural penchants. Therefore, you feel comfortable when you carry out your analyses and your surveys. You are eager to express yourself and to take a stand on topics which are dear to your heart.

Nevertheless, you ought to be aware that the way in which you reason and convey information may have several flaws. Indeed, all weaknesses will be highlighted; scatterbrains will grow even more absent-minded, and chatterboxes will become even more talkative...

Do not let the exaggeration of your innate predispositions put a damper on your impetus and your enthusiasms, because they currently constitute your most valuable assets if you are willing to reach out to people and foster excellent relations with them.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

You are ready for any enchantment. You manage to converse with very different persons, and you encourage understanding as well as leniency among the members of your entourage. Your encounters stimulate your imagination and may result in rich and striking creations if you are engaged in an artistic activity or hobby.

However, you must not completely lose touch with reality. Watch your expenses, do not neglect logistical details, and do not sink into a state of bewilderment.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

You must use this good transit to disclose your ambitions and your dreams, to clear up misunderstandings, in a word, to stop lying to yourself as well as to your friends and relatives.

You are able to reimburse long-standing debts, to finalise a difficult sale process, and to get back the assets you have been despoiled of.

This period is auspicious for medical treatments also. If your health requires a surgical operation, you can consider this option with utter optimism.

Furthermore, this transit can play out at the psychological level and enhance the benefits of psychotherapy work and of an initiation to yoga or to sophrology.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

It is the right time to make purchases meant to embellish your home, but you must be careful not to go over the limits of your budget for a passing fad.

You are easily approachable. Your smile, your sweetness, and your leniency are very much sought after. Because you manage to smooth ruffled feathers, people are grateful to you. Do not meddle into what is happening to your friends and relatives, and think twice before you speak, lest you should commit an indiscretion out of carelessness.

In the romantic area, you find that social conventions or proprieties are suffocating. Be reassured, because this is transient. Try to listen to what your partner wishes to tell you instead of interrupting her and speaking on her behalf.

During several days, your gesticulations are very unlikely to yield satisfactory results. Do not listen to your impulses, for they are too contradictory and cannot show you which path you should follow.

Likewise, avoid getting overly enthusiastic in the course of your private discussions. Indeed, you lack subtlety, and you tend to blow out proportion of the slightest remark aimed at you. Your nervousness may play tricks on you, and your clumsiness may be the cause of falls or of unintentional breakages. During a few days, your intellectual fitness is quite unlikely to be at its top level. You feel that some of the data on which you base your reasoning are difficult to grasp. Do not make useless efforts, and wait until you feel more self-assured, otherwise you may be forgetful and make blunders which are harmful to your communication.

Likewise, control your nervousness. Because you stretch yourself too thin, you get rapidly overwhelmed.

Try to be as precise as possible in your remarks, and temporarily avoid discussions on matters which are dear to your heart, because nothing positive will come out of them.

Therefore, do not take everything you are told for granted. You must at least check the plausibility of the proposals people put forward, otherwise you will become a perfect victim for unscrupulous crooks.

You must also get all your ducks in a row. Also ascertain that you have locked the door of your house or of your car. If you have to contact someone or if you must start a procedure, you must double-check the time and the venue of your meeting before you leave.

★★★★★ Valid on Friday 31 March 2023, with an orb of 0°38'

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. ## ★ Inopportune hostility and dangerous pugnacity

Square ♃ Jupiter ♂ Mars

★★★★★ Valid from Friday 31 March 2023 till Tuesday 18 April 2023 included (particularly active on Sunday 9 April 2023, with an orb of 0°03')

You believe that external circumstances, and more particularly social structures and codes, constitute the obstacles which prevent you from expressing your desires. As a result, your vitality is lowered, and you champ at the bit.

This smothering situation is the reason why you behave with aggressiveness and consider that every discussion is a bone of contention. You ought to find an outlet for your repressed violence. Practicing a sport seems very suitable. You could also put your pugnacity and your debating talent at the service of an ideological or a humanitarian struggle.

In either case, be careful not to go beyond your capacities of resistance, both physical and psychological. By living on the edge the way you do, you may end up having a nervous breakdown after a silly temper tantrum or a clumsy move.

Confide your worries because, as he is more lucid and objective than you, your friend may be able to make you gain awareness of a couple of things. Strength through unity!

## Your April Forecast 2023

★ Possible conflicts and rivalries

Opposition ♀ Mars ☉ Sun

★★★★★ Valid from Saturday 1 April 2023 till Monday 10 April 2023 included (particularly active on Thursday 6 April 2023, with an orb of 0°08')

Because your energy is not properly canalised, it may get wasted in many directions, and it may not yield satisfactory results. In case of wounded pride, you must minimise the issue, for fits of anger are counterproductive.

Try to calm down, and do not believe that in every remark there is an aggressive intent. People put pressure on you with the will to distract you from your primary goals. Wait a couple of days, and step back to assess the situation. You will realise that you are on the right track and that this is the reason why you arouse a few jealousies.

You may also discover several rivalries at work.

Curiosity is gnawing at you, and you need to know more about those you love, their secret thoughts, their feelings, and even their most reprehensible «sins».

and tyrannise them.

Your sensuality is running so high that you can hardly control it. However, there is no excuse for practicing mental sadomasochism.

Square ☉ Sun ♀ Mercury

★★★★☆ Valid from Wednesday 12 April 2023 till Sunday 16 April 2023 included (particularly active on Friday 14 April 2023, with an orb of 0°11')

In your natal chart, Mercury is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

For quite various reasons, right now, your words do not reflect your real thoughts. This is unintentional and may result from a wrong evaluation of your capacities, and from your interlocutor's state of mind. Nevertheless, even though it is devoid of any cunning, this lack of frankness makes you waste a lot of time. Indeed, it is absolutely certain that, if you declare that you are not seeking such and such benefit, no one will care to offer it to you.

Your vitality is low. It is mainly caused by nervousness, unbalanced diet, and irregular sleep.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

Square ♀ Venus AS Ascendant

★★★★☆ Valid from Wednesday 12 April 2023 till Saturday 15 April 2023 included (particularly active on Thursday 13 April 2023, with an orb of 0°28')

You are not feeling too good about yourself, and you consider that your contacts with other people are minor yet recurring sources of inconvenience, of annoyance, and of irritation. If it is at all possible, you would be well-advised to steer clear of meetings and discussions, for you would probably be in a grumpy, frustrated, and gloomy mood.

Affective exchanges with your romantic partner do not go smoothly. Therefore, should minimise the differences of opinion opposing both of you, so as not to let yourself be carried away and hurl bitter and meaningless recriminations.

Since you lack diplomacy in your profession also, you ought to refrain from meddling in your colleagues' business.

### Risk of deception or impressionability

Square ☉ Sun ♆ Neptune (transit to a slow-moving planet) 

★★★★★ Valid from Wednesday 12 April 2023 till Sunday 16 April 2023 included (particularly active on Friday 14 April 2023, with an orb of 0°12')

Square ♃ Jupiter ♀ Mercury 

★★★★★ Valid from Wednesday 12 April 2023 till Sunday 30 April 2023 included (particularly active on Friday 21 April 2023, with an orb of 0°03')

In your natal chart, Mercury is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

You have the feeling that bad luck is hounding you, or that people wielding authority, or a supervisor, strive to thwart your plans and to prevent you from expressing yourself.

Do not worry though, for the influence of this transit is fleeting, and soon you will be able to think and to speak freely again. Right now, it would be preferable to remain silent. You should also wait before drafting an administrative mail or making an important telephone call, because you are blunder-prone.

Your intellectual abilities, or your school report if you are still a student, may be temporarily inadequate since it is hard for you to concentrate. Furthermore, you run the risk of shocking everybody with your seditious opinions.

During your short trips, pay special attention to your car and to your wallet, as your forgetfulness may

### Opposition ♀ Venus ♂ Mercury

★★★★★ Valid from Sunday 28 May 2023 till Thursday 1 June 2023 included (particularly active on Tuesday 30 May 2023, with an orb of 0°00')

In your natal chart, Mercury is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

You are being torn between your powerful affective impulses and the cold logic which urges you not to fall into the traps of sentimentality. This may strongly influence your behaviour, and you may shift from the tenderest attention to the most jeering cynicism.

The most important point for you is to manage not to commit yourself and to remain free, emotionally as well as intellectually. People try to win you over and to charm you, so as to get you involved in projects you are not interested in, and with which you may agree, but from which you run away in the end.

Be more straightforward, and give your opinion more assertively if you do not want to become notorious for being a weathercock and even a hypocrite.

Out of lassitude or disenchantment, you try to meet with all sorts of people and to waste your time with all kinds of pleasures without being able to find out what is good for you. You grasp every pretext to stray on the borders of the fantastic, to lose your bearings, and to become ensnared by the most dangerous mirages.

You tend to show your weakness and to be overly accommodating with your friends and relatives. Curb this propensity, because the beneficiaries of your generosity are bound to reproach it to you later on.

Resist the shopping spree temptation, and distinguish what is necessary from what is superfluous.

Moreover, instead of a detailed demonstration or a contrite justification, it can offer ideas on how to win the assistance of the members of your entourage, find wise advice, and sometimes even financial aid.

On the romantic area, you are longing for adventures, and you are easily blinded by enjoyable short-lived affairs. But here also, external circumstances may force you to control your impulses.

You should constantly demonstrate diplomacy. Moreover, do not commit yourself with people you do not know, and do not waste your energy on your friends or your family members, with whom you will be given the opportunity to prepare a few festivities.

During several days, nervousness and incomprehension lie at the root of the misunderstandings opposing you to your family, more particularly to the children who are close to you.

Although you are stirred by deep emotions, you cannot find the words to express them. They get stuck in your throat, which puts you in a despondent mood. You have the propensity to underestimate the time required to attend to your usual duties. Take this fact into account, in order not to be snowed under with a backlog of work.

You need to be more flexible and more open to suggestions coming from your friends and relatives since they will be very helpful. Forgetfulness or Freudian slips may weaken your communication. You ought to strive to develop more self-control.

Some comments aimed at you may hurt your sensibility. Your skills may be questioned, and people may laugh at you, more or less kindly. Instead, you should endeavour to take stock of your work, to polish up your argumentation, and to consider people's requests more seriously.

You have a propensity to make diplomatic lies and to seek ideal excuses; unfortunately, because you tend to botch them and neglect their likeliness, you will not achieve the result you wish to obtain. As you carry out a survey or a research, it is possible that you tinker with the form and that you slack off on the substance. Think it over.

During this short period, you may notice that your vitality is declining and that dark pessimism prevents you from taking action. It is obvious that you should refrain from taking initiatives since your lack of clear-sightedness, your unfound mistrust, and your aggressiveness do not speak for you.

However, do not go as far as to punish yourself for the faults you feel guilty about. You are overwhelmed by self-destructive instincts, and you must keep them under tight control.

When on the road or in a stadium, do not take any risk. Do not rely on your reflexes, for they are impaired by your suppressed violence.

In the financial area, steer clear of schemes and intrigues, as well as of unhealthy relations. Avoid shady places or people who may arouse old demons.

You are feeling that neither your private nor your professional lives are fully satisfactory. You are mainly preoccupied by annoyances caused by uncontrolled events, by the injustices you undergo, and by the comments aimed at you or at those you love.

Fatigue is sweeping over you, and you must make huge efforts in order to fight your disenchantment. Nevertheless, you must not pay excessive attention to the disagreements which are hurting your sensitivity, because your imagination tends to exaggerate their actual impact.

During these few days, refrain from making decisions about your family and your social life, for you may underestimate your possibilities, and you may confine yourself to an enclosed and dull universe.

Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. You have the feeling that your vitality is at its highest level, and you are driven by the urge to take action in spite of everyone. Actually, the nature of the area in which you intervene does not really matter, for the most important thing to you is that you exert yourself physically and that additional activities provide a safety valve, a suitable outlet for your energy and your aggressiveness. Practicing a sport is highly recommended.

With your friends and relatives, you exercise your authority with inflexibility, and you strive to solve pending problems with extreme determination. When you want to tell people you are not fond of what you think of them, you go straight to the point. Your forthrightness and your independent mind enable you to break with unhealthy habits. However, you must be careful not to hurt well-meaning persons.

Do not let anyone detract your attention from your projects. Do not change sides just because you are afraid to irritate people or to be criticised.

So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. During several days, strive not to express your anger, your grudge, or your bitterness. Discussions about past squabbles are unwelcome, as they would only rub salt in the wounds and trigger new demands.

In the course of a meeting or of a short trip, and when you draft a mail, or when you talk over the telephone, keep your subconscious under control. Indeed, it may speak louder than your mind and prompt you to disclose desires that should be kept secret.

Do not get involved in people's disputes, for you would be blamed for meddling in their affairs. Instead of settling the situation, you would only inflame it, due to the distorted perception you have of people and of their real motivations.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

You may decide to make a last minute short trip to visit relatives who are living far from you.

## Contacts and pleasant short trips

☾ Moon in House III

★★★★★ Valid from Monday 21 August 2023 till Wednesday 23 August 2023 included

During this period, you feel like moving around, discovering and learning. Although you probably dream of faraway horizons, short trips are enough to make you happy. Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

★★★★★ Valid from Tuesday 22 August 2023 till Monday 28 August 2023 included (particularly active on Friday 25 August 2023, with an orb of 0°07')

You have the tendency to misjudge your strength and your real possibilities, and therefore to be over-optimistic. For the moment, be wary of any movement of excessive euphoria, and do not count your chickens before they are hatched.

If an encounter has offered happy prospects regarding your professional future, do not believe that you are successful. Sustain your efforts, and keep on taking numerous initiatives until the benefits you covet are granted to you, for good.

You must also control your verbal aggressiveness and refrain from using it all the time, especially when you are addressing high-ranking people. In addition, indiscretions are most likely to fly around you during this short period.

If you practice a sports activity, do not exaggerate. Muscle strains or hernia may be lurking at the corner of a stadium corridor. Likewise, pay special attention to your liver since it may need it.

This aspect, which occurs twice a year, may help you untangle the hank produced by other influences taking place simultaneously. In a way, you have a split personality, and you face your most secret desires, sometimes the least acceptable ones.

This has nothing to do with madness. This is about becoming aware of shortcomings in your usual behaviour which, unconsciously, cause the failure of some of your undertakings. This transit urges you to set things right.

In addition, you tend to paint a gloomy picture of the situation and to fear the worst disasters, no matter how improbable they are. Be wary of your tendency to feel guilty. If you keep on expecting twists of fate, you may finally bring about crises or quarrels which were not meant to be.

You hardly understand what your desires are right now, and the ensuing lack of organisation may hamper your actions as well as your initiatives. Likewise, as you face the outer reality, you tend to behave

with nonchalance. You feel unconcerned, and like the ostrich, you bury your head in the sand.

Do not take the easy way out, and do not make promises that you cannot fulfil; if an outsider meddles in your domestic life, bring him down a peg before you find yourself obeying his orders and his whims.

You ought to avoid lashing out at your romantic partner at the slightest vexation.

Indeed, you dress up to the nines, you polish up your words, and you endeavour to meet influential people. You quickly find the right word, and your argumentation is very logical.

You feel the need to make short trips and to organise outings and excursions with your friends and relatives. Such leisure activities provide a great deal of joy and enable you to discover nice spots and to ferret out useful addresses.

Check your sources again, and try to consider the issue from several various angles, otherwise you will only get an extremely partial and subjective view of the actual facts.

Despite your declining nervous energy, you are forced to brave problems cropping up from all sides, which worsens your exasperation and your impatience.

Beware of murky situations, of more or less pernicious balance of power, and in general, of anything that seems too good to be true. Do not build castles in the air, and do not listen to your intuitions. Similarly, you must never take pleasure in worrying about misfortunes which will never occur.

In the area of health, you may develop psychosomatic illnesses such as allergies or skin rashes.

Your intellectual concerns or your worries prevent you from communicating as much as you would like to with your friends and relatives. Everyone remains on one's position, mulls over one's resentment or polishes one's plan of action.

You ought to respect this very fleeting desire for silence. Indeed, if you try to force people to speak up, it is most likely that they will answer you with quite acerbic words.

If you attend small meetings, avoid raising issues that are dear to your heart, and do not mention your romantic adventures, for indiscretions are highly probable and may put you in an awkward situation later on.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

During this period, your intense emotions and deep feelings endow your inner and psychical life with extreme strength. You are hypersensitive and you can switch from laughter to tears with no real reason. Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Unless, enriched with all these emotions, you just let your creativity flow freely...

There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. You need to isolate yourself for a short while, so you can think, meditate, and perhaps, find the answers to your philosophical questions. Do you have a sudden desire for faraway travels? More generally, your sexual instincts, your aggressive impulses, and your thirst for power are very likely to be heightened right now. They incite you to show up in venues where you are not expected and to disrupt your habits without being afraid of what people might say.

As a result, there will be many squabbles or caustic words. Therefore, it is preferable that you momentarily keep your distance. These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

During several days, nervousness and incomprehension lie at the root of the misunderstandings opposing you to your family, more particularly to the children who are close to you.

Although you are stirred by deep emotions, you cannot find the words to express them. They get stuck in your throat, which puts you in a despondent mood. You have the propensity to underestimate the time required to attend to your usual duties. Take this fact into account, in order not to be snowed under with a backlog of work.

In your natal chart, Mercury is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

If your emotional responses are exaggerated, they may temporarily damage your communication with your friends and relatives. You tend to get easily distracted and to behave with insouciance. Moreover, you do not really listen to the information conveyed to you. Whenever you express yourself, you can hardly resist the temptation to open your heart to people you barely know.

You may be indiscreet or disclose your little secrets inadvertently. Out of laziness, you may also postpone a procedure, a telephone call, or urgent mails. Therefore, you must set yourself a detailed timetable and use it as your safeguard against procrastination.

Try to rein in your imagination, and channel it into an artistic activity.

Spare your sensitivity, and do not believe that you can be happy only when you are facing disconcerting, upsetting, and extravagant situations.

## **R** Restlessness and nervousness

Opposition ☾ Moon ♀ Mercury

★★★☆☆ Valid on Thursday 28 December 2023, with an orb of 0°30'

Verbal conflicts may oppose you to your romantic partner.

You are working to build your future, and you can rest assured that the initiatives and the decisions taken during these few days will turn out well and will contribute to strengthen your authority as well as to increase your budget.

You can also win a lawsuit, or file claims which are most likely to be considered. More generally, your resolutely positive behaviour speaks for you. Both your words and your actions are highly praised.

## Bad mood and ruffled feelings

Square ♀ Venus AS Ascendant

★★★★★ Valid on Sunday 31 December 2023, with an orb of 1°06'

You are not feeling too good about yourself, and you consider that your contacts with other people are minor yet recurring sources of inconvenience, of annoyance, and of irritation. Since you lack diplomacy in your profession also, you ought to refrain from meddling in your colleagues' business.

## Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
