Detailed Grand Horoscope 2021 for Matt Damon

Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones, except for the cases of the transits to the slow planets (Jupiter, Saturn, Uranus, Neptune, and Pluto). In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- a yellow star indicating that the transit is important (for Jupiter, Saturn, Uranus, Neptune, or Pluto) or mildly important (for Mars), contrary to the fast-moving planets (the Moon, Mercury, Venus, and the Sun) which have no icon, because they are less important, or quite secondary,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance, such as a collective transit. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact,

- the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

The new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Moreover, "collective" transits, i.e. transits to slow-moving planets, are now displayed - even though they are not very active - except for the Moon, because she moves too fast and exerts no significant influence over slow-moving planets.

Besides, our detailed forecasts take into account what is referred to as "slow transits", the most important ones, since they last a long time and are generated by Pluto, Neptune, Uranus, Saturn, Jupiter, and Mars to a lesser extent, and by "fast transits", i.e. those of Mercury, Venus, and the Sun. This means that this report provides at the same time a forecast report and a real diary for small events and feelings.

Slow transits reveal the future climate you may experience and/or feel, whereas fast transits bring about minor fluctuations, although sometimes they may be active. This is the reason why the titles of the slow transits texts are underlined, which is not the case for fast transits; they should be considered as an addition to the main forecasts indicated by slow transits.

Important remark: certain paragraphs are repeated, especially those of the Moon, who moves rapidly and travels around the zodiac in less than a month. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8-9. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

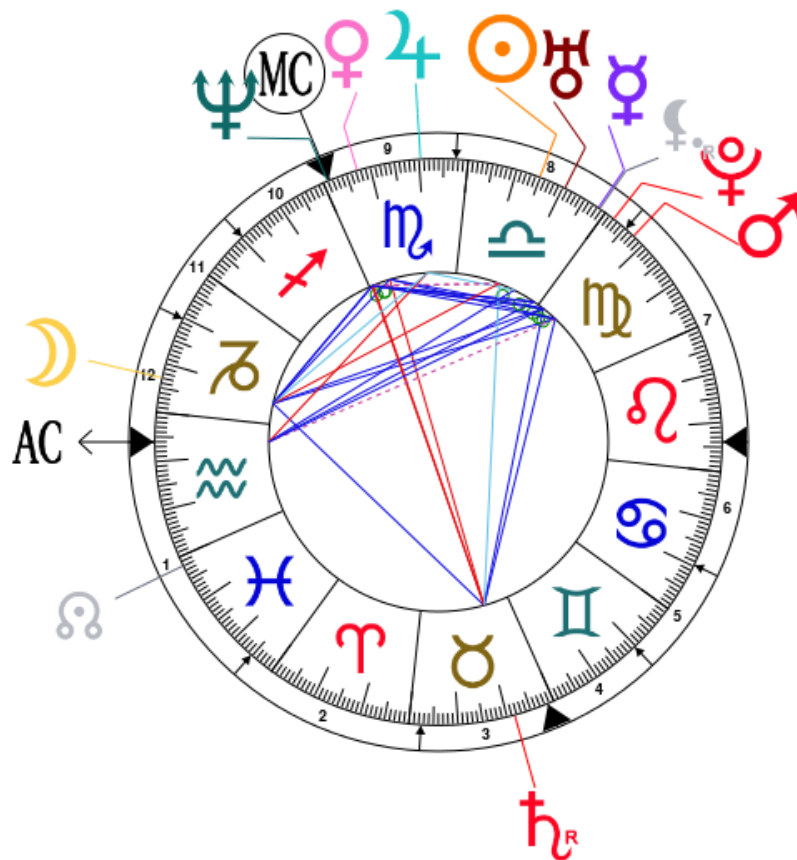

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

Your January Forecast 2021

★ In-depth studies and fruitful contacts

Trine ♃ Saturn ♀ Mercury

★★★★★ Valid from Friday 1 January 2021 till Thursday 21 January 2021 included (particularly active on Saturday 2 January 2021, with an orb of 0°02')

This period is good for students, and more generally, for those who have been concentrating on the same topic for several months in order to get a good command of it. It will not take long before they get extremely convincing results.

You communicate with the members of your entourage in a quite precise, moderate, conventional, but deep style. Make the most of it by dispelling lingering misunderstandings. Your interlocutors will keep their cool and will demonstrate great intellectual honesty.

This transit is auspicious for short travels as well as for study trips, which will turn out to be fruitful.

Your adaptation abilities are not too great when you are facing disconcerting situations. To compensate for this weakness, you devise a strategy aiming at leading your friends and relatives into domains you are thoroughly familiar with.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

★ Barrister's eloquence and business astuteness

Trine ♃ Jupiter ♀ Mercury

★★★★★ Valid from Friday 1 January 2021 till Tuesday 5 January 2021 included (particularly active on Friday 1 January 2021, with an orb of 1°09')

Your stances and your verbal or written interventions are well-received, for they meet the expectations of your supervisors or of all kinds of decision-makers. Therefore, this is an auspicious period for job hunting or for requesting a salary raise, as well as for taking administrative or legal steps.

High-ranking persons grant you their support mainly because you are eloquent, clever, and positive whenever you need to stand up for your interests. If you are a student, a degree is most likely to reward your efforts.

You are very much sought after. You receive many invitations, and in the course of your outings, you may make friends with people endowed with a genial personality. This transit also promises excellent news from abroad. In addition, you may be unexpectedly asked to travel out of your country.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality

and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Nervousness and sentimentality

Square ♀ Venus ♂ Mars 

★★★☆☆ Valid from Friday 1 January 2021 till Monday 4 January 2021 included (particularly active on Saturday 2 January 2021, with an orb of 0°12')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

You have the impression that people do not understand the efforts you make in order to help them or to achieve harmony. As a result, you are faced with an indefinable hostility and a general bad mood which thwarts your initiatives aiming at restoring the balance in your professional and romantic relations.

Your sensitivity becomes even more exacerbated, and you shift from cheerfulness to sullenness at the drop of a hat. Rein in your reactions, because biased by your subjectivity, you may turn all events into tragedies.

Do not let your adversaries pull the rug from under your feet without reacting. A dash of passion is all it takes to help you feel good about yourself.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Deep transformation of personality traits

Conjunction ♃ Pluto ☾ Moon 

★★★★★ Valid from Friday 1 January 2021 till Sunday 14 February 2021 included (particularly active on Friday 1 January 2021, with an orb of 1°15')

In your chart, the Moon receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous. However, these planets are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

Although you are facing a thorough questioning, you show no sign of torment when people look at you. Indeed, the transformation is taking place in the inmost depths of your subconscious, and you believe that no one is able to understand your concerns.

Recurring childhood memories and waves of nostalgia reawaken painful feelings. You want to get rid of all ties and to dissociate yourself from your family and from your workgroup in order to eventually spread your wings.

This stage remains very promising. As it sharpens your intuition and increases your imagination tenfold, it enables you to adjust your phantasms and your dreams to reality. For this purpose, drawing a line under your past is absolutely essential.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Stormy relations and possible trial

Square ♃ Uranus AS Ascendant

★★★★★ Valid from Friday 1 January 2021 till Wednesday 17 March 2021 included (particularly active on Monday 11 January 2021, with an orb of 0°41')

This planet and your relationship AS-DS axis are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

This transit heralds trying times for existing partnerships, associations or cooperation. Everyone needs to recover one's former autonomy but expresses this urge with clumsiness and bluntness.

This is bound to trigger open conflicts which can only be worsened by the prevailing authoritarianism and intellectual inflexibility. Therefore, before getting involved in any sort of litigation or trial, weigh your words, qualify your stance, and encourage your interlocutors to do so, even though for the time being they are your adversaries or your rivals. Otherwise, your emotional balance may be jeopardised, and you may become prone to act on a whim and to take impulsive decisions, because such behaviour would constitute the only outlet for your inner tensions.

Impatience and risk of impulsiveness

Square ☉ Sun ♃ Uranus

★★★★★ Valid on Friday 1 January 2021, with an orb of 1°48'

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

Curb your impatience as well as your utopian impetus, and express your opinions in more subtle ways. Indeed, you run the risk of shocking people without actually succeeding to change the slightest thing.

Do not suddenly give up stability and routine, for you are not equipped to rebuild another structure for the time being.

In the field of health, avoid intellectual fatigue, and watch your joints, as sprains are possible.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Professional or financial satisfaction

Sextile ☉ Sun ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid on Friday 1 January 2021, with an orb of 1°42'

Your bubbling vitality as well as the great ease you show in any setting earn you nice successes and enable you to have many doors opened for you. You obtain satisfaction, and if you are involved in litigation your rights will be respected. You are also able, courteously yet firmly, to keep at bay whoever outshines you.

Your financial initiatives are fruitful, and thanks to your determination, your debtors reimburse the money they owe you.

This period is good for medical treatments and for starting a traditional therapy.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Passion or affectively fulfilling transformation

Sextile ♇ Pluto ♀ Venus

★★★★★ Valid from Friday 1 January 2021 till Sunday 24 January 2021 included (particularly active on Friday 1 January 2021, with an orb of 1°31')

These planets are linked by a sextile in your natal chart: the harmonious effects of this transit may be increased.

Your affective life promises to be rich and exciting. Whether you are single or you have already chosen a partner, you can combine in the most fulfilling manner tenderness with instinct, and lust with closeness.

You are self-assured and certain of your charm. You are able to solve all the pending problems by making use of a shrewd diplomacy nobody can resist.

Your need to create may result in the birth of a child, but it may also lead to a project you will build with someone you love.

More generally, tensions are subsiding, for you assess the situation with accuracy, and you distinguish what is dear to your heart from what you are indifferent to.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Courage, authority, and unflinching determination

Trine ♃ Pluto ♂ Mars

★★★★★ Valid from Friday 1 January 2021 till Friday 22 January 2021 included (particularly active on Friday 1 January 2021, with an orb of 1°35')

These planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

You are endowed with an incredible energy that nothing can weaken. Your plans of action have reached maturity now. Full of self-confidence, and equipped with the means you found yourself, you can now take a final decision.

The need for physical exertion may be channelled into sports activities. Tempted by big adventures, you also accept all their risks and undertake a faraway journey or a perilous odyssey full of fascinating discoveries.

Regardless of the nature of your choice, it is by remaining constantly active that you feel fully alive. Furthermore, every challenge you set yourself turns into an opportunity to surpass yourself.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Conviviality and receptivity

☾ Moon in House VII

★★★★★ Valid from Friday 1 January 2021 till Monday 4 January 2021 included

Today, you don't get bored because you feel the need to reach out to others. Your sensitivity is high and the exchanges with your partner or your entourage arouse various stimulating emotions. You vibrate in unison and the probability that you get along well in many areas is excellent. Take advantage of this nice influence to pass messages and to take initiatives because your partner will receive them positively. In the romantic realm, it is likely that everything is so perfect that words become useless. You may also

want to put your sensitivity at the service of some humanitarian work... A lovely altruistic day in sight!

R Emotions and minor frustrations

Square ☾ Moon ♀ Venus

★★★★★ Valid on Saturday 2 January 2021, with an orb of 1°02'

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Seriousness and intellectual fertility

Trine ♀ Mercury ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Saturday 2 January 2021 till Monday 4 January 2021 included (particularly active on Sunday 3 January 2021, with an orb of 0°19')

The period is auspicious for presenting in the most rigorous manner the results of your studies, of your researches, or of the steps previously undertaken. You may unearth from your drawers a document or a text that you drafted a long time ago and that you can use again in order to back up your current stance.

You organise your daily life with method, which enables you to solve material issues which so far slowed down the pace of your work and impeded your intellectual efficiency.

You are also able to hold serious discussions with the friends and relatives who share your interests. You are most likely to learn a great deal from them, which will help you deepen your knowledge.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Sensitivity and enthusiasm

Conjunction ♀ Mercury ☾ Moon

★★★★★ Valid from Saturday 2 January 2021 till Tuesday 5 January 2021 included (particularly active on Monday 4 January 2021, with an orb of 0°37')

In your chart, the Moon receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You are in a cheerful mood. Events and meetings unfold smoothly. You find the right answer spontaneously, and your responses are shrewd. You are as bubbling as Champagne wine.

Put to good use the perfect harmony reigning between your sensibility and your reactions by expressing your feelings and by sharing your enthusiasm with your friends and relatives. You devise astute solutions for your daily duties, and thus, you do not suffer from monotonous constraints any more.

Discussions with females, i.e. mother, spouse, or colleagues, etc. are enriching. Your lines of communication are kept open, and as a result, joint projects are most likely to take shape successfully.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

It enables you to do an excellent job within a short time span. Moreover, it helps you assert yourself during heated conversations.

This is the right time to claim your dues and to take difficult steps. If you work as an intern, you will find your training very enriching, because you smoothly fit in the team and you are highly competent when you are in the field.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Trivial annoyances and loss of vitality

Square ☉ Sun ☉ Sun

★★★★★ Valid from Sunday 3 January 2021 till Thursday 7 January 2021 included (particularly active on Tuesday 5 January 2021, with an orb of 0°21')

You have the feeling that you are coming up against a brick wall. Your initiatives and your standpoints are the target of criticisms. Even though it is true that your performances are evaluated superficially, you must reconsider your work as well as your methods, and adjust your ambitions to the currently available opportunities.

Avoid fighting with your father. Do not irritate figures of authority, for your clumsiness is very likely to harm your initiatives.

Take care of your health, because you may suffer from a lack of vitamins. If it is possible, take a few days vacation in a sunny place since the sun is a powerful tonic.

In the financial area, seek the advice of experts if you are planning a deal or an investment.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Exacerbated sensitivity

Conjunction ☾ Moon ♂ Mars

★★★★★ Valid on Monday 4 January 2021, with an orb of 1°40'

The Moon and Mars form a trine in your natal chart: the harmonious effects of this conjunction are strengthened.

Your fighting spirit overcomes adversity. You win a battle through sheer energy. It has absolutely nothing to do with triumphing diplomacy, far from that! It is about the victory of determination and persistence. You did not give in, you did not weaken and events prove you right. Now, you can confess that you were not far from the point of no-return... The positive outcome: the impetus is restarted and hurdles are removed. Your fighting spirit seems to be the source of a significant evolution.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

R Good mood and romantic harmony

Sextile ☾ Moon ♀ Venus

★★★★★ Valid on Monday 4 January 2021, with an orb of 1°44'

These planets are linked by a sextile in your natal chart: the harmonious effects of this transit may be increased.

It all starts with a moment of intimacy, a privileged minute that strongly boost your spirits! All of a sudden, everything becomes possible. You begin to dream of more poetry and your contagious tactfulness commands your partner's respect. Let yourself be carried away by the tide since the outcomes can only be positive... On the romantic plane, this is an ideal day to programme a few hours of escape and forget yesterday's misunderstandings. Choose a place conducive to a serene tête-à-tête.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Gentle way of life

Trine ☾ Moon ☾ Moon

★★★★★ Valid on Monday 4 January 2021, with an orb of 2°00'

This is a day of rest, during which you enjoy being in some exotic dream where poetry prevails over reason... You travel, mentally, at least! The desire to escape is very real and you have difficulties in running your day-to-day business. As a consequence, a few annoyances may crop up, but that is the least of your worries... Your concern is to enjoy to the fullest the moment of daydreaming that you badly need.

This is your way of recharging your batteries and recovering your mental strength.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Self-confidence and charisma

Conjunction ♃ Jupiter AS Ascendant

★★★★★ Valid from Monday 4 January 2021 till Monday 25 January 2021 included (particularly active on Thursday 14 January 2021, with an orb of 0°05')

In your chart, The Ascendant receives a square from Jupiter: therefore, this conjunction is mixed, and its effects may be double-edged, sometimes positive but sometimes ambiguous.

This transit enables you to turn your dearest wishes into reality, of course provided that you have worked hard enough to live up to your reputation.

If you must take an exam or a competitive examination, you have every chance to pass with flying colours. If you apply for a job, you will impress your interlocutors, and you can expect a positive outcome.

Your trust in life and the intensity of your affective needs may prompt you to get involved in a long-lasting romance, and even to have a child.

In the financial area, it is most likely that you can increase your income and improve your lifestyle.

Irritation and extreme feelings

Square ♀ Venus ♇ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 5 January 2021 till Friday 8 January 2021 included (particularly active on Wednesday 6 January 2021, with an orb of 0°29')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Your affective relations are under stress. You must become aware of your inner aggressiveness instead of suppressing it and denying it in spite of everyone. Indeed, even though you refuse to recognise it, it rules the majority of your actions. It may prompt you to utter offensive words, the impact of which you do not grasp. It may also arouse suspicions and give rise to fatalism.

Your desires and your sensuality are temporarily inhibited. You are frightened by their intensity, and you easily lose your self-control when you are in the presence of your friends and relatives.

In the financial area, you must not heed your impulses, and you must not trust smooth talkers.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Hypersensitivity and intuition

 Moon in House VIII

★★★★★ Valid from Tuesday 5 January 2021 till Wednesday 6 January 2021 included

During this period, your intense emotions and deep feelings endow your inner and psychical life with extreme strength. You are hypersensitive and you can switch from laughter to tears with no real reason. Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Unless, enriched with all these emotions, you just let your creativity flow freely...

Efficiency and discernment

Trine  Mercury  Pluto (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 6 January 2021 till Friday 8 January 2021 included (particularly active on Thursday 7 January 2021, with an orb of 0°35')

These planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

You get a clear grasp of the most confusing problems, and you take advantage of the fact that you are ahead of your friends and relatives to take control of the situation.

Your peremptory, definite, and passionate comments speak in your favour. Many people believe that your words are the token of your inner strength and of an integrity which commands respect. Square ☾ Moon ☉ Sun

★★★★★ Valid on Tuesday 12 January 2021, with an orb of 0°37'

These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

It is likely that this day is marked with fits of bad temper. You are concerned about your public image and therefore, you are more sensitive than you usually are. The slightest detail offends you... So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. In such a context, it is advisable to cool down and wait until the dust settles before you discuss essential matters. When people get worked up, it may be because you are too pernickety: it is better to slow down.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. ★★★★★ Valid from Wednesday 13 January 2021 till Friday 15 January 2021 included (particularly active on Thursday 14 January 2021, with an orb of 0°17')

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

The period is auspicious for free and tolerant exchanges, as well as for intellectual researches on sciences and state-of-the-art techniques. Your particularly alert and intuitive mind can grasp the gist of the communications and information coming within your reach.

Likewise, if you have to talk about yourself, or to underline your qualities and your skills, you manage to present yourself in the best possible light. You come across as a capable, dynamic and future-oriented person. Therefore, do not make the mistake of being shy, and do not waste such a wonderful opportunity.

Short trips undertaken with friends and relatives provide many delights and discoveries which stimulate your brain and set your imagination on fire.

★☆☆☆☆ Valid from Wednesday 13 January 2021 till Friday 15 January 2021 included (particularly active on Thursday 14 January 2021, with an orb of 0°11')

You need to weigh your words during the next few days, for you are prone to clumsiness. As you feel comfortable in the quite euphoric atmosphere surrounding you, you may exaggerate, embellish the truth or make promises you will have a hard time keeping, later on.

Be on your guard, and beware of your boastful tendencies. Do not commit any indiscretions, and do not betray secrets, no matter how insignificant they may seem.

If you are studying, avoid skimming through your subjects, and do not minimise the importance of details.

Relations with your friends and relatives may be upset by the bad manners or the carelessness prevailing on both sides. Ensure that your disorganisation does not jeopardise the pace of your daily routine.

Square ♀ Venus ☊ Uranus

★★★★★ Valid from Thursday 14 January 2021 till Sunday 17 January 2021 included (particularly active on Saturday 16 January 2021, with an orb of 0°22')

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Your affective impulses and needs are clashing with the harsh, cold, and authoritarian or sectarian attitudes of some of your friends and relatives. Far from giving things their actual importance, you take them to heart. This temperament stirs in you sudden, simultaneous, and extreme feelings shifting from sympathy to antipathy.

Spare your sensitivity, and do not believe that you can be happy only when you are facing disconcerting, upsetting, and extravagant situations.

If you are a member of an association or a club, you may react with animosity to some of its participants. Do not display such feelings, because they are neither deep nor long-lasting.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Today, you feel fine, balanced, at peace with yourself and you are willing to show yourself in the most favourable light. Your feelings, your emotions and your imagination are increased and you perceive the world around you in a very personal way. Like a radar picking up your close friends' feelings, you need to be in tune with them, you share their happiness or you find the right word to comfort them. ★★★★★ Valid from Friday 15 January 2021 till Tuesday 19 January 2021 included (particularly active on Sunday 17 January 2021, with an orb of 0°12')

This aspect, which occurs twice a year, is significant if it happens during a period of turbulence. It helps you discover unsuspected vital resources and, mocking the proprieties, to plough your furrow according to your wishes and your personal ethics.

You may even be able to discern your shadow zones (who doesn't have any!) and to turn your weaknesses into strengths. Although it is possible that you shine in a quite small coterie, your prestige will glitter more dazzlingly.

Square  Mars  Ascendant

★★★★☆ Valid from Friday 15 January 2021 till Saturday 23 January 2021 included (particularly active on Tuesday 19 January 2021, with an orb of 0°04')

This planet and your relationship AS-DS axis are linked by a sesqui-quadrate in your natal chart: the negative effects of this transit may be slightly increased.

The atmosphere is fraught with tensions, bad mood, and constant claims. Your professional partners, or your spouse if you are married, remain unyielding and are quick to criticise your initiatives. You behave similarly.

As a result, there will be many squabbles or caustic words. Therefore, it is preferable that you momentarily keep your distance. The aggressiveness marking your relations may be more upsetting than you think. Should the case occur, you must not let off steam by abusing people or by practicing risky physical activities, because you cannot fully control your reflexes.

Sense of repartee

You know how to highlight the most constructive features of your projects and how to earn the support of decision-makers. When you carry out an analysis or a research, you display good assimilation faculties, and you get right to the point. If you participate in a discussion involving your interests, you use your arguments with brio and authority.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

R Little social and professional help

Sextile ☉ Sun MC Midheaven

★★★★★ Valid from Saturday 16 January 2021 till Wednesday 20 January 2021 included (particularly active on Monday 18 January 2021, with an orb of 0°00')

This planet and the MC-IC axis are linked by a semi-square in your natal chart: the harmonious effects of this transit may be slightly lessened.

Although this aspect occurs several times a year, it is far from being insignificant, especially if other planets are propelling you forward. Indeed, you dress up to the nines, you polish up your words, and you endeavour to meet influential people. It is certain that you will get the result you are aiming at, but you will have to keep your promises afterwards.

More generally, you may become a socially outstanding figure. You may also find your dream job or get a promotion.

R Sensitivity and intuition

Sextile ☉ Sun ♃ Neptune (transit to a slow-moving planet)

You have faith in what you are doing, which inspires you excellent initiatives. Your standpoints, which are both firm and subtle, constitute your best asset for getting noticed and being accepted by those who can further your ambitions.

You may get a promotion, or your prestige may increase, especially if you work within a large community or in a healthcare setting.

Your vitality is revived, if needed, as you are in contact with the sea or with water. All escapades, even short ones, contribute to boost and maintain your energy.

★ Moment of truth

Conjunction ♄ Saturn AS Ascendant

★★★★★ Valid from Saturday 16 January 2021 till Monday 1 March 2021 included (particularly active on Sunday 7 February 2021, with an orb of 0°01')

Regardless of your age, the time has come to take stock of the situation. Depending on how you deal with this turning point, it may teach you a more or less valuable lesson. If you define your main goals with rigour, and if you give up your old behavioural patterns, you will become more apt to achieve your objectives without hindrance. The other alternative is that you sink into melancholy by dwelling on your failures and your carelessness.

In either case, loneliness will do you a great deal of good, because you can steer clear of the surrounding hustle and bustle in order to recover your energy.

You may not be in great shape throughout this period, especially if you have not taken care of your health during the past few months. Bones, teeth, and hair should receive special attention now, for they may suffer from a deficiency in minerals and vitamins.

R Annoyances and... fits of bad temper

☽ Opposition ☼ Moon ☼ Sun

★★★★★ Valid on Tuesday 19 January 2021, with an orb of 0°32'

These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

It is likely that this day is marked with fits of bad temper. You are concerned about your public image and therefore, you are more sensitive than you usually are. The slightest detail offends you... So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. In such a context, it is advisable to cool down and wait until the dust settles before you discuss essential matters. When people get worked up, it may be because you are too pernickety: it is better to slow down.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Touchiness and indolence

☿ Square ♀ Venus ☼ Sun

★★★★★ Valid from Tuesday 19 January 2021 till Friday 22 January 2021 included (particularly active on Wednesday 20 January 2021, with an orb of 0°08')

Your whims, your mood swings, or your extreme touchiness may make you come across as a weathercock. Do not straight away follow your emotional impulses, because they are harmful. At work, you may be blamed for being thoughtless and for lacking dynamism.

The current circumstances prompt to laziness. Granted. However, you must not neglect the duties you are entrusted with. It is possible that a father figure or a supervisor inflicts a blow to your self-esteem.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Trine ☉ Sun ♀ Mercury

★★★★★ Valid from Tuesday 19 January 2021 till Saturday 23 January 2021 included (particularly active on Thursday 21 January 2021, with an orb of 0°00')

You behave with energy and authority, which earns you many impressive successes, particularly with youths. You stand up for your opinions with courage, and you arouse the admiration of your loved ones.

If you need to put forward a request or to take an initiative, you will benefit from the support of an influential person.

Trine ♃ Jupiter ♅ Uranus

★★★★★ Valid from Wednesday 20 January 2021 till Monday 8 February 2021 included (particularly active on Friday 29 January 2021, with an orb of 0°04')

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a semi-sextile in your natal chart: the harmonious effects of this transit may be slightly increased.

You are able to impose yourself within a group while at the same time preserving the autonomy of your actions as well as the originality of your thinking. To solve the professional problems coming your way, you effortlessly find the most rapid, the shrewdest and sometimes the most expeditious solutions. Since you implement them brilliantly, your reputation for efficiency keeps on spreading, and you may be asked to participate in exciting works offering great prospects.

You may also safely consider taking up a training session or a specialised vocational course. The knowledge thus gained will allow you to increase your productivity in the fields of your competence.

Your excellent nervous drive enables you to sustain a frenzied pace at work without compromising your standards of quality.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Misunderstandings and sad communication

Square ♀ Mercury ☿ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Thursday 21 January 2021 till Sunday 24 January 2021 included (particularly active on Friday 22 January 2021, with an orb of 0°23')

During a few days, you may experience big communication issues. You may feel uncomfortable and clumsy whenever you have to express your thoughts. Moreover, the members of your entourage, who all have their own preoccupations, do not help you establish an open and constructive dialogue.

The organisation of daily duties is fraught with flaws and accumulated delays. This issue may be raised again and play tricks on you. The time has come to sort things out seriously, lest the situation should worsen.

It is most likely that misunderstandings plague your short trips, your mail as well as your telephone conversations and prevent you from doing what you have planned. Exercise some patience, and above all, do not try to force things.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Clumsiness and conflicts with higher-ups

Square ♃ Jupiter ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Thursday 21 January 2021 till Monday 8 February 2021 included (particularly active on Saturday 30 January 2021, with an orb of 0°03')

You behave with clumsiness, and although your initiatives are inspired by good intentions, they are not too appreciated by high-ranking people or by upholders of traditional values. However, you have allies, but you must polish up your strategy before you take action, because some people may try to set a trap for you.

Refrain from making any indiscretion, for during this transit, gossips are flying around, and everyone is willing to tell one's deceitful story.

In the financial area, it is high time you put your budget in order. Do not underestimate the forthcoming costs, and put an end as rapidly as possible to the uncertainties and to the mess caused by forgetfulness and carelessness.

Physically speaking, you feel in perfect shape. However, you must neither stretch yourself too thin, nor

indulge in exhausting leisure activities.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Contacts and pleasant short trips

☾ Moon in House III

★★★★★ Valid from Thursday 21 January 2021 till Friday 22 January 2021 included

During this period, you feel like moving around, discovering and learning. Although you probably dream of faraway horizons, short trips are enough to make you happy. Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. In any case, you can't be stopped just like that ...

Gentle way of life

Trine ☾ Moon ☾ Moon

★★★★★ Valid on Friday 22 January 2021, with an orb of 1°43'

This is a day of rest, during which you enjoy being in some exotic dream where poetry prevails over reason... You travel, mentally, at least! The desire to escape is very real and you have difficulties in running your day-to-day business. As a consequence, a few annoyances may crop up, but that is the least of your worries... Your concern is to enjoy to the fullest the moment of daydreaming that you badly need. This is your way of recharging your batteries and recovering your mental strength.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

R Emotions and minor frustrations

Opposition ☾ Moon ♀ Venus

★★★☆☆ Valid on Friday 22 January 2021, with an orb of 1°26'

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

R Self-control and good mood

Trine ☾ Moon ♂ Mars

★★★★★ Valid on Friday 22 January 2021, with an orb of 1°22'

These planets are linked by a trine in your natal chart: the harmonious effects of this transit may be increased.

After a few tensions, timely serenity is back. The news is reassuring and, all of a sudden, the steps you have to take seem easier and require no exaggerated effort... It is just about time. In spite of demanding circumstances, you can eventually enjoy some respite and let go. You control your aggressiveness better and you solve problems, one after the other, without clash. You highly value your small daily victories.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Clumsy communication

Square ♀ Mercury ♀ Venus

★★★★★ Valid from Friday 22 January 2021 till Monday 25 January 2021 included (particularly active on Saturday 23 January 2021, with an orb of 0°20')

Your intellectual concerns or your worries prevent you from communicating as much as you would like to with your friends and relatives. Everyone remains on one's position, mulls over one's resentment or polishes one's plan of action.

You ought to respect this very fleeting desire for silence. Indeed, if you try to force people to speak up, it is most likely that they will answer you with quite acerbic words.

If you attend small meetings, avoid raising issues that are dear to your heart, and do not mention your romantic adventures, for indiscretions are highly probable and may put you in an awkward situation later on.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such

as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Conflicts of authority

Opposition ♀ Mars ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Friday 22 January 2021 till Saturday 30 January 2021 included (particularly active on Tuesday 26 January 2021, with an orb of 0°01')

You feel that the rules and codes prevailing in your professional and family circles are unsatisfactory. They may even trigger in you an irrepressible need to give people the brush-off. However, although you are unaware of it, you are very anxious to preserve the benefits earned in the past and to maintain your good reputation. Therefore, you ought to ponder over the consequences of your words and of your questions.

Avoid getting entangled in disputes right now, and do not condemn abuses or irregularities for which you have no evidence. Instead, you ought to polish up your plans of action while taking into account the forces at play.

You may be eaten up by the urge to make ostentatious purchases. You should buy what you and your friends and relatives appreciate, instead of what you think would enhance your prestige.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Trine ☾ Moon ♿ Mercury

★★★★★ Valid on Saturday 23 January 2021, with an orb of 1°22'

You carry out your investigation relentlessly and you try to understand people's motivations. As you find some behaviour intriguing, you ask your entourage questions in order to better figure out what is currently at stake. Is there anything that is hidden from you? It won't take long until you find out. Thanks to your acute and deep clear-sightedness, you quickly guess what is going on... You won't be trapped as your sensitivity on the alert endows you with a sixth sense. No matter how complex the situation may be, you play your game well.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

There, you can dream at leisure of the improvements you want to bring to your cosy little nest for the sake of your family's well being, unless you prefer to dive in the nostalgia of your souvenirs and your photo albums... If you are in a more active mood, you may want to clean up the house from floor to ceiling or you may try to implement your lovely arrangement and decoration ideas... In short, the atmosphere is nice and, if your close friends share your activities, you experience a deep feeling of inner peace.

Unexpected letters and telephone calls offer a great deal of happiness.

In the area of romance, you remain aloof, reluctant to let emotions overwhelm you, and willing above all to protect your independence as well as that of your partner. Flirting, amorous friendships, and light-hearted banter are on the agenda.

You demonstrate excellent skills in your verbal and written communication, and you project of yourself a warm image.

Your boldness will pay off if you “speak to the organ-grinder, not to his monkey”.

It is most likely that your financial situation will benefit from a bright spell, and you can safely consider making a long-term investment.

Your vitality is excellent. Practicing a sport contributes to enhance your competitiveness.

Hypersensitivity and intuition

☾ Moon in House VIII

★★★★★ Valid from Monday 1 February 2021 till Wednesday 3 February 2021 included

During this period, your intense emotions and deep feelings endow your inner and psychical life with extreme strength. You are hypersensitive and you can switch from laughter to tears with no real reason. Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Unless, enriched with all these emotions, you just let your creativity flow freely...

Authority, prestige and popularity

Conjunction ☾ Moon ☼ Sun

★★★★★ Valid on Tuesday 2 February 2021, with an orb of 0°35'

In your chart, the Sun and the Moon form a square: this conjunction is therefore mixed, and its effects may be two-edged, sometimes positive but sometimes ambiguous.

Your social life has the place of honour. Your qualities are acknowledged without your having to put yourself forward in an exaggerated way. You are in harmony with the ambient mood and you are able to convince your entourage to follow a project that is well devised. You exude some kind of natural aura that reinforces your prestige and endows you with undisputable authority. Take advantage of this favourable astrological climate to implement smoothly the course of action you are dreaming of. You easily find your place within your social and professional environment.

R Introspection and humanitarian work

Sextile ♃ Neptune ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 2 February 2021 till Friday 31 December 2021 included (particularly active on Tuesday 6 April 2021 and on Monday 20 September 2021, with an orb of 0.00')

These planets are linked by an opposition in your natal chart: the harmonious effects of this transit may be lessened.

You are tempted to distance yourself from external social values and from all forms of conformism. You shun society life, outings, and celebrations in order to devote yourself to a serious introspective work, or to an activity in favour of those who are suffering.

You feel the need to turn your ideals into reality and to be honest with yourself. This can encourage you to express your deep feelings through an artistic practice.

If you gradually get rid of smothering old habits, you will feel greatly relieved.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Clumsy communication

Square ♀ Mercury ♀ Venus

★★★★★ Valid from Thursday 4 February 2021 till Sunday 7 February 2021 included, this transit is repeated: it previously occurred from 22 January till 25 January (particularly active on Saturday 6 February 2021, with an orb of 0°22')

Your intellectual concerns or your worries prevent you from communicating as much as you would like to with your friends and relatives. Everyone remains on one's position, mulls over one's resentment or polishes one's plan of action.

You ought to respect this very fleeting desire for silence. Indeed, if you try to force people to speak up, it is most likely that they will answer you with quite acerbic words.

If you attend small meetings, avoid raising issues that are dear to your heart, and do not mention your romantic adventures, for indiscretions are highly probable and may put you in an awkward situation later on.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Seductiveness and well-being

Conjunction ♀ Venus AS Ascendant

★★★★★ Valid from Thursday 4 February 2021 till Sunday 7 February 2021 included (particularly active on Saturday 6 February 2021, with an orb of 0°14')

During several days, owing to the joie de vivre you radiate, as well as to your seductiveness and your self-confidence, you become capable of overcoming all resistance. People listen to you carefully and take your proposals into consideration. All this increases your warmth, your optimism, your open-mindedness, and your gratitude.

Negotiations, talks, and interviews carried out during this transit unfold smoothly, for your diplomatic skills work wonders. You meet with nice persons, you frequent pleasant or entertaining places, and everywhere you go, you feel in your element.

In the professional area, your efficiency is declining, but you can always make up for this weakness by turning on your irresistible charm.

Idealism and need to escape

☾ Moon in House IX

★★★★★ Valid on Thursday 4 February 2021

Today, your horizon line is cloudless. You think big and it is with optimism that you consider the outer world. There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. You need to isolate yourself for a short while, so you can think, meditate, and perhaps, find the answers to your philosophical questions. Do you have a sudden desire for faraway travels? Should the opportunity arise, don't hesitate! Unless you are contented with long imaginary journeys, the departure of which you constantly postpone... In any case, you are far from material contingencies... What a great wisdom!

Misunderstandings and sad communication

☐ Square ♀ Mercury ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Friday 5 February 2021 till Monday 8 February 2021 included, this transit is repeated: it previously occurred from 21 January till 24 January (particularly active on Sunday 7 February 2021, with an orb of 0°25')

During a few days, you may experience big communication issues. You may feel uncomfortable and clumsy whenever you have to express your thoughts. Moreover, the members of your entourage, who all have their own preoccupations, do not help you establish an open and constructive dialogue.

The organisation of daily duties is fraught with flaws and accumulated delays. This issue may be raised again and play tricks on you. The time has come to sort things out seriously, lest the situation should worsen.

It is most likely that misunderstandings plague your short trips, your mail as well as your telephone conversations and prevent you from doing what you have planned. Exercise some patience, and above all, do not try to force things.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

You dedicate your entire sensitivity and intuition to the service of other people and you are in tune with them. You enjoy a very positive public image and your popularity increases significantly. You are appreciated and loved, you are told so, and moreover, you are given evidence of your fame! Salary increase? Promotion? Preferment? All sorts of favours are possible... You have a good sense of timing and you can jump at opportunities when they arise. Take full advantage of them... This is your day of glory!

Emotional revival and pleasant surprises

Trine ♀ Venus ☿ Uranus

★★★★★ Valid from Sunday 7 February 2021 till Wednesday 10 February 2021 included (particularly active on Tuesday 9 February 2021, with an orb of 0°27')

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

You manage to combine successfully affective life with independence, and you are most likely to get a lot of satisfaction from the heart-to-heart talks you called forth. This is an auspicious time for a new romantic start as well as for lonely escapades enabling you to regain your autonomy.

You tremendously enjoy the company of the unusual and nonconformist people with whom you have very unconstrained relations.

Photography and disciplines such as yoga or sophrology provide an excellent outlet for your emotions. You feel good about yourself, because you are freed from all the inhibitions and blockages which stem from your past.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Reprehensible exuberance

Square ♀ Venus ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Sunday 7 February 2021 till Wednesday 10 February 2021 included (particularly active on Tuesday 9 February 2021, with an orb of 0°21')

You ought to beware of your feelings as well as of the reactions they are whispering to your ears. Indeed, your views are quite subjective, and you are unable to set your limits in any area. Although you are driven by nice intentions only and willing to share your pleasures and your joys, you put your foot in your mouth, and you may become bad-mannered and overly exuberant.

Do not meddle into what is happening to your friends and relatives, and think twice before you speak, lest you should commit an indiscretion out of carelessness.

In the romantic area, you find that social conventions or proprieties are suffocating. Be reassured, because this is transient. Try to listen to what your partner wishes to tell you instead of interrupting her and speaking on her behalf.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Minor tensions with your close friends

☾ Moon in House XI

★★★★★ Valid on Sunday 7 February 2021

During this period, your need for communication may be repressed. Exchanges are not very easy and your sensitivity is a bit shaken up, especially with your friends! Tomorrow is another day... Ask yourself if you don't attach too much importance to the group... And keep in mind that you are definitely able to find solutions to your problems, all by yourself. You can also implement your projects on your own or give them a new orientation, should they stagnate for the time being. You will see, you will gain so much autonomy!

R Discouragement and fatigue

Square ☉ Sun ♄ Saturn (transit to a slow-moving planet)

These planets are linked by a bi-quintile in your natal chart: the negative effects of this transit may be slightly lessened.

During several days, you may feel sullen, neglected, criticised, and abandoned. Do not overact to this rough patch, and do not throw in the towel in a bout of discouragement.

Of course, you must work hard to compensate for the time wasted, or to go back over people's shoddy work. However, this is not a reason for taking your frustrations out on everybody.

If you suffer from rheumatic pains or tooth aches, do not wait until they become unbearable before you consult a qualified practitioner.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Fruitful quietness

☾ Moon in House XII

★★★★★ Valid from Monday 8 February 2021 till Tuesday 9 February 2021 included

Even though people have the feeling that you are avoiding them, don't hesitate to zone out if you are so inclined. It is likely that you need peace and quietness in order to ponder over your problems and to sort out what is real from what is imaginary. You also need solitude to assess the situation and to find the right answers to your questions. Silence helps you deepen your thoughts about spirituality and also encourages your meditation. You may pretext some unexpected obligations in order to get more freedom of action and spend this leisure time doing what you have not had the time to do. Your creativity occupies the place of honour! You tend to let go and to let destiny take action: if it is at all possible, allow the tide to carry you away and do not try to exceedingly control the situation.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Immoderate pleasure and lack of realism in the field of affection

Square ☼ Sun ♀ Venus

★★★★★ Valid from Tuesday 9 February 2021 till Friday 12 February 2021 included (particularly active on Thursday 11 February 2021, with an orb of 0°23')

You are overly self-centred, and you tend to believe that all the attention must converge on you. Owing to this distorted vision, you neglect your entourage, and you behave inconsiderately.

You are also avid for pleasure, unable to resist passing infatuations even though they burn a big hole in your budget.

Your overeating may have repercussions for your skin or your kidneys.

Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

R Professional tensions or annoyances

Square ☉ Sun MC Midheaven

★★★☆☆ Valid from Monday 15 February 2021 till Thursday 18 February 2021 included (particularly active on Wednesday 17 February 2021, with an orb of 0°26')

This planet and the MC-IC axis are linked by a semi-square in your natal chart: the negative effects of this transit may be slightly increased.

This aspect, which occurs twice a year, may indicate professional tensions, especially if other transits concur. Your willpower, your ideas, your need for self-assertion, or the way you bring yourself to the fore, are not always appreciated.

At work, it is certainly the moment to back off and to highlight your complementarities rather than your

differences.

Risk of deception or impressionability

Square  Sun  Neptune (transit to a slow-moving planet)

★★★★★ Valid from Monday 15 February 2021 till Friday 19 February 2021 included (particularly active on Wednesday 17 February 2021, with an orb of 0°05')

These planets are linked by a semi-square in your natal chart: the negative effects of this transit may be slightly increased.

During a few days, you should not trust people whose charisma and assurance may influence you. Similarly, when dealing with ideals, or with any kind of religious and philosophical beliefs, you should distance yourself from what has been passed down on to you.

Several particularly odd dreams seem to conceal a premonitory message. However, as they may distort your interpretation, you must not be overly concerned about them.

In the field of health, you are prone to epidemics and allergies.

Excess of desires

Opposition  Mars  Venus

★★★★★ Valid from Monday 15 February 2021 till Tuesday 23 February 2021 included (particularly active on Friday 19 February 2021, with an orb of 0°07')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Your affective life is fraught with doubts. Your immediate desires, looming up suddenly in your life, are in contradiction with your wish to preserve a climate of understanding and harmony for yourself as well as for those you love.

Short-lived affairs are very likely to crop up. You will have to decide whether you yield to the appeal of the forbidden fruit, or if you steer clear of it. In either case, frustrations are on the agenda.

Likewise, if you have to hold professional negotiations, or if you are willing to facilitate an agreement or a rapprochement, you will feel a bit disappointed, for you are unable to clearly define your real goals.

You also need to control your shopping frenzy because, right now, the purchases you would make are not too wise.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Reflexes and power of action

Trine ♀ Mars ♀ Mars

★★★★ Valid from Monday 15 February 2021 till Monday 22 February 2021 included (particularly active on Friday 19 February 2021, with an orb of 0°11')

Your power of action is reaching its highest level. To put it to good use, impose your initiatives in a frank and straightforward way without spending too much time examining the situation. Your instinctive knowledge of human beings and of the context in which you are moving enables you to score points and to keep very quick reflexes.

You may be bossy with your friends and relatives. You may also force them to behave according to your interests, but on the whole, your courage, your energy and your outspokenness are very much appreciated. This is a good period for starting sports activities and for all types of competitions.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Extravagant behaviour and clumsy attitude

Opposition ♃ Uranus ♃ Jupiter (transit to a slow-moving planet)

★★★★ Valid from Monday 15 February 2021 till Wednesday 26 May 2021 included (particularly active on Monday 12 April 2021 and on Tuesday 13 April 2021, with an orb of 0.01')

These planets are linked by a semi-sextile in your natal chart: the negative effects of this transit may be slightly lessened.

You are striving to attract attention, to increase your efficiency, and to gain more autonomy. Unfortunately, you may go about it clumsily, disrupting routine and hierarchical structures. Sometimes you even step outside the law.

Actually, one may wonder if your hectic and extravagant behaviour is not caused by the secret fear to be entrusted with the responsibilities that you are unwilling to take on for the time being. You rebel, you give your opinion all the time, but you are not convincing enough. Therefore, if you really want to introduce changes into your social life, you must review the overall situation and examine the concrete means at your disposal.

Under the influence of this transit, you tend to overspend. Closely watch your budget, and do not invest the money that you have not yet earned.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Sensitivity all on edge...

Square ☾ Moon ☾ Moon

★★★★★ Valid on Tuesday 16 February 2021, with an orb of 0°28'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Dynamism and imagination

Trine ♂ Mars ☾ Moon

★★★★★ Valid from Tuesday 16 February 2021 till Tuesday 23 February 2021 included (particularly active on Friday 19 February 2021, with an orb of 0°09')

These planets are linked by a trine in your natal chart: the harmonious effects of this transit may be increased.

This is an excellent period for solving rapidly and with determination the problems pending with your family members or those related to the place where you live.

You are witty, your reactions are quick, and you find colourful retorts which make people laugh and which put them on your side.

If you are a trader, you have a lot on your plate, but this extra work makes you very happy.

Your enlivened imagination helps you deal with the reality of daily events. The hell with unproductive reveries! You manage to adjust your desires to your real possibilities.

You come across as a dynamic person, which prompts some of your friends and relatives to use your services. You do not shirk your responsibilities, and you are concerned about people who are more vulnerable than you.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Original discoveries and exchanges

Trine  Mercury  Uranus

★★★★★ Valid from Wednesday 17 February 2021 till Wednesday 24 February 2021 included, this transit is repeated: it previously occurred from 13 January till 15 January (particularly active on Saturday 20 February 2021 and on Sunday 21 February 2021, with an orb of 1.28')

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

The period is auspicious for free and tolerant exchanges, as well as for intellectual researches on sciences and state-of-the-art techniques. Your particularly alert and intuitive mind can grasp the gist of the communications and information coming within your reach.

Likewise, if you have to talk about yourself, or to underline your qualities and your skills, you manage to present yourself in the best possible light. You come across as a capable, dynamic and future-oriented person. Therefore, do not make the mistake of being shy, and do not waste such a wonderful opportunity.

Short trips undertaken with friends and relatives provide many delights and discoveries which stimulate your brain and set your imagination on fire.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Exaggeration and bad manners

Square  Mercury  Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 17 February 2021 till Wednesday 24 February 2021 included, this transit is repeated: it previously occurred from 13 January till 15 January (particularly active on Saturday 20 February 2021 and on Sunday 21 February 2021, with an orb of 1.22')

You need to weigh your words during the next few days, for you are prone to clumsiness. As you feel comfortable in the quite euphoric atmosphere surrounding you, you may exaggerate, embellish the truth or make promises you will have a hard time keeping, later on.

Be on your guard, and beware of your boastful tendencies. Do not commit any indiscretions, and do not betray secrets, no matter how insignificant they may seem.

If you are studying, avoid skimming through your subjects, and do not minimise the importance of details.

Relations with your friends and relatives may be upset by the bad manners or the carelessness prevailing on both sides. Ensure that your disorganisation does not jeopardise the pace of your daily routine.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Bitterness and annoyances

Square ♀ Venus ☿ Saturn (transit to a slow-moving planet) 

★★★★★ Valid from Wednesday 17 February 2021 till Saturday 20 February 2021 included (particularly active on Thursday 18 February 2021, with an orb of 0°19')

These planets are linked by an opposition in your natal chart: the negative effects of this transit may be increased.

Your impulses and your affective needs are clashing with the force of old habits and with the severity or the lack of gusto of your friends and relatives. You spare no effort in order to show that you tenderly care for them, but you fail to get them to understand you. As a result, your mood becomes gloomy, and you are overwhelmed by sadness and bitterness. React by indulging in a few selfish pleasures and by devoting yourself to your hobbies.

Communication with the elderly is difficult. This applies also to your exchanges with adolescents, because you have a hard time understanding their fears.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Contacts and pleasant short trips

☾ Moon in House III

★★★★★ Valid from Wednesday 17 February 2021 till Thursday 18 February 2021 included

During this period, you feel like moving around, discovering and learning. Although you probably dream of faraway horizons, short trips are enough to make you happy. Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your

negotiating talents are unanimously appreciated. In any case, you can't be stopped just like that ...

Displeasure and affective misunderstandings

Square ♀ Venus ♀ Venus

★★★★★ Valid from Thursday 18 February 2021 till Saturday 20 February 2021 included (particularly active on Friday 19 February 2021, with an orb of 0°08')

You are in a grumpy mood. Nothing finds favour in your eyes, and among the sensations coming from the outside world, you notice only those which stir displeasure, sadness, or disgust.

Brace your heart during the next several days, otherwise you may miss nice opportunities to meet with friends of with love, just because you do not know, or you cannot, go with the stream.

If you feel depressed, you can enhance your self-image by offering yourself a gift, by going to the hairdresser or to the beautician. This will help you regain confidence in your charm.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

★ Originality under control

Trine ♃ Saturn ♃ Uranus

★★★★★ Valid from Thursday 18 February 2021 till Wednesday 7 April 2021 included (particularly active on Thursday 11 March 2021, with an orb of 0°00')

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

The conjuncture gives you the opportunity to prove your worth and to have your talents acknowledged. You are requested to be specific and to show your spirit of enterprise as well as your independent thinking. Although your decisions are sometimes too clear-cut, they are always judicious and deeply appreciated. You gradually learn to go it alone, which you will find a very rewarding experience.

You manage to combine your eagerness for novelty with your tried and tested know-how. You behave with wisdom, and you fully exploit all the support and all the proposals that your achievements have earned you.

You are able to maintain a good balance in your daily life. Your health improves as you eliminate unnecessary stress.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as

inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Authority issues or external pressures

Square ♃ Saturn ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Friday 19 February 2021 till Thursday 8 April 2021 included (particularly active on Friday 12 March 2021, with an orb of 0°00')

Resistance, limitations, or delays disorganise your programme of action. Your authority or your qualifications may be called into question, and you may be asked to provide many details in order to spur you on to study several topics more thoroughly. This situation does not suit you. It makes you feel uncomfortable because you have the feeling that people want to prevent you from progressing.

In order to deal with this turning point as well as possible, lie low for the moment, and refrain from fighting for projects you do not really believe in. Ponder over your methods so that you do not get stuck in the rut of routine, voluntarily or as a consequence of external pressures.

You must also cut down a few expenses and postpone some of the purchases you are considering.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Do not rush headlong under the influence of a passing whim, and weigh your words. Indeed, the people you are in touch with are not always well-meaning, or they are prone to commit indiscretions, to say the least.

R Calm down! Tensions are subsiding soon!

Square ☾ Moon ♂ Mars

★★★★★ Valid on Saturday 6 March 2021, with an orb of 0°18'

These planets are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

Thrills are on the agenda! Were you seeking intense emotions? There you are. Nevertheless, amid this idyllic climate, clear-sightedness remains indispensable. A glitch is all it takes to jeopardize your plans, a minor incident, the regrettable consequences of which develop as time goes by. Therefore, it is advisable to anticipate and to avoid traps right from the start. Hold back your impatience because feverishness may block the energies of the day. More than ever, self-control is indispensable.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Favoured friendships

☾ Moon in House XI

★★★★★ Valid from Saturday 6 March 2021 till Sunday 7 March 2021 included

Today, you prefer to exchange ideas with your close friends rather than to attend to your material and routine affairs. Make the most of it! Connections are established smoothly, you are on the same wavelength and communication is favoured by a harmonious atmosphere. You may talk about all and nothing pleasantly or you may carry out lengthy debates so as to reinvent a world that is up to your ideals! Besides, you may want to become part of a group or an association that shares your centres of interest. However, don't forget that your family may feel a bit neglected...

Misunderstandings and sad communication

Square ♀ Mercury ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Sunday 7 March 2021 till Wednesday 10 March 2021 included, this transit is repeated: it previously occurred from 5 February till 8 February (particularly active on Monday 8 March 2021, with an orb of 0°33')

During a few days, you may experience big communication issues. You may feel uncomfortable and clumsy whenever you have to express your thoughts. Moreover, the members of your entourage, who all have their own preoccupations, do not help you establish an open and constructive dialogue.

The organisation of daily duties is fraught with flaws and accumulated delays. This issue may be raised again and play tricks on you. The time has come to sort things out seriously, lest the situation should

worsen.

It is most likely that misunderstandings plague your short trips, your mail as well as your telephone conversations and prevent you from doing what you have planned. Exercise some patience, and above all, do not try to force things.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Clumsy communication

Square ♀ Mercury ♀ Venus

★★★★★ Valid from Monday 8 March 2021 till Thursday 11 March 2021 included, this transit is repeated: it previously occurred from 4 February till 7 February (particularly active on Tuesday 9 March 2021, with an orb of 0°30')

Your intellectual concerns or your worries prevent you from communicating as much as you would like to with your friends and relatives. Everyone remains on one's position, mulls over one's resentment or polishes one's plan of action.

You ought to respect this very fleeting desire for silence. Indeed, if you try to force people to speak up, it is most likely that they will answer you with quite acerbic words.

If you attend small meetings, avoid raising issues that are dear to your heart, and do not mention your romantic adventures, for indiscretions are highly probable and may put you in an awkward situation later on.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Daydreaming and good mood...

Conjunction ☾ Moon ☾ Moon

★★★★★ Valid on Monday 8 March 2021, with an orb of 2°47'

In your chart, the Moon receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You take advantage of a change in habits or situations and you enhance your daily life... You may pretext some unexpected obligations in order to get more freedom of action and spend this leisure time doing what you have not had the time to do. Your creativity occupies the place of honour! You tend to let go and to let destiny take action: if it is at all possible, allow the tide to carry you away and do not try to exceedingly control the situation.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is

likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Fruitful quietness

☾ Moon in House XII

★★★★★ Valid from Monday 8 March 2021 till Tuesday 9 March 2021 included

Even though people have the feeling that you are avoiding them, don't hesitate to zone out if you are so inclined. It is likely that you need peace and quietness in order to ponder over your problems and to sort out what is real from what is imaginary. You also need solitude to assess the situation and to find the right answers to your questions. Silence helps you deepen your thoughts about spirituality and also encourages your meditation. Take full advantage of this short constructive retreat to recharge your batteries...

Increased comprehension and sensitivity

Trine ☾ Moon ♀ Mercury

★★★★★ Valid on Tuesday 9 March 2021, with an orb of 1°43'

You carry out your investigation relentlessly and you try to understand people's motivations. As you find some behaviour intriguing, you ask your entourage questions in order to better figure out what is currently at stake. Is there anything that is hidden from you? It won't take long until you find out. Thanks to your acute and deep clear-sightedness, you quickly guess what is going on... You won't be trapped as your sensitivity on the alert endows you with a sixth sense. No matter how complex the situation may be, you play your game well.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

These planets are linked by a bi-quintile in your natal chart: the harmonious effects of this transit may be slightly increased.

With the support of older male persons, you become definitely able to impose yourself by demonstrating your reliability, your prudence, and your meticulousness. Prepare your plans thoroughly, polish up what you have to say, and do not hesitate to mention your achievements.

This is a good period for making long-term investments and for establishing a reasonable, stringent but comfortable budget. The work produced during the forthcoming days is valuable and thorough. Therefore, make the most of it.

Physically speaking, you take great pleasure in sports training, as well as in gym or yoga classes, for they have a long-lasting effect on your overall balance.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

R Contentment and serenity

Trine ☾ Moon ☉ Sun

★★★★★ Valid on Wednesday 10 March 2021, with an orb of 1°32'

These planets are linked by a square in your natal chart: the harmonious effects of this transit may be lessened.

This is an excellent day to make a pause and enjoy your recovered serenity. It is the right time for you to be forgiven for your fits of bad temper and to regain the sympathy that your aloof attitude may have lessened. Above all, it is the right time for innovative projects that radically change life! Things unfold smoothly... On the social and professional planes, everything seems to develop very naturally: you let yourself be carried away by the stream and you carefully avoid all forms of tension or aggressiveness.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Hardship or stormy discussions

Opposition ☉ Sun ♂ Mars

★★★★★ Valid from Wednesday 10 March 2021 till Monday 15 March 2021 included (particularly active on Friday 12 March 2021, with an orb of 0°23')

Owing to external circumstances, you can neither do as you like, nor assert yourself. Stern regulations, and considerations of moral nature imposed by certain members of your entourage or by your immediate superiors, hinder your initiatives.

As your impetus is slowed down, you behave with brusqueness and rudeness. Try to find a positive outlet for this pent-up energy so that it is not released in a way that would harm your interests.

You should also avoid discussing with people you do not know well, for the conversation is very likely to turn sour quickly.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Dynamism and initiatives

Trine  Mars  Ascendant

★★★★★ Valid from Wednesday 10 March 2021 till Wednesday 17 March 2021 included (particularly active on Sunday 14 March 2021, with an orb of 0°04')

This planet and your relationship AS-DS axis are linked by a sesqui-quadrate in your natal chart: the harmonious effects of this transit may be slightly lessened.

You need to put your energy at the service of collective projects. You set aside all shyness in order to reach out to people directly, and you give them your ardour, your fervour, and your passion.

The period is promising for group projects and for seeking dynamic and efficient associates or partners. Collective sports are also a fulfilling activity at both the physical and psychological levels.

You can undertake to talk things over, to solve latent conflicts, or to dispel rancour. Even though the beginnings are heated, everyone will make an effort, and you will reach an agreement.

Gentle way of life and good mood

 Moon in House I

★★★★★ Valid from Wednesday 10 March 2021 till Friday 12 March 2021 included

Today, you feel fine, balanced, at peace with yourself and you are willing to show yourself in the most favourable light. Your feelings, your emotions and your imagination are increased and you perceive the world around you in a very personal way. Like a radar picking up your close friends' feelings, you need to be in tune with them, you share their happiness or you find the right word to comfort them. You assert yourself by anticipating the desires of your entourage, by offering gifts, and by organising invitations and outings.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Trine ☾ Moon ♀ Venus

★★★★★ Valid on Saturday 13 March 2021, with an orb of 2°17'

These planets are linked by a sextile in your natal chart: the harmonious effects of this transit may be increased.

It all starts with a moment of intimacy, a privileged minute that strongly boost your spirits! All of a sudden, everything becomes possible. You begin to dream of more poetry and your contagious tactfulness commands your partner's respect. Let yourself be carried away by the tide since the outcomes can only be positive... On the romantic plane, this is an ideal day to programme a few hours of escape and forget yesterday's misunderstandings. Choose a place conducive to a serene tête-à-tête.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Gentle way of life

Sextile ☾ Moon ☾ Moon

★★★★★ Valid on Saturday 13 March 2021, with an orb of 2°00'

This is a day of rest, during which you enjoy being in some exotic dream where poetry prevails over reason... You travel, mentally, at least! The desire to escape is very real and you have difficulties in running your day-to-day business. As a consequence, a few annoyances may crop up, but that is the least of your worries... Your concern is to enjoy to the fullest the moment of daydreaming that you badly need. This is your way of recharging your batteries and recovering your mental strength.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

R Clumsiness and possible blunders

Square ♀ Mercury MC Midheaven

★★★★★ Valid from Saturday 13 March 2021 till Tuesday 16 March 2021 included, this transit is repeated: it previously occurred from 30 January till 31 January (particularly active on Sunday 14 March 2021, with an orb of 0°27')

This planet and the MC-IC axis are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

During several days, do not make any important decision concerning your professional life. Because you

are clumsy and you tend to talk inconsiderately about subjects you do not master, you may incur the criticisms of your colleagues and of your higher-ups.

You may also be taken for an opportunist because you expose naively your plans and your projects. Since your silly mistakes may force you to redo everything from scratch, you ought to be more discreet and to make fewer blunders.

Lack of communication spoils the climate at home. Be more flexible with the members of your family, and stop harping on the setbacks you undergo outside.

R Constructive and responsible feelings

Sextile ♀ Venus ☿ Saturn (transit to a slow-moving planet) 

★★★★★ Valid from Saturday 13 March 2021 till Tuesday 16 March 2021 included (particularly active on Sunday 14 March 2021, with an orb of 0°20')

These planets are linked by an opposition in your natal chart: the harmonious effects of this transit may be lessened.

Even though you are not in an effusive mood, during a couple of days you are most likely to experience happy emotions worth their weight in gold. Your long-standing affections and friendships grow even deeper. You give wise pieces of advice to those your love, and you are prepared to support them and to help them.

Your communication flows smoothly with the elderly as well as with people who are withdrawn and whom you cannot always reach out to.

You are aware of your subjectivity, and if you put your romantic needs in perspective, you will understand yourself more clearly.

This is a good time to undertake meticulous decoration or repair works.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

R Gullibility and blunders

Square ♀ Mercury ♃ Neptune (transit to a slow-moving planet) 

★★★☆☆ Valid from Saturday 13 March 2021 till Tuesday 16 March 2021 included (particularly active on Monday 15 March 2021, with an orb of 0°29')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

During a few days, you will need to be on your guard. Indeed, your gullibility in the field of human

relations is as big as your absent-mindedness in the field of material matters. Therefore, do not take everything you are told for granted. You must at least check the plausibility of the proposals people put forward, otherwise you will become a perfect victim for unscrupulous crooks.

You must also get all your ducks in a row. Also ascertain that you have locked the door of your house or of your car. If you have to contact someone or if you must start a procedure, you must double-check the time and the venue of your meeting before you leave.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Thwarted social and professional progress

Square ♃ Jupiter ☄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Saturday 13 March 2021 till Saturday 3 April 2021 included (particularly active on Tuesday 23 March 2021, with an orb of 0°04')

Your concentration capacities may be impaired by this transit. You tend to stretch yourself too thin and to waste your energy in unfeasible projects. Your actions and your stances are not well inspired. Out of clumsiness, you give of yourself the image of a pernickety, conservative and inefficient person, which harms your professional progress.

Strive to understand better the spirit of the time. If you are totally unable to conceal your beliefs and to be in tune with what the members of your entourage think, you should steer clear of debates, of discussions, and of collective projects.

You must also tread very carefully in the financial area, because you may squander your savings in quite foolish ways.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Minor financial satisfaction

☾ Moon in House II

★★★★★ Valid from Saturday 13 March 2021 till Monday 15 March 2021 included

Matters connected with possessions and finances are on the agenda. You need to check your accounts, to pay your debts and to reconsider your budget in order not to overspend. You may also make an appointment with your banker in order to optimize your investments. In any case, you seek safety in this area and you are provident for the future. Even when you must make a purchase, your choices are wise and you manage your patrimony as best you can. You select valuable artefacts or pieces of furniture for your home decoration with the will to invest and preserve your capital. In short, you definitely are an "ant"...

R Touchiness and affective indecisiveness

Opposition ♀ Venus ♂ Mars

★★★★★ Valid from Sunday 14 March 2021 till Wednesday 17 March 2021 included (particularly active on Monday 15 March 2021, with an orb of 0°05')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

You are torn between two attitudes. One of them consists in being trusting, open, and smiling. The other one consists in wondering what the words people tell you might conceal, and what sort of rivalry might follow a theoretically nice encounter.

Nothing forces you to take a stand and to express your likes and your dislikes in a categorical manner. Let the dust settle. Give people enough time to prove their worth, but remain vigilant. Indolence may limit your competitiveness and relax your efforts during a few days. Do not make a mountain out of a molehill, and enjoy life to the fullest.

In the romantic area, do not respond to your partner's requests with aggressiveness, because, contrary to what you imagine, she means you no harm.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Warmth and generosity

Trine ♀ Venus ♀ Venus

★★★★★ Valid from Sunday 14 March 2021 till Tuesday 16 March 2021 included (particularly active on Monday 15 March 2021, with an orb of 0°09')

Your feelings are so intense that you need to share them with other people. Your generous impulses, your warmth, and your sweetness can help your friends and relatives keep their spirits up. Do not spare your efforts in this regard, for the harmony you will bring about will be your best reward.

The period is also good for artistic expression. Meetings and outings provide thrills that you can transcend through painting, music, dance, or singing.

You get closer to nice, cheerful, and radiant persons whose company you enjoy heartedly. Along the same lines, friendly and romantic relations are imbued with insouciance, tenderness, and sensuality.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

You pour out your emotions, enriched with a host of sensations, to all the people you approach. You are easily moved, amazed, and touched. You feel the need to bring peace and harmony to those who strike a sensitive chord with you.

Family relations are set fair. In a word, you know how to lighten the atmosphere, and you are willing to oblige your friends and relatives by lavishing attention and little gifts on them.

Your joie de vivre is shining, and your gentleness spurs people to confide in you. If you are engaged in an artistic activity, visiting picturesque settings, or going out with attractive persons stimulates your inspiration.

You are particularly charming with women.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

★★★★★ Valid from Tuesday 16 March 2021 till Saturday 20 March 2021 included (particularly active on Thursday 18 March 2021, with an orb of 0°17')

This aspect, which occurs only once a year, may help you untangle the hank produced by other influences taking place simultaneously. In a way, you have a split personality, and you face your most secret desires, sometimes the least acceptable ones.

This has nothing to do with madness. This is about becoming aware of shortcomings in your usual behaviour which, unconsciously, cause the failure of some of your undertakings. This transit urges you to set things right.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

★ Original and efficient ideas

Trine ♀ Mars ♂ Uranus

★★★★★ Valid from Tuesday 16 March 2021 till Tuesday 23 March 2021 included (particularly active on Saturday 20 March 2021, with an orb of 0°04')

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Your fighting spirit and your dazzling vitality enable you to impose yourself in your sphere of activity, provided that you are given enough autonomy. Although your stances and your decisions are clear-cut, abrupt, and straightforward, they make you progress in leaps and bounds by helping you separate what is essential from what is accessory.

Starting new steps is most likely to be rewarding. You jump at the best occasions, and you find the right word when you decide to attract attention.

Sports activities and adventurous expeditions are promising. You can accomplish feats and enhance your public image. You are also able to make the required decisions to protect the interests of the group or of the family. All those who rely on you will be fully satisfied with your services.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Minor misunderstandings ahead

☾ Moon in House III

★★★★★ Valid from Tuesday 16 March 2021 till Thursday 18 March 2021 included

It seems that good mood is not accepted during this period and that you find it hard to communicate. Exchanges with your entourage are marked with distrust and they weigh heavy on you. You don't find the words you need to explain yourself and misunderstandings may lead to quarrels. Therefore, don't start discussions that result in nothing positive and save your arguments for better days. If you prefer to isolate yourself and make a break, you are right because, as you know well, sometimes, silence is golden...

R Little social and professional help

Trine ☉ Sun MC Midheaven

★★★★★ Valid from Wednesday 17 March 2021 till Saturday 20 March 2021 included (particularly active on Thursday 18 March 2021, with an orb of 0°29')

This planet and the MC-IC axis are linked by a semi-square in your natal chart: the harmonious effects of this transit may be slightly lessened.

Although this aspect occurs twice a year only, it is far from being insignificant, especially if other planets are propelling you forward. Indeed, you dress up to the nines, you polish up your words, and you endeavour to meet influential people. It is certain that you will get the result you are aiming at, but you will have to keep your promises afterwards.

More generally, you may become a socially outstanding figure. You may also find your dream job, or get a promotion.

You have faith in what you are doing, which inspires you excellent initiatives. Your standpoints, which are both firm and subtle, constitute your best asset for getting noticed and being accepted by those who can further your ambitions.

You may get a promotion, or your prestige may increase, especially if you work within a large community or in a healthcare setting.

Your vitality is revived, if needed, as you are in contact with the sea or with water. All escapades, even short ones, contribute to boost and maintain your energy.

Harmony prevails at home. You establish frank and direct relations with your folks. Everyone can express oneself heartily. You can dwell on your past, do some soul-searching, and by dint of rigour and clarity, discover the reasons behind the errors which in the past brought discomfort in your family circle. You can readjust your strategy and look to the future with confidence.

You can consider fruitful lifestyle transformations: house move, larger dwelling, etc. Your good mood will positively influence your life in society, even though right now it is not part of your priorities.

Opposition ☾ Moon ♀ Venus

★★★☆☆ Valid on Thursday 18 March 2021, with an orb of 2°31'

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Tensions and affective wounds

Opposition ♀ Venus ♃ Pluto (transit to a slow-moving planet) 

★★★★★ Valid from Thursday 18 March 2021 till Sunday 21 March 2021 included (particularly active on Friday 19 March 2021, with an orb of 0°24')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Curiosity is gnawing at you, and you need to know more about those you love, their secret thoughts, their feelings, and even their most reprehensible «sins».

Your hunger for their somehow scandalous facets may bring about tensions. Moreover, you tend to indulge in pointless gossips and unproductive questioning. Although you find moral torture quite enjoyable, you ought to know when to stop, lest you should upset people, make them feel uncomfortable, and tyrannise them.

Your sensuality is running so high that you can hardly control it. However, there is no excuse for practicing mental sadomasochism.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Lack of diplomacy and reprehensible exuberance

Square ♃ Jupiter ♀ Venus 

★★★★★ Valid from Thursday 18 March 2021 till Friday 9 April 2021 included (particularly active on Monday 29 March 2021, with an orb of 0°04')

Your need to express your joie de vivre and to lavish your affection comes up against weighty requirements such as propriety, gossips, conformism, or selfishness. Your lack of intuition may be partially responsible for this situation. Since you are unable to grasp the nature of the person you are dealing with, you may be too spontaneous, and your exuberance may shock a few people.

On the romantic area, you are longing for adventures, and you are easily blinded by enjoyable short-lived affairs. But here also, external circumstances may force you to control your impulses.

You should constantly demonstrate diplomacy. Moreover, do not commit yourself with people you do not know, and do not to waste your energy on your friends or your family members, with whom you will

be given the opportunity to prepare a few festivities.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

R Intuition and inspiration

You are right there when your assistance is required, and by sheer luck, you immediately provide your friends and relatives with whatever they badly need.

Your acute and subtle perception enables you to give sound and relevant advice to everyone. You can heed your affective impulses and participate in collective humanitarian projects, or attend artistic performances.

You are interested in psychology, in several types of medicine, as well as in nutrition, etc. The members of your entourage benefit from the knowledge you gain in these disciplines.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

You are focusing on your social life, and you are eager to improve your relations with your collaborators and your colleagues. You are enterprising and relaxed. Moreover, you approach with equal warmth people from all walks of life.

Because you win the trust of everyone, you are able to organise collective leisure activities and parties, or

to send out invitations. Your family follows you, and the atmosphere of cheerfulness prevailing among your friends and relatives is catching.

In addition, the purchases you make during this period are good and contribute to enhance your public image.

Clumsy or unsuitable words

Opposition ☉ Sun ♀ Mercury

★★★★★ Valid from Friday 19 March 2021 till Wednesday 24 March 2021 included (particularly active on Monday 22 March 2021, with an orb of 0°24')

During a few days, you may feel that your desire for communication is frustrated. Some members of your entourage who abuse their authority may dent your self-confidence. Do not let anyone detract your attention from your projects. Do not change sides just because you are afraid to irritate people or to be criticised.

There is a big gap between your major goals, your initiatives, and your words. The more you let people influence you, the deeper the hiatus. You ought to stand up for your opinions with more determination and more courage.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Home sweet home!

☾ Moon in House IV

★★★★★ Valid on Friday 19 March 2021

How great it is to be at home! Today, you want to enjoy the comfort and gentleness of your home where you feel good and in security. There, you can dream at leisure of the improvements you want to bring to your cosy little nest for the sake of your family's well being, unless you prefer to dive in the nostalgia of your souvenirs and your photo albums... If you are in a more active mood, you may want to clean up the house from floor to ceiling or you may try to implement your lovely arrangement and decoration ideas... In short, the atmosphere is nice and, if your close friends share your activities, you experience a deep feeling of inner peace.

Minor affective disappointments

☾ Moon in House V

★★★★★ Valid from Saturday 20 March 2021 till Sunday 21 March 2021 included

Today, the danger is that you may indulge in wishful thinking. Therefore, if you want to avoid disappointments, don't get worked up too quickly, especially in the romantic area, and keep your feet on the ground as firmly as possible because your imagination tends to amplify everything. Conversely, you may mistake your fears for the reality. Are you afraid to be less loved? Dispel your worries because love and the simple joys of life remain available, it is just that you have some difficulty in seeing them clearly. Don't worry so much, tomorrow is another day and all your concerns would have vanished...

Restlessness and nervousness

Square ☾ Moon ♿ Mercury

★★★★★ Valid on Sunday 21 March 2021, with an orb of 0°53'

You put aside your habits, you shelve all kinds of conformism that have started to smother you. Your entourage is going to be surprised! It is the time to take action according to your aspirations, your whims and your dreams... You intensely experience a situation in full transformation. Ideas abound in such great numbers that you find it difficult to make a synthesis of all the pieces of the jigsaw... Because of your relatively restless mind, you may not be able to keep this highly complex game under control.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Ambivalent attitude

Opposition ♀ Venus ♿ Mercury

★★★★★ Valid from Sunday 21 March 2021 till Wednesday 24 March 2021 included (particularly active on Monday 22 March 2021, with an orb of 0°31')

You are being torn between your powerful affective impulses and the cold logic which urges you not to fall into the traps of sentimentality. This may strongly influence your behaviour, and you may shift from the tenderest attention to the most jeering cynicism.

The most important point for you is to manage not to commit yourself and to remain free, emotionally as well as intellectually. People try to win you over and to charm you, so as to get you involved in projects you are not interested in, and with which you may agree, but from which you run away in the end.

Be more straightforward, and give your opinion more assertively if you do not want to become notorious for being a weathercock and even a hypocrite.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. During several days, your eloquence and your poise in society are particularly strong. It is the right time to send out your administrative requests, to apply for a loan, or to seek financial support.

You are intellectually efficient. Even though your ideas may lack originality, they are reliable and earn the trust of your friends and relatives as well as of your higher-ups. If you are taking an exam, Lady Luck will smile on you, provided you do not put a cat among the pigeons.

You are very likely to experience pleasant encounters which will afterwards give you access to various groups of friends and thus contribute to widen the scope of your knowledge.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

It is likely that this day is marked with fits of bad temper. You are concerned about your public image and therefore, you are more sensitive than you usually are. The slightest detail offends you... So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. In such a context, it is advisable to cool down and wait until the dust settles before you discuss essential matters. When people get worked up, it may be because you are too pernickety: it is better to slow down.

Your concern is to enjoy to the fullest the moment of daydreaming that you badly need. This is your way of recharging your batteries and recovering your mental strength.

Unexpected emotional disturbances

Opposition ♀ Venus ♂ Uranus

★★★★★ Valid from Saturday 27 March 2021 till Tuesday 30 March 2021 included (particularly active on Monday 29 March 2021, with an orb of 0°22')

You are being torn between your affective impulses and the demand for clarity and improvement which urges you to ignore your sensitivity and to remain aloof.

Your indecision is so overwhelming that, if you are not cautious, it may upset your daily life by bringing about tensions with your friends and relatives. You tend to roundly criticise the persons you love and to share your exasperation with them.

Although your need for independence is strong, it is difficult for you to reconcile it with the constraints of social life. When you express yourself, you should back down if you do not want to uselessly hurt people's sensitivities.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. The current climate is not too promising for the expression of your uniqueness. It is preferable to indulge in your passions secretly, so as to avoid malicious gossips.

However, the desire to appal self-righteous people prompts you to break the rule of prudence. If it is at all possible, refrain from doing so, and remember that not everybody is prepared to be challenged overnight.

The nervousness which keeps you on the alert may lead to exhaustion. Do not take too many stimulants.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. You are hypersensitive and you can switch from laughter to tears with no real reason. Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Unless, enriched with all these emotions, you just let your creativity flow freely...

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

The current situation does not let you take action according to your desires. Nit-picking explanations or last minute changes may slow down your impetus and, as a result, affect your mood which will become aggressive, demanding, and overly critical.

Do not get carried away by anger, for people are waiting to pounce. Weigh your words carefully. Indeed, even though you have no bellicose intent, people feel that you lack subtlety and that you express yourself in harsh ways.

Moreover, you have the impression that the members of your entourage are hiding secrets from you and that they sometimes want to harm you or to set you aside. Fight off this negative state of mind.

When you carry out a study, a survey, or a research, you must not let yourself be discouraged by the points you do not understand. These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Many temptations distract you from your daily duties. There is a danger that you drift off into nonchalance, fail to keep your promises, and neglect the organisation of your domestic life.

This would not matter if you got more freedom from your behaviour, but actually, the frustrations you are consumed with prevent you from appreciating your moments of relaxation at their true value.

You feel deserted and unloved. You fly off the handle at the slightest remark, and you imagine that everyone is willing to hurt you. Be more clear-sighted and more mature. Do not create ties of dependence with your friends and relatives by taking the easy way out.

Your power of action is declining temporarily. Therefore, it would be wise to wait until this transit is over before taking new initiatives, fighting for your stance, or showing your authority. You may have the

nagging feeling that your most basic desires are stymied.

The most impulsive people must beware of new surges of impetuosity. Indeed, they may provoke hasty splits, anger, squabbles, as well as insistent and clumsy protests, because the slightest frustration and the smallest obstacle on the way become unbearable. When not properly used, this aggressiveness may backfire on them, and they will need to watch their movements and their short trips.

Some other people may champ at the bit. They may feel helpless in front of adversaries brimming with vitality and willing to pull the rug from under their feet.

If you must participate in a competition, try to postpone the date because, for the time being, you are not in a position to cope with serious challenges.

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

The current atmosphere prevents you from having it your way. You champ at the bit, and you behave with nervousness and impulsiveness, driven by the urge to communicate all out and by your desire for absolute forthrightness. Unfortunately, your friends and relatives remain deaf to your suggestions and drag you into pointless arguments that you find frustrating and outraging.

Even so, try to restrain your restlessness, because you may make blunders or hurl excessive and harsh sentences which will be badly interpreted. On the pretext of efficiency, you must not exaggerate the importance of certain facts and sow confusion in people's minds.

Square ♀ Venus AS Ascendant

★★★★★ Valid from Sunday 18 April 2021 till Tuesday 20 April 2021 included (particularly active on Monday 19 April 2021, with an orb of 0°03')

You are not feeling too good about yourself, and you consider that your contacts with other people are minor yet recurring sources of inconvenience, of annoyance, and of irritation. If it is at all possible, you would be well-advised to steer clear of meetings and discussions, for you would probably to be in a grumpy, frustrated, and gloomy mood.

Affective exchanges with your romantic partner do not go smoothly. Therefore, should minimise the differences of opinion opposing both of you, so as not to let yourself be carried away and hurl bitter and meaningless recriminations.

Since you lack diplomacy in your profession also, you ought to refrain from meddling in your colleagues' business.

★ Lack of clarity and danger of disruption

Square ♃ Jupiter MC Midheaven

★★★★★ Valid from Sunday 18 April 2021 till Sunday 23 May 2021 included (particularly active on Monday 3 May 2021, with an orb of 0°01')

You are feeling ill at ease, misunderstood, and even ostracised by the members of your entourage, both at home and at work. Confronted with this stressful situation, you are tempted to start inopportune arguments and to worsen the climate.

It is preferable that you take stock of your past actions, that you become aware of the disorganisation prevailing in your plans, and that you sort out your budget if you do not want to be blamed for having sown discord around you.

For the time being, do not put forward any request, and do not seek people's support. You would express yourself with clumsiness, and you would not obtain what you are hoping for.

Pay special attention to your house, for incidents or unexpected deteriorations may occur, which may strain your finances.

R Good mood and romantic harmony

On the romantic plane, this is an ideal day to programme a few hours of escape and forget yesterday's misunderstandings. Choose a place conducive to a serene tête-à-tête.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Increased comprehension and sensitivity

Sextile ☾ Moon ♀ Mercury

★★★★★ Valid on Tuesday 20 April 2021, with an orb of 2°22'

You carry out your investigation relentlessly and you try to understand people's motivations. As you find some behaviour intriguing, you ask your entourage questions in order to better figure out what is currently at stake. Is there anything that is hidden from you? It won't take long until you find out. Thanks to your acute and deep clear-sightedness, you quickly guess what is going on... You won't be trapped as your sensitivity on the alert endows you with a sixth sense. No matter how complex the situation may be, you play your game well.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Whims and extreme feelings

Opposition ♀ Venus ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 20 April 2021 till Saturday 24 April 2021 included (particularly active on Thursday 22 April 2021, with an orb of 0°00')

You feel torn between the desire to yield to your affective impulses and the fear that you may be blamed for them. If you start to vent your frustrations, you will become unable to remain reasonable, and you will make blunders and indiscretions which could backfire on you and hurt your self-esteem. You may also lose all credibility in the eyes of your friends and relatives. Bearing this risk in mind, it is advisable that you tightly rein in your emotions, and that you keep a cool head when you are in society.

In the romantic area, you are inclined to say or to do anything, even though you may smother your partner. Here again, beware of your whimsical tendencies.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

In the romantic area and in society, you play with appearances. You abuse your powers of seduction, and you resort to blandishments too often. Do not make promises that you do not intend to keep, and beware of the enchanted feelings you arouse.

Your general tendency to be scatterbrained and messy affects the management of your finances, an area you ought to handle cautiously, for your own sake. In addition, do not take everything people say at face value. Remain on your guard, because you run the risk of becoming the victim of a more or less serious swindle.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Above all, it is the right time for innovative projects that radically change life! Things unfold smoothly... On the social and professional planes, everything seems to develop very naturally: you let yourself be carried away by the stream and you carefully avoid all forms of tension or aggressiveness.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Your communication with your friends and relatives does not flow smoothly. You are unable to find the right arguments to convince them to share your ideas and your projects. You lack flexibility, and you dig your heels in as soon as you hear comments you deem unpleasant or shocking.

Delays or car breakdowns may force you to cancel a short trip you are eager to make. However, do not brood over your disappointment to the extent that you become bitter and grumpy.

It is preferable that you wait a couple a days before putting forward a request or before drafting an important letter.

Efforts and seriousness rewarded

You may receive the support of a person who is older than you and to whom you hope to succeed once he retires.

Your stamina is good at both the physical and psychological levels. Furthermore, you learn to channel your energy into sports such as athletics or alpinism.

★★★★★ Valid from Friday 23 April 2021 till Saturday 24 April 2021 included (particularly active on Friday 23 April 2021, with an orb of 0°50')

Some comments aimed at you may hurt your sensibility. Your skills may be questioned, and people may laugh at you, more or less kindly. Try not to yield to anger, for your opponents would immediately take advantage of you. Instead, you should endeavour to take stock of your work, to polish up your argumentation, and to consider people's requests more seriously.

You have a propensity to make diplomatic lies and to seek ideal excuses; unfortunately, because you tend to botch them and neglect their likeliness, you will not achieve the result you wish to obtain. As you carry out a survey or a research, it is possible that you tinker with the form and that you slack off on the substance. Think it over.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

Set aside your claims for the time being, because you are driven by such vehemence that you have every chance to make blunders and to get caught in endless conflicts, both verbally and in writing.

Check your sources again, and try to consider the issue from several various angles, otherwise you will only get an extremely partial and subjective view of the actual facts.

Despite your declining nervous energy, you are forced to brave problems cropping up from all sides, which worsens your exasperation and your impatience.

Conflicts are very likely to break out more particularly during short trips and commutes. Therefore, if you feel unable to keep your self-control, avoid using overcrowded means of transport.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. This planet and the MC-IC axis are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Short trips with the family and domestic changes are on the agenda. Moving around is your watchword and, to fulfil this need, you do not hesitate to introduce playfulness, gaiety, and insouciance in the organisation of your daily life.

Dialogues with children and with the elderly are excellent. Your selfless behaviour works in your favour. Friends, or people you met accidentally in a previous occasion, visit you, which contributes to stir up a wind of madness under your roof. Owing to your intelligence, you are able to straighten out the most muddled issues, and to figure out what lies at the roots of any conflict.

R Confused communication

Opposition ♀ Mercury ♃ Neptune (transit to a slow-moving planet) 

★★★☆☆ Valid from Sunday 2 May 2021 till Tuesday 4 May 2021 included (particularly active on Monday 3 May 2021, with an orb of 0°00')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Right now, the climate is not auspicious for the expression of your thoughts, of your reflections, and of your inspirations. You are brimming with good ideas, but you reject concrete facts and the opinions of your friends and relatives. Here are the major obstacles to your success.

Heed the advice of caution you receive. Indeed, if you persist in building on sand, you will waste a lot of time or money.

Verbal communication with the members of your entourage is blurry and confused, which provides a ground conducive to the emergence and the multiplication of misunderstandings and imbroglios. This is

partially caused by your lack of precision. Therefore, try to finish your sentences. Dot your i's and cross your t's if you want your messages to be correctly understood.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Your feelings, your emotions and your imagination are increased and you perceive the world around you in a very personal way. Like a radar picking up your close friends' feelings, you need to be in tune with them, you share their happiness or you find the right word to comfort them. R Emotions and minor frustrations

Square ☾ Moon ♀ Venus

★★★★★ Valid on Tuesday 4 May 2021, with an orb of 0°48'

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

You quickly find the right word, and your argumentation is very logical.

You feel the need to make short trips and to organise outings and excursions with your friends and relatives. Such leisure activities provide a great deal of joy and enable you to discover nice spots and to ferret out useful addresses.

It is also a good time to read and to collect information on topics you are interested in.

Square ♂ Mars ♃ Uranus

★★★★☆ Valid from Wednesday 5 May 2021 till Wednesday 12 May 2021 included (particularly active on Sunday 9 May 2021, with an orb of 0°13')

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

During the few next days, you must control the nervousness which spurs you to behave with impatience, recklessness, as well as with physical and psychological inflexibility.

You pushed yourself to the limits so often in the past that you now feel at the end of your rope. However, in a fit of pride, you still persist in struggling against events which are beyond you. The best solution would be to grant yourself a restful break, but it is difficult to get you to listen to reason.

Do not exaggerate too much the disagreements opposing you to the people you love because, out of anger, your words would outrun your thoughts, and you would worsen the situation.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Your friends and relatives send you tokens of affection that you find deeply moving.

You will not be very available for your professional circles, and you will not show solidarity with your colleagues. As the French saying goes, «to live happily, live hidden». This is precisely your motto.

Small gatherings with a few family members and friends, unexpected visits in a private atmosphere, as well as secrets disclosed spontaneously soothe your aching heart and contribute to increase your joie de vivre.

R Sense of dialogue and mutual understanding

Trine ♀ Mercury AS Ascendant

★★★★ Valid from Thursday 6 May 2021 till Saturday 8 May 2021 included (particularly active on Friday 7 May 2021, with an orb of 0°06')

This planet and your relationship AS-DS axis are linked by a trine in your natal chart: the harmonious effects of this transit may be increased.

You are in a talkative and cheerful mood. The narration of your real or embellished prowess thrills your friends and relatives. This contributes to spread joie de vivre around you and draws the members of your entourage closer to each other.

Unfortunately, once the excitement starts to fade away, many of the projects you mentioned verbally may fall through.

Strive to get the support of people you are comfortable with, and seek their help and their suggestions in the fields in which they excel. Writing to friends you lost touch with, or calling them, allows you to establish contact with them again. Therefore, this is not the time to be shy.

R Mirages and lack of discernment

Opposition ♀ Venus ♃ Neptune (transit to a slow-moving planet)

★★★☆☆ Valid from Thursday 6 May 2021 till Sunday 9 May 2021 included (particularly active on Saturday 8 May 2021, with an orb of 0°20')

Out of lassitude or disenchantment, you try to meet with all sorts of people and to waste your time with all kinds of pleasures without being able to find out what is good for you. You grasp every pretext to stray on the borders of the fantastic, to lose your bearings, and to become ensnared by the most dangerous mirages.

You tend to show your weakness and to be overly accommodating with your friends and relatives. Curb this propensity, because the beneficiaries of your generosity are bound to reproach it to you later on.

Resist the shopping spree temptation, and distinguish what is necessary from what is superfluous.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Indeed, you are blessed with strong self-confidence, and you believe in your capacities, mainly because you perfectly combine your will to move ahead with your conquering energy and a clear vision of the social setting in which you intend to turn your ideas into concrete reality.

Your decisions win unanimous support, and your vitality is excellent. You are able to withstand a very intense pace in your work, and if you are suffering from an illness, your health will improve.

It is probable that all the claims and requests you filed with the authorities will be accepted, and that your financial investments will rapidly yield significant profits.

So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Take advantage of this period to put an end to the frustrating and unsatisfying situations in which you are underestimated. Pay attention to the way you look if you want your merits to be acknowledged by people who are older than you. Moreover, do not hesitate to make yourself appear older if this serves your interests.

Above all, you are willing to be attractive and to pass on to other people your conception of pleasure. In this respect, you shine by throwing parties and sending out invitations in order to make new acquaintances and to tighten the affective bonds existing between you and your friends and relatives.

With your romantic partner, you are welcoming. You also provide her with sound advice. Nevertheless, if you take the slippery road, you may also overwhelm her with your whims or frighten her with your changing and sometimes superficial behaviour.

This aspect, which occurs twice a year, is significant if it happens during a period of turbulence. It helps you discover unsuspected vital resources and, mocking the proprieties, to plough your furrow according to your wishes and your personal ethics.

You may even be able to discern your shadow zones (who doesn't have any!) and to turn your weaknesses into strengths. Although it is possible that you shine in a quite small coterie, your prestige will glitter more dazzlingly.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Nevertheless, do not wander too much along the way, because your dissipation may make you miss nice opportunities. Dare to state clearly what you want instead of striving to come across as selfless at all costs. Do not lie about your desires, for disorders and illusions are the main enemies of your success.

In the field of health, you may temporarily suffer from allergy bouts.

During several days, your gesticulations are very unlikely to yield satisfactory results. Do not listen to your impulses, for they are too contradictory and cannot show you which path you should follow.

Likewise, avoid getting overly enthusiastic in the course of your private discussions. Indeed, you lack subtlety, and you tend to blow out proportion of the slightest remark aimed at you. If your emotional responses are exaggerated, they may temporarily damage your communication with your friends and relatives. You tend to get easily distracted and to behave with insouciance. Moreover, you do not really listen to the information conveyed to you. Whenever you express yourself, you can hardly resist the temptation to open your heart to people you barely know.

You may be indiscreet or disclose your little secrets inadvertently. Out of laziness, you may also postpone a procedure, a telephone call, or urgent mails. Therefore, you must set yourself a detailed timetable and use it as your safeguard against procrastination.

You are willing to meet with all sorts of people, but the majority of your relations remain quite shallow.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Unreasonable expenses...

☾ Moon in House II

★★★★★ Valid from Thursday 3 June 2021 till Saturday 5 June 2021 included

Attention, place your bets... Rien ne va plus... Financial worries are on the agenda! A friend who lent you money shows up because he wants it back? You receive a call from your banker informing you that you overspent this month? The expected salary increase is put off? Whatever the reason, you are worried and in a bad mood because you don't know how you can solve these problems quickly. Sensitivity all on edge...

Square ☾ Moon ☾ Moon

★★★★★ Valid on Saturday 5 June 2021, with an orb of 0°46'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

With this transit, you can exteriorise your vitality and muster all your energy in order to improve your professional life. You take the initiative to meet promising people, and you manage to show yourself in your best light. Do not hesitate to mention your achievements, for they can significantly contribute to your success.

As a result, your domestic life will probably be disrupted, but your family will not blame you for this. You are efficient in helping them defend their interests, and you provide them with excellent advice in order to encourage them to assert themselves more strongly.

You may decide to make a last minute short trip to visit relatives who are living far from you.

Inspired energy

Trine ♀ Mars ♃ Neptune (transit to a slow-moving planet)

★★★★★ Valid from Sunday 6 June 2021 till Sunday 13 June 2021 included (particularly active on Wednesday 9 June 2021, with an orb of 0°15')

Minor misunderstandings ahead

☾ Moon in House III

★★★★★ Valid from Sunday 6 June 2021 till Tuesday 8 June 2021 included

It seems that good mood is not accepted during this period and that you find it hard to communicate. Exchanges with your entourage are marked with distrust and they weigh heavy on you. You don't find the words you need to explain yourself and misunderstandings may lead to quarrels. Therefore, don't start discussions that result in nothing positive and save your arguments for better days. If you prefer to isolate yourself and make a break, you are right because, as you know well, sometimes, silence is golden...

Thin-skinned

Square ♀ Venus ♃ Uranus

★★★★★ Valid from Tuesday 8 June 2021 till Friday 11 June 2021 included, this transit is repeated: it previously occurred from 14 January till 17 January (particularly active on Thursday 10 June 2021, with an orb of 0°14')

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Your affective impulses and needs are clashing with the harsh, cold, and authoritarian or sectarian attitudes of some of your friends and relatives. Far from giving things their actual importance, you take

them to heart. This temperament stirs in you sudden, simultaneous, and extreme feelings shifting from sympathy to antipathy.

Spare your sensitivity, and do not believe that you can be happy only when you are facing disconcerting, upsetting, and extravagant situations.

If you are a member of an association or a club, you may react with animosity to some of its participants. Do not display such feelings, because they are neither deep nor long-lasting.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Optimism and affective impulse

Trine ♀ Venus ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 9 June 2021 till Friday 11 June 2021 included, this transit is repeated: it previously occurred from 3 March till 6 March (particularly active on Thursday 10 June 2021, with an orb of 0°08')

You feel good about yourself. Moreover, you are cheerful, and optimistic. You rein in the affective impulses which may be harmful, and you manage control yourself while remaining open and warm.

You are very much sought after, and your friends and relatives give you comforting tokens of affection. Outings and leisure trips offer the opportunity to deeply appreciate the beauties which strike a chord in you and stimulate your vitality as well as your confidence in life.

The protection and the support you are granted can contribute to improve your professional status. The purchases that you are planning are wise and will turn out to be excellent investment.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Home sweet home!

☾ Moon in House IV

★★★★★ Valid on Wednesday 9 June 2021

How great it is to be at home! Today, you want to enjoy the comfort and gentleness of your home where you feel good and in security. There, you can dream at leisure of the improvements you want to bring to your cosy little nest for the sake of your family's well being, unless you prefer to dive in the nostalgia of your souvenirs and your photo albums... If you are in a more active mood, you may want to clean up the house from floor to ceiling or you may try to implement your lovely arrangement and decoration ideas... In short, the atmosphere is nice and, if your close friends share your activities, you experience a deep

feeling of inner peace.

Square ☾ Moon ♂ Mars

★★★★★ Valid on Thursday 10 June 2021, with an orb of 1°16'

These planets are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

Thrills are on the agenda! Were you seeking intense emotions? There you are. Nevertheless, amid this idyllic climate, clear-sightedness remains indispensable. A glitch is all it takes to jeopardize your plans, a minor incident, the regrettable consequences of which develop as time goes by. Therefore, it is advisable to anticipate and to avoid traps right from the start. Hold back your impatience because feverishness may block the energies of the day. More than ever, self-control is indispensable.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Minor affective disappointments

☾ Moon in House V

★★★★★ Valid from Thursday 10 June 2021 till Friday 11 June 2021 included

Today, the danger is that you may indulge in wishful thinking. Therefore, if you want to avoid disappointments, don't get worked up too quickly, especially in the romantic area, and keep your feet on the ground as firmly as possible because your imagination tends to amplify everything. Conversely, you may mistake your fears for the reality. Are you afraid to be less loved? Dispel your worries because love and the simple joys of life remain available, it is just that you have some difficulty in seeing them clearly. Don't worry so much, tomorrow is another day and all your concerns would have vanished...

Restlessness and nervousness

Square ☾ Moon ♿ Mercury

★★★★★ Valid on Friday 11 June 2021, with an orb of 1°33'

It is the time to take action according to your aspirations, your whims and your dreams... You intensely experience a situation in full transformation. Ideas abound in such great numbers that you find it difficult to make a synthesis of all the pieces of the jigsaw... Because of your relatively restless mind, you may not be able to keep this highly complex game under control.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality

and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Square ☉ Sun ♂ Mars

★★★★★ Valid from Friday 11 June 2021 till Tuesday 15 June 2021 included (particularly active on Sunday 13 June 2021, with an orb of 0°10')

During a few days, you should avoid getting involved in quarrels which do not concern you. Indeed, you may utter outrageous or clumsy words, you may make brusque movements, and you may throw a tantrum. Because you are unable to control yourself, you are most likely to express your rebellion and your bitterness too forcefully.

Stormy exchanges of viewpoints with a father figure or with elder brothers are looming and should be avoided if possible, for nothing good can come out of such clashes.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

It is likely that this day is marked with fits of bad temper. You are concerned about your public image and therefore, you are more sensitive than you usually are. The slightest detail offends you... So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. In such a context, it is advisable to cool down and wait until the dust settles before you discuss essential matters. When people get worked up, it may be because you are too pernickety: it is better to slow down.

Square ☾ Moon ♀ Venus

★★★☆☆ Valid on Tuesday 15 June 2021, with an orb of 0°17'

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

★★★★★ Valid from Wednesday 16 June 2021 till Sunday 20 June 2021 included (particularly active on Friday 18 June 2021, with an orb of 0°20')

This aspect, which occurs twice a year, may help you untangle the hank produced by other influences taking place simultaneously. In a way, you have a split personality, and you face your most secret desires, sometimes the least acceptable ones.

This has nothing to do with madness. This is about becoming aware of shortcomings in your usual behaviour which, unconsciously, cause the failure of some of your undertakings. This transit urges you to set things right.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Opposition  Mars  Ascendant

★★★★★ Valid from Thursday 17 June 2021 till Thursday 24 June 2021 included (particularly active on Monday 21 June 2021, with an orb of 0°09')

This planet and your relationship AS-DS axis are linked by a sesqui-quadrate in your natal chart: the negative effects of this transit may be slightly increased.

Your relations with other people, especially with a colleague, or your spouse if you are married, are tumultuous and marked by power struggles. You consider your interlocutor as a rival or an immediate challenger. In situations of professional competition, this approach constitutes a tremendous boost. You snatch victory by a hair's breadth, and if unfortunately you are not the winner, you do not give up. You get ready for the fray, and you try to launch a new offensive rapidly.

In the field of romance, fits of anger or overly passionate relations may wreak havoc on your couple or your friendships. Do not listen to your willingness to rule your partner, because you can rest assured that she will not remain passive, and that you will endanger your affection in unnecessary confrontations.

Dialogue and intuition

Conjunction  Moon  Mercury

★★★★★ Valid on Friday 18 June 2021, with an orb of 1°10'

This acute intuition allows you to catch major information! For the time being, the best thing is to pretend you heard nothing, because tomorrow, what you have learnt will prove to be valuable. Do not hesitate to chat and to initiate dialogues, the stake of which will emerge only as the conversation goes by. A fortuitous encounter may trigger something off in your mind.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. During this period, your intense emotions and deep feelings endow your inner and psychical life with extreme strength. You are hypersensitive and you can switch from laughter to tears with no real reason. Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Your romantic relations are unsatisfying, and you can hardly stand your routine and the weight of your daily life.

In your work, you are distracted by the merest trifle. Be careful, because your overly emotional approach of things may lead you to make blunders or errors of judgment.

You tend to hold your spouse responsible for all the resentment you are accumulating.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Square ☉ Sun ♀ Mercury

★★★★★ Valid from Sunday 20 June 2021 till Thursday 24 June 2021 included (particularly active on Tuesday 22 June 2021, with an orb of 0°23')

For quite various reasons, right now, your words do not reflect your real thoughts. This is unintentional and may result from a wrong evaluation of your capacities, and from your interlocutor's state of mind. Nevertheless, even though it is devoid of any cunning, this lack of frankness makes you waste a lot of time. Indeed, it is absolutely certain that, if you declare that you are not seeking such and such benefit, no one will care to offer it to you.

Your vitality is low. It is mainly caused by nervousness, unbalanced diet, and irregular sleep.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Original and efficient ideas

Sextile  Mars  Uranus

★★★★★ Valid from Wednesday 23 June 2021 till Wednesday 30 June 2021 included (particularly active on Saturday 26 June 2021, with an orb of 0°17')

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Your fighting spirit and your dazzling vitality enable you to impose yourself in your sphere of activity, provided that you are given enough autonomy. Although your stances and your decisions are clear-cut, abrupt, and straightforward, they make you progress in leaps and bounds by helping you separate what is essential from what is accessory.

Starting new steps is most likely to be rewarding. You jump at the best occasions, and you find the right word when you decide to attract attention.

Sports activities and adventurous expeditions are promising. You can accomplish feats and enhance your public image. You are also able to make the required decisions to protect the interests of the group or of the family. All those who rely on you will be fully satisfied with your services.

★★★★★ Valid from Wednesday 23 June 2021 till Wednesday 30 June 2021 included (particularly active on Sunday 27 June 2021, with an orb of 0°13')

You have the tendency to misjudge your strength and your real possibilities, and therefore to be over-optimistic. For the moment, be wary of any movement of excessive euphoria, and do not count your chickens before they are hatched.

If an encounter has offered happy prospects regarding your professional future, do not believe that you are successful. Sustain your efforts, and keep on taking numerous initiatives until the benefits you covet are granted to you, for good.

You must also control your verbal aggressiveness and refrain from using it all the time, especially when you are addressing high-ranking people. In addition, indiscretions are most likely to fly around you during this short period.

If you practice a sports activity, do not exaggerate. Muscle strains or hernia may be lurking at the corner of a stadium corridor. Likewise, pay special attention to your liver since it may need it.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

★★★★★ Valid from Thursday 8 July 2021 till Thursday 16 September 2021 included, this transit is repeated: it previously occurred from 19 February till 8 April (particularly active on Monday 9 August 2021, with an orb of 0°01')

Resistance, limitations, or delays disorganise your programme of action. Your authority or your qualifications may be called into question, and you may be asked to provide many details in order to spur you on to study several topics more thoroughly. This situation does not suit you. It makes you feel uncomfortable because you have the feeling that people want to prevent you from progressing.

In order to deal with this turning point as well as possible, lie low for the moment, and refrain from fighting for projects you do not really believe in. Ponder over your methods so that you do not get stuck in the rut of routine, voluntarily or as a consequence of external pressures.

You must also cut down a few expenses and postpone some of the purchases you are considering.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

R Bitterness and danger of dispute

Square ♀ Mercury ♃ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Thursday 8 July 2021 till Sunday 11 July 2021 included (particularly active on Saturday 10 July 2021, with an orb of 0°20')

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

During several days, strive not to express your anger, your grudge, or your bitterness. Discussions about past squabbles are unwelcome, as they would only rub salt in the wounds and trigger new demands.

In the course of a meeting or of a short trip, and when you draft a mail, or when you talk over the telephone, keep your subconscious under control. Indeed, it may speak louder than your mind and prompt you to disclose desires that should be kept secret.

Do not get involved in people's disputes, for you would be blamed for meddling in their affairs. Instead of settling the situation, you would only inflame it, due to the distorted perception you have of people and of their real motivations.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Minor affective disappointments

☾ Moon in House V

★★★★★ Valid on Thursday 8 July 2021

Today, the danger is that you may indulge in wishful thinking. Therefore, if you want to avoid disappointments, don't get worked up too quickly, especially in the romantic area, and keep your feet on the ground as firmly as possible because your imagination tends to amplify everything. Conversely, you may mistake your fears for the reality. Are you afraid to be less loved? Dispel your worries because love and the simple joys of life remain available, it is just that you have some difficulty in seeing them clearly. Don't worry so much, tomorrow is another day and all your concerns would have vanished...

It all starts with a moment of intimacy, a privileged minute that strongly boost your spirits! All of a sudden, everything becomes possible. You begin to dream of more poetry and your contagious tactfulness commands your partner's respect. Let yourself be carried away by the tide since the outcomes can only be positive... Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Sensitivity all on edge...

Opposition ☾ Moon ☾ Moon

★★★★★ Valid on Saturday 10 July 2021, with an orb of 1°39'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the

situation.

With the support of older male persons, you become definitely able to impose yourself by demonstrating your reliability, your prudence, and your meticulousness. Prepare your plans thoroughly, polish up what you have to say, and do not hesitate to mention your achievements.

This is a good period for making long-term investments and for establishing a reasonable, stringent but comfortable budget. The work produced during the forthcoming days is valuable and thorough. Therefore, make the most of it.

Physically speaking, you take great pleasure in sports training, as well as in gym or yoga classes, for they have a long-lasting effect on your overall balance.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Nervousness and blunders

Square ♀ Mercury ♀ Mercury

★★★★★ Valid from Sunday 11 July 2021 till Tuesday 13 July 2021 included (particularly active on Monday 12 July 2021, with an orb of 0°42')

During a few days, your intellectual fitness is quite unlikely to be at its top level. You feel that some of the data on which you base your reasoning are difficult to grasp. Do not make useless efforts, and wait until you feel more self-assured, otherwise you may be forgetful and make blunders which are harmful to your communication.

Likewise, control your nervousness. Because you stretch yourself too thin, you get rapidly overwhelmed. Try to be as precise as possible in your remarks, and temporarily avoid discussions on matters which are dear to your heart, because nothing positive will come out of them.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. You vibrate in unison and the probability that you get along well in many areas is excellent. Take advantage of this nice influence to pass messages and to take initiatives because your partner will receive them positively. In the romantic realm, it is likely that everything is so perfect that words become useless. You may also want to put your sensitivity at the service of some humanitarian work... A lovely altruistic day in sight!

Easy pleasures and diplomacy

Trine ☉ Sun ♀ Venus

★★★★★ Valid from Monday 12 July 2021 till Friday 16 July 2021 included, this transit is repeated: it previously occurred from 11 March till 14 March (particularly active on Wednesday 14 July 2021, with an orb of 0°19')

Right now, the spotlights are on you. You are beaming with charm and diplomacy in order to live up to your public image. You are warm and prepared for all types of pleasures. Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

★★★★★ Valid from Monday 12 July 2021 till Friday 16 July 2021 included (particularly active on Wednesday 14 July 2021, with an orb of 0°15')

Your initiatives are most likely to be fruitful. You are brimming with energy, and you are self-assured. You use convincing arguments in order to lead your entourage where you want. Your approach of the situation is good and straightforward. Furthermore, you take swift action to settle any conflict breaking out in your entourage.

Thanks to your increased vitality, you are tireless. You are able to use this energy to easily cope with the physical chores that you have been postponing so far.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

R Nonchalance and elusive behaviour

Opposition ☉ Sun ☾ Moon

★★★★★ Valid from Monday 12 July 2021 till Saturday 17 July 2021 included (particularly active on Thursday 15 July 2021, with an orb of 0°20')

These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

You hardly understand what your desires are right now, and the ensuing lack of organisation may hamper your actions as well as your initiatives. Likewise, as you face the outer reality, you tend to behave with nonchalance. You feel unconcerned, and like the ostrich, you bury your head in the sand.

Do not take the easy way out, and do not make promises that you cannot fulfil; if an outsider meddles in your domestic life, bring him down a peg before you find yourself obeying his orders and his whims.

You ought to avoid lashing out at your romantic partner at the slightest vexation.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

R Bitterness and annoyances

Square ♀ Venus ☿ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 13 July 2021 till Friday 16 July 2021 included, this transit is repeated: it previously occurred from 17 February till 20 February (particularly active on Wednesday 14 July 2021, with an orb of 0°34')

These planets are linked by an opposition in your natal chart: the negative effects of this transit may be increased.

Your impulses and your affective needs are clashing with the force of old habits and with the severity or the lack of gusto of your friends and relatives. You spare no effort in order to show that you tenderly care for them, but you fail to get them to understand you. As a result, your mood becomes gloomy, and you are overwhelmed by sadness and bitterness. React by indulging in a few selfish pleasures and by devoting yourself to your hobbies.

Communication with the elderly is difficult. This applies also to your exchanges with adolescents, because you have a hard time understanding their fears.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

R Ordeals and perturbations

Square ♂ Mars ☿ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 13 July 2021 till Monday 19 July 2021 included (particularly active on Friday 16 July 2021, with an orb of 0°05')

These planets are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

You are experiencing a period during which your vitality and your efficiency are declining. In order not to sink into melancholy, and to preserve your benefits, your natural tendency is to shut yourself away, to draw a clear line between your private life and the outside world, and to steer clear of any disruptive influence.

You may be criticised for being selfish and stingy. You must explain to your friends and relatives that even though you need solitude, concentration, and calm, you do not forget them.

Nevertheless, the overall climate is characterised by dissatisfaction and fears of the future. Therefore, do not get involved in any fight, and do not take any initiative, for your pessimistic view of the situation will be unable to stimulate you.

In the area of health, your skeletal structure or your teeth may become fragile, as well as your ears, which may be prone to inflammation.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

★ R Deep transformation of personality traits

Conjunction ♃ Pluto ☾ Moon

★★★★★ Valid from Wednesday 14 July 2021 till Wednesday 22 December 2021 included, this transit is repeated: it previously occurred from 1 January till 14 February (particularly active on Saturday 2 October 2021, with an orb of 1°21')

In your chart, the Moon receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous. However, these planets are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

Although you are facing a thorough questioning, you show no sign of torment when people look at you. Indeed, the transformation is taking place in the inmost depths of your subconscious, and you believe that no one is able to understand your concerns.

Recurring childhood memories and waves of nostalgia reawaken painful feelings. You want to get rid of all ties and to dissociate yourself from your family and from your workgroup in order to eventually spread your wings.

This stage remains very promising. As it sharpens your intuition and increases your imagination tenfold, it enables you to adjust your phantasms and your dreams to reality. For this purpose, drawing a line under your past is absolutely essential.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Displeasure and affective misunderstandings

Square ♀ Venus ♀ Venus

★★★★★ Valid from Wednesday 14 July 2021 till Saturday 17 July 2021 included, this transit is repeated: it previously occurred from 18 February till 20 February (particularly active on Thursday 15 July 2021, with an orb of 0°25')

You are in a grumpy mood. Nothing finds favour in your eyes, and among the sensations coming from the outside world, you notice only those which stir displeasure, sadness, or disgust.

Brace your heart during the next several days, otherwise you may miss nice opportunities to meet with friends or with love, just because you do not know, or you cannot, go with the stream.

If you feel depressed, you can enhance your self-image by offering yourself a gift, by going to the hairdresser or to the beautician. This will help you regain confidence in your charm.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Slackening and temptations

Square ♃ Jupiter ♆ Neptune (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 14 July 2021 till Monday 23 August 2021 included, this transit is repeated: it previously occurred from 20 April till 27 May (particularly active on Thursday 5 August 2021, with an orb of 0°02')

During this period, you may let yourself sink into slackening and carelessness. You are unable to force yourself to stick to any sort of discipline. Therefore, if you are taking tranquillisers, tobacco, alcohol, or any type of drugs, you must be careful not to become an addict.

In the romantic area and in society, you play with appearances. You abuse your powers of seduction, and you resort to blandishments too often. Do not make promises that you do not intend to keep, and beware of the enchanted feelings you arouse.

Your general tendency to be scatterbrained and messy affects the management of your finances, an area you ought to handle cautiously, for your own sake. In addition, do not take everything people say at face value. Remain on your guard, because you run the risk of becoming the victim of a more or less serious swindle.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

R Frustrations and emotional wounds

Square ♂ Mars ♀ Venus

★★★★★ Valid from Wednesday 14 July 2021 till Wednesday 21 July 2021 included (particularly active on Sunday 18 July 2021, with an orb of 0°16')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

During this short period, you must harden your heart and protect yourself carefully against emotional traps. Indeed, you run the risk of being disappointed by those you love. You may also get the impression that everyone intends to harm you. It must be underlined that, despite everything, such attacks are not very serious and that, because you take everything to heart, you tend to pay too much attention to mere absent-mindedness and omissions devoid of malevolence.

Right now, do not strive to hold any thorny negotiation, and do not seek any reconciliation, because your high-strung disposition does not speak for you.

Watch your expenses, for the urge to splurge is nothing but a means to let off steam when your frustrations are overwhelming, and in the end, you will find yourself cluttered with items you do not like at all.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such

as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Dialogue and intuition

Conjunction ☾ Moon ♿ Mercury

★★★★★ Valid on Thursday 15 July 2021, with an orb of 2°03'

You can expect your relations to be favoured today. Your entourage don't have to spell things out since you are able to easily pick up what they mean. This acute intuition allows you to catch major information! For the time being, the best thing is to pretend you heard nothing, because tomorrow, what you have learnt will prove to be valuable. Do not hesitate to chat and to initiate dialogues, the stake of which will emerge only as the conversation goes by. A fortuitous encounter may trigger something off in your mind.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Hypersensitivity and intuition

☾ Moon in House VIII

★★★★★ Valid from Thursday 15 July 2021 till Saturday 17 July 2021 included

During this period, your intense emotions and deep feelings endow your inner and psychical life with extreme strength. You are hypersensitive and you can switch from laughter to tears with no real reason. Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Unless, enriched with all these emotions, you just let your creativity flow freely...

Authority, prestige and popularity

Conjunction ☾ Moon ☼ Sun

★★★★★ Valid on Friday 16 July 2021, with an orb of 1°42'

In your chart, the Sun and the Moon form a square: this conjunction is therefore mixed, and its effects may be two-edged, sometimes positive but sometimes ambiguous.

Your social life has the place of honour. Your qualities are acknowledged without your having to put yourself forward in an exaggerated way. You are in harmony with the ambient mood and you are able to

convince your entourage to follow a project that is well devised. You exude some kind of natural aura that reinforces your prestige and endows you with undisputable authority. Take advantage of this favourable astrological climate to implement smoothly the course of action you are dreaming of. You easily find your place within your social and professional environment.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Eloquence and promising steps

Trine ♀ Mercury ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Friday 16 July 2021 till Sunday 18 July 2021 included, this transit is repeated: it previously occurred from 21 March till 23 March (particularly active on Saturday 17 July 2021, with an orb of 0°28')

During several days, your eloquence and your poise in society are particularly strong. It is the right time to send out your administrative requests, to apply for a loan, or to seek financial support.

You are intellectually efficient. Even though your ideas may lack originality, they are reliable and earn the trust of your friends and relatives as well as of your higher-ups. If you are taking an exam, Lady Luck will smile on you, provided you do not put a cat among the pigeons.

You are very likely to experience pleasant encounters which will afterwards give you access to various groups of friends and thus contribute to widen the scope of your knowledge.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

R Recklessness and dangers of break-up

Square ♀ Mercury ♃ Uranus

★★★★★ Valid from Friday 16 July 2021 till Sunday 18 July 2021 included (particularly active on Saturday 17 July 2021, with an orb of 0°22')

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

During a few days, you must control your nervousness and moderate your somewhat excessive and reckless reactions. Sudden movements may provoke innocuous accidents and sprains; but all this can be avoided if you take your time and if you do not try to cope with too many things at the same time.

Your communication with your friends and relatives tend to be arduous. Unless you are willing to get involved in clashes, which is highly inadvisable, you are very likely to witness stormy discussions and heated debates between supporters of traditions and dyed-in-the wool modernists. The ensuing atmosphere is conducive to break-ups with friends or family members.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

★ Lack of clarity and danger of disruption

Square ♃ Jupiter MC Midheaven

★★★★★ Valid from Sunday 18 July 2021 till Wednesday 25 August 2021 included, this transit is repeated: it previously occurred from 18 April till 23 May (particularly active on Sunday 8 August 2021, with an orb of 0°01')

You are feeling ill at ease, misunderstood, and even ostracised by the members of your entourage, both at home and at work. Confronted with this stressful situation, you are tempted to start inopportune arguments and to worsen the climate.

It is preferable that you take stock of your past actions, that you become aware of the disorganisation prevailing in your plans, and that you sort out your budget if you do not want to be blamed for having sown discord around you.

For the time being, do not put forward any request, and do not seek people's support. You would express yourself with clumsiness, and you would not obtain what you are hoping for.

Pay special attention to your house, for incidents or unexpected deteriorations may occur, which may strain your finances.

Strength and clarity

Sextile ☉ Sun ♇ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Sunday 18 July 2021 till Thursday 22 July 2021 included (particularly active on Tuesday 20 July 2021, with an orb of 0°10')

This aspect, which occurs twice a year, is significant if it happens during a period of turbulence. It helps you discover unsuspected vital resources and, mocking the proprieties, to plough your furrow according to your wishes and your personal ethics.

You may even be able to discern your shadow zones (who doesn't have any!) and to turn your weaknesses into strengths. Although it is possible that you shine in a quite small coterie, your prestige will glitter more dazzlingly.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality

and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Idealism and need to escape

☾ Moon in House IX

★★★★★ Valid from Sunday 18 July 2021 till Monday 19 July 2021 included

Today, your horizon line is cloudless. You think big and it is with optimism that you consider the outer world. There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. You need to isolate yourself for a short while, so you can think, meditate, and perhaps, find the answers to your philosophical questions. Do you have a sudden desire for faraway travels? Should the opportunity arise, don't hesitate! Unless you are contented with long imaginary journeys, the departure of which you constantly postpone... In any case, you are far from material contingencies... What a great wisdom!

R Suggestibility and danger of deception

Square ♀ Venus ♃ Neptune (transit to a slow-moving planet) 

★★★★★ Valid from Monday 19 July 2021 till Thursday 22 July 2021 included, this transit is repeated: it previously occurred from 23 February till 26 February (particularly active on Wednesday 21 July 2021, with an orb of 0°25')

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

You are under the impression that you have no control on your love life, and that everything goes against your desires. Some of your appointments are most likely to be cancelled, which makes you sink into such perplexity that you start to doubt the affection and friendship people have for you.

Beware of your subjectivity, for during a few days, it will be at its highest level. Do not question strong affective bonds just because you have erroneous hunches.

You should tread cautiously with newcomers. Indeed, some of them intend to take you for a ride and to exploit your weakness and your candour.

Try to rein in your imagination, and channel it into an artistic activity.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

R Susceptibility and disenchantment

Square ♀ Venus MC Midheaven

★★★★★ Valid from Monday 19 July 2021 till Thursday 22 July 2021 included, this transit is repeated: it previously occurred from 23 February till 25 February (particularly active on Tuesday 20 July 2021, with an orb of 0°24')

This planet and the MC-IC axis are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

You are feeling that neither your private nor your professional lives are fully satisfactory. You are mainly preoccupied by annoyances caused by uncontrolled events, by the injustices you undergo, and by the comments aimed at you or at those you love.

Fatigue is sweeping over you, and you must make huge efforts in order to fight your disenchantment. Nevertheless, you must not pay excessive attention to the disagreements which are hurting your sensitivity, because your imagination tends to exaggerate their actual impact.

During these few days, refrain from making decisions about your family and your social life, for you may underestimate your possibilities, and you may confine yourself to an enclosed and dull universe.

Indeed, you dress up to the nines, you polish up your words, and you endeavour to meet influential people. It is certain that you will get the result you are aiming at, but you will have to keep your promises afterwards.

More generally, you may become a socially outstanding figure. You may also find your dream job, or get a promotion.

Daydreaming and good mood...

Conjunction ☾ Moon ☽ Moon

★★★★★ Valid on Friday 23 July 2021, with an orb of 0°55'

In your chart, the Moon receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You take advantage of a change in habits or situations and you enhance your daily life... You may pretext some unexpected obligations in order to get more freedom of action and spend this leisure time doing what you have not had the time to do. Your creativity occupies the place of honour! You tend to let go and to let destiny take action: if it is at all possible, allow the tide to carry you away and do not try to exceedingly control the situation.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Whims and nervousness

Opposition ♀ Mercury ☾ Moon

★★★★★ Valid from Friday 23 July 2021 till Sunday 25 July 2021 included (particularly active on Saturday 24 July 2021, with an orb of 0°11')

In your everyday life, you find it difficult to combine reflexion and reason with visceral emotional responses with the outside world, on the other hand. When you are taken by surprise, you can hardly stay calm and resist the urge to unleash harsh words or to manifest your more or less uncalled-for frenzy.

You may be forced to make a few last minute trips which will disrupt your family life or the organisation of your usual tasks. Nevertheless, you must cope with these chores. Avoid whimsical or demanding behaviours, because they would prove harmful in the long run.

With the women of your entourage, communication may be frustrating during a couple of days. Therefore, try to play down the importance of these temporary disagreements.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

R Tactlessness and irritability

Square ♂ Mars MC Midheaven

★★★★★ Valid from Saturday 24 July 2021 till Friday 30 July 2021 included (particularly active on Tuesday 27 July 2021, with an orb of 0°06')

This planet and the MC-IC axis are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

During a short period, you may be caught in crossfire. On the one hand, your professional activity requires a great deal of availability in order to tackle unexpected problems. On the other hand, owing to conflicts cropping up at home, the members of your family demand forcibly that you grant them more attention.

It is obvious that you are unable to struggle on many fronts at the same time. Instead of getting irritated, try to explain the situation with calm. Indeed, you get angry quickly, which improves the atmosphere neither at work, nor at home.

Beware of clumsy words. Do not criticise the people whom you deem incompetent, because you may lack leniency, and you run the risk of making enemies.

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

For the time being, you would be well-advised to postpone all the decisions you have to make, and to refrain from taking initiatives. Indeed, the least that one could say is that your understanding of the situation is neither clear nor logical.

Illusions are on the agenda. As if it were not enough to be absorbed in the contemplation of mere mirages, you are exceedingly influenced by gossips, bad suggestions, as well as by all sorts of blarney.

Beware of murky situations, of more or less pernicious balance of power, and in general, of anything that seems too good to be true. Do not build castles in the air, and do not listen to your intuitions. Similarly,

Right now, you are able to express your thoughts on a suggestive, evocative, poetic, or surrealistic tone which is well received by the members of your entourage. Whereas this transit cannot support your efforts aiming at improving your material situation, it can facilitate the exchange of affective messages and help your friends and relatives understand what you wish and what you plan to do. Moreover, instead of a detailed demonstration or a contrite justification, it can offer ideas on how to win the assistance of the members of your entourage, find wise advice, and sometimes even financial aid.

You make friends with people who do not belong to your usual circles, which will enrich the way you look at your fellow creatures. Your tolerance is strengthened by your interactions and by the captivating and moving testimonies provided by your new acquaintances.

Trine ☾ Moon ♀ Venus

★★★★★ Valid on Friday 6 August 2021, with an orb of 1°51'

It all starts with a moment of intimacy, a privileged minute that strongly boost your spirits! All of a sudden, everything becomes possible. You begin to dream of more poetry and your contagious

tactfulness commands your partner's respect. Let yourself be carried away by the tide since the outcomes can only be positive... During a few days, you may experience big communication issues. You may feel uncomfortable and clumsy whenever you have to express your thoughts. Moreover, the members of your entourage, who all have their own preoccupations, do not help you establish an open and constructive dialogue.

The organisation of daily duties is fraught with flaws and accumulated delays. This issue may be raised again and play tricks on you. The time has come to sort things out seriously, lest the situation should worsen.

It is most likely that misunderstandings plague your short trips, your mail as well as your telephone conversations and prevent you from doing what you have planned. Exercise some patience, and above all, do not try to force things.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Sensitivity all on edge...

Opposition ☾ Moon ☾ Moon

★★★★★ Valid on Friday 6 August 2021, with an orb of 2°08'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Clumsy communication

Square ♀ Mercury ♀ Venus

★★★★★ Valid from Saturday 7 August 2021 till Sunday 8 August 2021 included, this transit is repeated: it previously occurred from 8 March till 11 March (particularly active on Saturday 7 August 2021, with an orb of 0°57')

Your intellectual concerns or your worries prevent you from communicating as much as you would like to with your friends and relatives. Everyone remains on one's position, mulls over one's resentment or polishes one's plan of action.

You ought to respect this very fleeting desire for silence. Indeed, if you try to force people to speak up, it is most likely that they will answer you with quite acerbic words.

If you attend small meetings, avoid raising issues that are dear to your heart, and do not mention your romantic adventures, for indiscretions are highly probable and may put you in an awkward situation later on.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Your communication flows smoothly with the elderly as well as with people who are withdrawn and whom you cannot always reach out to.

You are aware of your subjectivity, and if you put your romantic needs in perspective, you will understand yourself more clearly.

You get closer to nice, cheerful, and radiant persons whose company you enjoy heartedly. Along the same lines, friendly and romantic relations are imbued with insouciance, tenderness, and sensuality.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

R Seductiveness and joie de vivre

Venus and Mars form a sextile in your natal chart: the harmonious effects of this conjunction are strengthened.

Your desire for harmony, for understanding, and for pleasure takes precedence over your struggles and your efforts. Therefore, your competitiveness may be quite weakened. However, you should use this transit to examine the people you do not appreciate too much, as well as those whom you consider as your possible contenders, in a more lenient light.

In general, thanks to your more laid-back and less aggressive behaviour, professional meetings unfold more smoothly, and working in cooperation with your colleagues becomes easier.

As promising encounters are looming on the horizon, you welcome them with a warm heart and great

open-mindedness. Your romantic life is placed under excellent omens. Shared happiness enables you to live in a perfect symbiosis with your partner.

This planet and the MC-IC axis are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

During several days, do not make any important decision concerning your professional life. Because you are clumsy and you tend to talk inconsiderately about subjects you do not master, you may incur the criticisms of your colleagues and of your higher-ups.

You may also be taken for an opportunist because you expose naively your plans and your projects. Since your silly mistakes may force you to redo everything from scratch, you ought to be more discreet and to make fewer blunders.

Lack of communication spoils the climate at home. Be more flexible with the members of your family, and stop harping on the setbacks you undergo outside.

R Gullibility and blunders

Square ♀ Mercury ♃ Neptune (transit to a slow-moving planet)

You must at least check the plausibility of the proposals people put forward, otherwise you will become a perfect victim for unscrupulous crooks.

You must also get all your ducks in a row. Also ascertain that you have locked the door of your house or of your car. If you have to contact someone or if you must start a procedure, you must double-check the time and the venue of your meeting before you leave.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Your decisions win unanimous support, and your vitality is excellent. You are able to withstand a very intense pace in your work, and if you are suffering from an illness, your health will improve.

It is probable that all the claims and requests you filed with the authorities will be accepted, and that your financial investments will rapidly yield significant profits.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

If you have difficulty in asserting your views, you may get the impression that you are back to square one, bogged down by the same old shyness, and that you have no idea how to break the deadlock.

An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Your need to express your joie de vivre and to lavish your affection comes up against weighty requirements such as propriety, gossips, conformism, or selfishness. Your lack of intuition may be partially responsible for this situation. Since you are unable to grasp the nature of the person you are dealing with, you may be too spontaneous, and your exuberance may shock a few people.

On the romantic area, you are longing for adventures, and you are easily blinded by enjoyable short-lived affairs. But here also, external circumstances may force you to control your impulses.

You should constantly demonstrate diplomacy. Moreover, do not commit yourself with people you do not know, and do not waste your energy on your friends or your family members, with whom you will be given the opportunity to prepare a few festivities.

Opposition ☾ Moon ♀ Venus

★★★★★ Valid on Friday 22 October 2021, with an orb of 1°33'

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

★★★★★ Valid on Sunday 24 October 2021, with an orb of 0°18'

These planets are linked by a square in your natal chart: the harmonious effects of this transit may be lessened.

In your chart, the Sun receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

During several days, you behave with shrewdness when you have to talk about yourself, to show yourself to advantage, or to present your achievements and your projects in the best possible light.

Your sensitivity becomes even more exacerbated, and you shift from cheerfulness to sullenness at the drop of a hat. Rein in your reactions, because biased by your subjectivity, you may turn all events into tragedies.

Do not let your adversaries pull the rug from under your feet without reacting. A dash of passion is all it takes to help you feel good about yourself.

During several days, nervousness and incomprehension lie at the root of the misunderstandings opposing you to your family, more particularly to the children who are close to you.

Although you are stirred by deep emotions, you cannot find the words to express them. They get stuck in your throat, which puts you in a despondent mood. You have the propensity to underestimate the time required to attend to your usual duties. Take this fact into account, in order not to be snowed under with a backlog of work.

You need to be more flexible and more open to suggestions coming from your friends and relatives since they will be very helpful. Forgetfulness or Freudian slips may weaken your communication. You ought to strive to develop more self-control.

Your November Forecast 2021

Exacerbated sensitivity

Conjunction ☾ Moon ♂ Mars

★★★★★ Valid on Monday 1 November 2021, with an orb of 2°02'

The Moon and Mars form a trine in your natal chart: the harmonious effects of this conjunction are strengthened.

Your fighting spirit overcomes adversity. You win a battle through sheer energy. It has absolutely nothing to do with triumphing diplomacy, far from that! It is about the victory of determination and persistence. You did not give in, you did not weaken and events prove you right. Now, you can confess that you were not far from the point of no-return... The positive outcome: the impetus is restarted and hurdles are removed. Your fighting spirit seems to be the source of a significant evolution.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

R Irritation and extreme feelings

Square ♀ Venus ♁ Pluto (transit to a slow-moving planet)

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Your affective relations are under stress. You must become aware of your inner aggressiveness instead of suppressing it and denying it in spite of everyone. Indeed, even though you refuse to recognise it, it rules the majority of your actions. It may prompt you to utter offensive words, the impact of which you do not grasp. It may also arouse suspicions and give rise to fatalism.

Your desires and your sensuality are temporarily inhibited. You are frightened by their intensity, and you easily lose your self-control when you are in the presence of your friends and relatives.

Destabilizing anxiety, fears and distress follow one another and upset you to the extent that you always imagine the worst scenario. Is there a delay? You immediately think of an accident... Does your partner exchange a glance with someone else? You think that love is gone... Is it the reality or only your imagination playing tricks on you? You want to understand the reasons behind your deep insecurity but you seem to lack clear-sightedness. Don't search any longer! Your imaginary world is a bit intrusive and your fears are totally unwarranted. Remain Zen...

★ Originality under control

Trine ♃ Saturn ♅ Uranus

★★★★★ Valid from Tuesday 2 November 2021 till Friday 31 December 2021 included, this transit is repeated: it previously occurred from 9 July till 18 September (particularly active on Wednesday 8 December 2021, with an orb of 0°01')

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

The conjuncture gives you the opportunity to prove your worth and to have your talents acknowledged. You are requested to be specific and to show your spirit of enterprise as well as your independent thinking. Although your decisions are sometimes too clear-cut, they are always judicious and deeply appreciated. You gradually learn to go it alone, which you will find a very rewarding experience.

You manage to combine your eagerness for novelty with your tried and tested know-how. You behave with wisdom, and you fully exploit all the support and all the proposals that your achievements have earned you.

You are able to maintain a good balance in your daily life. Your health improves as you eliminate unnecessary stress.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Authority issues or external pressures

Square ♄ Saturn ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Thursday 4 November 2021 till Friday 31 December 2021 included, this transit is repeated: it previously occurred from 8 July till 16 September (particularly active on Thursday 9 December 2021, with an orb of 0°01')

Resistance, limitations, or delays disorganise your programme of action. Your authority or your qualifications may be called into question, and you may be asked to provide many details in order to spur you on to study several topics more thoroughly. This situation does not suit you. It makes you feel uncomfortable because you have the feeling that people want to prevent you from progressing.

In order to deal with this turning point as well as possible, lie low for the moment, and refrain from fighting for projects you do not really believe in. Ponder over your methods so that you do not get stuck in the rut of routine, voluntarily or as a consequence of external pressures.

You must also cut down a few expenses and postpone some of the purchases you are considering.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Idealism and need to escape

☾ Moon in House IX

★★★★★ Valid from Thursday 4 November 2021 till Friday 5 November 2021 included

Today, your horizon line is cloudless. You think big and it is with optimism that you consider the outer world. There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. You need to isolate yourself for a short while, so you can think, meditate, and perhaps, find the answers to your philosophical questions. Do you have a sudden desire for faraway travels? Should the opportunity arise, don't hesitate! Unless you are contented with long imaginary journeys, the departure of which you constantly postpone... In any case, you are far from material contingencies... What a great wisdom!

Insouciance and lack of tact

Square ♀ Venus ♀ Mercury

★★★★★ Valid from Friday 5 November 2021 till Tuesday 9 November 2021 included, this transit is repeated: it previously occurred from 2 June till 5 June (particularly active on Sunday 7 November 2021, with an orb of 0°15')

If your emotional responses are exaggerated, they may temporarily damage your communication with your friends and relatives. You tend to get easily distracted and to behave with insouciance. Moreover, you do not really listen to the information conveyed to you. Whenever you express yourself, you can hardly resist the temptation to open your heart to people you barely know.

You may be indiscreet or disclose your little secrets inadvertently. Out of laziness, you may also postpone a procedure, a telephone call, or urgent mails. Therefore, you must set yourself a detailed timetable and use it as your safeguard against procrastination.

You are willing to meet with all sorts of people, but the majority of your relations remain quite shallow.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

R Criticisms and carelessness

Square ♂ Mars AS Ascendant

This planet and your relationship AS-DS axis are linked by a sesqui-quadrate in your natal chart: the negative effects of this transit may be slightly increased.

The atmosphere is fraught with tensions, bad mood, and constant claims. Your professional partners, or

your spouse if you are married, remain unyielding and are quick to criticise your initiatives. You behave similarly.

As a result, there will be many squabbles or caustic words. Therefore, it is preferable that you momentarily keep your distance. The aggressiveness marking your relations may be more upsetting than you think. Should the case occur, you must not let off steam by abusing people or by practicing risky physical activities, because you cannot fully control your reflexes.

You highly value your small daily victories.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

R Emotions and feelings, such pleasant moments...

Conjunction ☾ Moon ♀ Venus

★★★★★ Valid on Friday 5 November 2021, with an orb of 0°29'

In your chart, Venus receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous. However, these planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

The Moon travels on your natal Venus and your heart is pounding wildly! Everything is conducive to romanticism and finer feelings. Flights of lyricism are on the agenda, of course, provided that you want to find the suitable partner who will understand your frame of mind. In any case, there is little room today for half-hearted and dull loves... You deploy a formidable arsenal of seduction and you play around with lots of tact. Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Today, you feel fine, balanced, at peace with yourself and you are willing to show yourself in the most favourable light. Your feelings, your emotions and your imagination are increased and you perceive the world around you in a very personal way. Like a radar picking up your close friends' feelings, you need to be in tune with them, you share their happiness or you find the right word to comfort them. You are always there when you are needed and you are caring. Nevertheless, be careful not to become overwhelmed. This lovely day belongs to you, therefore take care of yourself and have fun!

Gloom and loneliness

Opposition  Sun  Saturn (transit to a slow-moving planet)

★★★★★ Valid from Thursday 11 November 2021 till Monday 15 November 2021 included (particularly active on Saturday 13 November 2021, with an orb of 0°12')

These planets are linked by a bi-quintile in your natal chart: the negative effects of this transit may be slightly lessened.

For the moment, you have no desire to show yourself to advantage. You prefer to remain withdrawn even though, deep down, you know pretty well that your state of mind is not at all constructive. You yearn for seclusion, granted. But do not drag your entourage into a world of gloom.

In the professional area, the current climate is adverse to the recognition of your merits. Indeed, whereas people are looking for ostentation, you offer seriousness. Therefore, you must be patient and quiet, because the wind will shift soon.

Physically speaking, you feel exhausted. You should take vitamin supplements, because it is excellent for you.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Enterprising spirit and strong vitality

Sextile ☉ Sun ♂ Mars

★★★★★ Valid from Friday 12 November 2021 till Tuesday 16 November 2021 included, this transit is repeated: it previously occurred from 12 July till 16 July (particularly active on Sunday 14 November 2021, with an orb of 0°11')

Your initiatives are most likely to be fruitful. You are brimming with energy, and you are self-assured. You use convincing arguments in order to lead your entourage where you want. Conjunction ☉ Sun ♀ Venus

In your chart, Venus receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

During several days, you will be brimming with charm. People will talk about you, will pamper you, and will praise you. However, be wary of fawners, and do not make promises you cannot fulfil.

To reach your primary aims, if you show diplomacy and subtlety, you will gain the support of an influential person. If you practice an artistic activity, your works will be well received.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Thin-skinned

Square ♀ Venus ♃ Uranus

★★★★★ Valid from Saturday 13 November 2021 till Thursday 18 November 2021 included, this transit is repeated: it previously occurred from 8 June till 11 June (particularly active on Monday 15 November 2021, with an orb of 0°23')

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another

planet, assuming that the configuration is identical.

Your affective impulses and needs are clashing with the harsh, cold, and authoritarian or sectarian attitudes of some of your friends and relatives. Far from giving things their actual importance, you take them to heart. This temperament stirs in you sudden, simultaneous, and extreme feelings shifting from sympathy to antipathy.

Spare your sensitivity, and do not believe that you can be happy only when you are facing disconcerting, upsetting, and extravagant situations.

If you are a member of an association or a club, you may react with animosity to some of its participants. Do not display such feelings, because they are neither deep nor long-lasting.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Optimism and affective impulse

Sextile ♀ Venus ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Saturday 13 November 2021 till Thursday 18 November 2021 included, this transit is repeated: it previously occurred from 28 July till 31 July (particularly active on Tuesday 16 November 2021, with an orb of 0°20')

You feel good about yourself. Moreover, you are cheerful, and optimistic. You rein in the affective impulses which may be harmful, and you manage control yourself while remaining open and warm.

You are very much sought after, and your friends and relatives give you comforting tokens of affection. Outings and leisure trips offer the opportunity to deeply appreciate the beauties which strike a chord in you and stimulate your vitality as well as your confidence in life.

The protection and the support you are granted can contribute to improve your professional status. The purchases that you are planning are wise and will turn out to be excellent investments.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

R Empathy and understanding

Sextile ☉ Sun ☾ Moon

★★★★★ Valid from Saturday 13 November 2021 till Wednesday 17 November 2021 included, this transit is repeated: it previously occurred from 11 March till 15 March (particularly active on Monday 15 November 2021, with an orb of 0°28')

These planets are linked by a square in your natal chart: the harmonious effects of this transit may be lessened.

You will feel in great shape during several days. You show your solidarity to your family, and whenever a relative requires your help, you respond positively, with determination and energy.

The decisions you take regarding the organisation of your routine are good, because they enable you to save time and to increase your efficiency. You are self-confident, you manage to have all doors opened for you, and you are capable of promoting yourself with brio and warmth.

You get along very well with your romantic partner.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Unreasonable expenses...

☾ Moon in House II

★★★★★ Valid from Sunday 14 November 2021 till Tuesday 16 November 2021 included

Attention, place your bets... Rien ne va plus... Financial worries are on the agenda! A friend who lent you money shows up because he wants it back? You receive a call from your banker informing you that you overspent this month? The expected salary increase is put off? Whatever the reason, you are worried and in a bad mood because you don't know how you can solve these problems quickly. In order to forget them, you may be tempted to buy yourself a few presents, but you must beware of "compulsive shopping"! It may be more reasonable to postpone until tomorrow...

Sensitivity all on edge...

Square ☾ Moon ☾ Moon

★★★★★ Valid on Tuesday 16 November 2021, with an orb of 0°49'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of

mind.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Contacts and pleasant short trips

☾ Moon in House III

★★★★★ Valid from Wednesday 17 November 2021 till Thursday 18 November 2021 included

During this period, you feel like moving around, discovering and learning. Although you probably dream of faraway horizons, short trips are enough to make you happy. Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. In any case, you can't be stopped just like that ...

Strength and clarity

Sextile ☉ Sun ♃ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Thursday 18 November 2021 till Sunday 21 November 2021 included, this transit is repeated: it previously occurred from 18 July till 22 July (particularly active on Friday 19 November 2021, with an orb of 0°26')

This aspect, which occurs twice a year, is significant if it happens during a period of turbulence. It helps you discover unsuspected vital resources and, mocking the proprieties, to plough your furrow according to your wishes and your personal ethics.

You may even be able to discern your shadow zones (who doesn't have any!) and to turn your weaknesses into strengths. Although it is possible that you shine in a quite small coterie, your prestige will glitter more dazzlingly.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

R Intellectual efficiency

Sextile ♀ Mercury ♂ Mars

★★★★★ Valid from Thursday 18 November 2021 till Saturday 20 November 2021 included, this transit is repeated: it previously occurred from 23 July till 25 July (particularly active on Friday 19 November 2021, with an orb of 0°39')

These planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

You display self-confidence when you participate in a discussion or when you carry out an intellectual work. You mainly concentrate on your projects, you progress in leaps and bounds, and you get rid of pointless details and frills. This attitude is fruitful. It enables you to do an excellent job within a short time span. Moreover, it helps you assert yourself during heated conversations.

This is the right time to claim your dues and to take difficult steps. If you work as an intern, you will find your training very enriching, because you smoothly fit in the team and you are highly competent when you are in the field.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Hindrances and negative thoughts

Opposition ♀ Mercury ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Thursday 18 November 2021 till Saturday 20 November 2021 included (particularly active on Friday 19 November 2021, with an orb of 0°19')

The climate is not too promising. You are expected to socialise and to get involved in exchanges which you consider futile and which impede your need for seclusion. Similarly, in your work and your studies, you are willing to go at your own pace, but events concur to force you to rush, which brings about careless mistakes and oversights.

Nevertheless, try to preserve a few moments of solitude during which you are protected against all sorts of mishaps and disruptions. Otherwise, you may become ill-tempered and unable to complete what you have to do within the deadlines.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Social and professional help

Conjunction ☉ Sun MC Midheaven

In your chart, The Midheaven receives a semi-square from the Sun: therefore, this conjunction is mixed, and its effects may be double-edged, sometimes positive but sometimes slightly ambiguous

Although this aspect occurs once a year only, it is far from being insignificant, especially if other planets are propelling you forward. Indeed, you dress up to the nines, you polish up your words, and you endeavour to meet influential people. It is certain that you will get the result you are aiming at, but you will have to keep your promises afterwards.

More generally, you may become a socially outstanding figure. You may also find your dream job or get a promotion.

Warmth and easy contacts

Conjunction ♀ Mercury ♀ Venus

★★★★★ Valid from Thursday 18 November 2021 till Sunday 21 November 2021 included (particularly active on Friday 19 November 2021, with an orb of 0°44')

In your chart, Venus receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

Right now, you are driven by the desire to communicate. Your behaviour is warm, welcoming, and tactful. You disclose your wishes in a level tone, and you persuade your friends and relatives to share your leisure and your distractions.

The barometer points to cheerfulness, insouciance, and understanding. You analyse clear-sightedly your feelings and, although you do not repress them, you manage to control them so that they do not overwhelm your thoughts and upset the straightforward and cordial communication you want to establish around you.

The period is auspicious for cultural and artistic outings, for drafting sensitive mails, as well as for starting attempts to conciliate, or reconcile with, people who are usually difficult to deal with.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

In your chart, Neptune and the Sun form a semi-square: this conjunction is therefore mixed, and its effects may be two-edged, sometimes positive but sometimes slightly ambiguous.

The level of your self-confidence enables you to speak on behalf of your loved ones, of your family, of your working group. More generally, you are willing to stand up for a collective ideal. You are very inspired, and your statements are impressive.

Nevertheless, you must avoid the traps some people may set. Be careful not to act against your interests, and beware of the shams which, right now, are particularly dazzling.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

You won't be trapped as your sensitivity on the alert endows you with a sixth sense. No matter how complex the situation may be, you play your game well.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. During this period, if you must express yourself verbally or in writing, you will by instinct use simple, clear, and persuasive words. Therefore, you will be able to enlarge the scope of your audience and convince them to adopt your ideas.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

 Moon in House IV

★★★★★ Valid from Friday 19 November 2021 till Saturday 20 November 2021 included

How great it is to be at home! Today, you want to enjoy the comfort and gentleness of your home where you feel good and in security. There, you can dream at leisure of the improvements you want to bring to your cosy little nest for the sake of your family's well being, unless you prefer to dive in the nostalgia of your souvenirs and your photo albums... If you are in a more active mood, you may want to clean up the house from floor to ceiling or you may try to implement your lovely arrangement and decoration ideas... In short, the atmosphere is nice and, if your close friends share your activities, you experience a deep feeling of inner peace.

Your whims, your mood swings, or your extreme touchiness may make you come across as a weathercock. Do not straight away follow your emotional impulses, because they are harmful. At work, you may be blamed for being thoughtless and for lacking dynamism.

The current circumstances prompt to laziness. Granted. However, you must not neglect the duties you are entrusted with. It is possible that a father figure or a supervisor inflicts a blow to your self-esteem.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. R Extravagant behaviour and clumsy attitude

Opposition ♃ Uranus ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Saturday 20 November 2021 till Friday 31 December 2021 included, this transit is repeated: it previously occurred from 15 February till 26 May (particularly active on Friday 31 December 2021, with an orb of 1°17')

These planets are linked by a semi-sextile in your natal chart: the negative effects of this transit may be slightly lessened.

You are striving to attract attention, to increase your efficiency, and to gain more autonomy. Unfortunately, you may go about it clumsily, disrupting routine and hierarchical structures. Sometimes you even step outside the law.

Actually, one may wonder if your hectic and extravagant behaviour is not caused by the secret fear to be entrusted with the responsibilities that you are unwilling to take on for the time being. You rebel, you give your opinion all the time, but you are not convincing enough. Therefore, if you really want to introduce changes into your social life, you must review the overall situation and examine the concrete means at your disposal.

Under the influence of this transit, you tend to overspend. Closely watch your budget, and do not invest the money that you have not yet earned.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

During several days, your gesticulations are very unlikely to yield satisfactory results. Do not listen to your impulses, for they are too contradictory and cannot show you which path you should follow.

Likewise, avoid getting overly enthusiastic in the course of your private discussions. Indeed, you lack subtlety, and you tend to blow out proportion of the slightest remark aimed at you. Your nervousness may play tricks on you, and your clumsiness may be the cause of falls or of unintentional breakages. Learn to relax and to wait until certain situations become fully ripe before you intervene.

★ Lack of clarity and danger of disruption

Square ♃ Jupiter MC Midheaven

★★★★★ Valid from Wednesday 8 December 2021 till Friday 31 December 2021 included, this transit is repeated: it previously occurred from 18 July till 25 August (particularly active on Tuesday 21 December 2021, with an orb of 0°04')

You are feeling ill at ease, misunderstood, and even ostracised by the members of your entourage, both at home and at work. Confronted with this stressful situation, you are tempted to start inopportune arguments and to worsen the climate.

It is preferable that you take stock of your past actions, that you become aware of the disorganisation prevailing in your plans, and that you sort out your budget if you do not want to be blamed for having sown discord around you.

For the time being, do not put forward any request, and do not seek people's support. You would express yourself with clumsiness, and you would not obtain what you are hoping for.

Pay special attention to your house, for incidents or unexpected deteriorations may occur, which may strain your finances.

★ Commitment and conquering spirit

Conjunction ♂ Mars MC Midheaven

★★★★★ Valid from Wednesday 8 December 2021 till Tuesday 14 December 2021 included (particularly active on Saturday 11 December 2021, with an orb of 0°02')

The Midheaven and Mars form a sextile in your natal chart: the harmonious effects of this transit are increased.

You are determined to take action, to show your worth in the field, and to demonstrate what you are capable of. In the professional area, you may be entrusted with a delicate task which requires your entire dedication and which will make you very happy.

You are persistent and persuasive. You manage to convince people to abide by your instructions. You are earning a reputation of courage, energy, and efficiency even though, right now, you have not yet received any tangible reward.

You must be very careful if remarkable deeds are not too appreciated in your professional activity. In such a case, your unused vitality will turn into bad mood, and you will take it out on your colleagues or your supervisors. Keep your cool, and control your fits of anger.

Action and inspiration

Conjunction  Mars  Neptune (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 8 December 2021 till Wednesday 15 December 2021 included (particularly active on Saturday 11 December 2021, with an orb of 0°18')

In your chart, Neptune receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You are driven by a fantastic energy, and you feel the desire to take action in order to defend and to promote the ideals dear to your heart. However, confusion prevails in your mind, and you move forward in a vagueness which is not suitable for the rapid achievement of your ambitions.

If your initiatives involve artistic, human, or spiritual matters, you will be much more inspired. Lightning intuitions point at the path to follow. If you have been considering studying disciplines which are a bit weird, the time has come to take the plunge.

You can also impose yourself by making decisions on behalf of a group of friends, of colleagues, or of like-minded people. Nevertheless, you must remain cautious, because unexpected hurdles may suddenly arise from the fog.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Gentle way of life and good mood

 Moon in House I

★★★★★ Valid from Wednesday 8 December 2021 till Friday 10 December 2021 included

Today, you feel fine, balanced, at peace with yourself and you are willing to show yourself in the most favourable light. Your feelings, your emotions and your imagination are increased and you perceive the world around you in a very personal way. Like a radar picking up your close friends' feelings, you need to be in tune with them, you share their happiness or you find the right word to comfort them. You are always there when you are needed and you are caring. Nevertheless, be careful not to become overwhelmed. This lovely day belongs to you, therefore take care of yourself and have fun!

Slackening and temptations

Square  Jupiter  Neptune (transit to a slow-moving planet)

★★★★★ Valid from Friday 10 December 2021 till Friday 31 December 2021 included, this transit is repeated: it previously occurred from 14 July till 23 August (particularly active on Thursday 23 December 2021, with an orb of 0°04')

During this period, you may let yourself sink into slackening and carelessness. You are unable to force yourself to stick to any sort of discipline. Therefore, if you are taking tranquillisers, tobacco, alcohol, or

any type of drugs, you must be careful not to become an addict.

In the romantic area and in society, you play with appearances. You abuse your powers of seduction, and you resort to blandishments too often. Do not make promises that you do not intend to keep, and beware of the enchanted feelings you arouse.

Your general tendency to be scatterbrained and messy affects the management of your finances, an area you ought to handle cautiously, for your own sake. In addition, do not take everything people say at face value. Remain on your guard, because you run the risk of becoming the victim of a more or less serious swindle.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

R Bitterness and danger of dispute

Square ♀ Mercury ♃ Pluto (transit to a slow-moving planet) 

★★★★ Valid from Saturday 11 December 2021 till Monday 13 December 2021 included, this transit is repeated: it previously occurred from 8 July till 11 July (particularly active on Sunday 12 December 2021, with an orb of 0°16')

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

During several days, strive not to express your anger, your grudge, or your bitterness. Discussions about past squabbles are unwelcome, as they would only rub salt in the wounds and trigger new demands.

In the course of a meeting or of a short trip, and when you draft a mail, or when you talk over the telephone, keep your subconscious under control. Indeed, it may speak louder than your mind and prompt you to disclose desires that should be kept secret.

Do not get involved in people's disputes, for you would be blamed for meddling in their affairs. Instead of settling the situation, you would only inflame it, due to the distorted perception you have of people and of their real motivations.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Unreasonable expenses...

☾ Moon in House II

★★★★★ Valid from Saturday 11 December 2021 till Monday 13 December 2021 included

Attention, place your bets... Rien ne va plus... Financial worries are on the agenda! A friend who lent you money shows up because he wants it back? You receive a call from your banker informing you that you overspent this month? The expected salary increase is put off? Whatever the reason, you are worried and in a bad mood because you don't know how you can solve these problems quickly. In order to forget them, you may be tempted to buy yourself a few presents, but you must beware of "compulsive shopping"! It may be more reasonable to postpone until tomorrow...

Clumsy communication and physical rashness

Square ☉ Sun ♂ Mars

★★★★★ Valid from Sunday 12 December 2021 till Thursday 16 December 2021 included, this transit is repeated: it previously occurred from 11 June till 15 June (particularly active on Tuesday 14 December 2021, with an orb of 0°11')

During a few days, you should avoid getting involved in quarrels which do not concern you. Indeed, you may utter outrageous or clumsy words, you may make brusque movements, and you may throw a tantrum. Because you are unable to control yourself, you are most likely to express your rebellion and your bitterness too forcefully.

Stormy exchanges of viewpoints with a father figure or with elder brothers are looming and should be avoided if possible, for nothing good can come out of such clashes.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

R Charm and magnetism

The members of your entourage accept quite well the changes you have undertaken, and no matter how bitter the pill to swallow is, you manage to present it in the most attractive manner.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Sensitivity all on edge...

Square ☾ Moon ☾ Moon

★☆☆☆☆ Valid on Monday 13 December 2021, with an orb of 2°07'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

R Spirit of repartee and numerous contacts

You clear up old misunderstandings effortlessly, you initiate rapprochements, you spur stragglers to speed up and thus, you save a lot of valuable time for the next phase of your projects.

You can't be bothered to adjust to the prevailing concerns, and you shake up people's usual way of

thinking by asking mind-boggling questions.

This is a quite promising period for all types of manual works.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. During a few days, your intellectual fitness is quite unlikely to be at its top level. You feel that some of the data on which you base your reasoning are difficult to grasp. Do not make useless efforts, and wait until you feel more self-assured, otherwise you may be forgetful and make blunders which are harmful to your communication.

Likewise, control your nervousness. Because you stretch yourself too thin, you get rapidly overwhelmed. Try to be as precise as possible in your remarks, and temporarily avoid discussions on matters which are dear to your heart, because nothing positive will come out of them.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Minor misunderstandings ahead

☾ Moon in House III

★★★★★ Valid from Tuesday 14 December 2021 till Thursday 16 December 2021 included

It seems that good mood is not accepted during this period and that you find it hard to communicate. Exchanges with your entourage are marked with distrust and they weigh heavy on you. You don't find the words you need to explain yourself and misunderstandings may lead to quarrels. Therefore, don't start discussions that result in nothing positive and save your arguments for better days. If you prefer to isolate yourself and make a break, you are right because, as you know well, sometimes, silence is golden...

To make the most of this transit, devote yourself to your family, and invite old friends you lost sight of. Recalling the past is enjoyable, and you can have a good time in a cosy and quiet atmosphere.

People you have known for a long time send tokens of affection to you, and their words strengthen even more the bonds existing between you and them.

This aspect, which occurs twice a year, may help you untangle the hank produced by other influences taking place simultaneously. In a way, you have a split personality, and you face your most secret desires, sometimes the least acceptable ones.

This has nothing to do with madness. This is about becoming aware of shortcomings in your usual behaviour which, unconsciously, cause the failure of some of your undertakings. This transit urges you to set things right.

There, you can dream at leisure of the improvements you want to bring to your cosy little nest for the sake of your family's well being, unless you prefer to dive in the nostalgia of your souvenirs and your photo albums... Thrills are on the agenda! Were you seeking intense emotions? There you are. Nevertheless, amid this idyllic climate, clear-sightedness remains indispensable. A glitch is all it takes to jeopardize your plans, a minor incident, the regrettable consequences of which develop as time goes by. Therefore, it is advisable to anticipate and to avoid traps right from the start. Hold back your impatience because feverishness may block the energies of the day. More than ever, self-control is indispensable.

In your natal chart, Uranus is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

During a few days, you must control your nervousness and moderate your somewhat excessive and reckless reactions. Sudden movements may provoke innocuous accidents and sprains; but all this can be avoided if you take your time and if you do not try to cope with too many things at the same time.

Your communication with your friends and relatives tend to be arduous. Unless you are willing to get involved in clashes, which is highly inadvisable, you are very likely to witness stormy discussions and heated debates between supporters of traditions and dyed-in-the wool modernists. The ensuing atmosphere is conducive to break-ups with friends or family members.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. During several days, your eloquence and your poise in society are particularly strong. It is the right time to send out your administrative requests, to apply for a loan, or to seek financial support.

You are intellectually efficient. Even though your ideas may lack originality, they are reliable and earn the trust of your friends and relatives as well as of your higher-ups. If you are taking an exam, Lady Luck will smile on you, provided you do not put a cat among the pigeons.

☾ Moon in House V

★★★★★ Valid from Saturday 18 December 2021 till Sunday 19 December 2021 included

Today, the danger is that you may indulge in wishful thinking. Therefore, if you want to avoid disappointments, don't get worked up too quickly, especially in the romantic area, and keep your feet on the ground as firmly as possible because your imagination tends to amplify everything. Conversely, you may mistake your fears for the reality. Are you afraid to be less loved? Dispel your worries because love and the simple joys of life remain available, it is just that you have some difficulty in seeing them clearly. Don't worry so much, tomorrow is another day and all your concerns would have vanished...

For quite various reasons, right now, your words do not reflect your real thoughts. This is unintentional and may result from a wrong evaluation of your capacities, and from your interlocutor's state of mind. Nevertheless, even though it is devoid of any cunning, this lack of frankness makes you waste a lot of time. Indeed, it is absolutely certain that, if you declare that you are not seeking such and such benefit, no one will care to offer it to you.

Your vitality is low. It is mainly caused by nervousness, unbalanced diet, and irregular sleep.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
