# Detailed Grand Horoscope 2025 for Timothée Chalamet

## Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones, except for the cases of the transits to the slow planets (Jupiter, Saturn, Uranus, Neptune, and Pluto). In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- a yellow star indicating that the transit is important (for Jupiter, Saturn, Uranus, Neptune, or Pluto) or mildly important (for Mars), contrary to the fast-moving planets (the Moon, Mercury, Venus, and the Sun) which have no icon, because they are less important, or quite secondary,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance, such as a collective transit. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact,

- the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

The new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Moreover, "collective" transits, i.e. transits to slow-moving planets, are now displayed - even though they are not very active - except for the Moon, because she moves too fast and exerts no significant influence over slow-moving planets.

Besides, our detailed forecasts take into account what is referred to as "slow transits", the most important ones, since they last a long time and are generated by Pluto, Neptune, Uranus, Saturn, Jupiter, and Mars to a lesser extent, and by "fast transits", i.e. those of Mercury, Venus, and the Sun. This means that this report provides at the same time a forecast report and a real diary for small events and feelings.

Slow transits reveal the future climate you may experience and/or feel, whereas fast transits bring about minor fluctuations, although sometimes they may be active. This is the reason why the titles of the slow transits texts are underlined, which is not the case for fast transits; they should be considered as an addition to the main forecasts indicated by slow transits.

Important remark: certain paragraphs are repeated, especially those of the Moon, who moves rapidly and travels around the zodiac in less than a month. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8-9. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

# Your January Forecast 2025

Imagination, compassion, and popularity

Conjunction ♃ Neptune ☾ Moon

★★★★★ Valid from Wednesday 1 January 2025 till Sunday 30 March 2025 included (particularly active on Thursday 2 January 2025 and on Friday 3 January 2025, with an orb of 0.00')

In your chart, the Moon receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous. However, these planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

You are under the powerful influence of your imaginary world. You have the magic talent to beautify the persons and the things you look at. Deep down, you are stirred by intense emotions that you can hardly explain to people.

Your sweetness, your compassion, and your tolerance are considerably heightened, as well as your candour and your malleability. Therefore, you must be careful not to confuse your dreams with reality.

If you practice a commercial activity, the number of your customers will increase. If your profession puts you in contact with children, you will devote a great deal of energy on them. You need few words to understand what they expect from you. However, you must not show your weak spots.

You may experience a storybook romance, a quite unusual and bohemian one. You may handle many simultaneous love affairs because you dread being forced to tie the knot.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

## Optimism and affective impulse

Sextile ♀ Venus ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 1 January 2025 till Friday 3 January 2025 included (particularly active on Wednesday 1 January 2025, with an orb of 0°15')

You feel good about yourself. Moreover, you are cheerful, and optimistic. You rein in the affective impulses which may be harmful, and you manage control yourself while remaining open and warm.

You are very much sought after, and your friends and relatives give you comforting tokens of affection. Outings and leisure trips offer the opportunity to deeply appreciate the beauties which strike a chord in you and stimulate your vitality as well as your confidence in life.

The protection and the support you are granted can contribute to improve your professional status. The purchases that you are planning are wise and will turn out to be excellent investments.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

## Clarity and calculated risks

Trine  Mars  Pluto (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 1 January 2025 till Tuesday 7 January 2025 included (particularly active on Wednesday 1 January 2025, with an orb of 0°05')

You are endowed with a fantastic energy, a great capacity to resist constraints and pressures, and a sheer persistence aiming at the achievement of your ambitions. You feel the need to confront danger, and you are extremely happy when you are taking risks. Fortunately, you evaluate the situation perfectly well, and you do not overestimate your strength.

Your initiatives, which may seem adventurous to some people, have every chance to succeed.

In the financial area, the period is good for taking gambles and for implementing drastic changes in your activities and your budget.

You do as you please, and you manage to identify those who want to harm you. You will do them no favours, and you will get away from them for good.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

## Sharp mind and original ideas

Trine  Uranus  Mercury

★★★★★ Valid from Wednesday 1 January 2025 till Friday 2 May 2025 included (particularly active on Sunday 16 March 2025, with an orb of 0°01')

In your natal chart, Mercury is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

Throughout this period, all the studies and researches you carried out in the past are very likely to bear fruit. The more you have devoted yourself to unusual and unknown areas, the more you become able to highlight the worth of your knowledge and the quality of your work. This holds true also if your field of competence is related to the latest breaking news.

You may feel the need to take the floor and to express your views with clarity and courage. You are able to stand up for isolated or excluded groups. Moreover, you can shrewdly fight hypocrisies and intolerant

and retrograde attitudes.

This transit is auspicious for your short trips and for your new contacts. It is very likely that they will be established rapidly, without ambiguity and without hesitation on both sides.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

## Susceptibility and disenchantment

Square ♀ Venus MC Midheaven

★★★★★ Valid from Wednesday 1 January 2025 till Friday 3 January 2025 included (particularly active on Wednesday 1 January 2025, with an orb of 0°00')

You are feeling that neither your private nor your professional lives are fully satisfactory. You are mainly preoccupied by annoyances caused by uncontrolled events, by the injustices you undergo, and by the comments aimed at you or at those you love.

Fatigue is sweeping over you, and you must make huge efforts in order to fight your disenchantment. Nevertheless, you must not pay excessive attention to the disagreements which are hurting your sensitivity, because your imagination tends to exaggerate their actual impact.

During these few days, refrain from making decisions about your family and your social life, for you may underestimate your possibilities, and you may confine yourself to an enclosed and dull universe.

## Mess, deceptions, and misunderstandings

Square ♃ Neptune ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 1 January 2025 till Thursday 24 April 2025 included (particularly active on Thursday 20 February 2025, with an orb of 0°00')

Vagueness, ambiguities, uncertain initiatives, and misunderstandings are the keywords for this transit. Your social status or your credibility within your profession may suffer from them if you are not cautious.

You may misplace documents or objects, or they may be stolen from you. The cause of such incidents may come from the disorganisation prevailing in your daily life.

You must be extremely careful if you are involved in litigation, for the law is most unlikely to prove you right. Moreover, deceptions or dubious events may challenge your naive good faith.

You are inclined to be lazy and nonchalant. In addition, you are tempted to overindulge in good things. Watch your waistline!

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your

roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

## Fertile imagination at the service of an ideal

Trine ♅ Uranus ♆ Neptune (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 1 January 2025 till Friday 9 May 2025 included (particularly active on Wednesday 26 March 2025, with an orb of 0°01')

You manage to combine personal ambitions with collective interests. You can derive much satisfaction from being a spokesperson, a defender, or an inspired activist working for various ideological movements and marginalised groups.

As you step back from social demands and preconceptions, you focus your researches on new subjects which offer you exciting pieces of information and, in addition, help you discover more things about yourself.

Your imagination is fertile throughout this period and may be a source of inspiration for artistic productions of excellent quality.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

## Misunderstandings and sad communication

Square ♿ Mercury ♄ Saturn (transit to a slow-moving planet)

★★★☆☆ Valid on Wednesday 1 January 2025, with an orb of 1°28'

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

During a few days, you may experience big communication issues. You may feel uncomfortable and clumsy whenever you have to express your thoughts. Moreover, the members of your entourage, who all have their own preoccupations, do not help you establish an open and constructive dialogue.

The organisation of daily duties is fraught with flaws and accumulated delays. This issue may be raised again and play tricks on you. The time has come to sort things out seriously, lest the situation should worsen.

It is most likely that misunderstandings plague your short trips, your mail as well as your telephone conversations and prevent you from doing what you have planned. Exercise some patience, and above all, do not try to force things.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts,

associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

### ★ Pleasant ambiance and optimism

Sextile ♃ Neptune ♀ Midheaven

★★★★★ Valid from Wednesday 1 January 2025 till Wednesday 16 April 2025 included (particularly active on Thursday 13 February 2025, with an orb of 0°00')

Good luck is on your side and enables you to solve all the problems or disputes related to your home or to the people living under your roof. Owing to your great understanding, you are able to help the members of your family look at their future with more optimism.

The enhanced ambiance prevailing in your dwelling boosts your professional life. You are relaxed, and you provide your colleagues with good advice. Your shrewd initiatives as well as your intuition earn you many praises and, perhaps, a promotion.

### Deep and lucid transformation of personality

Sextile ♃ Pluto ♃ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 1 January 2025 till Wednesday 31 December 2025 included (particularly active on Friday 24 January 2025, on Friday 29 August 2025, on Saturday 30 August 2025, on Wednesday 26 November 2025 and on Thursday 27 November 2025, with an orb of 0.00')

You have reached a crucial point in your life. You have managed to eliminate all pretence from your mind, and you are quite resolved to do as you like. During this transit, you can take up any study dear to your heart, travel alone, and reorganise your life entirely.

All these transformations will take place smoothly, for you have enough self-assurance to impose on your friends and relatives your simple and clear-cut ideas, your thoughtful decisions, and your sincere opinions.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

### Inspiration and collective projects

Sextile ♃ Neptune ♃ Uranus (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 1 January 2025 till Monday 12 May 2025 included (particularly active on Friday 7 March 2025, with an orb of 0°00')

The period is good for having your talents and your competences acknowledged, on condition that you

accept to be integrated into a group, bearing in mind all the constraints it implies.

If your professional activity is related to high technology or to communication, you will be blessed with inspiration, and you will find much support on your way.

In the field of romance, you are inclined to make concessions and to pay more attention to your partner's wishes. This nice improvement will prove very positive. Indeed, you can expect great joys and fulfilling love.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

## Inner earthquake and irrepressible need for autonomy

Conjunction ♃ Pluto ♅ Uranus (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 1 January 2025 till Tuesday 21 January 2025 included (particularly active on Wednesday 1 January 2025, with an orb of 1°57')

Ow, ow! When Pluto the Destroyer joins forces with Uranus the Maverick, one can be certain that one's life will become eventful and that an inner earthquake of large amplitude is on its way.

You are more independent than ever in the romantic and the professional areas, and you are unwilling to make concessions. You are in a state of deep mental chaos. Everything is turned upside down, and lifestyle changes are irreversible.

Nevertheless, you ought to find a contingency plan, in case you still have the ability to heed the voice of reason!

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

## Luck and seduction !

☾ Moon in House V

★★★★★ Valid on Wednesday 1 January 2025

Today, luck smiles on you! Nothing in your daily life weighs heavy on you, life is beautiful and you are ready to savour all its simple pleasures. Your imagination stirs up your sensitivity and the idea occurs to you to carry out some artistic activity in order to give your creativity free rein. Are you going to decorate your house, take up your brushes again, resume playing an instrument or just listen to your favourite song? Your children are the centre of your attention and you are willing to spend some time with them. Unless you dedicate your emotions to the games of love... One thing is certain, the day is going to be gorgeous!

## Danger of impatience and authoritarianism

Opposition  Mars  Uranus (transit to a slow-moving planet)

★★★★★ Valid from Thursday 2 January 2025 till Tuesday 14 January 2025 included (particularly active on Wednesday 8 January 2025, with an orb of 0°03')

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

You are suffering from a discrepancy between your pressing need to leap into action and to assert yourself clearly, on the one hand, and your will to achieve mastery and to become an expert, which requires more patience and efforts, on the other hand.

Be wary of your spontaneity, as it may lead you to make premature decisions and to remain stuck in a deadlock, just because you are afraid of being misjudged.

Avoid clear-cut stances as well as sectarian or peremptory remarks. Try to listen more attentively to the members of your entourage. You must also endeavour to figure out which way the wind blows.

In all areas, think twice before provoking a sudden split, because you will refuse to reconsider your decision, which will be harmful.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

## Irritation and extreme feelings

Square ♀ Venus ☿ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Friday 3 January 2025 till Monday 6 January 2025 included (particularly active on Saturday 4 January 2025, with an orb of 0°17')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Your affective relations are under stress. You must become aware of your inner aggressiveness instead of suppressing it and denying it in spite of everyone. Indeed, even though you refuse to recognise it, it rules the majority of your actions. It may prompt you to utter offensive words, the impact of which you do not grasp. It may also arouse suspicions and give rise to fatalism.

Your desires and your sensuality are temporarily inhibited. You are frightened by their intensity, and you easily lose your self-control when you are in the presence of your friends and relatives.

In the financial area, you must not heed your impulses, and you must not trust smooth talkers.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

The world appears to you in the most promising light, and the people whom you meet offer you very various joys and pleasures. Your generosity and your warm trust are mainly responsible for this situation. People are willing to confide in you, because you do not need to have things spelled out for you and you pass on your optimism to everyone.

There is a serious possibility for a romantic encounter, but you will then need to deepen the bond thus started. You can also broaden the circle of your friends.

Although you are stirred by deep emotions, you cannot find the words to express them. They get stuck in your throat, which puts you in a despondent mood. You have the propensity to underestimate the time

required to attend to your usual duties. Take this fact into account, in order not to be snowed under with a backlog of work.

You need to be more flexible and more open to suggestions coming from your friends and relatives since they will be very helpful. Forgetfulness or Freudian slips may weaken your communication. You ought to strive to develop more self-control.

Do not look for excuses, because the time has come to take action, to change direction, or to start a training course putting you in direct contact with the raw realities of the world of work.

Transformations are needed at home. Therefore, do not hesitate to spend some money if it can make your daily life easier. Since a lot of frankness prevails in your discussions with your parents or your grandparents, you ought to take advantage of it and dispel long-standing resentments.

This planet and the MC-IC axis are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

You may also be taken for an opportunist because you expose naively your plans and your projects. Since your silly mistakes may force you to redo everything from scratch, you ought to be more discreet and to make fewer blunders.

Lack of communication spoils the climate at home. Be more flexible with the members of your family, and stop harping on the setbacks you undergo outside.

During several days, strive not to express your anger, your grudge, or your bitterness. Discussions about past squabbles are unwelcome, as they would only rub salt in the wounds and trigger new demands.

You feel the need to make short trips and to organise outings and excursions with your friends and relatives. Such leisure activities provide a great deal of joy and enable you to discover nice spots and to ferret out useful addresses.

Therefore, you loathe your personage and, at the same time, you hold grudges against the members of your entourage. In a word, it is most unpleasant to be in your company for the moment.

★★★★★ Valid from Saturday 7 June 2025 till Sunday 8 June 2025 included (particularly active on Sunday 8 June 2025, with an orb of 0°33')

Some comments aimed at you may hurt your sensibility. Your skills may be questioned, and people may laugh at you, more or less kindly. Try not to yield to anger, for your opponents would immediately take advantage of you. Instead, you should endeavour to take stock of your work, to polish up your argumentation, and to consider people's requests more seriously.

You have a propensity to make diplomatic lies and to seek ideal excuses; unfortunately, because you tend to botch them and neglect their likeliness, you will not achieve the result you wish to obtain. As you carry out a survey or a research, it is possible that you tinker with the form and that you slack off on the substance. Think it over.

With your romantic partner, you are welcoming. You also provide her with sound advice. Nevertheless, if you take the slippery road, you may also overwhelm her with your whims or frighten her with your changing and sometimes superficial behaviour.

If you participate in a negotiation, it is to you that the floor is given, and the least one can say is that you use this opportunity profusely in order to captivate and entrance all those who come close to you.

Indolence may limit your competitiveness and relax your efforts during a few days. Do not make a mountain out of a molehill, and enjoy life to the fullest.

In the romantic area, do not respond to your partner's requests with aggressiveness, because, contrary to what you imagine, she means you no harm.

This aspect, which occurs twice a year, may indicate professional tensions, especially if other transits concur. Your willpower, your ideas, your need for self-assertion, or the way you bring yourself to the fore, are not always appreciated.

At work, it is certainly the moment to back off and to highlight your complementarities rather than your differences.

## Professional or financial satisfaction

Opposition  Venus  Mercury

★★★★★ Valid from Tuesday 19 August 2025 till Friday 22 August 2025 included (particularly active on Wednesday 20 August 2025, with an orb of 0°15')

In your natal chart, Mercury is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

You are being torn between your powerful affective impulses and the cold logic which urges you not to fall into the traps of sentimentality. This may strongly influence your behaviour, and you may shift from the tenderest attention to the most jeering cynicism.

The most important point for you is to manage not to commit yourself and to remain free, emotionally as well as intellectually. People try to win you over and to charm you, so as to get you involved in projects you are not interested in, and with which you may agree, but from which you run away in the end.

Be more straightforward, and give your opinion more assertively if you do not want to become notorious for being a weathercock and even a hypocrite.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period

★★★★★ Valid from Tuesday 19 August 2025 till Friday 22 August 2025 included (particularly active on Thursday 21 August 2025, with an orb of 0°31')

You are having trouble understanding your feelings and your sensations. You do not know any more what you want, and you have no pronounced likes or dislikes.

Out of lassitude or disenchantment, you try to meet with all sorts of people and to waste your time with all kinds of pleasures without being able to find out what is good for you. You grasp every pretext to stray on the borders of the fantastic, to lose your bearings, and to become ensnared by the most dangerous mirages.

You tend to show your weakness and to be overly accommodating with your friends and relatives. Curb this propensity, because the beneficiaries of your generosity are bound to reproach it to you later on.

Resist the shopping spree temptation, and distinguish what is necessary from what is superfluous.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

## Minor annoyances

### Moon in House I

★★★★★ Valid from Saturday 23 August 2025 till Sunday 24 August 2025 included

Your imagination may flare up today and the slightest issue may blow out of proportion because you are over-sensitive to people and things. You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. Opposition ♀ Venus ♀ Venus

★★★★★ Valid from Saturday 30 August 2025 till Tuesday 2 September 2025 included (particularly active on Monday 1 September 2025, with an orb of 0°23')

You do not feel too comfortable right now, because the climate prevailing around you goes against your desires and your affective cravings.

You may be requested to negotiate or to sign an agreement you are not too keen on. Similarly, your activity may force you to deal with people with whom you have little in common. Do not show your reluctance too openly, because it is actually quite superficial. Be careful not to lose the benefit of your past efforts because of an outburst of temper.

As far as your appearance is concerned, do not let the perfect images you see in advertisements or in magazines depress you. Remain true to yourself, and you will feel much better.

If you are in a more active mood, you may want to clean up the house from floor to ceiling or you may try to implement your lovely arrangement and decoration ideas... In short, the atmosphere is nice and, if your close friends share your activities, you experience a deep feeling of inner peace.

## Clumsiness and possible blunders

Square  Mercury  Midheaven

This planet and the MC-IC axis are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

During several days, do not make any important decision concerning your professional life. Because you are clumsy and you tend to talk inconsiderately about subjects you do not master, you may incur the criticisms of your colleagues and of your higher-ups.

You may also be taken for an opportunist because you expose naively your plans and your projects. Since your silly mistakes may force you to redo everything from scratch, you ought to be more discreet and to make fewer blunders.

Lack of communication spoils the climate at home. Be more flexible with the members of your family, and stop harping on the setbacks you undergo outside.

## Your September Forecast 2025

### Emotions and limitations

Conjunction ♄ Saturn ☾ Moon

★★★★★ Valid from Monday 1 September 2025 till Wednesday 31 December 2025 included, this transit is repeated: it previously occurred from 2 April till 24 May (particularly active on Monday 6 October 2025, with an orb of 0°01')

In your chart, the Moon receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous. However, these planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

You must organise your daily life along more rigorous principles if you do not want to be overwhelmed by last minute chores. You also need to control your sensitivity which otherwise may bring about painful sensations.

You are not tempted by adventures. You dread the future, and in order to avoid disappointments, you tend to shut yourself away.

You may adopt severe measures to tighten the purse strings, at home and with your family; you do not resent this situation at all, for you are glad and reassured to contribute in this way to your prospective security.

You may become attached to a woman who is older than you or more knowledgeable than you, literally and figuratively, and you may start to lay the foundations of a long-lasting and strong relationship.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

You are intellectually efficient. Even though your ideas may lack originality, they are reliable and earn the trust of your friends and relatives as well as of your higher-ups. If you are taking an exam, Lady Luck will smile on you, provided you do not put a cat among the pigeons.

You are very likely to experience pleasant encounters which will afterwards give you access to various

groups of friends and thus contribute to widen the scope of your knowledge.

During several days, strive not to express your anger, your grudge, or your bitterness. Discussions about past squabbles are unwelcome, as they would only rub salt in the wounds and trigger new demands.

In the course of a meeting or of a short trip, and when you draft a mail, or when you talk over the telephone, keep your subconscious under control. Indeed, it may speak louder than your mind and prompt you to disclose desires that should be kept secret.

Do not get involved in people's disputes, for you would be blamed for meddling in their affairs. Instead of settling the situation, you would only inflame it, due to the distorted perception you have of people and of their real motivations.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

## Anger and impulsiveness

Square ♂ Mars ♂ Mars

★★★★★ Valid from Friday 5 September 2025 till Thursday 11 September 2025 included (particularly active on Monday 8 September 2025, with an orb of 0°17')

The most impulsive people must beware of new surges of impetuosity. Indeed, they may provoke hasty splits, anger, squabbles, as well as insistent and clumsy protests, because the slightest frustration and the smallest obstacle on the way become unbearable. When not properly used, this aggressiveness may backfire on them, and they will need to watch their movements and their short trips.

Some other people may champ at the bit. They may feel helpless in front of adversaries brimming with vitality and willing to pull the rug from under their feet.

You hardly understand what your desires are right now, and the ensuing lack of organisation may hamper your actions as well as your initiatives. Likewise, as you face the outer reality, you tend to behave with nonchalance. You feel unconcerned, and like the ostrich, you bury your head in the sand.

Do not take the easy way out, and do not make promises that you cannot fulfil; if an outsider meddles in your domestic life, bring him down a peg before you find yourself obeying his orders and his whims.

You ought to avoid lashing out at your romantic partner at the slightest vexation.

You get a clear grasp of the most confusing problems, and you take advantage of the fact that you are ahead of your friends and relatives to take control of the situation.

Your peremptory, definite, and passionate comments speak in your favour. Many people believe that your words are the token of your inner strength and of an integrity which commands respect. Therefore, if you consider taking any particular steps, or if you plan to put forward a request, let your heart express itself, because a sincere behaviour will prove successful.

You pushed yourself to the limits so often in the past that you now feel at the end of your rope. However, in a fit of pride, you still persist in struggling against events which are beyond you. The best solution would be to grant yourself a restful break, but it is difficult to get you to listen to reason.

Do not exaggerate too much the disagreements opposing you to the people you love because, out of anger, your words would outrun your thoughts, and you would worsen the situation.

Your affective relations are under stress. You must become aware of your inner aggressiveness instead of suppressing it and denying it in spite of everyone. Indeed, even though you refuse to recognise it, it rules the majority of your actions. It may prompt you to utter offensive words, the impact of which you do not grasp. It may also arouse suspicions and give rise to fatalism.

Your desires and your sensuality are temporarily inhibited. You are frightened by their intensity, and you easily lose your self-control when you are in the presence of your friends and relatives.

In the financial area, you must not heed your impulses, and you must not trust smooth talkers.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

Decisions regarding your primary goals ought to be taken without further delay. Once you have made the first step, you will realise that you have pushed aside the obstacles which appeared insurmountable to you, just a few days ago.

Your relations with the male members of your entourage are characterised by a very positive emulation.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

There, you can dream at leisure of the improvements you want to bring to your cosy little nest for the sake of your family's well being, unless you prefer to dive in the nostalgia of your souvenirs and your photo albums... If you are in a more active mood, you may want to clean up the house from floor to ceiling or you may try to implement your lovely arrangement and decoration ideas... In short, the atmosphere is nice and, if your close friends share your activities, you experience a deep feeling of inner peace.

★★★★★ Valid from Sunday 28 September 2025 till Friday 26 December 2025 included (particularly active on Thursday 23 October 2025 and on Sunday 30 November 2025, with an orb of 0.01')

You are torn between a vague yet powerful aspiration for adventure, for getaways, as well as for discovering new horizons, on the one hand, and the compelling duties of your professional or family situation, on the other hand. You loosen your grip on your friends and relatives. You are distracted and sometimes neglectful when you perform your daily tasks, and you are influenced by fibs.

Fortunately, when the members of your entourage give you a reality check, you work twice as hard to make up for your mistakes. If you do not let yourself be overwhelmed by nonchalance, you can manage to maintain your cruising speed. However, you are unlikely to go so far as to take up a bold challenge or to force yourself to do additional work.

In the area of health, reduce your food intake, watch your liver, and treat allergies as soon as the symptoms become noticeable.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

## Inopportune impulsiveness

Square ♿ Mercury ♂ Mars

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

During several days, your gesticulations are very unlikely to yield satisfactory results. Do not listen to your impulses, for they are too contradictory and cannot show you which path you should follow.

Likewise, avoid getting overly enthusiastic in the course of your private discussions. Indeed, you lack subtlety, and you tend to blow out proportion of the slightest remark aimed at you. Your nervousness may play tricks on you, and your clumsiness may be the cause of falls or of unintentional breakages. Learn to relax and to wait until certain situations become fully ripe before you intervene.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

### Frustrations and emotional wounds

Square ♀ Mars ♀ Venus

★★★★★ Valid from Tuesday 30 September 2025 till Monday 6 October 2025 included (particularly active on Friday 3 October 2025, with an orb of 0°12')

During this short period, you must harden your heart and protect yourself carefully against emotional traps. Indeed, you run the risk of being disappointed by those you love. You may also get the impression that everyone intends to harm you. It must be underlined that, despite everything, such attacks are not very serious and that, because you take everything to heart, you tend to pay too much attention to mere absent-mindedness and omissions devoid of malevolence.

Right now, do not strive to hold any thorny negotiation, and do not seek any reconciliation, because your high-strung disposition does not speak for you.

Watch your expenses, for the urge to splurge is nothing but a means to let off steam when your frustrations are overwhelming, and in the end, you will find yourself cluttered with items you do not like at all.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

Your children are the centre of your attention and you are willing to spend some time with them.

Unless you dedicate your emotions to the games of love... One thing is certain, the day is going to be gorgeous!

## Your October Forecast 2025

### Gentle way of life

Sextile  Moon  Moon

★★★★★ Valid on Wednesday 1 October 2025, with an orb of 0°58'

This is a day of rest, during which you enjoy being in some exotic dream where poetry prevails over reason... You travel, mentally, at least! The desire to escape is very real and you have difficulties in running your day-to-day business. As a consequence, a few annoyances may crop up, but that is the least of your worries... Your concern is to enjoy to the fullest the moment of daydreaming that you badly need. This is your way of recharging your batteries and recovering your mental strength.

Therefore, it is likely that you feel the impact on these areas.

### Dialogue and intuition

Conjunction  Moon  Mercury

★★★★★ Valid on Wednesday 1 October 2025, with an orb of 2°13'

In your natal chart, Mercury is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, the Moon and Mercury form a sextile in your natal chart: the harmonious effects of this conjunction are strengthened.

You can expect your relations to be favoured today. Your entourage don't have to spell things out since you are able to easily pick up what they mean. This acute intuition allows you to catch major information! For the time being, the best thing is to pretend you heard nothing, because tomorrow, what you have learnt will prove to be valuable. Do not hesitate to chat and to initiate dialogues, the stake of which will emerge only as the conversation goes by. A fortuitous encounter may trigger something off in your mind.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

In your natal chart, Mercury is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

During a few days, your intellectual fitness is quite unlikely to be at its top level. You feel that some of the data on which you base your reasoning are difficult to grasp. Do not make useless efforts, and wait until you feel more self-assured, otherwise you may be forgetful and make blunders which are harmful to your communication.

Likewise, control your nervousness. Because you stretch yourself too thin, you get rapidly overwhelmed. Try to be as precise as possible in your remarks, and temporarily avoid discussions on matters which are dear to your heart, because nothing positive will come out of them.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

During a few days, you will need to be on your guard. Indeed, your gullibility in the field of human relations is as big as your absent-mindedness in the field of material matters. Therefore, do not take everything you are told for granted. You must at least check the plausibility of the proposals people put forward, otherwise you will become a perfect victim for unscrupulous crooks.

You must also get all your ducks in a row. Also ascertain that you have locked the door of your house or of your car. If you have to contact someone or if you must start a procedure, you must double-check the time and the venue of your meeting before you leave.

You are feeling deserted, frustrated, or neglected. Do not pay too much attention to this sensation, for it is very fleeting.

You are well-advised to cut yourself off and, during a couple of days, to avoid love arguments, because you would only vent your bad mood and your resentment. Likewise, friendly get-togethers and outings

leave you with a bitter aftertaste of incompleteness.

However, you can take advantage of this transit by taking up «serious» leisure activities. Improve your general knowledge, and embellish your living environment by undertaking unpleasant yet indispensable repair works.

Your communication with your friends and relatives tend to be arduous. Unless you are willing to get involved in clashes, which is highly inadvisable, you are very likely to witness stormy discussions and heated debates between supporters of traditions and dyed-in-the wool modernists. The ensuing

Your intellectual concerns or your worries prevent you from communicating as much as you would like to with your friends and relatives. Everyone remains on one's position, mulls over one's resentment or polishes one's plan of action.

You ought to respect this very fleeting desire for silence. Indeed, if you try to force people to speak up, it is most likely that they will answer you with quite acerbic words.

If you attend small meetings, avoid raising issues that are dear to your heart, and do not mention your romantic adventures, for indiscretions are highly probable and may put you in an awkward situation later on.

★★★★★ Valid from Friday 10 October 2025 till Monday 13 October 2025 included (particularly active on Saturday 11 October 2025, with an orb of 0°14')

You are in a sullen mood. The most trivial mishap and the slightest misunderstanding are all it takes to make you plunge into perplexity and to raise doubts about people's feelings towards you. Your romantic relations are unsatisfying, and you can hardly stand your routine and the weight of your daily life.

You tend to hold your spouse responsible for all the resentment you are accumulating.

In brief, it seems that your public image is challenged today, and you dread some sort of unpopularity... Don't ask yourself so many questions and try to understand the whys and the hows. There are good days and bad days... Obviously, it is not your day! Therefore, why don't you forget your temporary interpersonal difficulties! Tomorrow is another day... Who's next?

You ought to beware of your feelings as well as of the reactions they are whispering to your ears. Indeed, your views are quite subjective, and you are unable to set your limits in any area. Although you are driven by nice intentions only and willing to share your pleasures and your joys, you put your foot in your mouth, and you may become bad-mannered and overly exuberant.

Do not meddle into what is happening to your friends and relatives, and think twice before you speak, lest you should commit an indiscretion out of carelessness.

In the romantic area, you find that social conventions or proprieties are suffocating. Be reassured, because this is transient. Try to listen to what your partner wishes to tell you instead of interrupting her and speaking on her behalf.

Be careful, don't zone out for too long and don't cut yourself off from the world as if you were a hermit...

## Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
