## Grand Horoscope 2014 for Scarlett

### Introduction

Astrological techniques, used for millennia and fine-tuned throughout centuries, provide information on events and feelings that we are likely to experience in different fields: affective life, social and professional life, financial life etc. Among astrological forecasting techniques, the Transit technique is the most commonly used worldwide and is deemed the most reliable one: it is precisely what we use for our Forecast Report.

The Transit technique superimposes the actual position of transiting planets of the period considered over the natal chart. Then, it analyzes all the aspects formed among transiting planets and natal strategic points, that is to say, mainly fast planets - the Sun, the Moon, Mercury, Venus, Mars - the Ascendant and the Medium Coeli.

The analysis of the nature of astrological aspects formed among transiting planets and the above-enumerated strategic points is carried out while taking into account the meaning of the planets involved, the exactness of the aspects and their location. This is how it becomes possible to establish a forecast report for a date but also for a sequence of dates or a period of time.

Each forecast text displays several pieces of information in its heading:

- a comment summing up the major trend of the period,
- the nature of the active transit, the planets involved and the type of major aspect (in forecasting, it is hazardous to use minor aspects),
- the period considered, with automatic spotting of the previously repeated transit, if any,
- 5 coloured stars point out an important forecast: the level of importance is computed on the basis of the duration of the transit and its nature. 4 or 5 coloured stars highlight an important period with possible concretely noticeable events. 3 stars indicate an average importance and 1 or 2 stars, a transient and less important influence. The red colour signals a period with tensions (please keep in mind that tensions are factors of progress and evolution and are not useless). The gold colour heralds a period of satisfaction, sometimes a passive one.

# Introduction

Please, discover now your forecast for the period you ordered and keep in mind that, more than ever for this type of report, the stars incline but do not compel: astrology is a tool, the sole usefulness of which is to improve our life, to take advantage of harmonious periods or to step back during more sensitive periods. Astrology is not to be subjected to, but it is meant to be helpful.

Important note: some paragraphs are repeated several times. It is normal and deliberate for clarity's sake. Indeed, when they are seen from Earth, the stars, our system of reference in astrology, periodically move in the retrograde mode and therefore, they may contact sensitive points of your natal chart several times and produce exactly the same influences later on.

Now, here is one last remark about a possible blank paragraph in your Report. The description of your transits is given in the month corresponding to the date when the said transit start, and therefore, it is absolutely normal that, sometimes, a given month has no text displayed. You can rest assured that all twelve months were thoroughly analysed and interpreted and that nothing is overlooked. For instance, if a Pluto transit is active from September till December, its interpretation is displayed in the month of September only. October may contain no text if no other transit starts during this month. You can check on your Aspectarian the starting date and the duration of all your transits.

## Your January Forecast

### Amorous Subtleties and Potential Passion

Conjunction ♃ Pluto ♀ Venus

★★★★★ Valid from Wednesday 1 January till Monday 17 February included (particularly active on Wednesday 1 January, the transit orb is 1°03')

When the god of the Underworld sets about Venus, does love become diabolical? Not necessarily. But it may be dreadful for your acquaintances. Your affectivity changes in a discreet but deep, subtle and imperceptible way. You gain in clear-sightedness what you lose in naivety and innocence. Now, you can grasp what is really at stake in your couple's relationship. Love does not exactly mean the same thing any more, nor does it have the same dimension. You successfully handle your sensitivity without believing in romantic mirages, without being fooled by simplistic affectivity. You are sensitive to the underlying dimension of relationships and you deeply understand the stakes that are often beyond "ordinary people". This may be the reason behind your attitude that is more complex than before, and more paradoxical too. You take malicious pleasure in playing with fire, all the more so because you believe that you have the situation under your control and that you know its machinery. The danger is that you may be wrong, of course. But the game is worth it... More than ever, the essential and invisible spark of love is in your heart. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

### The cost of freedom

Square ♃ Uranus ♀ Venus

★★★★★ Valid from Wednesday 1 January till Wednesday 2 April included (particularly active on Wednesday 19 February, the transit orb is 0')

Attachment is attributed to Venus, and liberation to Uranus. Sensual delight to the former, discipline and rigour to the latter. These two contradictory principles clash under such skies. It is likely that you find it hard to reconcile desires and affective needs with the demand for autonomy that you now claim outloud. A thunderbolt in your romantic life is to be dreaded. However, some people enjoy it. Events upset your habits and trouble your serenity. It is difficult for you to resist your heart's impulses and untimely passions, which may challenge your affectivity. You need fresh air and freedom. You want to fully experience your concepts about love, whatever it may cost you. Your heart has got its reasons that no rule can hinder or thwart. Nevertheless, this influence may prove healthy when too many fetters or constraints are smothering a couple's life that has become overwhelming. You simplify, you

# Your Forecast

prune unhealthy branches in order to give free rein to your feelings. It is quite dangerous, of course, but not necessarily negative: personal assertion has a price that you are willing to pay. For worse, or more often than not, for the best part of yourself. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Explosive Temper

Square  Mars  Venus

★ ★ ★ ★ ★ Valid from Wednesday 1 January till Thursday 2 January included (particularly active on Wednesday 1 January, the transit orb is 1°41')

You display strong impulsiveness. Your sensitivity all on edge may turn your life setting into battlefields! If you are a thrill-lover, you will certainly get what you want. Perhaps a bit too much, if you give free rein to your whimsical moods and your explosive temper. Your exacerbated sensuality may seduce your partner. However, the violence of your feelings gives you no respite. During this period, your instincts override reason. For better and probably for worse. Sensual exaltation turns into outrageousness. It is likely that you listen to the sole intoxication of transient love or feelings. Hearts are pounding wildly. This heated climate is very good for putting an end to a monotonous life devoid of adventure and to a meaningless love. Romanticism becomes impetuous and prevails. One knows that love lives on passion and fevers. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## A Home Meant to Last

Conjunction  Saturn  Moon

★ ★ ★ ★ ★ Valid from Wednesday 15 January till Saturday 19 April included (particularly active from Friday 28 February till Friday 28 February, the transit orb is 0.52')

You are able to strike a new balance. During this period, you are wondering about your intimate or family life and you strive to put your daily activities more in harmony with your personal demands. It is likely that you will reach a stronger consistency and dismiss trivial matters in order to dedicate yourself to the essentials: to find your own pace. Above all, it is important that you build a life setting that live up to your aspirations, a home meant to last. In the private sphere, you lay your cards on the table with surprising sincerity and you don't shirk any possible complication or the discomfort of a constantly evolving situation. You are seeking a stability that you have never

# Your Forecast

been able to achieve, probably because you did not give yourself the means to do so, or because you refused the sacrifices that your personal growth required. You are calmer and more clear-sighted and you re-organize your life's foundations. Without fuss, but relentlessly. You accept the questioning that is at the core of your real peace of mind. You adjust to facts and to any possible difficulty, and you find an unsuspected serenity. During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

## Lively Talks

Sextile ♀ Mars ♂ Mercury

★★★★★ Valid from Monday 20 January till Monday 3 February included (particularly active on Monday 27 January, the transit orb is 0°04')

You demonstrate an alert mind and a strong will. You take your decisions promptly and you implement them straight away. Your great mobility endows you with a formidable efficiency. Dialogues are lively and words, brilliant. It is hard to counter your arguments. During this period, you adjust amazingly well to complex surroundings and you know how to quickly impose your ideas. Straightforward explanations may break a deadlock. In the relationship department, the pace speeds up with an encounter leading to new prospects or a contact that proves helpful, here and now. It may also be the beginning of a dialogue or some initiative that requires a follow-up. In all cases, it seems interesting to pay special attention to any new relationship, although and particularly if you don't fully realize its importance yet. In the short or longer-term, contacts established during this period will yield nice fruits. Of course, it is up to you to make the first steps... This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Affective Extravagance

Opposition ♃ Jupiter ♀ Venus

★★★★★ Valid from Monday 27 January till Sunday 13 April included (particularly active from Tuesday 4 March till Tuesday 4 March, the transit orb is 0.13')

What could a clash between two traditionally benign planets such as Jupiter and Venus translate into? Popular sayings give us the key: "love is priceless" or, "there is no accounting for tastes". If Venus sensitizes to natural

# Your Forecast

affections, Jupiter's function deals with adaptation and insertion through language. When these two principles clash, they produce shaky compromises. The reasons of the moment are not necessarily in line with the heart's impulses. One must compromise and sacrifice one's desires to conventions, or conversely, one must sacrifice one's habits to affective considerations. Of course, the will to please is intense... But the desire to seduce is so strong that you may be carried away by a whirlwind of emotions, arrangements, pleasures and tacit agreements that are hardly compatible. It is likely that you don't take long-term parameters into account, nor do you pay attention to the possible consequences of your superficial attitude. Your quest of well being makes you experience intense excitements frequently, in a happy-go-lucky climate. However, the state of grace may turn into delusion, if you are not careful. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Your February Forecast

There is no new active transits this month for your horoscope.

## Your March Forecast

### Lively Talks

Sextile  Mars  Mercury

★★★★★ Valid from Tuesday 25 March till Sunday 6 April included, this transit is repeated: it previously occurred from 20 January till 3 February (particularly active on Tuesday 1 April, the transit orb is 0°06')

You demonstrate an alert mind and a strong will. You take your decisions promptly and you implement them straight away. Your great mobility endows you with a formidable efficiency. Dialogues are lively and words, brilliant. It is hard to counter your arguments. During this period, you adjust amazingly well to complex surroundings and you know how to quickly impose your ideas. way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Your April Forecast

### Explosive Temper

Square  Mars  Venus

★★★★★ Valid from Sunday 27 April till Friday 13 June included, this transit is repeated: it previously occurred from 1 January till 2 January (particularly active on Tuesday 6 May, the transit orb is 0')

You display strong impulsiveness. Your sensitivity all on edge may turn your life setting into battlefields! If you are a thrill-lover, you will certainly get what you want. Perhaps a bit too much, if you give free rein to your whimsical moods and your explosive temper. Your exacerbated sensuality may seduce your partner. ## Your June Forecast

### Comfort and Solace

Trine ♃ Jupiter ☾ Moon

★★★★★ Valid from Sunday 8 June till Monday 30 June included (particularly active on Thursday 19 June, the transit orb is 0°03')

During this period, you can successfully re-organize your intimate life and get back on the right track. Your optimism may speed up events and favour the enhancement of your life setting. On the private plane, everything seems to go smoothly... Moments of hope and euphoria. You are dreaming of comfort, solace and expansion of the family circle. You avoid tensions or play down their consequences. If you have been hurt in your private life recently, it is now time to sign a peace agreement! The stake? To accept the rules - or the compromises - that guarantee the balance of your personal life. Therefore, you may legalize a relationship and seek a perspective that offers continuity and security. According to the Tradition, this planetary influence favours marriage or having children... This is only a hypothesis that mainly depends on the current context of your life! One of the means to create a fulfilling intimate life. You are going through a period that is conducive to the redefinition of your bases and your lifestyle. The only danger may be that you sacrifice an essential part of yourself for the sake of your daily comfort, the habits and commodities of the moment. During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

## Your July Forecast

### Lively Talks

Sextile ♀ Mars ♂ Mercury

★★★★★ Valid from Friday 4 July till Sunday 13 July included, this transit is repeated: it previously occurred from 25 March till 6 April (particularly active on Wednesday 9 July, the transit orb is 0°11')

You demonstrate an alert mind and a strong will. You take your decisions promptly and you implement them straight away. Your great mobility endows you with a formidable efficiency. Dialogues are lively and words, brilliant. It is hard to counter your arguments. During this period, you adjust amazingly well to complex surroundings and you know how to quickly impose your ideas. ### Optimism Reigns

Trine ♃ Jupiter ☉ Sun

★★★★★ Valid from Monday 7 July till Monday 28 July included (particularly active on Friday 18 July, the transit orb is 0°05')

You can give your projects a new impetus and jump at opportunities when

# Your Forecast

they arise. Your presence of mind immediately proves to be a valuable asset in the social and professional spheres. When it is well integrated, this planetary configuration awakens your ideals. Then, you nurture projects and you mobilize the energy needed for their implementation. You know where you are heading to and how to overcome your entourage's possible resistances. It is likely that your choices will prevail and that you will be successfully integrated in a setting that acknowledges your merits and your abilities. You are deemed trustworthy and doors are thrown open... everything seems simple, perhaps too simple: the danger lies in an exaggerated optimism and an overestimation of your chances of success. Your major asset is a state of mind that allows you to obtain what you have been dreaming of, so far without believing that it could ever come true. Malicious gossips may say that the optimism that allows you to break deadlocks is but an extreme form of opportunism. In any case, it is the right time to undertake what you have never been able to achieve. Events prompt you to get over limitations and borders and to excel yourself. It is likely that your entourage - and your specific way of taking advantage of it - are involved. More than ever, your pragmatism turns out to pay off. This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Eyes Bigger than Stomach

Opposition ♃ Jupiter ♂ Mars

★★★★★ Valid from Monday 28 July till Tuesday 19 August included (particularly active on Friday 8 August, the transit orb is 0°03')

You never miss an opportunity to be noticed through spectacular actions or raucous demonstrations of your qualities, and this may also concern your relations with men in general, or a suitor if you have any. Indeed, in a female chart, Mars symbolises the lover, whereas the Sun symbolises the life partner.. You need to express your will with force, brilliance and panache. However, the danger may be to overdo, to offend your close friends and to wear off their patience! Do not overestimate your chances of success and do avoid excess and tactlessness. With this planetary configuration, you are inclined to take unsuitable actions. The reason is probably that you don't evaluate the concrete situation properly. As heroic as your ambitions may be, it is likely that you have to endure a few delusions. The verdict of the facts is often final. Under such circumstances, it is essential that you learn to exercise some patience and wait for the right time before you undertake the steps you are dreaming of. Wait until the fruit is ripe before you pick it, until the situation becomes more favourable to the success of your plans. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your

# Your Forecast

material life.

## Uncontrolled Skid

Square ♀ Mars ♀ Mars

★★★★★ Valid from Thursday 31 July till Friday 8 August included (particularly active on Monday 4 August, the transit orb is 0°02')

There is a storm brewing... This period lends itself to all sorts of skids and exaggerations. Therefore, you must not let your impulsiveness prevail over reason. Of course, there are times when a forceful action bears fruit and when the situation requires strong determination. However, don't overdo. Hastening the course of events does not seem to be the best solution. A bit of moderation will turn your dogged determination to win into an efficient tool. You may feel the urge to make a firm and final intervention. Nevertheless, as it is well-known, vehemence is a double-edged weapon. It can clear the air in case of dormant conflicts, but it can also speed up a vicious circle process where provocations and reactions follow one another. It is wiser to wait for an upswing before you attempt to settle the scores... The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Your August Forecast

### Exalted Feelings

Sextile ♀ Mars ♀ Venus

★★★★★ Valid from Saturday 9 August till Saturday 16 August included (particularly active on Wednesday 13 August, the transit orb is 0°02')

You successfully mobilize all your affective and instinctive resources and you let your sensitivity guide your decisions and your actions. Moods prevail over reason. During this period, you should take advantage of the exaltation of your vital forces. You feel the desire to intensely experience each instant and to give your awakened feelings free rein. You may be tempted by passionate love or any other adventure that includes a fair share of thrills. You give your affectivity a new impetus, you express your passions with force and fieriness and you can tell whom you really love. You may experience an encounter that changes the nature of your love life and contrasts sharply with your habits. It may also be an opportunity to reveal your essential desires and to overcome some limitations. More than ever, you display an amazing sincerity and you do not seek anything but a life in harmony with your affective aspirations. The

# Your Forecast

natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Your September Forecast

### Renewed Personal Balance

Conjunction  Mars  Moon

★★★★★ Valid from Monday 1 September till Monday 8 September included (particularly active on Friday 5 September, the transit orb is 0°17')

During this period, events are likely to concern your domestic sphere, your habits and your major bases. Anything involving your private life will be particularly highlighted. Whether you have to sort out a personal problem or to take an action related to your family life, you display a great deal of energy. You find the strength needed to get a situation out of the rut. In order to make your intimate realm evolve the way you want it to, action is more efficient than words. The situation develops quickly, very quickly. Facts prompt you to respond and to adjust your pace and your behaviours to the constraints of a situation that is new to you, in many respects. A chief preoccupation: how is it possible for you to feel at ease and to be in good shape? You try to find a balance between your peace of mind and your cravings, between your desire for quietness and your need to have your desires fulfilled in an intense way. This may be a very good time to improve your daily life... in sheer simplicity. You do not allow anyone or anything to hinder your efforts towards a new personal balance. During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

### Trial of Strength

Conjunction  Mars  Sun

★★★★★ Valid from Wednesday 10 September till Wednesday 17 September included (particularly active on Sunday 14 September, the transit orb is 0°02')

There is a touch of heroism in your attitude... You display dynamism and an enterprising spirit. You try to implement your projects and to take action in areas where, so far, you have been nurturing your plans only. Far from yesterday's renunciation, you can mobilize your energy as much as you like.

# Your Forecast

Should events impose trials of strength on you, it is very likely that you will be able to cope with them. Instead of harming you, confrontations reinforce your position and allow you to assert your choices. If your situation is stuck or slowed down by external forces, you must take action and face adversity. It is important that you achieve what you have not dared to undertake, so far. This is a constructive period, even though you must confront the facts and prove yourself. With this configuration, the only danger may be that you overestimate your strength and you set out to conquer an objective that is still inaccessible. But the will to do and dare may brush aside many doubts and suppress reservations and limitations that used to paralyse your life. This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Dynamism and Action!

Conjunction ♀ Mars AS Ascendant

★★★★★ Valid from Friday 12 September till Thursday 18 September included (particularly active on Monday 15 September, the transit orb is 0°03')

Mars travels over your Ascendant and events speed up. It is the right time to move forward, to show dynamism and fighting spirit. You respond more swiftly and you get started immediately. In this context, it is not advisable to confront you because your reactions may be up to your quarrelsome mood! You will be tempted to take up all the challenges of the moment, even though and especially if you must take risks. Therefore, it is wise to calm things down. You are inclined to be hasty, you want everything and you want them right now. In some cases, your attitude is double-edged. However, your enterprising spirit may open doors: what you dare doing today without shyness is likely to break a deadlock and to widen your field of action. The only important precaution is that you must not let this nice energy turn into unnecessary aggressiveness. Be careful not to offend your entourage!

## Conquering Spirit

Sextile ♀ Mars ♀ Mars

★★★★★ Valid from Thursday 18 September till Wednesday 24 September included (particularly active on Sunday 21 September, the transit orb is 0°04')

It is the moment to take action. Not under any circumstance, nor upstream. Whether it is granted to you or you provoke it, you have the opportunity to highlight your dynamism without gratuitously offending your entourage. This is how you can best manage trials of strength. If you want to settle the scores without causing irreversible harm, it's now or never. When it is fully

# Your Forecast

controlled, a forceful action proves quite an irresistible asset! Your conquering spirit often opens the path to new possibilities. If you find it hard to get out of the rut, it is now a good time to attempt a healthy confrontation and to "take the bull by its horns". Should the context be calmer, you can take advantage of this planetary configuration through audacity and boldness. Do not hesitate to face up to things and accept challenges. ## Conclusion

In astrology, the level of accuracy and importance of events forecast depends on repetitions or development of aspects found in the natal chart. It is crucial to understand one's assets and weaknesses on the basis of one's natal chart. Indeed, when dealing with transits, the phenomenon of resonance considerably increases the probabilities for any given event to actually take place.

For instance, transiting Jupiter over your natal Sun will have a more potent influence if, in your natal chart, there is an aspect linking the two planets. This principle holds true regardless of the nature of the aspect, whether it is hard or soft.

Therefore, it is important and even crucial that your natal chart or your astrological portrait be thoroughly understood in order to appreciate the validity of the Forecast established for the current year. This is all the more true whenever software programmes are used, as in the case of the current Report. As you order your Comprehensive Astrological Portrait (35 to 40 pages, comprising your Personality Report with dominants and planetary repartitions, your detailed psychological portrait etc., delivered into your e-mail within a few seconds) you become able to make the most of your Forecast and to take into account all the riches of your personality's facets.

Re-reading your Forecast and heeding our pieces of advice always prove helpful: astrology discloses a great deal of secrets to those who can observe. The game is worth it. Always keep in mind that you are dealing with a climate, a tendency or a probability, never with fate, and that enterprising spirit and willpower play the most prominent part. Indeed, the best planetary influence in the world won't bring about any concrete event if there is no willingness and action to support it. And conversely, potential dangers indicated in your Forecast can be weakened or cancelled, provided that you remain calm, that you step back and understand how some ordeals can benefit you, be it only spiritually, which means asking real questions about life's purpose, as well as making progress in order to find the answers.

An overall remark that can be helpful: never forget that the fact that you know your upcoming planetary climate must never become a burden. Astrology is at the service of the human being and, under no circumstances, must the information provided trouble you. The objective, in each and every case, is to render a service, to help you become stronger, if necessary, to relativize things or on the contrary, to boost your energy.

Astrology allows us to realize that everything is part of a cycle and that everything has got ups-and-downs. Therefore, beyond the events that you learn to experience, and based on your knowledge of upcoming influences, the most important thing, far from all worldly contingencies, satisfactions or

# Conclusion

disappointments, is to understand who you are and what you want to do with you life. For instance, you may wonder about the nature of your constantly changing and troubled thoughts and realize that You are... uphill from them. The differentiation between your consciousness of being and your thoughts is the first step towards a spiritual quest.

Through the visualisation and concrete observation of endless ups-and-downs, or cycles, that are imposed on us, astrology allows to put experiences in perspective and to pass a step uphill, towards a more authentic reality: it is, indeed, a wonderful side effect of the practice of astrology.
