Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones, except for the cases of the transits to the slow planets (Jupiter, Saturn, Uranus, Neptune, and Pluto). In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- a yellow star indicating that the transit is important (for Jupiter, Saturn, Uranus, Neptune, or Pluto) or mildly important (for Mars), contrary to the fast-moving planets (the Moon, Mercury, Venus, and the Sun) which have no icon, because they are less important, or quite secondary,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance, such as a collective

transit. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact, - the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

The new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Moreover, "collective" transits, i.e. transits to slow-moving planets, are now displayed - even though they are not very active - except for the Moon, because she moves too fast and exerts no significant influence over slow-moving planets.

Besides, our detailed forecasts take into account what is referred to as "slow transits", the most important ones, since they last a long time and are generated by Pluto, Neptune, Uranus, Saturn, Jupiter, and Mars to a lesser extent, and by "fast transits", i.e. those of Mercury, Venus, and the Sun. This means that this report provides at the same time a forecast report and a real diary for small events and feelings.

Slow transits reveal the future climate you may experience and/or feel, whereas fast transits bring about minor fluctuations, although sometimes they may be active. This is the reason why the titles of the slow transits texts are underlined, which is not the case for fast transits; they should be considered as an addition to the main forecasts indicated by slow transits.

Important remark: certain paragraphs are repeated, especially those of the Moon, who moves rapidly and travels around the zodiac in less than a month. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8-9. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

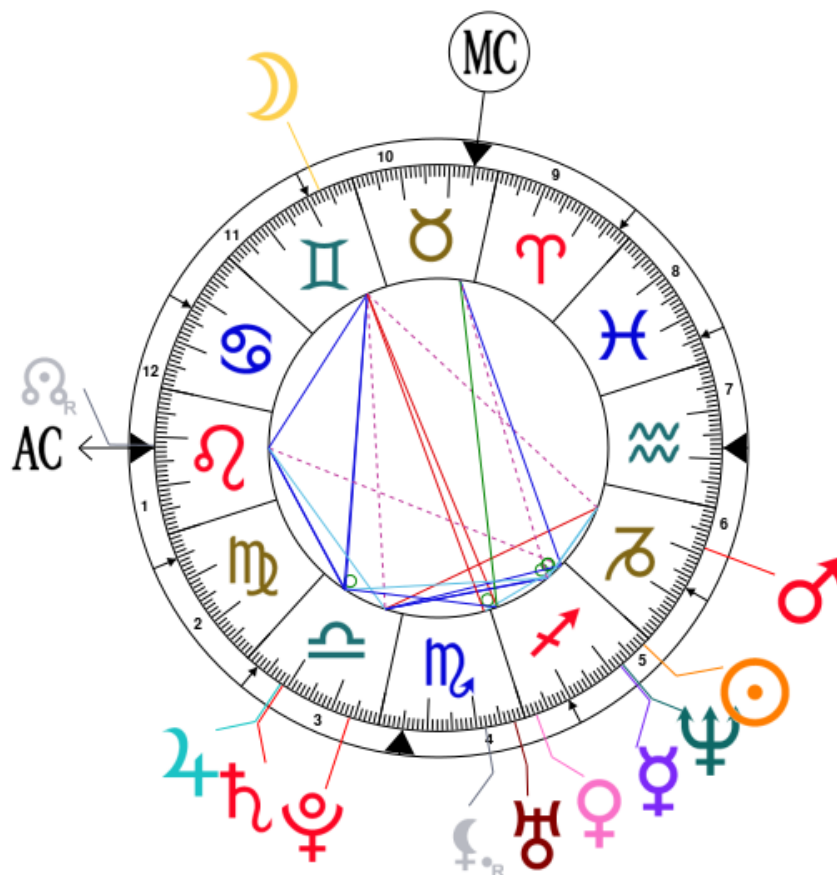

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

Your March Forecast 2031

Affective disappointment and declining powers of seduction

Opposition ♃ Saturn ♀ Venus

★★★★★ Valid from Saturday 1 March 2031 till Sunday 30 March 2031 included (particularly active on Saturday 1 March 2031, with an orb of 0°19')

In the romantic area, you do not know any more where you stand. On the one hand, previous commitments and deeply-rooted love seem disappointing and stultifying. On the other hand, you are not prepared to break your moorings.

You are driven by a feeling of insecurity which prompts you to doubt the affection people have for you. As a result, you may become bitter and aggressive. Therefore, you ought to be careful not to lose several sincere friends.

In order to forget your overwhelming sadness, you are tempted to check your powers of seduction by increasing the number of your conquests and of your love affairs. Finally, they will prove unfulfilling, for you refuse to give too much of yourself and of your time to your partners.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

Pleasure, charm, and seductiveness

Trine ♀ Venus AS Ascendant

★★★★★ Valid from Saturday 1 March 2031 till Monday 3 March 2031 included (particularly active on Saturday 1 March 2031, with an orb of 0°14')

The charm you are exuding and the ease with which you establish a contact contribute to enlarge the circle of your friends.

Above all, you are willing to be attractive and to pass on to other people your conception of pleasure. In this respect, you shine by throwing parties and sending out invitations in order to make new acquaintances and to tighten the affective bonds existing between you and your friends and relatives.

With your romantic partner, you are welcoming. You also provide her with sound advice. Nevertheless, if you take the slippery road, you may also overwhelm her with your whims or frighten her with your changing and sometimes superficial behaviour.

If you participate in a negotiation, it is to you that the floor is given, and the least one can say is that you use this opportunity profusely in order to captivate and entrance all those who come close to you.

★ Tolerance, inspiration, and open-mindedness

Trine ♃ Neptune AS Ascendant

★★★★★ Valid from Saturday 1 March 2031 till Tuesday 13 May 2031 included (particularly active on Tuesday 11 March 2031, with an orb of 0°00')

You give free rein to your roving imagination and to your capacity for amazement. You grant yourself a few periods of wandering which are the safety valves of your psyche.

You are prepared for every encounter, and you welcome every eventuality. You feel at ease in various circles, and you derive much pleasure and intellectual enrichment from your discussions with people coming from very different geographical and social horizons.

All the influences in which you are immersed, but in which you will not drown, are as many pieces of information and suggestions which later on will help you behave with understanding, openness, and tolerance, even though right now you neglect your friends and relatives in order to gallivant far from home.

★ Transformed relations and possible confrontations

Opposition ♇ Pluto AS Ascendant

★★★★★ Valid from Saturday 1 March 2031 till Sunday 28 March 2032 included (particularly active on Thursday 14 August 2031, on Friday 15 August 2031 and on Tuesday 30 December 2031, with an orb of 0.00')

Your relations with people are about to change radically. A wind of passion is blowing on your love affairs and on your partnerships. Everyone strives to show that he is the strongest one. Everyone is determined to exert power over everyone.

Simmering confrontations may erupt and spread imperceptibly. If you feel that your marriage is frustrating, or if your professional collaboration is unfulfilling, this is the perfect time to firmly and courageously put an end to such ties.

If you are single, you may encounter a very unusual partner who will fascinate you and disquiet you at the same time.

★ Charisma, optimism, and good luck

Conjunction ♃ Jupiter ☉ Sun

★★★★★ Valid from Saturday 1 March 2031 till Wednesday 30 April 2031 included (particularly active on Thursday 27 March 2031, with an orb of 0°00')

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

You are going through a period of optimism, of joie de vivre, and of exteriorisation. You manage to show yourself in your best light, and you must take advantage of this transit to ask for support, to seek protection, or to put forward a request, because your needs are most likely to be met.

In the professional area, it seems that your personality will be in the limelight. You ought to keep your feet on the ground otherwise the flow of good luck will disappear as quickly as it cropped up. Therefore, be concerned with your image, carefully select your allies, and do not be afraid to shoot for the stars when you prepare an agreement or a contract.

Legal issues may arise, but you are able to settle them brilliantly, because you ascertain that you are within your rights.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

Cleverness and dispelled misunderstandings

Sextile ♃ Jupiter ♇ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Saturday 1 March 2031 till Sunday 2 March 2031 included (particularly active on Saturday 1 March 2031, with an orb of 2°04')

The period bodes well for the fulfilment of your most secret desires. You feel in harmony with yourself. You opt for transparency. Moreover, you do not hesitate to move heaven and earth in order to assert your uniqueness loud and clear. But you do so with so much tact and cleverness that no one seeks to harm you. You must use this good transit to disclose your ambitions and your dreams, to clear up misunderstandings, in a word, to stop lying to yourself as well as to your friends and relatives.

You are able to reimburse long-standing debts, to finalise a difficult sale process, and to get back the assets you have been despoiled of.

This period is auspicious for medical treatments also. If your health requires a surgical operation, you can consider this option with utter optimism.

Furthermore, this transit can play out at the psychological level and enhance the benefits of psychotherapy work and of an initiation to yoga or to sophrology.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Minor tensions with your close friends

☾ Moon in House XI

★★★★★ Valid from Saturday 1 March 2031 till Monday 3 March 2031 included

During this period, your need for communication may be repressed. Exchanges are not very easy and your sensitivity is a bit shaken up, especially with your friends! Tomorrow is another day... Ask yourself if you don't attach too much importance to the group... And keep in mind that you are definitely able to find solutions to your problems, all by yourself. You can also implement your projects on your own or give them a new orientation, should they stagnate for the time being. You will see, you will gain so much autonomy!

Annoyances and... fits of bad temper

Opposition ☾ Moon ☼ Sun

★★★★★ Valid on Sunday 2 March 2031, with an orb of 1°20'

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

It is likely that this day is marked with fits of bad temper. You are concerned about your public image and therefore, you are more sensitive than you usually are. The slightest detail offends you... So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. In such a context, it is advisable to cool down and wait until the dust settles before you discuss essential matters. When people get worked up, it may be because you are too pernickety: it is better to slow down.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

R Intellectual efficiency

Sextile ♀ Mercury ♂ Mars

★★★★★ Valid from Sunday 2 March 2031 till Monday 3 March 2031 included (particularly active on Monday 3 March 2031, with an orb of 0°52')

These planets are linked by a semi-sextile in your natal chart: the harmonious effects of this transit may be slightly increased.

You display self-confidence when you participate in a discussion or when you carry out an intellectual work. You mainly concentrate on your projects, you progress in leaps and bounds, and you get rid of pointless details and frills. This attitude is fruitful. It enables you to do an excellent job within a short time span. Moreover, it helps you assert yourself during heated conversations.

This is the right time to claim your dues and to take difficult steps. If you work as an intern, you will find your training very enriching, because you smoothly fit in the team and you are highly competent when you are in the field.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

Nervousness and blunders

Square ♀ Mercury ♀ Mercury

★★★★★ Valid from Sunday 2 March 2031 till Tuesday 4 March 2031 included (particularly active on Monday 3 March 2031, with an orb of 0°20')

During a few days, your intellectual fitness is quite unlikely to be at its top level. You feel that some of the data on which you base your reasoning are difficult to grasp. Do not make useless efforts, and wait until you feel more self-assured, otherwise you may be forgetful and make blunders which are harmful to your communication.

Likewise, control your nervousness. Because you stretch yourself too thin, you get rapidly overwhelmed. Try to be as precise as possible in your remarks, and temporarily avoid discussions on matters which are dear to your heart, because nothing positive will come out of them.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

R Gullibility and blunders

Square ♀ Mercury ♃ Neptune (transit to a slow-moving planet)

★★★★★ Valid from Sunday 2 March 2031 till Tuesday 4 March 2031 included (particularly active on Monday 3 March 2031, with an orb of 0°09')

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

During a few days, you will need to be on your guard. Indeed, your gullibility in the field of human relations is as big as your absent-mindedness in the field of material matters. Therefore, do not take everything you are told for granted. You must at least check the plausibility of the proposals people put forward, otherwise you will become a perfect victim for unscrupulous crooks.

You must also get all your ducks in a row. Also ascertain that you have locked the door of your house or of your car. If you have to contact someone or if you must start a procedure, you must double-check the time and the venue of your meeting before you leave.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

R Calm down! Tensions are subsiding soon!

Opposition ☾ Moon ♂ Mars

★★★★★ Valid on Tuesday 4 March 2031, with an orb of 0°45'

These planets are linked by a sesqui-quadrant in your natal chart: the negative effects of this transit may be slightly increased.

Thrills are on the agenda! Were you seeking intense emotions? There you are. Nevertheless, amid this idyllic climate, clear-sightedness remains indispensable. A glitch is all it takes to jeopardize your plans, a minor incident, the regrettable consequences of which develop as time goes by. Therefore, it is advisable to anticipate and to avoid traps right from the start. Hold back your impatience because feverishness may block the energies of the day. More than ever, self-control is indispensable.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

Fruitful quietness

☾ Moon in House XII

★★★★★ Valid from Tuesday 4 March 2031 till Wednesday 5 March 2031 included

Even though people have the feeling that you are avoiding them, don't hesitate to zone out if you are so inclined. It is likely that you need peace and quietness in order to ponder over your problems and to sort out what is real from what is imaginary. You also need solitude to assess the situation and to find the right answers to your questions. Silence helps you deepen your thoughts about spirituality and also encourages your meditation. Take full advantage of this short constructive retreat to recharge your batteries...

R Good mood and romantic harmony

Trine ☾ Moon ♀ Venus

★★★★★ Valid on Wednesday 5 March 2031, with an orb of 0°31'

These planets are linked by an opposition in your natal chart: the harmonious effects of this transit may be lessened.

It all starts with a moment of intimacy, a privileged minute that strongly boost your spirits! All of a

sudden, everything becomes possible. You begin to dream of more poetry and your contagious tactfulness commands your partner's respect. Let yourself be carried away by the tide since the outcomes can only be positive... On the romantic plane, this is an ideal day to programme a few hours of escape and forget yesterday's misunderstandings. Choose a place conducive to a serene tête-à-tête.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

Original discoveries and exchanges

Trine ♀ Mercury ☿ Uranus (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 5 March 2031 till Friday 7 March 2031 included (particularly active on Thursday 6 March 2031, with an orb of 0°18')

The period is auspicious for free and tolerant exchanges, as well as for intellectual researches on sciences and state-of-the-art techniques. Your particularly alert and intuitive mind can grasp the gist of the communications and information coming within your reach.

Likewise, if you have to talk about yourself, or to underline your qualities and your skills, you manage to present yourself in the best possible light. You come across as a capable, dynamic and future-oriented person. Therefore, do not make the mistake of being shy, and do not waste such a wonderful opportunity.

Short trips undertaken with friends and relatives provide many delights and discoveries which stimulate your brain and set your imagination on fire.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

R Misunderstandings and shambles

★★★★★ Valid from Wednesday 5 March 2031 till Friday 7 March 2031 included (particularly active on Thursday 6 March 2031, with an orb of 0°20')

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

You are very likely to be clumsy when you speak and when you move. Therefore, you run the risk of hurting the sensibilities of persons occupying a higher position than yours.

Moderate your radical judgments, and control your nervousness. Should unexpected mishaps upset your plans, grin and bear it, because trying to speed things up would only bring about new misunderstandings.

During a couple of days, it is difficult for you to remain focused. You tend to spread yourself too thin, and you get angry when you think of the precious time you wasted.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

Like a radar picking up your close friends' feelings, you need to be in tune with them, you share their happiness or you find the right word to comfort them. You are always there when you are needed and you are caring. Nevertheless, be careful not to become overwhelmed. This lovely day belongs to you, therefore take care of yourself and have fun!

Trine ☾ Moon ☉ Sun

★★★★★ Valid on Friday 7 March 2031, with an orb of 0°41'

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

It is the right time for you to be forgiven for your fits of bad temper and to regain the sympathy that your aloof attitude may have lessened. Above all, it is the right time for innovative projects that radically change life! Things unfold smoothly... On the social and professional planes, everything seems to develop very naturally: you let yourself be carried away by the stream and you carefully avoid all forms of tension or aggressiveness.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

Even though your daily life prevents you from casting off, you manage to bring about the oddest encounters and to elicit the most unexpected secrets, thus deepening your psychological understanding of the members of your entourage.

You derive much pleasure from books, from outings, as well as from conferences, and you are able to synthesise what you learn.

Snags with your romantic partner are easily sorted out, for you are articulate, and you review the situation with relevance and diplomacy.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

Nervousness and sentimentality

Square ♀ Venus ♂ Mars

★★★★★ Valid from Saturday 8 March 2031 till Monday 10 March 2031 included (particularly active on Sunday 9 March 2031, with an orb of 0°07')

You have the impression that people do not understand the efforts you make in order to help them or to achieve harmony. As a result, you are faced with an indefinable hostility and a general bad mood which thwarts your initiatives aiming at restoring the balance in your professional and romantic relations.

Your sensitivity becomes even more exacerbated, and you shift from cheerfulness to sullenness at the drop of a hat. Rein in your reactions, because biased by your subjectivity, you may turn all events into tragedies.

Do not let your adversaries pull the rug from under your feet without reacting. A dash of passion is all it takes to help you feel good about yourself.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

Warm contacts

Trine ♀ Venus ♀ Mercury

★★★★★ Valid from Saturday 8 March 2031 till Tuesday 11 March 2031 included (particularly active on Sunday 9 March 2031, with an orb of 0°24')

The overall climate is auspicious for exchanging views as well as for holding discussions and negotiations in an atmosphere of cordiality and mutual tolerance. You ought to make the most of it by putting forward requests and making short trips so as to move closer to the friends and relatives with whom you lost contact.

Unexpected letters and telephone calls offer a great deal of happiness.

In the area of romance, you remain aloof, reluctant to let emotions overwhelm you, and willing above all to protect your independence as well as that of your partner. Flirting, amorous friendships, and light-hearted banter are on the agenda.

You demonstrate excellent skills in your verbal and written communication, and you project of yourself a warm image.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

Intuition and inspiration

Trine ♀ Venus ♃ Neptune (transit to a slow-moving planet)

★★★★★ Valid from Saturday 8 March 2031 till Tuesday 11 March 2031 included (particularly active on Monday 10 March 2031, with an orb of 0°18')

Your love life and your friends are offering you the opportunity to open your heart, to disclose your nice inspirations, and to show your altruism without fearing to be betrayed. You are right there when your assistance is required, and by sheer luck, you immediately provide your friends and relatives with whatever they badly need.

Your acute and subtle perception enables you to give sound and relevant advice to everyone. You can heed your affective impulses and participate in collective humanitarian projects, or attend artistic performances.

You are interested in psychology, in several types of medicine, as well as in nutrition, etc. The members of your entourage benefit from the knowledge you gain in these disciplines.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

★ Reflexes and power of action

Sextile ♀ Mars ♀ Mars

★★★★★ Valid from Saturday 8 March 2031 till Wednesday 16 April 2031 included (particularly active on Wednesday 26 March 2031 and on Monday 31 March 2031, with an orb of 0.00')

Your instinctive knowledge of human beings and of the context in which you are moving enables you to score points and to keep very quick reflexes.

You may be bossy with your friends and relatives. You may also force them to behave according to your interests, but on the whole, your courage, your energy and your outspokenness are very much appreciated. This is a good period for starting sports activities and for all types of competitions.

Right now, you feel that you do not fit in with your usual entourage, whether it is social or professional. You have the impression that your attempts aiming at obliging people and at maintaining harmony are not well perceived. Some of your projects may even be rejected downright.

Do not believe that a refusal means that everything you are and everything you have done are being questioned. Control your propensity to slacken off, for in all areas it may lead you to overstep the mark.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Physically speaking, you feel exhausted. You should take vitamin supplements, because it is excellent for you.

Square ☾ Moon ☾ Moon

★★★★★ Valid on Friday 4 April 2031, with an orb of 1°11'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Minor financial satisfaction

☾ Moon in House II

★★★★★ Valid from Friday 4 April 2031 till Saturday 5 April 2031 included

Matters connected with possessions and finances are on the agenda. You need to check your accounts, to pay your debts and to reconsider your budget in order not to overspend. You may also make an appointment with your banker in order to optimize your investments. In any case, you seek safety in this area and you are provident for the future. Even when you must make a purchase, your choices are wise and you manage your patrimony as best you can. You select valuable artefacts or pieces of furniture for

your home decoration with the will to invest and preserve your capital. In short, you definitely are an "ant"...

Sense of dialogue and mutual understanding

Trine ♀ Mercury AS Ascendant

★★★★★ Valid from Saturday 5 April 2031 till Thursday 10 April 2031 included, this transit is repeated: it previously occurred from 13 March 2031 till 16 March 2031 (particularly active on Tuesday 8 April 2031, with an orb of 0°20')

You are in a talkative and cheerful mood. The narration of your real or embellished prowess thrills your friends and relatives. This contributes to spread joie de vivre around you and draws the members of your entourage closer to each other.

Unfortunately, once the excitement starts to fade away, many of the projects you mentioned verbally may fall through.

Strive to get the support of people you are comfortable with, and seek their help and their suggestions in the fields in which they excel. Writing to friends you lost touch with, or calling them, allows you to establish contact with them again. Therefore, this is not the time to be shy.

R Good mood and romantic harmony

Sextile ☾ Moon ♀ Venus

★★★★★ Valid on Sunday 6 April 2031, with an orb of 0°13'

These planets are linked by an opposition in your natal chart: the harmonious effects of this transit may be lessened.

It all starts with a moment of intimacy, a privileged minute that strongly boost your spirits! All of a sudden, everything becomes possible. You begin to dream of more poetry and your contagious tactfulness commands your partner's respect. Let yourself be carried away by the tide since the outcomes can only be positive... On the romantic plane, this is an ideal day to programme a few hours of escape and forget yesterday's misunderstandings. Choose a place conducive to a serene tête-à-tête.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

Contacts and pleasant short trips

☾ Moon in House III

★★★★★ Valid from Sunday 6 April 2031 till Tuesday 8 April 2031 included

Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. In any case, you can't be stopped just like that ...

R Unexpected emotional disturbances

Opposition ♀ Venus ♂ Uranus (transit to a slow-moving planet) 

★★★★★ Valid from Monday 7 April 2031 till Thursday 10 April 2031 included (particularly active on Tuesday 8 April 2031, with an orb of 0°18')

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

You are being torn between your affective impulses and the demand for clarity and improvement which urges you to ignore your sensitivity and to remain aloof.

Your indecision is so overwhelming that, if you are not cautious, it may upset your daily life by bringing about tensions with your friends and relatives. You tend to roundly criticise the persons you love and to share your exasperation with them.

Although your need for independence is strong, it is difficult for you to reconcile it with the constraints of social life. When you express yourself, you should back down if you do not want to uselessly hurt people's sensitivities.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

Contentment and serenity

Sextile ☾ Moon ☉ Sun 

★★★★★ Valid on Tuesday 8 April 2031, with an orb of 1°14'

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

This is an excellent day to make a pause and enjoy your recovered serenity. It is the right time for you to be forgiven for your fits of bad temper and to regain the sympathy that your aloof attitude may have lessened. Above all, it is the right time for innovative projects that radically change life! Things unfold smoothly... On the social and professional planes, everything seems to develop very naturally: you let yourself be carried away by the stream and you carefully avoid all forms of tension or aggressiveness.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

R Hindrances and negative thoughts

Opposition ♀ Mercury ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 9 April 2031 till Sunday 27 April 2031 included, this transit is repeated: it previously occurred from 11 March 2031 till 14 March 2031 (particularly active on Wednesday 23 April 2031, with an orb of 0°05')

These planets are linked by a quintile in your natal chart: the negative effects of this transit may be slightly lessened.

The climate is not too promising. You are expected to socialise and to get involved in exchanges which you consider futile and which impede your need for seclusion. Similarly, in your work and your studies, you are willing to go at your own pace, but events concur to force you to rush, which brings about careless mistakes and oversights.

Nevertheless, try to preserve a few moments of solitude during which you are protected against all sorts of mishaps and disruptions. Otherwise, you may become ill-tempered and unable to complete what you have to do within the deadlines.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Clumsy communication and physical rashness

Square ☉ Sun ♂ Mars

★★★★★ Valid from Wednesday 9 April 2031 till Sunday 13 April 2031 included (particularly active on Friday 11 April 2031, with an orb of 0°05')

During a few days, you should avoid getting involved in quarrels which do not concern you. Indeed, you may utter outrageous or clumsy words, you may make brusque movements, and you may throw a tantrum. Because you are unable to control yourself, you are most likely to express your rebellion and your bitterness too forcefully.

Stormy exchanges of viewpoints with a father figure or with elder brothers are looming and should be avoided if possible, for nothing good can come out of such clashes.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

Instability, nervousness, and scatterbrain

Opposition  Uranus  Mercury 

★★★★★ Valid from Wednesday 9 April 2031 till Friday 11 July 2031 included (particularly active on Thursday 29 May 2031 and on Friday 30 May 2031, with an orb of 0.01')

You are going through an unstable, sometimes chaotic, but quite exhilarating period. You open wide eyes on the unknown, you make astonishing encounters, and you hold odd discussions. The way you see life evolves day after day according to an uneven, irrational, and quite fanciful pattern.

You may discover an unsuspected boldness within you, and you will be brimming with innovative ideas. Nevertheless, you may find it hard to implement your decisions and to concentrate only on one area of study or of research. If you spread yourself too thin, you may be blamed by the members of your entourage, because they would not know where they stand any more.

Do not promise more than you are willing to offer, and do not undertake anything you cannot bring to a successful conclusion. Your growing nervousness is mainly caused by the hectic lifestyle you chose.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

How great it is to be at home! Today, you want to enjoy the comfort and gentleness of your home where you feel good and in security. There, you can dream at leisure of the improvements you want to bring to your cosy little nest for the sake of your family's well being, unless you prefer to dive in the nostalgia of your souvenirs and your photo albums... If you are in a more active mood, you may want to clean up the house from floor to ceiling or you may try to implement your lovely arrangement and decoration ideas... In short, the atmosphere is nice and, if your close friends share your activities, you experience a deep feeling of inner peace.

Wounded pride

Opposition ♀ Mercury ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Thursday 10 April 2031 till Saturday 26 April 2031 included, this transit is repeated: it previously occurred from 11 March 2031 till 13 March 2031 (particularly active on Monday 14 April 2031, with an orb of 0°02')

Some comments aimed at you may hurt your sensibility. Your skills may be questioned, and people may laugh at you, more or less kindly. Try not to yield to anger, for your opponents would immediately take advantage of you. Instead, you should endeavour to take stock of your work, to polish up your argumentation, and to consider people's requests more seriously.

You have a propensity to make diplomatic lies and to seek ideal excuses; unfortunately, because you tend to botch them and neglect their likeliness, you will not achieve the result you wish to obtain. As you carry out a survey or a research, it is possible that you tinker with the form and that you slack off on the substance. Think it over.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

You may get a promotion, or your prestige may increase, especially if you work within a large community or in a healthcare setting.

Opposition ♀ Venus ♀ Venus

★★★★★ Valid from Friday 11 April 2031 till Monday 14 April 2031 included (particularly active on Saturday 12 April 2031, with an orb of 0°14')

You do not feel too comfortable right now, because the climate prevailing around you goes against your desires and your affective cravings.

You may be requested to negotiate or to sign an agreement you are not too keen on. Similarly, your activity may force you to deal with people with whom you have little in common. Do not show your reluctance too openly, because it is actually quite superficial. Be careful not to lose the benefit of your past efforts because of an outburst of temper.

As far as your appearance is concerned, do not let the perfect images you see in advertisements or in magazines depress you. Remain true to yourself, and you will feel much better.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

This aspect, which occurs only once a year, may help you untangle the hank produced by other influences taking place simultaneously. In a way, you have a split personality, and you face your most secret desires, sometimes the least acceptable ones.

This has nothing to do with madness. This is about becoming aware of shortcomings in your usual behaviour which, unconsciously, cause the failure of some of your undertakings. This transit urges you to set things right.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Minor affective disappointments

 Moon in House V

★★★★★ Valid from Friday 11 April 2031 till Sunday 13 April 2031 included

Today, the danger is that you may indulge in wishful thinking. Therefore, if you want to avoid disappointments, don't get worked up too quickly, especially in the romantic area, and keep your feet on the ground as firmly as possible because your imagination tends to amplify everything. Conversely, you may mistake your fears for the reality. Are you afraid to be less loved? Dispel your worries because love and the simple joys of life remain available, it is just that you have some difficulty in seeing them clearly. Don't worry so much, tomorrow is another day and all your concerns would have vanished...

Selflessness and lack of prejudice make you a highly attractive person. You are very much sought after, and your relations with children and adolescents become particularly easy and nice.

During this period, if you must express yourself verbally or in writing, you will by instinct use simple, clear, and persuasive words. Therefore, you will be able to enlarge the scope of your audience and convince them to adopt your ideas.

It is quite certain that during this short period you will meet nice persons and that nothing can jeopardise your well-being.

Nevertheless, do not sit on your laurels, and do not let the first flatterer passing by ensnare you with her suave words.

You receive from your friends many invitations and many offers to help. Listen to your desire for entertainment and fantasy, but do not become overly dependent on other people and on their good will.

There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. You need to isolate yourself for a short while, so you can think, meditate, and perhaps, find the answers to your philosophical questions. Do you have a sudden desire for faraway travels? Should the opportunity arise, don't hesitate! Unless you are contented with long imaginary journeys, the departure of which you constantly postpone... In any case, you are far from material contingencies... What a great wisdom!

You are hesitating between fiercely withdrawing in your private realm, so as to daydream at leisure, and committing yourself to the outside world. You have a hard time combining these two urges, and you may be torn between the duties you set yourself in order to take part in the collective life, on the one hand, and your attempts of escape and flight, or solo journeys, on the other hand.

Your interventions do not always suit the actual context, and you tend to wrestle openly – unfortunately quite clumsily – with the beliefs of the people around you. Indeed, you are convinced that their theories, whatever they might be, are but superstitions and you shake them up quite violently.

You take advantage of a change in habits or situations and you enhance your daily life... You may pretext some unexpected obligations in order to get more freedom of action and spend this leisure time doing what you have not had the time to do. Your creativity occupies the place of honour! You tend to let go and to let destiny take action: if it is at all possible, allow the tide to carry you away and do not try to exceedingly control the situation.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Ask yourself if you don't attach too much importance to the group... And keep in mind that you are definitely able to find solutions to your problems, all by yourself. You can also implement your projects on your own or give them a new orientation, should they stagnate for the time being. You will see, you will gain so much autonomy!

Annoyances and... fits of bad temper

Opposition ☾ Moon ☼ Sun

★★★★★ Valid on Saturday 26 April 2031, with an orb of 2°34'

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

It is likely that this day is marked with fits of bad temper. You are concerned about your public image and therefore, you are more sensitive than you usually are. The slightest detail offends you... So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. In such a context, it is advisable to cool down and wait until the dust settles before you discuss essential matters. When people get worked up, it may be because you are too pernickety: it is better to slow down.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

Sense of dialogue and mutual understanding

Trine ♀ Mercury AS Ascendant

★★★★★ Valid from Saturday 26 April 2031 till Thursday 1 May 2031 included, this transit is repeated: it previously occurred from 5 April 2031 till 10 April 2031 (particularly active on Monday 28 April 2031, with an orb of 0°23')

You are in a talkative and cheerful mood. The narration of your real or embellished prowess thrills your friends and relatives. This contributes to spread joie de vivre around you and draws the members of your entourage closer to each other.

Unfortunately, once the excitement starts to fade away, many of the projects you mentioned verbally may fall through.

Strive to get the support of people you are comfortable with, and seek their help and their suggestions in the fields in which they excel. Writing to friends you lost touch with, or calling them, allows you to establish contact with them again. Therefore, this is not the time to be shy.

Fruitful quietness

☾ Moon in House XII

★★★★★ Valid from Sunday 27 April 2031 till Tuesday 29 April 2031 included

Even though people have the feeling that you are avoiding them, don't hesitate to zone out if you are so inclined. It is likely that you need peace and quietness in order to ponder over your problems and to sort out what is real from what is imaginary. You also need solitude to assess the situation and to find the right answers to your questions. Silence helps you deepen your thoughts about spirituality and also

encourages your meditation. Take full advantage of this short constructive retreat to recharge your batteries...

Ambivalent attitude

Opposition ♀ Venus ♀ Mercury

★★★★★ Valid from Monday 28 April 2031 till Thursday 1 May 2031 included (particularly active on Wednesday 30 April 2031, with an orb of 0°30')

You are being torn between your powerful affective impulses and the cold logic which urges you not to fall into the traps of sentimentality. This may strongly influence your behaviour, and you may shift from the tenderest attention to the most jeering cynicism.

The most important point for you is to manage not to commit yourself and to remain free, emotionally as well as intellectually. People try to win you over and to charm you, so as to get you involved in projects you are not interested in, and with which you may agree, but from which you run away in the end.

Be more straightforward, and give your opinion more assertively if you do not want to become notorious for being a weathercock and even a hypocrite.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

★★★★★ Valid from Monday 28 April 2031 till Friday 2 May 2031 included (particularly active on Wednesday 30 April 2031, with an orb of 0°01')

You are having trouble understanding your feelings and your sensations. You do not know any more what you want, and you have no pronounced likes or dislikes.

Out of lassitude or disenchantment, you try to meet with all sorts of people and to waste your time with all kinds of pleasures without being able to find out what is good for you. You grasp every pretext to stray on the borders of the fantastic, to lose your bearings, and to become ensnared by the most dangerous mirages.

You tend to show your weakness and to be overly accommodating with your friends and relatives. Curb this propensity, because the beneficiaries of your generosity are bound to reproach it to you later on.

Resist the shopping spree temptation, and distinguish what is necessary from what is superfluous.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period

The undeniable magnetism you exude gives you a peculiar and fascinating charm which enables you to obtain anything you fancy.

The members of your entourage accept quite well the changes you have undertaken, and no matter how bitter the pill to swallow is, you manage to present it in the most attractive manner.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

R Disturbing character study

Square ☉ Sun AS Ascendant

★★★★★ Valid from Wednesday 30 April 2031 till Sunday 4 May 2031 included (particularly active on Friday 2 May 2031, with an orb of 0°14')

This planet and your relationship AS-DS axis are linked by a sesqui-quadrate in your natal chart: the negative effects of this transit may be slightly increased.

You feel like smashing the mirror into pieces so that you do not see any more the awful image reflected.

No, you did not grow old overnight. It is just that you got entangled in professional, friendly, or romantic adventures which force you into a role which is entirely different from your real personality. Therefore, you loathe your personage and, at the same time, you hold grudges against the members of your entourage. In a word, it is most unpleasant to be in your company for the moment.

Minor annoyances

☾ Moon in House I

★★★★★ Valid from Wednesday 30 April 2031 till Thursday 1 May 2031 included

Your imagination may flare up today and the slightest issue may blow out of proportion because you are over-sensitive to people and things. You are prey to fears and anxiety, without knowing why exactly. Your overflowing emotions make you feel insecure and prompt you to seek comfort and security from your close friends instead of moving ahead and taking action. You feel paralyzed, unable to do anything and you don't like the image you project. You wish to be taken care of, to be reassured and protected, and to regain your self-confidence. However, don't demand too much from your entourage...

These planets are linked by an opposition in your natal chart: the negative effects of this transit may be increased.

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

★ Criticisms and carelessness

Square ♂ Mars AS Ascendant

★★★★★ Valid from Saturday 3 May 2031 till Wednesday 14 May 2031 included (particularly active on Thursday 8 May 2031, with an orb of 0°07')

The atmosphere is fraught with tensions, bad mood, and constant claims. Your professional partners, or your spouse if you are married, remain unyielding and are quick to criticise your initiatives. You behave

similarly.

As a result, there will be many squabbles or caustic words. Therefore, it is preferable that you momentarily keep your distance. The aggressiveness marking your relations may be more upsetting than you think. Should the case occur, you must not let off steam by abusing people or by practicing risky physical activities, because you cannot fully control your reflexes.

There may be fleeting disagreements with a father figure or with a supervisor, mainly about hurt self-esteem. You ought to minimise the importance of your points of divergence.

Avoid whimsical attitudes, inconsiderate words, casualness, and thoughtlessness.

Contacts and pleasant short trips

☾ Moon in House III

★★★★★ Valid from Sunday 4 May 2031 till Monday 5 May 2031 included

During this period, you feel like moving around, discovering and learning. Although you probably dream of faraway horizons, short trips are enough to make you happy. Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. In any case, you can't be stopped just like that ...

Increased comprehension and sensitivity

Sextile ☾ Moon ♿ Mercury

★★★★★ Valid on Monday 5 May 2031, with an orb of 1°55'

You carry out your investigation relentlessly and you try to understand people's motivations. As you find some behaviour intriguing, you ask your entourage questions in order to better figure out what is currently at stake. Is there anything that is hidden from you? It won't take long until you find out. Thanks to your acute and deep clear-sightedness, you quickly guess what is going on... You won't be trapped as your sensitivity on the alert endows you with a sixth sense. No matter how complex the situation may be, you play your game well.

R Inopportune impulsiveness

Square ♿ Mercury ♂ Mars

★★★☆☆ Valid from Tuesday 6 May 2031 till Friday 9 May 2031 included, this transit is repeated: it previously occurred from 23 March 2031 till 28 March 2031 (particularly active on Thursday 8 May 2031, with an orb of 0°17')

These planets are linked by a semi-sextile in your natal chart: the negative effects of this transit may be slightly lessened.

During several days, your gesticulations are very unlikely to yield satisfactory results. Do not listen to your impulses, for they are too contradictory and cannot show you which path you should follow.

Likewise, avoid getting overly enthusiastic in the course of your private discussions. Indeed, you lack subtlety, and you tend to blow out proportion of the slightest remark aimed at you. Your nervousness may play tricks on you, and your clumsiness may be the cause of falls or of unintentional breakages. Learn to relax and to wait until certain situations become fully ripe before you intervene.

Right now, you are able to express your thoughts on a suggestive, evocative, poetic, or surrealistic tone which is well received by the members of your entourage. Whereas this transit cannot support your efforts aiming at improving your material situation, it can facilitate the exchange of affective messages and help your friends and relatives understand what you wish and what you plan to do. Moreover, instead of a detailed demonstration or a contrite justification, it can offer ideas on how to win the assistance of the members of your entourage, find wise advice, and sometimes even financial aid.

Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

When you carry out a study, a survey, or a research, you must not let yourself be discouraged by the points you do not understand. Do not give up what you have started, and do not destroy, more or less openly, the result of your past endeavours. Control your feelings of anger and jealousy. Indeed, your aggressiveness and your bitterness would serve no purpose.

Dispel your worries because love and the simple joys of life remain available, it is just that you have some difficulty in seeing them clearly. Don't worry so much, tomorrow is another day and all your concerns would have vanished...

Moreover, you may have the possibility to jump at an opportunity to rent or to purchase a new house. However, do not take hasty decisions, and carefully consider the costs incurred.

You tend to behave with frankness and rudeness when you deal with the past or with people related to the past. Indeed, you are impatient with your parents or your grandparents, and you do not accept that people go back over what has been said and done.

You begin to dream of more poetry and your contagious tactfulness commands your partner's respect. Let yourself be carried away by the tide since the outcomes can only be positive... On the romantic plane, this is an ideal day to programme a few hours of escape and forget yesterday's misunderstandings. Choose a place conducive to a serene tête-à-tête.

This planet and the MC-IC axis are linked by an inconjunction in your natal chart: the negative effects of this transit may be slightly increased.

You are feeling that neither your private nor your professional lives are fully satisfactory. You are mainly

preoccupied by annoyances caused by uncontrolled events, by the injustices you undergo, and by the comments aimed at you or at those you love.

Fatigue is sweeping over you, and you must make huge efforts in order to fight your disenchantment. Nevertheless, you must not pay excessive attention to the disagreements which are hurting your sensitivity, because your imagination tends to exaggerate their actual impact.

During these few days, refrain from making decisions about your family and your social life, for you may underestimate your possibilities, and you may confine yourself to an enclosed and dull universe.

Minor annoyance with your contacts

☾ Moon in House VII

Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. Quietly wait until they get out of their personal bubble!

Your affective impulses and needs are clashing with the harsh, cold, and authoritarian or sectarian attitudes of some of your friends and relatives. Far from giving things their actual importance, you take them to heart. This temperament stirs in you sudden, simultaneous, and extreme feelings shifting from sympathy to antipathy.

Spare your sensitivity, and do not believe that you can be happy only when you are facing disconcerting, upsetting, and extravagant situations.

If you are a member of an association or a club, you may react with animosity to some of its participants. Do not display such feelings, because they are neither deep nor long-lasting.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

A few attacks, nothing serious!

☾ Moon in House X

★★★★★ Valid from Sunday 13 July 2031 till Monday 14 July 2031 included

Does a colleague make an unpleasant remark? Are you summoned to your director's office? Is there a lot of idle gossip going around about you? In brief, it seems that your public image is challenged today, and you dread some sort of unpopularity... Don't ask yourself so many questions and try to understand the whys and the hows. There are good days and bad days... Obviously, it is not your day! Therefore, why don't you forget your temporary interpersonal difficulties! Tomorrow is another day... Who's next?

Criticisms and carelessness

Square  Mars  Ascendant

★★★★☆ Valid from Monday 14 July 2031 till Friday 25 July 2031 included, this transit is repeated: it previously occurred from 3 May 2031 till 14 May 2031 (particularly active on Sunday 20 July 2031, with an orb of 0°08')

The atmosphere is fraught with tensions, bad mood, and constant claims. Your professional partners, or your spouse if you are married, remain unyielding and are quick to criticise your initiatives. You behave similarly.

As a result, there will be many squabbles or caustic words. Therefore, it is preferable that you momentarily keep your distance. The aggressiveness marking your relations may be more upsetting than you think. Should the case occur, you must not let off steam by abusing people or by practicing risky physical activities, because you cannot fully control your reflexes.

Square  Sun  Pluto (transit to a slow-moving planet)

★★★★☆ Valid from Monday 14 July 2031 till Friday 18 July 2031 included (particularly active on Wednesday 16 July 2031, with an orb of 0°03')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

This aspect, which occurs twice a year, may help you untangle the hank produced by other influences taking place simultaneously. In a way, you have a split personality, and you face your most secret desires, sometimes the least acceptable ones.

This has nothing to do with madness. This is about becoming aware of shortcomings in your usual behaviour which, unconsciously, cause the failure of some of your undertakings. This transit urges you to set things right.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

In your chart, the Moon receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You take advantage of a change in habits or situations and you enhance your daily life... You may pretext some unexpected obligations in order to get more freedom of action and spend this leisure time doing

what you have not had the time to do. Your creativity occupies the place of honour! You tend to let go and to let destiny take action: if it is at all possible, allow the tide to carry you away and do not try to exceedingly control the situation.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

You may talk about all and nothing pleasantly or you may carry out lengthy debates so as to reinvent a world that is up to your ideals! Besides, you may want to become part of a group or an association that shares your centres of interest. However, don't forget that your family may feel a bit neglected...

This is a wonderful period for harmonising your appearance with your true personality, and for taking action according to your deepest desires. You show yourself as you are, in the naked truth, without trying to beat about the bush in order to stop people's badmouthing.

This aspect increases your charm and your charisma. Actually, you are coming to terms with yourself.

In the communication area, the day is not really impressive. Whether at work or at home, you have the feeling that everyone has become deaf. No one hears you and what you say receives no echo. Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... Moreover, instead of a detailed demonstration or a contrite justification, it can offer ideas on how to win the assistance of the members of your entourage, find wise advice, and sometimes even financial aid.

You make friends with people who do not belong to your usual circles, which will enrich the way you look at your fellow creatures. Your tolerance is strengthened by your interactions and by the captivating and moving testimonies provided by your new acquaintances.

The wind of rebellion is blowing in your mind, and you cannot bear the slightest constraint, or the most insignificant opposition to your personal choices. The only important thing is your will, and in order to impose it, you finally dare to say « no » to people or to models that you have feared or respected during many years.

However, since you are not really braced for disruption, you do not know exactly what you should do to get people to abide by your desire for autonomy. As a result, you tend to behave quite frantically. You experiment everything with ardour and boldness, amazed by your own temerity as well as by your contempt for what people might say.

Despite the chaos, you can make the most of this transit if you free yourself from past bonds and if you enrich your mind with the new data that you have gleaned in the course of your wanderings.

These planets are linked by a semi-sextile in your natal chart: the negative effects of this transit may be slightly lessened.

During several days, your gesticulations are very unlikely to yield satisfactory results. Do not listen to your impulses, for they are too contradictory and cannot show you which path you should follow.

Likewise, avoid getting overly enthusiastic in the course of your private discussions. Indeed, you lack subtlety, and you tend to blow out proportion of the slightest remark aimed at you. Your nervousness may play tricks on you, and your clumsiness may be the cause of falls or of unintentional breakages. Learn to relax and to wait until certain situations become fully ripe before you intervene.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

Whereas this transit cannot support your efforts aiming at improving your material situation, it can facilitate the exchange of affective messages and help your friends and relatives understand what you wish and what you plan to do. Moreover, instead of a detailed demonstration or a contrite justification, it can offer ideas on how to win the assistance of the members of your entourage, find wise advice, and sometimes even financial aid.

You make friends with people who do not belong to your usual circles, which will enrich the way you look at your fellow creatures. Your tolerance is strengthened by your interactions and by the captivating and moving testimonies provided by your new acquaintances.

You have the tendency to misjudge your strength and your real possibilities, and therefore to be over-optimistic. For the moment, be wary of any movement of excessive euphoria, and do not count your chickens before they are hatched.

Your feelings are so intense that you need to share them with other people. Your generous impulses, your warmth, and your sweetness can help your friends and relatives keep their spirits up. Do not spare your efforts in this regard, for the harmony you will bring about will be your best reward.

The period is also good for artistic expression. Meetings and outings provide thrills that you can transcend through painting, music, dance, or singing.

You get closer to nice, cheerful, and radiant persons whose company you enjoy heartedly. Along the same lines, friendly and romantic relations are imbued with insouciance, tenderness, and sensuality.

★ Charisma, optimism, and good luck

Conjunction ♃ Jupiter ☉ Sun

★★★★★ Valid from Sunday 9 November 2031 till Thursday 20 November 2031 included, this transit is repeated: it previously occurred from 24 October 2031 till 5 November 2031 (particularly active on Sunday 9 November 2031, with an orb of 0°22')

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

You are going through a period of optimism, of joie de vivre, and of exteriorisation. You manage to show yourself in your best light, and you must take advantage of this transit to ask for support, to seek protection, or to put forward a request, because your needs are most likely to be met.

In the professional area, it seems that your personality will be in the limelight. You ought to keep your feet on the ground otherwise the flow of good luck will disappear as quickly as it cropped up. Therefore, be concerned with your image, carefully select your allies, and do not be afraid to shoot for the stars when you prepare an agreement or a contract.

Legal issues may arise, but you are able to settle them brilliantly, because you ascertain that you are within your rights.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

R Aggressiveness or self-destruction

Square ♂ Mars ♇ Pluto (transit to a slow-moving planet)

★★★☆☆ Valid from Sunday 9 November 2031 till Friday 14 November 2031 included (particularly active on Wednesday 12 November 2031, with an orb of 0°08')

These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

During this short period, you may notice that your vitality is declining and that dark pessimism prevents you from taking action. It is obvious that you should refrain from taking initiatives since your lack of clear-sightedness, your unfounded mistrust, and your aggressiveness do not speak for you.

However, do not go as far as to punish yourself for the faults you feel guilty about. You are overwhelmed by self-destructive instincts, and you must keep them under tight control.

When on the road or in a stadium, do not take any risk. Do not rely on your reflexes, for they are impaired by your suppressed violence.

In the financial area, steer clear of schemes and intrigues, as well as of unhealthy relations. Avoid shady places or people who may arouse old demons.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

The barometer of your love life is set fair. An atmosphere of cheerfulness, insouciance, and mutual confidence impacts your mood positively. You are in physical and emotional communion with your environment. Collective gatherings, invitations from friends, and leisure travels are the source of great

joys.

If you practice an activity dealing with artistic or aesthetic topics, you will be blessed with inspiration, and your hand will follow punctiliously the commands of your mind. If you are involved in situations requiring diplomacy, you will manage to get out of it advantageously. You blend kindness with firmness, and you will come out of such interviews particularly pleased with the results you achieved.

Purchases made during this period will prove wise and will delight you as well as the persons dear to you.

Minor annoyance with your contacts

☾ Moon in House VII

★★★★★ Valid from Thursday 20 November 2031 till Friday 21 November 2031 included

In the communication area, the day is not really impressive. Whether at work or at home, you have the feeling that everyone has become deaf. No one hears you and what you say receives no echo. Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. Quietly wait until they get out of their personal bubble!

Hypersensitivity and intuition

☾ Moon in House VIII

★★★★★ Valid from Saturday 22 November 2031 till Sunday 23 November 2031 included

During this period, your intense emotions and deep feelings endow your inner and psychical life with extreme strength. You are hypersensitive and you can switch from laughter to tears with no real reason. Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Unless, enriched with all these emotions, you just let your creativity flow freely...

Annoyances and... fits of bad temper

So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. In such a context, it is advisable to cool down and wait until the dust settles before you discuss essential matters.

When people get worked up, it may be because you are too pernickety: it is better to slow down.

Profitable unwinding and happy thunderbolt

Trine ♃ Uranus ♇ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Sunday 23 November 2031 till Friday 28 May 2032 included, this transit is repeated: it previously occurred from 21 May 2031 till 13 August 2031 (particularly active on Monday 19 January 2032 and on Sunday 11 April 2032, with an orb of 0.00')

You have the capacity to express clearly what you have been feeling obscurely for the past few years. Your friends and relatives cannot ignore any more your true wishes and your ambitions. Since you take many precautions when you assert your need for independence, everything will unfold smoothly.

Nevertheless, there is still a long way to go. You will have to work very hard to expand the scope of your projects and to promote yourself during your public appearances despite your craving to remain in the background.

Unexpected encounters may offer nice surprises if you manage to overcome your shyness and if you endeavour to reach out to people without prejudice.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

★ Tactlessness and irritability

Square ♀ Mars MC Midheaven

★★★★★ Valid from Monday 24 November 2031 till Saturday 29 November 2031 included (particularly active on Wednesday 26 November 2031, with an orb of 0°17')

During a short period, you may be caught in crossfire. On the one hand, your professional activity requires a great deal of availability in order to tackle unexpected problems. On the other hand, owing to conflicts cropping up at home, the members of your family demand forcibly that you grant them more attention.

It is obvious that you are unable to struggle on many fronts at the same time. Instead of getting irritated, try to explain the situation with calm. Indeed, you get angry quickly, which improves the atmosphere neither at work, nor at home.

Beware of clumsy words. Do not criticise the people whom you deem incompetent, because you may lack leniency, and you run the risk of making enemies.

Possible delusion...

☾ Moon in House IX

★★★★★ Valid from Monday 24 November 2031 till Tuesday 25 November 2031 included

Your imagination tends to flare up quite easily and may hamper your aspirations because you are lacking concentration. You prefer to rise towards higher spheres and play with abstractions and illusions rather than to be confronted with people whom you find too Cartesian and devoid of sensitivity. In any case, today, you are far too emotional to seek the absolute and the truth. You would probably be deluded by the answers you might find. It is better to remain realistic... The journey is over... Come down to earth!

Nervousness and sentimentality

Square ♀ Venus ♀ Mars

You have the impression that people do not understand the efforts you make in order to help them or to achieve harmony. As a result, you are faced with an indefinable hostility and a general bad mood which thwarts your initiatives aiming at restoring the balance in your professional and romantic relations.

Your sensitivity becomes even more exacerbated, and you shift from cheerfulness to sullenness at the drop of a hat. Rein in your reactions, because biased by your subjectivity, you may turn all events into tragedies.

Do not let your adversaries pull the rug from under your feet without reacting. A dash of passion is all it

takes to help you feel good about yourself.

Unfortunately, once the excitement starts to fade away, many of the projects you mentioned verbally may fall through.

Strive to get the support of people you are comfortable with, and seek their help and their suggestions in the fields in which they excel. Writing to friends you lost touch with, or calling them, allows you to establish contact with them again. Therefore, this is not the time to be shy.

You need to weigh your words during the next few days, for you are prone to clumsiness. As you feel comfortable in the quite euphoric atmosphere surrounding you, you may exaggerate, embellish the truth or make promises you will have a hard time keeping, later on.

Be on your guard, and beware of your boastful tendencies. Do not commit any indiscretions, and do not betray secrets, no matter how insignificant they may seem.

If you are studying, avoid skimming through your subjects, and do not minimise the importance of details.

Relations with your friends and relatives may be upset by the bad manners or the carelessness prevailing on both sides. Ensure that your disorganisation does not jeopardise the pace of your daily routine.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Conjunction ♀ Venus ☿ Mercury

★★★★★ Valid from Wednesday 14 January 2032 till Saturday 17 January 2032 included (particularly active on Friday 16 January 2032, with an orb of 0°08')

Your emotions powerfully influence what you say and, depending on the level of your self-control, your messages go through smoothly, or your discussions and your exchanges of view are inefficient.

In the course of your negotiations, you manage to strike a chord with your interlocutors and to make them share your enthusiasm. Nevertheless, be careful not to drift into sentimental slush, and do not overuse naive images, lest you should lose credibility.

Short trips or cultural events may offer the opportunity to make new friends or to start a romance. You come across as an open-minded and tolerant person ready for all contacts. In the communication area, the day is not really impressive. Whether at work or at home, you have the feeling that everyone has become deaf. No one hears you and what you say receives no echo. Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. Quietly wait until they get out of their personal bubble!

R Emotions and minor frustrations

Square ☾ Moon ♀ Venus

★★★★★ Valid on Thursday 15 January 2032, with an orb of 1°33'

These planets are linked by an opposition in your natal chart: the negative effects of this transit may be increased.

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

You are a bundle of nerves right now, and it does not take much to throw you into the whole gamut of the most various emotions. You are unable to rationalise your feelings, and you may get lost in the labyrinth of your heart.

If you practice an artistic activity, you manage to turn it into an outlet for the mosaic of your sensations, your fears, and your aspirations.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

You express yourself on a level tone, and you can put this period to good use to dispel your tensions, your doubts and your misunderstandings, as well as those of the members of your entourage.

There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. You need to isolate yourself for a short while, so you can think, meditate, and perhaps, find the answers to your philosophical questions. Do you have a sudden desire for faraway travels? Should the opportunity arise, don't hesitate! Unless you are contented with long imaginary journeys, the departure of which you constantly postpone... In any case, you are far from material contingencies... What a great wisdom!

Contentment and serenity

Trine ☾ Moon ☉ Sun

★★★★★ Valid on Monday 19 January 2032, with an orb of 1°29'

It is the right time for you to be forgiven for your fits of bad temper and to regain the sympathy that your aloof attitude may have lessened. Above all, it is the right time for innovative projects that radically change life! Things unfold smoothly... On the social and professional planes, everything seems to develop very naturally: you let yourself be carried away by the stream and you carefully avoid all forms of tension or aggressiveness.

However, these planets are linked by a semi-sextile in your natal chart: the negative effects of this transit may be slightly lessened.

You are particularly combative, dynamic, and efficient. To make the most of this state of mind, take daring initiatives, put forward requests, or frankly talk things over with your friends and relatives. Your

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

During several days, strive not to express your anger, your grudge, or your bitterness. Discussions about past squabbles are unwelcome, as they would only rub salt in the wounds and trigger new demands.

In the course of a meeting or of a short trip, and when you draft a mail, or when you talk over the telephone, keep your subconscious under control. Indeed, it may speak louder than your mind and prompt you to disclose desires that should be kept secret.

Do not get involved in people's disputes, for you would be blamed for meddling in their affairs. Instead of settling the situation, you would only inflame it, due to the distorted perception you have of people and of their real motivations.

You may pretext some unexpected obligations in order to get more freedom of action and spend this leisure time doing what you have not had the time to do. It is the time to take action according to your aspirations, your whims and your dreams... You intensely experience a situation in full transformation. Because of your relatively restless mind, you may not be able to keep this highly complex game under control.

At work, it is certainly the moment to back off and to highlight your complementarities rather than your differences.

Square ♀ Mars ♀ Mercury

★★★★★ Valid from Saturday 24 January 2032 till Thursday 29 January 2032 included (particularly active on Tuesday 27 January 2032, with an orb of 0°06')

These planets are linked by a semi-sextile in your natal chart: the negative effects of this transit may be slightly lessened.

Set aside your claims for the time being, because you are driven by such vehemence that you have every chance to make blunders and to get caught in endless conflicts, both verbally and in writing.

Check your sources again, and try to consider the issue from several various angles, otherwise you will only get an extremely partial and subjective view of the actual facts.

Despite your declining nervous energy, you are forced to brave problems cropping up from all sides, which worsens your exasperation and your impatience.

Conflicts are very likely to break out more particularly during short trips and commutes. Therefore, if you feel unable to keep your self-control, avoid using overcrowded means of transport.

You are focusing on your social life, and you are eager to improve your relations with your collaborators and your colleagues. You are enterprising and relaxed. Moreover, you approach with equal warmth people from all walks of life.

Because you win the trust of everyone, you are able to organise collective leisure activities and parties, or to send out invitations. Your family follows you, and the atmosphere of cheerfulness prevailing among your friends and relatives is catching.

Illusions are on the agenda. As if it were not enough to be absorbed in the contemplation of mere mirages, you are exceedingly influenced by gossips, bad suggestions, as well as by all sorts of blarney.

Beware of murky situations, of more or less pernicious balance of power, and in general, of anything that seems too good to be true. Do not build castles in the air, and do not listen to your intuitions. Similarly, you must never take pleasure in worrying about misfortunes which will never occur.

In the area of health, you may develop psychosomatic illnesses such as allergies or skin rashes.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

★★★★★ Valid from Saturday 21 February 2032 till Monday 15 March 2032 included (particularly active on Wednesday 3 March 2032, with an orb of 0°02')

You have the regrettable tendency to make life difficult for yourself by imagining that crazy and perverse plots are being hatched against you. As a result, you withdraw into yourself, you question the commitments which bind you to your professional or romantic partner, and you focus mainly on the defence of your interests.

You squander your energy when you devise complex strategies which finally prove inefficient. Do not go so far as to fall in your own traps by sowing confusion in people's minds and by spreading false stories, because everyone would think that you are a schemer.

Be honest with yourself, and do not accuse people of bad intentions, for your suspicions are the mere reflections of your unconscious fears.

For the time being, you should postpone all financial investments and speculations.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

More than ever, self-control is indispensable.

During a few days, your intellectual fitness is quite unlikely to be at its top level. You feel that some of the data on which you base your reasoning are difficult to grasp. Do not make useless efforts, and wait until you feel more self-assured, otherwise you may be forgetful and make blunders which are harmful to your communication.

During a few days, you will need to be on your guard. Indeed, your gullibility in the field of human relations is as big as your absent-mindedness in the field of material matters. Therefore, do not take everything you are told for granted. You must at least check the plausibility of the proposals people put forward, otherwise you will become a perfect victim for unscrupulous crooks.

You must also get all your ducks in a row. Also ascertain that you have locked the door of your house or of your car. If you have to contact someone or if you must start a procedure, you must double-check the time and the venue of your meeting before you leave.

Do not believe that a refusal means that everything you are and everything you have done are being questioned. You may be indiscreet or disclose your little secrets inadvertently. Out of laziness, you may also postpone a procedure, a telephone call, or urgent mails. Therefore, you must set yourself a detailed timetable and use it as your safeguard against procrastination.

You are willing to meet with all sorts of people, but the majority of your relations remain quite shallow.

Beware of your subjectivity, for during a few days, it will be at its highest level. Do not question strong affective bonds just because you have erroneous hunches.

You must at least check the plausibility of the proposals people put forward, otherwise you will become a perfect victim for unscrupulous crooks.

★★★★★ Valid from Wednesday 7 April 2032 till Thursday 8 April 2032 included

During this period, your intense emotions and deep feelings endow your inner and psychical life with extreme strength. You are hypersensitive and you can switch from laughter to tears with no real reason. Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Unless, enriched with all these emotions, you just let your creativity flow freely...

Curiosity is gnawing at you, and you need to know more about those you love, their secret thoughts, their feelings, and even their most reprehensible «sins».

Your hunger for their somehow scandalous facets may bring about tensions. Moreover, you tend to indulge in pointless gossips and unproductive questioning. Although you find moral torture quite enjoyable, you ought to know when to stop, lest you should upset people, make them feel uncomfortable, and tyrannise them.

Your sensuality is running so high that you can hardly control it. However, there is no excuse for practicing mental sadomasochism.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Wounded pride

Opposition ♀ Mercury ♃ Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Thursday 22 April 2032 till Saturday 24 April 2032 included, this transit is repeated: it previously occurred from 10 April 2031 till 26 April 2031 (particularly active on Friday 23 April 2032, with an orb of 0°00')

Some comments aimed at you may hurt your sensibility. Your skills may be questioned, and people may laugh at you, more or less kindly. Try not to yield to anger, for your opponents would immediately take advantage of you. Instead, you should endeavour to take stock of your work, to polish up your argumentation, and to consider people's requests more seriously.

You have a propensity to make diplomatic lies and to seek ideal excuses; unfortunately, because you tend to botch them and neglect their likeliness, you will not achieve the result you wish to obtain. As you carry out a survey or a research, it is possible that you tinker with the form and that you slack off on the substance. Think it over.

These planets are linked by a quintile in your natal chart: the negative effects of this transit may be slightly lessened.

The climate is not too promising. You are expected to socialise and to get involved in exchanges which you consider futile and which impede your need for seclusion. Similarly, in your work and your studies, you are willing to go at your own pace, but events concur to force you to rush, which brings about careless mistakes and oversights.

Nevertheless, try to preserve a few moments of solitude during which you are protected against all sorts of mishaps and disruptions. Otherwise, you may become ill-tempered and unable to complete what you have to do within the deadlines.

You are suffering from a discrepancy between your pressing need to leap into action and to assert yourself clearly, on the one hand, and your will to achieve mastery and to become an expert, which requires more patience and efforts, on the other hand.

Be wary of your spontaneity, as it may lead you to make premature decisions and to remain stuck in a deadlock, just because you are afraid of being misjudged.

Avoid clear-cut stances as well as sectarian or peremptory remarks. Try to listen more attentively to the members of your entourage. You must also endeavour to figure out which way the wind blows.

In all areas, think twice before provoking a sudden split, because you will refuse to reconsider your decision, which will be harmful.

More than ever, self-control is indispensable.

You are in a talkative and cheerful mood. The narration of your real or embellished prowess thrills your friends and relatives. This contributes to spread joie de vivre around you and draws the members of your entourage closer to each other.

Unfortunately, once the excitement starts to fade away, many of the projects you mentioned verbally may fall through.

Strive to get the support of people you are comfortable with, and seek their help and their suggestions in the fields in which they excel. Writing to friends you lost touch with, or calling them, allows you to establish contact with them again. Therefore, this is not the time to be shy.

Doubts and lack of vigilance

★★★★★ Valid from Sunday 25 April 2032 till Saturday 5 June 2032 included, this transit is repeated: it previously occurred from 8 August 2031 till 4 December 2031 (particularly active on Monday 17 May 2032, with an orb of 0°02')

You are torn between your desire for solitude, your dread of new commitments, and mind-boggling events which might sow the seeds of doubt in you. Because you do not understand what is going on, you run the risk of being taken aback by some of your friends and relatives' reactions.

However, you do not attempt to interfere in their life, for you are unwilling to get into trouble. In addition, you fear that your system of thought might be called into question by incomprehensible and

illogical facts. Do not bury your head in the sand so readily, because the only result you would get is a stronger propensity to deny the evidence.

Encourage dialogue. Use your intuition to grasp the implicit meaning of the suggestions you receive. This might prevent you from falling into a trap and from being robbed by people who try to take advantage of your lack of vigilance.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

Likewise, if you have to hold professional negotiations, or if you are willing to facilitate an agreement or a rapprochement, you will feel a bit disappointed, for you are unable to clearly define your real goals.

You are not feeling too good about yourself, and you consider that your contacts with other people are minor yet recurring sources of inconvenience, of annoyance, and of irritation. If it is at all possible, you would be well-advised to steer clear of meetings and discussions, for you would probably to be in a grumpy, frustrated, and gloomy mood.

Affective exchanges with your romantic partner do not go smoothly. Therefore, should minimise the differences of opinion opposing both of you, so as not to let yourself be carried away and hurl bitter and meaningless recriminations.

Since you lack diplomacy in your profession also, you ought to refrain from meddling in your colleagues' business.

The current climate is not too promising for the expression of your uniqueness. It is preferable to indulge in your passions secretly, so as to avoid malicious gossips.

However, the desire to appal self-righteous people prompts you to break the rule of prudence. If it is at all possible, refrain from doing so, and remember that not everybody is prepared to be challenged overnight.

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

You are being torn between your affective impulses and the demand for clarity and improvement which urges you to ignore your sensitivity and to remain aloof.

Your indecision is so overwhelming that, if you are not cautious, it may upset your daily life by bringing

about tensions with your friends and relatives. You tend to roundly criticise the persons you love and to share your exasperation with them.

Although your need for independence is strong, it is difficult for you to reconcile it with the constraints of social life. When you express yourself, you should back down if you do not want to uselessly hurt people's sensitivities.

The current atmosphere prevents you from having it your way. You champ at the bit, and you behave with nervousness and impulsiveness, driven by the urge to communicate all out and by your desire for absolute forthrightness. Unfortunately, your friends and relatives remain deaf to your suggestions and drag you into pointless arguments that you find frustrating and outrageous.

Even so, try to restrain your restlessness, because you may make blunders or hurl excessive and harsh sentences which will be badly interpreted. On the pretext of efficiency, you must not exaggerate the importance of certain facts and sow confusion in people's minds.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. The prevailing climate prevents you from having it your way. Your friends and relatives split hairs, nitpick over trivial details, and sometimes blame you for petty things. Confronted with simmering aggressiveness, you cannot trust anyone anymore.

However, do not attach too much importance to these nuisances since they are insignificant.

Your professional duties may impinge on your romantic life. Try to keep this issue in perspective without constantly feeling hurt when a slight glitch spoils your pleasure.

R Unbearable constraints and desire for independence

Opposition ♃ Uranus ☉ Sun

★★★★★ Valid from Saturday 22 May 2032 till Saturday 28 August 2032 included, this transit is repeated: it previously occurred from 5 August 2031 till 2 December 2031 (particularly active on Monday 5 July 2032, with an orb of 0°00')

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a semi-sextile in your natal chart: the negative effects of this transit may be slightly lessened.

The wind of rebellion is blowing in your mind, and you cannot bear the slightest constraint, or the most insignificant opposition to your personal choices. The only important thing is your will, and in order to impose it, you finally dare to say 'no' to people or to models that you have feared or respected during many years.

However, since you are not really braced for disruption, you do not know exactly what you should do to get people to abide by your desire for autonomy. As a result, you tend to behave quite frantically. You experiment everything with ardour and boldness, amazed by your own temerity as well as by your contempt for what people might say.

Despite the chaos, you can make the most of this transit if you free yourself from past bonds and if you

enrich your mind with the new data that you have gleaned in the course of your wanderings.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

You do not feel too comfortable right now, because the climate prevailing around you goes against your desires and your affective cravings.

You may be requested to negotiate or to sign an agreement you are not too keen on. Similarly, your activity may force you to deal with people with whom you have little in common. Do not show your reluctance too openly, because it is actually quite superficial. Be careful not to lose the benefit of your past efforts because of an outburst of temper.

As far as your appearance is concerned, do not let the perfect images you see in advertisements or in magazines depress you. Remain true to yourself, and you will feel much better.

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

★ Possible conflicts and rivalries

Opposition ♂ Mars ☉ Sun

★★★★☆ Valid from Sunday 6 June 2032 till Saturday 12 June 2032 included (particularly active on Wednesday 9 June 2032, with an orb of 0°04')

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Because your energy is not properly canalised, it may get wasted in many directions, and it may not yield satisfactory results. In case of wounded pride, you must minimise the issue, for fits of anger are

counterproductive.

Try to calm down, and do not believe that in every remark there is an aggressive intent. People put pressure on you with the will to distract you from your primary goals. Wait a couple of days, and step back to assess the situation. You will realise that you are on the right track and that this is the reason why you arouse a few jealousies.

You may also discover several rivalries at work.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

Intellectual boldness and efficiency

Sextile ♀ Mercury MC Midheaven

★★★★★ Valid from Monday 7 June 2032 till Tuesday 8 June 2032 included, this transit is repeated: it previously occurred from 13 February 2032 till 15 February 2032 (particularly active on Monday 7 June 2032, with an orb of 0°33')

This planet and the MC-IC axis are linked by a sesqui-square in your natal chart: the harmonious effects of this transit may be slightly lessened.

The good mood prevailing at home gives you wings. With the support, the encouragements, and the suggestions of your friends and relatives, you are prepared to make daring moves.

Intellectually speaking, your thorough knowledge of the ins and outs of the context or of the issues you are tackling enables you to catch your adversaries off guard.

Your comments are meaningful, and you smartly use your past experiences to deal with the tasks from which you expect much social reward, but which you find quite intimidating.

Minor tensions with your close friends

☾ Moon in House XI

★★★★★ Valid from Monday 7 June 2032 till Wednesday 9 June 2032 included

During this period, your need for communication may be repressed. Exchanges are not very easy and your sensitivity is a bit shaken up, especially with your friends! Tomorrow is another day... Ask yourself if you don't attach too much importance to the group... And keep in mind that you are definitely able to find solutions to your problems, all by yourself. You can also implement your projects on your own or give them a new orientation, should they stagnate for the time being. You will see, you will gain so much autonomy!

Restlessness and nervousness

Opposition ☾ Moon ♀ Mercury

★★★★★ Valid on Tuesday 8 June 2032, with an orb of 2°18'

You put aside your habits, you shelve all kinds of conformism that have started to smother you. Your entourage is going to be surprised! It is the time to take action according to your aspirations, your whims and your dreams... You intensely experience a situation in full transformation. Ideas abound in such great numbers that you find it difficult to make a synthesis of all the pieces of the jigsaw... Because of your relatively restless mind, you may not be able to keep this highly complex game under control.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

You are being torn between your powerful affective impulses and the cold logic which urges you not to fall into the traps of sentimentality. This may strongly influence your behaviour, and you may shift from the tenderest attention to the most jeering cynicism.

The most important point for you is to manage not to commit yourself and to remain free, emotionally as well as intellectually. People try to win you over and to charm you, so as to get you involved in projects you are not interested in, and with which you may agree, but from which you run away in the end.

Be more straightforward, and give your opinion more assertively if you do not want to become notorious for being a weathercock and even a hypocrite.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

You need to weigh your words during the next few days, for you are prone to clumsiness. As you feel comfortable in the quite euphoric atmosphere surrounding you, you may exaggerate, embellish the truth or make promises you will have a hard time keeping, later on.

Be on your guard, and beware of your boastful tendencies. Do not commit any indiscretions, and do not betray secrets, no matter how insignificant they may seem.

If you are studying, avoid skimming through your subjects, and do not minimise the importance of details.

Relations with your friends and relatives may be upset by the bad manners or the carelessness prevailing on both sides. Ensure that your disorganisation does not jeopardise the pace of your daily routine.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

You are having trouble understanding your feelings and your sensations. You do not know any more what you want, and you have no pronounced likes or dislikes.

Out of lassitude or disenchantment, you try to meet with all sorts of people and to waste your time with all kinds of pleasures without being able to find out what is good for you. You grasp every pretext to stray on the borders of the fantastic, to lose your bearings, and to become ensnared by the most dangerous mirages.

You tend to show your weakness and to be overly accommodating with your friends and relatives. Curb this propensity, because the beneficiaries of your generosity are bound to reproach it to you later on.

Resist the shopping spree temptation, and distinguish what is necessary from what is superfluous.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

These planets are linked by a quintile in your natal chart: the negative effects of this transit may be slightly lessened.

During a few days, you may experience big communication issues. You may feel uncomfortable and clumsy whenever you have to express your thoughts. Moreover, the members of your entourage, who all have their own preoccupations, do not help you establish an open and constructive dialogue.

The organisation of daily duties is fraught with flaws and accumulated delays. This issue may be raised again and play tricks on you. The time has come to sort things out seriously, lest the situation should worsen.

It is most likely that misunderstandings plague your short trips, your mail as well as your telephone conversations and prevent you from doing what you have planned. Exercise some patience, and above all, do not try to force things.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

R Calm down! Tensions are subsiding soon!

Opposition ☾ Moon ♂ Mars

★★★★★ Valid on Thursday 10 June 2032, with an orb of 2°19'

These planets are linked by a sesqui-square in your natal chart: the negative effects of this transit may be slightly increased.

Thrills are on the agenda! Were you seeking intense emotions? There you are. Nevertheless, amid this idyllic climate, clear-sightedness remains indispensable. A glitch is all it takes to jeopardize your plans, a minor incident, the regrettable consequences of which develop as time goes by. Therefore, it is advisable to anticipate and to avoid traps right from the start. Hold back your impatience because feverishness may block the energies of the day. More than ever, self-control is indispensable.

You are blessed with extra vitality and optimism. This stems from the fact that your affective behaviour and your relations with the outside world are in perfect harmony with your deepest aspirations.

You express yourself on a level tone, and you can put this period to good use to dispel your tensions, your doubts and your misunderstandings, as well as those of the members of your entourage.

The undeniable magnetism you exude gives you a peculiar and fascinating charm which enables you to obtain anything you fancy.

The members of your entourage accept quite well the changes you have undertaken, and no matter how bitter the pill to swallow is, you manage to present it in the most attractive manner.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

During a few days, you may feel that your desire for communication is frustrated. Some members of your entourage who abuse their authority may dent your self-confidence. Do not let anyone detract your attention from your projects. Do not change sides just because you are afraid to irritate people or to be criticised.

There is a big gap between your major goals, your initiatives, and your words. The more you let people influence you, the deeper the hiatus. You ought to stand up for your opinions with more determination and more courage.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

R Possible dissipation and disappointments

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

The prevailing circumstances impose several duties which restrict your capacity to take action. In order to satisfy your supervisors and to fulfil your own ambitions, you must opt for stable guiding principles. Unfortunately, you are unable to stick to them for the moment.

Nevertheless, do not wander too much along the way, because your dissipation may make you miss nice

opportunities. Dare to state clearly what you want instead of striving to come across as selfless at all costs. Do not lie about your desires, for disorders and illusions are the main enemies of your success.

In the field of health, you may temporarily suffer from allergy bouts.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

It is likely that you need peace and quietness in order to ponder over your problems and to sort out what is real from what is imaginary. ★★★★★ Valid on Friday 11 June 2032, with an orb of 0°58'

These planets are linked by an opposition in your natal chart: the harmonious effects of this transit may be lessened.

It all starts with a moment of intimacy, a privileged minute that strongly boost your spirits! All of a sudden, everything becomes possible. You begin to dream of more poetry and your contagious tactfulness commands your partner's respect. Let yourself be carried away by the tide since the outcomes can only be positive... On the romantic plane, this is an ideal day to programme a few hours of escape and forget yesterday's misunderstandings. Choose a place conducive to a serene tête-à-tête.

These planets are linked by a sextile in your natal chart: the harmonious effects of this transit may be increased.

This aspect, which occurs twice a year, is significant if it happens during a period of turbulence. It helps you discover unsuspected vital resources and, mocking the proprieties, to plough your furrow according to your wishes and your personal ethics.

You may even be able to discern your shadow zones (who doesn't have any!) and to turn your weaknesses into strengths. Although it is possible that you shine in a quite small coterie, your prestige will glitter more dazzlingly.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Opposition ♄ Saturn ☉ Sun

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

On the one hand, you are willing to show off, to have your merits acknowledged, and to impose your style. On the other hand, you hesitate to implement whatever is necessary for the fulfilment of your ambitions, and you balk at the idea that you have to shift from solitude to public life.

All the delays, the setbacks, and the last minute changes thwarting your projects stem from the fact that you recoil at the prospect of a serious commitment and that you constantly doubt your chances of success.

Although this transit hinders the achievement of your objectives, it is not as fruitless as it may seem. Indeed, it gives you the time to deepen your understanding of your subject, to gather more information, and in a word, to become even more efficient once the obstacles are removed.

Like a radar picking up your close friends' feelings, you need to be in tune with them, you share their happiness or you find the right word to comfort them. You are always there when you are needed and you are caring. Nevertheless, be careful not to become overwhelmed. This lovely day belongs to you, therefore take care of yourself and have fun!

Laziness or whims

Opposition ♀ Venus ☉ Sun

★★★★★ Valid from Sunday 13 June 2032 till Wednesday 16 June 2032 included, this transit is repeated: it previously occurred from 3 May 2031 till 7 May 2031 (particularly active on Tuesday 15 June 2032, with an orb of 0°10')

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

You are inclined to drift off into sweet laziness, but at the last moment, you panic at the thought that you have neglected your major objectives. This upsets the rhythm of your life, and you tend to blame other people for your delays.

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another

planet, assuming that the configuration is identical.

You are suffering from a loss of vitality caused by your lifestyle. You must listen more carefully to the signals your body sends you. You have the painful impression that you are preaching in the wilderness. You also feel that your manager, as well as those who can influence your professional advancement, do not understand you or do not appreciate you.

Although this transit is fleeting, it is true that you do not have the wind in your sails and that your behaviour does not live up to people's expectations. Do not make an issue of your wounded pride. Do not waste your energy striving to put forward demands which, for the time being, would lead to nothing.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

The members of your family support your initiatives and are prepared to go out of their way to help you achieve your ambitions. The atmosphere at home is stimulating, even though it forces you to set aside domestic tasks momentarily.

Do not look for excuses, because the time has come to take action, to change direction, or to start a training course putting you in direct contact with the raw realities of the world of work.

Transformations are needed at home. Therefore, do not hesitate to spend some money if it can make your daily life easier. Since a lot of frankness prevails in your discussions with your parents or your grandparents, you ought to take advantage of it and dispel long-standing resentments.

R Risk of aggressiveness

Opposition ♀ Mercury ♂ Mars

★★★★ Valid from Thursday 17 June 2032 till Saturday 19 June 2032 included, this transit is repeated: it previously occurred from 24 June 2031 till 26 June 2031 (particularly active on Friday 18 June 2032, with an orb of 0°11')

These planets are linked by a semi-sextile in your natal chart: the negative effects of this transit may be slightly lessened.

The current situation does not let you take action according to your desires. Nit-picking explanations or last minute changes may slow down your impetus and, as a result, affect your mood which will become aggressive, demanding, and overly critical.

Do not get carried away by anger, for people are waiting to pounce. Weigh your words carefully. Indeed, even though you have no bellicose intent, people feel that you lack subtlety and that you express yourself in harsh ways.

Remember that some truths are better left untold, and avoid the trap consisting in yielding to provocations.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. In any case, you can't be stopped just like that ...

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

During several days, strive not to express your anger, your grudge, or your bitterness. Discussions about past squabbles are unwelcome, as they would only rub salt in the wounds and trigger new demands.

In the course of a meeting or of a short trip, and when you draft a mail, or when you talk over the telephone, keep your subconscious under control. Indeed, it may speak louder than your mind and prompt you to disclose desires that should be kept secret.

Do not get involved in people's disputes, for you would be blamed for meddling in their affairs. Instead of settling the situation, you would only inflame it, due to the distorted perception you have of people and of their real motivations.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

You are not willing to receive anybody today and you feel like sticking the notice "Do not disturb" at your door. You are not in the mood for dialogue and therefore, communication may be difficult, even with your parents or your children, since the points of dissension deal with the family and daily life themes. In order to feel in security and regain inner calm and peace of mind, you probably need to isolate yourself in your corner or to withdraw into yourself until tensions and worries subside and your good mood is back. Be careful, don't zone out for too long and don't cut yourself off from the world as if you were a hermit...

Likewise, if you have to talk about yourself, or to underline your qualities and your skills, you manage to present yourself in the best possible light. The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. You have the tendency to misjudge your strength and your real possibilities, and therefore to be over-optimistic. For the moment, be wary of any movement of excessive euphoria, and do not count your chickens before they are hatched.

If an encounter has offered happy prospects regarding your professional future, do not believe that you are successful. Sustain your efforts, and keep on taking numerous initiatives until the benefits you covet are granted to you, for good.

You must also control your verbal aggressiveness and refrain from using it all the time, especially when you are addressing high-ranking people. In addition, indiscretions are most likely to fly around you during this short period.

If you practice a sports activity, do not exaggerate. Muscle strains or hernia may be lurking at the corner of a stadium corridor. Likewise, pay special attention to your liver since it may need it.

Dialogue and intuition

Conjunction ☾ Moon ♿ Mercury

★★★★★ Valid on Tuesday 22 June 2032, with an orb of 2°30'

You can expect your relations to be favoured today. Your entourage don't have to spell things out since you are able to easily pick up what they mean. This acute intuition allows you to catch major information! For the time being, the best thing is to pretend you heard nothing, because tomorrow, what you have learnt will prove to be valuable. Do not hesitate to chat and to initiate dialogues, the stake of which will emerge only as the conversation goes by. A fortuitous encounter may trigger something off in your mind.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

★★★★★ Valid from Tuesday 22 June 2032 till Thursday 24 June 2032 included, this transit is repeated: it previously occurred from 28 January 2032 till 31 January 2032 (particularly active on Wednesday 23 June 2032, with an orb of 0°00')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

You ought to beware of your feelings as well as of the reactions they are whispering to your ears. Indeed, your views are quite subjective, and you are unable to set your limits in any area. Although you are driven by nice intentions only and willing to share your pleasures and your joys, you put your foot in your mouth, and you may become bad-mannered and overly exuberant.

Do not meddle into what is happening to your friends and relatives, and think twice before you speak, lest you should commit an indiscretion out of carelessness.

In the romantic area, you find that social conventions or proprieties are suffocating. Be reassured, because this is transient. Try to listen to what your partner wishes to tell you instead of interrupting her and speaking on her behalf.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Bitterness and annoyances

Square ♀ Venus ♄ Saturn (transit to a slow-moving planet)

Your impulses and your affective needs are clashing with the force of old habits and with the severity or the lack of gusto of your friends and relatives. You spare no effort in order to show that you tenderly care for them, but you fail to get them to understand you. As a result, your mood becomes gloomy, and you are overwhelmed by sadness and bitterness. React by indulging in a few selfish pleasures and by devoting yourself to your hobbies.

Communication with the elderly is difficult. This applies also to your exchanges with adolescents, because you have a hard time understanding their fears.

You are experiencing a period during which your vitality and your efficiency are declining. In order not to sink into melancholy, and to preserve your benefits, your natural tendency is to shut yourself away, to draw a clear line between your private life and the outside world, and to steer clear of any disruptive influence.

You may be criticised for being selfish and stingy. You must explain to your friends and relatives that even though you need solitude, concentration, and calm, you do not forget them.

Nevertheless, the overall climate is characterised by dissatisfaction and fears of the future. Therefore, do not get involved in any fight, and do not take any initiative, for your pessimistic view of the situation will be unable to stimulate you.

In the area of health, your skeletal structure or your teeth may become fragile, as well as your ears, which may be prone to inflammation.

This planet and the MC-IC axis are linked by a sesqui-square in your natal chart: the negative effects of this transit may be slightly increased.

During several days, do not make any important decision concerning your professional life. Because you are clumsy and you tend to talk inconsiderately about subjects you do not master, you may incur the criticisms of your colleagues and of your higher-ups.

You may also be taken for an opportunist because you expose naively your plans and your projects. Since your silly mistakes may force you to redo everything from scratch, you ought to be more discreet and to make fewer blunders.

Nothing forces you to take a stand and to express your likes and your dislikes in a categorical manner. Let the dust settle. Give people enough time to prove their worth, but remain vigilant. Indolence may limit your competitiveness and relax your efforts during a few days. Do not make a mountain out of a molehill, and enjoy life to the fullest.

Your feelings are so intense that you need to share them with other people. Your generous impulses, your warmth, and your sweetness can help your friends and relatives keep their spirits up. Do not spare your efforts in this regard, for the harmony you will bring about will be your best reward.

The period is also good for artistic expression. Meetings and outings provide thrills that you can transcend through painting, music, dance, or singing.

You get closer to nice, cheerful, and radiant persons whose company you enjoy heartedly. Along the same lines, friendly and romantic relations are imbued with insouciance, tenderness, and sensuality.

Hardship or stormy discussions

Opposition ☉ Sun ♂ Mars

★★★★★ Valid from Sunday 11 July 2032 till Thursday 15 July 2032 included, this transit is repeated: it previously occurred from 11 July 2031 till 16 July 2031 (particularly active on Tuesday 13 July 2032, with an orb of 0°08')

Owing to external circumstances, you can neither do as you like, nor assert yourself. Stern regulations, and considerations of moral nature imposed by certain members of your entourage or by your immediate superiors, hinder your initiatives.

As your impetus is slowed down, you behave with brusqueness and rudeness. Try to find a positive outlet for this pent-up energy so that it is not released in a way that would harm your interests.

You should also avoid discussing with people you do not know well, for the conversation is very likely to turn sour quickly.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

Thwarted initiatives

Opposition ♂ Mars ♂ Mars

★★★★★ Valid from Sunday 11 July 2032 till Saturday 17 July 2032 included (particularly active on Wednesday 14 July 2032, with an orb of 0°04')

You are not feeling entirely too comfortable. You are forced by the prevailing events to take action in a manner which is totally different from what you are used to. Therefore, you can hardly find your points of reference in a setting where no one shares the way you approach realities.

This may disrupt the rhythm of your actions. The plans you set up and the initiatives you launch may be interrupted at the last moment. Sometimes, you have the unpleasant feeling that your energy is wasted and that it is hindered by much more powerful elements.

Try not to lose your temper, and curb the impetuosity of your movements since they may cause incidents, collisions, and breakages.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

Unreasonable expenses...

☾ Moon in House II

★★★★★ Valid from Monday 12 July 2032 till Tuesday 13 July 2032 included

Attention, place your bets... Rien ne va plus... Financial worries are on the agenda! A friend who lent you money shows up because he wants it back? You receive a call from your banker informing you that you overspent this month? The expected salary increase is put off? Whatever the reason, you are worried and in a bad mood because you don't know how you can solve these problems quickly. In order to forget them, you may be tempted to buy yourself a few presents, but you must beware of "compulsive shopping"! It may be more reasonable to postpone until tomorrow...

Annoyances and... fits of bad temper

Square ☾ Moon ☉ Sun

★★★★★ Valid on Tuesday 13 July 2032, with an orb of 1°04'

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

It is likely that this day is marked with fits of bad temper. You are concerned about your public image and therefore, you are more sensitive than you usually are. The slightest detail offends you... So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. In such a context, it is advisable to cool down and wait until the dust settles before you discuss essential matters. When people get worked up, it may be because you are too pernickety: it is better to slow down.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

R Susceptibility and disenchantment

Square ♀ Venus MC Midheaven

★★★★★ Valid from Tuesday 13 July 2032 till Friday 16 July 2032 included, this transit is repeated: it previously occurred from 18 February 2032 till 21 February 2032 (particularly active on Thursday 15 July 2032, with an orb of 0°31')

This planet and the MC-IC axis are linked by an inconjunction in your natal chart: the negative effects of this transit may be slightly increased.

You are feeling that neither your private nor your professional lives are fully satisfactory. You are mainly preoccupied by annoyances caused by uncontrolled events, by the injustices you undergo, and by the comments aimed at you or at those you love.

Fatigue is sweeping over you, and you must make huge efforts in order to fight your disenchantment.

Nevertheless, you must not pay excessive attention to the disagreements which are hurting your sensitivity, because your imagination tends to exaggerate their actual impact.

During these few days, refrain from making decisions about your family and your social life, for you may underestimate your possibilities, and you may confine yourself to an enclosed and dull universe.

Clumsiness and possible blunders

Square ♀ Mercury MC Midheaven

★★★★★ Valid from Tuesday 13 July 2032 till Wednesday 21 July 2032 included, this transit is repeated: it previously occurred from 29 June 2032 till 6 July 2032 (particularly active on Sunday 18 July 2032, with an orb of 0°05')

This planet and the MC-IC axis are linked by a sesqui-square in your natal chart: the negative effects of this transit may be slightly increased.

During several days, do not make any important decision concerning your professional life. Because you are clumsy and you tend to talk inconsiderately about subjects you do not master, you may incur the criticisms of your colleagues and of your higher-ups.

You may also be taken for an opportunist because you expose naively your plans and your projects. Since your silly mistakes may force you to redo everything from scratch, you ought to be more discreet and to make fewer blunders.

Lack of communication spoils the climate at home. Be more flexible with the members of your family, and stop harping on the setbacks you undergo outside.

Disturbing clarity

Square ☉ Sun ♃ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 13 July 2032 till Saturday 17 July 2032 included, this transit is repeated: it previously occurred from 12 January 2032 till 16 January 2032 (particularly active on Thursday 15 July 2032, with an orb of 0°17')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

This aspect, which occurs twice a year, may help you untangle the hank produced by other influences taking place simultaneously. In a way, you have a split personality, and you face your most secret desires, sometimes the least acceptable ones.

This has nothing to do with madness. This is about becoming aware of shortcomings in your usual behaviour which, unconsciously, cause the failure of some of your undertakings. This transit urges you to set things right.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

This is a day of rest, during which you enjoy being in some exotic dream where poetry prevails over reason... You travel, mentally, at least! The desire to escape is very real and you have difficulties in running your day-to-day business. As a consequence, a few annoyances may crop up, but that is the least of your worries... These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

During this short period, you may notice that your vitality is declining and that dark pessimism prevents you from taking action. It is obvious that you should refrain from taking initiatives since your lack of clear-sightedness, your unfound mistrust, and your aggressiveness do not speak for you.

However, do not go as far as to punish yourself for the faults you feel guilty about. You are overwhelmed by self-destructive instincts, and you must keep them under tight control.

When on the road or in a stadium, do not take any risk. Do not rely on your reflexes, for they are impaired by your suppressed violence.

In the financial area, steer clear of schemes and intrigues, as well as of unhealthy relations. Avoid shady places or people who may arouse old demons.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. A glitch is all it takes to jeopardize your plans, a minor incident, the regrettable consequences of which develop as time goes by. Therefore, it is advisable to anticipate and to avoid traps right from the start. Hold back your impatience because feverishness may block the energies of the day. More than ever, self-control is indispensable.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

You have the regrettable tendency to make life difficult for yourself by imagining that crazy and perverse plots are being hatched against you. As a result, you withdraw into yourself, you question the commitments which bind you to your professional or romantic partner, and you focus mainly on the defence of your interests.

You squander your energy when you devise complex strategies which finally prove inefficient. Do not go so far as to fall in your own traps by sowing confusion in people's minds and by spreading false stories, because everyone would think that you are a schemer.

Be honest with yourself, and do not accuse people of bad intentions, for your suspicions are the mere reflections of your unconscious fears.

For the time being, you should postpone all financial investments and speculations.

Possible delusion...

☾ Moon in House IX

★★★★★ Valid from Tuesday 27 July 2032 till Wednesday 28 July 2032 included

In any case, today, you are far too emotional to seek the absolute and the truth. You would probably be deluded by the answers you might find. It is better to remain realistic... The journey is over... Come down to earth!

Daydreaming and good mood...

Conjunction ☾ Moon ☾ Moon

★★★★★ Valid on Saturday 31 July 2032, with an orb of 1°37'

In your chart, the Moon receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You take advantage of a change in habits or situations and you enhance your daily life... You may pretext some unexpected obligations in order to get more freedom of action and spend this leisure time doing

what you have not had the time to do. Your creativity occupies the place of honour! You tend to let go and to let destiny take action: if it is at all possible, allow the tide to carry you away and do not try to exceedingly control the situation.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Tactlessness and irritability

Square  Mars  Midheaven

During a short period, you may be caught in crossfire. On the one hand, your professional activity requires a great deal of availability in order to tackle unexpected problems. On the other hand, owing to conflicts cropping up at home, the members of your family demand forcibly that you grant them more attention.

It is obvious that you are unable to struggle on many fronts at the same time. Instead of getting irritated, try to explain the situation with calm. Indeed, you get angry quickly, which improves the atmosphere neither at work, nor at home.

Beware of clumsy words. Do not criticise the people whom you deem incompetent, because you may lack leniency, and you run the risk of making enemies.

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

Your affective impulses and needs are clashing with the harsh, cold, and authoritarian or sectarian attitudes of some of your friends and relatives. Far from giving things their actual importance, you take them to heart. This temperament stirs in you sudden, simultaneous, and extreme feelings shifting from sympathy to antipathy.

Spare your sensitivity, and do not believe that you can be happy only when you are facing disconcerting, upsetting, and extravagant situations.

If you are a member of an association or a club, you may react with animosity to some of its participants. Do not display such feelings, because they are neither deep nor long-lasting.

Conjunction Mars Ascendant

★★★★★ Valid from Wednesday 11 August 2032 till Wednesday 18 August 2032 included (particularly active on Sunday 15 August 2032, with an orb of 0°08')

You have the feeling that your vitality is at its highest level, and you are driven by the urge to take action in spite of everyone. Actually, the nature of the area in which you intervene does not really matter, for the most important thing to you is that you exert yourself physically and that additional activities provide a safety valve, a suitable outlet for your energy and your aggressiveness. Practicing a sport is highly recommended.

With your friends and relatives, you exercise your authority with inflexibility, and you strive to solve pending problems with extreme determination. When you want to tell people you are not fond of what you think of them, you go straight to the point. Your forthrightness and your independent mind enable you to break with unhealthy habits. However, you must be careful not to hurt well-meaning persons.

This is an excellent day to make a pause and enjoy your recovered serenity. It is the right time for you to be forgiven for your fits of bad temper and to regain the sympathy that your aloof attitude may have lessened. Above all, it is the right time for innovative projects that radically change life! Things unfold smoothly... On the social and professional planes, everything seems to develop very naturally: you let yourself be carried away by the stream and you carefully avoid all forms of tension or aggressiveness.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

How great it is to be at home! Today, you want to enjoy the comfort and gentleness of your home where you feel good and in security. There, you can dream at leisure of the improvements you want to bring to your cosy little nest for the sake of your family's well being, unless you prefer to dive in the nostalgia of your souvenirs and your photo albums... If you are in a more active mood, you may want to clean up the house from floor to ceiling or you may try to implement your lovely arrangement and decoration ideas... In short, the atmosphere is nice and, if your close friends share your activities, you experience a deep feeling of inner peace.

This planet and the MC-IC axis are linked by a sesqui-quadrate in your natal chart: the negative effects of this transit may be slightly increased.

During several days, do not make any important decision concerning your professional life. Because you are clumsy and you tend to talk inconsiderately about subjects you do not master, you may incur the criticisms of your colleagues and of your higher-ups.

You may also be taken for an opportunist because you expose naively your plans and your projects. Since your silly mistakes may force you to redo everything from scratch, you ought to be more discreet and to make fewer blunders.

Lack of communication spoils the climate at home. Be more flexible with the members of your family, and stop harping on the setbacks you undergo outside.

This aspect, which occurs twice a year, is significant if it happens during a period of turbulence. It helps you discover unsuspected vital resources and, mocking the proprieties, to plough your furrow according to your wishes and your personal ethics.

You may even be able to discern your shadow zones (who doesn't have any!) and to turn your weaknesses into strengths. Although it is possible that you shine in a quite small coterie, your prestige will glitter more dazzlingly.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Today, the danger is that you may indulge in wishful thinking. Therefore, if you want to avoid disappointments, don't get worked up too quickly, especially in the romantic area, and keep your feet on the ground as firmly as possible because your imagination tends to amplify everything. Conversely, you may mistake your fears for the reality. Are you afraid to be less loved? Dispel your worries because love and the simple joys of life remain available, it is just that you have some difficulty in seeing them clearly. Don't worry so much, tomorrow is another day and all your concerns would have vanished...

You may unearth from your drawers a document or a text that you drafted a long time ago and that you can use again in order to back up your current stance.

It is about the victory of determination and persistence. You did not give in, you did not weaken and events prove you right. Now, you can confess that you were not far from the point of no-return... The positive outcome: the impetus is restarted and hurdles are removed. Your fighting spirit seems to be the source of a significant evolution.

During the few next days, you must control the nervousness which spurs you to behave with impatience, recklessness, as well as with physical and psychological inflexibility.

You pushed yourself to the limits so often in the past that you now feel at the end of your rope. However, in a fit of pride, you still persist in struggling against events which are beyond you. The best solution would be to grant yourself a restful break, but it is difficult to get you to listen to reason.

Do not exaggerate too much the disagreements opposing you to the people you love because, out of anger, your words would outrun your thoughts, and you would worsen the situation.

It is quite certain that during this short period you will meet nice persons and that nothing can jeopardise your well-being.

Nevertheless, do not sit on your laurels, and do not let the first flatterer passing by ensnare you with her suave words.

You receive from your friends many invitations and many offers to help. Listen to your desire for entertainment and fantasy, but do not become overly dependent on other people and on their good will.

Decisions regarding your primary goals ought to be taken without further delay. Once you have made the first step, you will realise that you have pushed aside the obstacles which appeared insurmountable to you, just a few days ago.

Your relations with the male members of your entourage are characterised by a very positive emulation.

During a few days, your intellectual fitness is quite unlikely to be at its top level. You feel that some of the data on which you base your reasoning are difficult to grasp. Do not make useless efforts, and wait until you feel more self-assured, otherwise you may be forgetful and make blunders which are harmful to your communication.

Likewise, control your nervousness. Because you stretch yourself too thin, you get rapidly overwhelmed. Try to be as precise as possible in your remarks, and temporarily avoid discussions on matters which are dear to your heart, because nothing positive will come out of them.

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

During a few days, you will need to be on your guard. Indeed, your gullibility in the field of human relations is as big as your absent-mindedness in the field of material matters. Therefore, do not take everything you are told for granted. You must at least check the plausibility of the proposals people put forward, otherwise you will become a perfect victim for unscrupulous crooks.

You must also get all your ducks in a row. Also ascertain that you have locked the door of your house or of your car. If you have to contact someone or if you must start a procedure, you must double-check the time and the venue of your meeting before you leave.

You are very likely to be clumsy when you speak and when you move. Therefore, you run the risk of hurting the sensibilities of persons occupying a higher position than yours.

Moderate your radical judgments, and control your nervousness. Should unexpected mishaps upset your plans, grin and bear it, because trying to speed things up would only bring about new misunderstandings.

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

For quite various reasons, right now, your words do not reflect your real thoughts. This is unintentional and may result from a wrong evaluation of your capacities, and from your interlocutor's state of mind. Nevertheless, even though it is devoid of any cunning, this lack of frankness makes you waste a lot of time. Indeed, it is absolutely certain that, if you declare that you are not seeking such and such benefit, no one will care to offer it to you.

Your vitality is low. It is mainly caused by nervousness, unbalanced diet, and irregular sleep.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

You may also get the impression that everyone intends to harm you. It must be underlined that, despite everything, such attacks are not very serious and that, because you take everything to heart, you tend to pay too much attention to mere absent-mindedness and omissions devoid of malevolence.

Right now, do not strive to hold any thorny negotiation, and do not seek any reconciliation, because your high-strung disposition does not speak for you.

Watch your expenses, for the urge to splurge is nothing but a means to let off steam when your frustrations are overwhelming, and in the end, you will find yourself cluttered with items you do not like at all.

Moreover, instead of a detailed demonstration or a contrite justification, it can offer ideas on how to win the assistance of the members of your entourage, find wise advice, and sometimes even financial aid.

You make friends with people who do not belong to your usual circles, which will enrich the way you look at your fellow creatures. Your tolerance is strengthened by your interactions and by the captivating and moving testimonies provided by your new acquaintances.

These planets are linked by an opposition in your natal chart: the negative effects of this transit may be increased.

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

The natal planet involved in the transit is in your 4th House, the House of your family, your home, your roots or your real estate concerns. Therefore, these matters are likely to be on the agenda during this period.

There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. You need to isolate yourself for a short while, so you can think, meditate, and perhaps, find the answers to your philosophical questions. Do you have a sudden desire for faraway travels? In any case, you are far from material contingencies... What a great wisdom!

Unbearable constraints and desire for independence

Opposition ♃ Uranus ☉ Sun

★★★★★ Valid from Sunday 14 November 2032 till Sunday 27 February 2033 included, this transit is repeated: it previously occurred from 22 May 2032 till 28 August 2032 (particularly active on Wednesday 19 January 2033, with an orb of 0°00')

In your natal chart, the Sun is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a semi-sextile in your natal chart: the negative effects of this transit may be slightly lessened.

The wind of rebellion is blowing in your mind, and you cannot bear the slightest constraint, or the most insignificant opposition to your personal choices. The only important thing is your will, and in order to impose it, you finally dare to say «no» to people or to models that you have feared or respected during many years.

However, since you are not really braced for disruption, you do not know exactly what you should do to get people to abide by your desire for autonomy. As a result, you tend to behave quite frantically. You experiment everything with ardour and boldness, amazed by your own temerity as well as by your contempt for what people might say.

Despite the chaos, you can make the most of this transit if you free yourself from past bonds and if you enrich your mind with the new data that you have gleaned in the course of your wanderings.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

The people who come to you spur you to action. You can put your energy at the service of a collective project, or you can also support a friend or a relative who defends his interests.

Relations with your romantic partner are placed under the seal of passion and emulation, which spices up your life and may offer you exhilarating moments. You can also promote a project dear to her heart and infuse your dynamism into her.

Lawsuits are most likely to be settled unexpectedly. Therefore, do not dismiss proposals made to you in this purpose, even though they seem abrupt to you.

Reprehensible exuberance

Square  Venus  Jupiter (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 16 November 2032 till Friday 19 November 2032 included, this transit is repeated: it previously occurred from 22 June 2032 till 24 June 2032 (particularly active on Thursday 18 November 2032, with an orb of 0°08')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

You ought to beware of your feelings as well as of the reactions they are whispering to your ears. Indeed, your views are quite subjective, and you are unable to set your limits in any area. Although you are driven by nice intentions only and willing to share your pleasures and your joys, you put your foot in your mouth, and you may become bad-mannered and overly exuberant.

Do not meddle into what is happening to your friends and relatives, and think twice before you speak, lest you should commit an indiscretion out of carelessness.

In the romantic area, you find that social conventions or proprieties are suffocating. Be reassured, because this is transient. Try to listen to what your partner wishes to tell you instead of interrupting her and speaking on her behalf.

The natal planet involved in the transit is in your 3rd House. It is more or less closely linked to short trips, studies, relations with close friends or siblings, ordinary contacts and communication in general.

Your impulses and your affective needs are clashing with the force of old habits and with the severity or the lack of gusto of your friends and relatives. You spare no effort in order to show that you tenderly care for them, but you fail to get them to understand you. As a result, your mood becomes gloomy, and you are overwhelmed by sadness and bitterness. React by indulging in a few selfish pleasures and by devoting yourself to your hobbies.

Your dynamism and your boldness are very likely to open many doors for you, even

though it is in fringe or non-conformist circles that you may arouse enthusiasm. You may also share your discoveries and find followers in the field of technology and avant-garde sciences.

Ask yourself if you don't attach too much importance to the group... And keep in mind that you are definitely able to find solutions to your problems, all by yourself. Your communication with your friends and relatives does not flow smoothly. You are unable to find the right arguments to convince them to share your ideas and your projects. You lack flexibility, and you dig your heels in as soon as you hear comments you deem unpleasant or shocking.

Delays or car breakdowns may force you to cancel a short trip you are eager to make. However, do not brood over your disappointment to the extent that you become bitter and grumpy.

Nonchalance and elusive behaviour

Opposition ☉ Sun ☾ Moon

You hardly understand what your desires are right now, and the ensuing lack of organisation may hamper your actions as well as your initiatives. Likewise, as you face the outer reality, you tend to behave with nonchalance. You feel unconcerned, and like the ostrich, you bury your head in the sand.

Do not take the easy way out, and do not make promises that you cannot fulfil; if an outsider meddles in your domestic life, bring him down a peg before you find yourself obeying his orders and his whims.

You ought to avoid lashing out at your romantic partner at the slightest vexation.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

In general, thanks to your more laid-back and less aggressive behaviour, professional meetings unfold more smoothly, and working in cooperation with your colleagues becomes easier.

It may also arouse suspicions and give rise to fatalism.

When not properly used, this aggressiveness may backfire on them, and they will need to watch their movements and their short trips.

Some other people may champ at the bit. They may feel helpless in front of adversaries brimming with vitality and willing to pull the rug from under their feet.

In the communication area, the day is not really impressive. Whether at work or at home, you have the feeling that everyone has become deaf. No one hears you and what you say receives no echo. Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. In the course of a meeting or of a short trip, and when you draft a mail, or when you talk over the telephone, keep your subconscious under control. Indeed, it may speak louder than your mind and prompt you to disclose desires that should be kept secret.

Do not get involved in people's disputes, for you would be blamed for meddling in their affairs. Instead of settling the situation, you would only inflame it, due to the distorted perception you have of people and of their real motivations.

On the other hand, you must refrain from awakening old dormant resentments and from taking a provocative stand.

Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
