Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones, except for the cases of the transits to the slow planets (Jupiter, Saturn, Uranus, Neptune, and Pluto). In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- a yellow star indicating that the transit is important (for Jupiter, Saturn, Uranus, Neptune, or Pluto) or mildly important (for Mars), contrary to the fast-moving planets (the Moon, Mercury, Venus, and the Sun) which have no icon, because they are less important, or quite secondary,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance, such as a collective

transit. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact, - the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

The new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Moreover, "collective" transits, i.e. transits to slow-moving planets, are now displayed - even though they are not very active - except for the Moon, because she moves too fast and exerts no significant influence over slow-moving planets.

Besides, our detailed forecasts take into account what is referred to as "slow transits", the most important ones, since they last a long time and are generated by Pluto, Neptune, Uranus, Saturn, Jupiter, and Mars to a lesser extent, and by "fast transits", i.e. those of Mercury, Venus, and the Sun. This means that this report provides at the same time a forecast report and a real diary for small events and feelings.

Slow transits reveal the future climate you may experience and/or feel, whereas fast transits bring about minor fluctuations, although sometimes they may be active. This is the reason why the titles of the slow transits texts are underlined, which is not the case for fast transits; they should be considered as an addition to the main forecasts indicated by slow transits.

Important remark: certain paragraphs are repeated, especially those of the Moon, who moves rapidly and travels around the zodiac in less than a month. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8-9. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

Your May Forecast 2028

★ Insouciance and lack of tact

Square ♀ Venus ♀ Mercury

★★★★ Valid from Monday 15 May till Sunday 21 May included (particularly active on Monday 15 May, with an orb of 0°22')

If your emotional responses are exaggerated, they may temporarily damage your communication with your friends and relatives. You tend to get easily distracted and to behave with insouciance. Moreover, you do not really listen to the information conveyed to you. Whenever you express yourself, you can hardly resist the temptation to open your heart to people you barely know.

You may be indiscreet or disclose your little secrets inadvertently. Out of laziness, you may also postpone a procedure, a telephone call, or urgent mails. Therefore, you must set yourself a detailed timetable and use it as your safeguard against procrastination.

You are willing to meet with all sorts of people, but the majority of your relations remain quite shallow.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

★ Success and professional or social promotion

Conjunction ♃ Jupiter MC Midheaven

★★★★★ Valid from Monday 15 May till Wednesday 21 June included (particularly active on Monday 15 May, with an orb of 0°23')

The period is promising for the improvement of your professional situation. It is more about the crowning and the public recognition for your efforts than about a magic set of circumstances thrusting you into centre stage. Therefore, keep a cool head, and do not rely blindly on your lucky star. It is true that it is shining bright in the sky, but you must work to live up to your reputation if you want it to open for you, later on, a new and tremendously rewarding path.

Having said this, be rest assured that you can rely on the support of providential friends, and that you will manage to jump at good opportunities. People talk about you, and regardless of the laudatory or derogatory nature of their comments, with your sharp flair for public relations, you will take full advantage of the fact that you are in the limelight.

An atmosphere of joy and cordiality prevails in your social life. You can expect to receive very exciting invitations.

Gentleness and tenderness

Conjunction ♀ Venus ☾ Moon

★★★★★ Valid from Monday 15 May till Thursday 18 May included (particularly active on Monday 15 May, with an orb of 1°55')

In your chart, the Moon receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

Your domestic life and your family are the focus of your attention. You believe that there is nothing too good for the people who live under your roof, and you dream only of private festivities with the members of your family.

It is the right time to make purchases meant to embellish your home, but you must be careful not to go over the limits of your budget for a passing fad.

You are easily approachable. Your smile, your sweetness, and your leniency are very much sought after. Because you manage to smooth ruffled feathers, people are grateful to you. Your relations with children are warm and constitute the source of moments of great joy. Indeed, you need few words to understand them, and you know how to make them feel comfortable.

When it comes to romance, you show yourself in your best light.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

★ Eloquent communication and innumerable contacts

Conjunction ♃ Jupiter ☿ Mercury

★★★★★ Valid from Monday 15 May till Monday 10 July included (particularly active on Tuesday 20 June, with an orb of 0°02')

In your chart, Mercury receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You are prepared for all sorts of encounters, and you are enthralled by any discussion. Your curiosity, your open-mindedness, as well as your optimism, draw numerous people to you. You are brilliant and talkative, and you have an answer for everything.

All the new steps you take are promising, for it is difficult to say no to you, whatever your request may be. People from very different walks of life enlarge the circle of your friends.

If your professional activity requires written or oral communication skills, it is most likely that you are unbeatable, and that everyone sings your praises, of course!

Your short trips unfold under auspicious circumstances and offer many opportunities to meet with enjoyable persons. Nevertheless, remain careful, because your extreme adaptability, your flexibility, and your eloquence may lead people to accuse you of opportunism and schemes.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Inspired energy

Trine  Mars  Neptune (transit to a slow-moving planet)

★★★★★ Valid from Monday 15 May till Tuesday 16 May included (particularly active on Monday 15 May, with an orb of 0°57')

You are spurred by an ardent fervour and a militant spirit which prompt you to defend the interests of the social or family group to which you belong. Your generous mind and your spontaneity enable you to convey your message without hindrances. You have the exciting impression that you are devoting yourself to a cause greater than yourself, which gives you a great deal of self-confidence.

In return, an association, a club, or a community may offer you a position of authority which you will take on with extreme enthusiasm.

The period is conducive to artistic inspiration as well as to acute and accurate premonitions. Water sports, yoga, and relaxation are also promising.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Harmful aggressive impulses

Opposition  Mars  Pluto (transit to a slow-moving planet)

★★★☆☆ Valid from Monday 15 May till Sunday 21 May included (particularly active on Thursday 18 May, with an orb of 0°15')

These planets are linked by an opposition in your natal chart: the negative effects of this transit may be increased.

You must remain extremely vigilant and distance yourself from your desires, your aggressive impulses, and your thirst for power. Indeed, you have no more limits, and you are bound to act fiercely and violently without thinking of material concerns. You tolerate no frustration, and you provoke definitive split-ups.

You wallow in tragic and sometimes morbid details. You deal with every situation as if it was the ultimate stage, and this will certainly worsen your restlessness.

In the course of a meeting or of a discussion, you may become overly upset as you hear about a few facts you did not know. You are suspicious and jealous, and you may hatch up dishonest plans in order to protect yourself from what you believe to be the sly deeds of all the persons who are in touch with you.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

★ Feelings of desertion and low spirits

Square ♃ Saturn ♀ Venus

★★★★★ Valid from Monday 15 May till Friday 19 May included (particularly active on Monday 15 May, with an orb of 1°47')

You are going through a period of affective dissatisfaction. Although it is possible that you are actually left out and deserted by your partner or your friends, it is most likely that all this is occurring only in your imagination. Indeed, no one finds favour in your eyes, not even yourself. In addition, you doubt your powers of seduction.

Since you have no taste for parties, for outings and for pleasures, you become isolated, and this may harm your psychological state.

In your negotiations, you lack flexibility and gentleness. You must control yourself if you do not want to come across as a bitter misanthrope no one wants to help. Instead, if you share your worries with reliable friends, you will find much solace.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

★ R Susceptibility and disenchantment

Square ♀ Venus MC Midheaven

★★★★★ Valid from Monday 15 May till Friday 26 May included (particularly active on Monday 22 May, with an orb of 0°08')

This planet and the MC-IC axis are linked by a semi-square in your natal chart: the negative effects of this transit may be slightly increased.

You are feeling that neither your private nor your professional lives are fully satisfactory. You are mainly preoccupied by annoyances caused by uncontrolled events, by the injustices you undergo, and by the

comments aimed at you or at those you love.

Fatigue is sweeping over you, and you must make huge efforts in order to fight your disenchantment. Nevertheless, you must not pay excessive attention to the disagreements which are hurting your sensitivity, because your imagination tends to exaggerate their actual impact.

During these few days, refrain from making decisions about your family and your social life, for you may underestimate your possibilities, and you may confine yourself to an enclosed and dull universe.

Clumsiness and possible blunders

Square  Mercury  Midheaven 

★★★★★ Valid from Monday 15 May till Saturday 27 May included (particularly active on Sunday 21 May, with an orb of 0°50')

This planet and the MC-IC axis are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

During several days, do not make any important decision concerning your professional life. Because you are clumsy and you tend to talk inconsiderately about subjects you do not master, you may incur the criticisms of your colleagues and of your higher-ups.

You may also be taken for an opportunist because you expose naively your plans and your projects. Since your silly mistakes may force you to redo everything from scratch, you ought to be more discreet and to make fewer blunders.

Lack of communication spoils the climate at home. Be more flexible with the members of your family, and stop harping on the setbacks you undergo outside.

Originality under control

Trine  Saturn  Uranus (transit to a slow-moving planet) 

★★★★★ Valid from Monday 15 May till Thursday 22 June included (particularly active on Wednesday 31 May, with an orb of 0°00')

The conjuncture gives you the opportunity to prove your worth and to have your talents acknowledged. You are requested to be specific and to show your spirit of enterprise as well as your independent thinking. Although your decisions are sometimes too clear-cut, they are always judicious and deeply appreciated. You gradually learn to go it alone, which you will find a very rewarding experience.

You manage to combine your eagerness for novelty with your tried and tested know-how. You behave with wisdom, and you fully exploit all the support and all the proposals that your achievements have earned you.

You are able to maintain a good balance in your daily life. Your health improves as you eliminate

unnecessary stress.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Absent-mindedness, nervousness, and setbacks

Square ♃ Neptune ♅ Uranus (transit to a slow-moving planet)

★★★★★ Valid from Monday 15 May till Monday 22 May included (particularly active on Monday 15 May, with an orb of 2°05')

You are unable to clearly understand your desires, and you are prepared to question, by little successive steps, your freedom of mind and of behaviour. Your personal initiatives may be blocked by obstacles which are all the more difficult to overcome that you cannot determine what is thwarting your endeavours.

Absent-mindedness may be the cause of your setbacks.

You must be extremely careful when you express yourself, for you are most likely to make blunders or to disclose your opinions with ambiguity.

Your health may suffer from your nervousness, as you tend abuse stimulants and tranquilisers in alternation, which is bad for your balance and your dynamism.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

R Acknowledged sense of responsibility

Trine ♃ Jupiter ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Monday 15 May till Monday 10 July included (particularly active on Thursday 22 June, with an orb of 0°02')

These planets are linked by an opposition in your natal chart: the harmonious effects of this transit may be lessened.

The period is good for highlighting your personality and for promoting your work as well as your past efforts. You may be entrusted with new responsibilities, and you will not hesitate to accept them. Indeed, you feel in excellent shape, both physically and psychologically.

You manage to find the suitable attitudes and the right word in order to persuade potential co-workers to assist you or to thwart hostile attempts launched by possible competitors or rivals.

If your intellectual background is good, and if you are looking for a job, this transit may help you find a position matching the level of your education or of your experience.

Previous financial investments are most likely to bear fruit. You may consider making a big purchase since the current trends are quite auspicious.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Contacts and pleasant short trips

☾ Moon in House III

★★★★★ Valid from Monday 15 May till Wednesday 17 May included

During this period, you feel like moving around, discovering and learning. Although you probably dream of faraway horizons, short trips are enough to make you happy. Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. In any case, you can't be stopped just like that ...

Professional or financial satisfaction

Sextile ☉ Sun ♃ Jupiter

★★★★★ Valid from Wednesday 17 May till Sunday 21 May included (particularly active on Friday 19 May, with an orb of 0°21')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Your bubbling vitality as well as the great ease you show in any setting earn you nice successes and enable you to have many doors opened for you. You obtain satisfaction, and if you are involved in litigation your rights will be respected. You are also able, courteously yet firmly, to keep at bay whoever outshines you.

Your financial initiatives are fruitful, and thanks to your determination, your debtors reimburse the money they owe you.

This period is good for medical treatments and for starting a traditional therapy.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these

areas.

Sensitivity all on edge...

Square ☾ Moon ☾ Moon

★★★★★ Valid on Thursday 18 May, with an orb of 0°14'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. R Annoyances and... fits of bad temper

Square ☾ Moon ☉ Sun

★★★★★ Valid on Tuesday 23 May, with an orb of 0°57'

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

It is likely that this day is marked with fits of bad temper. You are concerned about your public image and therefore, you are more sensitive than you usually are. The slightest detail offends you... So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. In such a context, it is advisable to cool down and wait until the dust settles before you discuss essential matters. When people get worked up, it may be because you are too pernickety: it is better to slow down.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

R Exacerbated sensitivity

Conjunction ☾ Moon ♂ Mars

★★★★★ Valid on Tuesday 23 May, with an orb of 2°05'

In your chart, Mars receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous. However, these planets are linked by a semi-sextile in your natal chart: the negative effects of this transit may be slightly

lessened.

Your fighting spirit overcomes adversity. You win a battle through sheer energy. It has absolutely nothing to do with triumphing diplomacy, far from that! It is about the victory of determination and persistence. You did not give in, you did not weaken and events prove you right. Now, you can confess that you were not far from the point of no-return... The positive outcome: the impetus is restarted and hurdles are removed. Your fighting spirit seems to be the source of a significant evolution.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

In your chart, Mars receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You are driven by a pressing need to take action, to face up to sheer reality, and to impose your decisions. Depending on your natal predispositions, this transit will produce more or less concrete effects.

If you have developed a strong and well-controlled dynamism in the past, and if you are extremely familiar with the ground on which you are moving, there is nothing you should worry about. Indeed, your initiatives will be fruitful, and your activities will progress significantly.

If you have difficulty in asserting your views, you may get the impression that you are back to square one, bogged down by the same old shyness, and that you have no idea how to break the deadlock.

Nevertheless, you can put this transit to good use if you become aware of the brutal nature of your ambitions, and if you set yourself a clear line of conduct in order to achieve them.

Feeling lonely

☾ Moon in House XII

You probably have a close friend who readily wants to help you. Confide your worries because, as he is more lucid and objective than you, your friend may be able to make you gain awareness of a couple of things. Strength through unity!

Square  Sun  Mercury

★★★★★ Valid from Wednesday 7 June till Sunday 11 June included (particularly active on Friday 9 June, with an orb of 0°22')

For quite various reasons, right now, your words do not reflect your real thoughts. Nevertheless, even though it is devoid of any cunning, this lack of frankness makes you waste a lot of time. Indeed, it is absolutely certain that, if you declare that you are not seeking such and such benefit, no one will care to offer it to you.

Your vitality is low. It is mainly caused by nervousness, unbalanced diet, and irregular sleep.

Moreover, you may be frustrated by your romantic partner and feel, temporarily, that he totally disregards what you may think.

Your relations with other people, especially with a colleague, or your spouse if you are married, are tumultuous and marked by power struggles. You consider your interlocutor as a rival or an immediate challenger. In situations of professional competition, this approach constitutes a tremendous boost. You snatch victory by a hair's breadth, and if unfortunately you are not the winner, you do not give up. You get ready for the fray, and you try to launch a new offensive rapidly.

In the field of romance, fits of anger or overly passionate relations may wreak havoc on your couple or your friendships. Do not listen to your willingness to rule your partner, because you can rest assured that he will not remain passive, and that you will endanger your affection in unnecessary confrontations.

You are not in the mood for dialogue and therefore, communication may be difficult, even with your parents or your children, since the points of dissension deal with the family and daily life themes. In order to feel in security and regain inner calm and peace of mind, you probably need to isolate yourself in your corner or to withdraw into yourself until tensions and worries subside and your good mood is back. Be careful, don't zone out for too long and don't cut yourself off from the world as if you were a hermit...

The current climate is not too promising for the expression of your uniqueness. It is preferable to indulge in your passions secretly, so as to avoid malicious gossips.

However, the desire to appal self-righteous people prompts you to break the rule of prudence. If it is at all possible, refrain from doing so, and remember that not everybody is prepared to be challenged overnight.

The nervousness which keeps you on the alert may lead to exhaustion. Do not take too many stimulants.

You may feel that your romantic partner hinders your need for freedom.

Square ♀ Mercury MC Midheaven

During several days, do not make any important decision concerning your professional life. Because you are clumsy and you tend to talk inconsiderately about subjects you do not master, you may incur the criticisms of your colleagues and of your higher-ups.

You may also be taken for an opportunist because you expose naively your plans and your projects. Since your silly mistakes may force you to redo everything from scratch, you ought to be more discreet and to make fewer blunders.

During a short period, you may be caught in crossfire. On the one hand, your professional activity requires a great deal of availability in order to tackle unexpected problems. On the other hand, owing to conflicts cropping up at home, the members of your family demand forcibly that you grant them more attention.

It is obvious that you are unable to struggle on many fronts at the same time. Instead of getting irritated, try to explain the situation with calm. Indeed, you get angry quickly, which improves the atmosphere neither at work, nor at home.

Beware of clumsy words. Do not criticise the people whom you deem incompetent, because you may lack leniency, and you run the risk of making enemies.

In the field of health, you may temporarily suffer from allergy bouts.

Set aside your claims for the time being, because you are driven by such vehemence that you have every chance to make blunders and to get caught in endless conflicts, both verbally and in writing.

Check your sources again, and try to consider the issue from several various angles, otherwise you will only get an extremely partial and subjective view of the actual facts.

Despite your declining nervous energy, you are forced to brave problems cropping up from all sides, which worsens your exasperation and your impatience.

★★★★★ Valid from Tuesday 4 July till Saturday 8 July included (particularly active on Thursday 6 July, with an orb of 0°04')

These planets are linked by a square in your natal chart: the harmonious effects of this transit may be lessened.

This aspect, which occurs twice a year, is significant if it happens during a period of turbulence. It helps you discover unsuspected vital resources and, mocking the proprieties, to plough your furrow according to your wishes and your personal ethics.

You may even be able to discern your shadow zones (who doesn't have any!) and to turn your weaknesses into strengths. Although it is possible that you shine in a quite small coterie, your prestige will glitter more dazzlingly.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is

likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

your will.

Decisions regarding your primary goals ought to be taken without further delay. Once you have made the first step, you will realise that you have pushed aside the obstacles which appeared insurmountable to you, just a few days ago.

You succeed in imposing yourself with firmness in a male-dominated environment.

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. ★★★★★ Valid on Tuesday 25 July, with an orb of 1°24'

In your chart, Mercury and the Moon form a square: this conjunction is therefore mixed, and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You can expect your relations to be favoured today. Your entourage don't have to spell things out since you are able to easily pick up what they mean. This acute intuition allows you to catch major information! For the time being, the best thing is to pretend you heard nothing, because tomorrow, what you have learnt will prove to be valuable. Do not hesitate to chat and to initiate dialogues, the stake of which will emerge only as the conversation goes by. A fortuitous encounter may trigger something off in your mind.

☾ Moon in House X

★★★★★ Valid from Tuesday 25 July till Wednesday 26 July included

R Danger of impatience and authoritarianism

Opposition ♀ Mars ♂ Uranus (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 26 July till Tuesday 1 August included (particularly active on Saturday 29 July, with an orb of 0°04')

These planets are linked by a sesqui-quadrate in your natal chart: the negative effects of this transit may be slightly increased.

You are suffering from a discrepancy between your pressing need to leap into action and to assert yourself clearly, on the one hand, and your will to achieve mastery and to become an expert, which requires more patience and efforts, on the other hand.

Be wary of your spontaneity, as it may lead you to make premature decisions and to remain stuck in a deadlock, just because you are afraid of being misjudged.

Avoid clear-cut stances as well as sectarian or peremptory remarks. Try to listen more attentively to the members of your entourage. You must also endeavour to figure out which way the wind blows.

In all areas, think twice before provoking a sudden split, because you will refuse to reconsider your decision, which will be harmful.

R Bitterness and danger of dispute

Square ♀ Mercury ♃ Pluto (transit to a slow-moving planet)

★★★☆☆ Valid from Sunday 30 July till Monday 31 July included (particularly active on Monday 31 July, with an orb of 0°26')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

During several days, strive not to express your anger, your grudge, or your bitterness. Discussions about past squabbles are unwelcome, as they would only rub salt in the wounds and trigger new demands.

In the course of a meeting or of a short trip, and when you draft a mail, or when you talk over the telephone, keep your subconscious under control. Indeed, it may speak louder than your mind and prompt you to disclose desires that should be kept secret.

Do not get involved in people's disputes, for you would be blamed for meddling in their affairs. Instead of settling the situation, you would only inflame it, due to the distorted perception you have of people and of their real motivations.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Selflessness and lack of prejudice make you a highly attractive person. You are very much sought after, and your relations with children and adolescents become particularly easy and nice.

These planets are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

During several days, your gesticulations are very unlikely to yield satisfactory results. Do not listen to your impulses, for they are too contradictory and cannot show you which path you should follow.

Likewise, avoid getting overly enthusiastic in the course of your private discussions. Indeed, you lack subtlety, and you tend to blow out proportion of the slightest remark aimed at you. Your adaptation abilities and your eloquence provide you with nice assets when you discuss with a supervisor, or when you want to convince an influential figure to trust you and to support you actively.

You are smart, you do not forget your primary goals, and you manage to sell yourself extremely well, without forsaking your beliefs though.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Opposition ♀ Mars ♃ Neptune (transit to a slow-moving planet)

★★★★★ Valid from Friday 4 August till Friday 11 August included (particularly active on Monday 7 August and on Tuesday 8 August, with an orb of 0.19')

You have the unpleasant feeling that overpowering circumstances, or friends and relatives, are pressing you to behave contrary to your deep-rooted beliefs. You do not know any more where you are heading to. Your perception of reality is distorted. You tend to rush blindly, relying entirely on fate, and to retrace your steps many times, which produces an image of total incoherence.

It is obvious that in the field of pure action and of competition, you are well-advised to wait until this transit ends before taking the slightest decision.

In any case, steer clear of groups, whatever their nature may be, for you may become negatively influenced by them.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

R Disturbing clarity

★★★★★ Valid from Friday 4 August till Tuesday 8 August included (particularly active on Sunday 6 August, with an orb of 0°27')

These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

This aspect, which occurs twice a year, may help you untangle the hank produced by other influences taking place simultaneously. In a way, you have a split personality, and you face your most secret desires, sometimes the least acceptable ones.

This has nothing to do with madness. This is about becoming aware of shortcomings in your usual behaviour which, unconsciously, cause the failure of some of your undertakings. This transit urges you to set things right.

It is the time to take action according to your aspirations, your whims and your dreams... You intensely experience a situation in full transformation. Ideas abound in such great numbers that you find it difficult to make a synthesis of all the pieces of the jigsaw... Because of your relatively restless mind, you may not be able to keep this highly complex game under control.

Sextile ♃ Jupiter ♃ Jupiter

★★★★★ Valid from Thursday 10 August till Friday 1 September included (particularly active on Monday 21 August, with an orb of 0°00')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Your good adaptation to the rules governing life in society, and your expansion-oriented mind enable you to show yourself to advantage in your professional circles. This is how you are most likely to attract the spotlights.

Agreements or contracts can be signed in the best conditions. You may also get a promotion. If you are still a student, there is every chance that your efforts will be rewarded.

★★★★★ Valid from Friday 11 August till Tuesday 15 August included (particularly active on Sunday 13 August, with an orb of 0°13')

These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

During a few days, you should avoid getting involved in quarrels which do not concern you. Indeed, you may utter outrageous or clumsy words, you may make brusque movements, and you may throw a tantrum. Because you are unable to control yourself, you are most likely to express your rebellion and your bitterness too forcefully.

Stormy exchanges of viewpoints with a father figure or with elder brothers are looming and should be avoided if possible, for nothing good can come out of such clashes.

You also tend to be aggressive towards your romantic partner and towards men in general. Physically speaking, you must be careful, because the curtness of your moves may provoke wounds or falls.

In order to forget them, you may be tempted to buy yourself a few presents, but you must beware of "compulsive shopping"! It may be more reasonable to postpone until tomorrow...

R Increased comprehension and sensitivity

Trine ☾ Moon ♀ Mercury

★★★★★ Valid on Wednesday 30 August, with an orb of 0°30'

These planets are linked by a square in your natal chart: the harmonious effects of this transit may be lessened.

You carry out your investigation relentlessly and you try to understand people's motivations. As you find some behaviour intriguing, you ask your entourage questions in order to better figure out what is currently at stake. Is there anything that is hidden from you? It won't take long until you find out. Thanks to your acute and deep clear-sightedness, you quickly guess what is going on... You won't be trapped as your sensitivity on the alert endows you with a sixth sense. No matter how complex the situation may be, you play your game well.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Recklessness and dangers of break-up

Square ♀ Mercury ☽ Uranus (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 30 August till Saturday 2 September included (particularly active on Friday 1 September, with an orb of 0°13')

During a few days, you must control your nervousness and moderate your somewhat excessive and reckless reactions. Sudden movements may provoke innocuous accidents and sprains; but all this can be avoided if you take your time and if you do not try to cope with too many things at the same time.

Your communication with your friends and relatives tend to be arduous. Unless you are willing to get involved in clashes, which is highly inadvisable, you are very likely to witness stormy discussions and heated debates between supporters of traditions and dyed-in-the wool modernists. The ensuing atmosphere is conducive to break-ups with friends or family members.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Absent-mindedness, nervousness, and setbacks

★★★★★ Valid from Thursday 31 August till Tuesday 20 March included, this transit is repeated: it previously occurred from 15 May till 22 May (particularly active on Tuesday 12 December, with an orb of 0°07')

You are unable to clearly understand your desires, and you are prepared to question, by little successive steps, your freedom of mind and of behaviour. Your personal initiatives may be blocked by obstacles which are all the more difficult to overcome that you cannot determine what is thwarting your endeavours.

Absent-mindedness may be the cause of your setbacks.

You must be extremely careful when you express yourself, for you are most likely to make blunders or to disclose your opinions with ambiguity.

Your health may suffer from your nervousness, as you tend abuse stimulants and tranquilisers in alternation, which is bad for your balance and your dynamism.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Emotions and minor frustrations

Opposition ☾ Moon ♀ Venus

★★★★★ Valid on Thursday 31 August, with an orb of 1°00'

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. ★ Protections and conquering energy

Conjunction ♂ Mars ♃ Jupiter

★★★★★ Valid from Thursday 31 August till Thursday 7 September included (particularly active on Sunday 3 September, with an orb of 0°06')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, in your chart, Jupiter receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

This is the right time to get involved in medium-term projects aiming at enhancing your social credibility. You grasp problems thoroughly, you analyse possible hurdles accurately, and you do not get disheartened by the pessimistic pieces advice some naysayers give you.

You are working to build your future, and you can rest assured that the initiatives and the decisions taken during these few days will turn out well and will contribute to strengthen your authority as well as to increase your budget.

You can also win a lawsuit, or file claims which are most likely to be considered. More generally, your

resolutely positive behaviour speaks for you. Both your words and your actions are highly praised.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Your September Forecast 2028

Contacts and pleasant short trips

☾ Moon in House III

★★★★★ Valid from Friday 1 September till Sunday 3 September included

During this period, you feel like moving around, discovering and learning. Although you probably dream of faraway horizons, short trips are enough to make you happy. Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. In any case, you can't be stopped just like that ...

R Annoyances and... fits of bad temper

Opposition ☾ Moon ⊙ Sun

★★★☆☆ Valid on Saturday 2 September, with an orb of 2°34'

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

It is likely that this day is marked with fits of bad temper. You are concerned about your public image and therefore, you are more sensitive than you usually are. The slightest detail offends you... So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. In such a context, it is advisable to cool down and wait until the dust settles before you discuss essential matters. When people get worked up, it may be because you are too pernickety: it is better to slow down.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Conjunction ♀ Venus ♃ Jupiter

★★★★★ Valid from Sunday 3 September till Thursday 7 September included (particularly active on Tuesday 5 September, with an orb of 0°06')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, in your chart, Jupiter receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous. However, these planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

The expanding flow of your emotions is reaching its highest magnitude and intensity. Everything is an opportunity to open your heart. You are unable to hold back and to conceal what you feel, and you readily share your sensations with your friends and relatives.

This transit facilitates all encounters. Under its influence, you are brilliant, courteous, and sociable, but you may also lie and make promises that you do not intend to keep. Therefore, stop your self-indulgence if you do not want to be caught in your own trap.

In the financial area, you can expect significant profits, but you must refrain from overspending.

Sensitivity all on edge...

Square ☾ Moon ☾ Moon

★★★★★ Valid on Monday 4 September, with an orb of 2°10'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

You put aside your habits, you shelve all kinds of conformism that have started to smother you. Your entourage is going to be surprised! It is the time to take action according to your aspirations, your whims and your dreams... You intensely experience a situation in full transformation. Ideas abound in such great numbers that you find it difficult to make a synthesis of all the pieces of the jigsaw... Because of your relatively restless mind, you may not be able to keep this highly complex game under control.

Your heart is longing for passion, and whether it is free or not, you are dreaming of wild conquests, of amorous escapades, and of scuffles filled with fiery love. If your duties prevent you from sowing your wild oats, you must curb your overly romantic apprehension about the world surrounding you.

Your taste for the mysterious may disconcert your friends and relatives. As a result, you give too much credit to certain people's actions. You may also dismiss valuable advice and relevant red flags.

Your sensuality is heightened and offers you much satisfaction. It takes very little to kindle your inspiration. If you practice an artistic activity, you can increase your productivity.

On the other hand, you must refrain from awakening old dormant resentments and from taking a provocative stand.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Minor annoyances at home

☾ Moon in House IV

★★★★★ Valid from Monday 4 September till Wednesday 6 September included

You are not willing to receive anybody today and you feel like sticking the notice "Do not disturb" at your door. You are not in the mood for dialogue and therefore, communication may be difficult, even with your parents or your children, since the points of dissension deal with the family and daily life themes. In order to feel in security and regain inner calm and peace of mind, you probably need to isolate yourself in your corner or to withdraw into yourself until tensions and worries subside and your good mood is back. Be careful, don't zone out for too long and don't cut yourself off from the world as if you were a hermit...

★★★★★ Valid from Tuesday 5 September till Saturday 9 September included (particularly active on Thursday 7 September, with an orb of 0°22')

These planets are linked by a square in your natal chart: the harmonious effects of this transit may be lessened.

This aspect, which occurs twice a year, is significant if it happens during a period of turbulence. It helps you discover unsuspected vital resources and, mocking the proprieties, to plough your furrow according to your wishes and your personal ethics.

You may even be able to discern your shadow zones (who doesn't have any!) and to turn your weaknesses into strengths. Although it is possible that you shine in a quite small coterie, your prestige will glitter more dazzlingly.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

During a few days, you will need to be on your guard. Indeed, your gullibility in the field of human relations is as big as your absent-mindedness in the field of material matters. Therefore, do not take everything you are told for granted. You must at least check the plausibility of the proposals people put forward, otherwise you will become a perfect victim for unscrupulous crooks.

You must also get all your ducks in a row. Also ascertain that you have locked the door of your house or

of your car. If you have to contact someone or if you must start a procedure, you must double-check the time and the venue of your meeting before you leave.

In this respect, you shine by throwing parties and sending out invitations in order to make new acquaintances and to tighten the affective bonds existing between you and your friends and relatives.

With your romantic partner, you are welcoming. You also provide him with sound advice. Nevertheless, if you take the slippery road, you may also overwhelm him with your whims or frighten him with your changing and sometimes superficial behaviour.

If you participate in a negotiation, it is to you that the floor is given, and the least one can say is that you use this opportunity profusely in order to captivate and entrance all those who come close to you.

In your chart, the Moon receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You take advantage of a change in habits or situations and you enhance your daily life... You may pretext some unexpected obligations in order to get more freedom of action and spend this leisure time doing what you have not had the time to do. Your creativity occupies the place of honour! You tend to let go and to let destiny take action: if it is at all possible, allow the tide to carry you away and do not try to exceedingly control the situation.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. ★★★★★ Valid on Thursday 16 November

You are very certainly under the influence of old fears that are resurfacing again. There are days like that. Try not to keep turning over your problems because you would only complicate and increase them. Moreover, it is very likely that you are imagining wrong things! Solitude is not good for you today, don't isolate yourself to escape facts, even though they are unpleasant. You probably have a close friend who readily wants to help you. Confide your worries because, as he is more lucid and objective than you, your friend may be able to make you gain awareness of a couple of things. Strength through unity!

Minor annoyances

☾ Moon in House I

★★★★★ Valid from Friday 17 November till Saturday 18 November included

Your imagination may flare up today and the slightest issue may blow out of proportion because you are over-sensitive to people and things. You are prey to fears and anxiety, without knowing why exactly. Your overflowing emotions make you feel insecure and prompt you to seek comfort and security from

your close friends instead of moving ahead and taking action. You feel paralyzed, unable to do anything and you don't like the image you project. You wish to be taken care of, to be reassured and protected, and to regain your self-confidence. However, don't demand too much from your entourage...

Sensitivity all on edge...

Opposition ☾ Moon ☾ Moon

★★★★★ Valid on Saturday 18 November, with an orb of 2°11'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

R Reprehensible exuberance

Square ♀ Venus ♃ Jupiter

★★★★☆ Valid from Sunday 19 November till Tuesday 21 November included (particularly active on Monday 20 November, with an orb of 0°01')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

You ought to beware of your feelings as well as of the reactions they are whispering to your ears. Indeed, your views are quite subjective, and you are unable to set your limits in any area. Although you are driven by nice intentions only and willing to share your pleasures and your joys, you put your foot in your mouth, and you may become bad-mannered and overly exuberant.

Do not meddle into what is happening to your friends and relatives, and think twice before you speak, lest you should commit an indiscretion out of carelessness.

In the romantic area, you find that social conventions or proprieties are suffocating. Be reassured, because this is transient. Try to listen to what your partner wishes to tell you instead of interrupting him and speaking on his behalf.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Nervousness and blunders

Square ♀ Mercury ♀ Mercury

★★★★★ Valid from Saturday 2 December till Monday 4 December included, this transit is repeated: it previously occurred from 30 June till 3 July (particularly active on Sunday 3 December, with an orb of 0°11')

During a few days, your intellectual fitness is quite unlikely to be at its top level. You feel that some of the data on which you base your reasoning are difficult to grasp. Do not make useless efforts, and wait until you feel more self-assured, otherwise you may be forgetful and make blunders which are harmful to your communication.

Likewise, control your nervousness. Because you stretch yourself too thin, you get rapidly overwhelmed. Try to be as precise as possible in your remarks, and temporarily avoid discussions on matters which are dear to your heart, because nothing positive will come out of them.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

R Pleasant break at work and at home

Sextile ♀ Venus MC Midheaven

★★★★★ Valid from Sunday 3 December till Wednesday 6 December included, this transit is repeated: it previously occurred from 23 August till 26 August (particularly active on Monday 4 December, with an orb of 0°20')

This planet and the MC-IC axis are linked by a semi-square in your natal chart: the harmonious effects of this transit may be slightly lessened.

You are reaping the delicious fruits of your past efforts. What you still have to accomplish now in your professional life seems easy to you, because you have gained a considerable experience, and you have an excellent command of your subject.

To make the most of this transit, devote yourself to your family, and invite old friends you lost sight of. Recalling the past is enjoyable, and you can have a good time in a cosy and quiet atmosphere.

People you have known for a long time send tokens of affection to you, and their words strengthen even more the bonds existing between you and them.

R Whims and nervousness

Opposition ♀ Mercury ☾ Moon

★★★★★ Valid from Sunday 3 December till Tuesday 5 December included (particularly active on Monday 4 December, with an orb of 0°11')

These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

In your everyday life, you find it difficult to combine reflexion and reason with visceral emotional responses with the outside world, on the other hand. When you are taken by surprise, you can hardly stay calm and resist the urge to unleash harsh words or to manifest your more or less uncalled-for frenzy.

You may be forced to make a few last minute trips which will disrupt your family life or the organisation of your usual tasks. Nevertheless, you must cope with these chores. Avoid whimsical or demanding behaviours, because they would prove harmful in the long run.

With the women of your entourage, communication may be frustrating during a couple of days. Therefore, try to play down the importance of these temporary disagreements.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Sense of repartee

Trine ♀ Mercury ☉ Sun

★★★★★ Valid from Monday 4 December till Wednesday 6 December included (particularly active on Tuesday 5 December, with an orb of 0°09')

Your comments are in line with your primary goals. You manage to seize every opportunity to take the floor at the right time. Your eloquence and your wits help you plead your cause before the persons who are in the best position to help you.

You know how to highlight the most constructive features of your projects and how to earn the support of decision-makers. When you carry out an analysis or a research, you display good assimilation faculties, and you get right to the point. If you participate in a discussion involving your interests, you use your arguments with brio and authority.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Hypersensitivity and intuition

☾ Moon in House VIII

★★★★★ Valid from Monday 4 December till Tuesday 5 December included

During this period, your intense emotions and deep feelings endow your inner and psychical life with extreme strength. You are hypersensitive and you can switch from laughter to tears with no real reason. Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Unless, enriched with all these emotions, you just let your creativity flow freely...

Warm contacts

Sextile ♀ Venus ☿ Mercury

★★★★★ Valid from Tuesday 5 December till Friday 8 December included, this transit is repeated: it previously occurred from 25 August till 28 August (particularly active on Wednesday 6 December, with an orb of 0°19')

The overall climate is auspicious for exchanging views as well as for holding discussions and negotiations in an atmosphere of cordiality and mutual tolerance. You ought to make the most of it by putting forward requests and making short trips so as to move closer to the friends and relatives with whom you lost contact.

Unexpected letters and telephone calls offer a great deal of happiness.

In the area of romance, you remain aloof, reluctant to let emotions overwhelm you, and willing above all to protect your independence as well as that of your partner. Flirting, amorous friendships, and light-hearted banter are on the agenda.

You demonstrate excellent skills in your verbal and written communication, and you project of yourself a warm image.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Constructive and responsible feelings

Sextile ♀ Venus ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 5 December till Friday 8 December included (particularly active on Wednesday 6 December, with an orb of 0°32')

Even though you are not in an effusive mood, during a couple of days you are most likely to experience happy emotions worth their weight in gold. Your long-standing affections and friendships grow even

deeper. You give wise pieces of advice to those you love, and you are prepared to support them and to help them.

Your communication flows smoothly with the elderly as well as with people who are withdrawn and whom you cannot always reach out to.

You are aware of your subjectivity, and if you put your romantic needs in perspective, you will understand yourself more clearly.

This is a good time to undertake meticulous decoration or repair works.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Professional tensions or annoyances

Square ☉ Sun MC Midheaven

★★★★★ Valid from Wednesday 6 December till Sunday 10 December included, this transit is repeated: it previously occurred from 5 June till 9 June (particularly active on Friday 8 December, with an orb of 0°08')

This aspect, which occurs twice a year, may indicate professional tensions, especially if other aspects concur. Your willpower, your ideas, your need for self-assertion, or the way you bring yourself to the fore, are not always appreciated.

At work, it is certainly the moment to back off and to highlight your complementarities rather than your differences.

Touchiness and affective indecisiveness

Opposition ♀ Venus ♂ Mars

★★★★★ Valid from Wednesday 6 December till Saturday 9 December included (particularly active on Friday 8 December, with an orb of 0°14')

You are torn between two attitudes. One of them consists in being trusting, open, and smiling. The other one consists in wondering what the words people tell you might conceal, and what sort of rivalry might follow a theoretically nice encounter.

Nothing forces you to take a stand and to express your likes and your dislikes in a categorical manner. Let the dust settle. Give people enough time to prove their worth, but remain vigilant. Indolence may limit your competitiveness and relax your efforts during a few days. Do not make a mountain out of a molehill, and enjoy life to the fullest.

In the romantic area, do not respond to your partner's requests with aggressiveness, because, contrary to what you imagine, he means you no harm.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

Idealism and need to escape

☾ Moon in House IX

★★★★★ Valid from Wednesday 6 December till Friday 8 December included

Today, your horizon line is cloudless. You think big and it is with optimism that you consider the outer world. There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. You need to isolate yourself for a short while, so you can think, meditate, and perhaps, find the answers to your philosophical questions. Do you have a sudden desire for faraway travels? Should the opportunity arise, don't hesitate! Unless you are contented with long imaginary journeys, the departure of which you constantly postpone... In any case, you are far from material contingencies... What a great wisdom!

R Authority, prestige and popularity

Conjunction ☾ Moon ☼ Sun

★★★★★ Valid on Thursday 7 December, with an orb of 1°47'

In your chart, the Sun receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous. However, these planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Your social life has the place of honour. Your qualities are acknowledged without your having to put yourself forward in an exaggerated way. You are in harmony with the ambient mood and you are able to convince your entourage to follow a project that is well devised. You exude some kind of natural aura that reinforces your prestige and endows you with undisputable authority. Take advantage of this favourable astrological climate to implement smoothly the course of action you are dreaming of. You easily find your place within your social and professional environment.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Touchiness and indolence

Square ♀ Venus ☉ Sun

★★★★★ Valid from Thursday 7 December till Sunday 10 December included (particularly active on Saturday 9 December, with an orb of 0°20')

Your whims, your mood swings, or your extreme touchiness may make you come across as a weathercock. Do not straight away follow your emotional impulses, because they are harmful. At work, you may be blamed for being thoughtless and for lacking dynamism.

The current circumstances prompt to laziness. Granted. However, you must not neglect the duties you are entrusted with. It is possible that a father figure, your husband, or a supervisor inflicts a blow to your self-esteem.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Sensitivity all on edge...

Square ☾ Moon ☾ Moon

★★★★★ Valid on Saturday 9 December, with an orb of 1°25'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

Square ☉ Sun ♀ Mercury

★★★★★ Valid from Saturday 9 December till Tuesday 12 December included, this transit is repeated: it previously occurred from 7 June till 11 June (particularly active on Monday 11 December, with an orb of 0°25')

For quite various reasons, right now, your words do not reflect your real thoughts. This is unintentional and may result from a wrong evaluation of your capacities, and from your interlocutor's state of mind. Nevertheless, even though it is devoid of any cunning, this lack of frankness makes you waste a lot of time. Indeed, it is absolutely certain that, if you declare that you are not seeking such and such benefit, no one will care to offer it to you.

Your vitality is low. It is mainly caused by nervousness, unbalanced diet, and irregular sleep.

Moreover, you may be frustrated by your romantic partner and feel, temporarily, that he totally disregards what you may think.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Trine  Moon  Mars

★★★★★ Valid on Saturday 9 December, with an orb of 1°02'

After a few tensions, timely serenity is back. The news is reassuring and, all of a sudden, the steps you have to take seem easier and require no exaggerated effort... It is just about time. In spite of demanding circumstances, you can eventually enjoy some respite and let go. You control your aggressiveness better and you solve problems, one after the other, without clash. You highly value your small daily victories.

 Moon in House X

★★★★★ Valid from Saturday 9 December till Sunday 10 December included

Does a colleague make an unpleasant remark? Are you summoned to your director's office? Is there a lot of idle gossip going around about you? In brief, it seems that your public image is challenged today, and you dread some sort of unpopularity... Don't ask yourself so many questions and try to understand the whys and the hows. There are good days and bad days... Obviously, it is not your day! Therefore, why don't you forget your temporary interpersonal difficulties! Tomorrow is another day... Who's next?

R Nonchalance and elusive behaviour

★★★★★ Valid from Sunday 10 December till Thursday 14 December included (particularly active on Tuesday 12 December, with an orb of 0°05')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

You hardly understand what your desires are right now, and the ensuing lack of organisation may hamper your actions as well as your initiatives. Likewise, as you face the outer reality, you tend to behave with nonchalance. You feel unconcerned, and like the ostrich, you bury your head in the sand.

Do not take the easy way out, and do not make promises that you cannot fulfil; if an outsider meddles in your domestic life, bring him down a peg before you find yourself obeying his orders and his whims.

You must not accept any abuse of authority by a male member of your entourage; you must assert your desires more strongly.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

You may talk about all and nothing pleasantly or you may carry out lengthy debates so as to reinvent a world that is up to your ideals! One thing is certain, the day is going to be gorgeous!

Emotions and minor frustrations

Square ☾ Moon ♀ Venus

★★★★★ Valid on Tuesday 26 December, with an orb of 2°21'

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. You are feeling that neither your private nor your professional lives are fully satisfactory. You are mainly preoccupied by annoyances caused by uncontrolled events, by the injustices you undergo, and by the comments aimed at you or at those you love.

Fatigue is sweeping over you, and you must make huge efforts in order to fight your disenchantment. Nevertheless, you must not pay excessive attention to the disagreements which are hurting your sensitivity, because your imagination tends to exaggerate their actual impact.

During these few days, refrain from making decisions about your family and your social life, for you may underestimate your possibilities, and you may confine yourself to an enclosed and dull universe.

Square ♀ Venus ♀ Mercury

★★★★★ Valid from Friday 29 December till Monday 1 January included, this transit is repeated: it previously occurred from 24 July till 28 July (particularly active on Saturday 30 December, with an orb of 0°19')

If your emotional responses are exaggerated, they may temporarily damage your communication with your friends and relatives. You tend to get easily distracted and to behave with insouciance. Moreover, you do not really listen to the information conveyed to you. Whenever you express yourself, you can hardly resist the temptation to open your heart to people you barely know.

You may be indiscreet or disclose your little secrets inadvertently. Out of laziness, you may also postpone a procedure, a telephone call, or urgent mails. Therefore, you must set yourself a detailed timetable and use it as your safeguard against procrastination.

You are willing to meet with all sorts of people, but the majority of your relations remain quite shallow.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Wounded pride

Opposition ♀ Mercury ♃ Jupiter

★★★★★ Valid from Friday 29 December till Tuesday 2 January included (particularly active on Sunday 31 December, with an orb of 0°30')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Some comments aimed at you may hurt your sensibility. Your skills may be questioned, and people may laugh at you, more or less kindly. Try not to yield to anger, for your opponents would immediately take advantage of you. Instead, you should endeavour to take stock of your work, to polish up your argumentation, and to consider people's requests more seriously.

You have a propensity to make diplomatic lies and to seek ideal excuses; unfortunately, because you tend to botch them and neglect their likeliness, you will not achieve the result you wish to obtain. As you carry out a survey or a research, it is possible that you tinker with the form and that you slack off on the substance. Think it over.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality

You vibrate in unison and the probability that you get along well in many areas is excellent. Take advantage of this nice influence to pass messages and to take initiatives because your partner will receive them positively. In the romantic realm, it is likely that everything is so perfect that words become useless. You may also want to put your sensitivity at the service of some humanitarian work... A lovely altruistic day in sight!

Discomfort and sentimentality

☿ Venus ☾ Moon

★★★★★ Valid from Saturday 30 December till Tuesday 2 January included (particularly active on Sunday 31 December, with an orb of 0°36')

You are in a sullen mood. The most trivial mishap and the slightest misunderstanding are all it takes to make you plunge into perplexity and to raise doubts about people's feelings towards you. Your romantic relations are unsatisfying, and you can hardly stand your routine and the weight of your daily life.

In your work, you are distracted by the merest trifle. Be careful, because your overly emotional approach of things may lead you to make blunders or errors of judgment.

Your duties as a spouse and a mother, if you have children, are weighing you down, and the only thing you can think of is to get away from the narrow limits of your existence.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

R Irritability and volatile impatience

♂ Mars ☿ Uranus (transit to a slow-moving planet)

★★★★★ Valid from Saturday 30 December till Thursday 11 January included (particularly active on Friday 5 January, with an orb of 0°01')

These planets are linked by a sesqui-square in your natal chart: the negative effects of this transit may

be slightly increased.

During the few next days, you must control the nervousness which spurs you to behave with impatience, recklessness, as well as with physical and psychological inflexibility.

You pushed yourself to the limits so often in the past that you now feel at the end of your rope. However, in a fit of pride, you still persist in struggling against events which are beyond you. The best solution would be to grant yourself a restful break, but it is difficult to get you to listen to reason.

Do not exaggerate too much the disagreements opposing you to the people you love because, out of anger, your words would outrun your thoughts, and you would worsen the situation.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Inspiration and enjoyable vagueness

Conjunction ☉ Sun ♃ Neptune (transit to a slow-moving planet)

★★★★★ Valid from Sunday 31 December till Thursday 4 January included (particularly active on Tuesday 2 January, with an orb of 0°16')

The level of your self-confidence enables you to speak on behalf of your loved ones, of your family, of your working group. More generally, you are willing to stand up for a collective ideal. You are very inspired, and your statements are impressive.

Nevertheless, you must avoid the traps some people may set. Be careful not to act against your interests, and beware of the shams which, right now, are particularly dazzling.

You may experience a romantic encounter with an elusive man. The other alternative is that your current partner seems quite impenetrable to you.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Affective misunderstandings

Opposition ♀ Mercury ♀ Venus

★★★★☆ Valid from Sunday 31 December till Saturday 13 January included (particularly active on Wednesday 3 January, with an orb of 0°06')

The prevailing climate prevents you from having it your way. Your friends and relatives split hairs, nitpick over trivial details, and sometimes blame you for petty things. Confronted with simmering aggressiveness, you cannot trust anyone anymore.

However, do not attach too much importance to these nuisances since they are insignificant.

Your professional duties may impinge on your romantic life. Try to keep this issue in perspective without constantly feeling hurt when a slight glitch spoils your pleasure.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Hypersensitivity and intuition

☾ Moon in House VIII

★★★★★ Valid from Sunday 31 December till Tuesday 2 January included

During this period, your intense emotions and deep feelings endow your inner and psychical life with extreme strength. You are hypersensitive and you can switch from laughter to tears with no real reason. Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Unless, enriched with all these emotions, you just let your creativity flow freely...

★★★★★ Valid from Wednesday 3 January till Saturday 6 January included, this transit is repeated: it previously occurred from 5 September till 9 September (particularly active on Friday 5 January, with an orb of 0°25')

These planets are linked by a square in your natal chart: the harmonious effects of this transit may be lessened.

This aspect, which occurs twice a year, is significant if it happens during a period of turbulence. It helps you discover unsuspected vital resources and, mocking the proprieties, to plough your furrow according to your wishes and your personal ethics.

You may even be able to discern your shadow zones (who doesn't have any!) and to turn your weaknesses into strengths. Although it is possible that you shine in a quite small coterie, your prestige will glitter more dazzlingly.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. You need to isolate yourself for a short while, so you can think, meditate, and perhaps, find the answers to your philosophical questions. Do you have a sudden desire for faraway travels? Should the opportunity arise, don't hesitate! Unless you are contented with long imaginary journeys, the departure of which you constantly postpone... In any case, you are far from material contingencies... What a great wisdom!

Square ☾ Moon ☾ Moon

Opposition ☉ Sun ♃ Jupiter

★★★★★ Valid from Wednesday 17 January till Sunday 21 January included (particularly active on Friday 19 January, with an orb of 0°19')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Right now, you feel that you do not fit in with your usual entourage, whether it is social or professional. You have the impression that your attempts aiming at obliging people and at maintaining harmony are not well perceived. Some of your projects may even be rejected downright.

Do not believe that a refusal means that everything you are and everything you have done are being questioned. Actually, people blame you for being tactless and for your tendency to express yourself without considering when and where to do so. Control your propensity to slacken off, for in all areas it may lead you to overstep the mark.

You may feel that you are not supported strongly enough.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Illusions are on the agenda. As if it were not enough to be absorbed in the contemplation of mere mirages, you are exceedingly influenced by gossips, bad suggestions, as well as by all sorts of blarney.

Beware of murky situations, of more or less pernicious balance of power, and in general, of anything that seems too good to be true. Do not build castles in the air, and do not listen to your intuitions. Similarly, you must never take pleasure in worrying about misfortunes which will never occur.

☾ Moon in House VII

★★★★★ Valid from Thursday 25 January till Saturday 27 January included

Today, you don't get bored because you feel the need to reach out to others. Your sensitivity is high and the exchanges with your partner or your entourage arouse various stimulating emotions. You vibrate in unison and the probability that you get along well in many areas is excellent. Take advantage of this nice influence to pass messages and to take initiatives because your partner will receive them positively. In the romantic realm, it is likely that everything is so perfect that words become useless. You may also want to put your sensitivity at the service of some humanitarian work... A lovely altruistic day in sight!

Daydreaming and good mood...

Conjunction ☾ Moon ☽ Moon

★★★★★ Valid on Friday 26 January, with an orb of 1°07'

In your chart, the Moon receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You take advantage of a change in habits or situations and you enhance your daily life... You may pretext some unexpected obligations in order to get more freedom of action and spend this leisure time doing what you have not had the time to do. Your creativity occupies the place of honour! You tend to let go and to let destiny take action: if it is at all possible, allow the tide to carry you away and do not try to exceedingly control the situation.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

R Restlessness and nervousness

Square ☾ Moon ♀ Mercury

★★★★★ Valid on Friday 26 January, with an orb of 0°25'

These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

You put aside your habits, you shelve all kinds of conformism that have started to smother you. Your entourage is going to be surprised! It is the time to take action according to your aspirations, your whims and your dreams... You intensely experience a situation in full transformation. Ideas abound in such great numbers that you find it difficult to make a synthesis of all the pieces of the jigsaw... Because of your relatively restless mind, you may not be able to keep this highly complex game under control.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

Hypersensitivity and intuition

☾ Moon in House VIII

★★★★★ Valid from Sunday 28 January till Monday 29 January included

During this period, your intense emotions and deep feelings endow your inner and psychical life with extreme strength. You are hypersensitive and you can switch from laughter to tears with no real reason. Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Unless, enriched with all these emotions, you just let your creativity flow freely...

Emotions and feelings, such pleasant moments...

Conjunction ☾ Moon ♀ Venus

★★★★★ Valid on Monday 29 January, with an orb of 1°15'

The Moon travels on your natal Venus and your heart is pounding wildly! Everything is conducive to romanticism and finer feelings. Flights of lyricism are on the agenda, of course, provided that you want to find the suitable partner who will understand your frame of mind. In any case, there is little room today for half-hearted and dull loves... You deploy a formidable arsenal of seduction and you play around with lots of tact. Let yourself be carried away by the tide: charming hours are in store for you

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these

areas.

★ Clumsiness and conflicts with higher-ups

Square ♃ Jupiter ♃ Jupiter

★★★★★ Valid from Monday 29 January till Thursday 22 February included (particularly active on Thursday 8 February, with an orb of 2°02')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

You behave with clumsiness, and although your initiatives are inspired by good intentions, they are not too appreciated by high-ranking people or by upholders of traditional values. However, you have allies, but you must polish up your strategy before you take action, because some people may try to set a trap for you.

Refrain from making any indiscretion, for during this transit, gossips are flying around, and everyone is willing to tell one's deceitful story.

In the financial area, it is high time you put your budget in order. Do not underestimate the forthcoming costs, and put an end as rapidly as possible to the uncertainties and to the mess caused by forgetfulness and carelessness.

Physically speaking, you feel in perfect shape. However, you must neither stretch yourself too thin, nor indulge in exhausting leisure activities.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

R Whims and extreme feelings

Opposition ♀ Venus ♃ Jupiter

★★★★★ Valid from Tuesday 30 January till Friday 2 February included (particularly active on Wednesday 31 January, with an orb of 0°02')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

You feel torn between the desire to yield to your affective impulses and the fear that you may be blamed for them. If you start to vent your frustrations, you will become unable to remain reasonable, and you will

make blunders and indiscretions which could backfire on you and hurt your self-esteem. You may also lose all credibility in the eyes of your friends and relatives. Bearing this risk in mind, it is advisable that you tightly rein in your emotions, and that you keep a cool head when you are in society.

In the romantic area, you are inclined to say or to do anything, even though you may smother your partner. Here again, beware of your whimsical tendencies.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Idealism and need to escape

 Moon in House IX

★★★★★ Valid from Tuesday 30 January till Thursday 1 February included

Today, your horizon line is cloudless. You think big and it is with optimism that you consider the outer world. There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. You need to isolate yourself for a short while, so you can think, meditate, and perhaps, find the answers to your philosophical questions. Do you have a sudden desire for faraway travels? Should the opportunity arise, don't hesitate! Unless you are contented with long imaginary journeys, the departure of which you constantly postpone... In any case, you are far from material contingencies... What a great wisdom!

Your February Forecast 2029

 Disturbing clarity

Square  Sun  Pluto (transit to a slow-moving planet)

★★★★★ Valid from Thursday 1 February till Monday 5 February included, this transit is repeated: it previously occurred from 4 August till 8 August (particularly active on Saturday 3 February, with an orb of 0°03')

These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

This aspect, which occurs twice a year, may help you untangle the hank produced by other influences taking place simultaneously. In a way, you have a split personality, and you face your most secret desires, sometimes the least acceptable ones.

This has nothing to do with madness. This is about becoming aware of shortcomings in your usual behaviour which, unconsciously, cause the failure of some of your undertakings. This transit urges you to set things right.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

R Well-being and joie de vivre

Sextile ♀ Venus AS Ascendant

★★★★★ Valid from Thursday 1 February till Sunday 4 February included, this transit is repeated: it previously occurred from 28 October till 31 October (particularly active on Saturday 3 February, with an orb of 0°18')

This planet and your relationship AS-DS axis are linked by a trine in your natal chart: the harmonious effects of this transit may be increased.

Life appears to you in a pleasant, easy, and optimistic light. You gladly accept the proposals and the suggestions made to you. It takes very little to arouse amazement or compassion in you.

It is quite certain that during this short period you will meet nice persons and that nothing can jeopardise your well-being.

Nevertheless, do not sit on your laurels, and do not let the first flatterer passing by ensnare you with his suave words.

You receive from your friends many invitations and many offers to help. Listen to your desire for entertainment and fantasy, but do not become overly dependent on other people and on their good will.

Annoyances and embarrassment

Opposition ♀ Venus ♀ Venus

★★★★★ Valid from Thursday 1 February till Sunday 4 February included (particularly active on Friday 2 February, with an orb of 0°22')

You do not feel too comfortable right now, because the climate prevailing around you goes against your desires and your affective cravings.

You may be requested to negotiate or to sign an agreement you are not too keen on. Similarly, your activity may force you to deal with people with whom you have little in common. Do not show your reluctance too openly, because it is actually quite superficial. Be careful not to lose the benefit of your past efforts because of an outburst of temper.

As far as your appearance is concerned, do not let the perfect images you see in advertisements or in magazines depress you. Remain true to yourself, and you will feel much better.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality

and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Intellectual efficiency

Trine  Mercury  Mars

★★★★★ Valid from Friday 2 February till Wednesday 7 February included, this transit is repeated: it previously occurred from 18 January till 22 January (particularly active on Monday 5 February, with an orb of 0°04')

These planets are linked by a trine in your natal chart: the harmonious effects of this transit may be increased.

You display self-confidence when you participate in a discussion or when you carry out an intellectual work. You mainly concentrate on your projects, you progress in leaps and bounds, and you get rid of pointless details and frills. This attitude is fruitful. It enables you to do an excellent job within a short time span. Moreover, it helps you assert yourself during heated conversations.

This is the right time to claim your dues and to take difficult steps. If you work as an intern, you will find your training very enriching, because you smoothly fit in the team and you are highly competent when you are in the field.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

A few attacks, nothing serious!

 Moon in House X

★★★★★ Valid from Friday 2 February till Saturday 3 February included

Does a colleague make an unpleasant remark? Are you summoned to your director's office? Is there a lot of idle gossip going around about you? In brief, it seems that your public image is challenged today, and you dread some sort of unpopularity... Don't ask yourself so many questions and try to understand the whys and the hows. There are good days and bad days... Obviously, it is not your day! Therefore, why don't you forget your temporary interpersonal difficulties! Tomorrow is another day... Who's next?

Minor tensions with your close friends

☾ Moon in House XI

★★★★★ Valid on Sunday 4 February

During this period, your need for communication may be repressed. Exchanges are not very easy and your sensitivity is a bit shaken up, especially with your friends! Tomorrow is another day... Ask yourself if you don't attach too much importance to the group... And keep in mind that you are definitely able to find solutions to your problems, all by yourself. You can also implement your projects on your own or give them a new orientation, should they stagnate for the time being. You will see, you will gain so much autonomy!

Fruitful quietness

☾ Moon in House XII

★★★★★ Valid from Monday 5 February till Tuesday 6 February included

Even though people have the feeling that you are avoiding them, don't hesitate to zone out if you are so inclined. It is likely that you need peace and quietness in order to ponder over your problems and to sort out what is real from what is imaginary. You also need solitude to assess the situation and to find the right answers to your questions. Silence helps you deepen your thoughts about spirituality and also encourages your meditation. Take full advantage of this short constructive retreat to recharge your batteries...

R Empathy and understanding

These planets are linked by a sextile in your natal chart: the harmonious effects of this transit may be increased.

You will feel in great shape during several days. You show your solidarity to your family, and whenever a relative requires your help, you respond positively, with determination and energy.

The decisions you take regarding the organisation of your routine are good, because they enable you to save time and to increase your efficiency. You are self-confident, you manage to have all doors opened for you, and you are capable of promoting yourself with brio and warmth.

You feel that you are surrounded with affection, which provides the vim to start activities meant to show yourself to advantage.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or

contacts that may influence your conjugal life.

Minor annoyances

☾ Moon in House I

★★★★★ Valid from Wednesday 7 February till Thursday 8 February included

Your imagination may flare up today and the slightest issue may blow out of proportion because you are over-sensitive to people and things. You are prey to fears and anxiety, without knowing why exactly. Your overflowing emotions make you feel insecure and prompt you to seek comfort and security from your close friends instead of moving ahead and taking action. You feel paralyzed, unable to do anything and you don't like the image you project. You wish to be taken care of, to be reassured and protected, and to regain your self-confidence. However, don't demand too much from your entourage...

Sensitivity all on edge...

Opposition ☾ Moon ☽ Moon

★★★★★ Valid on Thursday 8 February, with an orb of 2°20'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

The natal planet involved in the transit is in your 7th House, the House of other people, contracts, associations - including marriage in some cases. This period brings about dynamic encounters or contacts that may influence your conjugal life.

R Contentment and serenity

Trine ☾ Moon ☉ Sun

★★★★★ Valid on Thursday 8 February, with an orb of 0°49'

These planets are linked by a sextile in your natal chart: the harmonious effects of this transit may be increased.

This is an excellent day to make a pause and enjoy your recovered serenity. It is the right time for you to be forgiven for your fits of bad temper and to regain the sympathy that your aloof attitude may have lessened. Above all, it is the right time for innovative projects that radically change life! Things unfold smoothly... On the social and professional planes, everything seems to develop very naturally: you let yourself be carried away by the stream and you carefully avoid all forms of tension or aggressiveness.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

R Clumsy communication and physical rashness

Square ☉ Sun ♂ Mars

★★★★ Valid from Thursday 8 February till Sunday 11 February included, this transit is repeated: it previously occurred from 11 August till 15 August (particularly active on Friday 9 February, with an orb of 0°27')

These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

During a few days, you should avoid getting involved in quarrels which do not concern you. Indeed, you may utter outrageous or clumsy words, you may make brusque movements, and you may throw a tantrum. Because you are unable to control yourself, you are most likely to express your rebellion and your bitterness too forcefully.

Stormy exchanges of viewpoints with a father figure or with elder brothers are looming and should be avoided if possible, for nothing good can come out of such clashes.

You also tend to be aggressive towards your romantic partner and towards men in general. Physically speaking, you must be careful, because the curtness of your moves may provoke wounds or falls.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

Loss of vitality

Opposition ☉ Sun ☉ Sun

★★★★ Valid from Thursday 8 February till Tuesday 13 February included (particularly active on Sunday 11 February, with an orb of 0°25')

You are suffering from a loss of vitality caused by your lifestyle. You must listen more carefully to the signals your body sends you. You have the painful impression that you are preaching in the wilderness. You also feel that your manager, as well as those who can influence your professional advancement, do not understand you or do not appreciate you.

Although this transit is fleeting, it is true that you do not have the wind in your sails and that your behaviour does not live up to people's expectations. Do not make an issue of your wounded pride. Do not waste your energy striving to put forward demands which, for the time being, would lead to nothing.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy,

spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

Unreasonable expenses...

☾ Moon in House II

★★★★★ Valid from Friday 9 February till Sunday 11 February included

Attention, place your bets... Rien ne va plus... Financial worries are on the agenda! A friend who lent you money shows up because he wants it back? You receive a call from your banker informing you that you overspent this month? The expected salary increase is put off? Whatever the reason, you are worried and in a bad mood because you don't know how you can solve these problems quickly. In order to forget them, you may be tempted to buy yourself a few presents, but you must beware of "compulsive shopping"! It may be more reasonable to postpone until tomorrow...

R Increased comprehension and sensitivity

Trine ☾ Moon ♀ Mercury

★★★★★ Valid on Saturday 10 February, with an orb of 0°14'

These planets are linked by a square in your natal chart: the harmonious effects of this transit may be lessened.

You carry out your investigation relentlessly and you try to understand people's motivations. As you find some behaviour intriguing, you ask your entourage questions in order to better figure out what is currently at stake. Is there anything that is hidden from you? It won't take long until you find out. Thanks to your acute and deep clear-sightedness, you quickly guess what is going on... You won't be trapped as your sensitivity on the alert endows you with a sixth sense. No matter how complex the situation may be, you play your game well.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

R Self-control and good mood

Trine ☾ Moon ♂ Mars

★★★★★ Valid on Saturday 10 February, with an orb of 2°10'

These planets are linked by a semi-sextile in your natal chart: the harmonious effects of this transit may be slightly increased.

After a few tensions, timely serenity is back. The news is reassuring and, all of a sudden, the steps you have to take seem easier and require no exaggerated effort... It is just about time. In spite of demanding

circumstances, you can eventually enjoy some respite and let go. You control your aggressiveness better and you solve problems, one after the other, without clash. You highly value your small daily victories.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

Emotions and minor frustrations

Opposition ☾ Moon ♀ Venus

★★★★★ Valid on Sunday 11 February, with an orb of 0°16'

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Irritation and extreme feelings

Square ♀ Venus ♃ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Sunday 11 February till Wednesday 14 February included, this transit is repeated: it previously occurred from 17 September till 20 September (particularly active on Monday 12 February, with an orb of 0°37')

Your affective relations are under stress. You must become aware of your inner aggressiveness instead of suppressing it and denying it in spite of everyone. Indeed, even though you refuse to recognise it, it rules the majority of your actions. It may prompt you to utter offensive words, the impact of which you do not grasp. It may also arouse suspicions and give rise to fatalism.

Your desires and your sensuality are temporarily inhibited. You are frightened by their intensity, and you easily lose your self-control when you are in the presence of your friends and relatives.

In the financial area, you must not heed your impulses, and you must not trust smooth talkers.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Wounded pride

Opposition ♀ Mercury ♃ Jupiter

★★★★★ Valid from Sunday 11 February till Wednesday 14 February included, this transit is repeated: it previously occurred from 11 January till 15 January (particularly active on Tuesday 13 February, with an orb of 0°20')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Some comments aimed at you may hurt your sensibility. Your skills may be questioned, and people may laugh at you, more or less kindly. Try not to yield to anger, for your opponents would immediately take advantage of you. Instead, you should endeavour to take stock of your work, to polish up your argumentation, and to consider people's requests more seriously.

You have a propensity to make diplomatic lies and to seek ideal excuses; unfortunately, because you tend to botch them and neglect their likeliness, you will not achieve the result you wish to obtain. As you carry out a survey or a research, it is possible that you tinker with the form and that you slack off on the substance. Think it over.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Contacts and pleasant short trips

☾ Moon in House III

★★★★★ Valid from Monday 12 February till Wednesday 14 February included

During this period, you feel like moving around, discovering and learning. Although you probably dream of faraway horizons, short trips are enough to make you happy. Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. In any case, you can't be stopped just like that ...

Affective misunderstandings

Opposition ♀ Mercury ♀ Venus

★★★★★ Valid from Tuesday 13 February till Saturday 17 February included, this transit is repeated: it previously occurred from 31 December till 13 January (particularly active on Thursday 15 February, with an orb of 0°04')

The prevailing climate prevents you from having it your way. Your friends and relatives split hairs, nitpick over trivial details, and sometimes blame you for petty things. Confronted with simmering

aggressiveness, you cannot trust anyone anymore.

However, do not attach too much importance to these nuisances since they are insignificant.

Your professional duties may impinge on your romantic life. Try to keep this issue in perspective without constantly feeling hurt when a slight glitch spoils your pleasure.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, it is likely that you feel the impact on these areas.

Sextile ♀ Mercury AS Ascendant

★★★★★ Valid from Wednesday 14 February till Saturday 17 February included, this transit is repeated: it previously occurred from 1 January till 12 January (particularly active on Friday 16 February, with an orb of 0°36')

The current period is excellent for writing letters, making short trips, and going on excursions. Among the matters you are interested in, you are very likely to glean by accident some information which will help you adjust to the situation and make the most of the nice opportunities coming your way.

It is the time to take action according to your aspirations, your whims and your dreams... You intensely experience a situation in full transformation. Because of your relatively restless mind, you may not be able to keep this highly complex game under control.

Home sweet home!

☾ Moon in House IV

★★★★★ Valid from Thursday 15 February till Saturday 17 February included

How great it is to be at home! Today, you want to enjoy the comfort and gentleness of your home where you feel good and in security. There, you can dream at leisure of the improvements you want to bring to your cosy little nest for the sake of your family's well being, unless you prefer to dive in the nostalgia of your souvenirs and your photo albums... If you are in a more active mood, you may want to clean up the house from floor to ceiling or you may try to implement your lovely arrangement and decoration ideas...

In short, the atmosphere is nice and, if your close friends share your activities, you experience a deep feeling of inner peace.

You begin to dream of more poetry and your contagious tactfulness commands your partner's respect. Let yourself be carried away by the tide since the outcomes can only be positive... On the romantic plane, this is an ideal day to programme a few hours of escape and forget yesterday's misunderstandings. Choose a place conducive to a serene tête-à-tête.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Square ♀ Venus ♂ Mars

★★★★★ Valid from Friday 16 February till Monday 19 February included, this transit is repeated: it previously occurred from 23 September till 26 September (particularly active on Sunday 18 February, with an orb of 0°24')

You have the impression that people do not understand the efforts you make in order to help them or to achieve harmony. As a result, you are faced with an indefinable hostility and a general bad mood which thwarts your initiatives aiming at restoring the balance in your professional and romantic relations.

Your sensitivity becomes even more exacerbated, and you shift from cheerfulness to sullenness at the drop of a hat. Rein in your reactions, because biased by your subjectivity, you may turn all events into tragedies.

Do not let your adversaries pull the rug from under your feet without reacting. A dash of passion is all it takes to help you feel good about yourself.

The natal planet involved in the transit is in your 6th House. It deals with daily life, health, maids, work, and the atmosphere with your colleagues or with people working under your responsibility. Therefore, it is likely that these themes are affected by the transit.

This is an excellent day to make a pause and enjoy your recovered serenity. It is the right time for you to be forgiven for your fits of bad temper and to regain the sympathy that your aloof attitude may have lessened. Above all, it is the right time for innovative projects that radically change life! Things unfold smoothly... On the social and professional planes, everything seems to develop very naturally: you let yourself be carried away by the stream and you carefully avoid all forms of tension or aggressiveness.

Because the natal planet receiving the transit is in your 9th House, that of faraway travels - real ones such as journeys in foreign countries - or virtual ones such as abstract centres of interest, philosophy, spirituality, politics, religion etc., it is likely that this period coincides with modifications in these areas.

★★★★★ Valid from Wednesday 7 March till Friday 9 March included, this transit is repeated: it previously occurred from 8 August till 10 August (particularly active on Thursday 8 March, with an orb of 0°08')

Your communication with your friends and relatives does not flow smoothly. You are unable to find the right arguments to convince them to share your ideas and your projects. You lack flexibility, and you dig your heels in as soon as you hear comments you deem unpleasant or shocking.

Delays or car breakdowns may force you to cancel a short trip you are eager to make. However, do not brood over your disappointment to the extent that you become bitter and grumpy.

It is preferable that you wait a couple a days before putting forward a request or before drafting an important letter.

Charm and magnetism

The undeniable magnetism you exude gives you a peculiar and fascinating charm which enables you to obtain anything you fancy.

The members of your entourage accept quite well the changes you have undertaken, and no matter how bitter the pill to swallow is, you manage to present it in the most attractive manner.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Do not let anyone detract your attention from your projects. Do not change sides just because you are afraid to irritate people or to be criticised.

There is a big gap between your major goals, your initiatives, and your words. The more you let people influence you, the deeper the hiatus. You ought to stand up for your opinions with more determination and more courage.

You are likely to have difficulty in expressing yourself with your romantic partner. Here again, it is preferable that you do not get enmeshed in lies just for the sake of avoiding conflict.

Opposition ♀ Venus ☿ Mercury

★★★★★ Valid from Sunday 11 March till Wednesday 14 March included (particularly active on Monday 12 March, with an orb of 0°10')

You are being torn between your powerful affective impulses and the cold logic which urges you not to fall into the traps of sentimentality. This may strongly influence your behaviour, and you may shift from the tenderest attention to the most jeering cynicism.

The most important point for you is to manage not to commit yourself and to remain free, emotionally as well as intellectually. People try to win you over and to charm you, so as to get you involved in projects you are not interested in, and with which you may agree, but from which you run away in the end.

You ought to beware of your feelings as well as of the reactions they are whispering to your ears. Indeed, your views are quite subjective, and you are unable to set your limits in any area. Although you are driven by nice intentions only and willing to share your pleasures and your joys, you put your foot in your mouth, and you may become bad-mannered and overly exuberant.

Do not meddle into what is happening to your friends and relatives, and think twice before you speak, lest you should commit an indiscretion out of carelessness.

In the romantic area, you find that social conventions or proprieties are suffocating. Be reassured, because this is transient. Try to listen to what your partner wishes to tell you instead of interrupting him and speaking on his behalf.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. Therefore, if you want to avoid disappointments, don't get worked up too quickly, especially in the romantic area, and keep your feet on the ground as firmly as possible because your imagination tends to amplify everything. Conversely, you may mistake your fears for the reality. Are you afraid to be less loved? Dispel your worries because love and the simple joys of life remain available, it is just that you have some difficulty in seeing them clearly. Don't worry so much, tomorrow is another day and all your concerns would have vanished...

Emotions and minor frustrations

Square ☾ Moon ♀ Venus

★★★★★ Valid on Saturday 14 April, with an orb of 0°01'

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. You are in a grumpy mood. Nothing finds favour in your eyes, and among the sensations coming from the outside world, you notice only those which stir displeasure, sadness, or disgust.

Brace your heart during the next several days, otherwise you may miss nice opportunities to meet up with friends or lovers, just because you do not know, or you cannot, go with the stream.

If you feel depressed, you can enhance your self-image by offering yourself a gift, by going to the hairdresser or to the beautician. This will help you regain confidence in your charm.

The natal planet involved in the transit is in your 8th House, which symbolizes passion, crises, sexuality and death (in general, not your death, please be reassured), material goods coming from outside such as inheritances, investments, donations or... losses. R Disagreements and little secrets

Opposition ♀ Mercury ♃ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Saturday 14 April till Tuesday 17 April included (particularly active on Monday 16 April, with an orb of 0°38')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

You are in complete disagreement with your friends and relatives, but you fail to clearly explain your reasons to them. The most trivial detail is enough to get you worried, and everything seems a threat to you. Moreover, you have the impression that the members of your entourage are hiding secrets from you and that they sometimes want to harm you or to set you aside. Fight off this negative state of mind.

When you carry out a study, a survey, or a research, you must not let yourself be discouraged by the points you do not understand. Do not give up what you have started, and do not destroy, more or less openly, the result of your past endeavours. Control your feelings of anger and jealousy. Indeed, your aggressiveness and your bitterness would serve no purpose.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

R Thwarted social and professional progress

Square ♃ Jupiter ☷ Saturn (transit to a slow-moving planet)

★★★★☆ Valid from Sunday 15 April till Monday 14 May included, this transit is repeated: it previously occurred from 16 November till 11 December (particularly active on Friday 4 May, with an orb of 0°01')

These planets are linked by an opposition in your natal chart: the negative effects of this transit may be increased.

Your concentration capacities may be impaired by this transit. You tend to stretch yourself too thin and to waste your energy in unfeasible projects. Your actions and your stances are not well inspired. Out of clumsiness, you give of yourself the image of a pernickety, conservative and inefficient person, which harms your professional progress.

Strive to understand better the spirit of the time. If you are totally unable to conceal your beliefs and to be in tune with what the members of your entourage think, you should steer clear of debates, of discussions, and of collective projects.

You must also tread very carefully in the financial area, because you may squander your savings in quite foolish ways.

Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
