# Yearly Forecast for Kristen Stewart

## Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones. In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact,
- the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

Such warnings, sometimes displayed as preambles, constitute valuable additional information for the

analysis of the nature and the importance of the transit. We strongly advise you to read them attentively.

Indeed, the new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Important remark: certain paragraphs are repeated. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

## Your October Forecast

### **R** Efforts and seriousness rewarded

Sextile ♃ Saturn ☉ Sun

★★★★★ Valid from Wednesday 12 October till Monday 26 December included (particularly active on Friday 25 November, with an orb of 0°01')

These planets are linked by a square in your natal chart: the harmonious effects of this transit may be lessened.

Your previous initiatives are finally bearing fruit, and the more polished your work is, the higher you can climb. However, you must carry on with your efforts, because there are still many details you must finalise, and you are expected to deliver a quite meticulous work... unless you are imposing it on yourself.

You may receive the support of a person who is older than you and to whom you hope to succeed once he retires.

Your stamina is good at both the physical and psychological levels. Furthermore, you learn to channel your energy into sports such as athletics or alpinism.

You start a meaningful dialogue with your romantic partner, who offers you relentless support. As a result, your relationship grows deeper.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

### Reflexes and power of action

Trine ♂ Mars ♂ Mars

★★★★★ Valid from Wednesday 12 October till Friday 14 October included (particularly active on Wednesday 12 October, with an orb of 1°50')

Your power of action is reaching its highest level. To put it to good use, impose your initiatives in a frank and straightforward way without spending too much time examining the situation. Your instinctive knowledge of human beings and of the context in which you are moving enables you to score points and to keep very quick reflexes.

You may be bossy with your friends and relatives. You may also force them to behave according to your interests, but on the whole, your courage, your energy and your outspokenness are very much appreciated. This is a good period for starting sports activities and for all types of competitions.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of

your destiny or your career.

## Your November Forecast

### Stamina, assertiveness, and courage

Conjunction ♃ Saturn ♂ Mars

★★★★★ Valid from Monday 14 November till Tuesday 17 January included (particularly active on Friday 23 December, with an orb of 0°01')

In your chart, Mars receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You distance yourself from the projects you are carrying out and from the wars you used to wage. You distinguish clearly the fields in which you must invest your energy from those in which you would waste it. Your impulsiveness and your bouts of aggressiveness are subsiding, and you manage to rein in your temper tantrums. As a result, when you are faced with confrontational situations, you show efficient self-control and a sharp wit.

This period is good for starting a sport requiring a lot of stamina and nerves of steel.

Some people find that you are cold, sometimes cynical or manipulative. In fact, you are only driven by the urge to know yourself better, to find a really suitable path, and to take, calmly yet resolutely, the necessary decisions.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

### Reflexes and power of action

Trine ♂ Mars ♂ Mars

★★★★★ Valid from Tuesday 15 November till Tuesday 29 November included, this transit is repeated: it previously occurred from 12 October till 14 October (particularly active on Wednesday 23 November, with an orb of 0°05')

Your power of action is reaching its highest level. To put it to good use, impose your initiatives in a frank and straightforward way without spending too much time examining the situation. Your instinctive knowledge of human beings and of the context in which you are moving enables you to score points and to keep very quick reflexes.

You may be bossy with your friends and relatives. You may also force them to behave according to your interests, but on the whole, your courage, your energy and your outspokenness are very much appreciated. This is a good period for starting sports activities and for all types of competitions.

## **R** Frankness and promising initiatives

Sextile ♀ Mars ☉ Sun

★★★★★ Valid from Tuesday 22 November till Sunday 4 December included (particularly active on Tuesday 29 November, with an orb of 0°08')

These planets are linked by a sextile in your natal chart: the harmonious effects of this transit may be increased.

You are endowed with a great deal of indomitable energy. Use it to solve all your pending problems. You do not beat about the bush, you raise salutary arguments, and you are self-assured enough to impose your will.

Decisions regarding your primary goals ought to be taken without further delay. Once you have made the first step, you will realise that you have pushed aside the obstacles which appeared insurmountable to you, just a few days ago.

You succeed in imposing yourself with firmness in a male-dominated environment.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

## Social achievement

Conjunction ♄ Saturn MC Midheaven

★★★★★ Valid from Monday 28 November till Monday 23 January included (particularly active on Friday 30 December, with an orb of 0°01')

You are going through a period of social achievement which is more or less fulfilling depending on the efforts you put forward and on the path you chose. If you are comfortable with your area of activity and with the social background to which you belong, there is no doubt that you will be rewarded and lifted to the summit by your co-workers or your colleagues who fully trust you.

But if you have not yet found a job matching your capacities, you may end up feeling lonely, dissatisfied, and rejected. You may even be laid-off.

If you have reached the retirement age, your situation may be painful. Therefore, react by keeping yourself as busy as you can.

## Your December Forecast

### **R** Dynamism and imagination

Trine  Mars  Moon

★★★★★ Valid from Tuesday 6 December till Sunday 18 December included (particularly active on Monday 12 December, with an orb of 0°02')

These planets are linked by a trine in your natal chart: the harmonious effects of this transit may be increased.

This is an excellent period for solving rapidly and with determination the problems pending with your family members or those related to the place where you live.

You are witty, your reactions are quick, and you find colourful retorts which make people laugh and which put them on your side.

If you are a trader, you have a lot on your plate, but this extra work makes you very happy.

Your enlivened imagination helps you deal with the reality of daily events. The hell with unproductive reveries! You manage to adjust your desires to your real possibilities.

You come across as a dynamic person, which prompts some of your friends and relatives to use your services. You do not shirk your responsibilities, and you are concerned about people who are more vulnerable than you.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

### Tenfold increased ardour and strength

Conjunction  Mars  Ascendant

★★★★★ Valid from Monday 12 December till Wednesday 28 December included (particularly active on Monday 19 December, with an orb of 0°08')

You have the feeling that your vitality is at its highest level, and you are driven by the urge to take action in spite of everyone. Actually, the nature of the area in which you intervene does not really matter, for the most important thing to you is that you exert yourself physically and that additional activities provide a safety valve, a suitable outlet for your energy and your aggressiveness. Practicing a sport is highly recommended.

With your friends and relatives, you exercise your authority with inflexibility, and you strive to solve pending problems with extreme determination. When you want to tell people you are not fond of what you think of them, you go straight to the point. Your forthrightness and your independent mind enable you to break with unhealthy habits. However, you must be careful not to hurt well-meaning persons.

A romantic encounter occurring quite unexpectedly in your life is most likely to end up in passion.

## Your January Forecast

★★★★★ Valid from Wednesday 1 March till Wednesday 22 March included (particularly active on Sunday 12 March, with an orb of 0°01')

You are overwhelmed by laziness. You do not feel inclined to take initiatives, and you expect your family or a group of friends to take care of your interests for you. Nevertheless, do not be overly self-centred, because you may be blamed for this later on.

Do not trust the first person you run into, for you may find yourself entangled in murky situations and have difficulty in proving that you acted in good faith.

Conjunction ♄ Saturn ♀ Venus

★★★★★ Valid from Tuesday 14 March till Tuesday 9 May included (particularly active on Friday 7 April, with an orb of 0°01')

You are going through a period during which you are demanding and you doubt your affective commitments. Depending on the context, you distance yourself from a partner whom you deem too thoughtless and who offers nothing constructive. Or you deepen the ties existing between you and your loved ones.

In either case, all your friends, as well as all the people you are drawn to, are passed through the sieve of your cold reasoning, and many among them will be excluded without regret. As you turn over a new leaf, you get the rewarding impression that you have completed a decisive step forward.

If you are practicing an artistic activity, your concerns for aesthetics grow stronger and stronger. You are able to streamline your style after having severely analysed your ancient works.

In your negotiations, you behave with fair play, for you loathe the idea that you should charm or cheat in order to get what you are aiming at. You appraise your interlocutors on the same criteria.

Conjunction ♃ Jupiter ☉ Sun

★★★★★ Valid from Wednesday 22 March till Thursday 13 April included (particularly active on Sunday 2 April, with an orb of 0°03')

In your chart, the Sun receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You are going through a period of optimism, of joie de vivre, and of exteriorisation. You manage to show yourself in your best light, and you must take advantage of this transit to ask for support, to seek protection, or to put forward a request, because your needs are most likely to be met.

In the professional area, it seems that your personality will be in the limelight. You ought to keep your feet on the ground otherwise the flow of good luck will disappear as quickly as it cropped up. Therefore, be concerned with your image, carefully select your allies, and do not be afraid to shoot for the stars when you prepare an agreement or a contract.

Legal issues may arise, but you are able to settle them brilliantly, because you ascertain that you are within your rights.

There is a strong possibility that you meet a man enjoying a high social status. You may also encounter an attractive foreigner.

If you practice an activity dealing with artistic or aesthetic topics, you will be blessed with inspiration, and your hand will follow punctiliously the commands of your mind. If you are involved in situations requiring diplomacy, you will manage to get out of it advantageously. You blend kindness with firmness, and you will come out of such interviews particularly pleased with the results you achieved.

Purchases made during this period will prove wise and will delight you as well as the persons dear to you.

Your dynamism and your enterprising spirit are at their highest level of intensity and efficiency. You take the firm decisions required to protect your interests. Do not be afraid to make mistakes, for all your assessments are accurate. You manage to promote yourself, and you can be propelled to a higher social position.

### Spirit of repartee and numerous contacts

Sextile ♀ Mars ♀ Mercury

★★★★★ Valid from Thursday 6 April till Friday 14 April included (particularly active on Monday 10 April, with an orb of 0°14')

You are full of vitality, brilliant in polemics, firm and final in your decisions, and you take action quickly. You are most likely to make numerous short trips and telephone calls. You may also participate in a host of meetings and, each time, you hit the mark.

You clear up old misunderstandings effortlessly, you initiate rapprochements, you spur stragglers to speed up and thus, you save a lot of valuable time for the next phase of your projects.

You can't be bothered to adjust to the prevailing concerns, and you shake up people's usual way of thinking by asking mind-boggling questions.

This is a quite promising period for all types of manual works.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

### R Susceptibility and conflicts

Square ♀ Mars ☾ Moon

★★★★★ Valid from Tuesday 18 April till Wednesday 26 April included (particularly active on Saturday 22 April, with an orb of 0°05')

These planets are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

Your sensitivity is severely tested during a few days. Intellectual stress or aggressions crop up to upset you right under your roof. Instead of analysing the situation with a cool head, you get carried away by

the surrounding agitation, and you add your panic to that of the members of your entourage.

Do not let unfounded worries overwhelm your thoughts, and preserve several moments of rest for yourself. Weigh your words during family discussions, because your tactlessness may hurt some of your kindred. You are on the defensive, and you tend to exaggerate the meaning of comments aimed at you.

You must pay attention to your stomach, because your digestive system is weakened.

You may exchange biting words with your mother or with a female relative.

The natal planet involved in the transit is in your 5th House, the House of romantic matters, leisure, entertainment, children or creations (artistic ones or others). Therefore, it is likely that this period coincides with a modification of these areas.

## Looming conflicts

Square  Mars  Sun

★★★★★ Valid from Friday 28 April till Friday 5 May included (particularly active on Monday 1 May, with an orb of 0°15')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Your energy is a bit too rash and may lead you to do something reckless, verbally or physically. Your protest-oriented mind gets you involved in polemics which produce no meaningful outcome for the moment. Therefore, think twice before you hurl silly critics at a supervisor or at a high-ranking person.

You should take more time to enjoy life, because you tend to be overworked, and as result, you may be suddenly struck by nervous fatigue.

Conflicts opposing you to your father or to your husband are also possible.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

# Your May Forecast

## In-depth studies and fruitful contacts

Sextile ♄ Saturn ♀ Mercury

★★★★★ Valid from Wednesday 10 May till Wednesday 26 July included (particularly active on Saturday 17 June, with an orb of 1°04')

This period is good for students, and more generally, for those who have been concentrating on the same topic for several months in order to get a good command of it. It will not take long before they get extremely convincing results.

You communicate with the members of your entourage in a quite precise, moderate, conventional, but deep style. Make the most of it by dispelling lingering misunderstandings. Your interlocutors will keep their cool and will demonstrate great intellectual honesty.

This transit is auspicious for short travels as well as for study trips, which will turn out to be fruitful.

Your adaptation abilities are not too great when you are facing disconcerting situations. To compensate for this weakness, you devise a strategy aiming at leading your friends and relatives into domains you are thoroughly familiar with.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

## Explosive situation and dangerous impatience

Square ♅ Uranus ♂ Mars

★★★★★ Valid from Tuesday 16 May till Wednesday 11 October included (particularly active on Wednesday 28 June, with an orb of 0°00')

You are bubbling with intense energy, with overflowing vitality, and with the desire to face people and reality, but the context and its hierarchical constraints have decided otherwise. Therefore, you must summon up your patience in order not to brutally blow up the safety valve, as this would work against your interests.

Weigh your words (easily harsh), your moves (clumsy and sudden), as well as your decisions (hasty and unrealistic). In short, control your impetuosity, and find an outlet for your surplus energy.

Practicing a sport may be excellent, but here again, be careful not to overdo when you are tempted to confront danger.

The natal planet involved in the transit is in your 10th House, the House of career and destiny.

Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

In your professional circles, support from friends or unexpected favours help you progress and show yourself to advantage. Accept them wholeheartedly, and express your gratitude without fearing ulterior motives.

Although you are in a spendthrift mood, at the last minute, you refrain from overstepping your limits, and you do not jeopardise your budget.

If you practice an artistic activity, it is with eagerness that you create. Your works are most likely to receive public acclaim.

The natal planet involved in the transit is in your 10th House, the House of career and destiny. Therefore, it is likely that this period brings about visible and tangible events that influence the course of your destiny or your career.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis.
