Compatibility Report

Introduction: Relationship Analysis

This report integrates all the astrological parameters used by professional astrologers in their comparative studies of a couple's charts, also known as synastry, and uses a comprehensive methodology based on compatibility calculation: we compute the outcome of all the possible combinations existing between two charts and we establish a conjugal index, an affective index, a physical index for the couple's compatibility, and a communication index.

The programme takes eleven major and minor aspects into account, weighing with accuracy formulas for each aspect and rulership. It also analyzes fifteen astrological items (planets and angles, Chiron, Lilith and the Lunar Nodes axis). All the above factors are used for the study of couples and the assessment of our four compatibility ratings or indexes:

The conjugal index

describes the essence of the relationship in view of a marital relationship. It explains the basis and the structure of the link. It is the most important element among the four series of information that are provided here.

The affective index

describes the strength of the sentimental components; it is one of the elements of the relationship structure.

The physical index

gives an idea of the sexual attraction. It indicates only a tendency and you must bear in mind that this very subtle kind of forces may not always express themselves in a constantly equal way, but that they may vary significantly according to other modes of exchange.

The communication index

describes the easy flow of your exchanges, regardless of any affective and physical context. It provides additional and interesting information and may be a binding and amplifying agent among other modes of exchange.

These four indexes or ratings are given a grade between 0% and 100%.

What is the concrete meaning of these ratings? They indicate the smoothness of exchanges between two persons and not the quality of their love. Indeed, both partners retain their own choices, their relationship problems or their peculiarities: therefore, it is possible to get ratings nearing 100% although

the relationship does not have a positive outcome. Please, never forget a few obvious rules and facts such as in the following examples:

- everyone has one's own character and, for instance, if someone has a predisposition for a belated marriage, an encounter at the age of 18 with a compatible person does not necessarily result into a marriage or a relationship, even if the rating is very high.
- each life goes through very different periods. We may not be available for amorous relationships because we are already involved in a couple or because our state of mind is not conducive enough etc. Therefore, meetings with persons with whom ratings are very high do not necessarily result into a relationship.
- some couples may have quite low ratings; this does not mean unhappiness or problems in the relationship. A conjugal rating of 35% or 40% is absolutely not incompatible with a life-long relationship. The ratings cannot really give information on the intensity of your relationship, which defies these types of criteria. We underline again that we are dealing here with smoothness and not with quality and that two persons with an index of 30% or even 10%, will not experience an "inferior" quality of love, compared to a couple with an index of 80%: the difference probably comes from the fact that they will need to put a lot of energy and efforts in the relationship in order to enhance it and to make it last.

Please, do bear in mind that these figures represent a tendency and not a final verdict, because of all the factors we have just explained.

This report describes in detail the characteristics of your couple's relationship, sorted out in order of importance. They are arranged in two chapters, the first one deals with the relationship from an amorous perspective only, while the second chapter deals with its human aspect, not specifically amorous, which is the communication plane; of course, both parts are linked to each other since the relationship forms a whole. Read them once again, you will most probably be amazed and you will see for yourself how accurate they are. However, please bear in mind that a human relationship is complex and may contain contradictions, which our report cannot highlight, for obvious reasons: indeed, the synthesis of the compatibility indexes with their texts is the only tool that allows to understand properly your couple's relationship.

Your four compatibility indexes are provided with a comment regarding their values.

Your personalities

The purpose of this chapter is to describe your psychological portraits and to highlight the most fundamental features on the personal area which may help you understand the way you behave with your partner as soon as you start a romantic relationship. The chapter begins with the analysis of your eleven planetary dominants and outlines your personality's general traits before going into further detail. In this preamble, we advise you to pay special attention to the elements, modes, houses, signs, and planets' dominants. The six other dominants are less important. Your report then delineates the various facets of your personality:

In general, even when relationships are not involved, we express ourselves and we feel according to our character and our personal motivations: this is indicated by the Ascendant and the Sun sign which both give details on the way we function. They shed a tremendously important light which allows to figure out your personality. Here, we describe your Sun sign (your inner self), your Ascendant (your behaviour as seen by others), and the ruler of the Ascendant (interesting additional pieces of information about the style of your personality). These descriptions alone cover nearly a third or a half of your psychological signature, depending on your natal chart characteristics.

Then, we address your sensitivity, or in other words, the way you receive things and how you express your emotions; it works as a constant filter for all your exchanges, even when it becomes a more secondary element in your amorous relationship, because at that moment, affectivity prevails. Sensitivity is the way you perceive things, it is your radar, your daily mood, and at the same time, it indicates how you react to your entourage, on a daily basis. It is what others immediately see of you. In the second paragraph, we explain in which areas of life your sensitivity and your emotions are strongest, therefore, where you are most vulnerable.

After that, it is your affectivity, the way you love and how you charm, that comes into play as soon as you fall in love: the first part indicates its basic structure or its main form. The second part describes the areas where it is best expressed and how you display it, according to your personality.

Another fundamental area deals with your mode of action and your sexuality: how you behave, how you manage to obtain what you want, what kind of desires you have. There are twelve possibilities, very different from one another. The study discloses the specific one that applies to you. In the second paragraph, we explain in which life areas you may most efficiently take advantage of your capacity for action and for conquest.

Your ways of communicating and of thinking are obviously among the major elements that must be integrated into the delineation and the description of your personality. Indeed, they influence your general behaviour and may modify or enhance the image you project (for instance, extraversion may “compensate” a weak affectivity, but a huge number of cases are possible). An additional chapter indicates the favourite areas where you enjoy communicating, thinking and meeting with people.

Besides, we analyze an even more personal aspect that is important to define and understand what may occur within your couple: each of us have a centre of interest, a privileged manner to be fulfilled or to achieve our destiny; this main motivation is indicated by the positions of your Sun and your chart ruler in the astrological houses and we provide you with its detailed description.

A natal chart contains the potential for specific fulfilment and a whole range of assets, protections and qualities. How does the lucky factor manifest in your personality? In which area can you best exploit your qualities? The answers are precisely revealed to you in this chapter.

On the other hand, we all feel in us a part of vulnerability, doubts and fears. How does this part of solemnity play out? How is it possible to handle it in order to evolve and to get rid of useless elements? All this information is provided to you in these two paragraphs.

Then, you can discover three additional traits of your personality that must be considered as secondary ones. They deal with your predispositions, which means that they need to be triggered by external events because they are not influenced by your will; let's call it a part of fate. Please, bear in mind that your destiny can unfold only in accordance with what you are: therefore, even if they belong to your more unconscious self, these characteristics are parts of you, definitely.

The karmic chart complements the psychological portrait or natal chart. It is based on the positions of the Lunar Nodes, the Black Moon, and the Part of Fortune. These elements of the chart, sometimes referred to as fictitious points, provide information about the spiritual meaning of your destiny. Owing to the fact that we all have in us acquired knowledge and the urge to go on a quest, our life is an evolutionary journey... However, these texts must be read with great caution.

Meaning of Stars

Stars indicate the strength of the aspects. Two solid coloured stars (there are half-stars also), mean that the aspect is powerful enough to be noticed at the first reading.

We strongly advise that you read the paragraphs displaying less than two stars later on, after you have absorbed the full import of the other texts.

The yellow colour indicates a soothing and conciliating aspect, and the red colour, a dynamic and tense aspect. The red aspects enable you to evolve, to take action, and to learn to turn your "weaknesses" into assets through your life experiences. The yellow aspects are innate strengths on which you rely in order to grow better with the former...

Preamble

When interpreting a natal chart, the best method is to start gradually from general features to specific ones. Thus, there is usually a plan to be followed, from the overall analysis of the chart and its structure, to the description of its different character traits.

In the first part, an overall analysis of the chart enables us to figure out the personality's main features and to emphasize several points that are confirmed or not in the detailed analysis: in any case, those general traits are taken into account. Human personality is an infinitely intricate entity and describing it is a complex task. Claiming to rapidly summarize it is illusory, although it does not mean that it is an impossible challenge. It is essential to read a natal chart several times in order to absorb all its different meanings and to grasp all this complexity. But the exercise is worthwhile.

In brief, a natal chart is composed of ten planets: two luminaries, the Sun and the Moon, three fast-moving or individual planets, Mercury, Venus and Mars, two slow-moving planets, Jupiter and Saturn, and three very slow-moving planets, Uranus, Neptune and Pluto. Additional secondary elements are: the Lunar Nodes, the Dark Moon or Lilith, Chiron and other minor objects. They are all posited on the Zodiac wheel consisting of twelve signs, from Aries to Pisces, and divided into twelve astrological houses.

The first step is to evaluate the importance of each planet. This is what we call identifying the dominant planets. This process obeys rules that depend on the astrologer's sensitivity and experience but it also has precise and steady bases: thus, we can take into account the parameters of a planet's activity (the number of active aspects a planet forms, the importance of each aspect according to its nature and its exactness), angularity parameters; (proximity to the four angles, Ascendant, Midheaven, Descendant and Imum Coeli or Nadir, all of them being evaluated numerically, according to the kind of angle and the planet-angle distance) and quality parameters (rulership, exaltation, exile and fall). Finally, other criteria such as the rulership of the Ascendant and the Midheaven etc. are important.

These different criteria allow a planet to be highlighted and lead to useful conclusions when interpreting the chart.

The overall chart analysis begins with the observation of three sorts of planetary distributions in the chart: Eastern or Western hemisphere, Northern or Southern hemisphere, and quadrants (North-eastern, North-western, South-eastern and South-western). These three distributions give a general tone in terms of introversion and extraversion, willpower, sociability, and behavioural predispositions.

Then, there are three additional distributions: elements (called triplicity since there are three groups of signs for each one) - Fire, Air, Earth and Water - corresponding to a character typology, modality (or quadruplicity with four groups of signs for each one) - Cardinal, Fixed and Mutable - and polarity (Yin and Yang).

There are three types of dominants: dominant planets, dominant signs and dominant houses. The novice thinks astrology means only "to be Aries" or sometimes, for example, "to be Aries Ascendant Virgo". It is actually far more complex. Although the Sun and the Ascendant alone may reveal a large part of the character - approximately a third or a half of your psychological signature, a person is neither "just the Sun" (called the sign) nor just "the first house" (the Ascendant). Thus, a particular planet's influence

may be significantly increased; a particular sign or house may contain a group of planets that will bring nuances and sometimes weaken the role of the Ascendant, of the Sun sign etc.

Lastly, there are two other criteria: accentuations (angular, succedent and cadent) which are a classification of astrological houses and types of decanates that are occupied (each sign is divided into three decanates of ten degrees each). They provide some additional informations.

These general character traits must not be taken literally; they are, somehow, preparing for the chart reading. They allow to understand the second part of the analysis, which is more detailed and precise. It focuses on every area of the personality and provides a synthesis of all the above-mentioned parameters according to sound hierarchical rules.

As explained in the introduction of your Psychological Portrait report, minor dominants are analysed at the end of Annex 1, for purposes of clarity.

Your Planetary Repartitions

Each quadrant is a combination of the four hemispheres of your birth chart and relates to a character typology. The Southern hemisphere – the top of your chart, around the Midheaven – is associated with extraversion, action, and public life, whereas the Northern hemisphere prompts to introversion, reflexion, and private life. The Eastern hemisphere – the left part, around the Ascendant – is linked to your ego and your willpower, whereas the Western hemisphere indicates how other people influence you, and how flexible you are when you make a decision.

Your Four Quadrants

Letizia, the diurnal South-western quadrant, consisting of the 7th, 8th and 9th houses, prevails in your chart: this sector brings about a thirst for communication and sometimes, a need to take risks in your dealings with others. Relations are a factor of your evolution and your transformation, which you accept serenely. Indeed, what matters to you is the movement and the energy that link you to others and that make you gain more awareness. A kind of rebellion or a desire to get away from it all is rooted in you.

Your Four Quadrants

Felipe, the diurnal South-eastern quadrant, consisting of the 10th, 11th and 12th houses, prevails in your chart: assertion and goals achievement are at the centre of your concerns. You are very keen to implement your dreams and your plans. You achieve your ambitions as soon as possible, whether through an active social life, highly charged friendly relations, or an urge to take actions in order to reap - in the eyes of the world, of course - the rewards of your dynamism. It is likely that spirituality or humanitarian actions are part of your motivations, sometimes at the price of some degree of isolation.

Your Modes, Elements, Polarities and Decanates

Letizia, here are the graphs of your Elements and Modes, based on planets' position and angles in the twelve signs:

Your Four Elements

Letizia, Fire is dominant in your natal chart and endows you with intuition, energy, courage, self-confidence, and enthusiasm! You are inclined to be passionate, you assert your willpower, you move forward, and come hell or high water, you achieve your dreams and your goals. The relative weakness of this element is the difficulty to step back or a kind of boldness that may prompt you to do foolish things.

Cheers for communication and mobility, Letizia! The predominance of Air signs in your chart favours

and amplifies your taste for relations and for all kinds of short trips, whether real (travels) or symbolic (new ideas, mind speculations). You gain in flexibility and adaptability what you lose in self-assertion or in pragmatism.

Your natal chart shows a lack of the Water element, with only 0.00% instead of the average 25%. Whether you are aware of it or not, affective values bring about problems, for you or your close friends. In general, a lack of Water does not necessarily mean that you are unable to love as much as others do. However, you may find it difficult to express the deepness of your heart and of your feelings. In the best cases, you come to terms with it, you adjust, you manage to show more affection or, why not, you pretend to be really affected! In the worst cases, you get into the terrible habit of repressing these essential values and you tend to forget that they are the basis of the richest and strongest bonds between human beings.

Your Four Elements

Like the majority of Earth signs, Felipe, you are efficient, concrete and not too emotional. What matters to you is what you see: you judge the tree by its fruits. Your ideas keep changing, words disappear, but actions and their consequences are visible and remain. Express your sensitivity, even if it means revealing your vulnerability. Emotions, energy and communication must not be neglected; concrete action is meaningless if it is not justified by your heart, your intellect or your enthusiasm.

Cheers for communication and mobility, Felipe! The predominance of Air signs in your chart favours and amplifies your taste for relations and for all kinds of short trips, whether real (travels) or symbolic (new ideas, mind speculations). You gain in flexibility and adaptability what you lose in self-assertion or in pragmatism.

Fire's qualities are not very present in your chart, with only 5.34% instead of the average 25%, which means that you may lack warmth, enthusiasm, conquering spirit, or energy. You may look indifferent to others, with almost no desire, no joy of life or no enterprising ability. Actually, it is not true, but you should let go, force yourself to be more daring, and show your amazement as well as your vitality. You certainly have as much energy as others, you just need to release it, and it is up to you to display more of it, since it will be all to your benefit: shout, sing, pull faces, dance! That's the right mean for you... In the end, you'll never be accused of being sad, phlegmatic or a killjoy!

The twelve zodiacal signs are split up into three groups or modes, called quadruplicities, a learned word meaning only that these three groups include four signs. The Cardinal, Fixed and Mutable modes are

more or less represented in your natal chart, depending on planets' positions and importance, and on angles in the twelve signs.

Your Modes

The Mutable mode is the most emphasized one in your natal chart, Letizia, which indicates a mobile character that is curious and thirsty for new experiences and evolution. You are lively and flexible, and you like to react quickly to solicitations, but don't confuse mobility with agitation, since this is the danger with this configuration - and with you, stagnation is out of the question. Security doesn't matter as long as you are not bored. You optimize, you change things, you change yourself... all this in a speedy way.

Your Modes

The Fixed mode corresponds to a majority of elements in your chart, Felipe, and represents the desire for security and durability: you are able to concretely appreciate a situation and its stability. You definitely prefer to play the role of a loyal, obstinate and hard-working person, rather than to try new and risky experiences - beware, however, not to confuse obstinacy with intransigence. You structure, cement, and strengthen everything you find on your way: it is your nature, although you are not especially interested in swiftness: slow and steady...

Your Dominants: Planets, Signs and Houses

The issue of dominant planets has existed since the mists of time in astrology: how nice it would be if a person could be described with a few words and one or several planets that would represent their character, without having to analyse such elements as rulerships, angularities, houses, etc!

The ten planets - the Sun throughout Pluto - are a bit like ten characters in a role-play, each one has its own personality, its own way of acting, its own strengths and weaknesses. They actually represent a classification into ten distinct personalities, and astrologers have always tried to associate one or several dominant planets to a natal chart as well as dominant signs and houses.

Indeed, it is quite the same situation with signs and houses. If planets symbolize characters, signs represent hues - the mental, emotional and physical structures of an individual. The sign in which a planet is posited is like a character whose features are modified according to the place where he lives. In a chart, there are usually one, two or three highlighted signs that allow to rapidly describe its owner.

Regarding astrological houses, the principle is even simpler: the twelve houses correspond to twelve fields of life, and planets tenanted any given house increase that house's importance and highlight all relevant life departments: it may be marriage, work, friendship etc.

Letizia, here is the evaluation diagramme for your planets:

The three planets that are most highlighted in your chart are Jupiter, the Moon and Saturn.

Jupiter, the planet of expansion, organization, power and benevolence, is quite emphasized in your chart. Like any Jupiterian, you are warm, open, sociable, consensual, active and optimistic. You can use your self-confidence to erase differences of opinion, and you leave the task of analyzing and perfecting things to specialists. Your role, and you know it since you were young, is to gather, to demonstrate your synthesizing and conciliatory mind, and to naturally reap its fruits - power.

You appreciate legality, social order but also order in general. With you as a leader, every plan or human entity can be organized and structured. You excel at supervising. The Jupiterian type is indeed the politician par excellence, and a positive Jupiter in your chart is synonymous with good integration into

society, whatever the chosen path.

Is this idyllic picture really perfect? Certainly not: each planet's typology has its own weaknesses. One of yours is pride, like the Solarian, but your will of expansion at all costs may generate a form of exaggeration in everything, endless pleasure, inappropriate self-confidence that could lead you to rough materialism and the thirst for absurd material comfort - in the worst cases, of course.

The Moon is one of the most important planets in your chart and endows you with a receptive, emotive, and imaginative nature. You have an innate ability to instinctively absorb atmospheres and impressions that nurture you, and as a result, you are often dreaming your life away rather than actually living it.

One of the consequences of your spontaneity may turn into popularity, or even fame: the crowd is a living and complex entity, and it always appreciates truth and sincerity rather than calculation and total self-control.

As a Lunar character, you find it difficult to control yourself, you have to deal with your moods, and you must be careful not to stay passive in front of events: nothing is handed on a plate, and although your sensitivity is rich, even richer than most people's, you must make a move and spare some of your energy for... action!

Saturn is part of your dominant planets: among the facets of your character, you have a grave and serious side, wise and somewhat severe, since your concentration can be powerful to the detriment of carelessness and friendliness.

You often look austere, but it is only an appearance, a kind of modesty or reserve; however, it is true that the Saturnian, who is fond of time, effort, asceticism, rigour and sobriety, may have popularity issues. Nevertheless, honesty and straightforwardness, reliability, as well as slow, wise and deep mental process, although not very popular and visible qualities, eventually become noticed and appreciated. Saturnians' second part of life is usually easier and more fulfilling.

Like the Jupiterian, your Saturnian facet prompts you to seek the essential, security, and longevity. However, the difference with the former is that you will never give priority to wealth or "the bigger, the better" philosophy for the sake of power. Saturn, like Jupiter, symbolizes social integration, and it is usually considered positive to have a harmonic Jupiter and Saturn in one's chart because of their social adaptation capacities.

Your vulnerability lies in your too serious and austere side, which may lead to unwanted loneliness and affective frustration. This generally does not last because Saturnians often hide deep down a golden heart that ends up revealing itself...

Felipe, here is the evaluation diagramme for your planets:

Your Dominant Planets

The three planets that are most highlighted in your chart are Venus, Neptune and Uranus.

With Venus among your dominant planets, one of your first reflexes is... to please! Your look, your charm, and your seduction are omnipresent elements in your behaviour.

Your approach to things is connected to your heart, and for you, no real communication can flow if your interlocutors exude no sympathy or warmth. Cold and logical reasoning, clear thoughts and good sense are not important to you: if there is no affective bond with your environment, no connection can be established with the Venusian that you are, and nothing happens.

You have a strong artistic side, and you never neglect subjective but clear concepts such as pleasure, beauty, and also sensuality. However, sometimes to the detriment of efficiency, durability, logic, and... detachment.

With Neptune as one of your three dominant planets, you are a secretive and ambiguous person, often confused or unclear about your own motivations! Indeed, you are endowed with unlimited imagination and inspiration, as well as with an extreme sensibility that may turn you into a psychic or a clairvoyant. On the other hand, your impressionability is such that you may have difficulties in separating what is concrete and solid from illusions or dreams.

A mystic, a visionary or a poet, you daydream, like any Neptunian, and you see what few people only can see, all of this being shrouded in aesthetic mists when you are fired with enthusiasm.

A boundless, infinity-loving man like you is inevitably likely to be more vulnerable and easily hurt because of your acute perception of events. In such cases, you are hit full in the face, and you may sink into gloomy daydreamings and dark melancholy.

That said, this mysterious aura definitely gives you an indefinable charm in the eyes of your close friends who are often fascinated by your unique ability to feel and to see what ordinary people can never see!

Uranus is among your dominant planets: just like Neptune and Pluto, Uranian typology is less clearly defined than the so-called classical seven planets that are visible to the naked eye, from the Sun to

Saturn. However, it is possible to associate your Uranian nature with a few clear characteristics: Uranus rhymes with independence, freedom, originality, or even rebelliousness and marginality, when things go wrong...

Uranus is Mercury's higher octave and as such, he borrows some of its traits of character; namely, a tendency to intellectualize situations and emotions with affective detachment, or at least jagged affectivity.

Therefore, you are certainly a passionate man who is on the lookout for any kind of action or revolutionary idea, and you are keen on new things. Uranians are never predictable, and it is especially when they are believed to be stable and well settled that... they change everything - their life, partner, and job! In fact, you are allergic to any kind of routine, although avoiding it must give way to many risks.

Your Dominant Signs

In your natal chart, the three most important signs, delineated according to the above-mentioned criteria, are, in decreasing order of strength, Sagittarius, Virgo and Aquarius. They are often prominent because your Ascendant and your Sun are posited there. However, it is not always the case: it may be because they are occupied by a cluster of planets, by a planet near an angle other than the Midheaven and the Ascendant, or because two or three planets are very active and form numerous aspects from these signs. Therefore, you partly take on the three signs' characteristics, which are somehow superimposed on your natal chart, and all the more so if any of the signs in question is highlighted.

Sagittarius, an adventurous and conquering fire sign, is dominant in your chart: you are enthusiastic, enterprising, optimistic, very sociable, and mobile - you have itchy feet both physically and mentally. Nobody gets bored with you because you are always planning things and suggesting excursions, at least... when you are around and not already gone on a trip! Obviously, so many movements for one woman may scare people off, and some of them may even criticize your brutality or your tendency to loose your temper, but you are so warm and genuine, so expansive, isn't this a good thing? And all the more so, since your sense of humour is overwhelming...

Virgo, associated with perfectionism, numbers and reason, is among your dominant signs: you inherit its sense of responsibility and tidiness, a clear mind, an unfailing logic, as well as a need to be useful and to fulfil your task to the best of your abilities. Obviously, people may think that you are too modest or reserved, suspicious or pessimistic because of your exceedingly critical mind, but aren't logic and

wisdom great qualities? Of course, they are. Moreover, you keep your feet on the ground, you never behave irrationally and you are helpful and hardworking - what more can you ask for?!

Aquarius is one of the most important signs in your natal chart: it endows your personality - at least one of its facets - with originality, to the point of eccentricity in spite of a sometimes distant and humane side. Likeable and impassive at the same time, you are a paradoxical woman, very hard to define because the two planets Uranus and Saturn blend their qualities to create the so complicated and endearing sign that inspires your character. Saturn's seriousness and impassivity is added to Uranus' rebellion, talent, individualism, charisma, extravagance, and unpredictability! One of your main characteristics is that you never open up on a personal basis, but you tend to do so easily in public. You are actually quite strange. Sexy and charming in public, despite your nice and sociable character, you could frustrate many of your admirers in private because of your impossibility to show deep and warm affection, emotions, tears... But appearance and reality are two different things anyway - you are a kind of a genius, or you have at least a tremendous charm with this sign. You have many friends and an active social life. If you are detached in your love life - only in this aspect, since the rest of chart will confirm it or not - this is no big deal!

Capricorn is one of your dominant signs and endows you with a grave and serious style that seems to stick to you constantly. But if you have that reserved and cold side - as some extrovert people may think - on the other hand, you possess sturdy qualities: you are strong-willed and tough. Your long-term vision, your sense of duty, and your ambition are not affected by the derisory and erratic motions that seem to upset most mortals less steady than you. Besides, you are like a good wine, you age well and your natural solemnity or serious side paradoxically turns into an almost cheerful appearance, as you grow older. You are actually very sensitive when it comes to love. Faithful, caring, sweet, and sensitive, your behaviour is very different in your everyday, sentimental life. A golden heart beats under your tough and austere appearance...

Virgo, associated with perfectionism, numbers and reason, is among your dominant signs: you inherit its sense of responsibility and tidiness, a clear mind, an unfailing logic, as well as a need to be useful and to fulfil your task to the best of your abilities. Houses 7, 10 and 4 are the most tenanted ones in your natal chart. To compute their strength, planets and angles are weighed according to various astrological criteria such as swiftness, activity, angularity, rulership etc. From the analysis of the most tenanted Houses, the Astrologer deduces the fields of activity that are most relevant to you, be it because of what you are experiencing, or what you may experience in the future, or because of your deep inner motivations.

Your 7th house is one of your dominant houses: it symbolizes other people, marriages, associations, contracts, and partnerships. Your personal achievement and maybe your problems - depending on the rest of your chart - are strongly influenced by your rapports with others, the area in which you tend to commit yourself deeply. You appreciate communication, and you give importance to others' opinions. Success requires the support of others, which seems obvious and natural to you. Your marriage generally contributes to your fulfilment.

With a prominent 10th house, your destiny's achievement may be very notable: the 10th house represents your career, your public life, and your ambitions. A good deal of your energy may thus be used to successfully implement what you have in mind. Instinctively, you are very keen to make your dreams come true. Sooner or later, you will deal with the public, and your personal achievement will go through trials and ordeals: other people and visible actions.

With an important 4th house in your chart, your private life, your intimacy, as well as your family and home, play a fundamental role. Your security and your family unit, the one you come from, but also the one you set up when you get married and start a family - or even as a girl bachelor living alone in your sweet home - are necessary for you to blossom. According to the Tradition, your father may play an important role in your life.

Houses 10, 5 and 11 are the most tenanted ones in your natal chart. To compute their strength, planets and angles are weighed according to various astrological criteria such as swiftness, activity, angularity, rulership etc. From the analysis of the most tenanted Houses, the Astrologer deduces the fields of activity that are most relevant to you, be it because of what you are experiencing, or what you may experience in the future, or because of your deep inner motivations.

With a prominent 10th house, your destiny's achievement may be very notable: the 10th house represents your career, your public life, and your ambitions. Sooner or later, you will deal with the public, and your personal achievement will go through trials and ordeals: other people and visible actions.

The 5th house is one of your dominant houses: hobbies, love life, sports, and games, including speculation and all kinds of entertainment, are fields that you actually take seriously! On a more subtle level, artistic creation as well as other forms of creation - including begetting children - could be one of your assets. You gain from taking part in leisure associations and various activity clubs in which a catchword resounds more than for most people: pleasure.

The 11th house is among your dominant houses. Therefore, social life and friendships are very important, even strategic to you.

You think that group activities, whether in the humanitarian field or simple gatherings of friends, are endless sources of inspiration and of enjoyment, provided that there are no tensed aspects in this sector. Everything human is important to you, often more important than your own success, unless your 10th house is also powerful.

Your Style, Behaviour, and Peculiarities

What is commonly known as "sign" indicates the position of the Sun in the Zodiac. The Sun highlights all the characteristics of the sign he tenants. According to astrology traditional rules, these characteristics are all the more pure and exact when the Sun is strong in the sign, or when the sign is particularly highlighted within the chart. Here, we indicate the pure characteristics of the sign but you must bear in mind that they may only shed a light on a particular aspect of your personality. Indeed, the sole sign of the Sun, or of the Ascendant, can never describe an astrological chart because it depends on the degree of strength of the said sign in your chart.

Another important point must be underlined. Contrary to the Ascendant, which clearly describes your appearance, your vitality, your physical constitution, your spontaneous behaviour and the image you project, your Sun sign describes your inner self, which you may not completely be aware of, and which may emerge gradually as you mature: it is about your inner personality that you reveal only to the members of your entourage whom you trust. The Sun sign is likely to be the final form of your personality, once it has evolved in line with the energies of the other parts of your chart, the beginning of which is seen in the Ascendant, your external "bark".

The Ascendant is one of the major components of your natal chart. It is the zodiacal sign that rises in the East at the very moment of your birth. To calculate it, it is therefore necessary to know your exact time of birth.

It provides with a wealth of information on your personality. It is one of the key features that allows the analysis of several parts of you, such as your appearance, your character as it is initially perceived and your immediate behaviour. It describes the external aspect of your personality which you always display, but it also describes your physical constitution in the long-term, in other words, your health.

Please be aware that, in spite of the importance of the Ascendant, the accuracy of its description depends on how strongly highlighted it is in your natal chart. We use the entire set of astrological rules to assess the strength of the Ascendant. In most cases, the Ascendant is as revealing as your "sign", i.e., the sign where the Sun is posited at the time of birth.

Letizia was born under the Sign of Virgo and her Ascendant is in Aquarius

Before broaching the details of the meaning of your Sun and your Ascendant, as a preamble, we offer a brief generic interpretation of their combination in your chart:

The first traits people notice about your Aquarius Ascendant are your optimism and your nonconformism. You are an idealist, and you always want to appear independent and open to new things, especially when they question well-established values. But this is perhaps only an outward attitude, since your Virgo Sun mistrusts unrealistic stands and considers them as cranky theories. Virgo is happy to work on its own. It progresses at a slow pace and offers its support and its help to people who seek them and deserve them. You are withdrawn but discerning, and you sometimes regret that, because of your first and uncontrolled reactions, you project an image which does not reflect what your true self is. It is difficult to access your deeper thoughts or your personal world. Indeed, each in its own fashion, these two signs seldom reveal their sensitivity and focus more on the intellectual aspect of people and things. Virgo is more sensual and practical and prefers to show its attachment through daily caring gestures rather than through dramatic demonstrations of affection. Aquarius is successful in instilling hope in others, and it is appreciated for its solidarity, but it is reluctant to talk about itself because the words "to confide a secret" are not part of its vocabulary.

You were born with the Sun in Virgo

Psychologically speaking, your nature is nervous and secondary. Before you take action, you cautiously ponder over things and you review any possible alternative and reaction. You strive systematically to find the best possible response to any given problem. You are a perfectionist above all and you have no rest until you optimize a situation, in each and every area, be it professional, pragmatic, aesthetic or in pleasure. You do not accept spontaneity and, to fully enjoy life and go further, you consider that demanding the best is the least you can do, even though it is detrimental to the rough force associated with your instinct. The intellectual element intervenes before both the physical ones and your feelings: it is one of the essential clues to understanding your personality.

As you are born under this sign, you are cerebral, clear-sighted, focused on details and on numbers, analytic, serious, competent, reasonable, modest, tidy, organized, spruce, industrious, provident, honest, loyal, reserved, shy, helpful, willing to progress, talkative, perfectionist, logical, hardworking, tactful, patient, precise, concrete, spiritual. You can also be narrow-minded, calculating, irritating, petty, pernickety, hung up, anxious, cold, repressed or sarcastic.

In love, Madam, you are discreet, modest and intellectual. You may experience love only in the second part of your life if you do not make the effort to become aware that feelings and sexuality don't fare well with excessive reflection and prudence. In this area, one must not rely on reason...

Once you understand this principle, you will become the best wife, meticulous, tidy, but warm and withdrawn, caring for your family's well being and perfectly tackling your children's minor health problems. Your concern for tidiness and cleanliness allows you to have a healthy, safe and refined home.

You are fond of changes, variety and humour and you attach a special importance to your partner's comments and attentions.

You may marry twice or you may have a secret love affair, in spite of your seriousness, because Virgo is a

dual sign, like Gemini, Pisces and Sagittarius.

Your Ascendant is in Aquarius

In the sentimental sphere, you are particularly sensitive to the values of friendship, in the sense that you see yourself as a link within a chain, certainly a different and original one, but with no will to flatter your ego or to individually assert yourself. On the contrary, your aim is to immerge yourself in your friendly relations and to participate in projects and ideals of the whole human community.

As you are born under this sign, you are idealistic, altruistic, detached, independent, original, surprising, gifted, contradictory, innovative, humanistic, likeable, friendly, self-confident, impassive, quiet, intuitive, creative, charitable, elusive, disconcerting, generous, tolerant, paradoxical, and you cannot stand any kind of constraint. But you may also be marginal, resigned, distant, utopian, maladjusted, eccentric and cold.

In love, Madam, you are the inquiring sign of the Zodiac. You are cerebral and lively, always on the look-out for novelty or for anything amazing.

You are often more in love with love than you are in love with your partner. You are surprising and unpredictable, now passionate and using your imaginative and mental powers to idealize your relationship and your partner, now cold, suddenly detached and impersonal because you are annoyed by subtle elements that you, and only you, can understand.

You do not stand disappointment and you display great cleverness when you want to suddenly break up when your partner least expects you to do so.

In order to be able to charm you, one must be exceptional, amazing, disconcerting and one must accept to grant you total freedom and independence. Under those conditions only, will you be able to have a long-lasting, stable yet eventful, surprising and harmonious relationship with your chosen partner. Once trust and confidence settle in, you will be fulfilled and you will be hardly recognizable.

The life span of your couple depends mainly on your common tastes: ideally, you should live with a man who actually is your friend and your lover, continuously shifting from one role to the other according to circumstances, and who, at the same time, provides you with a much needed mental stimulation, as well as with warm love.

The ruler of your chart is in Libra

The ruler of the Ascendant, also referred to as the chart ruler, brings a few interesting nuances to the meanings provided by the Sun and the Ascendant. The sign in which the ruler of the Ascendant is posited fine-tunes the style of personality described by the Sun and the Ascendant. It may strengthen it if the sign is identical to either of them.

The ruler of the Ascendant, Letizia, is Uranus. It is posited in the sign of Libra and endows you with diplomacy and a deep sense of justice. Amiable, courteous, and moderate, nothing pleases you more than being able to help opposing parties reconcile, which encourages you to develop your power of seduction, or to flee with swiftness when you deem that the cause you stand up for is a lost cause.

Aspects to your Ascendant

Several planets form an aspect with your Ascendant, Letizia. Therefore, in their specific way, they modify your behaviour and your personality, which do not take on the pure characteristics of your Aquarius Ascendant only, but which are a blend of its characteristics with those of the said aspects.

★★★★★ Jupiter sextile Ascendant, orb -2'

Jupiter in soft aspect with your Ascendant naturally endows you with a reassuring, calm, and benevolent side, Letizia. You honour your commitments without qualms, and thanks to your heart of gold and your generosity, your behaviour is protective and nice. You like to please other people, and whenever it is possible, you enjoy finding compromise solutions to all problems.

★☆☆☆☆ Neptune square Ascendant, orb -5° 34'

Neptune is in dissonance with your Ascendant, Letizia. You may have difficulties in controlling your emotions, and you tend to hesitate about the behaviour to adopt in society. In some circumstances, you distrust everyone, yourself and other people, without knowing the reason why. Keep your feet on the ground and do not allow your imagination to carry you too far away from sheer reality! No one nurtures bad intentions towards you. This is something you must realise if you do not want to get worked up about... nothing.

★★★★★ Saturn trine Ascendant, orb -6° 51'

Saturn is in soft aspect with your Ascendant, Letizia. This harmonious configuration brings about a responsible, loyal, persevering, and patient behaviour, and in a word, reliable. Your seriousness is appreciated, and owing to your capacity to easily analyse situations, you come across as a sincere and trustworthy person.

★★★★★ Moon sextile Ascendant, orb 5° 01'

Your instinct seldom misleads you, as far as your external appearance is concerned, thanks to the Moon's soft aspect with your Ascendant, Letizia. You keep your emotions under rather good control, in instinctive and smooth ways.

Felipe was born under the Sign of Aquarius and his Ascendant is in Taurus

Before broaching the details of the meaning of your Sun and your Ascendant, as a preamble, we offer a brief generic interpretation of their combination in your chart:

Aquarius and Taurus are antagonistic signs on many accounts. It is most likely that you undergo some sort of psychological discomfort, but you may also cope with it with flying colours! This can prove a major asset. On the one hand, Aquarius prompts you to embrace newness, keep your hopes against all odds, and value the differences other people have to offer. On the other hand, Taurus gives you a pragmatic, constructive, and cautious mind, as well as the need for security. Aquarius' angelic and disinterested idealism coexists with Taurus' earthly desires. Your behaviour alternates between libertarian attitudes and bouts of possessiveness. You enjoy being singled out and toying with ideas which are against the mainstream, but this rebellious facet is not noticeable when people meet you for the first time. Indeed, owing to your Taurus Ascendant, you wear the mask of a stable and realistic person who appreciates simplicity and good food. Both signs have perseverance in common, although each sign displays it in its own way. Aquarius always sticks to its very personal vision of the world and of

any situation, whereas Taurus carries out its task with passion and energy. This colourful sign combination indicates that it is very hard to influence you!

The sign of Felipe is Verseau as the Ascendant of Letizia described above. The characteristics of the sign Verseau are also valid, but they apply to the solar part of the chart owner, as explained in the text about the sign.

Your Ascendant is in Taurus

Peace, joy of life and sensuality are essential to you: You have a simple and quiet nature. You easily find happiness because you are not competitive. In addition, your relaxed attitude and your common sense always take you to places where you are happy, even though you are not the number one, even though you do not move in haste. The important thing for you is to construct, with patience and persistence. These two qualities yield strong, steadfast, and sustainable efforts that can withstand any pitfalls.

You are gentle, with a slow thinking process, but once you have opted for an orientation, nothing, no one, can make you change your mind. You loathe changes in general, and once you have taken the few major unavoidable decisions in the course of your life, you are on track!

As you are born under this sign, you are loyal, steadfast, strong, patient, enduring, persistent, attached, sensual, realistic, constructive, tenacious, with a strong need for security. But you may also be stubborn, rigid, possessive, materialistic, static and slow.

In love, Sir, more often than not, your passions are strong. It may take you some time to be moved, but once your choice is made, it is a lasting one and you are particularly endearing and loyal. You are not interested in infidelity or in having numerous partners.

Your love emerges slowly but it grows in depth, like a root which solidifies with time. You are not too romantic because you are so practical and conventional... but your style and your sexiness compensate for your lack of idealism. You tend to associate the concept of marriage with that of lifestyle or of the benefits that come with it.

Your physical urges are pressing; you are sensual and pleasure takes an important place in your life. You appreciate partners who cook like a cordon-bleu and who may cause a few gastronomic excesses, but you readily accept them.

The ruler of your chart is in Capricorn

The ruler of the Ascendant, also referred to as the chart ruler, brings a few interesting nuances to the meanings provided by the Sun and the Ascendant. The sign in which the ruler of the Ascendant is posited fine-tunes the style of personality described by the Sun and the Ascendant. It may strengthen it if the sign is identical to either of them.

The ruler of the Ascendant, Felipe, is Venus. In the sign of Capricorn, it gives you the desire to broaden your knowledge and to get a long-term vision for your ambitions. Persevering and wise, you know very well what you are aiming at, even though some people may think that you are slow. What matters to you is the result, and you are convinced that time is your friend.

Aspects to your Ascendant

Several planets form an aspect with your Ascendant, Felipe. Therefore, in their specific way, they modify your behaviour and your personality, which do not take on the pure characteristics of your Taurus Ascendant only, but which are a blend of its characteristics with those of the said aspects.

★★★★★ Moon square Ascendant, orb -0° 15'

Sometimes, Felipe, your sensitivity clashes with the image you want to project. As a result, you may feel vulnerable and suffer if you let yourself be disheartened. Try to put things into perspective and to confront your emotions without fearing your external image. This is how you can compensate for this minor dissonance between the Moon and your Ascendant.

★★★★★ Pluto trine Ascendant, orb 3° 03'

Pluto, the planet of instinct and secret, is in soft aspect with your Ascendant, Felipe. It endows you with exceptional lucidity, which enables you to behave in society in an appropriate, though slightly scathing and domineering way. You exploit your nose and your magnetism, and you do so very successfully!

★★★★★ Neptune opposite Ascendant, orb -6° 5'

Neptune is in opposition to your Ascendant, Felipe. This opposition is not really a dissonance since at the same time, it is a conjunction with the opposite angle, the Descendant, or DS, which represents other people, unions, and associations. Therefore, the interpretation of this opposition is that you are endowed with tremendous sensitivity and intuition, which enables you to interact with other people with empathy and imagination, in some sort of a pleasant and irrational mist. Your behaviour in society has more to do with instinctive fusion than with understanding, and... it perfectly suits you! The other side of the coin is that you may not know any more where you exactly stand regarding some of your associations, including your couple. Indeed, you are deeply absorbed in the affective and poetic aspects of your relationships, to the extent that you may overlook signals of distrust or danger coming from your close friends or your spouse. You must put some reason into the way you approach your relationships, in addition to your very remarkable intuition.

★★★★★ Mars sextile Ascendant, orb 3° 04'

Your vitality and your taste for action are obvious, Felipe. Thanks to Mars, your behaviour is often perceived as energetic, or at least, as action-oriented and enterprising. Your dynamism is one of your constant assets.

★★★★★ Venus sesqui-square Ascendant, orb -0° 07'

In certain circumstances, Felipe, you tend to adopt an attitude that is not necessarily in line with your real emotions. This discrepancy between your behaviour and your feelings, caused by Venus, may disconcert the people you mix with. Have self-confidence, don't be too pushy or... withdrawn, and forget your fears. Then, people can have a better perception of your personality, and you can harvest the fruits of your efforts.

Your Sensitivity

Concerning Letizia

Your nature is optimistic and emotional, Letizia, and you are caught up in two incompatible longings: you are fond of exoticism and independence of movement, but at the same time, you feel comfortable in a form of middle-class attitude and conformism; in general, it translates into a succession of moods, now quiet and well adapted to the situations you experience, now marked by an irresistible desire for change and revival. You have a good and naïve nature, with a lot of self-confidence. Your emotionalism prompts you to live intensely a variety of numerous emotional experiences, a bit scattered, but with all the stimulations you need to be a balanced person. Your pleasant and welcoming attitude wins you some degree of popularity, all the more so because, despite your thirst for adventures that may scare away some people, you adjust to your environment's customs so easily.

Your career or professional achievements, Letizia, are fields where your emotions will be more easily channelled. You are often popular, especially with women, and you instinctively have the desire to please audiences or crowds.

Your fame is often due to your changeable side, light-hearted, emotional and moody sometimes. It also means that it is very likely that you experience professional changes several times during your life. Each time, you will contrive to be the star, in your way...

★★★★★ Moon opposite Saturn, orb -1° 5'

When this aspect is not well integrated, there is no feeling of integration and security. You feel that you are not understood or even, that you are rejected. It is difficult for you to find inner peace and tranquillity. You lack the quietness and the primordial confidence that would allow you to lay back and to be carried away and pampered by life. This configuration indicates questionings and doubts regarding the unconditional affection that each individual longs for. You do not trust the world. You tend to dismiss social models, as well as your close friends' attachment and tenderness, probably because you need to test them and to get the feeling of being loved that you naturally lack. It would be a mistake not to see that you desperately need affection. You are particularly vulnerable to relationship flaws and you strive to find the gestures of love that would allow you to let go and to be nurtured by life. In such a context, the sincerity you display, as you give or refuse your trust, is highly commendable.

★★★★★ Sun square Moon, orb -0° 47'

In your chart, two polarities are clearly opposing - or complementing – each other: on the one hand, solar values, the image you project and the models you follow. On the other hand, lunar values, moments of letting-go and well being through casualness. When you commit yourself in a project, it is often to the detriment of your peace of mind. Conversely, you completely feel that you are your true self only when you are no more under the scrutiny of the outside world. Therefore, you separate your social and professional activities from your private life and you seldom match the requirements of the former with those of the latter. It may be a hurdle, a fundamental anxiety. It may also be an obvious asset, when it is well integrated: in that case, you succeed in assigning to yourself, and in fulfilling, objectives that are not necessarily in line with your intimate natural demands, which are preserved and separated from your intentions, your ambitions and your expectations. Thus, a strong will can turn this Sun-Moon hard aspect into a rich instrument for creativity. A shadow zone, or uncertainty, still remains: on the affective plane, you are very sensitive. May be too much, to the extent that you become vulnerable in many

circumstances. Because in different periods of your life, your landmarks (solar) and your intimate balance (lunar) will be simultaneously challenged.

★★★★★ Moon square Mars, orb 1° 58'

This Moon-Mars dissonance suggests touchiness and sometimes, aggressiveness. You are irascible and very sensitive to all sorts of threats and dangers. You react very quickly, too hastily. To protect your well being, you must learn to control your mood, to coordinate your actions and to balance your opinions. You are often disturbed by plain facts: either you seek refuge in your intimate realm and refuse to face the truth or, on the contrary, you are engaged in altercations, which forbid all tranquillity. It is important that you balance these two tendencies and that you alternate moments of action with phases of carelessness and relaxation. These two attitudes are relatively irreconcilable.

★★★★★ Moon conjunction Jupiter, orb 7° 01'

Why should one complicate one's life if it is possible to enjoy the simple joys of the present? This harmonic Moon-Jupiter aspect indicates a cheerful nature, which earns your entourage's liking and protects the balance of your intimate life. Your sociability is supported by your desire to smoothly adhere to a group, a social or family cell. You are fond of moments where you unwind and relax. You value your daily comfort and, to preserve it, you accept to play by the rules of privacy. When this aspect dictates your attitudes, you behave like a person easy to get along with... even though your personal demands, relegated to the backseat, come up again at top speed and force you to behave more in line with your inner needs.

★★★★★ Moon sesqui-quadrate Venus, orb -1'

With this Moon-Venus aspect, passion and sensuality may often upset your well being and your tranquillity. Your way of loving is dual. You either accept life's simple joys, or you live through intense emotions and consuming fevers. It is difficult for you to reconcile your daily life with your affective or sensual desire. Habits kill passion, whereas passion forbids the carelessness that is yet indispensable for your fulfilment. This aspect suggests the traditional mother/woman and father/lover antagonisms that are incompatible, although it is possible to experience them alternately. It is important that you balance these antinomical desires: you may let the turmoil of your heart break the monotony of an amorous life devoid of excitement but it does not mean that you must forsake the reassuring values of a couple, or family cell, where you can rest at will and give free rein to your intimate behaviour. You may indulge yourself but don't forget that you must deserve love.

★★★★★ Moon sextile Uranus, orb 5° 05'

This harmonious Moon-Uranus aspect indicates that your well being depends on the original quality of your charm and on new-ness. You are not influenced by prevailing trends and fashion. You have a personal view of what a balancing private life should be. You enjoy unexpected situations, even extravagant ones. But if you feel that your living environment hampers your freedom, you suddenly change your attitudes and your habits. Independence is your true realm. You may show an exceptional inflexibility when your intimate life moves away from the patterns you need, deep down. Your entourage must get used to your demands and to the values you are determined to keep with all your might and on which you are uncompromising. This determination does not allow for a laid-back attitude, or an indolence that so often causes degradations. You keep your own daily rhythms under control.

Concerning Felipe

Your sensitivity is devoid of infatuation or carelessness, Felipe; you belong to the cerebral type and, due to your needs for inner security and for freedom, you consider feelings and emotions as burdens. You are apparently phlegmatic and almost detached. However, your swift reactivity and your fertile imagination make you appreciate friendly gatherings with numerous and varied exchanges. You do not wear your heart on your sleeve. At first, you seem cold but those who know you are aware of your very original and unique sense of humour. Your receptiveness is remarkable. Your observation talents and your detachment work wonders in the defence of your anti-conformist and rebellious ideas. Your stubbornness is obvious and it is very difficult to make you change your mind because you are affectively too vulnerable: it would require lengthy and thorough argumentations aiming at your intellect...

Felipe, this facet of your personality is the same as that of Letizia. Therefore, you are highly compatible in this area: your career or professional achievements, Felipe, are fields where your emotions will be more easily channelled. You are often popular, especially with women, and you instinctively have the desire to please audiences or crowds.

Your fame is often due to your changeable side, light-hearted, emotional and moody sometimes. It also means that it is very likely that you experience professional changes several times during your life. Each time, you will contrive to be the star, in your way..

★★★★★ Moon semi-square Venus, orb 0° 08'

With this Moon-Venus aspect, passion and sensuality may often upset your well being and your tranquillity. Your way of loving is dual. You either accept life simple joys, or you live through intense emotions and consuming fevers. It is difficult for you to reconcile your daily life with your affective or sensual desire. Habits kill passion, whereas passion forbids the carelessness that is yet indispensable for your fulfilment. This aspect suggests the traditional mother/woman and father/lover antagonisms that are incompatible although it is possible to experience them alternately. It is important that you balance these antinomial desires: you may let the turmoil of your heart break the monotony of an amorous life devoid of excitement but it does not mean that you must forsake the reassuring values of a couple, or family cell, where you can rest at will and give free rein to your intimate behaviour. You may indulge yourself but don't forget that you must deserve love.

★★★★★ Moon square Neptune, orb -6° 34'

This Moon-Neptune dissonance wonderfully turns on the poetic soul, the exhilaration of feelings and dreams... and disturbs your practical life, as well as the management of contingencies. You do not lack inspiration but your reasons of living may be beyond your entourage's understanding! Bohemian life is pleasant but it is probable that you experience muddled situations. Your aims are noble and your intentions are very good. But you may not have the will to turn them into reality. It is important that you are wary of artificial paradises: escaping in the imaginary is not necessarily the best solution for problem solving. You are in search of an inaccessible tranquillity and you tend to procrastinate chores. Nevertheless, facts remain present and you may see that non-interventionism can only increase your difficulties. You must put an end to this vicious let-go circle. This does not imply that you have to forsake your dreams or to repress your very rich sensitivity.

★★★★★ Sun conjunction Moon, orb 10° 04'

This aspect is a strong homogeneity factor: the image you project is in conformity with your real nature and does not upset your basic balance. This is probably the cause of your feeling at ease, your consistent behaviour and your determination to remain your true self, regardless of external pressures and whatever is expected from you. At best, your will and your sensitivity are in harmony, your unconscious abilities are mobilized and controlled by your conscious will, with no imbalance. However, it is important to avoid the traps of self-satisfaction that would be harmful to your real exchanges and would lock you up in comfortable and rigid schemes. It is possible to remain natural and yet, not be content with the sole well being of those who never cheat themselves.

★★★★★ Moon inconjunction Pluto, orb -2° 47'

This planetary configuration causes distrust (Plutonian distance) towards individuals, groups, or your own family environment (lunar values). It may bring about a feeling of affective or relational wound. The feeling of security is absent, or fragmented or illusive. How is it possible to feel integrated whereas you know that you are different and on your own? It is the myth of the « ugly duckling », with its different specific characteristics, an alien to its origins and its roots. It is important that you accept your differences and that you have them accepted by others, without forsaking your essential values. This is how you can exercise your group ownership without allowing them to exclude you or to repress your secret determinations. When this aspect is well integrated, it is a factor of lucidity for your emotions. You perceive without gullibility what is really at stake in your intimate relationships and the flaws of your environment. The fact that you do not readily trust people spares you many traps and delusions.

Your Affectivity

Concerning Letizia

In your chart, the Sun is in Virgo and Venus, in Leo. Your solar and Venusian signs agree as much as fire and water! The natural reserve of the Sun in Virgo reacts to the excited and burning character of Venus in Leo. The modesty of the former opposes the passion of the latter. This contradiction may be part of your richness but it does not facilitate the consistency of your attachments: when you love, when you give free rein to your desires and your affections, you are Leo... unyielding, passionate, demanding and extremist. You are conquering, too, even domineering. However, your Sun in Virgo does not feel too comfortable in this style. During your periods of defence and of withdrawal, love fever turns into a reasoned and organized retreat. Your behaviours may be paradoxical: you are sensitive to flatteries but you pretend to be indifferent. You are enthusiastic when your desire is aroused, but you project a more balanced, distant and discreet image. It is necessary that your partner feel the dormant volcano that is often hidden by your will to control. Without that will, you would lose all your landmarks. The adventure is wildly alluring, but you hesitate to play the game and to indulge in frenzy, absolute and destabilizing infatuations. When the configuration is well integrated, it allows you to master various styles and to experience devouring passions... without being devoured!

You are so proud and generous, Letizia, that the power of your love contains in itself your vulnerability. However, this is precisely what makes you charming and original. You are loyal and straightforward and you need to love as much as you need to be loved. Both feelings are tightly linked and there is a real danger that love is broken up by trivial misunderstandings, just because your touchiness is affected. You

are demonstrative, brilliant, and even dramatic, with a legendary generosity. For you, everything is, or must be, excessive: gestures of love towards your partner, your presents, your comfort and the luxury, which marks your outings and your travels. You are physically a lion, at least, you have its sexual appetite; you are voluptuous and passionate. Flexibility is the only thing that is out of your reach, in the ways you show your love, as well as in your responses to annoying events.

Letizia, the position of your Venus is quite particular in the sense that the nature of the planet does not blend easily with the house symbolism. Indeed, Venus deals with feelings and the absence of limitations and control, whereas the 6th house deals with constraints, daily life and work, lifestyle, subjection and service rendered to others: as a consequence, feelings are associated with a framework or with obligations, but this is not necessarily disturbing. More often than not, you meet your spouse or your romantic partner in a setting related to work, an association, or a specific occupation (leisure or rather common work project, etc.). It seems that, for you, such contexts can more easily lift the inhibition or the natural restriction produced by this house-planet combination. Besides, it is commonly believed that amorous adventures with servants (i.e. with subordinate or “socially inferior” persons), or with colleagues, are very much favoured by this configuration. In addition, if no adverse aspect affects Venus in the 6th house, your daily life is entertaining, you appreciate your work, you easily combine business with pleasure, experiencing nice encounters and discovering constantly renewed and enthralling centres of interest. Most of the time, you can count on the favour, the dedication and the esteem of your colleagues, particularly women. Therefore, it is in your interest to work. You are one of those rare persons who approach work as a daily pleasure and never as a constraint because you probably know how to aim at what you like. Just beware not to fall in love too often in this context !

★★★★★ Venus trine Neptune, orb -5° 24'

Your sentimental life unfolds like a strange dream. Love is too delicate to be tamed or controlled. You follow your heart impulses in an idyllic ambiance, far from reality's ordinary constraints, far from conventions and conformism. You exude a particular charm, discreet and subtle. But your affectivity may be disconcerting. You are very sensitive to marks of affection and tenderness, although you are aware that love cannot be bought or won. What is meant to be will be and it is impossible to know the hows and the whys behind a prevailing harmony. The obvious danger is that you may refuse to make any effort in such conditions. Living as a couple must feel natural and you do not need to objectively build the foundations of a relationship. You are an idealist and you dream of an affective paradise, which may be too good to be true...

★★★☆☆ Sun semi-square Venus, orb -0° 13'

The Sun and Venus form a mild dissonance in your natal chart. There is nothing very serious to worry about. There is only a small gap between what you really want on the one hand, and your natural need to charm and the warmth you display on the other hand. Thus, will and affectivity are slightly out of phase, but it is most likely that you are the only one who feels it. This is a quite trivial characteristic, and you probably do not have to correct it, since it is so mild.

Concerning Felipe

In your chart, the Sun is in Aquarius and Venus, in Capricorn. The association of these two signs is constructive but contradictory. Your affectivity is complex and highly polarized. The desire of the Sun in Aquarius is constantly evolving, whereas Venus in Capricorn needs stability, structure and integration. One of the poles is wide open to all possibilities and swiftly responds to any new stimulation. The other

pole needs years to fully develop. There is a distance between your affective ideal, which values an ever-evolving relationship, and your desires, which need a lot of time. When this configuration is not well integrated, it may bring about a series of experiences, which start in an exciting atmosphere but are unable to satisfy your Venusian sensitivity. However, a happy complementarity can be found with this zodiacal duet if Aquarius is allowed enough room and if Capricorn is allowed enough time. Although it is quite a challenge, it is worth the idealism that both signs embody. In any case, your affectivity needs a relationship with deep-seated understanding and closeness.

Felipe, it is obvious that you do not easily fall in love. But when you do, your feelings are deep, quiet, serious, and above all, lasting. Your need for security is indispensable for your well being and to enable you to give. You offer security and stability with your sense of duty even though you mix up responsibility and love. The charm of your partner does not only include physical features or aroused sentimental attraction, but also intellectual and moral qualities: you fiercely need authenticity and seriousness because this is the way you are. In general, your loves are not numerous and you become able to express yourself quite late in life. Your quiet and stable feelings are really worth it. If you do not get what you want, the danger is that you may seek refuge in cynicism and that you isolate yourself.

When you fall in love, Felipe, your feelings immediately reach a considerable level of intensity and quickly take you into the realm of passion. You are not a mild person when it comes to love, either you love deeply, or not at all. According to the Tradition, this configuration strongly associates feelings and sexuality. In your approach to love, feelings are intimately linked to desire and love physical aspects. It does not take you long before you deliberately infuse a fair amount of torrid eroticism into your behaviour, so as to make your idyll as burning and deep as your inner feelings are! If no adverse aspect affects Venus in the 8th house, you become possessive in the positive sense of the term: you happily care for your significant other, including for her financial interests. Venus in the 8th house protects everything that deals with investment, management of other people's possessions and particularly, those of the wife. Your benevolent attitude, which you also express outside your couple's relationship, usually causes pleasant surprises in the guise of unexpected inheritances. When there are tense aspects of square or opposition to your Venus, you may fall into the trap of obsessive and dangerous jealousy. And it would be a disgrace since, as the saying goes, jealousy is uncalled-for and very harmful when it is unjustified, and it is useless and too late when harm has been done...

★★★★★ Venus trine Jupiter, orb 1° 05'

Charm and seduction are your assets. This harmonious Venus-Jupiter aspect favours your affective fulfilment and your sentimental well being. You earn your entourage's sympathy thanks to your conciliating sensitivity, your desire to please and your behaviour in society. In many circumstances, you arouse esteem and consideration – essential values to you. You like social whirls, life in society, the aesthetics and the arts. You often tend to look for the easy way out in your business and your affective relationships. You are known as a complacent person. However, your amorous commitments may be quite superficial. It is important that, without breaking the spell, you opt for a more genuine attitude, respectful of your essential desires. As we all know it, love cannot be bought. An indication of balance: because you are aware that compromises are necessary for a love affair to endure, better than anyone else, you know how to maintain harmony in love.

★★★☆☆ Venus square Saturn, orb 3° 23'

This Venus-Saturn dissonance indicates a demanding, complex and often challenged affectivity. You are wondering about the meanings of love, pleasure and emotions. Your passions take an absolute character

right away. No compromise, no sham must stain your sentimental life. In such a context, doubts abound. This aspect prompts you to review the roots of your affectivity, so as to find the assurance you lack and to soothe your dormant sentimental anxiety. Love is an eternal and endless quest. Because you are doubtful of the affection people have for you, you may never feel that you are really loved. Your affective behaviour reveals your uncertainties: tests and challenges follow one another until, eventually, you are certain to experience a love that meets your demands. It is obvious that on the sentimental area, you are not looking for the easy way out.

★★★★★ Venus square Uranus, orb 5° 41'

Your sentimental life is adventurous: you prefer Bohemia to the comfort of a quiet but shaky love affair. You are a hard-liner and you think that love should be genuine or it should not be at all! You have difficulties in resisting your heart impulses and untimely passions that may challenge your affectivity. You need air, freedom and a relative independence. You also need to fully experience your love impulses, regardless of the price to be paid. The heart has its own reasons that no rules can hamper... The obvious danger may be to cause dramatic hurly-burly. Your inflexibility on the affective plane does not favour a quiet life where « one makes do with very little ». You are the all or nothing type. But does the absolute really belong to our world?

★★★★★ Venus quintile Mars, orb -0° 11'

With this aspect, innate affective behaviours prevail over opportunisms and calculations. You do not cheat with feelings and you prefer to be guided by your likes ... or your dislikes. Love is neither to be reasoned upon nor to be explained. It is important to experience one's passions spontaneously and to give free rein to the heart's tumultuous manifestations as well as to the body's demands. In other words, to be one's true self in the "now". You need to live intensely, to try all kinds of situations, sometimes to get hurt. Your sensitivity is the driving force behind your decisions and your actions. Real experiences are worth the best intellectual concepts. Spurred by your thirst for emotions, you try to build your life on bases that match your desires. Here, the trap may be that you pay too much attention to your moods and affects. But without them, life would be so dull. Even though emotionalism betrays you occasionally, it remains your best ally.

The Way You Take Action and Your Sexuality

Concerning Letizia

Letizia, you skilfully make use of your energy and you are like the arrow that reaches its target with great precision: with piercing eye and sharp mind, you take action meticulously and efficiently. Like the surgeon with his scalpel, you know exactly what you want and you belong to the category of specialists, not the generalists. Critical, pernickety, extremely organized, you want to foresee and to analyze. You prefer to master your business too well rather than not enough, even if you must put a huge, sustained, long lasting effort into it. Sexually, you remain fanatical about cleanliness. You may be prone to fantasies such as fetishism. Your love life is fine if you avoid the unforeseen events that you loathe.

You have a tendency to think relationships in terms of a duel, where one of the partners must hold sway over the other one, Letizia. It may be disturbing, but you are satisfied because you know that your strong natural authority enables you to be in the domineering, and not in the dominated position!

Therefore, you excel in all activities having an important relationship component, or with some form of rivalry, authority, or fighting: a critical and uncompromising presenter, a prosecutor, a salesperson responsible for canvassing (although it may be double-edged), an attorney (but not to the defence, of course) etc.

You appreciate people who have the energy to take decisions. For you, in the end, to take action means to confront others, for worse, but hopefully, very often, for better.

★★★★★ Sun conjunction Mars, orb 2° 45'

This planetary Sun-Mars aspect reinforces courage, determination and energy. The need for action is obvious. Whatever your will designs is implemented with fieriness, despite all oppositions. You are decisive and wilful, even foolhardy. Your behaviour may be heroic: you know how to face adversity, to stand for your rights and your decisions, regardless of any confrontation you may have to cope with. The only danger may be that you overestimate your chances and your strength. But your audacity turns out to be rewarding, more often than not.

★★★★★ Mars square Saturn, orb -0° 08'

Why should you take action? And how? The surrounding world is not to be trusted. Past events have taught you to question simple situations and to intervene after thorough consideration. You are vulnerable to the traps of life, to confrontations and struggles. You may complicate your behaviour at will, often missing your target due to your self-censoring. Your interventions may lack spontaneity. You must overcome your doubts and acquire the certainty that you are able to handle realities and facts. If you make that effort, you can understand that there are many ways to make life simpler for yourself.

★★★★★ Mars quintile Neptune, orb 0° 34'

This harmonious Mars-Neptune aspect is a signature for the missionary or the inspired activist. You are guided by an irresistible and implacable ideal. Exaltation may border on sacrifice for the sake of the noble or rebellious causes that inspire your struggles and your actions. Far from intellectual speculations, you need to live through your passions, to take action and to let yourself be carried away by a mission, an ideal or sometimes, an illusion. Indeed, you may be a Don Quixote fighting windmills, dedicating all your energy to an indefensible or a fanciful cause. More often than not, your commitments are courageous, even heroic. And the faith you display turns perilous enterprises into feasible projects. You can successfully implement actions that are considered doomed to failure by others.

Concerning Felipe

You express your energy in a vague and random manner, Felipe. This is not a handicap, but it prevents you from reasonably planning your long-term actions. You are a bit whimsical and scattered, sometimes hyperactive and willing to devour obstacles with your big shark teeth, but often, you take the easy way out because of your desire for tranquillity. You loathe conflicts and your cleverness and your flexibility allow you to achieve your goals while shrewdly worming your way through difficulties. Your intuition and your imagination are the assets that compensate your lack of efficiency and discipline. You are much more successful when you work for a noble cause, usually a collective one, sometimes political or spiritual ones. On the sexual plane, you are whimsical and impossible to categorize. You are so changing and malleable that you can shift from one extreme to another, according to your partner's personality, because your adaptability and your flexibility are really strong.

It is in the area of friendship and collective life (common projects, associations, etc.) that you express your impulsivity, your warmth, and your capacity for action, Felipe.

You are cut-and-dried and your motto is "either succeed or die". In case of success, it is your responsibility to make the relationship last because you are not the submissive type and you hardly compromise. You put a lot of passion in your friendly relationships. You are not interested in lukewarm or insipid acquaintances. Things must be moving, even though it may mean that the relationship is cut short.

In any case, you enjoy participating actively within a community and, whenever possible, you take the leadership role, in your own way. As soon as you are more or less under the public eye, you become enterprising. When you are on your own, you do not feel the need to use your energy.

★★★★★ Mars opposite Pluto, orb -6° 08'

There is a limit to your respect for laws and norms! Morals, conventions, social marks are of little value to you. With a touch of anarchy in the soul, you disregard conventions and you experience a sort of personal revolution. You prefer unconventional actions to dull conformism. To express your differences, you use a wide scope of possibilities that ranges from brewing revolt to ideological renunciation. Sometimes, you dismiss concrete facts that are nevertheless unavoidable. Hence, you undergo delusions and backlashes. You may also act rashly, to the detriment of your ideals. It is important that you control your actions and that you balance the respect for constraints with your personal demands and inner motivations.

Your Intellect and Your Communication Style

Concerning Letizia

Your capacities for logic and analysis are very good, Letizia, and you evaluate each and every aspect of a given situation in objective and critical ways. You are industrious, methodical, with a lot of nervous energy, you pay attention to details and you may spend lots of time in intellectual and painstaking works. Although you are articulate, you do not like to be in the forefront and you prefer to work in team rather than to take initiatives: you feel less anxious when you know what is exactly expected from you and what you need to do. You tackle problems with rationalism and you distrust imagination and intuition. You love letters as much as you love figures. Your caustic humour may destabilize your entourage who may prefer that you were less demanding and more demonstrative. Please bear in mind that not everything can be kept under control...

Communication is your forte, Letizia: you will use your entire intelligence efficiently in order to achieve agreements, compromises, or contracts. You are a born negotiator, or at least, that's what you try to be because you are not mentally self-centred and your thoughts are more aimed at others rather than at yourself.

With this thinking process, you may be dependent on others and somehow too adaptable... Flexible, chatty, and outgoing when you communicate, you lose in charisma and in convincing power what you gain in quick, efficient, but sometimes light, compromise. Matters related to marriage are sometimes dealt with thoughtlessly but cleverly.

★★★★★ Mercury conjunction Mars, orb 0° 52'

This harmonic Mercury-Mars aspect is the signature of a quick wit and an energetic character. You take decisions rapidly and you implement them straight away. You never accept stiff situations. You need to design, to take action, to fight to express your acute sense of relation: the world, the people, everything is of concern to you... You need to be involved in relationships and in dialogues. Your sharp retorts earn you a reputation of straightforwardness. On the relations' area, your quick wit and your mobility are greatly appreciated. You find the allies and partners you need at the right time. An art of resourcefulness that is precious...

★★★★☆ Sun conjunction Mercury, orb 3° 38'

You know how to play with your image, how to give multiple representations of yourself. A precious asset: you are sensitive to other people's opinion and you adapt yourself to the audience. Of course, there is a "show" side in your manner that may prevent perfect cohesion. But that's the other side of the coin, for an extraordinary capacity to discover. This aspect translates into an acute sense of observation, an intense desire to learn and to bring everything to light. You strive to be informed in many circumstances, to understand the machinery of the world surrounding you, particularly regarding all human topics. And you will change according to that information and the knowledge gained. You have the chameleon's adaptation powers. And its vulnerability, as well.

★★★☆☆ Mercury square Saturn, orb -1'

This Mercury-Saturn dissonance does not allow for simple and spontaneous relations. Your vision of the world is complex. You are sensitive to the fragileness of human relations and you are doubtful of transparent situations. You need to look for hypothetical calculations and you suspect that unclear reasons are underlying beneath dialogues and encounters. Your sociability is limited. You are a loner because you dread relationships and you trust very few people among your close friends. You ask yourself more questions than you can find answers! Therefore, you are on the look out, troubled by the unknown. Everything is subjected to your questionings. It seems difficult to find certainties and to be satisfied with commonplaces that cannot soothe your doubting mind. The forte of this aspect is that it brings about undisputable capacities for discernment. Although your lucidity may hinder your relations, it also grants a lasting protection against gullibility. By nature, you belong to the category of the sceptics!

★★★☆☆ Moon square Mercury, orb 2° 5'

The Moon suggests relaxation, whereas Mercury implies a discoverer's mind. They both make sense and each one requires special attention, as they are sometimes upsetting. This Moon-Mercury aspect is likely to bring about nervousness or instability. Nervousness stems from the multiplication of your spots of interest and the perpetual restlessness of your mind, which prevents relaxation and well being from settling in. The outside world constantly appeals to your attention and you shift from one issue to another, to the detriment of your tranquillity. Therefore, it is important that you find the balance between two antinomial attitudes: letting-go versus curiosity, tranquillity versus communication. The new persons you meet with are not necessarily trustworthy and there is no certainty that the contact is harmonious. It is important that you use both influences alternately.

Concerning Felipe

You are a "free-thinker", Felipe, and you tackle problems with a swift and efficient mind. Freedom, progress and originality are your driving forces. You are resolutely future-oriented and with ingenuity and inventiveness, you reform what is outgrown and you constantly innovate: psychology, computer

sciences, new technologies... have almost no secret for you. Your human and idealist qualities are obvious, you are a very pleasant and interesting interlocutor, even though your rebellious and revolutionary side may be criticized. Indeed, you seem to be driven by a strong argumentativeness: you seldom share your friends' views and, although you may come across as obstinate, intransigent and unpleasant, you do not hesitate to speak the truth! Instead of causing sudden break-ups with your friends, it is advisable that you express your creative potential more persistently whenever your nervous tension is too high.

You are intelligent and brilliant as soon as you have identified a goal and you have partners to work with you. You are less inclined to undertake strictly personal projects, Felipe. Your mind and your curiosity include friends and collective projects. You believe that your particularly well-developed sociability is an asset for them.

Collective works, customers and public domain appeal to you, and you feel that you can achieve in those fields. Your negotiating skills are paradoxically stronger when you face the anonymity of a group rather than in intimate individual exchanges, may be only because you have no real interest in your own projects, for several reasons.

★★★★★ Mercury square Neptune, orb 1° 41'

With this Mercury-Neptune dissonance, relations may be distorted by the mirages of sensitivity. You have to make an effort to keep your objectivity. If this aspect is not well integrated, it may harm your good evaluation of human stakes. Your intimate beliefs may limit the dialogue, as if a very specific sensitivity prevented true communication. It may be difficult to find the right wording to express fragile and ineffable experiences. Imagination in power is not easy to share and the poetry of your speeches may be beyond your audience's understanding!

★★★★★ Mercury opposite Jupiter, orb -5° 29'

You play with social norms and you scoff at them. Your morality is seldom questioned: you adopt the most rewarding behaviour, precisely the one that wins you your entourage's consideration. But you sometimes cheat. You are an opportunist and you act according to circumstances, particularly because your moral stand is only a superficial mask. You enjoy concealing your beliefs: life is a social game and you change its rules to suit your convenience. Your flexibility and your adaptation abilities are appreciated. However, it is important that you do not behave inconsistently. A stable and transparent course of conduct may help you avoid many pitfalls or delusions. Beware of words spoken thoughtlessly, of empty promises, and do stick to your indisputable cleverness.

★★★★★ Moon conjunction Mercury, orb 8° 16'

Curiosity is part of your nature. You perceive everything with sharp acuity. You increase your attempts to establish connections and to exchange opinions and information, particularly when you are in a familiar and intimate context. When this configuration is well integrated, it underlines the multi-faceted nature of the mobility that defines your behaviour and your living conditions and endows you with strong adaptation abilities. You also show a remarkable gift for improvisation and you pick up the quality of the atmosphere so swiftly that you get off any tricky situations. However, you must keep your adaptation capacity under control because when it is overdeveloped, it may become an agent for instability.

★★★★★ Mercury inconjunction Uranus, orb -0° 53'

You are the champion for useless intellectual speculations, for crazy and revolutionary ideas. This Mercury-Uranus dissonance is the signature for an eccentric character, more ready to ridicule generally accepted ideas than to build up stable patterns. Your sense of humour reveals a critical and forceful mind. You can stand for an idea in the face of all opposition but you do not hesitate to support the opposite thesis the day after... with the same conviction. The coherence of your points of view is harmed by these spectacular reversals that constitute your speciality. In the relationship area, you may also provoke dramatic turns of events if your ideas are conflicted. The good news is that it seems difficult to convince you to accept points of view running counter to your principles. Intransigence also has its virtues.

Your Goals, Motivations, Carreer, and Destiny

Concerning Letizia

Your Sun is posited in the 7th House

To assert yourself, Letizia, you cannot rest until you multiply your contacts. Although you do not consciously understand your ambition early in life, you need to shine through your relationships.

It may take the form of a tendency to rapidly get involved in associations, groups or clubs; you feel fine as soon as people are around you because your communication skills are always highlighted and appreciated; your style is not what matters most because your main concern is to be noticed as soon as you are in contact with the world.

You are meant for marriage, the ultimate form of association. Usually, your destiny is dependent on your marriage, either directly through its consequences on your career and your lifestyle, or indirectly and, in the long run, through the supports and help you may gain, particularly owing to your honesty and your assertive skills. Marriage constitutes the apotheosis of your ambitions. As you unconsciously understand it, your entire will strives to achieve this aim since your adolescence. You have the required flexibility and talent to turn the life of your couple into daily harmony.

This area is only one of the facets of the fields where you positively exercise your will but... you do so with so much strength and talent!

With this configuration, everything seems all roses. However, it is not as simple and easy as it may look: your will to shine through others and your almost frantic search for contact may hide a fear of solitude and a lack of self-confidence. Why would you constantly seek confirmation of your own worth into other people's eyes if it were not to dispel your own doubts?

You are easily influenced and your apprehension about loneliness and not being up to it may cause troubles and out-of-proportion reactions; struggles, conflicts of authority or even lawsuits may be harmful. You often get over them because your determination to show that you are at your best is stronger than anything else.

Your challenge is to manage to please others and to conceal your domineering and too assertive side: however, do not make too much effort because, in all cases, you will be equally appreciated. Remember that it's better to let well alone!

The ruler of your chart is in the 8th House

The ruler of the Ascendant, also referred to as the chart ruler as explained in a previous chapter, is also posited in one of the twelve Houses of the chart. Just like the Sun in his House, the ruler of the Ascendant provides certain abilities, or it makes you appreciate more keenly certain areas of life.

The ruler of your chart is in the 8th House, Letizia. This configuration gives you a strong inclination for mysteries, the unknown, the occult, sexuality, as well as death. In the materialistic area, matters of inheritance and, more generally, other people's money - stock exchange, speculations, donations, etc. - may play a major role in your life.

Aspects influencing your ambitions

Regarding your destiny or your career, the following aspects of your natal chart allow to fine-tune what has just been said above:

★★★★★ Sun square Saturn, orb 2° 37'

The Sun-Saturn dissonance indicates frequent questionings. For the sake of lucidity, you are doubtful of everything that makes up your life environment, as well as of your entourage and of yourself. Past events are the cause of your distrust. Your motivations are not based on conventions or established norms. They may produce a feeling of loneliness or of revolt. However, you withstand difficult situations. You are pre-adapted to changes of direction and you are able to question the very basis of your life. Doubts are often overwhelming and hamper your steps. It is important that you accept facts with more simplicity and that you take life as it comes, without constantly questioning the validity of this or that option. It does not imply that you must lose the lucidity that is your characteristic. It only means that you have to build the self-confidence that you are lacking.

★★★★★ Venus trine Midheaven, orb 4° 41'

In your natal chart, Letizia, sweet Venus is in soft aspect with your Midheaven. It means that your natural charm and the way you express your feelings are appreciated in society. Usually, this configuration speeds up the achievement of your professional goals, or in any case, of a certain social status. A female - or females - may prove helpful for your career or your destiny.

★★★★★ Saturn opposite Midheaven, orb -7° 27'

Saturn is in opposition to your Midheaven, Letizia. He is at the same time in conjunction with your Imum Coeli which symbolises your roots, your family, and later on, your home. This configuration indicates that roots and family are important to you, may be too much. They are both a protection and a hindrance which prevent you from fully spreading your wings, lest you lose the security you definitely crave. When the time comes, you must reconstruct by yourself a stable and reliable platform similar to that which protected your childhood, and you must never get disheartened in the process. If you are patient enough, time is your ally, even though in return, your professional destiny becomes somehow less important than your private cell, your home...

★★★★★ Uranus sextile Midheaven, orb -4° 12'

Thanks to this soft aspect of Uranus to your Midheaven, Letizia, you are endowed with the gift to let yourself be carried away by the changes cropping up on your way. Instead of being disheartening, modifications affecting your professional or social environment... stimulate you! Then, you may show opportunism, in the good sense of the word, and throughout your life, you may experience strokes of good luck, the consequences of which can be increased, thanks to your talent and your lack of fear whenever you face newness.

★★★★★ Sun conjunction Pluto, orb 8° 35'

This harmonious Sun-Pluto aspect indicates an exemplary clear-sighted mind. Without destabilizing your appearances or your personality mask, Pluto makes you aware of your subjective and questionable character, as well as of your manner. You never take yourself completely seriously. You have a good grasp of human nature's complex games, without gullibility, without excessive simplification. Because you can perceive hidden elements underlying any situation better than anyone else, you are acknowledged as perspicacious. This aspect allows you to distance yourself from difficult circumstances and to remain impassive when you must overcome pitfalls.

★★★★★ Sun square Jupiter, orb 6° 14'

This Sun-Jupiter aspect indicates a strong desire for social and professional integration but it may cause a few difficulties of expression in that regard, owing to excesses or immoderation. There may be discrepancies between your objectives and the means implemented to achieve them. The danger of this configuration may be that you forsake an essential part of yourself for some ambitious but out of proportion plan. Too many efforts of adaptation and an excess of opportunism may make you miss the target. It is important that you remain true to your values and that you do not seek, at any cost, to adjust your attitudes to the situation. However, do not fall into the opposite trap: a need for the absolute that forbids compromises, although they are so necessary. You must reconcile idealism with the demands of the moment, the respect for principles with the sense of timeliness. When this configuration is not well integrated, things get out of hand. Extravagances are glaring. They may translate into an exuberant, overly demonstrative disposition. Personal ambition turns into pride, and joviality becomes immoderation. Outbursts of anger are frequent. However, in a reserved and cautious context, this configuration reveals its positive nature.

★★★★★ Mercury square Midheaven, orb -6° 26'

You are not pleased with the way you intellectually approach your professional goals, or simply your destiny. Because of this mild dissonance between Mercury and your Midheaven, in some circumstances, your communication style is tainted with a few hesitations or clumsinesses. There is nothing serious to worry about, and it is up to you to gradually build self-confidence through the study and mastering of your projects.

★★★★★ Moon conjunction Midheaven, orb 9° 17'

The Moon in conjunction with the Midheaven receives good press, Letizia. She indicates potential fame, or in any case, some degree of popularity. Your sensitivity is well perceived and, above all, it perfectly fits your professional destiny and your social ascent. Females may greatly influence your success. Your social status or your profession may be tightly linked to lunar values, such as frequent contacts with the crowd, children, women, daily matters, imagination, school, administration, leisure and sports for children, hotel and restaurant industry, bakery, poetry, the arts...

★★★★★ Jupiter opposite Saturn, orb -8° 51'

Jupiter and Saturn form a dissonance in your natal chart. It is far from being horrendous. This planetary configuration, which is deemed somewhere between the individual and collective characteristics, only indicates that your social integration may be delayed, or may encounter a few difficulties. Such slight delays or setbacks often have their origins in your own behaviour. Indeed, since Jupiter represents laws and public life, and Saturn, seriousness and perseverance, in many instances, you may become impatient, or even rebellious to any form of authority or legal constraints, to the extent that you cross the white line... When you face such circumstances, you must resign yourself to listening to reason and accept to wait for your turn, lest... your achievements are even more slowed down by your own haste.

★★★★★ Mars square Midheaven, orb -7° 19'

Because Mars is in dissonance with your Midheaven, in some circumstances, you may feel misunderstood, Letizia. In society, you may even feel hostility towards you as you try to climb up the steps of your professional life, or when you strive to reach a higher social status. Your efforts may be resented. You must be twice as careful as you usually are and tone down your behaviour in order not to be rude to other people, even though from your viewpoint, and it is actually most often the case, it only has to do with misunderstandings or some eagerness on your part.

★★★★★ Pluto quintile Midheaven, orb -0° 4'

Pluto is in soft aspect with your Midheaven, Letizia. Your natural perspicacity and your propensity to move deeper into the understanding of all the things surrounding you may favour your career. Besides, in some circumstances, secret protections or relationships at work in the dark may very well help you climb up the stairs to success. At the same time, your intuition and your capacity to overcome pitfalls are your constant assets.

★★★★★ Neptune conjunction Midheaven, orb 10° 06'

Neptune is in conjunction with your Midheaven, Letizia. This aspect indicates that your vision of your career and your destiny is idealistic. You seem to adhere to some sort of poetic - and happy - fatality regarding huge changes or your progression towards success. As a consequence, achievements may be beyond your... will. If your professional or social circle fits your ideals, it is very likely that you experience brilliant successes in a sort of euphoria and a feeling of fusion with the world. Sometimes, this aspect indicates that your career is of a Neptunian nature, meaning that it is related to the sea, water, the world of ambiances (night-clubs, show-business, revels, etc.)

Concerning Felipe

Your Sun is posited in the 10th House

Felipe, your need for assertion is very strong. It is clearly oriented towards the success of your professional or social destiny, or at least, towards an important rise compared to your initial background; your effort, your will and your goals are well defined in your mind: you have a concrete vision of the kind of destiny you are interested in and you do not want to stay on the backstage! Because in traditional astrology, the Midheaven relates to the mother, should other configurations of your chart concur, your mother might favour your ambition or speed up the success of your career.

You have an innate sense of commandment and a definite taste for honours, prestige, recognition of your self-worth. You don't like vagueness and your objectives are very concrete. You want to quickly leave anonymity and the quietness of the dark, for which you have no affinity. Your determined attitude, and

your irresistible desire to play an increasingly important role in the position you hold, are major assets for the actual achievement of your goals. You want to shine forth and to heave yourself up, always higher and higher.

There are real indications of fame, provided that other elements of your chart concur. Even though you did not rise to fame, it is likely that, in your area, you enjoy some degree of glory. You are efficient and, with the help of your organizational skills, it is not difficult for you to find your spot in the sunshine.

In some rare cases, your ascent goes beyond the average ones and it may occur on the spiritual plane instead of the professional or the social plane. Therefore, you may be called upon to play a solar authority role in line with your beliefs and your commitment. You may become a leader or a master in the path you have chosen.

Even though you may hesitate to admit it and to tell others, your frenzied inclination for success inevitably brings about conflicts of authority; striving to heave yourself up, too high and too quickly, to a level that is so different from the one you were at, not so long ago, exposes you to clashes with the hierarchy or with those whom you regularly outgrow in the course of your ambitious journey and who may not agree with you.

There is also the fearsome and dormant danger of exhilaration of power and its disastrous consequences; hopefully, you do not have to jump into it with both feet. A fair dose of detachment and meditation may spare you many a trouble.

The ruler of your chart is in the 8th House

The ruler of the Ascendant, also referred to as the chart ruler as explained in a previous chapter, is also posited in one of the twelve Houses of the chart. Just like the Sun in his House, the ruler of the Ascendant provides certain abilities, or it makes you appreciate more keenly certain areas of life.

The ruler of your chart is in the 8th House, Felipe. This configuration gives you a strong inclination for mysteries, the unknown, the occult, sexuality, as well as death. In the materialistic area, matters of inheritance and, more generally, other people's money - stock exchange, speculations, donations, etc. - may play a major role in your life.

Aspects influencing your ambitions

Regarding your destiny or your career, the following aspects of your natal chart allow to fine-tune what has just been said above:

★★★★★ Uranus trine Midheaven, orb 0° 18'

Thanks to this soft aspect of Uranus to your Midheaven, Felipe, you are endowed with the gift to let yourself be carried away by the changes cropping up on your way. Instead of being disheartening, modifications affecting your professional or social environment... stimulate you! Then, you may show opportunism, in the good sense of the word, and throughout your life, you may experience strokes of good luck, the consequences of which can be increased, thanks to your talent and your lack of fear whenever you face newness.

★★★★★ Sun sextile Saturn, orb -1° 4'

This aspect indicates a firm and discreet will, a rigorous and objective character. You are clear-sighted, particularly in difficult situations. You enjoy the moments of calm and solitude during which you can review your life at will. Your judgments are enduring and often extremist. You are outraged by injustice and inconsistency. When a problem arises, you do not take the easy way out with short-term solutions, on the contrary, you strive to solve the issue thoroughly. Better than anyone else, you challenge yourself, you review your choices and your attitudes. This is the reason why you are capable of handling crises and of overcoming any obstacle that requires an in-depth and relevant response. You may lack spontaneity but your behaviour reveals your wisdom. When you are facing an issue, you put forward the good question, to others, but also to yourself.

★★★★★ Neptune sextile Midheaven, orb 2° 53'

Thanks to this soft aspect of Neptune to your Midheaven, Felipe, your intuition is very sharp, as far as your possibilities for success are concerned. Thus, you have no difficulties in finding your professional or social path, and your nose tells you whether something is good or not for you, even before you start to analyse it. Your imagination and your visionary qualities accompany you along your journey towards success.

★★★★★ Pluto trine Midheaven, orb 6° 4'

Pluto is in soft aspect with your Midheaven, Felipe. Your natural perspicacity and your propensity to move deeper into the understanding of all the things surrounding you may favour your career. Besides, in some circumstances, secret protections or relationships at work in the dark may very well help you climb up the stairs to success. At the same time, your intuition and your capacity to overcome pitfalls are your constant assets.

★★★★★ Sun sesqui-square Pluto, orb 2° 07'

You are dealing with both sides of the coin. People are mistaken when they think that they know you well, because the image you project does not necessarily depict what you really are. You may look like any given model, whereas you actually consider social values to be empty and childish. Deep down, you are an anti-establishment person and you do not belong to the world and its laws. Or, on the contrary, you may project a more marginalized image and make it a point of honour to literally stick to your aspirations' ethics. You do not know who you are really, and where you stand. You may choose some sort of marginality, the adherence to another realm and a different scale of values. Unless you choose a life that apparently lives up to the expectations of others. In that case, you preserve a corner for your private secrets, with no norms, no fashion concerns, relationships off the beaten tracks, passions very removed from conventions. Your attitudes may seem paradoxical as you shift from commitment to refusal and from involvement to withdrawal.

★★★★★ Sun conjunction Midheaven, orb 10° 26'

With the Sun in conjunction with the Midheaven, your will is entirely at the service of your ambitions. With such an aspect, Felipe, it is most likely that your destiny is meant to be exceptional, and that you rise to some sort of fame. You may shine in your professional activity, or at least, you may enjoy an enviable social status as early as in the first part of your life. Besides, your profession may have a solar characteristic, which means any occupation with strong glamour, leadership, and personal authority components.

★★★★★ Mercury semi-sextile Midheaven, orb -1° 12'

Mercury in soft aspect to your Midheaven enables you to easily communicate with your entourage and to climb up the social ladder, Felipe. Your strategy is often good, and you correctly think about your interests. Do not change anything!

★★★★★ Sun quintile Neptune, orb 1° 2'

This harmonious Sun-Neptune aspect indicates a highly developed intuition and clear-sightedness and sometimes, a sixth sense. Mental images or information drawn from the unconsciousness impress your mind. What was only a muddled feeling turns into certainty and deep conviction. You do not necessarily need to justify your attitudes: you take a decision because you feel that you have to do so, although you may not control the underlying logics. The danger is that you may follow fanciful or adventurous roads. Beliefs you cannot explain may prove wrong or over-optimistic. However, your intuition is seldom misleading. One last comment: there is often a keen curiosity for the « bizarre » and the paranormal with this planetary aspect.

A Few Special Points

The following paragraphs are of a less personal nature since they involve slower-moving planets. However, they provide a few additional pieces of information about your personality that are not to be overlooked. This comment applies more particularly to the first two paragraphs, which describe your assets and your serious side.

Your Assets and Your Part of Joviality

Concerning Letizia

This present from the stars is by no means insignificant, Letizia, the house of career, hosting the planet of Greater Fortune, can but favour your professional life. As time unfolds, it develops into a most pleasant scope. Sooner or later, it brings about success and your peers' recognition. You do not fear responsibilities, and you face them properly.

The planet Jupiter symbolizes expansion, broadness and generosity. Jupiter is associated with the functions of synthesis, enthusiasm and optimism. In your natal chart, his house position is more important than his sign position because, like Saturn, Uranus, Neptune and Pluto, he is a slow planet. Many people born in the same period have Jupiter in the same sign. This is the reason why the sign occupied here is less meaningful than when it is occupied by the so-called fast planets, i.e. the Sun, the Moon, Mercury, Venus and Mars. Therefore, some caution is to be exercised as you read what follows.

Jupiter in Sagittarius is very popular because he rules this sign, and, according to the Tradition, he is most potent and at his best. He endows you with all his natural qualities: enthusiasm, sense of humour, boldness, warmth, optimism, leadership, synthesizing mind, but also, propensity for travels or, symbolically, disposition for higher knowledge and matters such as spirituality, philosophy, politics or religion.

Concerning Felipe

For you, Felipe, nature's present includes a lot of great satisfaction in the area of leisure, entertainment, creation and love. Anything with a hint of pleasure is favoured. A marvellous world exempt from constraint and obligation illuminates your life. According to the Tradition, your luck also applies to your communication with children and your descendants are harmonious and successful.

Jupiter in Virgo gives you a talent for work, for practical activities and a higher than average dexterity. You have a strong sense of duty. You are very appreciated in your work environment because you are a perfectionist. The Tradition underlines that all the fields related to health and physical wellbeing are favoured.

Your Serious Side

Concerning Letizia

Letizia, you worry when you are at home, in private. You may feel, wrongly usually, that your family does not love you, that they do not understand you, that you are lonely, and that your father is too strict.

You are often attached to the past and to painful souvenirs. Your challenge is to understand that the present can become light and pleasant and that the burden of your sufferings comes from your own doubts and not from your family environment. If you succeed in doing so, you will win on all counts since, at the end of the day, you become responsible, stable and... happy at home!

The planet Saturn symbolizes contraction, effort, time, limitation and concentration. Saturn eliminates anything that is not authentic, sooner or later. It is impossible to cheat him as he gives an irresistible desire to form a coherent whole with oneself, in responsible and wise ways. He is the great purifier. He represents our limitations but also our truth. In your natal chart, the house position where Saturn is posited is more important than his sign position because, like Jupiter, Uranus, Neptune and Pluto, he is a slow planet. Many people born in the same period have Saturn in the same sign. This is the reason why the sign occupied here is less meaningful than when it is occupied by the so-called fast planets, i.e. the Sun, the Moon, Mercury, Venus and Mars. Therefore, some caution is to be exercised as you read what follows.

Saturn in Gemini decreases your lightness, your frivolousness, and your heedlessness. You become more thoughtful, more concentrate and you learn to deeply funnel your ideals; your practical sense is increased, your concern for punctuality and your thirst for precision are reinforced.

Concerning Felipe

The combination of the house of ordeals and sacrifices with the planet of renunciation may seem awkward at first. However, Felipe, it may help you assert yourself when you are facing painful circumstances, or when destiny's strikes bring about periods of isolation.

If your generosity of spirit and your will are up to the stake – your quick and intense evolution - you may take advantage of this promising but difficult configuration. Then, you become stronger, more lucid, and

more dedicated than ever.

Saturn in Aries decreases your impulsiveness, your primary-ness and your spontaneity. But it endows you with more patience, tolerance and reflection in the long run.

Your Uniqueness and Your Utopias

Concerning Letizia

Unexpected events and surprises often occur in quite special areas: finance connected to investments, to inheritances and, more generally, to external possessions or losses (taxes, stock exchange, other people's money), to the fields of occultism and death and, more symbolically, to sexuality.

In general, in one of these fields, you are likely to experience one or several reversals of situation (positive or not), on the material plane but also, as a consequence, in your approach to life and the way you transform your personality in depth.

In any case, you are predisposed to risk-taking, as if some inner force prompted you to create maximal psychical tension, or to challenge yourself in order to know yourself better, or to explore the unknown in a constantly deepening manner.

Concerning Felipe

Your sentimental life is usually hectic and jerky. You are constantly looking for pleasures and love affairs loaded with feelings and novelties. This also applies to your leisure and to your creativity. You are somewhat insatiable, sometimes unconsciously, and you are prone to reverse your choices. Later on, when you assess the situation, you realize that you seem to avoid stability in these areas.

In your concrete life, you are attracted by eccentric partners who may constitute a danger in terms of durability. In parallel, you are creative, innovative, sometimes at the highest level of your art, but sometimes you may be totally uninspired.

Your children may be an important source of satisfaction or of concern. For instance, birth may occur within non-conventional settings (out of wedlock, or in unforeseen circumstances, or not with the right person etc.).

Your Inspiration and Your Illusions

Concerning Letizia

Your concepts and ideas in politics, philosophy and, generally speaking, higher knowledge and abstract matters, are your sources of inspiration. But at the same time, your mind is a bit confused and unmethodical in these areas.

Remote lands, evasion, literally (long distance trips) or figuratively (higher knowledge) give you a

confused feeling of the infinite, of fusion and communion with the world at large; the danger is that you may get lost. You must be cautious when you travel, and you should try to step back in order not to go astray when you deal with big concepts and ideals.

There is a strong tendency towards idealization, with many assets and many dangers at the same time.

Concerning Felipe

It is in the relationship area that your approach may be nebulous: you tend to idealize your partner, and you may be easily influenced, and terribly irrational, when you assess the worth of your contacts. However, when the time comes, you display a formidable intuition and it is your sixth sense that "recognizes" your future spouse.

You may be weak, gullible and vulnerable in the area of human contacts. Since there is a danger to be deluded, you must use your intellect to avoid the possible traps related to your encounters, in spite of the sweet and confuse impressions they arouse.

Try not to be too lax with your associates and your relationships in general. If you make too many sacrifices, if you refuse to face the truth, you may undergo severe losses; try to step back before committing yourself and even, before... getting married! In this way, you can benefit from the positive side of this configuration.

Your Passion and Your Authority

Concerning Letizia

You have a natural strong authority as soon as you are with other people, and you tend to consider relationships as fights that allow you to display your might and your influence, insidiously but obviously, particularly for... the others!

Your contacts and your associations require so much emotional intensity that people who consider that relationships should be light and flowing may be frightened or disconcerted.

There is a strong possibility that you marry a powerful and secretive man with whom you form a whole unit and on whom you totally rely in confidence. Should it not be the case, it is very unlikely that he accepts that you retain a lot of personal freedom.

Concerning Felipe

Your sentimental life and the way you approach leisure are intense, even obsessive. You are willing to experience amorous passions where love and hatred closely cohabit!

You are creative, and you want to influence your children and your love conquests. You never take things lightly and, sooner or later, your love games and your entertainments may take a worrisome turn because you commit yourself too deeply.

Your sentimental relationships may be tinted with sadomasochism. If you are careful to keep it light, there is no reason why you should get into trouble.

Happy gambling is part of the possible characteristics of this quite pleasant configuration. You must step back in order to be able to handle it properly.

Your Isolated Planets

In general, the ten planets of the chart are connected to other planets by major or minor astrological aspects. It is owing to those ties that the planets' energies can manifest in the chart owner's personality and play out within safeguards according to a specific tonality.

It seldom happens that in a natal chart, a planet is totally disconnected from the nine other planets.

Astrologers have observed that when such a case occurs, the person feels the energy of the unaspected planet in quite a singular way, very jerky and powerful at the same time. Thus, for instance, the famed astrologer Jean-Baptiste Morin de Villefranche wrote that "an unaspected planet heralds that something strange or extraordinary will take place regarding the meanings of the house in which the said planet is posited" (source : l'astrologie selon Morin).

Rules for detecting an unaspected planet: among all the testimonies that we have reviewed to this day, based on our experience, we tend to agree with American astrologer Janis Huntley who accepts seven aspects, which involve the zodiacal twelve sections of 30 degrees. The aspects to be considered are the conjunction (0 degree, cooperation or tension), the semi-sextile (30 degrees), the sextile and the trine (60 and 120 degrees respectively, aspects of cooperation), the square and the opposition (90 and 180 degrees respectively, tensed aspects), and the quincunx (150 degrees, slightly tensed). In this detection, the chart's angles are not taken into account.

In any case, it is important to remember that an isolated planet clearly expresses its influence when it is a personal planet. Thus, when the Sun, the Moon, Mercury, Venus, or Mars is isolated, it is certain that the effects described by Jean-Baptiste Morin de Villefranche will become manifest. As for Jupiter, Saturn, Uranus, Neptune, and Pluto, one must be cautious because the volume of cases documented is not yet large enough.

Concerning Letizia

Your chart has no isolated planet, and this particular case does not apply to you.

Concerning Felipe

Your chart has no isolated planet, and this particular case does not apply to you.

Annex 1: Your Minor Dominants

The five following dominants are less significant than those described at the beginning of your report. They may not be strongly felt. In some cases, they add several minor details to the analysis of your character, but they are rather for curiosity purposes. It is not necessary to take them into account when you first read your portrait.

Your Planetary Repartitions: Northern, Southern, Eastern and Western Hemispheres

The axis linking the 1st house's cuspid (the Ascendant) to the 7th house's cuspid - the Descendant - divides the zodiac into two bowls, a superior bowl, in the South, and an inferior bowl in the North. Quoting an expression by the famous American astrologer Rudhyar, the Southern part and the Northern part correspond to two functions: "being" and "doing". Other concepts are also associated with this North and South distribution, such as introversion - Northern hemisphere - and extraversion - Southern hemisphere - being or appearances, inner life or external life, reflection or action, dreaming one's life or living one's dreams, the abstract or the concrete, backstage or limelight.

This is not about determination but about personal inclination: thus, some people will be thrown into public life despite a prominent Northern hemisphere. If this happens, however, it will not be due to their will, their taste or their deep nature. Conversely, a prominent Southern hemisphere will not bring about a famous destiny to its owner, even if he tends to turn the spotlight on himself, or if he looks for a more active life. It is a matter of deep nature and natural inclination. Of course, none of the typologies is "superior" to another.

In your birth chart, Letizia, the ten main planets are distributed as follows:

Your Northern and Southern Hemispheres

Letizia, the predominance of planets in the Southern hemisphere prompts you to take action, to draw attention on yourself, and to make your actions and what you have in mind visible to everyone. Sometimes, without giving a single thought to, and to the detriment of, a richer inner life and a deeper and wiser reflection. Action and communication are inevitable in your opinion and you tend to think that the only thing that matters is what is seen! This is not always true, and it is up to you to progress through the development of inner qualities such as meditation, solitude and imagination so as to become stronger.

Your Northern and Southern Hemispheres

Felipe, the predominance of planets in the Southern hemisphere prompts you to take action, to draw attention on yourself, and to make your actions and what you have in mind visible to everyone. Sometimes, without giving a single thought to, and to the detriment of, a richer inner life and a deeper and wiser reflection. Action and communication are inevitable in your opinion, and you tend to think that the only thing that matters is what is seen! This is not always true, and it is up to you to progress through the development of inner qualities such as meditation, solitude and imagination so as to become stronger.

The birth chart is divided into two other parts, Eastern and Western, by the axis linking the Midheaven to the Imum Coeli.

The Eastern part, on the Ascendant side, shows the person's ego, will, magnetism, and vitality, whereas the Western part, on the Descendant side, symbolizes other people, communication, relationships and their influence, as well as flexibility and adaptability.

Letizia, here is the planetary repartition in your Eastern and your Western hemispheres:

Your Eastern and Western Hemisphere:

The predominance of planets in the Western hemisphere of your chart means that you are quite flexible,

capable of empathy, convivial and communicative. An excellent factor for many professional activities or for your social or sentimental life for example.

A definite asset... provided that you are not at the centre of the decisions you must take in your life: you may be tempted to listen to the last person who spoke, and your flexibility won't always get you out of the tight spot. You are therefore advised to learn to decide alone and to cope with the consequences of your actions with courage and without regrets. This attitude will allow you to combine flexibility and action, adaptability and absence of hesitation.

Felipe, here is the planetary repartition in your Eastern and your Western hemispheres:

Your Eastern and Western Hemisphere:

Felipe, the East and West sides are well balanced in your chart. This means that you are not too determined or authoritarian, and that you are neither impressionable nor fragile. You are capable of taking decisions, in full awareness, without anyone's help when circumstances so require. However, you have no problem taking your entourage's viewpoints into consideration, with tact and intelligence.

Your Yin and Yang Polarity

The twelve signs are divided into two polarities, called active or passive, or sometimes masculine and feminine, positive and negative, Yang and Yin. This classification corresponds to two quite distinct tonalities, the first one bringing extraversion, action, self-confidence and dynamism, the second one, introversion, reactivity, reflection and caution. None is superior to the other, each group has its own assets and shortcomings. Odd signs - Aries, Gemini, Leo, Libra, Sagittarius and Aquarius - belong to the first group, whereas even signs - Taurus, Cancer, Virgo, Scorpio, Capricorn and Pisces - belong to the second group.

Your Yin and Yang Polarity

According to the disposition and qualities of your planets and angles, you are rather influenced by Yang energy, the active polarity, Letizia: more concerned about actions than reflection, you sometimes rush without standing back and without the deepness that is needed. However, your spontaneity prompts you to take fresh starts, even after repeated failures caused by your rashness.

Your Yin and Yang Polarity

According to the disposition and qualities of your planets and angles, you are rather influenced by Yin energy, the passive polarity, Felipe: you are quite introverted, imaginative and sometimes discreet, but you are a deep and wise person who is not content with just noisy and flashy things. At times, you doubt but you think that those who don't are a bit... thoughtless. Allow yourself to take more laid-back attitudes and put your reserve aside, because good equilibrium is always healthier.

Your Houses' Accentuations

Houses are split up into three groups: angular, succedent and cadent.

The first ones are the most important ones, the most "noticeable" and energetic houses. They are the 1st, 4th, 7th and 10th houses. Their cuspides correspond to four famous angles: Ascendant for the 1st house, Imum Coeli for the 4th house, Descendant, opposite the Ascendant, for the 7th house and Midheaven for the 10th house, opposite the Imum Coeli.

Planets are evaluated according to a whole set of criteria that includes comprehensive Western astrology rules. At their turn, planets emphasize specific types of houses, signs, repartitions etc., as previously explained.

Your Houses' Accentuations

Your angular houses, namely, the 1st, 4th, 7th and 10th houses, are very emphasized in your chart, Letizia: according to the Tradition, they are the strongest and most dynamic houses. Should the rest of your chart concur, angular houses suggest that you are an enterprising, energetic and assertive woman. Indeed, angular houses are said to generate impulsions and to give a powerful and domineering personality.

Unusual fates are often linked to a predominance of angular houses, but this is only a partial indication...

Your Houses' Accentuations

The emphasis is on succedent houses in your chart, namely, the 2nd, 5th, 8th and 11th houses, Felipe: this configuration usually endows a personality with affective and sensitive qualities. Obviously, to the detriment of self-confidence or self-assertion, but your heart qualities may be very important. These houses also favour realization. Time and patience are part of their characteristics. However, they are only indications and you must include them in the rest of your chart in order to see whether they are validated or not!

Your Esoteric Decanates

Each sign contains 30 degrees and can be divided into three equal parts: the decanates. The Tradition indicates that specific meanings can be associated to each of the three decanates. Their sphere of activity is usually limited to the Sun sign, however, it is even more interesting to observe the distribution of all the planets in the chart to get an idea of the respective importance of the three decanates, which can complement the description of the personality.

These meanings must be considered with the greatest caution. Indeed, they are minor characteristics that can only underline other outstanding traits of character.

Traditionally, the first decanate highlights the characteristics of the sign where a planet is located. The two other decanates correspond to sub-dominant planets, depending on the nature of each sign. This system leads to a multiplication of meanings and it is impossible to have a clear understanding: here, we prefer to give only the meaning of one decanate in comparison with the other two, within the birth chart as a whole. Again, the greatest caution is needed with regard to this minor indication as it is not always reliable: it is not essential that you read these texts in the beginning. You can get back to them later on, once you have read more important interpretations

Your Esoteric Decanates

The third decanate, which means the part between 20° and 30° of any zodiacal sign, prevails in your natal chart, Letizia. It contains the degrees of spirituality, traditionally more delicate to deal with, since they incline towards evolution and therefore, destabilizations. Individuals with an emphasised third decanate may have a deeper sensitivity than most people, which often brings about ordeals, but also spiritual rewards.

Your Esoteric Decanates

The first decanate, which means the part between 0° and 10° of any zodiacal sign, prevails in your natal chart, Felipe: this decanate is traditionally linked to vitality and physical constitution, and may indicate that you efficiently express your concrete energy on the material and sensual planes.

Annex 2: Karmic Study

The karmic theme is a good complement to the psychological portrait, or natal chart. This analysis is based on the positions of the Lunar Nodes, the Black Moon and the Part of Fortune: they are also called fictitious points and describe the spiritual purpose of your destiny. Because there is in all of us an experience and a quest, our life is an evolutionary journey... provided that we head towards the right direction, of course! Indian astrologers highly prize the Nodes axis (North Node and South Node). It is the Ariadne's thread that we are invited to follow. The Black Moon indicates the sector where we are most likely to transform or to transcend, whereas the Part of Fortune points out the area where we can easily express our specificity.

The Lunar Nodes: a spiritual path

Lunar Nodes have their roots in the Indian tradition and they are based on a simple concept: each of us have a mission of their own, here on earth, a destiny, a course. According to the Indian philosophy, life is a school: the nodal axis describes our past experiences (South Node, our karma, our spiritual inheritance or our previous lives), and our aims on earth (North Node, our Dharma, the purpose of our current incarnation). This is the reason why the study of the lunar nodes is called "Karmic astrology". Here, we shall not step into hypothetical past lives. Wherever our current trends may come from, all that really matters is that we become aware of the purpose of our life, its finality and our dharma. We are likely to understand our life purpose around the age of 37, when the Lunar Nodes return to their natal position.

Concerning Letizia

Your life is marked with the major challenge of developing your social image, of asserting your personality... and of leaving your shell. Your childhood and your family roots are very present. You have an inclination for quietness, protections and intimacy. You enjoy at will the moments when you feel "at home", in known territory and familiar situations. But you must learn to thrive in society, to give of your best, to socially shine, particularly when you feel that external pressure and opinions are upsetting. Do not fall in the trap of your dreams and souvenirs! Life implies responsibilities and the will to control, otherwise you cannot feel your true self. You may be too dependent and you must learn to slowly become autonomous, free to take decisions and to take action. Your sense of duty allows you to climb all the steps of a perilous, yet thrilling, social ladder. As years go by, you claim more autonomy, more power and more freedom of action.

Very early in life you showed a strong desire to intensely live through your passions. You are sensitive to your personal prestige and you adopted dramatic attitudes as you needed your merits to be acknowledged and you wanted to arouse esteem and admiration. Your individualistic ways may have caused setbacks: you are criticized for your egocentrism or at least, for your lack of openness and compassion. As time goes by, your life's challenge is probably to gain a taste for collaborations, fraternity, and unselfish love. If you can put aside your touchiness, you become able to relinquish your pride and to focus your energy on larger actions such as collective tasks, or even, universal works. Life teaches you a philosophy of harmony and union, far from your primary desires and needs. You then discover an entirely different realm, a spiritual dimension, the major features of which are abnegation, selflessness and the access to a world of altruism that provides more satisfactions than anything else. Self-sacrifice, friendship and fraternity are the path to your fulfilment.

Concerning Felipe

You have obvious sociability qualities. You know better than others how to adjust to a new context and to copy your entourage's behaviour exactly. You do not dissociate yourself from groups or cells (social, family), on the contrary, you frequently adopt flexible attitudes that meet other people's expectations. This may translate into a lack of fighting spirit. You may not dare to go against prevailing fashions and currents. Because you dread unknown situations, you may miss the opportunity to innovate. It is important that you learn to go it alone and to get rid of scruples that hamper your doings: life encourages you to leave aside other people's opinions and, as time goes by, to find your autonomy of thought and action. While keeping your sociable nature, it is important that you develop a sense of individual initiative. In many situations, one can only rely on oneself. In such cases, you have the possibility to achieve the freedom many people dream of, without really giving themselves the means to implement it. Do not allow your entourage to dictate your way of life, over and over again. However, do not fall into the opposite excess: the frenzied individualism of those who value nothing except their own interest! Your life's purpose may be to master your destiny.

Your doings indicate the challenge to dedicate an important part of yourself to devotion and abnegation. Life imposes a few sacrifices on you, whether agreed upon (and voluntarily taken up) or imposed by daily vagaries. Very early you showed a sharp critical sense and your attitudes were rational, logical and reasonable, although individualistic. As time goes by, you learn to make concessions and to offer an essential part of yourself so as to outgrow the "every man for himself" principle. Ordeals are meaningful: people may not respond to your games and your entourage may thwart your plans and your ambitions... You may need to achieve the "old souls" detachment, those beings who have learnt that only essentials are to be kept – inner life or survival- and who know that this world "petty things" are vain. Better than anyone else, you cope with situations of crisis because, whatever the circumstances, there is a hidden spiritual dimension and a springboard for evolution. You will slowly get to know the art of accepting things without going back on what you have said or done. Compassion and altruism become the central theme of your life.

Lilith or the Dark Moon

The Black Moon is the spark of refusal and distance that is dormant in all of us. Depending on the sign where she is found in your chart, she highlights the desire to transform and to sublimate a part of your life. The Black Moon is unfathomable and mysterious. She gives a different dimension to the sector she touches. Her manifestations are subtle; nonetheless, she is powerful, implacable, demanding to the extreme... The Black Moon is also called Lilith. She is the inner flame of your heroism and insubordination.

Concerning Letizia

This configuration predisposes to the quest of the absolute on two accounts: firstly, the very nature of the Black Moon, implacable and extremist, and secondly, she is in a sector of the Zodiac that is traditionally evolutionary but extremist. Here, you flirt with death, danger and challenge. Everything suggests transformation, abandonment and revival, passion and cruelty. There is no half-measure in your behaviour, only a terrifying and marvellous thirst for the absolute... That'll take some doing for the person who will experience it with required intensity!

The notion of freedom takes a special meaning: to be free does not only mean being able to move as you please here and there, nor does it mean having a few hours of leisure available. Above all, it means being able to lead a spiritual quest, to access a different dimension in life: to encounter, to travel, to love and to

never be hampered by contingencies, never be slowed down by daily life. That'll take some doing! The comfortable routine of the contemporary world, in this regard, puts you off.

Concerning Felipe

Twin relations (those that include your fellow creature, your double) are an object of fascination. You are in quest of your soul mate, your identical being rather than your complement... This attitude brings about exaltations and setbacks: you think that you recognize that special one who really resembles you? Differences, however, grow more painfully as time unfolds. But your search of an absolute relation may also become the cement of a close and privileged couple, impervious to life vagaries.

Your refusals are irrevocable: you may show violence when the situation is stuck... When facts hamper your aspirations, when everything does not seem to start moving soon, you tend to force your ways through events, regardless of the price to be paid. Your strengths and your weaknesses stem from all that: you may exercise a misplaced extremism, claiming great causes, whereas order can be restored in the simplest of ways. However, better than anyone else, you know how to maintain the pressure whenever it is needed, when the desire for deep changes takes precedence over submission or abdication.

The Part of Fortune in House

Concerning Letizia

The Part of Fortune is a very ancient fictitious point that depends on the lunar phase at the time of birth. The astrological house tenanted is particularly strengthened. In your chart, the Part of Fortune is in the 3rd house: communication constitutes your wealth. You strive to integrate your entourage's experiences, you are in search of a model to follow, of an original ideology or behaviour. Better than anyone else, you can observe your close friends and understand them. Therefore, your destiny hinges on relationships. You can achieve full balance as you make some room for exchanges and dialogues.

Concerning Felipe

In your chart, the Part of Fortune is in the 1st house: you aspire to be in full control of yourself. Your wealth is within... early in life you develop the taste for individual initiatives and you find your full balance as you give new impulsions to people and things. You are the initiator, the eternal starter. Like all the persons born at the new moon, you have a very personal way of handling life.

Retrograde Planets

The karmic tradition insists on the issues related to the so-called retrograde planets. They are considered to be the inheritance of a past that was not well experienced, a sort of unfinished business. The interpretations of the retrogradation may seem negative or excessive to you. However, you may relate to a scenario that you have often and repeatedly experienced... as if you underwent several setbacks that all have the same cause. Until the day you become aware of it and you can free yourself from it! Through the slow integration of these planetary energies, you will be able to overcome your difficulties and to pay your karmic debt. Actually, each retrograde planet highlights an opportunity for evolution. Nothing can be achieved without the will to grow spiritually and to defeat your own demons.

Concerning Letizia

At the moment of your birth, no planet was in the retrograde motion.

Concerning Felipe

With Jupiter retrograding on the day of your birth, the lesson is about grasping the opportunities that are offered to all of us but that some people take advantage of, while others don't. Persons who quickly adjust to circumstances are more likely to achieve their ambitions than those who need to be encouraged to take action. During your childhood, you may not have efficiently responded to life's concrete enticements, leaving other "luckier" people to achieve what you were dreaming of. You preferred to enjoy yourself, here and now, rather than to look for new paths of development or exploration. It is possible that you were not optimistic enough. Enterprising minds were alien to you... Later, you find out that, indeed, you give little importance to the credit of the frenzied expansion praised by the modern world. Your path is not oriented towards personal prestige. With subtlety, you integrate non-material values and you accept well the fact that you missed past opportunities.

Uranus was retrograding on the day of your birth: you have the soul of a rebel and your behaviour may often be tyrannical or extremist. Your manner has brought you setbacks. You lack the flexibility that spares you the pain of forcing your ways through events. The danger may be that you get trapped into rigid patterns and into personal logics incompatible with others'. This is precisely what your life's lesson is about: as years go by, your judgments are more qualified and your attitudes become less cut-and-dried, less stubborn. You must lose the essentially individualistic character of your childhood and be more open to other people's ideas and problems. In other words, a path of love. Without losing your remarkable resolution, you must practice some form of renunciation and be sensitive to various logics that constitute the wealth of your social life.

Pluto retrograde suggests power issues and mishandled relations: for you, everything comes down to power struggles, submission and domination, Machiavellian manoeuvres, including within your couple... The results are complex behaviours and an obsession for the power to influence people. Yet, life teaches that you must simplify your relations and adopt more transparent attitudes and healthier desires... As years go by, you will tend towards more simplicity and you will slowly discover that human energy can, and must, be at the service of the good, or of well being, in compliance with our individual progression.

N.B: modern astrology attaches less and less importance to the principles of retrograding planets.

Love Characteristics

Your Strong Points

★★★★★ Conciliation aspect ☼ Sun ♃ Pluto, Strength: 78.2

There is an obvious and mutual need for deep transformation between you. If each of you is open to important self-questionings, your relationship promises to be intense: an almost innate understanding, as well as emotional and sexual compatibility are on the agenda. Letizia is under the spell and wants to help Felipe gain confidence in his own capacity for self-expression, while in return, Felipe tremendously admires her determination and her radiance and encourages its revival in order to start anew. Felipe plays a kind of catalyst role for a remarkable evolution of your couple and deeply influences the future of your relationship.

★★★★★ Conciliation aspect ♀ Venus ☼ Sun, Strength: 61.3

Affective compatibility and harmony prevail within your couple. Both of you are happy to be available for the other one. Felipe encourages Letizia to give of her best while respecting her sensitivity, her emotions and her aesthetical sense, and Letizia strives to make life easier and more pleasant for him. This mutual understanding is an agent for fulfilment and satisfaction for your couple. Therefore, you find it very natural to get together as often as possible and to share your numerous common centres of interest.

★★★★★ Conciliation aspect ♃ Jupiter ♀ Venus, Strength: 48.8

The compatibility within your couple is very good and there is every chance that all will be well: Letizia's warm benevolence and Felipe's softness are in a state of constant receptivity. This link often translates into a legalization of the couple. You will harmoniously set up home and start a family where each of you will play a complementary role: Letizia will take action and initiate your projects, while Felipe will wonderfully run the home and all matters related to it, from child-rearing to receiving your numerous friends. Felipe appreciates Letizia's wisdom and optimism. In return, Letizia is excited by Felipe's artistic qualities and soothing affection.

★★★★★ Conciliation aspect ♄ Saturn ☾ Moon, Strength: 48.6

Continuance and security are on your side! Of course, superficiality and frivolousness are not your relationship's priorities. Felipe particularly appreciates Letizia's seriousness and sense of responsibilities and Letizia is very keen to dedicate herself to your common interests. If only she could express her emotions better, all would be perfect. However, Letizia's commitment and the long-lasting security she provides are major assets. Felipe readily adjusts to Letizia and, as the former learns the rules of life together, he earns Letizia's esteem because the latter tends to behave more like a parent or a teacher rather than a partner. But to each, his/her own, is it that irksome?

★★★★★ Conciliation aspect ♅ Uranus ☾ Moon, Strength: 43.8

There is a strong stimulation between you and a nice magnetic attraction boosts your exchanges. Felipe is sensitive to Letizia's originality and dynamism, while Letizia easily feels Felipe's charm and seductive powers. The relationship is bent towards an exoticism and a mutual amazement that may threaten your couple's stability. But this tendency is not really serious because it can be offset by other factors. Often, amazement and discoveries are your couple's nourishments and... they are invaluable so, enjoy without moderation! Besides, it is very likely that you met under very unusual circumstances.

★★★★★ Conciliation aspect ♀ Venus ♄ Saturn, Strength: 37.8

There is a wonderful sign of quality and durability in your relationship. You have every chance to avoid sudden and unfair splits because your mutual feelings are altogether calm, tender and responsible. Letizia can certainly rely on Felipe in spite of the latter's natural reserve, and Felipe can stabilize any affective overflow... both ways. Therefore, trust is prevailing and you can rely on each other on a long-term basis. Felipe's sense of responsibilities looks out for squalls, his honesty, his integrity and his sense of duty are such that it is very likely that you will go a long way together and for a long time.

★★★★★ Conciliation aspect ♂ Mars ♀ ASAS, Strength: 35.7

What a beautiful dynamic relationship! Sound emulation immediately happens between you and prompts you to move ahead at a frantic pace. Felipe keeps Letizia's interests on the alert, plays an instrumental role in Letizia's choices and encourages her to take action in a direct and personal way. This configuration also indicates a strong physical attraction, with both of you perfectly responding to the partner's needs.

★★★★★ Conciliation aspect ☾ Moon ☾ Moon, Strength: 33.1

At once, instinctively, you understand each other without talking. The good mood of either partner is immediately appreciated and communicated to the other one. Therefore, the pleasure of being together is constant. The relationship is easy, pleasant, sometimes superficial, but it is so nice that you naturally tend to be willing to live in such a good company. Sympathy, charm and humour: here are the words that best characterize your exchanges. Although your affectivity may not be involved deeply, in any case, you are on the same wavelength. The danger is that the mood swings of one of you affect the other one automatically. Try to retain the positive side and set aside your "emotional fusion" whenever a problem is upsetting one of you, so that the other one can be of comfort.

Your Weak Points

★★★★★ Tension aspect ☾ Moon ♇ Pluto, Strength: 48.0

There is a strong sign of fascination between you but you must not allow it to turn into a power of domination from Felipe over Letizia. The danger is there, clearly indicated, but it remains only a danger... Letizia may feel this power of domination, even some aggressiveness, in Felipe's behaviour because Felipe immediately finds her vulnerable spots. To solve the problem, Felipe must become aware that he should exercise some self-restraint within his quite "predatory" approach and Letizia must tone down her natural touchiness. For both of you, caution must be borne in mind and, on this condition, you will stay together if you wish to.

★★★★★ Tension aspect ♇ Pluto ♀ Venus, Strength: 35.2

Despite the intensity of your feelings, as soon as you are together, it is difficult for both of you to achieve harmony because a barrier quickly comes up and slows down your relationship. Felipe feels that Letizia's advances are brutal and Letizia instinctively tries to get closer and to express her attraction forcefully. The discrepancy between Felipe's need for moderation and Letizia's intense feelings causes a malaise that may lead to the impossibility to experience pleasant exchanges. It may also be that Letizia just ignores Felipe: for both sides, everything is quite unusual and tricky to handle.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Tension aspect ♂ Mars ☾ Moon, Strength: 23.7

The relationship is quite... explosive. Letizia can't help trying to dominate Felipe who doesn't agree. The atmosphere is often electrical and the danger for you always comes from Felipe's too deep receptivity as well as from Letizia's apparent violence. Unwillingly, Letizia may hurt Felipe to the extent that fights occur and cannot be easily brought to an end because no one is ready to give in. To find the antidote against this type of behaviour, Letizia must curb her active and domineering ardour and Felipe must tone down his touchiness. It is difficult for both of you to do so, but if you really love each other, you will succeed because your relationship is really worth it. In any case, there is always something going on!

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

Communication Characteristics

Your Strong Points

★★★★★ Conciliation aspect ASAS ♀ Mercury, Strength: 89.3

Your relationship is intellectually very stimulating, with each partner positively influencing the other one's personality and thoughts. Felipe gives ideas to Letizia so that she can express herself better, while Letizia encourages Felipe to take action and to implement his theoretical representations. This capacity to communicate helps alleviate any possible difficulties and allows you to pursue together this positive association of thought and action.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ♂ Mars ♀ Pluto, Strength: 38.7

Your relationship is powerful and you feel a deep and mutual attraction. Both of you are equally active in the relationship, Letizia displaying spontaneity and straightforwardness, while Felipe's self-expression is more mysterious and instinctive. Felipe's ascendancy over Letizia allows him to penetrate her subconscious and to use this asset to guide her strengths. On the physical plane, your attraction may be very intense and both of you express your energy with satisfactory outcomes. If you are not in a couple, you can nevertheless fully release your creativity through concrete outlets that require a lot of resources.

★★★★★ Conciliation aspect ♀ Mercury ♀ Pluto, Strength: 34.3

There is a mysterious link between you. Felipe can penetrate Letizia's subconscious and understand her real thoughts and motivations. This type of inquisition may trouble Letizia but the alchemy of your relationship works very well. Letizia is intellectually mesmerized by Felipe's profundity and might. In return, Felipe is sensitive to Letizia's mental alertness and unusual conceptions. Your association may be very fruitful for your intellectual creations. Very often, at Felipe's contact, Letizia gains some kind of beneficial transformation or, at least, an enriching evolution.

★★★★★ Conciliation aspect ☼ Sun ♄ Uranus, Strength: 33.2

A magnetic attraction is instantly established between you and gives an exciting and non-conformist bent to your relationship. You stimulate each other in a cheerful and fraternal atmosphere and in this way, you live a continuously dynamic and eventful life. Letizia encourages Felipe to get rid of any possible inhibition in order to fully express his originality and to assert his independence more strongly. Felipe prompts Letizia to be less influenced by people's values, to show more open-mindedness and creativity in order to be at the front of the stage. Both of you know how to positively make use of the "liberating" effect you have on each other. You freely express your ideas and you communicate harmoniously.

★★★★★ Conciliation aspect ♀ Mercury ♂ Mars, Strength: 32.4

You mutually stimulate each other but in different ways. Felipe's dynamism and provocations put Letizia on the alert. They prompt her to sharpen her mind and her conceptions, and thus, to constantly improve herself. Despite the tricky side of your exchanges, it constitutes a positive drive. In the end, you are

delighted by this pleasant joust because Felipe always feels a real intellectual excitement in Letizia and the latter has only one desire: to brilliantly do more, in order to overcome Felipe's criticisms and to improve her own verbal strategies, which are already very impressive. Besides, you can efficiently cooperate on the professional plane, as the combination of your complementary talents proves very fruitful.

★★★★★ Conciliation aspect ♂ Mars ♂ Mars, Strength: 26.8

Some sort of enriching dynamism marks your relationship. Thus, you always feel that your joint efforts significantly increase your respective successes. Your presence boosts your partner's temperament and ardour, and vice-versa. You stimulate each other and it is very likely that you happily share many concrete activities such as sport etc. If you are already a couple, your physical relationship is lively and fulfilling. You are able to implement common projects and to work together efficiently, even though both of you must sometimes personally adjust to the other one's dynamism.

★★★★★ Conciliation aspect ☉ Sun ASAS, Strength: 25.2

Mutual sympathy and closeness develop instantly between you. You often have the same reactions, and this fact brings about a feeling of familiarity that may create a very tight bond. Your instinctive trust in the other one facilitates your exchanges and you are mutually encouraged to project your best image and to increase your self-confidence. Each of you find your place within your couple and, without rivalry, you can cooperate with a view to achieve a common task.

★★★★★ Conciliation aspect ASAS ☾ Moon, Strength: 24.5

Shared feelings and the same need for little secrets endow both of you with the capacity to express yourselves freely with the support of your partner, and this is favourable for your comprehension within the couple. A good understanding prevails between you in the family and domestic sphere: Felipe contributes to make home a comfortable and warm place where the whole family has its habits while Letizia, in return, brings movement, vitality and energy into it.

★★★★★ Conciliation aspect ♀ Mercury ☾ Moon, Strength: 22.6

You are so lucky: Letizia instantly and almost magnetically understands Felipe's mood and can communicate with the right words, in the simplest and most natural way. Felipe can rejoice that his sensitivity is instinctively perceived by Letizia. This type of communication is excellent for all forms of cooperation, far beyond the amorous relationship. Felipe's imagination and mood influence Letizia's intellectual inspiration and the sole fact that you are together constitutes the perfect stimulation. Felipe appreciates Letizia's brilliant mind and communication is strengthened and enriched for both of you.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Conciliation aspect ♃ Jupiter ♀ Mercury, Strength: 20.3

Intellectual and professional cooperation has every chance to be efficient and warm. Felipe's nimble, nervous and quick side perfectly matches Letizia's experience, charisma and wisdom, at least, this is the way both of you feel it. Whether as professional partners, or as a couple, it is certain that your relationship flows smoothly and that it enriches both of you. Letizia's tolerance and benevolence go along well with Felipe's mental skills and creativity. You can share a great number of centres of interest and your association is a very beneficial one.

★★★★★ Conciliation aspect ♅ Uranus ♂ Mars, Strength: 20.3

Your exchanges are more than electric and, whether you like it or not, they are stimulating and make you move on! High tension prevails, multiplying the number of your joint activities and boosting your respective behaviour. Felipe's energy overflows, while at his contact, Letizia keeps on releasing her originality and her inventive genius. Obviously, none of you can stay still. If you are a couple, you probably feel an... electric physical attraction and you think that you are meant for each other. Your daily life is full of surprises and changes and, although you are very fond of movement, above all, you appreciate staying together.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ♀ MC MC ☉ Sun, Strength: 13.0

Felipe can play an important role in Letizia's destiny, in the amorous or conjugal life, in the career area or in the field of spiritual and philosophical concepts. Letizia tends to idealize Felipe, or at least, to happily follow his example and his advice. There is an excellent sign in favour of a professional activity or a life together because, owing to the real harmony prevailing between you, Letizia accepts Felipe's natural authority and experience. Felipe appreciates Letizia's attitude without reservation, as well as the support and the improved status Letizia provides.

★★★★★ Conciliation aspect ☉ Sun ♂ Mars, Strength: 12.8

This aspect brings a lot of energy within your couple; each partner feels boosted by the presence of the other one and both of you can better reach your objectives. You encourage each other, you assert yourselves more positively and you enjoy practicing a professional or sports activity together. Letizia encourages Felipe to behave with more self-confidence while Felipe prompts Letizia to take action more often. This spontaneous relationship, devoid of inhibition on both sides, also translates into great physical attraction. Although Felipe may try to dominate Letizia, your common desires will always be strongly stimulated in your couple.

★★★★★ Conciliation aspect ♇ Pluto ♀ MC MC, Strength: 11.0

Whether you like it or not, there are power struggles between you. Letizia's authority and strength have a determining influence on Felipe whose destiny is irresistibly and positively transformed by Letizia. In Felipe's view, Letizia appears as a demanding but mysterious and fascinating figure, whose charisma and hidden powers impress Felipe very deeply. All this makes your couple all the more steady.

★★★★★ Conciliation aspect ☉ Sun ♆ Neptune, Strength: 10.4

You certainly have the feeling that you are experiencing a privileged and mystical relationship where both of you share the same spiritual values. Each partner is idealized and your feelings are stamped with great romanticism. Felipe deeply values Letizia's brilliant abilities and helps her express herself with more sensitivity and develop her intuition. Letizia welcomes Felipe's adoration and, in return, she encourages him to give concrete expression to his dreams through increased creativity. You enjoy participating in artistic activities where each of you can improve at the other one's contact.

Your Weak Points

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Tension aspect ASAS ♆ Neptune, Strength: 17.9

The feeling that your relationship is marvellous and ideal may be false because both of you tend to delude yourselves about the other one. Right from the start, Letizia may be doubtful of Felipe's feelings because they seem too perfect. Besides, it is really difficult for her to consider Felipe's global nature, with his qualities but also with his flaws. Sooner or later, disenchantment is likely to emerge and to force both of you to face realities that you did not suspect at first. Then, your relationship may lose all its magic and understanding each other becomes a problem. Letizia always seems to be on the defensive in front of a person who proves almost elusive and out of reach. However, if both of you accept to look at the other one realistically, many lies and disappointments can be avoided.

★★★★★ Tension aspect MCMC ♂ Mars, Strength: 15.5

Feelings of rivalry or antagonism may arise between you when you are putting in joint efforts. Felipe's cooperation is active and efficient, but too forceful, which eventually brings about more drawbacks than satisfaction in your couple. The stimulation of your exchanges may be too strong and the only solution to calm things down is that Felipe does not get involved so deeply in Letizia's projects, however without totally withdrawing. The happy medium for a harmonious outcome...

★★★★★ Tension aspect ♃ Jupiter ♅ Uranus, Strength: 14.3

It is likely that Felipe's eccentricity or non-conformism clashes with Letizia's traditional beliefs and creates minor disagreements between you. Ensuing annoyances are mainly caused by your approaches or your personal conceptions about society and not by your character's incompatibilities.

★★★★★ Tension aspect ♆ Neptune ♃ Jupiter, Strength: 13.2

When you are together, you tend to consider your projects or joint actions in an excessive manner. The consequences may be serious, particularly in the financial area. Deceits or suspicions, from both sides, may harm your relationship's candour. It is advisable that Letizia should try to be clearer and more precise so as not to upset Felipe's conformism and concern for deep-rooted rules.

★★★★★ Tension aspect ♄ Saturn ♂ Mars, Strength: 11.9

You must be very cautious because there is a danger of confrontation and it is preferable to avoid it. Felipe tends to "charge ahead" and Letizia criticizes him and makes use of her desire for power to put a damper on Felipe's impetus. The combination is explosive, regarding both content and form. Letizia loathes hastiness and does not hesitate to tell Felipe accordingly, while Felipe swears by movement and speed. If confrontation occurs, there will be no winner, but only two losers, with a heavy atmosphere loaded with bad omens. For both of you, wisdom and stepping back are the only ways to share pleasant moments together.

★★★★★ Tension aspect ♆ Neptune ♿ Mercury, Strength: 6.6

Felipe's ideas are unable to make Letizia dream, to say the least. There may be an incomprehension that can lead to trickery. Felipe may feel annoyed by Letizia's vague attitude. Misunderstandings may arise, they are insidious and not easy to clear up. Quid pro quos or small gaps in your comprehension may force both of you to be watchful, even though, most of the time, there is nothing really detrimental to your couple.

Potential Mutual Influences

When we compare two astrological themes, in addition to the blatant and directly active relations that were delineated above, there is a number of potentialities which describe secondary mutual influences playing out in different life areas: they are not visible at once, as their effect is not direct, but they shed complementary light which fine-tunes certain attitudes between two persons. Indeed, in the long run, these different energies play out in a more noticeable way and will contribute to the relationship's richness and complexity. We analyze them here in ten short chapters addressing each of the ten types of energy involved. Please, keep in mind that they will not be understood and felt until the relationship has matured.

Your Mutual Encouragements

Felipe feels Letizia's joy and warmth in the fields of leisure and creativity; this is a real sign of friendship or affection for your couple. In addition, you enjoy very much your shared activities.

Although this aspect of your relationship is sensitive and potentially tricky, if Felipe takes on the role of confidant, and sometimes of sage, he can help Letizia's spiritual evolution and get her to accept the unacceptable. Your exchanges may be unbalanced, with Letizia learning and improving her weaknesses at Felipe's contact. Be careful that Letizia's vulnerability is not challenged when difficult circumstances occur.

Your Mutual Influence When Facing External Events

Your relationship's emotional intensity is such that there is always something exciting happening! You often shift from all to nothing. Letizia's emotions and Felipe's ensuing reactions are prone to wide variations. In some cases, money issues interfere between you, in some other cases, Letizia tends to have wrong ideas on Felipe's personality but most often, positive aspects prevail: thanks to Letizia's help,

Felipe becomes aware of many new facets of his own character.

The deep bond between you allows both of you to intuitively sense the other one's mood and feelings. In mother-like and protective ways, Felipe strives to help Letizia to reveal more of her inner self and to get rid of complexes and unconscious fears. Felipe's insistence on having past events resurface gets Letizia's defence mechanism in motion and Letizia may feel quite embarrassed. However, with Felipe at her side, Letizia will understand better the twists and turns of her own thoughts and irrational anxiety.

Your Mutual Stimulations in the Field of Communication

You exchange numerous ideas on children's education and leisure: sports, pleasure trips, outings or celebrations among friends, literary or artistic creation. All these activities describe the possible various nice facets of your relationship, with Letizia as the driving force for this type of exchanges between you.

Your relationship is intellectually very stimulating, with each partner positively influencing the other one's personality and thoughts. Felipe gives Letizia ideas so that Letizia can improve her self-expression, while Letizia encourages Felipe to take action and to implement his own theoretical representations. Your capacity for communication alleviates any possible difficulty and allows you to pursue together this positive association of thought and action. However, Felipe's remarks may be too impulsive, which may hurt Letizia's sensitivity.

Your Reciprocal Abilities for Creating Harmony

Felipe may lack self-confidence and strives to win Letizia's appreciation. Letizia does not hesitate to show her warmth and her gentleness so as to comfort Felipe: ensuing feelings of mutual well being and sympathy are immediate and reinforce your couple's fundamental basis. Once in a while, expenses for the home may be quite high because you pay a lot of importance to beauty and comfort in this space. But both of you are equally active. Letizia always tries to turn your home into a nice place where, often at Letizia's initiative, you can receive your friends and share together a delicious meal in a convivial, intimate and relaxing atmosphere.

The strength of your relationship comes from the subtle harmony between amorous feelings and friendship, which prompts you to share many centres of interest. A warm and positive atmosphere allows both of you to feel free: Felipe brings his artistic touch and his charm, while Letizia's original ideas broaden your social horizon. Both of you encourage each other to instil more creativity and spontaneity into your projects.

Your Mutual Stimulations in the Field of Action

There is often a strong physical attraction between you; usually, it does not take long before Letizia lets Felipe know it, sometimes with great impatience. Then, Felipe reacts either with good humour, or with irritability, if Letizia has been too insistent... Besides, Letizia may encourage Felipe to express his creativity without restraint or even, his desire to have children. Both of you enjoy sharing sports activities that imply some degree of competition.

What a beautiful dynamic relationship! A sound emulation immediately develops between you and prompts you to move ahead at a frantic pace. Letizia keeps Felipe's interests on the alert while playing

an instrumental role in his choices and encouraging him to take action in a direct and personal way. This configuration also indicates a strong physical attraction, with both of you responding perfectly well to the partner's needs. However, in some cases, Felipe tends to be domineering and urges Letizia to be more active.

Your Assets, Protections and Abilities for Success

Letizia's acute ability to instinctively spot Felipe's hidden qualities and to enhance them is added to the physical attraction prevailing between you. This gives your relationship a steady nature that benefits both of you. Especially in the financial area, Letizia can play a very efficient role and increase your common patrimony.

This sign of happy association between you is often found in married couple's charts. Felipe's fame and charisma efficiently contribute to enlarging the circle of your friendly or professional relationships and in the long run, they endow your relationship with longevity.

Lessons Drawn From Experience and Your Responsibilities

Finance is an important area where Letizia plays a particularly active role. She may intervene in order to consolidate Felipe's resources with sound caution or she may strive to limit Felipe's expenses. In all cases, material issues may be tricky. Most often, financial matters are solved thanks to Letizia's common sense and forethought, although sometimes, they are considered with a bit of pessimism.

Both of you feel that you can bring a lot to each other and that it is possible for you to establish a steady and enduring relationship, even though it requires some time because it is difficult for both of you to grant your confidence and to open up straight away. Felipe has a father-like attitude, protective and educative. He secretly wants to resemble Letizia, in whom he finds all the necessary help to develop the qualities he is lacking. Your relationship is deep and reassuring for your couple but it also proves excellent on the professional plane. In some circumstances, however, Felipe's severity and excessive authority may hinder Letizia's freedom of expression and fulfilment.

How You Motivate Each Other and the Impact on Your Uniqueness

Letizia's new and original ideas help Felipe change his domestic and professional life and improve his health in quite unusual ways; or at least, Letizia encourages Felipe to take a few steps towards that aim. Your couple may be interested in the latest technologies or in methods to improve the quality of your joint work, but you may also have a passion for alternative medicines, yoga, tai chi etc...

Cooperation or union may be completed quite rapidly between you, often under Felipe's irresistible impulse. Right from the start, he seems to intuitively know your common future. It is likely that he shakes up all the ideas Letizia may have on life together but, if you encourage each other to express more individualism and freedom in your search of new experiences, your union will be very successful.

Idealism, Compassion and Euphoria

At first sight, Felipe perceives Letizia as his ideal complementary half. Letizia's elusive and mysterious personality has an irresistible charm that may prompt Felipe to evolve very positively in his dealings with other people, particularly through a more humane and idealistic vision. This peculiarity is most difficult to integrate into your relationship because it is hard to clearly understand the gist of your exchanges. Besides, Felipe's reputation may depend on Letizia's moods...

Felipe's humanistic, sometimes religious or populist conceptions may favourably inspire or... confuse Letizia. This is the big problem with false hopes or genuine faith in several theories. It is up to both of you to disentangle the muddled web and to differentiate truth from falsehood, ideal from utopia, possibility from chimera...

Awareness Gaining and Transformation Factors

Letizia is often a valuable help for the improvement of Felipe's daily life or working methods, for instance if you have the same profession. Letizia's insight and discerning abilities may even contribute to improve Felipe's health, thanks to her sound, original and unusual pieces of advice.

Felipe is very demanding regarding your relationship and sometimes, unless Letizia accepts to show a dedication bordering on self-effacing, your exchanges may be off balance and may result in Felipe's domination or ascendancy, whether consciously or not. It is not necessarily an obstacle if Letizia agrees to question herself and above all, to accept this powerful yet potentially disrupting influence.

Disclaimer

As explained in our introduction, the above ratings and comments constitute only average figures based on the inter-aspects found in your synastry. The most significant part you should read is in the important relevant paragraphs and not in this conclusion, which is given for information purposes only.

Very low compatibility ratings do not rule out long and fulfilling relationships. Conversely, high ratings may not lead to the couple you are dreaming of: one's astrological climate - especially that given by your transits - as well as your natal chart may provide valuable and additional indications for the future of your relationship.

Conclusion

We hope that this report has shed light on how your relationship works, as well as on the various aspects of your respective personalities.

A few remarks are needed here in order to allow you to fully take advantage of your astrological portraits: firstly, do not forget that a birth chart is also a photograph of the sky at birth and a structure that not only contains the personality's characteristics, but also its potential evolution.

We all know that, in real life, people begin to know themselves when they are in their forties, or even later. Likewise, several traits of character in a portrait may seem surprising: in most cases, it means that such features are not yet developed.

Some personalities reveal themselves late in life, whereas others are more precocious. It must be remembered that psychological structures are in a state of continuous evolution because they are influenced by unfolding events and gradual maturity. We can never underline strongly enough the "mobile" nature of the personality, throughout a lifetime.

On the other hand, it is difficult to discriminate what is "already present" at this moment in your life when you are reading your chart's interpretation, from what will appear later in the logic of your evolution: you must sort out all the pieces of information provided and, in most cases, you will see that your astrological portrait is helpful for your endeavours to know yourself better.

Finally, several readings of an astrological portrait are usually necessary in order to absorb all its different meanings and to evaluate the relevance of each character trait.

In any case, better self-knowledge obviously contributes to faster personal blossoming, and it is undoubtedly one of astrology's major roles: contributing to know oneself better, in order to improve more rapidly, to deal with one's weaknesses and to avoid its drawbacks, and to take advantage of one's assets as efficiently as possible.

There is also a point that we deem necessary to underline: in our conclusion, we want to insist one last time on the meaning of the compatibility ratings; the marks that quantify your affinities never give an implacable verdict regarding the quality of your couple's relationship.

Here, we are dealing with the more or less smooth way in which you actually experience your relationship, and under no circumstances, are we addressing its beauty or its strength.

For the sceptical ones who do not believe in astrology, we do not resist the pleasure to quote a few comments by persons of authority in this area. They are drawn from the excellent book authored by one of the undisputed French masters, André Barbault, *Traité Pratique d'Astrologie* (Practical Treatise of Astrology), published by the Editions du Seuil:

Kepler: « Twenty years of practical studies have convinced my rebellious mind of the reality of astrology. »

Henry Miller: « Astrology considers man in his wholeness and I believe that it is essential: man is a

comprehensive being. Astrology shows that nature has its rhythms and that each human being participates in these rhythms... »

C.G. Jung: « If people whose education leaves a lot to be desired have thought that they could, until recently, make fun of astrology, considering it as a pseudo-science dead a long time ago, this astrology, dating back to the depths of popular wisdom, comes up again at the door of our universities, which they left three centuries ago. »

Saint Jerome: « I remain silent on philosophers, astronomers, astrologers whose science, very useful for men, is asserted through dogma, explained through method, justified through experience... »

Aristotle: « This world is linked in a necessary way to the movements of the superior world. Any power, in our world, is ruled by these movements. »

Balzac: « Astrology is a huge science that has ruled the most intelligent minds. »

Pierre Schaeffer: « It seems to me that astrology can, in its way, through the configurations studied, detect the most secret relationships of human being's inner life. »

The list of personalities who are in favour of astrology is increasingly long. It is clear that, in the 21st century, astrology is gradually given back the place it used to enjoy, except during the past three centuries: a human discipline that works well, with its questionings, its research and its evolution, but also with the mystery over the reasons of its accuracy.

Regarding interpersonal relationships, the debate is quite similar to that of astrological forecasts. Although fate is not inescapable, it does not allow to dismiss a great number of peculiar behaviours that everyone finds astonishing. For instance, instinctive sympathies and antipathies, sometimes with no apparent cause and lasting for a whole lifetime, remain definitely mind-boggling.

Astrological rules applied to the comparison between two charts produce a quick answer because basic incompatibilities exist, in the same manner as fire does not blend well with water or a journalist's mind does not match a researcher's because their respective and basic objectives are too different.

Thus, astrology allows to quickly understand what could otherwise be ascertained after quite a long period of time. Isn't it already one of the justifications of its practice?

We do think so and we strive to draw information for the benefit of as many people as possible.

However, do not forget that the results and the explanations provided to you are only indications and that it is up to you, and to you only, to decide which path your couple is to follow: the stars incline but they do not compel.
