Grand Horoscope 2020 for Scarlett

Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones. In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact,
- the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

Such warnings, sometimes displayed as preambles, constitute valuable additional information for the

analysis of the nature and the importance of the transit. We strongly advise you to read them attentively.

Indeed, the new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Important remark: certain paragraphs are repeated. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

Your January Forecast

Domestic changes

Opposition ♃ Neptune MC Midheaven

★★★★★ Valid from Wednesday 1 January till Thursday 26 March included (particularly active on Tuesday 14 January and on Wednesday 15 January, with an orb of 0.00')

It is at home that chaos is raging. Depending on your age and your family status, it is possible that you are dreaming only of escaping from a realm that you consider an unbearable yoke. You are compelled to struggle relentlessly in order to put back on the right track those who live under your roof and who think exclusively of setting off for faraway lands. The confusion prevailing in your dwelling may be of material nature: problems to get a property inheritance, misunderstandings with your landlord, numerous moves, etc. In any case, you must be very vigilant if you are to regain your control over domestic issues.

Boldness and great energy

Conjunction ♂ Mars ☉ Sun

★★★★★ Valid from Wednesday 1 January till Tuesday 7 January included (particularly active on Friday 3 January, with an orb of 0°14')

The Sun and Mars form a sextile in your natal chart: the harmonious effects of this conjunction are strengthened.

You are brimming with energy, and you need to commit yourself in struggles in order to prove your worth. You are not afraid to say frankly what you think, even if you do that on impulse and not after having carefully prepared a strategy. Therefore, you are bound to provoke quarrels.

The time has come to make a daring decision and to strengthen your positions in front of long-standing adversaries. They will all be surprised by your firmness, and you can thus have the final say on issues over which you had no authority.

In the area of health, you are feeling that your vitality is extremely strong. To make the most of this transit, quench your thirst for thrills through sports activities. Otherwise, your repressed violence may backfire on you and cause blows, cuts, or burns.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Tenfold increased ardour and strength

Conjunction ♀ Mars AS Ascendant

★★★★★ Valid from Wednesday 1 January till Wednesday 8 January included (particularly active on Sunday 5 January, with an orb of 0°19')

The Ascendant and Mars form a sextile in your natal chart: the harmonious effects of this transit are increased.

You have the feeling that your vitality is at its highest level, and you are driven by the urge to take action in spite of everyone. Actually, the nature of the area in which you intervene does not really matter, for the most important thing to you is that you exert yourself physically and that additional activities provide a safety valve, a suitable outlet for your energy and your aggressiveness. Practicing a sport is highly recommended.

With your friends and relatives, you exercise your authority with inflexibility, and you strive to solve pending problems with extreme determination. When you want to tell people you are not fond of what you think of them, you go straight to the point. Your forthrightness and your independent mind enable you to break with unhealthy habits. However, you must be careful not to hurt well-meaning persons.

A romantic encounter occurring quite unexpectedly in your life is most likely to end up in passion.

Fulfilling inner transformation

Sextile ♃ Pluto ☾ Moon

★★★★★ Valid from Wednesday 1 January till Wednesday 30 December included (particularly active on Thursday 27 February and on Friday 26 June, with an orb of 0.00')

This exciting and fruitful period enables you to strike a balance between your fiercest and most spontaneous desires and the unfolding of your routine. You can devote yourself with passion to an emotionally fulfilling activity. Instead of enjoying it secretly, you dispense around you the treasures of your tender and awesome personality.

You can fearlessly implement changes in the organisation of your family life, for everyone will benefit from them. You have the capacity to restore real harmony with your kindred without submitting yourself to them.

You may also achieve – or regain – a very strong affective and sexual closeness with your partner.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

R Efficient organisation and restrained emotions

Sextile ♃ Saturn ☾ Moon

★★★★★ Valid from Saturday 4 January till Friday 14 February included (particularly active on Friday 24 January, with an orb of 0°01')

These planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

You are implementing an organisation which will prove fruitful in the future. Your private and family life is your top priority, and you are very keen to create around you a quiet and peaceful, though quite eventless, ambiance. You are able to temporarily hush your sensitivity, and you only express the feelings which are unlikely to jeopardise your serenity.

As you are wary of your imagination, you mainly use it to solve daily material problems. This transit is good for you if you consider settling into a home for a long time, investing in properties, or if you are seeking an extremely wise solution to a litigation involving the family. Your ties with your friends and relatives are growing stronger.

You give of yourself the image of a serious and responsible woman.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

There is also the possibility that you decide to legalise your love affair or that you restore between your spouse and you a harmony which will make you extremely happy. Your sensuality is strong and resonates with the members of your entourage. Brace yourself for exhilarating sensations as well as for frenzied parties and outings. In brief, this is the *« Dolce vita »*.

Your happy frame of mind has nice repercussions for your social life, because you behave with tact and consideration in society. Besides, you are diplomat and flexible when you participate in negotiations.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Your power of action is reaching its highest level. To put it to good use, impose your initiatives in a frank and straightforward way without spending too much time examining the situation. Your instinctive knowledge of human beings and of the context in which you are moving enables you to score points and to keep very quick reflexes.

You may be bossy with your friends and relatives. You may also force them to behave according to your interests, but on the whole, your courage, your energy and your outspokenness are very much appreciated. This is a good period for starting sports activities and for all types of competitions.

★★★★★ Valid from Monday 27 January till Saturday 9 May included (particularly active on Sunday 29 March, with an orb of 0°01')

You are bubbling with intense energy, with overflowing vitality, and with the desire to face people and reality, but the context and its hierarchical constraints have decided otherwise. Therefore, you must summon up your patience in order not to brutally blow up the safety valve, as this would work against your interests.

Weigh your words (easily harsh), your moves (clumsy and sudden), as well as your decisions (hasty and unrealistic). In short, control your impetuosity, and find an outlet for your surplus energy.

Practicing a sport may be excellent, but here again, be careful not to overdo when you are tempted to confront danger.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this

Conjunction  Mars  Mercury

★★★★★ Valid from Saturday 1 February till Friday 7 February included (particularly active on Tuesday 4 February, with an orb of 0°04')

You are brimming with an ebullient energy, and you cannot accept to be confined in an enclosed universe. You are willing to see new faces and to debate with them over the subjects you are concerned with. You seek efficiency in all circumstances, and you refuse to be burdened with meaningless preambles.

If you like or dislike people, you tell them so frankly, and probably quite too rudely. You are willing to make many short trips to quench your thirst for physical exercise.

You must curb your growing nervousness, for it may lead you to make clumsy moves causing wounds on your hands or on your arms.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

If your duties prevent you from sowing your wild oats, you must curb your overly romantic apprehension about the world surrounding you.

Your taste for the mysterious may disconcert your friends and relatives. As a result, you give too much credit to certain people's actions. You may also dismiss valuable advice and relevant red flags.

Your sensuality is heightened and offers you much satisfaction. It takes very little to kindle your inspiration. If you practice an artistic activity, you can increase your productivity.

On the other hand, you must refrain from awakening old dormant resentments and from taking a provocative stand.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

However, you must carry on with your efforts, because there are still many details you must finalise, and you are expected to deliver a quite meticulous work... unless you are imposing it on yourself.

You may receive the support of a person who is older than you and to whom you hope to succeed once he retires.

Your stamina is good at both the physical and psychological levels. Furthermore, you learn to channel your energy into sports such as athletics or alpinism.

You start a meaningful dialogue with your romantic partner, who offers you relentless support. As a result, your relationship grows deeper.

In your chart, Mars receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You are driven by a pressing need to take action, to face up to sheer reality, and to impose your decisions. Depending on your natal predispositions, this transit will produce more or less concrete effects.

If you have developed a strong and well-controlled dynamism in the past, and if you are extremely familiar with the ground on which you are moving, there is nothing you should worry about. Indeed, your initiatives will be fruitful, and your activities will progress significantly.

If you have difficulty in asserting your views, you may get the impression that you are back to square one, bogged down by the same old shyness, and that you have no idea how to break the deadlock.

You must be wary of some of your acquaintances because several people are trying to take you for a ride or to mislead you.

If you are single, a new love affair will make you happy. You may need to rein in your jealousy in order not to scare your partner, but the relationship is worth it.

If you are involved in situations requiring diplomacy, you will manage to get out of it advantageously. You blend kindness with firmness, and you will come out of such interviews particularly pleased with the results you achieved.

Purchases made during this period will prove wise and will delight you as well as the persons dear to you.

Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
