## Detailed Yearly Forecast from September 26, 2016 till September 26, 2017 for Scarlett

### Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones. In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- a yellow star indicating that the transit is important (for Jupiter, Saturn, Uranus, Neptune, or Pluto) or mildly important (for Mars), contrary to the fast-moving planets (the Moon, Mercury, Venus, and the Sun) which have no icon, because they are less important, or quite secondary,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance, such as a collective transit. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of

satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact, - the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

Such warnings, sometimes displayed as preambles, constitute valuable additional information for the analysis of the nature and the importance of the transit. We strongly advise you to read them attentively.

Indeed, the new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Moreover, « collective » transits, i.e. transits to slow-moving planets, are now displayed - even though they are not very active - except for the Moon, because she moves too fast and exerts no significant influence over slow-moving planets.

Besides, our detailed forecasts take into account what is referred to as "slow transits", the most important ones, since they last a long time and are generated by Pluto, Neptune, Uranus, Saturn, Jupiter, and Mars to a lesser extent, and by "fast transits", i.e. those of the Moon, Mercury, Venus, and the Sun. This means that this report provides at the same time a forecast report and a real diary for small events and feelings.

Slow transits reveal the future climate you may experience and/or feel, whereas fast transits bring about minor fluctuations, although sometimes they may be active. This is the reason why the titles of the slow transits texts are underlined, which is not the case for fast transits; they should be considered as an addition to the main forecasts indicated by slow transits.

Important remark: certain paragraphs are repeated, especially those of the Moon, who moves rapidly and travels around the zodiac in less than a month. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on pages 8-9. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

# Your September Forecast

## Passions and impulses

Conjunction ♀ Venus ♃ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Monday 26 September till Tuesday 27 September included (particularly active on Monday 26 September, with an orb of 0°23')

In your chart, Pluto receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

Your desire for harmony contributes to sooth painful tensions in yourself as well as in your friends and relatives. You evaluate the situation with a great sense of moderation, and you are unwilling to make a drama out of it. You manage to curb your impulses without inhibiting them, and, when confronted with your violence or to that of other people, you find the self-control necessary to defuse crises.

It is most likely that your love life is full of passion. However, you are able to avoid the pitfalls of this high-voltage energy and to enjoy only its most marvellous facets. Because your sensuality runs high, you will experience intense moments.

In the financial area, you are starting to reap the benefits of your previous speculations. You also negotiate with diplomacy when you are involved in a dispute.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

## Action and inspiration

Conjunction ♂ Mars ♆ Neptune (transit to a slow-moving planet)

★★★★★ Valid from Monday 26 September till Friday 30 September included (particularly active on Tuesday 27 September, with an orb of 0°06')

You are driven by a fantastic energy, and you feel the desire to take action in order to defend and to promote the ideals dear to your heart. However, confusion prevails in your mind, and you move forward in a vagueness which is not suitable for the rapid achievement of your ambitions.

If your initiatives involve artistic, human, or spiritual matters, you will be much more inspired. Lightning intuitions point at the path to follow. If you have been considering studying disciplines which are a bit weird, the time has come to take the plunge.

You can also impose yourself by making decisions on behalf of a group of friends, of colleagues, or of like-minded people. Nevertheless, you must remain cautious, because unexpected hurdles may suddenly arise from the fog.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the

way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Relevant ideas and promising ambitions

Conjunction ♀ Mercury MC Midheaven

★★★★★ Valid from Monday 26 September till Thursday 29 September included (particularly active on Monday 26 September, with an orb of 0°14')

In your chart, The Midheaven receives a square from Mercury: therefore, this conjunction is mixed, and its effects may be double-edged, sometimes positive but sometimes ambiguous.

The period is auspicious for making contacts, for taking new steps, as well as for putting forward requests related to your professional life and to the ambitions dear to your heart.

You are most likely to collect valuable pieces of information and to broaden your horizon if you seek the testimony of people who are in a situation similar to yours. Make the most of this energy which is good for all exchanges. Draft texts and reports, or examine techniques aiming at improving your efficiency and your self-confidence in society.

If you do not pursue your efforts, you may be blamed for blowing hot air, and later on, you may be caught bluffing. Therefore, endeavour to keep your promises and to turn your brilliant declarations into concrete facts.

## Nervousness and sentimentality

Square ♀ Venus ♂ Mars

★★★★★ Valid from Monday 26 September till Thursday 29 September included (particularly active on Tuesday 27 September, with an orb of 0°16')

You have the impression that people do not understand the efforts you make in order to help them or to achieve harmony. As a result, you are faced with an indefinable hostility and a general bad mood which thwarts your initiatives aiming at restoring the balance in your professional and romantic relations.

Your sensitivity becomes even more exacerbated, and you shift from cheerfulness to sullenness at the drop of a hat. Rein in your reactions, because biased by your subjectivity, you may turn all events into tragedies.

Do not let your adversaries pull the rug from under your feet without reacting. A dash of passion is all it takes to help you feel good about yourself.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

### Thirst for initiatives and oncoming success

### Rigour and concentration

Conjunction ♄ Saturn ♅ Uranus (transit to a slow-moving planet)

★★★★★ Valid from Monday 26 September till Friday 11 November included (particularly active on Monday 17 October, with an orb of 0°00')

You are feeling that you have reached the point of no return. You realise very well that it is high time you made a choice in both the professional and the affective areas, and that you must stop stretching yourself too thin. It would be good to temporarily give up your sacrosanct independence if you wish to improve your knowledge, to explore more deeply your subjects of interest, and then to achieve a better social position.

You demonstrate self-control, and once you have made a decision, you stick to it without hesitating to cause break-ups. Some people may blame you for your harshness and an excess of rigour bordering on severity. You should consider your friends and relatives' wishes more carefully and respect their feelings if you do not want them to turn against you.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the

way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## ★ Social accomplishment and questioning

Conjunction ♃ Pluto ♃ Jupiter

★★★★★ Valid from Monday 26 September till Tuesday 8 November included (particularly active from Monday 26 September till Monday 26 September, with an orb of 2.07')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Your most deep-seated beliefs are questioned. Your social status and your professional prestige may be quite challenged. However, this transit is far from being negative, for you are able to draw the lesson from this new allocation of roles and get rid of preconceptions.

You demonstrate a great deal of energy, determination, and self-confidence. When necessary, you manage to manipulate people and to persuade the members of your entourage to take action in ways which serves your best interests.

A set of circumstances may point out a few weaknesses in your sphere of activity and thus, spurs you to become an even more specialised expert.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## ★ **R** Sharp mind and original ideas

★★★★★ Valid from Monday 26 September till Thursday 6 April included (particularly active on Wednesday 2 November and on Tuesday 21 February, with an orb of 0.00')

These planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

Throughout this period, all the studies and researches you carried out in the past are very likely to bear fruit. The more you have devoted yourself to unusual and unknown areas, the more you become able to highlight the worth of your knowledge and the quality of your work. This holds true also if your field of competence is related to the latest breaking news.

You may feel the need to take the floor and to express your views with clarity and courage. You are able to stand up for isolated or excluded groups. Moreover, you can shrewdly fight hypocrisies and intolerant and retrograde attitudes.

This transit is auspicious for your short trips and for your new contacts. It is very likely that they will be established rapidly, without ambiguity and without hesitation on both sides.

Trine ♃ Pluto MC Midheaven

★★★★★ Valid from Monday 26 September till Sunday 5 March included (particularly active on Wednesday 21 December, with an orb of 0°00')

After having taken stock of your actions and distanced yourself from your family (without cutting off your ties), you are now willing to improve your professional situation. This is the right time to devise clever strategies, to seek – and find – funding, as well as to stand out from the crowd through courageous and independent initiatives.

The image you give of yourself perfectly suits your present frame of mind. When you need an advice or a support, you request them clearly, and you go straight to the point. Your previous experiences speak in your favour, and you will have no problem showing your worth, for you put to good use the know-how you have accumulated.

### Idealism and need to escape

☾ Moon in House IX

★★★★★ Valid from Monday 26 September till Wednesday 28 September included

Today, your horizon line is cloudless. You think big and it is with optimism that you consider the outer world. There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. You need to isolate yourself for a short while, so you can think, meditate, and perhaps, find the answers to your philosophical questions. Do you have a sudden desire for faraway travels? Should the opportunity arise, don't hesitate! Unless you are contented with long imaginary journeys, the departure of which you constantly postpone... In any case, you are far from material contingencies... What a great wisdom!

## Sensitivity all on edge...

Square ☾ Moon ☾ Moon

★★★★★ Valid on Tuesday 27 September, with an orb of 1°12'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

## R Good mood and romantic harmony

Trine ☾ Moon ♀ Venus

★★★★★ Valid on Wednesday 28 September, with an orb of 2°13'

These planets are linked by a semi-square in your natal chart: the harmonious effects of this transit may be slightly lessened.

It all starts with a moment of intimacy, a privileged minute that strongly boost your spirits! All of a sudden, everything becomes possible. You begin to dream of more poetry and your contagious tactfulness commands your partner's respect. Let yourself be carried away by the tide since the outcomes can only be positive... On the romantic plane, this is an ideal day to programme a few hours of escape and forget yesterday's misunderstandings. Choose a place conducive to a serene tête-à-tête.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Restlessness and nervousness

Square ☾ Moon ☿ Mercury

★★★★★ Valid on Thursday 29 September, with an orb of 1°23'

You put aside your habits, you shelve all kinds of conformism that have started to smother you. Your entourage is going to be surprised! It is the time to take action according to your aspirations, your whims and your dreams... You intensely experience a situation in full transformation. Ideas abound in such great numbers that you find it difficult to make a synthesis of all the pieces of the jigsaw... Because of your relatively restless mind, you may not be able to keep this highly complex game under control.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## **R** Clarity and calculated risks

Sextile ♀ Mars ♃ Pluto (transit to a slow-moving planet) 

★★★★★ Valid from Thursday 29 September till Wednesday 5 October included (particularly active on Sunday 2 October, with an orb of 0°15')

These planets are linked by a square in your natal chart: the harmonious effects of this transit may be lessened.

You are endowed with a fantastic energy, a great capacity to resist constraints and pressures, and a sheer persistence aiming at the achievement of your ambitions. You feel the need to confront danger, and you are extremely happy when you are taking risks. Fortunately, you evaluate the situation perfectly well, and you do not overestimate your strength.

Your initiatives, which may seem adventurous to some people, have every chance to succeed.

In the financial area, the period is good for taking gambles and for implementing drastic changes in your activities and your budget.

You do as you please, and you manage to identify those who want to harm you. You will do them no favours, and you will get away from them for good.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

## **R** Seriousness and intellectual fertility

Sextile ♀ Mercury ♄ Saturn (transit to a slow-moving planet) 

★★★★★ Valid from Thursday 29 September till Saturday 1 October included (particularly active on Friday 30 September, with an orb of 0°15')

These planets are linked by a semi-sextile in your natal chart: the harmonious effects of this transit may be slightly increased.

The period is auspicious for presenting in the most rigorous manner the results of your studies, of your researches, or of the steps previously undertaken. You may unearth from your drawers a document or a text that you drafted a long time ago and that you can use again in order to back up your current stance.

You organise your daily life with method, which enables you to solve material issues which so far slowed down the pace of your work and impeded your intellectual efficiency.

You are also able to hold serious discussions with the friends and relatives who share your interests. You are most likely to learn a great deal from them, which will help you deepen your knowledge.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

### A few attacks, nothing serious!

☾ Moon in House X

★★★★★ Valid from Thursday 29 September till Saturday 1 October included

Does a colleague make an unpleasant remark? Are you summoned to your director's office? Is there a lot of idle gossip going around about you? In brief, it seems that your public image is challenged today, and you dread some sort of unpopularity... Don't ask yourself so many questions and try to understand the whys and the hows. There are good days and bad days... Obviously, it is not your day! Therefore, why don't you forget your temporary interpersonal difficulties! Tomorrow is another day... Who's next?

### Nervousness and blunders

Square ♀ Mercury ♀ Mercury

★★★★★ Valid from Friday 30 September till Sunday 2 October included (particularly active on Saturday 1 October, with an orb of 0°23')

During a few days, your intellectual fitness is quite unlikely to be at its top level. You feel that some of the data on which you base your reasoning are difficult to grasp. Do not make useless efforts, and wait until you feel more self-assured, otherwise you may be forgetful and make blunders which are harmful to your communication.

Likewise, control your nervousness. Because you stretch yourself too thin, you get rapidly overwhelmed. Try to be as precise as possible in your remarks, and temporarily avoid discussions on matters which are dear to your heart, because nothing positive will come out of them.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Warmth and generosity

Sextile ♀ Venus ♀ Venus

★★★★★ Valid from Friday 30 September till Monday 3 October included (particularly active on Saturday 1 October, with an orb of 0°33')

Your feelings are so intense that you need to share them with other people. Your generous impulses, your warmth, and your sweetness can help your friends and relatives keep their spirits up. Do not spare your efforts in this regard, for the harmony you will bring about will be your best reward.

The period is also good for artistic expression. Meetings and outings provide thrills that you can transcend through painting, music, dance, or singing.

You get closer to nice, cheerful, and radiant persons whose company you enjoy heartedly. Along the same lines, friendly and romantic relations are imbued with insouciance, tenderness, and sensuality.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## R Contentment and serenity

Sextile ☾ Moon ☼ Sun

★★★★★ Valid on Friday 30 September, with an orb of 2°13'

These planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

This is an excellent day to make a pause and enjoy your recovered serenity. It is the right time for you to be forgiven for your fits of bad temper and to regain the sympathy that your aloof attitude may have lessened. Above all, it is the right time for innovative projects that radically change life! Things unfold smoothly... On the social and professional planes, everything seems to develop very naturally: you let yourself be carried away by the stream and you carefully avoid all forms of tension or aggressiveness.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Your October Forecast

### Immoderate pleasure and lack of realism in the field of affection

Square ☉ Sun ♀ Venus

★★★★★ Valid from Saturday 1 October till Tuesday 4 October included (particularly active on Sunday 2 October, with an orb of 0°27')

You are overly self-centred, and you tend to believe that all the attention must converge on you. Owing to this distorted vision, you neglect your entourage, and you behave inconsiderately.

You are also avid for pleasure, unable to resist passing infatuations even though they burn a big hole in your budget.

Your overeating may have repercussions for your skin or your kidneys.

You get easily offended, and you misinterpret every word directed at your romantic partner.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

### Casualness and easy contacts

Sextile ♿ Mercury ☾ Moon

★★★★★ Valid from Sunday 2 October till Tuesday 4 October included (particularly active on Monday 3 October, with an orb of 0°04')

You are feeling cool, curious to discover every novelty, and willing to let a stream of fresh air blow through your daily life. Your open-mindedness enables you to gather valuable pieces of information and to rake in advice and testimonies offered by people from all walks of life.

Selflessness and lack of prejudice make you a highly attractive person. You are very much sought after, and your relations with children and adolescents become particularly easy and nice.

During this period, if you must express yourself verbally or in writing, you will by instinct use simple, clear, and persuasive words. Therefore, you will be able to enlarge the scope of your audience and convince them to adopt your ideas.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

## **R** Optimism and affective impulse

Sextile ♀ Venus ♃ Jupiter

★★★★★ Valid from Sunday 2 October till Wednesday 5 October included (particularly active on Tuesday 4 October, with an orb of 0°30')

And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. Quietly wait until they get out of their personal bubble!

During this short period, you must harden your heart and protect yourself carefully against emotional traps. Indeed, you run the risk of being disappointed by those you love. You may also get the impression that everyone intends to harm you. It must be underlined that, despite everything, such attacks are not very serious and that, because you take everything to heart, you tend to pay too much attention to mere absent-mindedness and omissions devoid of malevolence.

Right now, do not strive to hold any thorny negotiation, and do not seek any reconciliation, because your high-strung disposition does not speak for you.

Watch your expenses, for the urge to splurge is nothing but a means to let off steam when your frustrations are overwhelming, and in the end, you will find yourself cluttered with items you do not like at all.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this

You must at least check the plausibility of the proposals people put forward, otherwise you will become a perfect victim for unscrupulous crooks.

## Stormy but frank relations

Opposition  Mars  Ascendant

★★★★★ Valid from Wednesday 19 April till Wednesday 26 April included (particularly active on Sunday 23 April, with an orb of 0°19')

This planet and your relationship AS-DS axis are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Your relations with other people, especially with a colleague, or your spouse if you are married, are tumultuous and marked by power struggles. You consider your interlocutor as a rival or an immediate challenger. In situations of professional competition, this approach constitutes a tremendous boost. You snatch victory by a hair's breadth, and if unfortunately you are not the winner, you do not give up. You get ready for the fray, and you try to launch a new offensive rapidly.

In the field of romance, fits of anger or overly passionate relations may wreak havoc on your couple or your friendships. Do not listen to your willingness to rule your partner, because you can rest assured that he will not remain passive, and that you will endanger your affection in unnecessary confrontations.

## Disturbing clarity

Opposition  Sun  Pluto (transit to a slow-moving planet)

★★★★★ Valid from Thursday 20 April till Tuesday 25 April included (particularly active on Sunday 23 April, with an orb of 0°22')

This aspect, which occurs only once a year, may help you untangle the hank produced by other influences taking place simultaneously. In a way, you have a split personality, and you face your most

secret desires, sometimes the least acceptable ones.

This has nothing to do with madness. This is about becoming aware of shortcomings in your usual behaviour which, unconsciously, cause the failure of some of your undertakings. This transit urges you to set things right.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

In the professional area, the current climate is adverse to the recognition of your merits. Indeed, whereas people are looking for ostentation, you offer seriousness. Therefore, you must be patient and quiet, because the wind will shift soon.

You are in a grumpy mood. Nothing finds favour in your eyes, and among the sensations coming from the outside world, you notice only those which stir displeasure, sadness, or disgust.

Brace your heart during the next several days, otherwise you may miss nice opportunities to meet with friends or with love, just because you do not know, or you cannot, go with the stream.

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

You hardly understand what your desires are right now, and the ensuing lack of organisation may hamper your actions as well as your initiatives. Likewise, as you face the outer reality, you tend to behave with nonchalance. You feel unconcerned, and like the ostrich, you bury your head in the sand.

Do not take the easy way out, and do not make promises that you cannot fulfil; if an outsider meddles in your domestic life, bring him down a peg before you find yourself obeying his orders and his whims.

You must not accept any abuse of authority by a male member of your entourage; you must assert your desires more strongly.

During a short period, you may be caught in crossfire. On the one hand, your professional activity requires a great deal of availability in order to tackle unexpected problems. On the other hand, owing to conflicts cropping up at home, the members of your family demand forcibly that you grant them more attention.

It is obvious that you are unable to struggle on many fronts at the same time. Instead of getting irritated, try to explain the situation with calm. Indeed, you get angry quickly, which improves the atmosphere neither at work, nor at home.

Beware of clumsy words. Do not criticise the people whom you deem incompetent, because you may lack leniency, and you run the risk of making enemies.

## Dialogue and intuition

Conjunction ☾ Moon ♀ Mercury

You can expect your relations to be favoured today. Your entourage don't have to spell things out since you are able to easily pick up what they mean. This acute intuition allows you to catch major information! For the time being, the best thing is to pretend you heard nothing, because tomorrow, what you have learnt will prove to be valuable. Do not hesitate to chat and to initiate dialogues, the stake of which will emerge only as the conversation goes by. A fortuitous encounter may trigger something off in your mind.

Although you are driven by nice intentions only and willing to share your pleasures and your joys, you put your foot in your mouth, and you may become bad-mannered and overly exuberant.

Do not meddle into what is happening to your friends and relatives, and think twice before you speak, lest you should commit an indiscretion out of carelessness.

In the romantic area, you find that social conventions or proprieties are suffocating. Be reassured, because this is transient. Try to listen to what your partner wishes to tell you instead of interrupting him and speaking on his behalf.

In order to feel in security and regain inner calm and peace of mind, you probably need to isolate yourself in your corner or to withdraw into yourself until tensions and worries subside and your good mood is back. ## **R** Confused communication

Opposition ♀ Mercury ♃ Neptune (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 20 June till Thursday 22 June included (particularly active on Wednesday 21 June, with an orb of 0°14')

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

Right now, the climate is not auspicious for the expression of your thoughts, of your reflections, and of your inspirations. You are brimming with good ideas, but you reject concrete facts and the opinions of your friends and relatives. Here are the major obstacles to your success.

Heed the advice of caution you receive. Indeed, if you persist in building on sand, you will waste a lot of time or money.

Verbal communication with the members of your entourage is blurry and confused, which provides a ground conducive to the emergence and the multiplication of misunderstandings and imbroglios. This is

partially caused by your lack of precision. Therefore, try to finish your sentences. Dot your i's and cross your t's if you want your messages to be correctly understood.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

However, although you are unaware of it, you are very anxious to preserve the benefits earned in the past and to maintain your good reputation. Therefore, you ought to ponder over the consequences of your words and of your questions.

Avoid getting entangled in disputes right now, and do not condemn abuses or irregularities for which you have no evidence. Instead, you ought to polish up your plans of action while taking into account the forces at play.

You may be eaten up by the urge to make ostentatious purchases. You should buy what you and your friends and relatives appreciate, instead of what you think would enhance your prestige.

Opposition  Moon  Moon

★★★★★ Valid on Wednesday 21 June, with an orb of 0°17'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Today, you find it difficult to work because you are irritated by constraints, distressed by the heavy atmosphere and you feel disheartened. Is your perfectionism your executioner? You have your limitations too and you have the right to be tired. Don't always strive to do more, quickly give up your inferiority complex because everybody fully appreciates you. Therefore, wait until you recover your energy and in the meantime, don't forget... Let go!

## Strength and clarity

★★★★★ Valid from Thursday 22 June till Monday 26 June included, this transit is repeated: it previously occurred from 19 February till 23 February (particularly active on Saturday 24 June, with an orb of 0°01')

This aspect, which occurs twice a year, is significant if it happens during a period of turbulence. It helps you discover unsuspected vital resources and, mocking the proprieties, to plough your furrow according to your wishes and your personal ethics.

You may even be able to discern your shadow zones (who doesn't have any!) and to turn your weaknesses into strengths. Although it is possible that you shine in a quite small coterie, your prestige will glitter more dazzlingly.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

Your peremptory, clear, and passionate comments speak in your favour. Many people believe that your words are the token of your inner strength and of an integrity which commands respect. Therefore, if you consider taking any particular steps, or if you plan to put forward a request, let your heart express itself, because a sincere behaviour will prove successful.

To make the most of this transit, you must get your ducks in a row. You could also deeply reform your working habits or your daily organisation by getting rid of unessential tasks. This is how you can regain your efficiency.

## Minor annoyance with your contacts

☾ Moon in House VII

★★★★★ Valid from Thursday 22 June till Friday 23 June included

In the communication area, the day is not really impressive. Whether at work or at home, you have the feeling that everyone has become deaf. No one hears you and what you say receives no echo. Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. Quietly wait until they get out of their personal bubble!

## Restlessness and nervousness

Opposition ☾ Moon ♀ Mercury

★★★★★ Valid on Friday 23 June, with an orb of 2°26'

### Affective frustration

Opposition ♀ Venus ♄ Saturn (transit to a slow-moving planet) 

★★★★★ Valid from Saturday 24 June till Tuesday 27 June included (particularly active on Monday 26 June, with an orb of 0°24')

You are feeling deserted, frustrated, or neglected. Do not pay too much attention to this sensation, for it is very fleeting.

You are well-advised to cut yourself off and, during a couple of days, to avoid love arguments, because you would only vent your bad mood and your resentment. Likewise, friendly get-togethers and outings leave you with a bitter aftertaste of incompleteness.

However, you can take advantage of this transit by taking up «serious» leisure activities. Improve your general knowledge, and embellish your living environment by undertaking unpleasant yet indispensable repair works.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

## Hypersensitivity and intuition

☾ Moon in House VIII

★★★★★ Valid from Saturday 24 June till Sunday 25 June included

During this period, your intense emotions and deep feelings endow your inner and psychical life with extreme strength. You are hypersensitive and you can switch from laughter to tears with no real reason. Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Unless, enriched with all these emotions, you just let your creativity flow freely...

## Gentle way of life

Trine ☾ Moon ☾ Moon

★★★★★ Valid on Sunday 25 June, with an orb of 0°12'

This is a day of rest, during which you enjoy being in some exotic dream where poetry prevails over reason... You travel, mentally, at least! The desire to escape is very real and you have difficulties in running your day-to-day business. As a consequence, a few annoyances may crop up, but that is the least of your worries... Your concern is to enjoy to the fullest the moment of daydreaming that you badly need. This is your way of recharging your batteries and recovering your mental strength.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

## Affective misunderstandings

Opposition ♀ Mercury ♀ Venus

★★★★★ Valid from Sunday 25 June till Monday 26 June included (particularly active on Monday 26 June, with an orb of 0°54')

The prevailing climate prevents you from having it your way. Your friends and relatives split hairs, nitpick over trivial details, and sometimes blame you for petty things. Confronted with simmering aggressiveness, you cannot trust anyone anymore.

However, do not attach too much importance to these nuisances since they are insignificant.

Your professional duties may impinge on your romantic life. Try to keep this issue in perspective without constantly feeling hurt when a slight glitch spoils your pleasure.

## Wounded pride

Opposition ♀ Mercury ♃ Jupiter

★★★★★ Valid from Monday 26 June till Tuesday 27 June included (particularly active on Tuesday 27 June, with an orb of 0°26')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Some comments aimed at you may hurt your sensibility. Your skills may be questioned, and people may laugh at you, more or less kindly. Try not to yield to anger, for your opponents would immediately take advantage of you. Instead, you should endeavour to take stock of your work, to polish up your argumentation, and to consider people's requests more seriously.

You have a propensity to make diplomatic lies and to seek ideal excuses; unfortunately, because you tend to botch them and neglect their likeliness, you will not achieve the result you wish to obtain. As you carry out a survey or a research, it is possible that you tinker with the form and that you slack off on the substance. Think it over.

Do not look for excuses, because the time has come to take action, to change direction, or to start a training course putting you in direct contact with the raw realities of the world of work.

Transformations are needed at home. Therefore, do not hesitate to spend some money if it can make your daily life easier. Since a lot of frankness prevails in your discussions with your parents or your grandparents, you ought to take advantage of it and dispel long-standing resentments.

## Idealism and need to escape

Today, your horizon line is cloudless. You think big and it is with optimism that you consider the outer world. There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. In any case, you are far from material contingencies... What a great wisdom!

Today, your horizon line is cloudless. You think big and it is with optimism that you consider the outer world. There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. You need to isolate yourself for a short while, so you can think, meditate, and perhaps, find the answers to your philosophical questions. Do you have a sudden desire for faraway travels? Should the opportunity arise, don't hesitate! Unless you are contented with long imaginary journeys, the departure of which you constantly postpone... In any case, you are far from material contingencies... What a great wisdom!

Avoid fighting with your father or your husband if you are married. Do not irritate figures of authority, for your clumsiness is very likely to harm your initiatives.

Therefore, if you consider taking any particular steps, or if you plan to put forward a request, let your heart express itself, because a sincere behaviour will prove successful.

Nothing forces you to take a stand and to express your likes and your dislikes in a categorical manner. Let the dust settle. Give people enough time to prove their worth, but remain vigilant. Indolence may limit your competitiveness and relax your efforts during a few days. Do not make a mountain out of a molehill, and enjoy life to the fullest.

## Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
