Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones, except for the cases of the transits to the slow planets (Jupiter, Saturn, Uranus, Neptune, and Pluto). In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- a yellow star indicating that the transit is important (for Jupiter, Saturn, Uranus, Neptune, or Pluto) or mildly important (for Mars), contrary to the fast-moving planets (the Moon, Mercury, Venus, and the Sun) which have no icon, because they are less important, or quite secondary,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance, such as a collective

transit. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact, - the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

The new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Moreover, "collective" transits, i.e. transits to slow-moving planets, are now displayed - even though they are not very active - except for the Moon, because she moves too fast and exerts no significant influence over slow-moving planets.

Besides, our detailed forecasts take into account what is referred to as "slow transits", the most important ones, since they last a long time and are generated by Pluto, Neptune, Uranus, Saturn, Jupiter, and Mars to a lesser extent, and by "fast transits", i.e. those of Mercury, Venus, and the Sun. This means that this report provides at the same time a forecast report and a real diary for small events and feelings.

Slow transits reveal the future climate you may experience and/or feel, whereas fast transits bring about minor fluctuations, although sometimes they may be active. This is the reason why the titles of the slow transits texts are underlined, which is not the case for fast transits; they should be considered as an addition to the main forecasts indicated by slow transits.

Important remark: certain paragraphs are repeated, especially those of the Moon, who moves rapidly and travels around the zodiac in less than a month. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8-9. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

Your March Forecast 2022

Illusions, mistakes, and misunderstandings

Square ♃ Neptune ♀ Mercury

★★★★★ Valid from Tuesday 1 March 2022 till Thursday 14 April 2022 included (particularly active on Tuesday 1 March 2022, with an orb of 0°39')

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

This is not a good time to devise new projects. Indeed, not only do you delude yourself, but you may also misinterpret the information sent to you.

When you are confronted with any sort of problem, you should carry out a thorough research work before taking any decision, for you do not have the essential data required for a sound reasoning.

You must be wary of some of your acquaintances because several people are trying to take you for a ride or to mislead you.

Your communication with your friends and relatives is stressful. Although conflicts and unpleasant confrontations are unlikely, out of fear, cunning, or negligence, everybody tends to allow misunderstandings to form and develop. In order to avoid this pitfall, you must ascertain that your explanations are as clear as possible.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Easy pleasures and diplomacy

Sextile ☼ Sun ♀ Venus

★★★★★ Valid from Tuesday 1 March 2022 till Wednesday 2 March 2022 included (particularly active on Tuesday 1 March 2022, with an orb of 0°44')

Right now, the spotlights are on you. You are beaming with charm and diplomacy in order to live up to your public image. You are warm and prepared for all types of pleasures. You assert yourself by anticipating the desires of your entourage, by offering gifts, and by organising invitations and outings.

Relationships with your romantic partner and with men in general are smooth and imbued with generosity as well as with tenderness.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Rejecting authority and rules

Square ♃ Jupiter ⛢ Uranus (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 1 March 2022 till Sunday 6 March 2022 included (particularly active on Tuesday 1 March 2022, with an orb of 1°01')

These planets are linked by a semi-sextile in your natal chart: the negative effects of this transit may be slightly lessened.

Your eagerness to impose yourself and to get rid of all types of setbacks is intensified and may lead to untimely actions. You do not accept the slightest suggestion, and you do not tolerate any interference in your affairs. You are quick to demand justifications, and you never hesitate to express your resentment without thinking of the hostilities you may arouse.

Although you are brimming with good ideas and brand new theories, you are unable to explain them without giving the impression that you are only trying to take all the credit and to literally crush your potential rivals. Behave with more diplomacy if you need to stand up for your interests and to assert your rights. Moreover, remember that you can catch more flies with honey than with vinegar.

Reduce your intake of stimulants such as alcohol, coffee, or tobacco, and endeavour to be more concentrated when you are driving or when you are practicing a sport.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Revived romantic or friendly relations

Trine ⛢ Uranus ♀ Venus

★★★★★ Valid from Tuesday 1 March 2022 till Wednesday 23 March 2022 included (particularly active on Tuesday 1 March 2022, with an orb of 1°20')

You will realise that you need to become more independent from your romantic partner. However, you do not intend to cut off your ties. Your only purpose is to make him understand your need for self-assertion, and it is very likely that you will succeed in doing so without hurting his sensitivity.

If you are single, a new love affair will make you happy. You may need to rein in your jealousy in order not to scare your partner, but the relationship is worth it.

Warm and uplifting bonds will be forged with your friends during this period too. You are endowed with increased self-confidence, laid-back charm, and dynamic energy. You can use these assets in your negotiations or in your job interviews.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

★ Profitable calculated risks

Trine  Uranus  Jupiter

★★★★★ Valid from Tuesday 1 March 2022 till Monday 9 May 2022 included (particularly active on Tuesday 29 March 2022, with an orb of 0°01')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a semi-sextile in your natal chart: the harmonious effects of this transit may be slightly increased.

The time has eventually come to take the place you deserve within the professional or social group to which you belong. Numerous opportunities are coming to you, and you are most likely to react to them with swiftness, brio, and great panache. You take everyone's sensitivity into account, and you manage to reconcile the most irreconcilable viewpoints.

You have a real knack for introducing changes into deep-rooted structures, quietly and without giving everybody the impression that the big shake-up is under way. If you are seeking support, assistance, or loans, you will get what you need. You show yourself in the best possible light, and your enthusiasm wins people over.

Your financial projects may seem quite risky, but actually, you know very well what you are doing, and you will make significant profits.

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Your good adaptation to the rules governing life in society, and your expansion-oriented mind enable you to show yourself to advantage in your professional circles. This is how you are most likely to attract the spotlights.

Agreements or contracts can be signed in the best conditions. You may also get a promotion. If you are still a student, there is every chance that your efforts will be rewarded.

Optimism as well as good mood prevail and enable you to meet people from different walks of life who

will hold enriching discussions with you. During this period, legal issues can be settled amicably.

★★★★★ Valid from Tuesday 1 March 2022 till Friday 8 April 2022 included (particularly active on Tuesday 15 March 2022, with an orb of 0°00')

You are going through a slowdown period. Annoyances or last minute changes of programme hamper your initiatives and thwart the actions you have already launched. You are facing difficult choices requiring sacrifice and hard work. To solve this dilemma, you tend to beat about the bush, which is not a good strategy.

Socially speaking, you should put this idle time to good use by reviewing your working methods. If you find that you have strayed into a deadlock, do not hesitate to admit it and to back-pedal, if you still can.

Your financial initiatives are fruitful, and thanks to your determination, your debtors reimburse the money they owe you.

This period is good for medical treatments and for starting a traditional therapy.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Do not suddenly give up stability and routine, for you are not equipped to rebuild another structure for the time being.

In the field of health, avoid intellectual fatigue, and watch your joints, as sprains are possible.

You may experience squabbles with your romantic partner about your freedom of action. If you describe the situation with more diplomacy, you will get better results. Don't forget this!

You pour out your emotions, enriched with a host of sensations, to all the people you approach. You are easily moved, amazed, and touched. You feel the need to bring peace and harmony to those who strike a sensitive chord with you.

Family relations are set fair. In a word, you know how to lighten the atmosphere, and you are willing to oblige your friends and relatives by lavishing attention and little gifts on them.

Your joie de vivre is shining, and your gentleness spurs people to confide in you. If you are engaged in an artistic activity, visiting picturesque settings, or going out with attractive persons stimulates your inspiration.

You feel good about yourself, and you combine very well your professional life with your private life.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

This is an excellent period for solving rapidly and with determination the problems pending with your family members or those related to the place where you live.

You are witty, your reactions are quick, and you find colourful retorts which make people laugh and which put them on your side.

If you are a trader, you have a lot on your plate, but this extra work makes you very happy.

Your enlivened imagination helps you deal with the reality of daily events. The hell with unproductive reveries! You manage to adjust your desires to your real possibilities.

You are feeling the urge to strengthen your family ties and to contribute to the well-being of your friends and relatives. You may purchase a property or you may move into a bigger place, because this transit is very auspicious for domestic affairs. You may also receive a financial support from your country of origin, or you may take a loan that you can repay easily. A birth in your house or among the members of your entourage is a strong possibility.

You are very fond of family festivities, and you derive much pleasure from travels or from long vacations in the company of your loved ones.

Gentle way of life

Trine ☾ Moon ☾ Moon

★★★★★ Valid on Thursday 3 March 2022, with an orb of 0°20'

This is a day of rest, during which you enjoy being in some exotic dream where poetry prevails over reason... You travel, mentally, at least! The desire to escape is very real and you have difficulties in running your day-to-day business. As a consequence, a few annoyances may crop up, but that is the least of your worries... Your concern is to enjoy to the fullest the moment of daydreaming that you badly need. This is your way of recharging your batteries and recovering your mental strength.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

The right word

Sextile ♀ Mercury ♀ Mercury

★★★★★ Valid from Thursday 3 March 2022 till Saturday 5 March 2022 included (particularly active on Friday 4 March 2022, with an orb of 0°03')

During a few days, your intellectual fitness, as well as your abilities to communicate verbally and in writing, are at their top level. You should take this opportunity to put your ideas and your requests on paper, or to write delicate mails.

You quickly find the right word, and your argumentation is very logical.

You feel the need to make short trips and to organise outings and excursions with your friends and relatives. Such leisure activities provide a great deal of joy and enable you to discover nice spots and to ferret out useful addresses.

It is also a good time to read and to collect information on topics you are interested in.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Restlessness and nervousness

Square ☾ Moon ♀ Mercury

★★★★★ Valid on Thursday 3 March 2022, with an orb of 2°04'

You put aside your habits, you shelve all kinds of conformism that have started to smother you. Your entourage is going to be surprised! Sextile ♀ Mercury ♃ Jupiter

★★★★★ Valid from Wednesday 16 March 2022 till Friday 18 March 2022 included (particularly active on Thursday 17 March 2022, with an orb of 0°28')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

During several days, your eloquence and your poise in society are particularly strong. It is the right time to send out your administrative requests, to apply for a loan, or to seek financial support.

You are intellectually efficient. Even though your ideas may lack originality, they are reliable and earn the trust of your friends and relatives as well as of your higher-ups. If you are taking an exam, Lady Luck will smile on you, provided you do not put a cat among the pigeons.

You are very likely to experience pleasant encounters which will afterwards give you access to various groups of friends and thus contribute to widen the scope of your knowledge.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

During a few days, you must control your nervousness and moderate your somewhat excessive and reckless reactions. Sudden movements may provoke innocuous accidents and sprains; but all this can be avoided if you take your time and if you do not try to cope with too many things at the same time.

Your communication with your friends and relatives tend to be arduous. Unless you are willing to get involved in clashes, which is highly inadvisable, you are very likely to witness stormy discussions and heated debates between supporters of traditions and dyed-in-the wool modernists. The ensuing atmosphere is conducive to break-ups with friends or family members.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

During several days, your gesticulations are very unlikely to yield satisfactory results. Do not listen to your impulses, for they are too contradictory and cannot show you which path you should follow.

Likewise, avoid getting overly enthusiastic in the course of your private discussions. Indeed, you lack subtlety, and you tend to blow out proportion of the slightest remark aimed at you. Your communication flows smoothly with the elderly as well as with people who are withdrawn and whom you cannot always reach out to.

R Exacerbated sensitivity

Conjunction ☾ Moon ♂ Mars

★★★★★ Valid on Saturday 23 April 2022, with an orb of 0°32'

In your chart, Mars receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous. However, these planets are linked by a quintile in your natal chart: the negative effects of this transit may be slightly lessened.

Your fighting spirit overcomes adversity. You win a battle through sheer energy. It has absolutely nothing to do with triumphing diplomacy, far from that! It is about the victory of determination and persistence. You did not give in, you did not weaken and events prove you right. Now, you can confess that you were not far from the point of no-return... The positive outcome: the impetus is restarted and hurdles are removed. Your fighting spirit seems to be the source of a significant evolution.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Opposition ♀ Mercury ☾ Moon

★★★★★ Valid from Saturday 23 April 2022 till Tuesday 26 April 2022 included (particularly active on Sunday 24 April 2022, with an orb of 0°17')

In your everyday life, you find it difficult to combine reflexion and reason with visceral emotional responses with the outside world, on the other hand. When you are taken by surprise, you can hardly stay calm and resist the urge to unleash harsh words or to manifest your more or less uncalled-for frenzy.

You may be forced to make a few last minute trips which will disrupt your family life or the organisation of your usual tasks. Nevertheless, you must cope with these chores. Avoid whimsical or demanding behaviours, because they would prove harmful in the long run.

With the women of your entourage, communication may be frustrating during a couple of days. Therefore, try to play down the importance of these temporary disagreements.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

During a few days, you should avoid getting involved in quarrels which do not concern you. Indeed, you may utter outrageous or clumsy words, you may make brusque movements, and you may throw a tantrum. Because you are unable to control yourself, you are most likely to express your rebellion and your bitterness too forcefully.

Stormy exchanges of viewpoints with a father figure or with elder brothers are looming and should be avoided if possible, for nothing good can come out of such clashes.

You also tend to be aggressive towards your romantic partner and towards men in general. Physically speaking, you must be careful, because the curtness of your moves may provoke wounds or falls.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Square ♀ Venus ♀ Mercury

★★★★★ Valid from Saturday 23 April 2022 till Tuesday 26 April 2022 included (particularly active on Monday 25 April 2022, with an orb of 0°11')

If your emotional responses are exaggerated, they may temporarily damage your communication with your friends and relatives. You tend to get easily distracted and to behave with insouciance. Moreover, you do not really listen to the information conveyed to you. Whenever you express yourself, you can hardly resist the temptation to open your heart to people you barely know.

You may be indiscreet or disclose your little secrets inadvertently. Out of laziness, you may also postpone a procedure, a telephone call, or urgent mails. Therefore, you must set yourself a detailed timetable and use it as your safeguard against procrastination.

You are willing to meet with all sorts of people, but the majority of your relations remain quite shallow.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. In any case, you can't be stopped just like that ...

Curiosity is gnawing at you, and you need to know more about those you love, their secret thoughts, their feelings, and even their most reprehensible Â«sinsÂ».

Your hunger for their somehow scandalous facets may bring about tensions. Moreover, you tend to indulge in pointless gossips and unproductive questioning. Your sensuality is running so high that you can hardly control it. However, there is no excuse for practicing mental sadomasochism.

In your everyday life, you find it difficult to combine reflexion and reason with visceral emotional responses with the outside world, on the other hand. When you are taken by surprise, you can hardly stay calm and resist the urge to unleash harsh words or to manifest your more or less uncalled-for frenzy.

You may be forced to make a few last minute trips which will disrupt your family life or the organisation of your usual tasks. Nevertheless, you must cope with these chores. Avoid whimsical or demanding behaviours, because they would prove harmful in the long run.

With the women of your entourage, communication may be frustrating during a couple of days. Therefore, try to play down the importance of these temporary disagreements.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Minor annoyance with your contacts

☾ Moon in House VII

★★★★★ Valid from Monday 30 May 2022 till Tuesday 31 May 2022 included

In the communication area, the day is not really impressive. Whether at work or at home, you have the feeling that everyone has become deaf. No one hears you and what you say receives no echo. Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. Quietly wait until they get out of their personal bubble!

Restlessness and nervousness

Opposition ☾ Moon ♀ Mercury

★★★★★ Valid on Tuesday 31 May 2022, with an orb of 0°25'

As a result, you are faced with an indefinable hostility and a general bad mood which thwarts your initiatives aiming at restoring the balance in your professional and romantic relations.

Your sensitivity becomes even more exacerbated, and you shift from cheerfulness to sullenness at the drop of a hat. Rein in your reactions, because biased by your subjectivity, you may turn all events into tragedies.

Do not let your adversaries pull the rug from under your feet without reacting. A dash of passion is all it takes to help you feel good about yourself.

The current climate is not too promising for the expression of your uniqueness. It is preferable to indulge in your passions secretly, so as to avoid malicious gossips.

However, the desire to appal self-righteous people prompts you to break the rule of prudence. If it is at all possible, refrain from doing so, and remember that not everybody is prepared to be challenged overnight.

You are hypersensitive and you can switch from laughter to tears with no real reason. Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Unless, enriched with all these emotions, you just let your creativity flow freely...

There are no limits any more and it seems that nothing can hinder the projects you want to undertake. Your feelings and your opinion are tinted with idealism. You need to isolate yourself for a short while, so you can think, meditate, and perhaps, find the answers to your philosophical questions. Do you have a sudden desire for faraway travels? Should the opportunity arise, don't hesitate! Unless you are contented with long imaginary journeys, the departure of which you constantly postpone... In any case, you are far from material contingencies... What a great wisdom!

It won't take long until you find out. Thanks to your acute and deep clear-sightedness, you quickly guess what is going on... You won't be trapped as your sensitivity on the alert endows you with a sixth sense. No matter how complex the situation may be, you play your game well.

Frustrations and emotional wounds

Square  Mars  Venus

★★★★★ Valid from Sunday 5 June 2022 till Friday 10 June 2022 included (particularly active on Tuesday 7 June 2022, with an orb of 0°08')

During this short period, you must harden your heart and protect yourself carefully against emotional traps. Indeed, you run the risk of being disappointed by those you love. You may also get the impression that everyone intends to harm you. It must be underlined that, despite everything, such attacks are not very serious and that, because you take everything to heart, you tend to pay too much attention to mere absent-mindedness and omissions devoid of malevolence.

Right now, do not strive to hold any thorny negotiation, and do not seek any reconciliation, because your high-strung disposition does not speak for you.

Watch your expenses, for the urge to splurge is nothing but a means to let off steam when your frustrations are overwhelming, and in the end, you will find yourself cluttered with items you do not like at all.

This is a day of rest, during which you enjoy being in some exotic dream where poetry prevails over reason... You travel, mentally, at least! The desire to escape is very real and you have difficulties in running your day-to-day business. As a consequence, a few annoyances may crop up, but that is the least of your worries... Your concern is to enjoy to the fullest the moment of daydreaming that you badly need. This is your way of recharging your batteries and recovering your mental strength.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Susceptibility and disenchantment

Square  Venus  Midheaven

★★★★★ Valid from Tuesday 5 July 2022 till Friday 8 July 2022 included (particularly active on Wednesday 6 July 2022, with an orb of 0°23')

This planet and the MC-IC axis are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

You are feeling that neither your private nor your professional lives are fully satisfactory. You are mainly preoccupied by annoyances caused by uncontrolled events, by the injustices you undergo, and by the comments aimed at you or at those you love.

Fatigue is sweeping over you, and you must make huge efforts in order to fight your disenchantment. Nevertheless, you must not pay excessive attention to the disagreements which are hurting your sensitivity, because your imagination tends to exaggerate their actual impact.

During these few days, refrain from making decisions about your family and your social life, for you may underestimate your possibilities, and you may confine yourself to an enclosed and dull universe.

Radical and dangerous changes

Opposition ♅ Uranus ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 5 July 2022 till Friday 14 October 2022 included (particularly active on Friday 19 August 2022, with an orb of 1°29')

You are not feeling too motivated, rather sick, and tired of your daily life. In both the affective and the professional areas, you have the impression that you are caught up in routine and that the possibilities to assert yourself are trapped within four walls. This is the reason why you are planning to implement radical changes.

If this becomes possible in the long run, you will need to exercise a great deal of patience because you will meet with resistance and obstruction, and your progression will be slowed down. This frustrating prospect may be caused mainly by your own hesitations. Indeed, you are anxious, and whenever you are in front of something new, which you brought about yourself, you back down instead of taking action.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

A few attacks, nothing serious!

☾ Moon in House X

★★★★★ Valid from Tuesday 5 July 2022 till Wednesday 6 July 2022 included

Does a colleague make an unpleasant remark? Are you summoned to your director's office? Is there a lot of idle gossip going around about you? In brief, it seems that your public image is challenged today, and you dread some sort of unpopularity... Don't ask yourself so many questions and try to understand the whys and the hows. There are good days and bad days... Obviously, it is not your day! Therefore, why don't you forget your temporary interpersonal difficulties! Tomorrow is another day... Who's next?

Efficiency and discernment

Trine ♿ Mercury ♇ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 6 July 2022 till Thursday 7 July 2022 included, this transit is repeated: it previously occurred from 11 March 2022 till 12 March 2022 (particularly active on Wednesday 6 July 2022, with an orb of 0°34')

You get a clear grasp of the most confusing problems, and you take advantage of the fact that you are

ahead of your friends and relatives to take control of the situation.

Your peremptory, clear, and passionate comments speak in your favour. Many people believe that your words are the token of your inner strength and of an integrity which commands respect. Therefore, if you consider taking any particular steps, or if you plan to put forward a request, let your heart express itself, because a sincere behaviour will prove successful.

To make the most of this transit, you must get your ducks in a row. You could also deeply reform your working habits or your daily organisation by getting rid of unessential tasks. This is how you can regain your efficiency.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

Emotions and minor frustrations

Square  Moon  Venus

★★★★★ Valid on Wednesday 6 July 2022, with an orb of 1°52'

These planets are linked by a semi-square in your natal chart: the negative effects of this transit may be slightly increased.

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Harmful aggressive impulses

Opposition  Mars  Pluto (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 6 July 2022 till Tuesday 12 July 2022 included (particularly active on Saturday 9 July 2022, with an orb of 0°09')

These planets are linked by a square in your natal chart: the negative effects of this transit may be increased.

You must remain extremely vigilant and distance yourself from your desires, your aggressive impulses, and your thirst for power. Indeed, you have no more limits, and you are bound to act fiercely and violently without thinking of material concerns. You tolerate no frustration, and you provoke definitive

split-ups.

You wallow in tragic and sometimes morbid details. You deal with every situation as if it was the ultimate stage, and this will certainly worsen your restlessness.

In the course of a meeting or of a discussion, you may become overly upset as you hear about a few facts you did not know. You are suspicious and jealous, and you may hatch up dishonest plans in order to protect yourself from what you believe to be the sly deeds of all the persons who are in touch with you.

Sextile  Sun  Midheaven

★★★★★ Valid from Wednesday 6 July 2022 till Sunday 10 July 2022 included (particularly active on Friday 8 July 2022, with an orb of 0°10')

Although this aspect occurs many times a year, it is far from being insignificant, especially if other planets are propelling you forward. Indeed, you dress up to the nines, you polish up your words, and you endeavour to meet influential people. It is certain that you will get the result you are aiming at, but you will have to keep your promises afterwards.

More generally, you may become a socially outstanding figure. You may also find your dream job or get a promotion.

Lack of diplomacy and reprehensible exuberance

Square  Jupiter  Venus

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

Your need to express your joie de vivre and to lavish your affection comes up against weighty requirements such as propriety, gossips, conformism, or selfishness. Your lack of intuition may be partially responsible for this situation. Since you are unable to grasp the nature of the person you are dealing with, you may be too spontaneous, and your exuberance may shock a few people.

On the romantic area, you are longing for adventures, and you are easily blinded by enjoyable short-lived affairs. But here also, external circumstances may force you to control your impulses.

You should constantly demonstrate diplomacy. Moreover, do not commit yourself with people you do

not know, and do not to waste your energy on your friends or your family members, with whom you will be given the opportunity to prepare a few festivities.

Favoured friendships

☾ Moon in House XI

★★★★★ Valid from Thursday 7 July 2022 till Friday 8 July 2022 included

Today, you prefer to exchange ideas with your close friends rather than to attend to your material and routine affairs. Make the most of it! Connections are established smoothly, you are on the same wavelength and communication is favoured by a harmonious atmosphere. You may talk about all and nothing pleasantly or you may carry out lengthy debates so as to reinvent a world that is up to your ideals! Besides, you may want to become part of a group or an association that shares your centres of interest. However, don't forget that your family may feel a bit neglected...

Square ☾ Moon ♂ Mars

★★★★★ Valid on Friday 8 July 2022, with an orb of 0°05'

These planets are linked by a quintile in your natal chart: the negative effects of this transit may be slightly lessened.

A glitch is all it takes to jeopardize your plans, a minor incident, the regrettable consequences of which develop as time goes by. Therefore, it is advisable to anticipate and to avoid traps right from the start. Hold back your impatience because feverishness may block the energies of the day. More than ever, self-control is indispensable.

Opposition ♀ Mercury ♀ Venus

★★★★★ Valid from Saturday 9 July 2022 till Sunday 10 July 2022 included (particularly active on Sunday 10 July 2022, with an orb of 0°39')

The prevailing climate prevents you from having it your way. Your friends and relatives split hairs, nitpick over trivial details, and sometimes blame you for petty things. Confronted with simmering aggressiveness, you cannot trust anyone anymore.

However, do not attach too much importance to these nuisances since they are insignificant.

Your professional duties may impinge on your romantic life. Try to keep this issue in perspective without constantly feeling hurt when a slight glitch spoils your pleasure.

Opposition ♀ Venus ♀ Mercury

★★★★★ Valid from Saturday 9 July 2022 till Tuesday 12 July 2022 included (particularly active on Monday 11 July 2022, with an orb of 0°25')

You are being torn between your powerful affective impulses and the cold logic which urges you not to fall into the traps of sentimentality. This may strongly influence your behaviour, and you may shift from the tenderest attention to the most jeering cynicism.

The most important point for you is to manage not to commit yourself and to remain free, emotionally as well as intellectually. People try to win you over and to charm you, so as to get you involved in projects you are not interested in, and with which you may agree, but from which you run away in the end.

Be more straightforward, and give your opinion more assertively if you do not want to become notorious for being a weathercock and even a hypocrite.

★★★★★ Valid from Saturday 9 July 2022 till Friday 15 July 2022 included (particularly active on Tuesday 12 July 2022, with an orb of 0°01')

Your power of action is declining temporarily. Therefore, it would be wise to wait until this transit is over before taking new initiatives, fighting for your stance, or showing your authority. You may have the nagging feeling that your most basic desires are stymied.

The most impulsive people must beware of new surges of impetuosity. Indeed, they may provoke hasty splits, anger, squabbles, as well as insistent and clumsy protests, because the slightest frustration and the smallest obstacle on the way become unbearable. When not properly used, this aggressiveness may backfire on them, and they will need to watch their movements and their short trips.

Some other people may champ at the bit. They may feel helpless in front of adversaries brimming with vitality and willing to pull the rug from under their feet.

If you must participate in a competition, try to postpone the date because, for the time being, you are not in a position to cope with serious challenges.

★★★★★ Valid from Sunday 10 July 2022 till Tuesday 12 July 2022 included (particularly active on Monday 11 July 2022, with an orb of 0°12')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Some comments aimed at you may hurt your sensibility. Your skills may be questioned, and people may laugh at you, more or less kindly. Try not to yield to anger, for your opponents would immediately take advantage of you. Instead, you should endeavour to take stock of your work, to polish up your argumentation, and to consider people's requests more seriously.

You have a propensity to make diplomatic lies and to seek ideal excuses; unfortunately, because you tend to botch them and neglect their likeliness, you will not achieve the result you wish to obtain. As you carry out a survey or a research, it is possible that you tinker with the form and that you slack off on the substance. Think it over.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

This is an excellent day to make a pause and enjoy your recovered serenity. It is the right time for you to be forgiven for your fits of bad temper and to regain the sympathy that your aloof attitude may have lessened. Above all, it is the right time for innovative projects that radically change life! Things unfold smoothly... On the social and professional planes, everything seems to develop very naturally: you let yourself be carried away by the stream and you carefully avoid all forms of tension or aggressiveness.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Sense of dialogue and mutual understanding

Trine ♀ Mercury AS Ascendant

★★★★★ Valid from Tuesday 19 July 2022 till Wednesday 20 July 2022 included, this transit is repeated: it previously occurred from 27 March 2022 till 28 March 2022 (particularly active on Tuesday 19 July 2022, with an orb of 1°00')

You are in a talkative and cheerful mood. The narration of your real or embellished prowess thrills your friends and relatives. This contributes to spread joie de vivre around you and draws the members of your

entourage closer to each other.

Unfortunately, once the excitement starts to fade away, many of the projects you mentioned verbally may fall through.

Strive to get the support of people you are comfortable with, and seek their help and their suggestions in the fields in which they excel. Writing to friends you lost touch with, or calling them, allows you to establish contact with them again. Therefore, this is not the time to be shy.

During several days, strive not to express your anger, your grudge, or your bitterness. Discussions about past squabbles are unwelcome, as they would only rub salt in the wounds and trigger new demands.

In the course of a meeting or of a short trip, and when you draft a mail, or when you talk over the telephone, keep your subconscious under control. Indeed, it may speak louder than your mind and prompt you to disclose desires that should be kept secret.

Do not get involved in people's disputes, for you would be blamed for meddling in their affairs. Instead

of settling the situation, you would only inflame it, due to the distorted perception you have of people and of their real motivations.

Opposition ♀ Mercury ♂ Mars

★★★★★ Valid from Thursday 21 July 2022 till Friday 22 July 2022 included (particularly active on Thursday 21 July 2022, with an orb of 0°46')

The current situation does not let you take action according to your desires. Nit-picking explanations or last minute changes may slow down your impetus and, as a result, affect your mood which will become aggressive, demanding, and overly critical.

Do not get carried away by anger, for people are waiting to pounce. Weigh your words carefully. Indeed, even though you have no bellicose intent, people feel that you lack subtlety and that you express yourself in harsh ways.

Remember that some truths are better left untold, and avoid the trap consisting in yielding to provocations.

Today, you find it difficult to work because you are irritated by constraints, distressed by the heavy atmosphere and you feel disheartened. In short, you are stressed and it affects your physical condition. You are not going to come over faint, are you? Take a break to catch your breath! Haven't you set your standards too high? Is your perfectionism your executioner? You have your limitations too and you have the right to be tired. Don't always strive to do more, quickly give up your inferiority complex because everybody fully appreciates you. Therefore, wait until you recover your energy and in the meantime, don't forget... Let go!

Sensitivity all on edge...

Opposition  Moon  Moon

★★★★★ Valid on Friday 22 July 2022, with an orb of 1°48'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

In the communication area, the day is not really impressive. Whether at work or at home, you have the feeling that everyone has become deaf. No one hears you and what you say receives no echo. Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. Quietly wait until they get out of their personal bubble!

Disturbing clarity

Square ☉ Sun ♇ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Sunday 24 July 2022 till Thursday 28 July 2022 included (particularly active on Tuesday 26 July 2022, with an orb of 0°24')

This aspect, which occurs twice a year, may help you untangle the hank produced by other influences taking place simultaneously. In a way, you have a split personality, and you face your most secret desires, sometimes the least acceptable ones.

This has nothing to do with madness. This is about becoming aware of shortcomings in your usual behaviour which, unconsciously, cause the failure of some of your undertakings. This transit urges you to set things right.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

Opposition ♀ Venus ♀ Venus

★★★★★ Valid from Sunday 24 July 2022 till Wednesday 27 July 2022 included (particularly active on Tuesday 26 July 2022, with an orb of 0°05')

You do not feel too comfortable right now, because the climate prevailing around you goes against your desires and your affective cravings.

You may be requested to negotiate or to sign an agreement you are not too keen on. Similarly, your activity may force you to deal with people with whom you have little in common. Do not show your reluctance too openly, because it is actually quite superficial. Be careful not to lose the benefit of your past efforts because of an outburst of temper.

As far as your appearance is concerned, do not let the perfect images you see in advertisements or in magazines depress you. Remain true to yourself, and you will feel much better.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Owing to external circumstances, you can neither do as you like, nor assert yourself. Stern regulations, and considerations of moral nature imposed by certain members of your entourage or by your immediate superiors, hinder your initiatives.

As your impetus is slowed down, you behave with brusqueness and rudeness. Try to find a positive outlet for this pent-up energy so that it is not released in a way that would harm your interests.

You should also avoid discussing with people you do not know well, for the conversation is very likely to turn sour quickly.

Divergent opinions may appear suddenly between your romantic partner and you, and the atmosphere may get tense.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. You may decide to make a last minute short trip to visit relatives who are living far from you.

This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

You may also lose all credibility in the eyes of your friends and relatives. Bearing this risk in mind, it is advisable that you tightly rein in your emotions, and that you keep a cool head when you are in society.

In the romantic area, you are inclined to say or to do anything, even though you may smother your partner. Here again, beware of your whimsical tendencies.

Opposition ♀ Venus ♂ Mars

★★★★★ Valid from Sunday 14 August 2022 till Wednesday 17 August 2022 included (particularly active on Monday 15 August 2022, with an orb of 0°24')

You are torn between two attitudes. One of them consists in being trusting, open, and smiling. The other one consists in wondering what the words people tell you might conceal, and what sort of rivalry might follow a theoretically nice encounter.

Nothing forces you to take a stand and to express your likes and your dislikes in a categorical manner. Let the dust settle. Give people enough time to prove their worth, but remain vigilant. Indolence may limit your competitiveness and relax your efforts during a few days. Do not make a mountain out of a molehill, and enjoy life to the fullest.

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

During several days, your mood will be unstable, capricious, sometimes childish and irresponsible. At the same time, you lack determination, and you let incompetent people or outsiders rule your home as well as your private life. In order to feel in security and regain inner calm and peace of mind, you probably need to isolate yourself in your corner or to withdraw into yourself until tensions and worries subside and your good mood is back. Be careful, don't zone out for too long and don't cut yourself off from the world as if you were a hermit...

You ought to respect this very fleeting desire for silence. Indeed, if you try to force people to speak up, it is most likely that they will answer you with quite acerbic words.

Be wary of your spontaneity, as it may lead you to make premature decisions and to remain stuck in a deadlock, just because you are afraid of being misjudged.

Avoid clear-cut stances as well as sectarian or peremptory remarks. Try to listen more attentively to the members of your entourage. You must also endeavour to figure out which way the wind blows.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

In the communication area, the day is not really impressive. Whether at work or at home, you have the feeling that everyone has become deaf. No one hears you and what you say receives no echo. Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. However, these planets are linked by a quintile in your natal chart: the negative effects of this transit may be slightly lessened.

Your fighting spirit overcomes adversity. You win a battle through sheer energy. It has absolutely nothing to do with triumphing diplomacy, far from that! It is about the victory of determination and persistence. You did not give in, you did not weaken and events prove you right. Now, you can confess that you were not far from the point of no-return... The positive outcome: the impetus is restarted and hurdles are removed. Your fighting spirit seems to be the source of a significant evolution.

If your emotional responses are exaggerated, they may temporarily damage your communication with your friends and relatives. You tend to get easily distracted and to behave with insouciance. Moreover, you do not really listen to the information conveyed to you. Whenever you express yourself, you can hardly resist the temptation to open your heart to people you barely know.

You may be indiscreet or disclose your little secrets inadvertently. Out of laziness, you may also postpone a procedure, a telephone call, or urgent mails. Therefore, you must set yourself a detailed timetable and use it as your safeguard against procrastination.

During several days, strive not to express your anger, your grudge, or your bitterness. Discussions about past squabbles are unwelcome, as they would only rub salt in the wounds and trigger new demands.

In the course of a meeting or of a short trip, and when you draft a mail, or when you talk over the telephone, keep your subconscious under control. Indeed, it may speak louder than your mind and prompt you to disclose desires that should be kept secret.

Do not get involved in people's disputes, for you would be blamed for meddling in their affairs. Instead of settling the situation, you would only inflame it, due to the distorted perception you have of people and of their real motivations.

The best thing for you to do, until you recover your dynamism and your freedom of mind, is to shut yourself away, to temporarily set aside your desire for social advancement, and to complete your knowledge in a soothing climate.

Square  Jupiter  Jupiter

★★★★★ Valid from Thursday 23 February 2023 till Tuesday 14 March 2023 included (particularly active on Sunday 5 March 2023, with an orb of 0°06')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

You behave with clumsiness, and although your initiatives are inspired by good intentions, they are not too appreciated by high-ranking people or by upholders of traditional values. However, you have allies, but you must polish up your strategy before you take action, because some people may try to set a trap for you.

Refrain from making any indiscretion, for during this transit, gossips are flying around, and everyone is willing to tell one's deceitful story.

Dispel your worries because love and the simple joys of life remain available, it is just that you have some difficulty in seeing them clearly. Don't worry so much, tomorrow is another day and all your concerns would have vanished...

During several days, your eloquence and your poise in society are particularly strong. It is the right time to send out your administrative requests, to apply for a loan, or to seek financial support.

You are intellectually efficient. Even though your ideas may lack originality, they are reliable and earn the trust of your friends and relatives as well as of your higher-ups. If you are taking an exam, Lady Luck will smile on you, provided you do not put a cat among the pigeons.

Your romantic relations are unsatisfying, and you can hardly stand your routine and the weight of your daily life.

In your work, you are distracted by the merest trifle. Be careful, because your overly emotional approach of things may lead you to make blunders or errors of judgment.

Minor tension among colleagues

☾ Moon in House VI

★★★★★ Valid on Friday 21 April 2023

Today, you find it difficult to work because you are irritated by constraints, distressed by the heavy atmosphere and you feel disheartened. In short, you are stressed and it affects your physical condition. You are not going to come over faint, are you? Take a break to catch your breath! Haven't you set your standards too high? Is your perfectionism your executioner? You have your limitations too and you have the right to be tired. Don't always strive to do more, quickly give up your inferiority complex because everybody fully appreciates you. Therefore, wait until you recover your energy and in the meantime, don't forget... Let go!

R Annoyances and... fits of bad temper

Opposition ☾ Moon ☉ Sun

★★★★★ Valid on Saturday 22 April 2023, with an orb of 1°42'

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

It is likely that this day is marked with fits of bad temper. You are concerned about your public image and therefore, you are more sensitive than you usually are. The slightest detail offends you... So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. In such a context, it is advisable to cool down and wait until the dust settles before you discuss essential matters. When people get worked up, it may be because you are too picky: it is better to slow down.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Radical and dangerous changes

Opposition ♅ Uranus ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Saturday 22 April 2023 till Tuesday 8 August 2023 included, this transit is repeated: it previously occurred from 5 July 2022 till 14 October 2022 (particularly active on Sunday 4 June 2023, with an orb of 0°00')

You are not feeling too motivated, rather sick, and tired of your daily life. In both the affective and the professional areas, you have the impression that you are caught up in routine and that the possibilities to assert yourself are trapped within four walls. This is the reason why you are planning to implement radical changes.

If this becomes possible in the long run, you will need to exercise a great deal of patience because you will meet with resistance and obstruction, and your progression will be slowed down. This frustrating prospect may be caused mainly by your own hesitations. Indeed, you are anxious, and whenever you are in front of something new, which you brought about yourself, you back down instead of taking action.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

★ Nice encouragements at work and at home

Sextile ♂ Mars MC Midheaven

★★★★★ Valid from Saturday 22 April 2023 till Sunday 30 April 2023 included (particularly active on Wednesday 26 April 2023, with an orb of 0°00')

The members of your family support your initiatives and are prepared to go out of their way to help you achieve your ambitions. The atmosphere at home is stimulating, even though it forces you to set aside domestic tasks momentarily.

Do not look for excuses, because the time has come to take action, to change direction, or to start a training course putting you in direct contact with the raw realities of the world of work.

Transformations are needed at home. Therefore, do not hesitate to spend some money if it can make your daily life easier. Since a lot of frankness prevails in your discussions with your parents or your grandparents, you ought to take advantage of it and dispel long-standing resentments.

Minor annoyance with your contacts

☾ Moon in House VII

★★★★★ Valid from Saturday 22 April 2023 till Monday 24 April 2023 included

In the communication area, the day is not really impressive. Whether at work or at home, you have the feeling that everyone has become deaf. No one hears you and what you say receives no echo. Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. Quietly wait until they get out of their personal bubble!

R Clumsy communication and physical rashness

Square ☉ Sun ♂ Mars

★★★★★ Valid from Sunday 23 April 2023 till Thursday 27 April 2023 included, this transit is repeated: it previously occurred from 26 October 2022 till 30 October 2022 (particularly active on Tuesday 25 April 2023, with an orb of 0°02')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

During a few days, you should avoid getting involved in quarrels which do not concern you. Indeed, you may utter outrageous or clumsy words, you may make brusque movements, and you may throw a tantrum. Because you are unable to control yourself, you are most likely to express your rebellion and your bitterness too forcefully.

Stormy exchanges of viewpoints with a father figure or with elder brothers are looming and should be avoided if possible, for nothing good can come out of such clashes.

You also tend to be aggressive towards your romantic partner and towards men in general. Physically speaking, you must be careful, because the curtness of your moves may provoke wounds or falls.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

R Susceptibility and disenchantment

Square ♀ Venus MC Midheaven

★★★★★ Valid from Sunday 23 April 2023 till Thursday 27 April 2023 included, this transit is repeated: it previously occurred from 28 November 2022 till 30 November 2022 (particularly active on Tuesday 25 April 2023, with an orb of 0°01')

This planet and the MC-IC axis are linked by a trine in your natal chart: the negative effects of this transit may be lessened.

You are feeling that neither your private nor your professional lives are fully satisfactory. You are mainly preoccupied by annoyances caused by uncontrolled events, by the injustices you undergo, and by the comments aimed at you or at those you love.

Fatigue is sweeping over you, and you must make huge efforts in order to fight your disenchantment. Nevertheless, you must not pay excessive attention to the disagreements which are hurting your sensitivity, because your imagination tends to exaggerate their actual impact.

During these few days, refrain from making decisions about your family and your social life, for you may underestimate your possibilities, and you may confine yourself to an enclosed and dull universe.

Emotions and minor frustrations

Opposition  Moon  Venus

★★★★★ Valid on Tuesday 25 April 2023, with an orb of 0°30'

These planets are linked by a semi-square in your natal chart: the negative effects of this transit may be slightly increased.

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

During several days, your eloquence and your poise in society are particularly strong. It is the right time to send out your administrative requests, to apply for a loan, or to seek financial support.

You are intellectually efficient. Even though your ideas may lack originality, they are reliable and earn the trust of your friends and relatives as well as of your higher-ups. If you are taking an exam, Lady Luck will smile on you, provided you do not put a cat among the pigeons.

You are very likely to experience pleasant encounters which will afterwards give you access to various groups of friends and thus contribute to widen the scope of your knowledge.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

★★★★★ Valid from Tuesday 25 April 2023 till Thursday 27 April 2023 included

Today, you may feel swamped by overflowing emotions and too many muddled and wild feelings, the reasons of which are beyond you. All these factors move you deeply. Destabilizing anxiety, fears and distress follow one another and upset you to the extent that you always imagine the worst scenario. Is there a delay? You immediately think of an accident... Does your partner exchange a glance with someone else? You think that love is gone... Is it the reality or only your imagination playing tricks on you? You want to understand the reasons behind your deep insecurity but you seem to lack clear-sightedness. Don't search any longer! Your imaginary world is a bit intrusive and your fears are totally unwarranted. Remain Zen...

You are being torn between your powerful affective impulses and the cold logic which urges you not to fall into the traps of sentimentality. This may strongly influence your behaviour, and you may shift from the tenderest attention to the most jeering cynicism.

The most important point for you is to manage not to commit yourself and to remain free, emotionally as well as intellectually. People try to win you over and to charm you, so as to get you involved in projects you are not interested in, and with which you may agree, but from which you run away in the end.

Be more straightforward, and give your opinion more assertively if you do not want to become notorious for being a weathercock and even a hypocrite.

★ Inopportune impulsiveness

Square  Mercury  Mars

★★★★★ Valid from Tuesday 9 May 2023 till Saturday 20 May 2023 included, this transit is repeated: it previously occurred from 5 April 2023 till 8 April 2023 (particularly active on Sunday 14 May 2023 and on Monday 15 May 2023, with an orb of 0.47')

During several days, your gesticulations are very unlikely to yield satisfactory results. Do not listen to your impulses, for they are too contradictory and cannot show you which path you should follow.

Likewise, avoid getting overly enthusiastic in the course of your private discussions. Indeed, you lack subtlety, and you tend to blow out proportion of the slightest remark aimed at you. Your nervousness may play tricks on you, and your clumsiness may be the cause of falls or of unintentional breakages. Learn to relax and to wait until certain situations become fully ripe before you intervene.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

In the professional area, the current climate is adverse to the recognition of your merits. Indeed, whereas people are looking for ostentation, you offer seriousness. Therefore, you must be patient and quiet, because the wind will shift soon.

Physically speaking, you feel exhausted. You should take vitamin supplements, because it is excellent for you.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

★★★★★ Valid from Tuesday 9 May 2023 till Thursday 11 May 2023 included

You may also make an appointment with your banker in order to optimize your investments. In any case, you seek safety in this area and you are provident for the future. Even when you must make a purchase, your choices are wise and you manage your patrimony as best you can. You select valuable artefacts or pieces of furniture for your home decoration with the will to invest and preserve your capital. In short, you definitely are an "ant"...

Gentle way of life

Sextile ☾ Moon ☾ Moon

Exacerbated sensitivity

Conjunction  Moon  Mars

★★★★★ Valid on Thursday 11 May 2023, with an orb of 2°01'

However, these planets are linked by a quintile in your natal chart: the negative effects of this transit may be slightly lessened.

It is about the victory of determination and persistence. You did not give in, you did not weaken and events prove you right. Now, you can confess that you were not far from the point of no-return... The positive outcome: the impetus is restarted and hurdles are removed. Your fighting spirit seems to be the source of a significant evolution.

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

You hardly understand what your desires are right now, and the ensuing lack of organisation may hamper your actions as well as your initiatives. Likewise, as you face the outer reality, you tend to behave with nonchalance. You feel unconcerned, and like the ostrich, you bury your head in the sand.

Do not take the easy way out, and do not make promises that you cannot fulfil; if an outsider meddles in your domestic life, bring him down a peg before you find yourself obeying his orders and his whims.

You must not accept any abuse of authority by a male member of your entourage; you must assert your desires more strongly.

Therefore, if you want to avoid disappointments, don't get worked up too quickly, especially in the romantic area, and keep your feet on the ground as firmly as possible because your imagination tends to amplify everything. Conversely, you may mistake your fears for the reality. Are you afraid to be less loved? Don't worry so much, tomorrow is another day and all your concerns would have vanished...

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

During several days, your eloquence and your poise in society are particularly strong. It is the right time to send out your administrative requests, to apply for a loan, or to seek financial support.

You are intellectually efficient. Even though your ideas may lack originality, they are reliable and earn the trust of your friends and relatives as well as of your higher-ups. If you are taking an exam, Lady Luck will smile on you, provided you do not put a cat among the pigeons.

You are very likely to experience pleasant encounters which will afterwards give you access to various groups of friends and thus contribute to widen the scope of your knowledge.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Family relations are set fair. In a word, you know how to lighten the atmosphere, and you are willing to oblige your friends and relatives by lavishing attention and little gifts on them.

Your joie de vivre is shining, and your gentleness spurs people to confide in you. If you are engaged in an artistic activity, visiting picturesque settings, or going out with attractive persons stimulates your inspiration.

You feel good about yourself, and you combine very well your professional life with your private life.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Square  Jupiter  Mars

★★★★★ Valid from Monday 29 May 2023 till Monday 19 June 2023 included (particularly active on Thursday 8 June 2023, with an orb of 0°04')

You believe that external circumstances, and more particularly social structures and codes, constitute the obstacles which prevent you from expressing your desires. As a result, your vitality is lowered, and you champ at the bit.

This smothering situation is the reason why you behave with aggressiveness and consider that every discussion is a bone of contention. You ought to find an outlet for your repressed violence. Practicing a sport seems very suitable. You could also put your pugnacity and your debating talent at the service of an ideological or a humanitarian struggle.

In either case, be careful not to go beyond your capacities of resistance, both physical and psychological. By living on the edge the way you do, you may end up having a nervous breakdown after a silly temper tantrum or a clumsy move.

There is a minor frustration amid an affective quite fulfilling atmosphere. Would your partner be in a bad mood? Or are your expectations out of touch? It may not be the right time. Calm things down because hastiness can only lead to a foolish mistake. It is better to allow spirits to cool off without influencing events. An obvious tension is likely to linger and, as a result, blunt explanations and temporary turbulences may cloud the idyllic atmosphere for a few hours. Let the storm blow over!

The current climate is not too promising for the expression of your uniqueness. It is preferable to indulge in your passions secretly, so as to avoid malicious gossips.

However, the desire to appal self-righteous people prompts you to break the rule of prudence. If it is at all possible, refrain from doing so, and remember that not everybody is prepared to be challenged overnight.

The nervousness which keeps you on the alert may lead to exhaustion. Do not take too many stimulants.

These planets are linked by a semi-sextile in your natal chart: the negative effects of this transit may be slightly lessened.

The climate is not too promising. You are expected to socialise and to get involved in exchanges which you consider futile and which impede your need for seclusion. Similarly, in your work and your studies, you are willing to go at your own pace, but events concur to force you to rush, which brings about careless mistakes and oversights.

Nevertheless, try to preserve a few moments of solitude during which you are protected against all sorts of mishaps and disruptions. Otherwise, you may become ill-tempered and unable to complete what you

have to do within the deadlines.

You are always there when you are needed and you are caring. Nevertheless, be careful not to become overwhelmed. This lovely day belongs to you, therefore take care of yourself and have fun!

Dialogue and intuition

Conjunction  Moon  Mercury

★★★★★ Valid on Sunday 4 June 2023, with an orb of 2°19'

You can expect your relations to be favoured today. Your entourage don't have to spell things out since you are able to easily pick up what they mean. This acute intuition allows you to catch major information! For the time being, the best thing is to pretend you heard nothing, because tomorrow, what you have learnt will prove to be valuable. Do not hesitate to chat and to initiate dialogues, the stake of which will emerge only as the conversation goes by. A fortuitous encounter may trigger something off in your mind.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Pleasure, charm, and seductiveness

Trine  Venus  Ascendant

★★★★★ Valid from Sunday 4 June 2023 till Thursday 8 June 2023 included, this transit is repeated: it previously occurred from 19 February 2023 till 22 February 2023 (particularly active on Tuesday 6 June 2023, with an orb of 0°10')

The charm you are exuding and the ease with which you establish a contact contribute to enlarge the circle of your friends.

Above all, you are willing to be attractive and to pass on to other people your conception of pleasure. In this respect, you shine by throwing parties and sending out invitations in order to make new acquaintances and to tighten the affective bonds existing between you and your friends and relatives.

With your romantic partner, you are welcoming. You also provide him with sound advice. Nevertheless, if you take the slippery road, you may also overwhelm him with your whims or frighten him with your changing and sometimes superficial behaviour.

If you participate in a negotiation, it is to you that the floor is given, and the least one can say is that you use this opportunity profusely in order to captivate and entrance all those who come close to you.

Professional tensions or annoyances

Square  Sun  Midheaven

★★★★★ Valid from Monday 5 June 2023 till Friday 9 June 2023 included, this transit is repeated: it previously occurred from 6 December 2022 till 10 December 2022 (particularly active on Wednesday 7 June 2023, with an orb of 0°00')

This aspect, which occurs twice a year, may indicate professional tensions, especially if other aspects concur. Your willpower, your ideas, your need for self-assertion, or the way you bring yourself to the fore, are not always appreciated.

At work, it is certainly the moment to back off and to highlight your complementarities rather than your differences.

Minor financial satisfaction

 Moon in House II

★★★★★ Valid from Monday 5 June 2023 till Wednesday 7 June 2023 included

Matters connected with possessions and finances are on the agenda. You need to check your accounts, to pay your debts and to reconsider your budget in order not to overspend. You may also make an appointment with your banker in order to optimize your investments. In any case, you seek safety in this area and you are provident for the future. Even when you must make a purchase, your choices are wise and you manage your patrimony as best you can. You select valuable artefacts or pieces of furniture for your home decoration with the will to invest and preserve your capital. In short, you definitely are an "ant"...

Irritation and extreme feelings

Square ♀ Venus ☿ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 6 June 2023 till Saturday 10 June 2023 included, this transit is repeated: it previously occurred from 4 January 2023 till 6 January 2023 (particularly active on Thursday 8 June 2023, with an orb of 0°21')

Your affective relations are under stress. You must become aware of your inner aggressiveness instead of suppressing it and denying it in spite of everyone. Indeed, even though you refuse to recognise it, it rules the majority of your actions. It may prompt you to utter offensive words, the impact of which you do not grasp. It may also arouse suspicions and give rise to fatalism.

Your desires and your sensuality are temporarily inhibited. You are frightened by their intensity, and you easily lose your self-control when you are in the presence of your friends and relatives.

In the financial area, you must not heed your impulses, and you must not trust smooth talkers.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

In your everyday life, you find it difficult to combine reflexion and reason with visceral emotional responses with the outside world, on the other hand. When you are taken by surprise, you can hardly stay calm and resist the urge to unleash harsh words or to manifest your more or less uncalled-for frenzy.

You may be forced to make a few last minute trips which will disrupt your family life or the organisation of your usual tasks. Nevertheless, you must cope with these chores. Avoid whimsical or demanding behaviours, because they would prove harmful in the long run.

With the women of your entourage, communication may be frustrating during a couple of days. Therefore, try to play down the importance of these temporary disagreements.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

R Exacerbated sensitivity

Conjunction ☾ Moon ♂ Mars

★★★★★ Valid on Wednesday 7 June 2023, with an orb of 1°49'

In your chart, Mars receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous. However, these planets are linked by a quintile in your natal chart: the negative effects of this transit may be slightly lessened.

Your fighting spirit overcomes adversity. You win a battle through sheer energy. It has absolutely nothing to do with triumphing diplomacy, far from that! It is about the victory of determination and persistence. You did not give in, you did not weaken and events prove you right. Now, you can confess that you were not far from the point of no-return... The positive outcome: the impetus is restarted and hurdles are removed. Your fighting spirit seems to be the source of a significant evolution.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Your fighting spirit and your dazzling vitality enable you to impose yourself in your sphere of activity, provided that you are given enough autonomy. Although your stances and your decisions are clear-cut, abrupt, and straightforward, they make you progress in leaps and bounds by helping you separate what is essential from what is accessory.

Starting new steps is most likely to be rewarding. You jump at the best occasions, and you find the right word when you decide to attract attention.

Sports activities and adventurous expeditions are promising. You can accomplish feats and enhance your public image. You are also able to make the required decisions to protect the interests of the group or of the family. All those who rely on you will be fully satisfied with your services.

You are torn between two attitudes. One of them consists in being trusting, open, and smiling. The other one consists in wondering what the words people tell you might conceal, and what sort of rivalry might follow a theoretically nice encounter.

Nothing forces you to take a stand and to express your likes and your dislikes in a categorical manner. Let the dust settle. Give people enough time to prove their worth, but remain vigilant. Indolence may limit your competitiveness and relax your efforts during a few days. Do not make a mountain out of a molehill, and enjoy life to the fullest.

In the romantic area, do not respond to your partner's requests with aggressiveness, because, contrary to what you imagine, he means you no harm.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. ☾ Moon in House VII

★★★★★ Valid from Friday 16 June 2023 till Sunday 18 June 2023 included

In the communication area, the day is not really impressive. Whether at work or at home, you have the feeling that everyone has become deaf. No one hears you and what you say receives no echo. Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. Quietly wait until they get out of their personal bubble!

★★★★★ Valid from Sunday 2 July 2023 till Friday 7 July 2023 included, this transit is repeated: it previously occurred from 2 July 2022 till 6 July 2022 (particularly active on Tuesday 4 July 2023, with an orb of 0°26')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Right now, you feel that you do not fit in with your usual entourage, whether it is social or professional.

You have the impression that your attempts aiming at obliging people and at maintaining harmony are not well perceived. Some of your projects may even be rejected downright.

Do not believe that a refusal means that everything you are and everything you have done are being questioned. Actually, people blame you for being tactless and for your tendency to express yourself without considering when and where to do so. Control your propensity to slacken off, for in all areas it may lead you to overstep the mark.

You may feel that you are not supported strongly enough.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Some comments aimed at you may hurt your sensibility. Your skills may be questioned, and people may laugh at you, more or less kindly. Try not to yield to anger, for your opponents would immediately take advantage of you. Instead, you should endeavour to take stock of your work, to polish up your argumentation, and to consider people's requests more seriously.

You have a propensity to make diplomatic lies and to seek ideal excuses; unfortunately, because you tend to botch them and neglect their likeliness, you will not achieve the result you wish to obtain. As you carry out a survey or a research, it is possible that you tinker with the form and that you slack off on the substance. Think it over.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Many temptations distract you from your daily duties. There is a danger that you drift off into nonchalance, fail to keep your promises, and neglect the organisation of your domestic life.

This would not matter if you got more freedom from your behaviour, but actually, the frustrations you are consumed with prevent you from appreciating your moments of relaxation at their true value.

The good mood prevailing at home gives you wings. With the support, the encouragements, and the suggestions of your friends and relatives, you are prepared to make daring moves.

Intellectually speaking, your thorough knowledge of the ins and outs of the context or of the issues you are tackling enables you to catch your adversaries off guard.

Your comments are meaningful, and you smartly use your past experiences to deal with the tasks from which you expect much social reward, but which you find quite intimidating.

Even when you must make a purchase, your choices are wise and you manage your patrimony as best you can. You select valuable artefacts or pieces of furniture for your home decoration with the will to invest and preserve your capital. In short, you definitely are an "ant"...

Contacts and pleasant short trips

 Moon in House III

★★★★★ Valid from Wednesday 5 July 2023 till Friday 7 July 2023 included

During this period, you feel like moving around, discovering and learning. Although you probably dream of faraway horizons, short trips are enough to make you happy. Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. Indeed, you dress up to the nines, you polish up your words, and you endeavour to meet influential people. It is certain that you will get the result you are aiming at, but you will have to keep your promises afterwards.

More generally, you may become a socially outstanding figure. You may also find your dream job or get a promotion.

In the communication area, the day is not really impressive. Whether at work or at home, you have the feeling that everyone has become deaf. No one hears you and what you say receives no echo. Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. In short, the atmosphere is nice and, if your close friends share your activities, you experience a deep feeling of inner peace.

★ Misunderstandings and risk of painful conflicts

You are having a hard time communicating with your romantic partner or your business associates if you have any. Mutual incomprehension is prevailing on both sides, and out of reserve or fear, you may let misunderstandings linger and spoil your exchanges. If you do not react rapidly to this situation, the atmosphere may become oppressive.

You tend to dwell on the past, which will prove baneful. If your relations with your friends and relatives become conflicting, even in a latent and muted way, do not hesitate to seek the arbitration of an outsider who is less involved and thus more impartial.

If your business is going through a period of stagnation, do not put the blame on your colleagues. Instead, you should endeavour to seriously analyse the case with them in order to sort things out.

Your imagination stirs up your sensitivity and the idea occurs to you to carry out some artistic activity in order to give your creativity free rein. Are you going to decorate your house, take up your brushes again, resume playing an instrument or just listen to your favourite song? In the communication area, the day is not really impressive. Whether at work or at home, you have the feeling that everyone has become deaf. No one hears you and what you say receives no echo. Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. Indeed, you dress up to the nines, you polish up your words, and you endeavour to meet influential people. It is certain that you will get the result you are aiming at, but you will have to keep your promises afterwards.

More generally, you may become a socially outstanding figure. You may also find your dream job or get a promotion.

Your intuition also is very developed and it gives you some sort of sixth sense that proves very useful for finding the answers to all your questions, whether they are of a practical or more metaphysical order. You may also have premonitory dreams... Topics such as finances, sexuality, the unconsciousness and even the beyond, may catch your attention. Unless, enriched with all these emotions, you just let your creativity flow freely...

During this short period, you must harden your heart and protect yourself carefully against emotional traps. Indeed, you run the risk of being disappointed by those you love. You may also get the impression that everyone intends to harm you. It must be underlined that, despite everything, such attacks are not very serious and that, because you take everything to heart, you tend to pay too much attention to mere absent-mindedness and omissions devoid of malevolence.

Right now, do not strive to hold any thorny negotiation, and do not seek any reconciliation, because your high-strung disposition does not speak for you.

Watch your expenses, for the urge to splurge is nothing but a means to let off steam when your frustrations are overwhelming, and in the end, you will find yourself cluttered with items you do not like at all.

Do not meddle into what is happening to your friends and relatives, and think twice before you speak, lest you should commit an indiscretion out of carelessness.

In the romantic area, you find that social conventions or proprieties are suffocating. Be reassured, because this is transient. Try to listen to what your partner wishes to tell you instead of interrupting him and speaking on his behalf.

You must also be wary of your fits of aggressiveness and of your provocative attitudes, for they tend to occur at awkward moments, and they would ruin your credibility. Strength and clarity

Trine  Sun  Pluto (transit to a slow-moving planet)

This aspect, which occurs twice a year, is significant if it happens during a period of turbulence. It helps you discover unsuspected vital resources and, mocking the proprieties, to plough your furrow according to your wishes and your personal ethics.

You may even be able to discern your shadow zones (who doesn't have any!) and to turn your weaknesses into strengths. Although it is possible that you shine in a quite small coterie, your prestige will glitter more dazzlingly.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

Above all, it is the right time for innovative projects that radically change life! Things unfold smoothly... On the social and professional planes, everything seems to develop very naturally: you let yourself be carried away by the stream and you carefully avoid all forms of tension or aggressiveness.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Whereas this transit cannot support your efforts aiming at improving your material situation, it can facilitate the exchange of affective messages and help your friends and relatives understand what you wish and what you plan to do. Moreover, instead of a detailed demonstration or a contrite justification, it can offer ideas on how to win the assistance of the members of your entourage, find wise advice, and sometimes even financial aid.

You make friends with people who do not belong to your usual circles, which will enrich the way you look at your fellow creatures. Your tolerance is strengthened by your interactions and by the captivating and moving testimonies provided by your new acquaintances.

In any case, you are far from material contingencies... What a great wisdom!

Sensitivity all on edge...

Square ☾ Moon ☾ Moon

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is

likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Therefore, if you consider taking any particular steps, or if you plan to put forward a request, let your heart express itself, because a sincere behaviour will prove successful.

Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
