Detailed July 2023 Forecast for Scarlett

Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones, except for the cases of the transits to the slow planets (Jupiter, Saturn, Uranus, Neptune, and Pluto). In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- a yellow star indicating that the transit is important (for Jupiter, Saturn, Uranus, Neptune, or Pluto) or mildly important (for Mars), contrary to the fast-moving planets (the Moon, Mercury, Venus, and the Sun) which have no icon, because they are less important, or quite secondary,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance, such as a collective transit. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact,

- the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

The new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Moreover, "collective" transits, i.e. transits to slow-moving planets, are now displayed - even though they are not very active - except for the Moon, because she moves too fast and exerts no significant influence over slow-moving planets.

Besides, our detailed forecasts take into account what is referred to as "slow transits", the most important ones, since they last a long time and are generated by Pluto, Neptune, Uranus, Saturn, Jupiter, and Mars to a lesser extent, and by "fast transits", i.e. those of Mercury, Venus, and the Sun. This means that this report provides at the same time a forecast report and a real diary for small events and feelings.

Slow transits reveal the future climate you may experience and/or feel, whereas fast transits bring about minor fluctuations, although sometimes they may be active. This is the reason why the titles of the slow transits texts are underlined, which is not the case for fast transits; they should be considered as an addition to the main forecasts indicated by slow transits.

Important remark: certain paragraphs are repeated. This is normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8-9. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

A free report, the same but with the additional transits of the Moon, is also available at "My orders" in your account.

Your forecast from 1st July

Warm contacts

Trine ♀ Venus ♀ Mercury

★★★★★ Valid from Saturday 1 July till Thursday 6 July included (particularly active on Sunday 2 July, with an orb of 0°00')

The overall climate is auspicious for exchanging views as well as for holding discussions and negotiations in an atmosphere of cordiality and mutual tolerance. You ought to make the most of it by putting forward requests and making short trips so as to move closer to the friends and relatives with whom you lost contact.

Unexpected letters and telephone calls offer a great deal of happiness.

In the area of romance, you remain aloof, reluctant to let emotions overwhelm you, and willing above all to protect your independence as well as that of your partner. Flirting, amorous friendships, and light-hearted banter are on the agenda.

You demonstrate excellent skills in your verbal and written communication, and you project of yourself a warm image.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Wounded pride

Opposition ☉ Sun ♀ Venus

★★★★★ Valid from Saturday 1 July till Tuesday 4 July included (particularly active on Sunday 2 July, with an orb of 0°14')

Despite your desire for peace and harmony, the current climate forces you to set aside your inertia and to assert yourself. Indeed, you have a great deal to do in order to preserve your quietness, because some people abuse their power and meddle in your affairs. You may be the target of attacks which, although mild, wound your pride.

The necessity to get your professional projects moving compels you to limit your leisure expenses.

Your vitality may be momentarily affected by the overeating or by any other excess you indulge in.

You feel that your romantic partner does not care enough for you.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Susceptibility and conflicts

Square  Mars  Moon

★★★★★ Valid from Saturday 1 July till Tuesday 4 July included (particularly active on Saturday 1 July, with an orb of 0°25')

These planets are linked by a quintile in your natal chart: the negative effects of this transit may be slightly lessened.

Your sensitivity is severely tested during a few days. Intellectual stress or aggressions crop up to upset you right under your roof. Instead of analysing the situation with a cool head, you get carried away by the surrounding agitation, and you add your panic to that of the members of your entourage.

Do not let unfounded worries overwhelm your thoughts, and preserve several moments of rest for yourself. Weigh your words during family discussions, because your tactlessness may hurt some of your kindred. You are on the defensive, and you tend to exaggerate the meaning of comments aimed at you.

You must pay attention to your stomach, because your digestive system is weakened.

You may exchange biting words with your mother or with a female relative.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Affective misunderstandings

Opposition  Mercury  Venus

★★★★★ Valid from Saturday 1 July till Sunday 2 July included (particularly active on Saturday 1 July, with an orb of 0°15')

The prevailing climate prevents you from having it your way. Your friends and relatives split hairs, nitpick over trivial details, and sometimes blame you for petty things. Confronted with simmering aggressiveness, you cannot trust anyone anymore.

However, do not attach too much importance to these nuisances since they are insignificant.

Your professional duties may impinge on your romantic life. Try to keep this issue in perspective without constantly feeling hurt when a slight glitch spoils your pleasure.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Bitterness and annoyances

Square ♀ Venus ☿ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Saturday 1 July till Monday 3 July included (particularly active on Saturday 1 July, with an orb of 0°44')

Your impulses and your affective needs are clashing with the force of old habits and with the severity or the lack of gusto of your friends and relatives. You spare no effort in order to show that you tenderly care for them, but you fail to get them to understand you. As a result, your mood becomes gloomy, and you are overwhelmed by sadness and bitterness. React by indulging in a few selfish pleasures and by devoting yourself to your hobbies.

Communication with the elderly is difficult. This applies also to your exchanges with adolescents, because you have a hard time understanding their fears.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Success in love or high self-esteem

Trine ♃ Jupiter ♀ Venus

★★★★★ Valid from Saturday 1 July till Friday 21 July included (particularly active on Thursday 6 July, with an orb of 0°00')

These planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

Your spontaneous and optimistic attitudes, as well as your affable and tolerant comments, are deeply appreciated and bring about numerous joys and successes which boost your self-esteem.

Your love life is full of promising encounters, outings, and amusements. If you are living with your partner as a couple, you may prepare a trip or an escapade far from your daily concerns.

In your professional circles, support from friends or unexpected favours help you progress and show yourself to advantage. Accept them wholeheartedly, and express your gratitude without fearing ulterior motives.

Although you are in a spendthrift mood, at the last minute, you refrain from overstepping your limits, and you do not jeopardise your budget.

If you practice an artistic activity, it is with eagerness that you create. Your works are most likely to receive public acclaim.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this

period coincides with a modification of your material life.

★ Fertile psyche and strong willpower

Sextile ♃ Pluto ☉ Sun

★★★★★ Valid from Saturday 1 July till Monday 31 July included (particularly active on Saturday 1 July, with an orb of 0°46')

This period is the conclusion of the long, very long transformation process which has been at work within you for several years. You have reached the point of no return. With self-assurance and in full awareness of your desires and your ambitions, you make the clear-cut decisions required in order to set you free from the last doubts which still obsessed you not so long ago.

Your fertile psyche, your authority, and your persuasiveness are at their peak. They help you to assert yourself by combining social life with peace of mind.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Radical and dangerous changes

Opposition ♅ Uranus ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Saturday 1 July till Monday 31 July included (particularly active on Saturday 1 July, with an orb of 1°19')

You are not feeling too motivated, rather sick, and tired of your daily life. In both the affective and the professional areas, you have the impression that you are caught up in routine and that the possibilities to assert yourself are trapped within four walls. This is the reason why you are planning to implement radical changes.

If this becomes possible in the long run, you will need to exercise a great deal of patience because you will meet with resistance and obstruction, and your progression will be slowed down. This frustrating prospect may be caused mainly by your own hesitations. Indeed, you are anxious, and whenever you are in front of something new, which you brought about yourself, you back down instead of taking action.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

★ Promising actions and initiatives

Sextile ♃ Pluto AS Ascendant

★★★★★ Valid from Saturday 1 July till Monday 31 July included (particularly active on Saturday 1 July, with an orb of 1°32')

You devote your time to helping, assisting, and encouraging your romantic partner, or a business associate if you have any, to broaden the scope of his professional activity or his artistic passion. You take a back seat and give priority to his objectives, which stirs no bitterness in you, for this experience enables you to take initiatives. Quietly, you manage to convince your interlocutor to behave according to your wishes.

The period is auspicious for researching, for designing, and for founding a company. You will enjoy together the fruits of your joint efforts.

★ Inner upheaval and instability

Opposition ♅ Uranus ☾ Moon

★★★★★ Valid from Saturday 1 July till Monday 31 July included (particularly active on Monday 31 July, with an orb of 1°27')

Your emotions fluctuate from violent, spontaneous and fiery enthusiasms to fearful withdrawals into yourself. You need to distance yourself from your family and to get more autonomy from those who live in your home. However, you are unable to follow through, and you find your lack of courage quite destabilising.

Your mood changes according to the events. You hope to find in your friendly meetings an outlet for your thirst for nonconformism. To this end, you stretch yourself too thin, gallivanting from place to place and to wherever your rendezvous take you to.

Your daily life is fraught with little incidents which upset your plans and force you to find an alternative solution at the last minute. You will cope brilliantly, even though you become nervously exhausted.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Wounded pride

Opposition ♀ Mercury ♃ Jupiter

★★★★★ Valid from Sunday 2 July till Monday 3 July included (particularly active on Sunday 2 July, with an orb of 0°40')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Some comments aimed at you may hurt your sensibility. Your skills may be questioned, and people may laugh at you, more or less kindly. Try not to yield to anger, for your opponents would immediately take advantage of you. Instead, you should endeavour to take stock of your work, to polish up your argumentation, and to consider people's requests more seriously.

You have a propensity to make diplomatic lies and to seek ideal excuses; unfortunately, because you tend to botch them and neglect their likeliness, you will not achieve the result you wish to obtain. As you carry out a survey or a research, it is possible that you tinker with the form and that you slack off on the substance. Think it over.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Difficult integration and tactlessness

Opposition ☉ Sun ♃ Jupiter

★★★★★ Valid from Sunday 2 July till Friday 7 July included (particularly active on Tuesday 4 July, with an orb of 0°26')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Right now, you feel that you do not fit in with your usual entourage, whether it is social or professional. You have the impression that your attempts aiming at obliging people and at maintaining harmony are not well perceived. Some of your projects may even be rejected downright.

Do not believe that a refusal means that everything you are and everything you have done are being questioned. Actually, people blame you for being tactless and for your tendency to express yourself without considering when and where to do so. Control your propensity to slacken off, for in all areas it may lead you to overstep the mark.

You may feel that you are not supported strongly enough.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Dissatisfaction and touchiness

Square ♀ Venus ☾ Moon

★★★★★ Valid from Monday 3 July till Tuesday 11 July included (particularly active on Thursday 6 July, with an orb of 0°11')

These planets are linked by a semi-square in your natal chart: the negative effects of this transit may be slightly increased.

Many temptations distract you from your daily duties. There is a danger that you drift off into nonchalance, fail to keep your promises, and neglect the organisation of your domestic life.

This would not matter if you got more freedom from your behaviour, but actually, the frustrations you are consumed with prevent you from appreciating your moments of relaxation at their true value.

You feel deserted and unloved. You fly off the handle at the slightest remark, and you imagine that everyone is willing to hurt you. Be more clear-sighted and more mature. Do not create ties of dependence with your friends and relatives by taking the easy way out.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Intellectual boldness and efficiency

Sextile ♀ Mercury MC Midheaven

★★★★★ Valid from Monday 3 July till Wednesday 5 July included (particularly active on Tuesday 4 July, with an orb of 0°08')

This planet and the MC-IC axis are linked by a square in your natal chart: the harmonious effects of this transit may be lessened.

The good mood prevailing at home gives you wings. With the support, the encouragements, and the suggestions of your friends and relatives, you are prepared to make daring moves.

Intellectually speaking, your thorough knowledge of the ins and outs of the context or of the issues you are tackling enables you to catch your adversaries off guard.

Your comments are meaningful, and you smartly use your past experiences to deal with the tasks from which you expect much social reward, but which you find quite intimidating.

R Seriousness and intellectual fertility

Trine ♀ Mercury ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 5 July till Thursday 6 July included (particularly active on Thursday 6 July, with an orb of 0°15')

These planets are linked by a semi-sextile in your natal chart: the harmonious effects of this transit may be slightly increased.

The period is auspicious for presenting in the most rigorous manner the results of your studies, of your researches, or of the steps previously undertaken. You may unearth from your drawers a document or a text that you drafted a long time ago and that you can use again in order to back up your current stance.

You organise your daily life with method, which enables you to solve material issues which so far slowed down the pace of your work and impeded your intellectual efficiency.

You are also able to hold serious discussions with the friends and relatives who share your interests. You are most likely to learn a great deal from them, which will help you deepen your knowledge.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Little social and professional help

Sextile ☉ Sun MC Midheaven

★★★★★ Valid from Thursday 6 July till Monday 10 July included (particularly active on Saturday 8 July, with an orb of 0°24')

Although this aspect occurs many times a year, it is far from being insignificant, especially if other planets are propelling you forward. Indeed, you dress up to the nines, you polish up your words, and you endeavour to meet influential people. It is certain that you will get the result you are aiming at, but you will have to keep your promises afterwards.

More generally, you may become a socially outstanding figure. You may also find your dream job or get a promotion.

Inspired energy

Trine ♀ Mars ♃ Neptune (transit to a slow-moving planet)

★★★★★ Valid from Friday 7 July till Thursday 13 July included (particularly active on Monday 10 July, with an orb of 0°01')

You are spurred by an ardent fervour and a militant spirit which prompt you to defend the interests of the social or family group to which you belong. Your generous mind and your spontaneity enable you to convey your message without hindrances. You have the exciting impression that you are devoting yourself to a cause greater than yourself, which gives you a great deal of self-confidence.

In return, an association, a club, or a community may offer you a position of authority which you will take on with extreme enthusiasm.

The period is conducive to artistic inspiration as well as to acute and accurate premonitions. Water sports, yoga, and relaxation are also promising.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Casualness and easy contacts

Trine ♀ Mercury ☾ Moon

★★★★★ Valid from Friday 7 July till Saturday 8 July included (particularly active on Saturday 8 July, with an orb of 0°36')

You are feeling cool, curious to discover every novelty, and willing to let a stream of fresh air blow through your daily life. Your open-mindedness enables you to gather valuable pieces of information and to rake in advice and testimonies offered by people from all walks of life.

Selflessness and lack of prejudice make you a highly attractive person. You are very much sought after, and your relations with children and adolescents become particularly easy and nice.

During this period, if you must express yourself verbally or in writing, you will by instinct use simple, clear, and persuasive words. Therefore, you will be able to enlarge the scope of your audience and convince them to adopt your ideas.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

★ R Looming conflicts

Square ♀ Mars ☉ Sun

★★★★★ Valid from Friday 7 July till Friday 14 July included (particularly active on Tuesday 11 July, with an orb of 0°17')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Your energy is a bit too rash and may lead you to do something reckless, verbally or physically. Your protest-oriented mind gets you involved in polemics which produce no meaningful outcome for the moment. Therefore, think twice before you hurl silly critics at a supervisor or at a high-ranking person.

You should take more time to enjoy life, because you tend to be overworked, and as result, you may be suddenly struck by nervous fatigue.

Conflicts opposing you to your father or to your husband are also possible.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Your forecast from 8 July

★ Legalisation and enhanced esteem

Trine ♃ Jupiter ♃ Jupiter

★★★★★ Valid from Saturday 8 July till Monday 31 July included (particularly active on Monday 24 July, with an orb of 0°01')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Your good adaptation to the rules governing life in society, and your expansion-oriented mind enable you to show yourself to advantage in your professional circles. This is how you are most likely to attract the spotlights.

Agreements or contracts can be signed in the best conditions. You may also get a promotion. If you are still a student, there is every chance that your efforts will be rewarded.

Optimism as well as good mood prevail and enable you to meet people from different walks of life who will hold enriching discussions with you. During this period, legal issues can be settled amicably.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Criticisms and carelessness

Square  Mars  Ascendant

★★★★☆ Valid from Saturday 8 July till Saturday 15 July included (particularly active on Wednesday 12 July, with an orb of 0°08')

This planet and your relationship AS-DS axis are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

The atmosphere is fraught with tensions, bad mood, and constant claims. Your professional partners, or your spouse if you are married, remain unyielding and are quick to criticise your initiatives. You behave similarly.

As a result, there will be many squabbles or caustic words. Therefore, it is preferable that you momentarily keep your distance. The aggressiveness marking your relations may be more upsetting than you think. Should the case occur, you must not let off steam by abusing people or by practicing risky physical activities, because you cannot fully control your reflexes.

Sense of repartee

Trine  Mercury  Sun

★★★★☆ Valid from Monday 10 July till Wednesday 12 July included (particularly active on Tuesday 11 July, with an orb of 0°25')

Your comments are in line with your primary goals. You manage to seize every opportunity to take the floor at the right time. Your eloquence and your wits help you plead your cause before the persons who are in the best position to help you.

You know how to highlight the most constructive features of your projects and how to earn the support of decision-makers. When you carry out an analysis or a research, you display good assimilation faculties, and you get right to the point. If you participate in a discussion involving your interests, you use your arguments with brio and authority.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Prudence and foresight

Trine  Sun  Saturn (transit to a slow-moving planet)

★★★★☆ Valid from Monday 10 July till Friday 14 July included (particularly active on Wednesday 12 July, with an orb of 0°25')

These planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

With the support of older male persons, you become definitely able to impose yourself by demonstrating your reliability, your prudence, and your meticulousness. Prepare your plans thoroughly, polish up what you have to say, and do not hesitate to mention your achievements.

This is a good period for making long-term investments and for establishing a reasonable, stringent but comfortable budget. The work produced during the forthcoming days is valuable and thorough. Therefore, make the most of it.

Physically speaking, you take great pleasure in sports training, as well as in gym or yoga classes, for they have a long-lasting effect on your overall balance.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Sense of dialogue and mutual understanding

Trine ♀ Mercury AS Ascendant

★★★★★ Valid from Tuesday 11 July till Wednesday 12 July included (particularly active on Tuesday 11 July, with an orb of 0°20')

You are in a talkative and cheerful mood. The narration of your real or embellished prowess thrills your friends and relatives. This contributes to spread joie de vivre around you and draws the members of your entourage closer to each other.

Unfortunately, once the excitement starts to fade away, many of the projects you mentioned verbally may fall through.

Strive to get the support of people you are comfortable with, and seek their help and their suggestions in the fields in which they excel. Writing to friends you lost touch with, or calling them, allows you to establish contact with them again. Therefore, this is not the time to be shy.

Bitterness and danger of dispute

Square ♀ Mercury ♃ Pluto (transit to a slow-moving planet)

★★★★★ Valid from Wednesday 12 July till Thursday 13 July included (particularly active on Wednesday 12 July, with an orb of 0°26')

During several days, strive not to express your anger, your grudge, or your bitterness. Discussions about past squabbles are unwelcome, as they would only rub salt in the wounds and trigger new demands.

In the course of a meeting or of a short trip, and when you draft a mail, or when you talk over the telephone, keep your subconscious under control. Indeed, it may speak louder than your mind and

prompt you to disclose desires that should be kept secret.

Do not get involved in people's disputes, for you would be blamed for meddling in their affairs. Instead of settling the situation, you would only inflame it, due to the distorted perception you have of people and of their real motivations.

The natal planet receiving the transit is in the 11th House. It means that relationships with your friends, as well as supports granted to you or people protecting you, may be affected and modified during this period.

Your initiatives, which may seem adventurous to some people, have every chance to succeed.

In the financial area, the period is good for taking gambles and for implementing drastic changes in your activities and your budget.

You do as you please, and you manage to identify those who want to harm you. You will do them no favours, and you will get away from them for good.

Do not get carried away by anger, for people are waiting to pounce. Weigh your words carefully. Indeed, even though you have no bellicose intent, people feel that you lack subtlety and that you express yourself in harsh ways.

Remember that some truths are better left untold, and avoid the trap consisting in yielding to provocations.

The best solution would be to grant yourself a restful break, but it is difficult to get you to listen to reason.

Do not exaggerate too much the disagreements opposing you to the people you love because, out of anger, your words would outrun your thoughts, and you would worsen the situation.

Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
