# Detailed Spring Forecast from 1 April till 30 June for Scarlett Johansson

## Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones, except for the cases of the transits to the slow planets (Jupiter, Saturn, Uranus, Neptune, and Pluto). In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- a yellow star indicating that the transit is important (for Jupiter, Saturn, Uranus, Neptune, or Pluto) or mildly important (for Mars), contrary to the fast-moving planets (the Moon, Mercury, Venus, and the Sun) which have no icon, because they are less important, or quite secondary,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance, such as a collective

transit. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact, - the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

The new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Moreover, "collective" transits, i.e. transits to slow-moving planets, are now displayed - even though they are not very active - except for the Moon, because she moves too fast and exerts no significant influence over slow-moving planets.

Besides, our detailed forecasts take into account what is referred to as "slow transits", the most important ones, since they last a long time and are generated by Pluto, Neptune, Uranus, Saturn, Jupiter, and Mars to a lesser extent, and by "fast transits", i.e. those of Mercury, Venus, and the Sun. This means that this report provides at the same time a forecast report and a real diary for small events and feelings.

Slow transits reveal the future climate you may experience and/or feel, whereas fast transits bring about minor fluctuations, although sometimes they may be active. This is the reason why the titles of the slow transits texts are underlined, which is not the case for fast transits; they should be considered as an addition to the main forecasts indicated by slow transits.

Important remark: certain paragraphs are repeated, especially those of the Moon, who moves rapidly and travels around the zodiac in less than a month. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8-9. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

### Gullibility and blunders

★★★★★ Valid from Saturday 3 April till Sunday 4 April included (particularly active on Sunday 4 April, with an orb of 0°39')

During a few days, you will need to be on your guard. Indeed, your gullibility in the field of human relations is as big as your absent-mindedness in the field of material matters. Therefore, do not take everything you are told for granted. You must at least check the plausibility of the proposals people put forward, otherwise you will become a perfect victim for unscrupulous crooks.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Blunders and overheated mind

Opposition  Mars  Mercury

★★★☆☆ Valid from Tuesday 6 April till Tuesday 13 April included (particularly active on Friday 9 April, with an orb of 0°12')

Right now, your mind is in an overheated state. You try to understand everything, to rule everything, and to participate in all conversations, but you cannot follow any more the speedy pace you have set for

yourself. This brings about many incoherent words, blunders, slips of tongue, and brusque moves causing small accidents.

If you are confronted with a problem that you must solve, give yourself a few days to ponder, because right now, you are unable to apply your weak reasoning abilities to the crude reality of facts.

You tend to be overly rigid, which harms your adaptation powers. You wish the world functioned according to your desires, and it is precisely in this biased approach that the main cause of your setbacks lies.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Warm contacts

Trine ♀ Venus ♀ Mercury

★★★★★ Valid from Tuesday 6 April till Friday 9 April included (particularly active on Thursday 8 April, with an orb of 0°31')

You ought to make the most of it by putting forward requests and making short trips so as to move closer to the friends and relatives with whom you lost contact.

Unexpected letters and telephone calls offer a great deal of happiness.

In the area of romance, you remain aloof, reluctant to let emotions overwhelm you, and willing above all to protect your independence as well as that of your partner. Flirting, amorous friendships, and light-hearted banter are on the agenda.

Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. In any case, you can't be stopped just like that ...

## Sensitivity all on edge...

Square ☾ Moon ☾ Moon

★★★★★ Valid on Wednesday 7 April, with an orb of 1°49'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Turmoil stems from your high sensitivity to danger: whether you are right or wrong, you don't feel safe, as if some unknown element troubled your peace of mind.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

You are feeling deserted, frustrated, or neglected. Do not pay too much attention to this sensation, for it is very fleeting.

You are well-advised to cut yourself off and, during a couple of days, to avoid love arguments, because you would only vent your bad mood and your resentment. Likewise, friendly get-togethers and outings leave you with a bitter aftertaste of incompleteness.

However, you can take advantage of this transit by taking up «serious» leisure activities. Improve your general knowledge, and embellish your living environment by undertaking unpleasant yet

indispensable repair works.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

You may be forced to make a few last minute trips which will disrupt your family life or the organisation of your usual tasks. Nevertheless, you must cope with these chores. Avoid whimsical or demanding behaviours, because they would prove harmful in the long run.

Your romantic relations are unsatisfying, and you can hardly stand your routine and the weight of your daily life.

In your work, you are distracted by the merest trifle. Be careful, because your overly emotional approach of things may lead you to make blunders or errors of judgment.

## Sensitivity all on edge...

Square ☾ Moon ☾ Moon

★★★★★ Valid on Tuesday 4 May, with an orb of 1°14'

The Moon is playing tricks on you: the weather today is stormy, full of turbulences and excitement. It will be difficult to stay serene as your habits are upset. In this context, you must remain clear-sighted in order to thwart traps caused by hasty actions. Trine ☉ Sun MC Midheaven

★★★★★ Valid from Tuesday 4 May till Saturday 8 May included (particularly active on Thursday 6 May, with an orb of 0°21')

Although this aspect occurs twice a year only, it is far from being insignificant, especially if other planets are propelling you forward. Indeed, you dress up to the nines, you polish up your words, and you endeavour to meet influential people. It is certain that you will get the result you are aiming at, but you will have to keep your promises afterwards.

More generally, you may become a socially outstanding figure. You may also find your dream job or get a promotion.

## ★ Disloyalty and insincerity

Square ♃ Jupiter AS Ascendant

★★★★★ Valid from Tuesday 4 May till Wednesday 30 June included (particularly active on Tuesday 25 May, with an orb of 0°01')

It is obvious that one cannot say that clarity prevails in your relations with people, whether they are your colleagues, your associates, or your romantic partner. Nor can one talk about deliberate hypocrisy. It has more to do with a lack of consideration. Everyone follows one's own train of thought and tends to make decisions without referring to one's partner. This is how misunderstandings bring about chaos and end up damaging group cohesion and loosening the ties existing in couples.

To ward off this danger, you must straighten out your issues in all frankness and serenity. You must particularly listen to your partner's reasons.

If you are involved in litigation, or if you must conduct a negotiation, it is preferable to wait until this transit is over before you take any initiative. Indeed, the dialogue of the deaf is prevailing right now.

★★★★★ Valid from Thursday 6 May till Thursday 13 May included (particularly active on Monday 10 May, with an orb of 0°09')

Your affective life is fraught with doubts. Your immediate desires, looming up suddenly in your life, are in contradiction with your wish to preserve a climate of understanding and harmony for yourself as well as for those you love.

Short-lived affairs are very likely to crop up. You will have to decide whether you yield to the appeal of the forbidden fruit, or if you steer clear of it. In either case, frustrations are on the agenda.

Likewise, if you have to hold professional negotiations, or if you are willing to facilitate an agreement or a rapprochement, you will feel a bit disappointed, for you are unable to clearly define your real goals.

You also need to control your shopping frenzy because, right now, the purchases you would make are not too wise.

Your generosity and your warm trust are mainly responsible for this situation. People are willing to confide in you, because you do not need to have things spelled out for you and you pass on your optimism to everyone.

There is a serious possibility for a romantic encounter, but you will then need to deepen the bond thus started. You can also broaden the circle of your friends.

If you have to solve a dispute, you will find the right words in order to iron out differences. Under all circumstances, you manage to back down and to smooth ruffled feathers.

## R Gloom and loneliness

Opposition ☉ Sun ♄ Saturn (transit to a slow-moving planet)

★★★☆☆ Valid from Saturday 8 May till Thursday 13 May included (particularly active on Monday 10 May, with an orb of 0°19')

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

situation.

## Minor affective disappointments

☾ Moon in House V

★★★★★ Valid from Sunday 9 May till Monday 10 May included

Today, the danger is that you may indulge in wishful thinking. Therefore, if you want to avoid disappointments, don't get worked up too quickly, especially in the romantic area, and keep your feet on the ground as firmly as possible because your imagination tends to amplify everything. Conversely, you may mistake your fears for the reality. Are you afraid to be less loved? Dispel your worries because love and the simple joys of life remain available, it is just that you have some difficulty in seeing them clearly. Don't worry so much, tomorrow is another day and all your concerns would have vanished...

## R Calm down! Tensions are subsiding soon!

Opposition ♂ Mars ♃ Jupiter

★★★★★ Valid from Monday 10 May till Tuesday 18 May included (particularly active on Friday 14 May, with an orb of 0°00')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

You feel that the rules and codes prevailing in your professional and family circles are unsatisfactory.

They may even trigger in you an irrepressible need to give people the brush-off. However, although you are unaware of it, you are very anxious to preserve the benefits earned in the past and to maintain your good reputation. Therefore, you ought to ponder over the consequences of your words and of your questions.

Avoid getting entangled in disputes right now, and do not condemn abuses or irregularities for which you have no evidence. Instead, you ought to polish up your plans of action while taking into account the forces at play.

You may be eaten up by the urge to make ostentatious purchases. You should buy what you and your friends and relatives appreciate, instead of what you think would enhance your prestige.

The current atmosphere prevents you from having it your way. You champ at the bit, and you behave with nervousness and impulsiveness, driven by the urge to communicate all out and by your desire for absolute forthrightness. Unfortunately, your friends and relatives remain deaf to your suggestions and drag you into pointless arguments that you find frustrating and outraging.

Even so, try to restrain your restlessness, because you may make blunders or hurl excessive and harsh sentences which will be badly interpreted. On the pretext of efficiency, you must not exaggerate the importance of certain facts and sow confusion in people's minds.

You hardly understand what your desires are right now, and the ensuing lack of organisation may hamper your actions as well as your initiatives. Likewise, as you face the outer reality, you tend to behave with nonchalance. You feel unconcerned, and like the ostrich, you bury your head in the sand.

Do not take the easy way out, and do not make promises that you cannot fulfil; if an outsider meddles in your domestic life, bring him down a peg before you find yourself obeying his orders and his whims.

Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... You are torn between two attitudes. One of them consists in being trusting, open, and smiling. The other one consists in wondering what the words people tell you might conceal, and what sort of rivalry might follow a theoretically nice encounter.

Indolence may limit your competitiveness and relax your efforts during a few days. Do not make a mountain out of a molehill, and enjoy life to the fullest.

## Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
