Detailed Autumn Forecast from 1 October till 31 December for Scarlett

Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones, except for the cases of the transits to the slow planets (Jupiter, Saturn, Uranus, Neptune, and Pluto). In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- a yellow star indicating that the transit is important (for Jupiter, Saturn, Uranus, Neptune, or Pluto) or mildly important (for Mars), contrary to the fast-moving planets (the Moon, Mercury, Venus, and the Sun) which have no icon, because they are less important, or quite secondary,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance, such as a collective

transit. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact, - the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

The new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Moreover, "collective" transits, i.e. transits to slow-moving planets, are now displayed - even though they are not very active - except for the Moon, because she moves too fast and exerts no significant influence over slow-moving planets.

Besides, our detailed forecasts take into account what is referred to as "slow transits", the most important ones, since they last a long time and are generated by Pluto, Neptune, Uranus, Saturn, Jupiter, and Mars to a lesser extent, and by "fast transits", i.e. those of Mercury, Venus, and the Sun. This means that this report provides at the same time a forecast report and a real diary for small events and feelings.

Slow transits reveal the future climate you may experience and/or feel, whereas fast transits bring about minor fluctuations, although sometimes they may be active. This is the reason why the titles of the slow transits texts are underlined, which is not the case for fast transits; they should be considered as an addition to the main forecasts indicated by slow transits.

Important remark: certain paragraphs are repeated, especially those of the Moon, who moves rapidly and travels around the zodiac in less than a month. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8-9. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

Your October Forecast

★ Casualness and easy contacts

Sextile ♀ Mercury ☾ Moon

★★★★★ Valid from Saturday 1 October till Friday 7 October included (particularly active on Sunday 2 October, with an orb of 0°00')

You are feeling cool, curious to discover every novelty, and willing to let a stream of fresh air blow through your daily life. Your open-mindedness enables you to gather valuable pieces of information and to rake in advice and testimonies offered by people from all walks of life.

Selflessness and lack of prejudice make you a highly attractive person. You are very much sought after, and your relations with children and adolescents become particularly easy and nice.

During this period, if you must express yourself verbally or in writing, you will by instinct use simple, clear, and persuasive words. Therefore, you will be able to enlarge the scope of your audience and convince them to adopt your ideas.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

★ Romanticism and imagination

Trine ♆ Neptune ☾ Moon

★★★★★ Valid from Saturday 1 October till Saturday 31 December included (particularly active on Saturday 1 October, with an orb of 0°34')

This period encourages the full expression of your sensitivity. As you are stimulated by a multitude of different impressions, you listen attentively to people's needs, and your actions, marked with idealism, benefit everybody. This transit is also good for turning your wildest dreams into reality: travels, romantic escapades, etc.

You look on the bright side of life. You attract good luck with your open-mindedness, your tolerance, and your friendly attitude.

The transformations occurring in your home make you feel more comfortable in the place where you live.

You are emotionally fulfilled, and you make yourself available for your kindred.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a

prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

★ Blunders and overheated mind

Opposition ♂ Mars ♀ Mercury

★★★★★ Valid from Saturday 1 October till Sunday 16 October included (particularly active on Thursday 6 October, with an orb of 0°04')

Right now, your mind is in an overheated state. You try to understand everything, to rule everything, and to participate in all conversations, but you cannot follow any more the speedy pace you have set for yourself. This brings about many incoherent words, blunders, slips of tongue, and brusque moves causing small accidents.

If you are confronted with a problem that you must solve, give yourself a few days to ponder, because right now, you are unable to apply your weak reasoning abilities to the crude reality of facts.

You tend to be overly rigid, which harms your adaptation powers. You wish the world functioned according to your desires, and it is precisely in this biased approach that the main cause of your setbacks lies.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Slowdown and fatigue

Square ♄ Saturn ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Saturday 1 October till Saturday 31 December included (particularly active on Thursday 8 December, with an orb of 0°02')

You are going through a slowdown period. Annoyances or last minute changes of programme hamper your initiatives and thwart the actions you have already launched. You are facing difficult choices requiring sacrifice and hard work. To solve this dilemma, you tend to beat about the bush, which is not a good strategy.

Socially speaking, you should put this idle time to good use by reviewing your working methods. If you find that you have strayed into a deadlock, do not hesitate to admit it and to back-pedal, if you still can.

In the area of health, you are most likely to feel tired and listless. You may suffer from mineral deficiency, in which case hydrotherapy treatments can help you regain your energy.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a

prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Well-being and joie de vivre

Sextile ♀ Venus AS Ascendant

★★★★★ Valid on Saturday 1 October, with an orb of 1°37'

Life appears to you in a pleasant, easy, and optimistic light. You gladly accept the proposals and the suggestions made to you. It takes very little to arouse amazement or compassion in you.

It is quite certain that during this short period you will meet nice persons and that nothing can jeopardise your well-being.

Nevertheless, do not sit on your laurels, and do not let the first flatterer passing by ensnare you with his suave words.

You receive from your friends many invitations and many offers to help. Listen to your desire for entertainment and fantasy, but do not become overly dependent on other people and on their good will.

Immoderate pleasure and lack of realism in the field of affection

Square ☉ Sun ♀ Venus

★★★★★ Valid from Saturday 1 October till Wednesday 5 October included (particularly active on Monday 3 October, with an orb of 0°05')

You are overly self-centred, and you tend to believe that all the attention must converge on you. Owing to this distorted vision, you neglect your entourage, and you behave inconsiderately.

You are also avid for pleasure, unable to resist passing infatuations even though they burn a big hole in your budget.

Your overeating may have repercussions for your skin or your kidneys.

You get easily offended, and you misinterpret every word directed at your romantic partner.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

★ R Illusions, mistakes, and misunderstandings

Square ♃ Neptune ♀ Mercury

★★★★★ Valid from Saturday 1 October till Saturday 31 December included (particularly active on Monday 28 November, with an orb of 0°52')

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

This is not a good time to devise new projects. Indeed, not only do you delude yourself, but you may also misinterpret the information sent to you.

When you are confronted with any sort of problem, you should carry out a thorough research work before taking any decision, for you do not have the essential data required for a sound reasoning.

You must be wary of some of your acquaintances because several people are trying to take you for a ride or to mislead you.

Your communication with your friends and relatives is stressful. Although conflicts and unpleasant confrontations are unlikely, out of fear, cunning, or negligence, everybody tends to allow misunderstandings to form and develop. In order to avoid this pitfall, you must ascertain that your explanations are as clear as possible.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

★ Generosity and kindness

Trine ♃ Jupiter AS Ascendant

★★★★★ Valid from Saturday 1 October till Friday 18 November included (particularly active on Sunday 16 October, with an orb of 0°02')

You are blessed with a big wave of good luck which enables you to highlight your talents and to fit harmoniously in a social or family structure. Instead of being selfish, you let your friends and relatives take advantage of the nice opportunities coming your way.

To put this transit to good use, sign contracts which are profitable for both parties, seek the strong support of a colleague, or identify steadily expanding markets.

If you are engaged in a romance, you get along well with your partner. You shower him with sweet attentions, and he reciprocates your caring and considerate behaviour.

★ Fulfilling inner transformation

Sextile ♃ Pluto ☾ Moon

★★★★★ Valid from Saturday 1 October till Tuesday 22 November included (particularly active on Saturday 1 October, with an orb of 1°55')

This exciting and fruitful period enables you to strike a balance between your fiercest and most spontaneous desires and the unfolding of your routine. You can devote yourself with passion to an emotionally fulfilling activity. Instead of enjoying it secretly, you dispense around you the treasures of your tender and awesome personality.

You can fearlessly implement changes in the organisation of your family life, for everyone will benefit from them. You have the capacity to restore real harmony with your kindred without submitting yourself to them.

You may also achieve – or regain – a very strong affective and sexual closeness with your partner.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Radical and dangerous changes

Opposition ♃ Uranus ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Saturday 1 October till Friday 14 October included (particularly active on Saturday 1 October, with an orb of 2°03')

You are not feeling too motivated, rather sick, and tired of your daily life. In both the affective and the professional areas, you have the impression that you are caught up in routine and that the possibilities to assert yourself are trapped within four walls. This is the reason why you are planning to implement radical changes.

If this becomes possible in the long run, you will need to exercise a great deal of patience because you will meet with resistance and obstruction, and your progression will be slowed down. This frustrating prospect may be caused mainly by your own hesitations. Indeed, you are anxious, and whenever you are in front of something new, which you brought about yourself, you back down instead of taking action.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

★ Revival at work and at home

Trine ♃ Uranus MC Midheaven

★★★★★ Valid from Saturday 1 October till Saturday 31 December included (particularly active on Thursday 17 November, with an orb of 0°00')

The forthcoming period promises to be full of professional changes having positive consequences on your position. You look at the future with optimism. You learn new techniques as you get more involved in what you are doing, and you manage to rapidly demonstrate your competences.

However, all this will force you to set aside your family life and perhaps to move house in order to adjust to the upward trend of your social status. Even though at first the atmosphere at home becomes quite electric, everyone will benefit from the disruption finally.

★ Thirst for initiatives and oncoming success

Sextile ♃ Jupiter ♂ Mars

★★★★★ Valid from Saturday 1 October till Monday 3 October included (particularly active on Saturday 1 October, with an orb of 2°00')

Your dynamism and your enterprising spirit are at their highest level of intensity and efficiency. You take the firm decisions required to protect your interests. Do not be afraid to make mistakes, for all your assessments are accurate. You manage to promote yourself, and you can be propelled to a higher social position.

This is a promising period for activities related to sports and vehicles as well as for works requiring extraordinary strength.

If you consider filing an administrative claim or a lawsuit, you are very likely to win.

You burn a great deal of energy, but you enjoy it very much. Indeed, you find that being in action is tremendously fulfilling and enables you to recharge your batteries.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Dialogue and intuition

Conjunction ☾ Moon ♿ Mercury

★★★★★ Valid on Saturday 1 October, with an orb of 2°40'

This acute intuition allows you to catch major information! For the time being, the best thing is to pretend you heard nothing, because tomorrow, what

you have learnt will prove to be valuable. Do not hesitate to chat and to initiate dialogues, the stake of which will emerge only as the conversation goes by. A fortuitous encounter may trigger something off in your mind.

R Annoyances and... fits of bad temper

Square ☾ Moon ☉ Sun

★★★★★ Valid on Thursday 6 October, with an orb of 0°14'

These planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

It is likely that this day is marked with fits of bad temper. You are concerned about your public image and therefore, you are more sensitive than you usually are. The slightest detail offends you... So, an inappropriate word hurts you, a badly formulated concept brings about incomprehension. In such a context, it is advisable to cool down and wait until the dust settles before you discuss essential matters. When people get worked up, it may be because you are too pernickety: it is better to slow down.

Displeasure and affective misunderstandings

Square ♀ Venus ♀ Venus

★★★★★ Valid from Thursday 6 October till Saturday 8 October included (particularly active on Friday 7 October, with an orb of 0°02')

You are in a grumpy mood. Nothing finds favour in your eyes, and among the sensations coming from the outside world, you notice only those which stir displeasure, sadness, or disgust.

Brace your heart during the next several days, otherwise you may miss nice opportunities to meet up with friends or lovers, just because you do not know, or you cannot, go with the stream.

If you feel depressed, you can enhance your self-image by offering yourself a gift, by going to the hairdresser or to the beautician. This will help you regain confidence in your charm.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Slackening and temptations

Square ♃ Jupiter ♆ Neptune (transit to a slow-moving planet)

★★★★★ Valid from Friday 7 October till Saturday 31 December included (particularly active on Thursday 27 October, with an orb of 0°01')

any type of drugs, you must be careful not to become an addict.

In the romantic area and in society, you play with appearances. You abuse your powers of seduction, and you resort to blandishments too often. Do not make promises that you do not intend to keep, and beware of the enchanted feelings you arouse.

Your general tendency to be scatterbrained and messy affects the management of your finances, an area you ought to handle cautiously, for your own sake. In addition, do not take everything people say at face value. Remain on your guard, because you run the risk of becoming the victim of a more or less serious swindle.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Reprehensible exuberance

Square ♀ Venus ♃ Jupiter

★★★★☆ Valid from Saturday 8 October till Monday 10 October included (particularly active on Sunday 9 October, with an orb of 0°02')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical. Besides, these planets are linked by a conjunction in your natal chart: the negative effects of this transit may be lessened.

You ought to beware of your feelings as well as of the reactions they are whispering to your ears. Indeed, your views are quite subjective, and you are unable to set your limits in any area. Although you are driven by nice intentions only and willing to share your pleasures and your joys, you put your foot in your mouth, and you may become bad-mannered and overly exuberant.

Do not meddle into what is happening to your friends and relatives, and think twice before you speak, lest you should commit an indiscretion out of carelessness.

Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
