Detailed Winter Forecast from 1 January till 31 March for Scarlett

Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones, except for the cases of the transits to the slow planets (Jupiter, Saturn, Uranus, Neptune, and Pluto). In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- a yellow star indicating that the transit is important (for Jupiter, Saturn, Uranus, Neptune, or Pluto) or mildly important (for Mars), contrary to the fast-moving planets (the Moon, Mercury, Venus, and the Sun) which have no icon, because they are less important, or quite secondary,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance, such as a collective

transit. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact, - the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

The new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Moreover, "collective" transits, i.e. transits to slow-moving planets, are now displayed - even though they are not very active - except for the Moon, because she moves too fast and exerts no significant influence over slow-moving planets.

Besides, our detailed forecasts take into account what is referred to as "slow transits", the most important ones, since they last a long time and are generated by Pluto, Neptune, Uranus, Saturn, Jupiter, and Mars to a lesser extent, and by "fast transits", i.e. those of Mercury, Venus, and the Sun. This means that this report provides at the same time a forecast report and a real diary for small events and feelings.

Slow transits reveal the future climate you may experience and/or feel, whereas fast transits bring about minor fluctuations, although sometimes they may be active. This is the reason why the titles of the slow transits texts are underlined, which is not the case for fast transits; they should be considered as an addition to the main forecasts indicated by slow transits.

Important remark: certain paragraphs are repeated, especially those of the Moon, who moves rapidly and travels around the zodiac in less than a month. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8-9. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

Your January Forecast

Charm and seductiveness

Conjunction ☉ Sun ♀ Venus

★★★★★ Valid from Tuesday 1 January till Thursday 3 January included (particularly active on Tuesday 1 January, with an orb of 0°38')

During several days, you will be brimming with charm. People will talk about you, will pamper you, and will praise you. However, be wary of fawners, and do not make promises you cannot fulfil.

To reach your primary aims, if you show diplomacy and subtlety, you will gain the support of an influential person. If you practice an artistic activity, your works will be well received.

Your relations with your romantic partner and with men in general are smooth, carefree, and warm.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Frankness and promising initiatives

Trine ♂ Mars ☉ Sun

★★★★★ Valid from Tuesday 1 January till Friday 4 January included (particularly active on Tuesday 1 January, with an orb of 0°02')

These planets are linked by a sextile in your natal chart: the harmonious effects of this transit may be increased.

You are endowed with a great deal of indomitable energy. Use it to solve all your pending problems. You do not beat about the bush, you raise salutary arguments, and you are self-assured enough to impose your will.

Decisions regarding your primary goals ought to be taken without further delay. Once you have made the first step, you will realise that you have pushed aside the obstacles which appeared insurmountable to you, just a few days ago.

You succeed in imposing yourself with firmness in a male-dominated environment.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

★ Affective demand at its peak

Conjunction ♃ Saturn ♀ Venus

★★★★★ Valid from Tuesday 1 January till Saturday 12 January included (particularly active on Tuesday 1 January, with an orb of 1°13')

You are going through a period during which you are demanding and you doubt your affective commitments. Depending on the context, you distance yourself from a partner whom you deem too thoughtless and who offers nothing constructive. Or you deepen the ties existing between you and your loved ones.

In either case, all your friends, as well as all the people you are drawn to, are passed through the sieve of your cold reasoning, and many among them will be excluded without regret. As you turn over a new leaf, you get the rewarding impression that you have completed a decisive step forward.

If you are practicing an artistic activity, your concerns for aesthetics grow stronger and stronger. You are able to streamline your style after having severely analysed your ancient works.

In your negotiations, you behave with fair play, for you loathe the idea that you should charm or cheat in order to get what you are aiming at. You appraise your interlocutors on the same criteria.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Gentleness and tenderness

Conjunction ♀ Venus ☾ Moon

★★★★★ Valid from Tuesday 1 January till Thursday 3 January included (particularly active on Tuesday 1 January, with an orb of 0°07')

In your chart, the Moon and Venus form a semi-square: this conjunction is therefore mixed, and its effects may be two-edged, sometimes positive but sometimes slightly ambiguous.

Your domestic life and your family are the focus of your attention. You believe that there is nothing too good for the people who live under your roof, and you dream only of private festivities with the members of your family.

It is the right time to make purchases meant to embellish your home, but you must be careful not to go over the limits of your budget for a passing fad.

You are easily approachable. Your smile, your sweetness, and your leniency are very much sought after. Because you manage to smooth ruffled feathers, people are grateful to you. Your relations with children are warm and constitute the source of moments of great joy. Indeed, you need few words to understand them, and you know how to make them feel comfortable.

When it comes to romance, you show yourself in your best light.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Mirages and deceits

Square ♀ Mars ♃ Neptune (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 1 January till Thursday 3 January included (particularly active on Tuesday 1 January, with an orb of 0°17')

For the time being, you would be well-advised to postpone all the decisions you have to make, and to refrain from taking initiatives. Indeed, the least that one could say is that your understanding of the situation is neither clear nor logical.

Illusions are on the agenda. As if it were not enough to be absorbed in the contemplation of mere mirages, you are exceedingly influenced by gossips, bad suggestions, as well as by all sorts of blarney.

Beware of murky situations, of more or less pernicious balance of power, and in general, of anything that seems too good to be true. Do not build castles in the air, and do not listen to your intuitions. Similarly, you must never take pleasure in worrying about misfortunes which will never occur.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Wild independence and individualism

Conjunction ♃ Jupiter ♅ Uranus (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 1 January till Saturday 19 January included (particularly active on Sunday 6 January, with an orb of 0°03')

Jupiter and Uranus form a semi-sextile in your natal chart: the harmonious effects of this conjunction are slightly strengthened.

The autonomy which characterises your action, your speech, and your behaviour is larger than ever. Moreover, you express your uniqueness in your meetings and your discussions. Some people appreciate it, whereas others think that you are partial, despotic, and dishonest.

Your nervous drive is so strong, and your movements and decisions are so quick, that you are able to take advantage of all the opportunities coming your way. Indeed, you may make a clean sweep.

Nevertheless, you are spurred by an excessive optimism which may backfire on you, especially if you break all your ties with a social group or with a professional or family structure without which you can hardly live.

The same holds true if your immoderate self-confidence leads you to embark on physically or financially risky adventures.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Authority, intransigence, and social rigidity

Conjunction  Saturn  Jupiter

★★★★★ Valid from Tuesday 1 January till Monday 4 February included (particularly active on Saturday 12 January and on Sunday 13 January, with an orb of 0.03')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

You distance yourself from the family and the professional groups to which you belong. You need to shut yourself away to ponder over your experiences. As a result, you may put an end to the commitments which limit your autonomy.

Your authority grows stronger, your confidence increases, and your self-control enables you to assert yourself. You may get a promotion or receive the academic degree you are coveting.

However, you may become intransigent because you want to rule the life of the members of your entourage and to encourage them to become more detached and at the same time more responsible.

If you have been involved in litigation for quite some time already, it is very likely that the judgement will be in your favour and that, even though you do not get everything you requested, you will be relieved of a heavy burden.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Dynamism and initiatives

Trine  Mars  Ascendant

★★★★★ Valid from Tuesday 1 January till Saturday 5 January included (particularly active on Wednesday 2 January, with an orb of 0°08')

This planet and your relationship AS-DS axis are linked by a sextile in your natal chart: the harmonious effects of this transit may be increased.

You need to put your energy at the service of collective projects. You set aside all shyness in order to reach out to people directly, and you give them your ardour, your fervour, and your passion.

The period is promising for group projects and for seeking dynamic and efficient associates or partners. Collective sports are also a fulfilling activity at both the physical and psychological levels.

You can undertake to talk things over, to solve latent conflicts, or to dispel rancour. Even though the beginnings are heated, everyone will make an effort, and you will reach an agreement.

Absent-mindedness, nervousness, and setbacks

Square  Neptune  Uranus (transit to a slow-moving planet)

★☆☆☆☆ Valid from Tuesday 1 January till Sunday 10 February included (particularly active on Tuesday 1 January, with an orb of 1°06')

You are unable to clearly understand your desires, and you are prepared to question, by little successive steps, your freedom of mind and of behaviour. Your personal initiatives may be blocked by obstacles which are all the more difficult to overcome that you cannot determine what is thwarting your endeavours.

Absent-mindedness may be the cause of your setbacks.

You must be extremely careful when you express yourself, for you are most likely to make blunders or to disclose your opinions with ambiguity.

Your health may suffer from your nervousness, as you tend abuse stimulants and tranquilisers in alternation, which is bad for your balance and your dynamism.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Independence and profits

Sextile ♃ Pluto ♄ Saturn (transit to a slow-moving planet)

★★★★★ Valid from Tuesday 1 January till Tuesday 12 March included (particularly active on Tuesday 1 January, with an orb of 0°12')

This is what could be referred to as Â«change within continuityÂ», or Â«the art to turn old into newÂ». Indeed, your rightful desire for change is not based on a principle of rebellion or on a refusal of the past. On the contrary, you know how to use your experiences to lay the foundations of a new chapter.

This period is excellent for gaining more professional independence while remaining in the same branch of activity.

You are able to conduct negotiations on a sale or a mortgage in your best interests. You may use the money thus made to fund a project that will be all the more promising that you have meticulously prepared it beforehand.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Optimism and good profits

Conjunction ☉ Sun ♃ Jupiter

★★★★★ Valid from Tuesday 1 January till Saturday 5 January included (particularly active on Thursday 3 January, with an orb of 0°05')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

The current period is auspicious for asserting and strengthening your social status. You are clever, and you smartly grasp every opportunity to show yourself to advantage and to serve your interests.

Your financial situation may also improve thanks to the acknowledgement of your merits. More generally, you feel optimistic, and you have confidence in the future. Your purchases are useful and meant to increase your well-being as well as that of your entourage.

Physically speaking, your lust for life may lead you to overindulge. However, unless this brings back chronic pains, your body reacts well. The only danger is that you may put on a few kilos...

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

★ Good luck and enhanced reputation

Sextile ♃ Neptune ♃ Jupiter

★★★★★ Valid from Tuesday 1 January till Tuesday 5 February included (particularly active on Tuesday 1 January, with an orb of 1°17')

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

You are blessed with extremely lucky opportunities, and you will certainly behave with the swiftness and the cleverness required to grasp them and to make the most of them straight away.

Your reputation is highly rated, and people grant you their protection spontaneously. You feel comfortable in the social group to which you belong, and the good mood you display earns you many invitations. Your optimism and your tolerance are appreciated and sought after.

Your financial prospects are good. This is the perfect time to embark on a trade or to expand your business. You know how to promote yourself, and the advertisement you broadcast will attract a host of people.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

★★★★★ Valid from Tuesday 1 January till Sunday 31 March included (particularly active on Wednesday 6 March, with an orb of 0°01')

You manage to combine personal ambitions with collective interests. You can derive much satisfaction from being a spokesperson, a defender, or an inspired activist working for various ideological movements and marginalised groups.

As you step back from social demands and preconceptions, you focus your researches on new subjects which offer you exciting pieces of information and, in addition, help you discover more things about yourself.

Your imagination is fertile throughout this period and may be a source of inspiration for artistic productions of excellent quality.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

★ Domestic changes

Opposition ♃ Neptune MC Midheaven

★★★★★ Valid from Tuesday 1 January till Sunday 31 March included (particularly active on Monday 18 March, with an orb of 0°00')

It is at home that chaos is raging. Depending on your age and your family status, it is possible that you are dreaming only of escaping from a realm that you consider an unbearable yoke. You are compelled to struggle relentlessly in order to put back on the right track those who live under your roof and who think exclusively of setting off for faraway lands. The confusion prevailing in your dwelling may be of material nature: problems to get a property inheritance, misunderstandings with your landlord, numerous moves, etc. In any case, you must be very vigilant if you are to regain your control over domestic issues.

Fruitful quietness

☾ Moon in House XII

★★★★★ Valid on Tuesday 1 January

It is likely that you need peace and quietness in order to ponder over your problems and to sort out what is real from what is imaginary. You also need solitude to assess the situation and to find the right answers to your questions. Silence helps you deepen your thoughts about spirituality and also encourages your meditation. If you are a trader, watch your competitors, because they may take the lead with some dramatic initiative.

In the area of health, you feel tired, probably owing to bad eating habits and a hectic general routine (sleep-work-relaxation) which does not suit your biological rhythms.

Instead of complaining about an unwillingness to understand and taking the risk to create misunderstandings and conflicts, try to write down everything... And since you feel that you are cut off from the world, stay in your own! It is better than to follow the crowd at any cost and be influenced by people. Indeed, you may not forgive them, later on. Quietly wait until they get out of their personal bubble!

You wallow in tragic and sometimes morbid details. You deal with every situation as if it was the ultimate stage, and this will certainly worsen your restlessness.

In the course of a meeting or of a discussion, you may become overly upset as you hear about a few facts you did not know. Therefore, you loathe your personage and, at the same time, you hold grudges against the members of your entourage. In a word, it is most unpleasant to be in your company for the moment.

Dialogues with children and with the elderly are excellent. Your selfless behaviour works in your favour. Friends, or people you met accidentally in a previous occasion, visit you, which contributes to stir up a wind of madness under your roof. Owing to your intelligence, you are able to straighten out the most muddled issues, and to figure out what lies at the roots of any conflict.

★ Anger and impulsiveness

Square ♀ Mars ♀ Mars

★★★★★ Valid from Monday 18 February till Sunday 24 February included (particularly active on Thursday 21 February, with an orb of 0°15')

Your power of action is declining temporarily. Therefore, it would be wise to wait until this transit is over before taking new initiatives, fighting for your stance, or showing your authority. You may have the nagging feeling that your most basic desires are stymied.

The most impulsive people must beware of new surges of impetuosity. Indeed, they may provoke hasty splits, anger, squabbles, as well as insistent and clumsy protests, because the slightest frustration and the smallest obstacle on the way become unbearable. When not properly used, this aggressiveness may backfire on them, and they will need to watch their movements and their short trips.

Some other people may champ at the bit. They may feel helpless in front of adversaries brimming with vitality and willing to pull the rug from under their feet.

If you must participate in a competition, try to postpone the date because, for the time being, you are not in a position to cope with serious challenges.

Wait a couple of days, and step back to assess the situation. You will realise that you are on the right track and that this is the reason why you arouse a few jealousies.

There is a danger that a quarrel opposes you to your romantic partner.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Minor financial satisfaction

 Moon in House II

★★★★★ Valid from Thursday 28 March till Saturday 30 March included

Matters connected with possessions and finances are on the agenda. You need to check your accounts, to pay your debts and to reconsider your budget in order not to overspend. You may also make an appointment with your banker in order to optimize your investments. In any case, you seek safety in this area and you are provident for the future. Even when you must make a purchase, your choices are wise and you manage your patrimony as best you can. You select valuable artefacts or pieces of furniture for your home decoration with the will to invest and preserve your capital. In short, you definitely are an "ant"...

Gentle way of life

Sextile  Moon  Moon

★★★★★ Valid on Friday 29 March, with an orb of 0°00'

This is a day of rest, during which you enjoy being in some exotic dream where poetry prevails over reason... You travel, mentally, at least! The desire to escape is very real and you have difficulties in running your day-to-day business. As a consequence, a few annoyances may crop up, but that is the least

of your worries... Your concern is to enjoy to the fullest the moment of daydreaming that you badly need. This is your way of recharging your batteries and recovering your mental strength.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

Immoderate pleasure and lack of realism in the field of affection

Square ☉ Sun ♀ Venus

★★★★★ Valid from Friday 29 March till Sunday 31 March included (particularly active on Sunday 31 March, with an orb of 0°18')

You are overly self-centred, and you tend to believe that all the attention must converge on you. Owing to this distorted vision, you neglect your entourage, and you behave inconsiderately.

You are also avid for pleasure, unable to resist passing infatuations even though they burn a big hole in your budget.

Your overeating may have repercussions for your skin or your kidneys.

You get easily offended, and you misinterpret every word directed at your romantic partner.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

R Stormy but frank relations

Opposition ♂ Mars AS Ascendant

★★★★★ Valid from Friday 29 March till Sunday 31 March included (particularly active on Sunday 31 March, with an orb of 0°57')

This planet and your relationship AS-DS axis are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Your relations with other people, especially with a colleague, or your spouse if you are married, are tumultuous and marked by power struggles. You consider your interlocutor as a rival or an immediate challenger. In situations of professional competition, this approach constitutes a tremendous boost. You snatch victory by a hair's breadth, and if unfortunately you are not the winner, you do not give up. You get ready for the fray, and you try to launch a new offensive rapidly.

In the field of romance, fits of anger or overly passionate relations may wreak havoc on your couple or

your friendships. Do not listen to your willingness to rule your partner, because you can rest assured that he will not remain passive, and that you will endanger your affection in unnecessary confrontations.

R Exacerbated sensitivity

Conjunction ☾ Moon ♂ Mars

★★★★☆ Valid on Saturday 30 March, with an orb of 0°57'

In your chart, Mars receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous. However, these planets are linked by a quintile in your natal chart: the negative effects of this transit may be slightly lessened.

Your fighting spirit overcomes adversity. You win a battle through sheer energy. It has absolutely nothing to do with triumphing diplomacy, far from that! It is about the victory of determination and persistence. You did not give in, you did not weaken and events prove you right. Now, you can confess that you were not far from the point of no-return... The positive outcome: the impetus is restarted and hurdles are removed. Your fighting spirit seems to be the source of a significant evolution.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Excessive confidence and extravagant expenses

Square ☉ Sun ♃ Jupiter

★★★★☆ Valid on Sunday 31 March, with an orb of 2°16'

In your natal chart, Jupiter is the ruler of your Ascendant. This is the reason why the transit received must be analysed with special care, because its influence may be stronger than in the case of another planet, assuming that the configuration is identical.

Your excessive self-confidence and your unintentional insolence may bring about a few blunders. You should refrain from talking about your projects before they are actually operational, otherwise you may be blamed for the disappointments you caused involuntary.

In the financial area, avoid unforeseen expenditures, and do not buy gifts which are beyond your budget just because you want to impress the recipient. Similarly, do not take out a loan for the time being.

Physically speaking, watch your liver and your arterial circulation.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Contacts and pleasant short trips

Moon in House III

★★★★★ Valid on Sunday 31 March

During this period, you feel like moving around, discovering and learning. Although you probably dream of faraway horizons, short trips are enough to make you happy. Go to your lady neighbour's place to share a nice cup of coffee and reinvent the world while having fun with words! You may also visit a close friend who will be delighted by your sensitivity, your understanding and the way you look at the world. It is clear that you need to communicate and, wherever you are, your pleasant conversation and your negotiating talents are unanimously appreciated. In any case, you can't be stopped just like that ...

Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
