## Grand Horoscope 2013 for Scarlett

### Introduction

Astrological techniques, used for millennia and fine-tuned throughout centuries, provide information on events and feelings that we are likely to experience in different fields: affective life, social and professional life, financial life etc. Among astrological forecasting techniques, the Transit technique is the most commonly used worldwide and is deemed the most reliable one: it is precisely what we use for our Forecast Report.

The Transit technique superimposes the actual position of transiting planets of the period considered over the natal chart. Then, it analyzes all the aspects formed among transiting planets and natal strategic points, that is to say, mainly fast planets - the Sun, the Moon, Mercury, Venus, Mars - the Ascendant and the Medium Coeli.

The analysis of the nature of astrological aspects formed among transiting planets and the above-enumerated strategic points is carried out while taking into account the meaning of the planets involved, the exactness of the aspects and their location. This is how it becomes possible to establish a forecast report for a date but also for a sequence of dates or a period of time.

Each forecast text displays several pieces of information in its heading:

- a comment summing up the major trend of the period,
- the nature of the active transit, the planets involved and the type of major aspect (in forecasting, it is hazardous to use minor aspects),
- the period considered, with automatic spotting of the previously repeated transit, if any,
- 5 coloured stars point out an important forecast: the level of importance is computed on the basis of the duration of the transit and its nature. 4 or 5 coloured stars highlight an important period with possible concretely noticeable events. 3 stars indicate an average importance and 1 or 2 stars, a transient and less important influence. The red colour signals a period with tensions (please keep in mind that tensions are factors of progress and evolution and are not useless). The gold colour heralds a period of satisfaction, sometimes a passive one.

# Introduction

Please, discover now your forecast for the period you ordered and keep in mind that, more than ever for this type of report, the stars incline but do not compel: astrology is a tool, the sole usefulness of which is to improve our life, to take advantage of harmonious periods or to step back during more sensitive periods. Astrology is not to be subjected to, but it is meant to be helpful.

Important note: some paragraphs are repeated several times. It is normal and deliberate for clarity's sake. Indeed, when they are seen from Earth, the stars, our system of reference in astrology, periodically move in the retrograde mode and therefore, they may contact sensitive points of your natal chart several times and produce exactly the same influences later on.

Now, here is one last remark about a possible blank paragraph in your Report. The description of your transits is given in the month corresponding to the date when the said transit start, and therefore, it is absolutely normal that, sometimes, a given month has no text displayed. You can rest assured that all twelve months were thoroughly analysed and interpreted and that nothing is overlooked. For instance, if a Pluto transit is active from September till December, its interpretation is displayed in the month of September only. October may contain no text if no other transit starts during this month. You can check on your Aspectarian the starting date and the duration of all your transits.

## Your January Forecast

### Conquering Spirit

Conjunction ♀ Mars ♀ Mars

★★★★★ Valid from Tuesday 1 January till Friday 4 January included (particularly active on Tuesday 1 January, the transit orb is 0°02')

It is the moment to take action. Not under any circumstance, nor upstream. Whether it is granted to you or you provoke it, you have the opportunity to highlight your dynamism without gratuitously offending your entourage. This is how you can best manage trials of strength. If you want to settle the scores without causing irreversible harm, it's now or never. When it is fully controlled, a forceful action proves quite an irresistible asset! Your conquering spirit often opens the path to new possibilities. If you find it hard to get out of the rut, it is now a good time to attempt a healthy confrontation and to "take the bull by its horns". Should the context be calmer, you can take advantage of this planetary configuration through audacity and boldness. Do not hesitate to face up to things and accept challenges. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

### Amorous Subtleties and Potential Passion

Conjunction ♃ Pluto ♀ Venus

★★★★★ Valid from Tuesday 1 January till Tuesday 31 December included (particularly active on Saturday 26 January, on Sunday 27 January, on Thursday 4 July, on Friday 5 July and on Sunday 1 December, the transit orb is 0')

When the god of the Underworld sets about Venus, does love become diabolical? Not necessarily. But it may be dreadful for your acquaintances. Your affectivity changes in a discreet but deep, subtle and imperceptible way. You gain in clear-sightedness what you lose in naivety and innocence. Now, you can grasp what is really at stake in your couple's relationship. Love does not exactly mean the same thing any more, nor does it have the same dimension. You successfully handle your sensitivity without believing in romantic mirages, without being fooled by simplistic affectivity. You are sensitive to the underlying dimension of relationships and you deeply understand the stakes that are often beyond "ordinary people". This may be the reason behind your attitude that is more complex than before, and more paradoxical too. You take malicious pleasure in playing with fire, all the more so because you believe that you have the situation under your control and that you know its machinery. The danger is that you may be wrong, of course. But the game is worth it... More than ever, the essential and invisible spark of love is in your heart. The natal planet involved in the transit is in your 2nd House.

# Your Forecast

It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Fanciful Projects

Square ♃ Neptune ☉ Sun

★★★★★ Valid from Tuesday 1 January till Tuesday 19 February included (particularly active on Tuesday 1 January, the transit orb is 0°42')

Your inspiration brushes aside a great number of generally accepted ideas. However, you must be careful because you may be dealing with chimeras and utopias. You may relinquish a project, to which you dedicated a lot of energy, and start a new but hypothetical activity. This period is marked by illusions and impossible dreams. Although you do not lack ideas or fantastic projects, your aspirations collide with reality. You trust your intuition and your "firm conviction", wrongly: some projects prove unworkable, even fanciful. Do not always act as a Don Quixote: if your goal is to cry for the moon, you had better reconsider your ambitions and keep your feet firmly planted on the ground! In real life, you may be confronted with a situation whose solution is beyond you. There are two possible responses. The first one is to let go and risk a drift that may run out of control, and even, be irreversible. The second one is to strive to master the chain of events. It is all the more difficult because your mood does not incline to pragmatism. However, you may find the opportunity to escape from a strict and dull life. Adventure may make you go a long way and one never knows what one will find at the end of the journey. This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Affective Matters and Wisdom

Sextile ♄ Saturn ♀ Venus

★★★★★ Valid from Tuesday 1 January till Wednesday 1 May included (particularly active on Thursday 10 January, the transit orb is 0')

Nothing is simple with Saturn, the planet of interrogations and challenges. When the influence is harmonious, it becomes a drive for evolution, as one seeks the essentials in the relationship. During this period, if on the one hand it seems difficult to be contented with superficial loves, on the other hand, you find it easy to make use of the profoundness and sincerity of your feelings. You cannot be satisfied any more with shams and risky compromises. Your attitude is changing. The stage of falling in love head over heels is over. It is the time for enduring affairs, for true love matching your aspirations and your

# Your Forecast

heart of hearts. More than ever, you must consider your affective life from a long-term perspective and consolidate your acquisitions or build up a relationship that is stable because it is loyal, and rich because it is based on mutual confidence and respect. It is time to ask your partner, and yourself, real questions, without fearing the "adventure" that any questioning constitutes. It is under this condition, and this condition only, that you can develop the mutual esteem without which all relationships remain shaky. You have passed a major step, that of relinquishing the illusions of the day so as to discover love's true roots. Wisdom is traditionally associated with this planetary configuration. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Hit-and-run Actions

Sextile ♃ Uranus ♂ Mars

★★★★★ Valid from Tuesday 1 January till Friday 8 March included (particularly active on Monday 14 January and on Tuesday 15 January, the transit orb is 0')

This planetary configuration prompts you to cross some boundaries and give a new impetus to your life. It may concern your willingness to take action, or your suitor if you have any, since Mars symbolises the lover in a female chart, whereas the Sun represents your life partner. You may also experience unusually thrilling new impetus in your romance, or new encounters with male figures. You strive to assert your ideas and to impose them by all means. Your strong determination can overcome hurdles. You don't hesitate to take risks. It is in quite an unexpected way that you strike your blow and you leave your opponents a long way behind you. During this period, you are in control of hit-and-run actions and trials of strength that have matured in the dark. Thunderbolts, sudden and dramatic demonstrations are to be expected. This period favours all sorts of forceful initiatives. You find yourself your own means to take action and concretely express what you really want, deep down. Your unyielding willpower and your desire for action blend their effects here, with an exceptional fighting spirit as a result. Whoever tries to thwart your action is in trouble! The only danger may be that you go too far. Or a bit too fast. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Good Timing

Trine ♃ Jupiter ♂ Mars

★★★★★ Valid from Sunday 6 January till Saturday 23 February included (particularly active on Tuesday 29 January, on Wednesday 30 January and on Thursday 31 January, the transit orb is 1.15')

It is the right time to take action and to demonstrate your efficiency. You successfully settle the scores without offending your entourage and you reconcile strong fighting spirit with diplomacy. You jump at opportunities as they arise and your actions are perfectly timed. You mobilize your energy advisedly, which increases your chances of success. However, euphoria may lead you to forget boundaries. Beware of inordinate programmes and disproportionate large-scale enterprises! Avoid appealing projects that don't match your expertise. All opportunities are not necessarily suitable. Nonetheless, the climate is constructive and after challenges, the time for opportunities has come, and solutions start to emerge. As you adjust your actions to the current realities, you become aware of new prospects, you take no chances and as a result, you achieve your objectives. Whatever the upcoming pitfalls might be, the first step is often the decisive one. Besides, it is most likely that during this period, your relations with men in general are very favoured. This also includes romance, since Mars symbolises the lover in a female chart. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Lively Talks

Sextile ♂ Mars ♀ Mercury

★★★★★ Valid from Sunday 20 January till Friday 25 January included (particularly active on Tuesday 22 January, the transit orb is 0°06')

You demonstrate an alert mind and a strong will. You take your decisions promptly and you implement them straight away. Your great mobility endows you with a formidable efficiency. Dialogues are lively and words, brilliant. It is hard to counter your arguments. During this period, you adjust amazingly well to complex surroundings and you know how to quickly impose your ideas. Straightforward explanations may break a deadlock. In the relationship department, the pace speeds up with an encounter leading to new prospects or a contact that proves helpful, here and now. It may also be the beginning of a dialogue or some initiative that requires a follow-up. In all cases, it seems interesting to pay special attention to any new relationship, although and particularly if you don't fully realize its importance yet. In the short or longer-term, contacts established during this period will yield nice fruits. Of course, it is up to you to make the first steps... This period highlights your

# Your Forecast

vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Hustle and Bustle

Square ♀ Mars ☾ Moon

★★★☆☆ Valid from Wednesday 23 January till Monday 28 January included (particularly active on Friday 25 January, the transit orb is 0°09')

Tension is rising, particularly in your intimate sphere, and the atmosphere is getting quite electric. Your habits may be disrupted and your daily life sometimes seems restrictive. Your mood is affected during this period. You are irritable and you do not hesitate to raise your voice. Your first targets are your close friends and all the members of your intimate realm. Although it is possible that some events justify your bad language and behaviour, it is prudent to control the soaring fever... Otherwise, there may be a danger that you spark off quarrels and private conflicts. Another important point: this period may prove constructive in the end, if you relinquish laziness and inertia. Force of habit conflicts with needs and passions. Of course, tensions may lead to unsuspected perspectives and set you free. However, the vagaries of this period must be avoided and the balance of your private life must be kept under control, as much as possible. In short, it is all about finding your own pace of life. During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

## Wrong Timing

Square ♀ Mars ☉ Sun

★★★☆☆ Valid from Wednesday 30 January till Tuesday 5 February included (particularly active on Saturday 2 February, the transit orb is 0')

Heroism is valuable, provided it is relevant to the situation. Otherwise, your attitudes, as honest and direct as they may be, may only worsen existing tensions. Things speed up and if the situation is stuck, you manage to forcefully break the deadlock. You lack neither energy nor fighting spirit. But it is likely that you will often take action at an inopportune moment and be carried away by impulsive and thoughtless initiatives. Therefore, this period may be filled with regrettable incidents. You are prone to make blunders. Beware of clumsiness, take advantage of your punch and your fighting spirit but don't start anything that cannot be undone and don't handle your

# Your Forecast

entourage roughly. More than ever, you must calm things down and dispel misunderstandings because an uncontrolled skid is bound to happen. Do not get carried away by any provocation, or by your own determination to sort out problems and to put an end to disputes once for all. Other periods are more suitable for these final settlements... For the time being, try to make use of your exacerbated fighting spirit as wisely as possible. This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Your February Forecast

### Exalted Feelings

Sextile ♀ Mars ♀ Venus

★★★★★ Valid from Tuesday 12 February till Sunday 17 February included (particularly active on Thursday 14 February, the transit orb is 0°22')

You successfully mobilize all your affective and instinctive resources and you let your sensitivity guide your decisions and your actions. Moods prevail over reason. During this period, you should take advantage of the exaltation of your vital forces. You feel the desire to intensely experience each instant and to give your awakened feelings free rein. You may be tempted by passionate love or any other adventure that includes a fair share of thrills. You give your affectivity a new impetus, you express your passions with force and fieriness and you can tell whom you really love. You may experience an encounter that changes the nature of your love life and contrasts sharply with your habits. It may also be an opportunity to reveal your essential desires and to overcome some limitations. More than ever, you display an amazing sincerity and you do not seek anything but a life in harmony with your affective aspirations. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

### Dynamism (excessive?) in Your Family Environment

Conjunction ♀ Mars FC Nadir

★★★★★ Valid from Wednesday 20 February till Monday 25 February included (particularly active on Saturday 23 February, the transit orb is 0°2')

You decide to fight hard in order to improve your intimate life setting. Once again, your home must turn into the place where you go back to your roots

# Your Forecast

and where you recover your forces. To that aim, a straightforward explanation may be necessary... You are up against the wall and you cannot repress any longer your need for clarification. While you remain on the defensive, you start a constructive dialogue, which is likely to allow, later, to break the deadlock and to discover a context respectful of your fundamental bases. In the meantime, tread carefully because people get worked up more than quickly!

## Beware of Blunders

Square ♀ Mars ♀ Mercury

★★★★ Valid from Wednesday 27 February till Monday 4 March included (particularly active on Friday 1 March, the transit orb is 0°08')

Electricity can be felt in the air! Your impulsiveness does not facilitate smooth relations and contacts. You are prone to verbal clumsiness and thoughtless actions. Your state of mind brings about criticisms and controversy. If you cannot take action, you will probably demonstrate verbal violence. If, on the contrary, you cannot explain yourself honestly, your foolish actions will probably provoke forceful events. Beware of all kinds of blunders! It is certain that this climate favours latent conflicts that are likely to break out in broad daylight, forcing straightforward and constructive explanations to take place. But as we all know, settling of scores is not devoid of danger. For instance, there is the danger to overstep the line, at least verbally, and to utter loud and clear words that you had better kept to yourself. Therefore, even though you feel the urge to interfere, you must control yourself and strive to count to ten before you shout out words that cause irreversible harm. This is how you can get the best of this planetary configuration: straightforwardness that dispels many a misunderstanding. This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Your March Forecast

### Renewed Personal Balance

Trine ♀ Mars ☾ Moon

★★★★★ Valid from Saturday 2 March till Thursday 7 March included (particularly active on Monday 4 March, the transit orb is 0°13')

During this period, events are likely to concern your domestic sphere, your habits and your major bases. Anything involving your private life will be particularly highlighted. Whether you have to sort out a personal problem or to take an action related to your family life, you display a great deal of energy. You find the strength needed to get a situation out of the rut. In order to make your intimate realm evolve the way you want it to, action is more efficient than words. The situation develops quickly, very quickly. Facts prompt you to respond and to adjust your pace and your behaviours to the constraints of a situation that is new to you, in many respects. A chief preoccupation: how is it possible for you to feel at ease and to be in good shape? You try to find a balance between your peace of mind and your cravings, between your desire for quietness and your need to have your desires fulfilled in an intense way. This may be a very good time to improve your daily life... in sheer simplicity. You do not allow anyone or anything to hinder your efforts towards a new personal balance. During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

### Trial of Strength

Trine ♀ Mars ☉ Sun

★★★★★ Valid from Sunday 10 March till Friday 15 March included (particularly active on Tuesday 12 March, the transit orb is 0°09')

There is a touch of heroism in your attitude... You display dynamism and an enterprising spirit. You try to implement your projects and to take action in areas where, so far, you have been nurturing your plans only. Far from yesterday's renunciation, you can mobilize your energy as much as you like. Should events impose trials of strength on you, it is very likely that you will be able to cope with them. Instead of harming you, confrontations reinforce your position and allow you to assert your choices. If your situation is stuck or slowed down by external forces, you must take action and face adversity. It is important that you achieve what you have not dared to undertake, so far. This is a constructive period, even though you must confront the facts and prove yourself. With this configuration, the only danger may be that you

# Your Forecast

overestimate your strength and you set out to conquer an objective that is still inaccessible. But the will to do and dare may brush aside many doubts and suppress reservations and limitations that used to paralyse your life. This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Conquering Spirit

Sextile ♀ Mars ♀ Mars

★★★★★ Valid from Saturday 16 March till Thursday 21 March included (particularly active on Monday 18 March, the transit orb is 0°11')

It is the moment to take action. Not under any circumstance, nor upstream. Whether it is granted to you or you provoke it, you have the opportunity to highlight your dynamism without gratuitously offending your entourage. This is how you can best manage trials of strength. If you want to settle the scores without causing irreversible harm, it's now or never. When it is fully controlled, a forceful action proves quite an irresistible asset! Your conquering spirit often opens the path to new possibilities. If you find it hard to get out of the rut, it is now a good time to attempt a healthy confrontation and to "take the bull by its horns". Should the context be calmer, you can take advantage of this planetary configuration through audacity and boldness. Do not hesitate to face up to things and accept challenges. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## The cost of freedom

Square ♃ Uranus ♀ Venus

★★★★★ Valid from Tuesday 19 March till Saturday 13 July included (particularly active on Monday 29 April, the transit orb is 0')

Attachment is attributed to Venus, and liberation to Uranus. Sensual delight to the former, discipline and rigour to the latter. These two contradictory principles clash under such skies. It is likely that you find it hard to reconcile desires and affective needs with the demand for autonomy that you now claim outloud. A thunderbolt in your romantic life is to be dreaded. However, some people enjoy it. Events upset your habits and trouble your serenity. It is difficult for you to resist your heart's impulses and untimely passions, which may challenge your affectivity. You need fresh air and freedom. You want to fully experience your concepts about love, whatever it may cost you. Your heart has got its reasons that no rule can hinder or thwart. Nevertheless, this

influence may prove healthy when too many fetters or constraints are smothering a couple's life that has become overwhelming. You simplify, you prune unhealthy branches in order to give free rein to your feelings. It is quite dangerous, of course, but not necessarily negative: personal assertion has a price that you are willing to pay. For worse, or more often than not, for the best part of yourself. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Explosive Temper

Square ♂ Mars ♀ Venus

★★★★ Valid from Friday 22 March till Wednesday 27 March included (particularly active on Monday 25 March, the transit orb is 0°03')

You display strong impulsiveness. Your sensitivity all on edge may turn your life setting into battlefields! If you are a thrill-lover, you will certainly get what you want. Perhaps a bit too much, if you give free rein to your whimsical moods and your explosive temper. Your exacerbated sensuality may seduce your partner. However, the violence of your feelings gives you no respite. During this period, your instincts override reason. For better and probably for worse. Sensual exaltation turns into outrageousness. ### Flexibility

Opposition ♃ Jupiter ♀ Mercury

★★★★★ Valid from Thursday 9 May till Friday 31 May included (particularly active on Monday 20 May, the transit orb is 0°05')

Your judgments may prove erroneous. You strive to gain your entourage's consideration and you choose the course of action that you deem most profitable. However, you tend to neglect a few rules for the sake of your interests. Your opportunistic and flexible attitude may harm your projects, in the end. Beware of immoderate language, non-fulfilled promises and empty words. You conceal your beliefs but the truth often emerges: do not cheat so as to avoid delusions. This planetary configuration suggests broken commitments and "empty words". Therefore, you must remain as clear-sighted as possible in order to avoid crazes that would be forgotten the day after. Focus your attention on concrete events as well as on the realistic, or unrealistic, nature of the proposals you receive. Of course, it would be a pity to systematically distrust all arising opportunities. Keep in mind that many of them may be all just for show. This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the

natal planet involved in the transit is in the 1st House of your chart.

## The Lesson from Experience

Square ♃ Saturn ♂ Mars

★★★★★ Valid from Friday 10 May till Tuesday 3 September included (particularly active on Thursday 20 June and on Thursday 25 July, the transit orb is 0')

During this period, your impetus and your projects may be impeded. Events complicate the situation and outcomes are delayed. In some cases, this may concern the relationship with your suitor if you have any, since Mars symbolises the lover in a female chart. You are overwhelmed by self-doubt and you think twice before taking action. You dread confrontations and traps and you may miss the target because you are scared to move forward. Of course, this relative paralysis is not unavoidable but you have to show courage and discernment in order to achieve your objectives. This period may prove constructive if you can draw the lesson from experiences and take into account the implacable reality, whose strength you underestimated. Facts underline the boundaries that from now on you must not ignore, lest you undergo setbacks. Some ordeals are indispensable and some unsuccessful attempts lead to growth. What is currently at stake seems to be confrontation with life, adjustment to your context, with its flaws and limitations, but also with its resources. Pragmatism is the top priority: concepts, dreams and ideals must not lead you to forget reality and tangible, inescapable events. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Tension is rising, particularly in your intimate sphere, and the atmosphere is getting quite electric. Your habits may be disrupted and your daily life sometimes seems restrictive. Your mood is affected during this period. You are irritable and you do not hesitate to raise your voice. Your first targets are your close friends and all the members of your intimate realm. Although it is possible that some events justify your bad language and behaviour, it is prudent to control the soaring fever... Otherwise, there may be a danger that you spark off quarrels and private conflicts. Another important point: this period may prove constructive in the end, if you relinquish laziness and inertia. Force of habit conflicts with needs and passions. Of course, tensions

# Your Forecast

may lead to unsuspected perspectives and set you free. However, the vagaries of this period must be avoided and the balance of your private life must be kept under control, as much as possible. In short, it is all about finding your own pace of life. During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

## Wrong Timing

Opposition ♀ Mars ☉ Sun

★★★★ Valid from Tuesday 28 May till Tuesday 4 June included (particularly active on Friday 31 May, the transit orb is 0°19')

Heroism is valuable, provided it is relevant to the situation. Otherwise, your attitudes, as honest and direct as they may be, may only worsen existing tensions. Things speed up and if the situation is stuck, you manage to forcefully break the deadlock. You lack neither energy nor fighting spirit. But it is likely that you will often take action at an inopportune moment and be carried away by impulsive and thoughtless initiatives. Therefore, this period may be filled with regrettable incidents. You are prone to make blunders. Beware of clumsiness, take advantage of your punch and your fighting spirit but don't start anything that cannot be undone and don't handle your entourage roughly. More than ever, you must calm things down and dispel misunderstandings because an uncontrolled skid is bound to happen. Do not get carried away by any provocation, or by your own determination to sort out problems and to put an end to disputes once for all. Other periods are more suitable for these final settlements... For the time being, try to make use of your exacerbated fighting spirit as wisely as possible. This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Fighting Spirit - Beware of Immoderation - and Communication

Conjunction ♀ Mars ♀ Descendant

★★★★ Valid from Thursday 30 May till Wednesday 5 June included (particularly active on Sunday 2 June, the transit orb is 0°19')

It is the right time to negotiate a deal that serves your interests, to champion your objectives and get a contract that matches the demands of the moment. The energy you display earns you the admiration of your entourage and...

wears them out! You move quickly, you are present on all fronts and you disconcert your partners. Will you keep up the same tension during the coming weeks? In any case, the efficiency of your actions is undeniable and it can only break a deadlock in a situation you find too static. You wield fighting spirit and the art of diplomacy with cleverness...

## Your June Forecast

### Conquering Spirit

Trine ♀ Mars ♀ Mars

★★★★★ Valid from Tuesday 4 June till Monday 10 June included (particularly active on Friday 7 June, the transit orb is 0°02')

It is the moment to take action. Not under any circumstance, nor upstream. Whether it is granted to you or you provoke it, you have the opportunity to highlight your dynamism without gratuitously offending your entourage. This is how you can best manage trials of strength. If you want to settle the scores without causing irreversible harm, it's now or never. When it is fully controlled, a forceful action proves quite an irresistible asset! Your conquering spirit often opens the path to new possibilities. If you find it hard to get out of the rut, it is now a good time to attempt a healthy confrontation and to "take the bull by its horns". Should the context be calmer, you can take advantage of this planetary configuration through audacity and boldness. Do not hesitate to face up to things and accept challenges. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

### Beware of Blunders

Opposition ♀ Mars ♀ Mercury

★★★★★ Valid from Friday 28 June till Thursday 4 July included (particularly active on Monday 1 July, the transit orb is 0')

Electricity can be felt in the air! Your impulsiveness does not facilitate smooth relations and contacts. You are prone to verbal clumsiness and thoughtless actions. Your state of mind brings about criticisms and controversy. If you cannot take action, you will probably demonstrate verbal violence. If, on the contrary, you cannot explain yourself honestly, your foolish actions will probably provoke forceful events. Beware of all kinds of blunders! It is certain that this climate favours latent conflicts that are likely to break out in broad daylight, forcing straightforward and constructive explanations to take place. But as we all know, settling of scores is not devoid of danger. For instance,

there is the danger to overstep the line, at least verbally, and to utter loud and clear words that you had better kept to yourself. Therefore, even though you feel the urge to interfere, you must control yourself and strive to count to ten before you shout out words that cause irreversible harm. This is how you can get the best of this planetary configuration: straightforwardness that dispels many a misunderstanding. This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

## Your July Forecast

### The cost of freedom

Square ♃ Uranus ♀ Venus

★★★★★ Valid from Sunday 21 July till Tuesday 31 December included, this transit is repeated: it previously occurred from 19 March till 13 July (particularly active on Friday 11 October, the transit orb is 0')

Attachment is attributed to Venus, and liberation to Uranus. Sensual delight to the former, discipline and rigour to the latter. These two contradictory principles clash under such skies. It is likely that you find it hard to reconcile desires and affective needs with the demand for autonomy that you now claim outloud. A thunderbolt in your romantic life is to be dreaded. However, some people enjoy it. Events upset your habits and trouble your serenity. It is difficult for you to resist your heart's impulses and untimely passions, which may challenge your affectivity. You need fresh air and freedom. You want to fully experience your concepts about love, whatever it may cost you. Your heart has got its reasons that no rule can hinder or thwart. Nevertheless, this influence may prove healthy when too many fetters or constraints are smothering a couple's life that has become overwhelming. You simplify, you prune unhealthy branches in order to give free rein to your feelings. It is quite dangerous, of course, but not necessarily negative: personal assertion has a price that you are willing to pay. For worse, or more often than not, for the best part of yourself. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Explosive Temper

Opposition ♀ Mars ♀ Venus

★★★★★ Valid from Thursday 25 July till Thursday 1 August included (particularly active on Sunday 28 July, the transit orb is 0°11')

You display strong impulsiveness. Your sensitivity all on edge may turn your life setting into battlefields! If you are a thrill-lover, you will certainly get what you want. Perhaps a bit too much, if you give free rein to your whimsical moods and your explosive temper. Your exacerbated sensuality may seduce your partner. However, the violence of your feelings gives you no respite. During this period, your instincts override reason. For better and probably for worse. Sensual exaltation turns into outrageousness. It is likely that you listen to the sole intoxication of transient love or feelings. Hearts are pounding wildly. This heated climate is very good for putting an end to a monotonous life devoid of adventure and to a meaningless love. Romanticism becomes impetuous and prevails. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Affective Extravagance

Opposition ♃ Jupiter ♀ Venus

★★★★★ Valid from Wednesday 31 July till Saturday 24 August included (particularly active on Sunday 11 August, the transit orb is 0°04')

What could a clash between two traditionally benign planets such as Jupiter and Venus translate into? Popular sayings give us the key: "love is priceless" or, "there is no accounting for tastes". If Venus sensitizes to natural affections, Jupiter's function deals with adaptation and insertion through language. When these two principles clash, they produce shaky compromises. The reasons of the moment are not necessarily in line with the heart's impulses. One must compromise and sacrifice one's desires to conventions, or conversely, one must sacrifice one's habits to affective considerations. Of course, the will to please is intense... But the desire to seduce is so strong that you may be carried away by a whirlwind of emotions, arrangements, pleasures and tacit agreements that are hardly compatible. It is likely that you don't take long-term parameters into account, nor do you pay attention to the possible consequences of your superficial attitude. Your quest of well being makes you experience intense excitements frequently, in a happy-go-lucky climate. However, the state of grace may turn into delusion, if you are not careful. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period

coincides with a modification of your material life.

## Your August Forecast

### Renewed Personal Balance

Trine  Mars  Moon

★★★★★ Valid from Thursday 15 August till Thursday 22 August included, this transit is repeated: it previously occurred from 2 March till 7 March (particularly active on Monday 19 August, the transit orb is 0°16')

During this period, events are likely to concern your domestic sphere, your habits and your major bases. Anything involving your private life will be particularly highlighted. Whether you have to sort out a personal problem or to take an action related to your family life, you display a great deal of energy. You find the strength needed to get a situation out of the rut. In order to make your intimate realm evolve the way you want it to, action is more efficient than words. The situation develops quickly, very quickly. Facts prompt you to respond and to adjust your pace and your behaviours to the constraints of a situation that is new to you, in many respects. A chief preoccupation: how is it possible for you to feel at ease and to be in good shape? You try to find a balance between your peace of mind and your cravings, between your desire for quietness and your need to have your desires fulfilled in an intense way. This may be a very good time to improve your daily life... in sheer simplicity. You do not allow anyone or anything to hinder your efforts towards a new personal balance. During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

### Trial of Strength

Trine  Mars  Sun

★★★★★ Valid from Sunday 25 August till Saturday 31 August included, this transit is repeated: it previously occurred from 10 March till 15 March (particularly active on Wednesday 28 August, the transit orb is 0°06')

There is a touch of heroism in your attitude... You display dynamism and an enterprising spirit. You try to implement your projects and to take action in areas where, so far, you have been nurturing your plans only. Far from yesterday's renunciation, you can mobilize your energy as much as you like. Should events impose trials of strength on you, it is very likely that you will be

able to cope with them. Instead of harming you, confrontations reinforce your position and allow you to assert your choices. If your situation is stuck or slowed down by external forces, you must take action and face adversity. It is important that you achieve what you have not dared to undertake, so far. This is a constructive period, even though you must confront the facts and prove yourself. With this configuration, the only danger may be that you overestimate your strength and you set out to conquer an objective that is still inaccessible. But the will to do and dare may brush aside many doubts and suppress reservations and limitations that used to paralyse your life. This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Of course, there are times when a forceful action bears fruit and when the situation requires strong determination. However, don't overdo. Sextile ♄ Saturn ♀ Venus

★★★★★ Valid from Tuesday 10 September till Tuesday 22 October included, this transit is repeated: it previously occurred from 1 January till 1 May (particularly active on Wednesday 2 October, the transit orb is 0°02')

Nothing is simple with Saturn, the planet of interrogations and challenges. When the influence is harmonious, it becomes a drive for evolution, as one seeks the essentials in the relationship. During this period, if on the one hand it seems difficult to be contented with superficial loves, on the other hand, you find it easy to make use of the profoundness and sincerity of your feelings. You cannot be satisfied any more with shams and risky compromises. Your attitude is changing. The stage of falling in love head over heels is over. It is the time for enduring affairs, for true love matching your aspirations and your heart of hearts. More than ever, you must consider your affective life from a long-term perspective and consolidate your acquisitions or build up a relationship that is stable because it is loyal, and rich because it is based on mutual confidence and respect. It is time to ask your partner, and yourself, real questions, without fearing the "adventure" that any questioning constitutes. It is under this condition, and this condition only, that you can develop the mutual esteem without which all relationships remain shaky. You have passed a major step, that of relinquishing the illusions of the day so as to discover love's true roots. Wisdom is traditionally associated with this planetary configuration. ## Fanciful Projects

Square ♃ Neptune ☉ Sun

★★★★★ Valid from Friday 18 October till Monday 9 December included, this transit is repeated: it previously occurred from 1 January till 19 February (particularly active from Friday 8 November till Friday 8 November, the transit orb is 2.12')

Your inspiration brushes aside a great number of generally accepted ideas. However, you must be careful because you may be dealing with chimeras and utopias. You may relinquish a project, to which you dedicated a lot of energy, and start a new but hypothetical activity. This period is marked by illusions and impossible dreams. Although you do not lack ideas or fantastic projects, your aspirations collide with reality. You trust your intuition and your "firm conviction", wrongly: some projects prove unworkable, even fanciful. Do not always act as a Don Quixote: if your goal is to cry for the moon, you had better reconsider your ambitions and keep your feet firmly planted on the ground! In real life, you may be confronted with a situation whose solution is beyond you. There are two possible responses. The first one is to let go and risk a drift that may run out of control, and even, be irreversible. The second one is to strive to master the chain of events. It is all the more difficult because your mood does not incline to pragmatism. However, you may find the opportunity to escape from a strict and dull life. Adventure may make you go a long way and one never knows what one will find at the end of the journey. This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. ## Your November Forecast

### Action and End Results!

Conjunction ♂ Mars MC Midheaven

★★★★★ Valid from Friday 8 November till Sunday 17 November included (particularly active on Tuesday 12 November, the transit orb is 0°16')

With Mars on your Midheaven, events follow on from each other in the social or professional area. Even better: you are the one who creates the event! You take up a challenge and you score valuable points. Your situation is strengthened, with an aura of courageous, and even rash, action. Of course, the danger is that you may go too fast or too far. However, it is likely that the boldness of your conceptions can overcome a good many obstacles! It is the right time to assert your rights, to say out loud who you really are, and to draw the line beyond which your reactions will be fearsome. In your occupation, it is the right time to start healthy confrontations and debates aiming at clarifying the future. Nevertheless, the current influence is not devoid of danger as latent conflicts, repressed for too long, are likely to blow up. Your colleagues can expect a few out-of-proportion reactions! This is the price for a positive liberation that is indispensable to your balance.

## Renewed Personal Balance

Sextile  Mars  Moon

★★★★★ Valid from Friday 22 November till Saturday 30 November included (particularly active on Tuesday 26 November, the transit orb is 0°1')

During this period, events are likely to concern your domestic sphere, your habits and your major bases. Anything involving your private life will be particularly highlighted. Whether you have to sort out a personal problem or to take an action related to your family life, you display a great deal of energy. You find the strength needed to get a situation out of the rut. In order to make your intimate realm evolve the way you want it to, action is more efficient than words. The situation develops quickly, very quickly. Facts prompt you to respond and to adjust your pace and your behaviours to the constraints of a situation that is new to you, in many respects. A chief preoccupation: how is it possible for you to feel at ease and to be in good shape? You try to find a balance between your peace of mind and your cravings, between your desire for quietness and your need to have your desires fulfilled in an intense way. This may be a very good time to improve your daily life... in sheer simplicity. You do not allow anyone or anything to hinder your efforts towards a new

personal balance. During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

## Your December Forecast

### Trial of Strength

Sextile ♀ Mars ☉ Sun

★★★★★ Valid from Wednesday 4 December till Thursday 12 December included (particularly active on Sunday 8 December, the transit orb is 0°01')

There is a touch of heroism in your attitude... You display dynamism and an enterprising spirit. You try to implement your projects and to take action in areas where, so far, you have been nurturing your plans only. Far from yesterday's renunciation, you can mobilize your energy as much as you like. Should events impose trials of strength on you, it is very likely that you will be able to cope with them. Instead of harming you, confrontations reinforce your position and allow you to assert your choices. If your situation is stuck or slowed down by external forces, you must take action and face adversity. It is important that you achieve what you have not dared to undertake, so far. This is a constructive period, even though you must confront the facts and prove yourself. With this configuration, the only danger may be that you overestimate your strength and you set out to conquer an objective that is still inaccessible. But the will to do and dare may brush aside many doubts and suppress reservations and limitations that used to paralyse your life. This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

### Conquering Spirit

Trine ♀ Mars ♀ Mars

★★★★★ Valid from Friday 13 December till Sunday 22 December included, this transit is repeated: it previously occurred from 4 June till 10 June (particularly active on Tuesday 17 December, the transit orb is 0°11')

It is the moment to take action. Not under any circumstance, nor upstream. Whether it is granted to you or you provoke it, you have the opportunity to highlight your dynamism without gratuitously offending your entourage. This

is how you can best manage trials of strength. If you want to settle the scores without causing irreversible harm, it's now or never. When it is fully controlled, a forceful action proves quite an irresistible asset! Your conquering spirit often opens the path to new possibilities. If you find it hard to get out of the rut, it is now a good time to attempt a healthy confrontation and to "take the bull by its horns". Should the context be calmer, you can take advantage of this planetary configuration through audacity and boldness. Do not hesitate to face up to things and accept challenges. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Explosive Temper

Square ♂ Mars ♀ Venus

★★★★ Valid from Tuesday 24 December till Tuesday 31 December included, this transit is repeated: it previously occurred from 22 March till 27 March (particularly active on Saturday 28 December, the transit orb is 0°07')

You display strong impulsiveness. Your sensitivity all on edge may turn your life setting into battlefields! If you are a thrill-lover, you will certainly get what you want. Perhaps a bit too much, if you give free rein to your whimsical moods and your explosive temper. Your exacerbated sensuality may seduce your partner. However, the violence of your feelings gives you no respite. During this period, your instincts override reason. For better and probably for worse. Sensual exaltation turns into outrageousness. It is likely that you listen to the sole intoxication of transient love or feelings. Hearts are pounding wildly. This heated climate is very good for putting an end to a monotonous life devoid of adventure and to a meaningless love. Romanticism becomes impetuous and prevails. One knows that love lives on passion and fevers. The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

## Conclusion

In astrology, the level of accuracy and importance of events forecast depends on repetitions or development of aspects found in the natal chart. It is crucial to understand one's assets and weaknesses on the basis of one's natal chart. Indeed, when dealing with transits, the phenomenon of resonance considerably increases the probabilities for any given event to actually take place.

For instance, transiting Jupiter over your natal Sun will have a more potent influence if, in your natal chart, there is an aspect linking the two planets. This principle holds true regardless of the nature of the aspect, whether it is hard or soft.

Therefore, it is important and even crucial that your natal chart or your astrological portrait be thoroughly understood in order to appreciate the validity of the Forecast established for the current year. This is all the more true whenever software programmes are used, as in the case of the current Report. As you order your Comprehensive Astrological Portrait (35 to 40 pages, comprising your Personality Report with dominants and planetary repartitions, your detailed psychological portrait etc., delivered into your e-mail within a few seconds) you become able to make the most of your Forecast and to take into account all the riches of your personality's facets.

Re-reading your Forecast and heeding our pieces of advice always prove helpful: astrology discloses a great deal of secrets to those who can observe. The game is worth it. Always keep in mind that you are dealing with a climate, a tendency or a probability, never with fate, and that enterprising spirit and willpower play the most prominent part. Indeed, the best planetary influence in the world won't bring about any concrete event if there is no willingness and action to support it. And conversely, potential dangers indicated in your Forecast can be weakened or cancelled, provided that you remain calm, that you step back and understand how some ordeals can benefit you, be it only spiritually, which means asking real questions about life's purpose, as well as making progress in order to find the answers.

An overall remark that can be helpful: never forget that the fact that you know your upcoming planetary climate must never become a burden. Astrology is at the service of the human being and, under no circumstances, must the information provided trouble you. The objective, in each and every case, is to render a service, to help you become stronger, if necessary, to relativize things or on the contrary, to boost your energy.

Astrology allows us to realize that everything is part of a cycle and that everything has got ups-and-downs. Therefore, beyond the events that you learn to experience, and based on your knowledge of upcoming influences, the most important thing, far from all worldly contingencies, satisfactions or

disappointments, is to understand who you are and what you want to do with you life. For instance, you may wonder about the nature of your constantly changing and troubled thoughts and realize that You are... uphill from them. The differentiation between your consciousness of being and your thoughts is the first step towards a spiritual quest.

Through the visualisation and concrete observation of endless ups-and-downs, or cycles, that are imposed on us, astrology allows to put experiences in perspective and to pass a step uphill, towards a more authentic reality: it is, indeed, a wonderful side effect of the practice of astrology.
