Grand Horoscope 2017 for Scarlett

Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones. In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact,
- the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

Such warnings, sometimes displayed as preambles, constitute valuable additional information for the

analysis of the nature and the importance of the transit. We strongly advise you to read them attentively.

Indeed, the new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Important remark: certain paragraphs are repeated. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

Reasonable intellectual fertility

Conjunction ♄ Saturn ♀ Mercury

★★★★★ Valid from Sunday 1 January till Saturday 28 January included (particularly active on Wednesday 4 January, with an orb of 0°00')

Mercury and Saturn form a semi-sextile in your natal chart: the harmonious effects of this conjunction are slightly strengthened.

You are going through an intellectually enriching and fruitful period, but you must strive to increase your knowledge and to become a specialist in your area of interest. You easily rid your mind of anything you deem of secondary importance.

You give up a few leisure activities, and you distance yourself from the acquaintances you consider frivolous or... useless. Disenchantment sinks in you, and you doubt everything, but this may prove fruitful if you focus on a study or on a research.

You may hang out with your dissatisfaction and adopt misanthropic attitudes. Your communication with your friends and relatives is upset and slowed down, either because you lack energy, or because of outside events such as lost letters or all kinds of delays.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

You are in physical and emotional communion with your environment. Collective gatherings, invitations from friends, and leisure travels are the source of great joys.

If you practice an activity dealing with artistic or aesthetic topics, you will be blessed with inspiration, and your hand will follow punctiliously the commands of your mind. If you are involved in situations requiring diplomacy, you will manage to get out of it advantageously. You blend kindness with firmness, and you will come out of such interviews particularly pleased with the results you achieved.

Purchases made during this period will prove wise and will delight you as well as the persons dear to you.

R Sharp mind and original ideas

Trine ♃ Uranus ♀ Mercury

★★★★★ Valid from Sunday 1 January till Thursday 6 April included (particularly active on Tuesday 21 February, with an orb of 0°00')

These planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

Throughout this period, all the studies and researches you carried out in the past are very likely to bear fruit. The more you have devoted yourself to unusual and unknown areas, the more you become able to highlight the worth of your knowledge and the quality of your work. This holds true also if your field of competence is related to the latest breaking news.

You may feel the need to take the floor and to express your views with clarity and courage. You are able

to stand up for isolated or excluded groups. Moreover, you can shrewdly fight hypocrisies and intolerant and retrograde attitudes.

This transit is auspicious for your short trips and for your new contacts. It is very likely that they will be established rapidly, without ambiguity and without hesitation on both sides.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Barrister's eloquence and business astuteness

Sextile ♃ Jupiter ♀ Mercury

★★★★★ Valid from Sunday 1 January till Tuesday 28 March included (particularly active on Saturday 7 January, with an orb of 0°00')

Your stances and your verbal or written interventions are well-received, for they meet the expectations of your supervisors or of all kinds of decision-makers. Therefore, this is an auspicious period for job hunting or for requesting a salary raise, as well as for taking any administrative or legal steps.

High-ranking persons grant you their support mainly because you are eloquent, clever, and positive whenever you need to stand up for your interests. If you are a student, a degree is most likely to reward your efforts.

You are very much sought after. You receive many invitations, and in the course of your outings, you may make friends with people endowed with a genial personality. This transit also promises excellent news from abroad. In addition, you may be unexpectedly asked to travel out of your country.

Bursting vitality at home

Opposition ♂ Mars MC Midheaven

★★★★★ Valid from Saturday 7 January till Friday 13 January included (particularly active on Tuesday 10 January, with an orb of 0°10')

You are brimming with vitality, and you use your dynamism at home, where you are starting to make radical changes. You want to transform your surroundings, and the persons who live under your roof may bear the brunt of your tyranny.

You may also burn your energy doing domestic works; no matter how difficult and unpleasant the chores are, you do not find them deterring. Moreover, you may have the possibility to jump at an opportunity to rent or to purchase a new house. However, do not take hasty decisions, and carefully consider the costs

incurred.

You tend to behave with frankness and rudeness when you deal with the past or with people related to the past. Indeed, you are impatient with your parents or your grandparents, and you do not accept that people go back over what has been said and done.

Impatience and exasperation

Square  Mars  Mercury

★★★★★ Valid from Saturday 14 January till Thursday 19 January included (particularly active on Tuesday 17 January, with an orb of 0°14')

Set aside your claims for the time being, because you are driven by such vehemence that you have every chance to make blunders and to get caught in endless conflicts, both verbally and in writing.

Check your sources again, and try to consider the issue from several various angles, otherwise you will only get an extremely partial and subjective view of the actual facts.

Despite your declining nervous energy, you are forced to brave problems cropping up from all sides, which worsens your exasperation and your impatience.

Conflicts are very likely to break out more particularly during short trips and commutes. Therefore, if you feel unable to keep your self-control, avoid using overcrowded means of transport.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Trine  Mars  Moon

★★★★★ Valid from Tuesday 17 January till Monday 23 January included (particularly active on Friday 20 January, with an orb of 0°04')

These planets are linked by a quintile in your natal chart: the harmonious effects of this transit may be slightly increased.

This is an excellent period for solving rapidly and with determination the problems pending with your family members or those related to the place where you live.

You are witty, your reactions are quick, and you find colourful retorts which make people laugh and which put them on your side.

If you are a trader, you have a lot on your plate, but this extra work makes you very happy.

Your enlivened imagination helps you deal with the reality of daily events. The hell with unproductive reveries! You manage to adjust your desires to your real possibilities.

You come across as a dynamic person, which prompts some of your friends and relatives to use your services. You do not shirk your responsibilities, and you are concerned about people who are more vulnerable than you.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

R Frankness and promising initiatives

Trine  Mars  Sun

★★★★☆ Valid from Wednesday 25 January till Tuesday 31 January included (particularly active on Saturday 28 January, with an orb of 0°06')

These planets are linked by a sextile in your natal chart: the harmonious effects of this transit may be increased.

You are endowed with a great deal of indomitable energy. Use it to solve all your pending problems. You do not beat about the bush, you raise salutary arguments, and you are self-assured enough to impose your will.

Decisions regarding your primary goals ought to be taken without further delay. Once you have made the first step, you will realise that you have pushed aside the obstacles which appeared insurmountable to you, just a few days ago.

You succeed in imposing yourself with firmness in a male-dominated environment.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Your February Forecast

Reflexes and power of action

Sextile ♂ Mars ♂ Mars

★★★★★ Valid from Wednesday 1 February till Monday 6 February included (particularly active on Friday 3 February, with an orb of 0°19')

Your power of action is reaching its highest level. To put it to good use, impose your initiatives in a frank and straightforward way without spending too much time examining the situation. Your instinctive knowledge of human beings and of the context in which you are moving enables you to score points and to keep very quick reflexes.

You may be bossy with your friends and relatives. You may also force them to behave according to your interests, but on the whole, your courage, your energy and your outspokenness are very much appreciated. This is a good period for starting sports activities and for all types of competitions.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Frustrations and emotional wounds

Square ♂ Mars ♀ Venus

★★★★★ Valid from Wednesday 8 February till Monday 13 February included (particularly active on Friday 10 February, with an orb of 0°17')

During this short period, you must harden your heart and protect yourself carefully against emotional traps. Indeed, you run the risk of being disappointed by those you love. You may also get the impression that everyone intends to harm you. It must be underlined that, despite everything, such attacks are not very serious and that, because you take everything to heart, you tend to pay too much attention to mere absent-mindedness and omissions devoid of malevolence.

Right now, do not strive to hold any thorny negotiation, and do not seek any reconciliation, because your high-strung disposition does not speak for you.

Watch your expenses, for the urge to splurge is nothing but a means to let off steam when your frustrations are overwhelming, and in the end, you will find yourself cluttered with items you do not like at all.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

★★★★★ Valid from Thursday 23 February till Wednesday 1 March included (particularly active on Sunday 26 February, with an orb of 0°04')

You are full of vitality, brilliant in polemics, firm and final in your decisions, and you take action quickly. You are most likely to make numerous short trips and telephone calls. You may also participate in a host of meetings and, each time, you hit the mark.

You clear up old misunderstandings effortlessly, you initiate rapprochements, you spur stragglers to speed up and thus, you save a lot of valuable time for the next phase of your projects.

You can't be bothered to adjust to the prevailing concerns, and you shake up people's usual way of thinking by asking mind-boggling questions.

This is a quite promising period for all types of manual works.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Your March Forecast

Anger and impulsiveness

Square ♀ Mars ♀ Mars

★★★★★ Valid from Tuesday 14 March till Sunday 19 March included (particularly active on Thursday 16 March, with an orb of 0°20')

Your power of action is declining temporarily. Therefore, it would be wise to wait until this transit is over before taking new initiatives, fighting for your stance, or showing your authority. You may have the nagging feeling that your most basic desires are stymied.

The most impulsive people must beware of new surges of impetuosity. Indeed, they may provoke hasty splits, anger, squabbles, as well as insistent and clumsy protests, because the slightest frustration and the smallest obstacle on the way become unbearable. When not properly used, this aggressiveness may backfire on them, and they will need to watch their movements and their short trips.

Some other people may champ at the bit. They may feel helpless in front of adversaries brimming with vitality and willing to pull the rug from under their feet.

If you must participate in a competition, try to postpone the date because, for the time being, you are not in a position to cope with serious challenges.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a

living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Your April Forecast

 **Hypersensitivity and nervousness**

Opposition  Mars  Moon

★★★★★ Valid from Sunday 9 April till Sunday 16 April included (particularly active on Thursday 13 April, with an orb of 0°18')

These planets are linked by a quintile in your natal chart: the negative effects of this transit may be slightly lessened.

One-off events are upsetting the pace of your daily life and heating up the atmosphere prevailing at home. Since you do not appreciate this situation, you must work hard in order to control your hypersensitivity and your growing nervousness.

At an incredible speed, you go through the whole gamut of the most various moods, and you have the impression that you have lost the landmarks you usually refer to.

Misunderstandings may oppose you to your mother or to a female member of your entourage. Do not get on your high horse, and resist the temptation to offend them.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

R Possible conflicts and rivalries

Opposition ♀ Mars ☉ Sun

★★★★★ Valid from Tuesday 18 April till Tuesday 25 April included (particularly active on Friday 21 April, with an orb of 0°18')

These planets are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Because your energy is not properly canalised, it may get wasted in many directions, and it may not yield satisfactory results. In case of wounded pride, you must minimise the issue, for fits of anger are counterproductive.

Try to calm down, and do not believe that in every remark there is an aggressive intent. People put pressure on you with the will to distract you from your primary goals. Wait a couple of days, and step back to assess the situation. You will realise that you are on the right track and that this is the reason why you arouse a few jealousies.

There is a danger that a quarrel opposes you to your romantic partner.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

R Stormy but frank relations

Opposition ♀ Mars AS Ascendant

★★★★★ Valid from Wednesday 19 April till Wednesday 26 April included (particularly active on Sunday 23 April, with an orb of 0°19')

This planet and your relationship AS-DS axis are linked by a sextile in your natal chart: the negative effects of this transit may be lessened.

Your relations with other people, especially with a colleague, or your spouse if you are married, are tumultuous and marked by power struggles. You consider your interlocutor as a rival or an immediate challenger. In situations of professional competition, this approach constitutes a tremendous boost. You

snatch victory by a hair's breadth, and if unfortunately you are not the winner, you do not give up. You get ready for the fray, and you try to launch a new offensive rapidly.

In the field of romance, fits of anger or overly passionate relations may wreak havoc on your couple or your friendships. Do not listen to your willingness to rule your partner, because you can rest assured that he will not remain passive, and that you will endanger your affection in unnecessary confrontations.

Reflexes and power of action

Trine ♀ Mars ♀ Mars

★★★★★ Valid from Tuesday 25 April till Monday 1 May included (particularly active on Friday 28 April, with an orb of 0°09')

Your power of action is reaching its highest level. To put it to good use, impose your initiatives in a frank and straightforward way without spending too much time examining the situation. Your instinctive knowledge of human beings and of the context in which you are moving enables you to score points and to keep very quick reflexes.

You may be bossy with your friends and relatives. You may also force them to behave according to your interests, but on the whole, your courage, your energy and your outspokenness are very much appreciated. This is a good period for starting sports activities and for all types of competitions.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Your May Forecast

Blunders and overheated mind

Opposition ♀ Mars ♀ Mercury

★★★★★ Valid from Saturday 20 May till Friday 26 May included (particularly active on Tuesday 23 May, with an orb of 0°06')

Right now, your mind is in an overheated state. You try to understand everything, to rule everything, and to participate in all conversations, but you cannot follow any more the speedy pace you have set for yourself. This brings about many incoherent words, blunders, slips of tongue, and brusque moves causing small accidents.

If you are confronted with a problem that you must solve, give yourself a few days to ponder, because right now, you are unable to apply your weak reasoning abilities to the crude reality of facts.

You tend to be overly rigid, which harms your adaptation powers. You wish the world functioned according to your desires, and it is precisely in this biased approach that the main cause of your setbacks

lies.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Domestic changes

Opposition ♃ Neptune MC Midheaven

★★★★★ Valid from Monday 22 May till Wednesday 12 July included (particularly active from Friday 9 June till Friday 9 June, with an orb of 2.19')

It is at home that chaos is raging. Depending on your age and your family status, it is possible that you are dreaming only of escaping from a realm that you consider an unbearable yoke. You are compelled to struggle relentlessly in order to put back on the right track those who live under your roof and who think exclusively of setting off for faraway lands. The confusion prevailing in your dwelling may be of material nature: problems to get a property inheritance, misunderstandings with your landlord, numerous moves, etc. In any case, you must be very vigilant if you are to regain your control over domestic issues.

Your June Forecast

Excess of desires

Opposition ♂ Mars ♀ Venus

★★★☆☆ Valid from Friday 16 June till Friday 23 June included (particularly active on Tuesday 20 June, with an orb of 0°16')

Your affective life is fraught with doubts. Your immediate desires, looming up suddenly in your life, are in contradiction with your wish to preserve a climate of understanding and harmony for yourself as well as for those you love.

Short-lived affairs are very likely to crop up. You will have to decide whether you yield to the appeal of the forbidden fruit, or if you steer clear of it. In either case, frustrations are on the agenda.

Likewise, if you have to hold professional negotiations, or if you are willing to facilitate an agreement or a rapprochement, you will feel a bit disappointed, for you are unable to clearly define your real goals.

You also need to control your shopping frenzy because, right now, the purchases you would make are not too wise.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Reasonable intellectual fertility

Conjunction ♄ Saturn ♀ Mercury

★★★★★ Valid from Saturday 17 June till Saturday 28 October included, this transit is repeated: it previously occurred from 1 January till 28 January (particularly active on Thursday 21 September, with an orb of 0°00')

Conclusion

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will.
