Yearly Forecast for Scarlett

Introduction

Based on techniques which have been practiced for thousands of years and fine-tuned over the centuries, astrology offers distinct information about the events and the emotions that we are most likely to experience: affective life, social and professional life, material life, etc. Among these astrological forecasting techniques, the so-called "forecast by transits" is the most reliable one. This is precisely what we use in this report.

In this technique, the natal chart is superimposed on the transiting planets of the period you have chosen, and all the astrological aspects thus formed are analysed.

By assessing the nature of these astrological aspects formed between transiting planets and these strategic points, it is possible to work out a forecast report not only for a given date but also for a series of dates.

In your document, transits are displayed in chronological order and according to their beginning date. We recommend that you check the Aspectarian, which indicates the duration of each transit: the longer ones are generally the more important ones. In a first stage, you may decide to read them only.

Each forecast text includes several parts:

- a title summing up the main trend of the period,
- An "R" icon is sometimes displayed. It indicates that a planetary link is repeated - i.e. that the transiting and the transited planets are in aspect in the natal chart - which fine-tunes the quality as well as the strength of the transit,
- the nature of the active transit, the planets involved, and the type of major aspect (in forecasting, it is unwise to use minor aspects),
- the period of the transit with automatic detection of the previous occurrence of the transit, if any,
- five coloured stars rating the importance of the transit, calculated on the basis of its duration and its nature: four or five coloured stars indicate an important period with probably visible effects, three stars, a climate of average importance, one or two stars, a short period or little significance. The colour red indicates a period of tension, the colour gold, a sometimes too inactive period of satisfaction, the colour orange, a mixed conjunction transit with a positive or negative impact,
- the interpretation text, which may begin with one or two warnings about the analysis of your natal chart.

Such warnings, sometimes displayed as preambles, constitute valuable additional information for the

analysis of the nature and the importance of the transit. We strongly advise you to read them attentively.

Indeed, the new version of our report includes major improvements and becomes "intelligent". Instead of displaying a mere series of transits, each interpretation is systematically compared with the configuration of the natal chart. The purpose is to detect recurring transits, transits to the Ascendant ruler, as well as natal planets under stress. This is similar to what a seasoned astrologer does in his one-to-one consultations.

Important remark: certain paragraphs are repeated. This is absolutely normal and intentional, for the sake of clarity. Furthermore, seen from the Earth - the reference in astrology - all planets except the luminaries make periodic retrogradations and may pass on a sensitive point of your natal chart several times, producing exactly identical influences afterwards.

To make the most of your report, we suggest that you extensively use the interactivity of the Aspectarian on page 8. With our new functionality, clicking on any transit gives you a direct access to its interpretation. Once you have read it, you can get back to the Aspectarian by clicking on the return icon and so on. In this way, you can easily go to the periods or to the transits you are interested in.

Read your forecast now, bearing in mind that the stars incline but do not compel. Astrology is a tool which should be used to live better, to take action during the most harmonious periods, and to put things into perspective during more challenging periods. The indications provided must not inspire dread but must offer help.

Your October Forecast

Reasonable intellectual fertility

Conjunction ♄ Saturn ♀ Mercury

★★★★★ Valid from Sunday 15 October till Saturday 28 October included (particularly active on Sunday 15 October, with an orb of 1°26')

Mercury and Saturn form a semi-sextile in your natal chart: the harmonious effects of this conjunction are slightly strengthened.

You are going through an intellectually enriching and fruitful period, but you must strive to increase your knowledge and to become a specialist in your area of interest. You easily rid your mind of anything you deem of secondary importance.

You give up a few leisure activities, and you distance yourself from the acquaintances you consider frivolous or... useless. Disenchantment sinks in you, and you doubt everything, but this may prove fruitful if you focus on a study or on a research.

You may hang out with your dissatisfaction and adopt misanthropic attitudes. Your communication with your friends and relatives is upset and slowed down, either because you lack energy, or because of outside events such as lost letters or all kinds of delays.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

R Dynamism and imagination

Sextile ♂ Mars ☾ Moon

★★★★★ Valid from Sunday 15 October till Monday 16 October included (particularly active on Sunday 15 October, with an orb of 1°14')

These planets are linked by a quintile in your natal chart: the harmonious effects of this transit may be slightly increased.

This is an excellent period for solving rapidly and with determination the problems pending with your family members or those related to the place where you live.

You are witty, your reactions are quick, and you find colourful retorts which make people laugh and which put them on your side.

If you are a trader, you have a lot on your plate, but this extra work makes you very happy.

Your enlivened imagination helps you deal with the reality of daily events. The hell with unproductive reveries! You manage to adjust your desires to your real possibilities.

You come across as a dynamic person, which prompts some of your friends and relatives to use your services. You do not shirk your responsibilities, and you are concerned about people who are more vulnerable than you.

During this period, owing to the fact that the natal planet receiving this transit is in your 12th House, it is likely that, beyond or, in addition to the effects described above, you feel that the areas indicated by this House are affected: your inner self, ordeals, hidden enemies, sickness sometimes, but always with a prospect of evolution, solitude, some degree of isolation, whether it is chosen or imposed by the situation.

R Harmony and affective closeness

Sextile ♃ Neptune ♀ Venus

★★★★★ Valid from Sunday 15 October till Tuesday 23 January included (particularly active from Monday 20 November till Monday 20 November, with an orb of 1.14')

These planets are linked by a conjunction in your natal chart: the harmonious effects of this transit may be increased.

Your emotional life is particularly intense. You are in total unison with all living beings. You are obliging and helpful, and always prepared to embark on idealistic adventures. Fortunately, you fully control your surges and your emotions, and you do not allow anyone to overwhelm you.

As for romance, everything concurs to make you achieve – or regain – perfect harmony with your partner as well as with your friends.

Your acute sensitivity may be channelled into the artistic field where inspiration comes to you effortlessly.

Entertainment, celebrations, and outings offer the opportunity to make enriching discoveries at the human level.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

You are endowed with a great deal of indomitable energy. Use it to solve all your pending problems. You do not beat about the bush, you raise salutary arguments, and you are self-assured enough to impose your will.

Decisions regarding your primary goals ought to be taken without further delay. Once you have made the first step, you will realise that you have pushed aside the obstacles which appeared insurmountable to you, just a few days ago.

You succeed in imposing yourself with firmness in a male-dominated environment.

This period highlights your vitality, your personality, your will to assert yourself, your behaviour or the way you look. Therefore, it may have an influence on your personal growth, since the natal planet involved in the transit is in the 1st House of your chart.

Inopportune hostility and dangerous pugnacity

Square ♃ Jupiter ♂ Mars

★★★★☆ Valid from Monday 23 October till Sunday 12 November included (particularly active on Thursday 2 November, with an orb of 0°03')

You believe that external circumstances, and more particularly social structures and codes, constitute the obstacles which prevent you from expressing your desires. As a result, your vitality is lowered, and you champ at the bit.

This smothering situation is the reason why you behave with aggressiveness and consider that every discussion is a bone of contention. You ought to find an outlet for your repressed violence. Practicing a sport seems very suitable. You could also put your pugnacity and your debating talent at the service of an ideological or a humanitarian struggle.

In either case, be careful not to go beyond your capacities of resistance, both physical and psychological. By living on the edge the way you do, you may end up having a nervous breakdown after a silly temper tantrum or a clumsy move.

Your power of action is reaching its highest level. To put it to good use, impose your initiatives in a frank and straightforward way without spending too much time examining the situation. Your instinctive

knowledge of human beings and of the context in which you are moving enables you to score points and to keep very quick reflexes.

You may be bossy with your friends and relatives. You may also force them to behave according to your interests, but on the whole, your courage, your energy and your outspokenness are very much appreciated. This is a good period for starting sports activities and for all types of competitions.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

Your November Forecast

Frustrations and emotional wounds

Square ♀ Mars ♀ Venus

★★★★ Valid from Saturday 4 November till Saturday 11 November included (particularly active on Tuesday 7 November, with an orb of 0°14')

During this short period, you must harden your heart and protect yourself carefully against emotional traps. Indeed, you run the risk of being disappointed by those you love. You may also get the impression that everyone intends to harm you. It must be underlined that, despite everything, such attacks are not very serious and that, because you take everything to heart, you tend to pay too much attention to mere absent-mindedness and omissions devoid of malevolence.

Right now, do not strive to hold any thorny negotiation, and do not seek any reconciliation, because your high-strung disposition does not speak for you.

Watch your expenses, for the urge to splurge is nothing but a means to let off steam when your frustrations are overwhelming, and in the end, you will find yourself cluttered with items you do not like at all.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

In your professional circles, support from friends or unexpected favours help you progress and show yourself to advantage. Accept them wholeheartedly, and express your gratitude without fearing ulterior motives.

Although you are in a spendthrift mood, at the last minute, you refrain from overstepping your limits, and you do not jeopardise your budget.

If you practice an artistic activity, it is with eagerness that you create. Your works are most likely to receive public acclaim.

You can't be bothered to adjust to the prevailing concerns, and you shake up people's usual way of thinking by asking mind-boggling questions.

Anger and impulsiveness

Square ♀ Mars ♀ Mars

★★★★★ Valid from Thursday 14 December till Wednesday 20 December included (particularly active on Sunday 17 December, with an orb of 0°05')

Your power of action is declining temporarily. Therefore, it would be wise to wait until this transit is over before taking new initiatives, fighting for your stance, or showing your authority. You may have the nagging feeling that your most basic desires are stymied.

The most impulsive people must beware of new surges of impetuosity. Indeed, they may provoke hasty splits, anger, squabbles, as well as insistent and clumsy protests, because the slightest frustration and the smallest obstacle on the way become unbearable. When not properly used, this aggressiveness may backfire on them, and they will need to watch their movements and their short trips.

Some other people may champ at the bit. They may feel helpless in front of adversaries brimming with vitality and willing to pull the rug from under their feet.

If you must participate in a competition, try to postpone the date because, for the time being, you are not in a position to cope with serious challenges.

The natal planet involved in the transit is in your 2nd House. It is directly linked to the way you make a living, your personal finances, your income and the money you earn. Therefore, it is likely that this period coincides with a modification of your material life.

You are in physical and emotional communion with your environment. Collective gatherings, invitations from friends, and leisure travels are the source of great joys.

If you practice an activity dealing with artistic or aesthetic topics, you will be blessed with inspiration, and your hand will follow punctiliously the commands of your mind. If you are involved in situations requiring diplomacy, you will manage to get out of it advantageously. If you manage to exteriorise the energy which is in rooted you, you will be able to take the strong initiatives required to improve your life and that of your family members.

You have the feeling that your vitality is at its highest level, and you are driven by the urge to take action in spite of everyone. Practicing a sport is highly recommended.

With your friends and relatives, you exercise your authority with inflexibility, and you strive to solve pending problems with extreme determination. The confusion prevailing in your dwelling may be of material nature: problems to get a property inheritance, misunderstandings with your landlord, numerous moves, etc. In any case, you must be very vigilant if you are to regain your control over domestic issues.

These planets are linked by a sextile in your natal chart: the harmonious effects of this transit may be increased.

You are endowed with a great deal of indomitable energy. Use it to solve all your pending problems. You do not beat about the bush, you raise salutary arguments, and you are self-assured enough to impose

your will.

Action and determination

Conjunction ♀ Mars ♀ Mars

★★★★★ Valid from Wednesday 23 May till Sunday 10 June included (particularly active on Wednesday 30 May, with an orb of 0°07')

In your chart, Mars receives one or many major challenging aspects. Therefore, this conjunction is mixed and its effects may be two-edged, sometimes positive but sometimes ambiguous.

You are driven by a pressing need to take action, to face up to sheer reality, and to impose your decisions. Depending on your natal predispositions, this transit will produce more or less concrete effects.

If you have developed a strong and well-controlled dynamism in the past, and if you are extremely familiar with the ground on which you are moving, there is nothing you should worry about. Indeed, your initiatives will be fruitful, and your activities will progress significantly.

If you have difficulty in asserting your views, you may get the impression that you are back to square one, bogged down by the same old shyness, and that you have no idea how to break the deadlock.

Conclusion

Astrology unveils many secrets to those who have a keen sense of observation. The exercise is worth it. Never forget that it describes climates and tendencies, never fatalities, and that there is much room left for your spirit of initiative and your willpower.

An excellent astrological climate does not necessarily bring about concrete events when there is no will and no action. Similarly, potential dangers underlined in the forecast may be limited or eliminated on condition that one remains serene, puts things into perspective, and understands how some ordeals may be beneficial, would it be at the spiritual level only, i.e. by asking oneself relevant questions on the purposes of life and by looking for the answers with determination.

Do not forget that the fact that you know the forthcoming astrological climates must never become a burden. Astrology is meant to serve humans beings. It is not meant to be disturbing.

It is also a tool enabling to understand that everything functions on a cyclic basis. The planets' endless dance through the signs and the applying and separating aspects they send to your natal chart have many ups and downs, exactly like life events. For this reason, we tend to believe that everything is a matter of context, including all the satisfactions, pleasures or disappointments indicated in your report, and that you should keep your serenity and your free will. This is how you can make the most of the indications described in your astrological weather forecast.
