Compatibility Report Marion and Guillaume

Introduction: Relationship Analysis

This report integrates all the astrological parameters used by professional astrologers in their comparative studies of a couple's charts, also known as synastry, and uses a comprehensive methodology based on compatibility calculation: we compute the outcome of all the possible combinations existing between two charts and we establish a conjugal index, an affective index, a physical index for the couple's compatibility, and a communication index.

The programme takes eleven major and minor aspects into account, weighing with accuracy formulas for each aspect and rulership. It also analyzes fifteen astrological items (planets and angles, Chiron, Lilith and the Lunar Nodes axis). All the above factors are used for the study of couples and the assessment of our four compatibility ratings or indexes:

The conjugal index

describes the essence of the relationship in view of a marital relationship. It explains the basis and the structure of the link. It is the most important element among the four series of information that are provided here.

The affective index

describes the strength of the sentimental components; it is one of the elements of the relationship structure.

The physical index

gives an idea of the sexual attraction. It indicates only a tendency and you must bear in mind that this very subtle kind of forces may not always express themselves in a constantly equal way, but that they may vary significantly according to other modes of exchange.

The communication index

describes the easy flow of your exchanges, regardless of any affective and physical context. It provides additional and interesting information and may be a binding and amplifying agent among other modes of exchange.

These four indexes or ratings are given a grade between 0% and 100%.

Introduction

What is the concrete meaning of these ratings? They indicate the smoothness of exchanges between two persons and not the quality of their love. Indeed, both partners retain their own choices, their relationship problems or their peculiarities: therefore, it is possible to get ratings nearing 100% although the relationship does not have a positive outcome. Please, never forget a few obvious rules and facts such as in the following examples:

- everyone has one's own character and, for instance, if someone has a predisposition for a belated marriage, an encounter at the age of 18 with a compatible person does not necessarily result into a marriage or a relationship, even if the rating is very high.
- each life goes through very different periods. We may not be available for amorous relationships because we are already involved in a couple or because our state of mind is not conducive enough etc. Therefore, meetings with persons with whom ratings are very high do not necessarily result into a relationship.
- some couples may have quite low ratings; this does not mean unhappiness or problems in the relationship. A conjugal rating of 35% or 40% is absolutely not incompatible with a life-long relationship. The ratings cannot really give information on the intensity of your relationship, which defies these types of criteria. We underline again that we are dealing here with smoothness and not with quality and that two persons with an index of 30% or even 10%, will not experience an "inferior" quality of love, compared to a couple with an index of 80%: the difference probably comes from the fact that they will need to put a lot of energy and efforts in the relationship in order to enhance it and to make it last.

Please, do bear in mind that these figures represent a tendency and not a final verdict, because of all the factors we have just explained.

This report describes in detail the characteristics of your couple's relationship, sorted out in order of importance. They are arranged in two chapters, the first one deals with the relationship from an amorous perspective only, while the second chapter deals with its human aspect, not specifically amorous, which is the communication plane; of course, both parts are linked to each other since the relationship forms a whole. Read them once again, you will most probably be amazed and you will see for yourself how accurate they are. However, please bear in mind that a human relationship is complex and may contain contradictions, which our report cannot highlight, for obvious reasons: indeed, the synthesis of the compatibility indexes with their texts is the only tool that allows to understand properly your couple's relationship.

Your four compatibility indexes are provided with a comment regarding their values.

Love Characteristics

Your Strong Points

★★★★★ Conciliation aspect ☾ Moon ☾ Moon, Strength: 144.0

At once, instinctively, you understand each other without talking. The good mood of either partner is immediately appreciated and communicated to the other one. Therefore, the pleasure of being together is constant. The relationship is easy, pleasant, sometimes superficial, but it is so nice that you naturally tend to be willing to live in such a good company. Sympathy, charm and humour: here are the words that best characterize your exchanges. Although your affectivity may not be involved deeply, in any case, you are on the same wavelength. The danger is that the mood swings of one of you affect the other one automatically. Try to retain the positive side and set aside your "emotional fusion" whenever a problem is upsetting one of you, so that the other one can be of comfort.

★★★★★ Conciliation aspect ♃ Jupiter ♀ Venus, Strength: 100.1

The compatibility within your couple is very good and there is every chance that all will be well: Marion's warm benevolence and Guillaume's softness are in a state of constant receptivity. This link often translates into a legalization of the couple. You will harmoniously set up home and start a family where each of you will play a complementary role: Marion will take action and initiate your projects, while Guillaume will wonderfully run the home and all matters related to it, from child-rearing to receiving your numerous friends. Guillaume appreciates Marion's wisdom and optimism. In return, Marion is excited by Guillaume's artistic qualities and soothing affection.

Your Relationship

★★★★★ Conciliation aspect ♀ Mercury ♀ Venus, Strength: 69.6

Gentleness and affection on the one hand, and easy communication on the other hand, your qualities are in a state of permanent receptivity and bring about a most pleasant comprehension. Marion enjoys continuously talking, explaining and expressing her ideas, while Guillaume encourages her through a warm attitude, which provides her with the necessary confidence and stimulation. In this way, Guillaume can inspire Marion's literary or intellectual creativity and, why not, he can help her disseminate her ideas and contribute to her success in this regard. Marion will always find in Guillaume the affectionate support she needs in her difficult moments or when her creativity lacks inspiration.

★★★★★ Conciliation aspect ♄ Saturn ☾ Moon, Strength: 54.0

Continuance and security are on your side! Of course, superficiality and frivolousness are not your relationship's priorities. Guillaume particularly appreciates Marion's seriousness and sense of responsibilities and Marion is very keen to dedicate herself to your common interests. If only she could express her emotions better, all would be perfect. However, Marion's commitment and the long-lasting security she provides are major assets. Guillaume readily adjusts to Marion and, as the former learns the rules of life together, he earns Marion's esteem because the latter tends to behave more like a parent or a teacher rather than a partner. But to each, his/her own, is it that irksome?

★★★★★ Conciliation aspect ☉ Sun ♇ Pluto, Strength: 50.9

There is an obvious and mutual need for deep transformation between you. If each of you is open to important self-questionings, your relationship promises to be intense: an almost innate understanding, as well as emotional and sexual compatibility are on the agenda. Marion is under the spell and wants to help Guillaume gain confidence in his own capacity for self-expression, while in return, Guillaume tremendously admires her determination and her radiance and encourages its revival in order to start anew. Guillaume plays a kind of catalyst role for a remarkable evolution of your couple and deeply influences the future of your relationship.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

Your Relationship

★★★★★ Conciliation aspect ♃ Neptune ♂ Mars, Strength: 19.1

The association of water with fire is usually impossible, but in this case, it may prove harmonious in the sense that Marion's sensitivity and kindness allow Guillaume's capacity of action to be expressed to the fullest: actually, you are "compatible" and Guillaume's dynamic attitude balances Marion's idealistic and passive sides. On the physical plane also, harmony is likely to settle in, Guillaume being the relationship's mobile and active pole, and Marion expressing her charm, compassion and seductive power.

★★★★★ Conciliation aspect ♂ Mars ♀ Venus, Strength: 16.1

This is the best possible sign of physical compatibility between two persons and it had to be yours! Both of you have the luck of the devil because you can freely express all your desires and experience them together without restraint in harmony and voluptuous pleasure. It is not exaggerated to say that the contact between you is magnetic, even electric: you are highly sensitive to the physical presence of your partner and both of you equally appreciate the other one, a little bit as a child appreciates chocolate! In your couple, Marion is more active and dynamic, but it does not prevent Guillaume from launching charm offensives and being very successful. Sometimes, the relationship is not an amorous one but both of you tremendously enjoy being together.

★★★★★ Conciliation aspect ♇ Pluto ☾ Moon, Strength: 13.6

It is likely that your relationship is very intense, even mesmerizing, because of Marion's arousal powers over Guillaume. There is a strong polarity that creates a flow of attraction between you, with Marion's personality naturally and deeply influencing Guillaume. It is often the sign of an important sexual exchange, the sources of which are buried deep down in you. They are instinctive forces that do not flow through rational or sentimental channels but that are expressed in the physical body, irresistibly. Marion will immediately pick up Guillaume's mood and character and she will know how to take advantage of them, in most cases, for the sake of your common well being.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ♀ Venus ♄ Saturn, Strength: 10.9

There is a wonderful sign of quality and durability in your relationship. You have every chance to avoid sudden and unfair splits because your mutual feelings are altogether calm, tender and responsible. Marion can certainly rely on Guillaume in spite of the latter's natural reserve, and Guillaume can stabilize any affective overflow... both ways. Therefore, trust is prevailing and you can rely on each other on a long-term basis. Guillaume's sense of responsibilities looks out for squalls, his honesty, his integrity and his sense of duty are such that it is very likely that you will go a long way together and for

Your Relationship

a long time.

Your Weak Points

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Tension aspect ♃ Uranus ☾ Moon, Strength: 18.6

The tension between you is high and it can endanger the duration of your life together. Marion may display a powerful intellectuality and eccentricity and she may not express her emotions enough, while Guillaume may painfully resent this type of behaviour. The relationship is often electrical, which is beneficial, if there are other strong affective soothing elements. In that case, both of you are able to adjust to Guillaume's fascination and Marion's unpredictability, without too many difficulties. In any case, remain watchful and do not allow anything to open a breach in the solidity of your exchanges. Otherwise, you may brutally be separated although your relationship does not deserve it.

Communication Characteristics

Your Strong Points

★★★★★ Conciliation aspect ♃ Jupiter ☉ Sun, Strength: 106.8

In your relationship, both partners encourage the other one to improve one's situation: Marion stimulates Guillaume's confidence and provides him with support and protection, while Guillaume, lost in admiration, helps her appear in a flattering light and blossom. You share the same vision of life and the same need for truth. Therefore, you enjoy very much being together, exchanging ideas and concepts on philosophical, cultural or religious topics. Under these stabilizing, even conformist influences, you are likely to legalize your amorous relationship, which will always be based on respect and comprehension.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ☉ Sun ♀ ASAS, Strength: 76.1

Mutual sympathy and closeness develop instantly between you. You often have the same reactions, and this fact brings about a feeling of familiarity that may create a very tight bond. Your instinctive trust in the other one facilitates your exchanges and you are mutually encouraged to project your best image

Your Relationship

and to increase your self-confidence. Each of you find your place within your couple and, without rivalry, you can cooperate with a view to achieve a common task.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ♀ Mercury ☿ Uranus, Strength: 67.6

So many mutual intellectual and nervous stimulations! It is certain that there can be no boredom when you are together. One of the partner's original ideas and style of personality arouse the interest and the curiosity of the other one. Your exchanges are continuously lively and almost telepathic! Swiftiness prevails and reactions are quick. You can spend hours shifting from one topic to another one, both of you being carried away by innovative ideas or off the beaten path concepts, irresistibly engrossed in bright, endless, verbal and mental jousts. Your shared mental activities stir up your creativity with dazzling ideas sprouting all over. They make you evolve in such exquisitely original ways.

★★★★★ Conciliation aspect ♀ Mercury ☉ Sun, Strength: 59.1

Both of you have a very strong capacity to communicate and an obvious intellectual tie that allows Marion to most efficiently express all her ideas, while Guillaume is always available and lends a sympathetic ear. The smoothness of your connection benefits the comprehension within the couple but it is also a major asset for any professional cooperation where contacts, communication and words play an important role. Whether you share a commercial activity, or whether you participate together in a more literary work, you can work together very well: Guillaume usually shows the way while Marion analyzes all the possibilities and dissects the best strategies.

★★★★★ Conciliation aspect ☉ Sun ♆ Neptune, Strength: 33.7

You certainly have the feeling that you are experiencing a privileged and mystical relationship where both of you share the same spiritual values. Each partner is idealized and your feelings are stamped with great romanticism. Guillaume deeply values Marion's brilliant abilities and helps her express herself with more sensitivity and develop her intuition. Marion welcomes Guillaume's adoration and, in return, she encourages him to give concrete expression to his dreams through increased creativity. You enjoy participating in artistic activities where each of you can improve at the other one's contact.

★★★★★ Conciliation aspect ♁ Mars, Strength: 33.0

You stimulate each other and your efficient cooperation is wonderful: Guillaume's entire energy and effort blend perfectly well with Marion's objectives, which fully benefit from this dynamic support. Guillaume's actions

Your Relationship

and demands vis-à-vis Marion have a major impact on the latter's career or even, her destiny, in concrete and visible ways. In a couple, this nice combination allows you to achieve your goals through your joint efforts. Your personalities are appropriate and complementary and yield results that particularly benefit Marion's personal interests.

★★★★★ Conciliation aspect ☉ Sun ♂ Mars, Strength: 29.9

This aspect brings a lot of energy within your couple; each partner feels boosted by the presence of the other one and both of you can better reach your objectives. You encourage each other, you assert yourselves more positively and you enjoy practicing a professional or sports activity together. Marion encourages Guillaume to behave with more self-confidence while Guillaume prompts Marion to take action more often. This spontaneous relationship, devoid of inhibition on both sides, also translates into great physical attraction. Although Guillaume may try to dominate Marion, your common desires will always be strongly stimulated in your couple.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ♃ Pluto ♂ Mars, Strength: 23.6

Your relationship is powerful and you feel a deep and mutual attraction. Both of you are equally active in the relationship, Guillaume displaying spontaneity and straightforwardness, while Marion's self-expression is more mysterious and instinctive. Marion's ascendancy over Guillaume allows her to penetrate his subconscious and to use this asset to guide his strengths. On the physical plane, your attraction may be very intense and both of you express your energy with satisfactory outcomes. If you are not in a couple, you can nevertheless fully release your creativity through concrete outlets that require a lot of resources.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Conciliation aspect ☾ Moon ♀ Mercury, Strength: 19.6

You are so lucky: Guillaume instantly and almost magnetically understands Marion's mood and he can communicate with the right words, in the simplest and most natural way. Marion can rejoice that her sensitivity is instinctively perceived by Guillaume. This type of communication is excellent for all forms of cooperation, far beyond the amorous relationship. Marion's imagination and mood influence Guillaume's intellectual inspiration and the sole fact that you are together constitutes the perfect stimulation. Marion appreciates

Your Relationship

Guillaume's brilliant mind and therefore, communication is strengthened and enriched for both of you.

★★★★★ Conciliation aspect ♀ Mercury ♀ Mercury, Strength: 18.7

Your thoughts are always in phase, they are identical or, even better, complementary. It is an on-going renewed pleasure for both of you to talk, to reinvent the world, to weigh the alertness of your minds, and to exchange ideas, till your thirst is quenched. You share a very great number of centres of interest. You are able, not only to share many entertaining activities, but also to work together most efficiently and in a pleasant atmosphere. Learning, understanding and communicating are the major assets of your relationship.

★★★★★ Conciliation aspect MCMC ♃ Jupiter, Strength: 16.5

This excellent combination indicates that with Guillaume's unconditional support and benevolence, Marion can discover new social circles or achieve her human or professional objectives. Marion's social status is enhanced as Guillaume spares no effort in order to favour Marion's position and to encourage her self-confidence. This is a sign of strong protection from Guillaume to Marion who, in return, will play an important role in the development of Guillaume's abilities to display his own assets in your joint projects.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ♃ Pluto ASAS, Strength: 15.0

Your bond is instinctive and brings about a very subtle, sensitive and sensual communication that is able to arouse very powerful feelings on both sides. You encourage each other to improve yourselves: Marion helps Guillaume gain awareness about the necessity to question himself and to develop his own priorities, while Guillaume strongly boosts Marion's psychical energy. You can experience a great, intense and exclusive passion, however, Marion tends to dominate and control Guillaume who may develop a sort of dependency that, strangely enough, will be well accepted because the relationship is such a harmonious one.

★★★★★ Conciliation aspect ♂ Mars ♃ Uranus, Strength: 14.4

Your exchanges are more than electric and, whether you like it or not, they are stimulating and make you move on! High tension prevails, multiplying the number of your joint activities and boosting your respective behaviour. Marion's energy overflows, while at her contact, Guillaume keeps on releasing his originality and his inventive genius. Obviously, none of you can stay still. If you are a couple, you probably feel an... electric physical attraction and you think that you are meant for each other. Your daily life is full of surprises and

Your Relationship

changes and, although you are very fond of movement, above all, you appreciate staying together.

★★★★★ Conciliation aspect ♃ Jupiter ♂ Uranus, Strength: 14.3

Marion puts her entire benevolence and her warmth at the service of Guillaume's originality and audacity. In some cases, you make a very peculiar tandem where the inventive genius of your private or professional couple can express itself strongly because your complementarity favours any bold project you participate in.

★★★★★ Conciliation aspect ♇ Pluto ♃ Jupiter, Strength: 13.5

Marion's ascendancy over Guillaume may have a positive transforming effect and may encourage his ambitions and his actions in the fields of business, politics, as well as his moral and philosophical ideas. As both of you unite your strong intuition and optimism, you give yourselves the means to achieve projects together and also, to be successful on a more personal plane, in your couple's life.

★★★★★ Conciliation aspect MCMC ♆ Neptune, Strength: 12.1

Guillaume's ideals strongly influence Marion who wants to orientate her philosophical, moral or artistic conceptions in a similar direction. Guillaume inspires Marion and contributes to her spiritual development. There is some feeling of inaccessibility around Guillaume that may create strange emotions in Marion's heart. However, your bond is positive and your exchanges greatly influence Marion's destiny.

★★★★★ Conciliation aspect ♂ Mars ♄ Saturn, Strength: 11.5

Action and movement are coupled with stability and patience: this is an original mix that may bring about excellent assets to both of you. Marion is the mobile and active element, while Guillaume is the moderating agent who never loses sight of your common responsibilities. It is clear that your cooperation requires some time to get started but you both take advantage of it and, once it gets into its stride, you know perfectly well your roles within your couple. You can work together very well, with exemplary complementarity.

★★★★★ Conciliation aspect MCMC ♄ Saturn, Strength: 11.5

Guillaume is particularly demanding and picky about Marion's objectives but he earnestly and persistently supports Marion's ambitions. Step by step, Guillaume teaches Marion to make long-lasting efforts in order to achieve success. Marion quickly understands that, although Guillaume may appear as a wet blanket, it is her own good that is at stake. Therefore, filled with admiration, Marion readily accepts Guillaume's unfailing support.

Your Relationship

Guillaume is somehow the power behind the throne in your tandem or in your couple.

Your Weak Points

★★★★★ Tension aspect ♀ Mercury ☾ Moon, Strength: 40.4

Having a bit on the side, without real consequence, may spoil the communication between you: in many instances, Guillaume may painfully resent Marion's criticisms as she always finds the right words that hurt him. Marion is not very sensitive to his moody reactions, therefore, Guillaume cannot share his emotions on the moment. There may be a danger if Marion insists too heavily on getting explanations because this behaviour will not calm things down. The solution for both of you is to simply let go and try to discuss a different topic.

★★★★★ Tension aspect ♂ Mars ♀ Mercury, Strength: 40.1

You must remain cautious when you exchange ideas, lest you create an atmosphere loaded with rivalry or hostility. Marion tends to criticize Guillaume's ideas and cannot refrain from provoking him. Marion may rapidly feel rebellious and does not want to intellectually express herself any more whenever you are together. The key to your harmony is in Marion's self-restrained attitude and in Guillaume's leniency. It is only after such an effort that both of you can learn to communicate and to live together in harmony.

★★★★★ Tension aspect ☉ Sun MCMC, Strength: 38.2

In business, Guillaume does not spontaneously agree with Marion's will. A period of understanding is necessary for both of you to become able to efficiently reach your common goals. Marion may display a facet of her personality that is tough or lofty, which may provoke incomprehension and blocks and hinder your cooperation. Guillaume must do his utmost in order to earn Marion's confidence. In return, Marion must water down her wine so as to avoid misunderstandings and obstacles that slow down the achievement of your common objectives.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

Your Relationship

★★★★★ Tension aspect ASAS ♄ Saturn, Strength: 14.9

Guillaume constantly criticizes and imposes limits on Marion whom he sees as self-centered and immature. Guillaume may hinder Marion's freedom of expression and personal fulfilment. As a result, Marion may end up questioning her self-worth and Guillaume's love. Guillaume may also be frustrated by the decisions Marion takes hastily without consulting him beforehand. It is Guillaume's turn to question his role within the couple. Therefore, your relationship may uncover both partners' complexes and shortcomings, and in some cases, it may even be stiffened by the boredom of routine.

Potential Mutual Influences

When we compare two astrological themes, in addition to the blatant and directly active relations that were delineated above, there is a number of potentialities which describe secondary mutual influences playing out in different life areas: they are not visible at once, as their effect is not direct, but they shed complementary light which fine-tunes certain attitudes between two persons. Indeed, in the long run, these different energies play out in a more noticeable way and will contribute to the relationship's richness and complexity. We analyze them here in ten short chapters addressing each of the ten types of energy involved. Please, keep in mind that they will not be understood and felt until the relationship has matured.

Your Mutual Encouragements

Sympathy and mutual closeness develops instantly between you. You often have the same reactions, and this fact favours the emergence of a feeling of familiarity giving rise to a very tight link. Your instinctive trust in the other one facilitates your exchanges, encourages you to mutually give the best image of yourselves and to develop your self-confidence. Both of you find your respective place within your couple and, without rivalry, you can cooperate with a view to achieving a common task, with Marion as the most active pole of your bond. The other side of the coin is that there may be some competition between two strong wills striving to impress each other. Thus, the image that both of you project is accentuated by the partner and this "mirror" effect highlights realities that you both would have preferred to leave in the dark.

More often than not, Guillaume picks up Marion's flaws too quickly and it is clear that none of you should rely too much on appearances because they are deceitful. There is a real danger that you undergo moments of doubts but, in compensation, Guillaume may operate a beneficial transformation on Marion. Magnetism is the basis of your deep mutual physical attraction. In addition, the Tradition also associates this configuration with events that may cause

financial problems.

Your Mutual Influence When Facing External Events

Marion instinctively understands Guillaume's major objectives and helps him achieve them. Guillaume finds in Marion all the support and the warmth he needs in order to believe in his own capacities. Marion is often behind Guillaume's meetings with an audience or with external supports, within the circle of your friends or your customers, if you work together in the same company. Guillaume's reputation and fame are shown in a flattering light when Marion stands by his side. This excellent configuration of shared ambitions and objectives may also greatly contribute to your couple's harmony and further its integration within your respective entourages. In some cases, the danger is that Marion may harm Guillaume's reputation through carelessness or foolishness

Your relations seem natural and obvious. You both feel in confidence and you give free rein to your emotions in a warm and relaxed way, without having to worry about what the other one thinks. Marion has her head full of projects and she widens your couple's scope of vision, through meetings with new friends for instance, while Guillaume welcomes them in a convivial and fanciful atmosphere. Guillaume may also offer his intuition and his imagination, which are beneficial to Marion's undertakings.

Your Mutual Stimulations in the Field of Communication

Your relationship is intellectually very stimulating, with each partner positively influencing the other one's personality and thoughts. Marion gives Guillaume ideas so that Guillaume can improve his self-expression, while Guillaume encourages Marion to take action and to implement her own theoretical representations. Your capacity for communication alleviates any possible difficulty and allows you to pursue together this positive association of thought and action. However, Marion's remarks may be too impulsive, which may hurt Guillaume's sensitivity.

Communication is particularly lively between you. Guillaume strives to exploit his best qualities in order to bring together your respective views and ideas. Swift exchanges, sometimes quite harsh ones, and verbal jousting, spice up the numerous debates both of you enjoy so tremendously.

Your Reciprocal Abilities for Creating Harmony

The strength of your relationship comes from the subtle harmony between amorous feelings and friendship, which prompts you to share many centres of interest. A warm and positive atmosphere allows both of you to feel free: Marion brings her artistic touch and her charm, while Guillaume's original ideas broaden your social horizon. Both of you encourage each other to instil

more creativity and spontaneity into your projects.

It is likely that your relationship is experienced on the passionate mode. Guillaume exercises an intense fascination over Marion and arouses unknown desires. In all cases, Marion can rely on Guillaume's understanding and moral and affective support, particularly when life's hardships tell Marion that it is time to challenge herself and to try to transform herself. There is no doubt that, at that point, Guillaume will be present with his warmth and will soften these difficult periods.

Your Mutual Stimulations in the Field of Action

In your couple, Marion encourages Guillaume to discover new horizons and to compare new intellectual and philosophical ideas. Both of you have many debates about different approaches to life and you also share a deep interest in foreign cultures. Thanks to Marion's enthusiastic and dynamic initiatives, you travel frequently in order to put your beliefs into practice and to test them.

There is often a strong physical attraction between you; usually, it does not take long before Guillaume lets Marion know it, sometimes with great impatience. Then, Marion reacts either with good humour, or with irritability if Guillaume has been too insistent... Besides, Guillaume may encourage Marion to express her creativity without restraint or even, her desire to have children. Both of you enjoy sharing sports activities that imply some degree of competition.

Your Assets, Protections and Abilities for Success

This sign of happy association between you is often found in married couple's charts. Marion's fame and charisma efficiently contribute to enlarging the circle of your friendly or professional relationships and in the long run, they endow your relationship with longevity.

Shared pleasure, artistic creations and leisure activities are inexhaustible sources of joy for both of you. Guillaume enjoys pleasing Marion and provides her with warmth and enthusiasm.

Lessons Drawn From Experience and Your Responsibilities

Marion is particularly demanding and pernickety regarding Guillaume's objectives but she earnestly and persistently supports Guillaume's ambitions. Step by step, Marion teaches Guillaume to make long-lasting efforts in order to achieve success. Guillaume quickly understands that, although Marion may appear as a wet blanket, it is for his own good. Therefore, Guillaume admires Marion and readily accepts her unfailing support. Marion is somehow the power behind the throne in your couple. At times, Guillaume may find Marion's attitude too austere and rigid.

Your Relationship

How You Motivate Each Other and the Impact on Your Uniqueness

Both of you influence the other one's material behaviour: Marion encourages Guillaume to show more detachment and thoughtlessness in this area - which may lead to some carelessness -, while Guillaume supports Marion and helps her gain a more pragmatic and concrete perspective. As a consequence, Marion's intuitive abilities, which are always ready to be expressed, fully benefit Guillaume.

This characteristic is found in both of you. Thus, it is particularly typical of your relationship.

Idealism, Compassion and Euphoria

Marion favourably influences Guillaume in artistic areas and in everything related to sensitivity and art in general. Marion gently communicates her frames of mind, which are at the same time mystical, wandering and stimulated by an ever-renewed imagination. Sometimes, communication runs so deeply between you that you have the feeling that you are both telepathists! But your exchanges are so rich and overwhelming that you may be confused and you may not know any more where you stand when more concrete matters are involved.

This characteristic is found in both of you. Thus, it is particularly typical of your relationship.

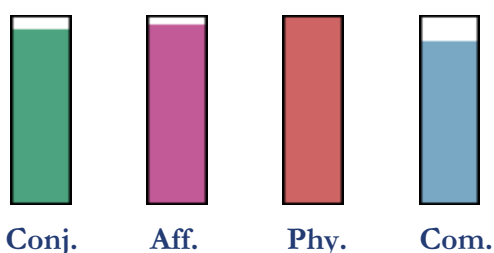

Awareness Gaining and Transformation Factors

Your bond is instinctive and can bring about a very sensitive and sensual communication that is able to arouse very powerful feelings on both sides. You encourage each other to improve yourselves: Marion helps Guillaume gain awareness about the necessity to question himself and to develop his own priorities, while Guillaume strongly boosts Marion's psychical energy. You may experience a great, devouring and exclusive passion, however, Marion tends to dominate and control Guillaume who may develop a sort of dependency that, strangely enough, will be well accepted because the relationship is such a harmonious one. In a few cases only, power struggles may develop, owing to Marion's attitude.

This characteristic is found in both of you. Thus, it is particularly typical of your relationship.

Disclaimer

As explained in our introduction, the above ratings and comments constitute only average figures based on the inter-aspects found in your synastry. The most significant part you should read is in the important relevant paragraphs and not in this conclusion, which is given for information purposes only.

Very low compatibility ratings do not rule out long and fulfilling relationships. Conversely, high ratings may not lead to the couple you are dreaming of: one's astrological climate - especially that given by your transits - as well as your natal chart may provide valuable and additional indications for the future of your relationship.

Conclusion

We hope that this Report has shed light on how your relationship works, as well as on the various aspects of your respective personalities.

There is a point that we deem necessary to underline: in our conclusion, we want to insist one last time on the meaning of the compatibility ratings; the marks that quantify your affinities never give an implacable verdict regarding the quality of your couple's relationship.

Here, we are dealing with the more or less smooth way in which you actually experience your relationship, and under no circumstances, are we addressing its beauty or its strength.

For the sceptical ones who do not believe in astrology, we do not resist the pleasure to quote a few comments by persons of authority in this area. They are drawn from the excellent book authored by one of the undisputed French masters, André Barbault, *Traité Pratique d'Astrologie* (Practical Treatise of Astrology), published by the Editions du Seuil:

KEPLER: « Twenty years of practical studies have convinced my rebellious mind of the reality of astrology. »

HENRY MILLER: « Astrology considers man in his wholeness and I believe that it is essential: man is a comprehensive being. Astrology shows that nature has its rhythms and that each human being participates in these rhythms... »

C.G. JUNG: « If people whose education leaves a lot to be desired have thought that they could, until recently, make fun of astrology, considering it as a pseudo-science dead a long time ago, this astrology, dating back to the depths of popular wisdom, comes up again at the door of our universities, which they left three centuries ago. »

SAINT-JEROME: « I remain silent on philosophers, astronomers, astrologers whose science, very useful for men, is asserted through dogma, explained through method, justified through experience... »

ARISTOTLE: « This world is linked in a necessary way to the movements of the superior world. Any power, in our world, is ruled by these movements. »

BALZAC: « Astrology is a huge science that has ruled the most intelligent minds. »

PIERRE SCHAEFFER: « It seems to me that astrology can, in its way, through the configurations studied, detect the most secret relationships of human being's inner life. »

Conclusion

The list of personalities who are in favour of astrology is increasingly long. It is clear that, in the 21st century, astrology is gradually given back the place it used to enjoy, except during the past three centuries: a human discipline that works well, with its questionings, its research and its evolution, but also with the mystery over the reasons of its accuracy.

Regarding interpersonal relationships, the debate is quite similar to that of astrological forecasts. Although fate is not inescapable, it does not allow to dismiss a great number of peculiar behaviours that everyone finds astonishing. For instance, instinctive sympathies and antipathies, sometimes with no apparent cause and lasting for a whole lifetime, remain definitely mind-boggling.

Astrological rules applied to the comparison between two charts produce a quick answer because basic incompatibilities exist, in the same manner as fire does not blend well with water or a journalist's mind does not match a researcher's because their respective and basic objectives are too different.

Thus, astrology allows to quickly understand what could otherwise be ascertained after quite a long period of time. Isn't it already one of the justifications of its practice?

We do think so and we strive to draw information for the benefit of as many people as possible.

However, do not forget that the results and the explanations provided to you are only indications and that it is up to you, and to you only, to decide which path your couple is to follow: the stars incline but they do not compel.
