Compatibility Report Vanessa and Johnny

Introduction: Relationship Analysis

This report integrates all the astrological parameters used by professional astrologers in their comparative studies of a couple's charts, also known as synastry, and uses a comprehensive methodology based on compatibility calculation: we compute the outcome of all the possible combinations existing between two charts and we establish a conjugal index, an affective index, a physical index for the couple's compatibility, and a communication index.

The programme takes eleven major and minor aspects into account, weighing with accuracy formulas for each aspect and rulership. It also analyzes fifteen astrological items (planets and angles, Chiron, Lilith and the Lunar Nodes axis). All the above factors are used for the study of couples and the assessment of our four compatibility ratings or indexes:

The conjugal index

describes the essence of the relationship in view of a marital relationship. It explains the basis and the structure of the link. It is the most important element among the four series of information that are provided here.

The affective index

describes the strength of the sentimental components; it is one of the elements of the relationship structure.

The physical index

gives an idea of the sexual attraction. It indicates only a tendency and you must bear in mind that this very subtle kind of forces may not always express themselves in a constantly equal way, but that they may vary significantly according to other modes of exchange.

The communication index

describes the easy flow of your exchanges, regardless of any affective and physical context. It provides additional and interesting information and may be a binding and amplifying agent among other modes of exchange.

Introduction

These four indexes or ratings are given a grade between 0% and 100%.

What is the concrete meaning of these ratings? They indicate the smoothness of exchanges between two persons and not the quality of their love. Indeed, both partners retain their own choices, their relationship problems or their peculiarities: therefore, it is possible to get ratings nearing 100% although the relationship does not have a positive outcome. Please, never forget a few obvious rules and facts such as in the following examples:

- everyone has one's own character and, for instance, if someone has a predisposition for a belated marriage, an encounter at the age of 18 with a compatible person does not necessarily result into a marriage or a relationship, even if the rating is very high.
- each life goes through very different periods. We may not be available for amorous relationships because we are already involved in a couple or because our state of mind is not conducive enough etc. Therefore, meetings with persons with whom ratings are very high do not necessarily result into a relationship.
- some couples may have quite low ratings; this does not mean unhappiness or problems in the relationship. A conjugal rating of 35% or 40% is absolutely not incompatible with a life-long relationship. The ratings cannot really give information on the intensity of your relationship, which defies these types of criteria. We underline again that we are dealing here with smoothness and not with quality and that two persons with an index of 30% or even 10%, will not experience an "inferior" quality of love, compared to a couple with an index of 80%: the difference probably comes from the fact that they will need to put a lot of energy and efforts in the relationship in order to enhance it and to make it last.

Please, do bear in mind that these figures represent a tendency and not a final verdict, because of all the factors we have just explained.

This report describes in detail the characteristics of your couple's relationship, sorted out in order of importance. They are arranged in two chapters, the first one deals with the relationship from an amorous perspective only, while the second chapter deals with its human aspect, not specifically amorous, which is the communication plane; of course, both parts are linked to each other since the relationship forms a whole. Read them once again, you will most probably be amazed and you will see for yourself how accurate they are. However, please bear in mind that a human relationship is complex and may contain contradictions, which our report cannot highlight, for obvious reasons: indeed, the synthesis of the compatibility indexes with their texts is the only tool that allows to understand properly your couple's relationship.

Introduction

Your four compatibility indexes are provided with a comment regarding their values.

Love Characteristics

Your Strong Points

★★★★★ Conciliation aspect ♃ Jupiter ☾ Moon, Strength: 71.6

You feel a soothing pleasure and a sheer comfort when you are together. Even when you are under the influence of other mutually tensed stimulations, the essential trend of your relationship is towards appeasement, generosity and esteem. Indeed, Vanessa appears as a really generous person who provides all the protection Johnny needs. And Johnny easily adjusts his mood and his character to Vanessa's reassuring and benevolent personality. Your easy and harmonious relationship is a token of success on the human, professional, and amorous planes. Your relationship may not be symmetrical, however, it is positive for both of you and if you are too lenient towards each other, who could ever blame you for that?

★★★★★ Conciliation aspect ☾ Moon ♀ Venus, Strength: 45.8

Mood and tenderness are coupled in order to bring the two of you together and to provide both of you with the pleasure of being together. Vanessa naturally uses her good humour to create a serene, light and amusing atmosphere and Johnny easily expresses his entire affection to Vanessa. Living together is pleasant and you happily share cultural interests and entertainments with a lot of happiness. Life together is harmonious and the relationship is easy on a daily basis, almost too easy, if something negative were to be added! There is nothing you can complain about, so enjoy these soothing exchanges, you won't be sorry for it.

Your Relationship

★★★★★ Conciliation aspect ♂ Mars ♀ Venus, Strength: 42.7

This is the best possible sign of physical compatibility between two persons and it had to be yours! Both of you have the luck of the devil because you can freely express all your desires and experience them together without restraint in harmony and voluptuous pleasure. It is not exaggerated to say that the contact between you is magnetic, even electric: you are highly sensitive to the physical presence of your partner and both of you equally appreciate the other one, a little bit as a child appreciates chocolate! In your couple, Vanessa is more active and dynamic, but it does not prevent Johnny from launching charm offensives and being very successful. Sometimes, the relationship is not an amorous one but both of you tremendously enjoy being together.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Conciliation aspect ♀ Venus MCMC, Strength: 9.5

Johnny feels a sort of fascination for Vanessa and he idealizes her. Your relationship is warm and Vanessa is very happy to be object of Johnny's idolatry. In return, Vanessa contributes to the achievement of Johnny's objectives or she supports his professional destiny. Johnny's unlimited admiration for Vanessa is a sign of solidity for your relationship and both of you will find it very rewarding.

★★★★★ Conciliation aspect ASAS ♀ Venus, Strength: 8.0

Both of you immediately feel the pleasure of being together. Johnny irresistibly attracts Vanessa who falls under his spell straight away. Your amorous attachment is obvious and both of you are aware that you have the same feeling of mutual gratitude. Therefore, you emotionally identify yourself with your partner. One of the consequences of your relationship's nice characteristic is that the partner who pays the most importance to physical aspects can help the other one evolve aesthetically or find the best style or the best look!

Your Weak Points

★★★★★ Tension aspect ♀ Venus ♂ Mars, Strength: 46.1

Physical attraction between you is strong but it may not be expressed in the most harmonious way. Vanessa often feels that Johnny is violent or pressing. Although Johnny is drawn to Vanessa, he is unable to find the right attitude that would win her favours. Jealousy may also be an important risk factor in your couple. Therefore, tensions may settle in, blending desire and frustration. If Johnny does not understand that he is being brutal with

Your Relationship

Vanessa, there is a real danger that the relationship wears out. Similarly, Vanessa may be partly responsible for those disharmonious exchanges, for instance when she wrongly suspects Johnny of being ill-intentioned.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Tension aspect ♀ Venus ♂ Uranus, Strength: 20.1

The tension between you is electrical, almost too much. It is very probable that you met by a set of curious coincidences and that you were shaken up. But it is very unlikely that it will last. Both of you are too demanding, you are passionately drawn to each other but... things don't work the way you hope they would. Johnny is quite eccentric or inconstant, or more simply, he is sentimentally or physically different. If other harmonious and enduring signs are found in your charts, you may overcome these obstacles. Otherwise, you may split as suddenly as you met.

★★★★★ Tension aspect ♃ Neptune ♂ Mars, Strength: 17.5

Johnny has difficulties in clearly perceiving Vanessa. This causes some discomfort in your communication. In addition, Vanessa may not understand Johnny's active behaviour and may resent it as a form of aggression. Although it seldom brings about real hostility, your mutual interest is to be straightforward and to "dot your i's and cross your t's" if you want to avoid misunderstandings. Johnny does not understand Vanessa's sensitivity and, despite your fascination, in the long run, Vanessa may get tired of Johnny's abruptness. Caution and clarity are needed to improve your relationship.

★★★★★ Tension aspect ☾ Moon ♇ Pluto, Strength: 10.1

There is a strong sign of fascination between you but you must not allow it to turn into a power of domination from Johnny over Vanessa. The danger is there, clearly indicated, but it remains only a danger... Vanessa may feel this power of domination, even some aggressiveness, in Johnny's behaviour because Johnny immediately finds her vulnerable spots. To solve the problem, Johnny must become aware that he should exercise some self-restraint within his quite "predatory" approach and Vanessa must tone down her natural touchiness. For both of you, caution must be borne in mind and, on this condition, you will stay together if you wish to.

Your Relationship

Communication Characteristics

Your Strong Points

★★★★★ Conciliation aspect ♃ Saturn ☉ Sun, Strength: 103.7

This relationship is a source of learning and of experience for your couple, each partner toning down the other one's excesses. Johnny helps Vanessa overcome doubts and fears, so as to better enjoy life with increased trust in success. Vanessa, in the meantime, plays the role of the teacher, protective and reassuring, and tries to bring discipline and structure to Johnny who is not very clear-sighted regarding the necessity to set his personal limits. With time and patience, both of you can learn to take on your responsibilities. Therefore, your couple has every chance to be enduring, especially if there is a difference in age between you, in which case, Vanessa becomes the stabilizing agent in the couple.

★★★★★ Conciliation aspect ☉ Sun ♃ Uranus, Strength: 57.0

A magnetic attraction is instantly established between you and gives an exciting and non-conformist bent to your relationship. You stimulate each other in a cheerful and fraternal atmosphere and in this way, you live a continuously dynamic and eventful life. Vanessa encourages Johnny to get rid of any possible inhibition in order to fully express his originality and to assert his independence more strongly. Johnny prompts Vanessa to be less influenced by people's values, to show more open-mindedness and creativity in order to be at the front of the stage. Both of you know how to positively make use of the "liberating" effect you have on each other. You freely express your ideas and you communicate harmoniously.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ☾ Moon ♀ Mercury, Strength: 53.1

You are so lucky: Johnny instantly and almost magnetically understands Vanessa's mood and he can communicate with the right words, in the simplest and most natural way. Vanessa can rejoice that her sensitivity is instinctively perceived by Johnny. This type of communication is excellent for all forms of cooperation, far beyond the amorous relationship. Vanessa's imagination and mood influence Johnny's intellectual inspiration and the sole fact that you are together constitutes the perfect stimulation. Vanessa appreciates Johnny's brilliant mind and therefore, communication is strengthened and enriched for both of you.

Your Relationship

★★★★★ Conciliation aspect ♀ Mars ♃ Mercury, Strength: 44.4

You mutually stimulate each other but in different ways. Vanessa's dynamism and provocations put Johnny on the alert. They prompt him to sharpen his mind and his conceptions, and thus, to constantly improve himself. Despite the tricky side of your exchanges, they constitute a positive drive. In the end, you are delighted by this pleasant joust because Vanessa always feels a real intellectual excitement in Johnny and the latter has only one desire: to brilliantly do more, in order to overcome her criticisms and to improve his own verbal strategies, which are already very impressive. Besides, you can efficiently cooperate on the professional plane, as the combination of your complementary talents proves very fruitful.

★★★★★ Conciliation aspect MCMC ♀ Mars, Strength: 39.9

You stimulate each other and your efficient cooperation is wonderful: Johnny's entire energy and effort blend perfectly well with Vanessa's objectives, which fully benefit from this dynamic support. Johnny's actions and demands vis-à-vis Vanessa have a major impact on the latter's career or even, her destiny, in concrete and visible ways. In a couple, this nice combination allows you to achieve your goals through your joint efforts. Your personalities are appropriate and complementary and yield results that particularly benefit Vanessa's personal interests.

★★★★★ Conciliation aspect ☉ Sun ♀ Mars, Strength: 37.8

This aspect brings a lot of energy within your couple; each partner feels boosted by the presence of the other one and both of you can better reach your objectives. You encourage each other, you assert yourselves more positively and you enjoy practicing a professional or sports activity together. Vanessa encourages Johnny to behave with more self-confidence while Johnny prompts Vanessa to take action more often. This spontaneous relationship, devoid of inhibition on both sides, also translates into great physical attraction. Although Johnny may try to dominate Vanessa, your common desires will always be strongly stimulated in your couple.

★★★★★ Conciliation aspect ♃ Mercury ASAS, Strength: 37.5

Your relationship is intellectually very stimulating, with each partner positively influencing the other one's personality and thoughts. Vanessa gives ideas to Johnny so that he can express himself better, while Johnny encourages Vanessa to take action and to implement her theoretical representations. This capacity to communicate helps alleviate any possible difficulties and allows you to pursue together this positive association of thought and action.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

Your Relationship

★★★★★ Conciliation aspect ☉ Sun MCMC, Strength: 29.1

Vanessa can play an important role in Johnny's destiny, in the amorous or conjugal life, in the career area or in the field of spiritual and philosophical concepts. Johnny tends to idealize Vanessa, or at least, to happily follow her example and her advice. There is an excellent sign in favour of a professional activity or a life together because, due to the real harmony prevailing between you, Johnny accepts Vanessa's natural authority and experience. He appreciates her attitude without reservation, as well as the support and the improved status she provides.

★★★★★ Conciliation aspect MCMC ♃ Pluto, Strength: 26.9

Whether you like it or not, there are power struggles between you. Johnny's authority and strength have a determining influence on Vanessa, whose destiny is irresistibly and positively transformed by Johnny. In Vanessa's view, Johnny appears as a demanding but mysterious and fascinating figure, whose charisma and hidden powers impress Vanessa very deeply. All this makes your couple all the more steady.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Conciliation aspect ♀ Mercury ♃ Jupiter, Strength: 15.9

Intellectual and professional cooperation has every chance to be efficient and warm. Vanessa's nimble, nervous and quick side perfectly matches Johnny's experience, charisma and wisdom, at least, this is the way both of you feel it. Whether as professional partners, or as a couple, it is certain that your relationship flows smoothly and that it enriches both of you. Johnny's tolerance and benevolence go along well with Vanessa's mental skills and creativity. You can share a great number of centres of interest and your association is a very beneficial one.

★★★★★ Conciliation aspect MCMC ♃ Uranus, Strength: 14.5

You met under original and sudden circumstances and that was enough to bring you together. You appreciate each other very much. Johnny's new, surprising and non-conformist ideas certainly radically alter Vanessa's approach to life. Life-changing opportunities are offered to Vanessa in a way that is all the more positive because Johnny fully respects Vanessa's freedom and enterprising mind. Johnny values the fact that his influence is positively appreciated by Vanessa.

Your Relationship

★★★★★ Conciliation aspect ASAS ♃ Neptune, Strength: 13.2

The relationship may appear to both of you to be marvellous and ideal, straight away. Magic seems to prevail, you both feel that you are living something unique and that you have found your soul mate. Understanding is innate, almost intuitive. Johnny encourages Vanessa to develop her imagination and her spirituality, while Vanessa helps him to better formulate his mystical vision of things. In your relationship, the danger may lie in a tendency to over-idealize the partner and to create illusions.

★★★★★ Conciliation aspect ♀ Mercury ☉ Sun, Strength: 11.5

Both of you have a very strong capacity to communicate and an obvious intellectual tie that allows Vanessa to most efficiently express all her ideas, while Johnny is always available and lends a sympathetic ear. The smoothness of your connection benefits the comprehension within the couple but it is also a major asset for any professional cooperation where contacts, communication and words play an important role. Whether you share a commercial activity, or whether you participate together in a more literary work, you can work together very well: Johnny usually shows the way while Vanessa analyzes all the possibilities and dissects the best strategies.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ASAS ☉ Sun, Strength: 9.6

Mutual sympathy and closeness develop instantly between you. You often have the same reactions, and this fact brings about a feeling of familiarity that may create a very tight bond. Your instinctive trust in the other one facilitates your exchanges and you are mutually encouraged to project your best image and to increase your self-confidence. Each of you find your place within your couple and, without rivalry, you can cooperate with a view to achieve a common task.

★★★★★ Conciliation aspect ♀ Mercury ♄ Saturn, Strength: 9.2

Your intellectual complementarity is remarkable and you can exploit this asset in order to efficiently increase your experiences and your knowledge: whereas Johnny exhibits his seriousness, his rigour, his depth and his method, Vanessa simultaneously displays her swiftness, her creativity and her great adaptation capacity. Therefore, your intellectual cooperation is very fruitful and prolific. The perfect alliance of Johnny's experience and wisdom with Vanessa's enthusiasm and creativity is a stimulation that allows both of you to evolve in the fields of higher knowledge and abstract concepts, as well as on a more concrete level, and to achieve professional success together - for instance in the literary, scientific or philosophical fields.

Your Relationship

★★★★★ Conciliation aspect ♃ Saturn ♃ Jupiter, Strength: 7.8

A strong complementarity allows you to pool your talents for the sake of your professional or financial interests. Indeed, Vanessa puts her entire experience and rigour at the service of Johnny's will to expand and to improve: caution coupled with broadness of vision brings a significant dynamism that is very profitable to your couple or your association.

★★★★★ Conciliation aspect ♃ Jupiter ♃ Neptune, Strength: 6.3

Both of you are brought together by feelings of sympathy as well as by shared moral and spiritual aspirations. You are able to manage your interests very well and your professional cooperation may prove lucrative. You may also commit yourselves in some humanitarian work, in which case your respective qualities will also be expressed very positively.

Your Weak Points

★★★★★ Tension aspect ♂ Mars ♃ Saturn, Strength: 27.9

You must be very cautious because there is a danger of confrontation and it is preferable to avoid it. Vanessa tends to "charge ahead" and Johnny criticizes and makes use of his desire for power to put a damper on Vanessa's impetus. The combination is explosive, regarding both content and form. Johnny loathes hastiness and does not hesitate to tell Vanessa accordingly, while Vanessa swears by movement and speed. If confrontation occurs, there will be no winner, but only two losers, with a heavy atmosphere loaded with bad omens. For both of you, wisdom and stepping back are the only ways to share pleasant moments together.

★★★★★ Tension aspect ♀ Mercury ♃ Pluto, Strength: 25.7

You may not understand each other because Johnny is not aware of the desire for intellectual domination that he inevitably exercises over Vanessa. Vanessa may feel aggressed and manipulated by Johnny. In other moments, Johnny is unable to understand Vanessa and will use his ascendancy over Vanessa in order to solve the situation. Your interest is to show open-mindedness and to be cautious to step back so as to avoid regrettable misunderstandings. Vanessa's vulnerability to Johnny's personality may become detrimental to the balance of your relationship.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

Your Relationship

★★★★★ Tension aspect ♃ Jupiter ♃ Jupiter, Strength: 13.3

This is a minor sign of excess of confidence or of prodigality between you. It may muddle your exchanges, particularly regarding your business. However, the consequences are not very serious.

★★★★★ Tension aspect ASAS ♄ Saturn, Strength: 9.7

Johnny constantly criticizes and imposes limits on Vanessa whom he sees as self-centered and immature. Johnny may hinder Vanessa's freedom of expression and personal fulfilment. As a result, Vanessa may end up questioning her self-worth and Johnny's love. Johnny may also be frustrated by the decisions Vanessa takes hastily without consulting him beforehand. It is Johnny's turn to question his role within the couple. Therefore, your relationship may uncover both partners' complexes and shortcomings, and in some cases, it may even be stiffened by the boredom of routine.

Potential Mutual Influences

When we compare two astrological themes, in addition to the blatant and directly active relations that were delineated above, there is a number of potentialities which describe secondary mutual influences playing out in different life areas: they are not visible at once, as their effect is not direct, but they shed complementary light which fine-tunes certain attitudes between two persons. Indeed, in the long run, these different energies play out in a more noticeable way and will contribute to the relationship's richness and complexity. We analyze them here in ten short chapters addressing each of the ten types of energy involved. Please, keep in mind that they will not be understood and felt until the relationship has matured.

Your Mutual Encouragements

Johnny feels Vanessa's joy and warmth in the fields of leisure and creativity; this is a real sign of friendship or affection for your couple. In addition, you enjoy very much your shared activities.

This excellent configuration contributes to forging a strong and active tie where communication is constant and lively. In general, Johnny is the driving force in your relationship and, provided that his attitude is not too insistent and domineering, your couple acquires an undeniable asset that is often found in married persons' charts.

Your Mutual Influence When Facing External Events

The deep bond between you allows both of you to intuitively sense the other one's mood and feelings. In mother-like and protective ways, Vanessa strives to help Johnny to reveal more of his inner self and to get rid of complexes and unconscious fears. Vanessa's insistence on having past events resurface gets Johnny's defence mechanism in motion and Johnny may feel quite embarrassed. However, with Vanessa at his side, Johnny will understand better the twists and turns of his own thoughts and irrational anxiety.

Johnny helps Vanessa find financial resources, provides investment advice and readily shows unlimited generosity. Sometimes, Johnny may worry about this particular aspect of Vanessa's life.

Your Mutual Stimulations in the Field of Communication

You exchange numerous ideas on children's education and leisure: sports, pleasure trips, outings or celebrations among friends, literary or artistic creation. All these activities describe the possible various nice facets of your relationship, with Vanessa as the driving force for this type of exchanges between you.

Communication is particularly lively between you. Johnny strives to exploit his best qualities in order to bring together your respective views and ideas. Swift exchanges, sometimes quite harsh ones, and verbal jousting, spice up the numerous debates both of you enjoy so tremendously.

Your Reciprocal Abilities for Creating Harmony

Johnny may lack self-confidence and strives to win Vanessa's appreciation. Vanessa does not hesitate to show her warmth and her gentleness so as to comfort Johnny: ensuing feelings of mutual well being and sympathy are immediate and reinforce your couple's fundamental basis. Once in a while, expenses for the home may be quite high because you pay a lot of importance to beauty and comfort in this space. But both of you are equally active. Vanessa always tries to turn your home into a nice place where, often at Vanessa's initiative, you can receive your friends and share together a delicious meal in a convivial, intimate and relaxing atmosphere.

A strong sentimental attraction draws you towards each other and favours great understanding within your couple. Both of you lend a sympathetic ear to the other one's emotions and needs and you do every possible thing to meet them. Johnny is pleasant and sociable with Vanessa who feels that it is easy to satisfy all of Johnny's desires. Therefore, your relationship is gentle, natural and harmonious.

Your Relationship

Your Mutual Stimulations in the Field of Action

In your couple, Johnny is quite static while Vanessa is the driving force, possibly an upsetting one, but in any case, none of you can get bored together! Vanessa is constantly willing to improve your home or to solve some domestic and family problems, and she strongly urges Johnny to do so too. Therefore, the atmosphere may rapidly become stressful and heavy if Johnny does not react in the similarly conquering and active spirit that seems to be imposed on him.

In your couple, Johnny encourages Vanessa to discover new horizons and to compare new intellectual and philosophical ideas. Both of you have many debates about different approaches to life and you also share a deep interest in foreign cultures. Thanks to Johnny's enthusiastic and dynamic initiatives, you travel frequently in order to put your beliefs into practice and to test them.

Your Assets, Protections and Abilities for Success

Vanessa's protection, know-how and optimism help Johnny solve his daily problems. This is particularly true if there is a professional tie between you. Johnny progresses and appreciates Vanessa's loyal and jovial attitude.

Shared pleasure, artistic creations and leisure activities are inexhaustible sources of joy for both of you. Johnny enjoys pleasing Vanessa and provides her with warmth and enthusiasm.

Lessons Drawn From Experience and Your Responsibilities

Vanessa probably appears as a reliable person, whose friendship is steady and enduring - in addition to other existing links between you, of course - and this is a promising omen that you can efficiently achieve long-term projects together. Vanessa's seriousness may be a wet blanket, in Johnny's view. However, it is very likely that your exchanges take place in an atmosphere of mutual calm and serenity.

Johnny encourages Vanessa to improve her intellectual stability and concentration, to sharpen her critical mind and, finally, to learn to get rid of superfluous and outgrown ideas; in short, to go right to the point... At the same time, Johnny's serious side, or the context of your situation, may prompt him to restrict the contacts and the bustle in Vanessa's environment. But here, it may only be a matter of learning some sort of stability.

How You Motivate Each Other and the Impact on Your Uniqueness

There seems to be no communication issues in your couple where debates abound! Your relationship has a very stimulating impact on both of you.

Vanessa tries to alter Johnny's thinking pattern and to get him interested in new ideas or in the exploration of still unknown areas. Johnny does his utmost in order to get Vanessa interested in more concrete matters that can enhance Vanessa's creative and intuitive capacities.

You share a same interest in educational, religious or philosophical values and both of you want to arouse the other one's idealism: Johnny encourages Vanessa to discover new ideas and to be more creative, while Vanessa offers her benevolent ear and her great wisdom. You may want to travel and to discover faraway horizons or to work for humanitarian causes, so that you can put into practice what you have learnt together.

Idealism, Compassion and Euphoria

In subtle and imperceptible ways, Vanessa alters the atmosphere in Johnny's home and encourages him to have a more flexible and laid-back daily lifestyle. Vanessa tries to convince Johnny to forget his great, yet prudent, principles, to let some air of freedom in, and to indulge in whatever he pleases, which might become worrisome... The danger lies there, dormant, for Johnny to experience dissolute behaviours or to make excessive and inconsiderate expenses.

This kind of link may lead Johnny to attend to Vanessa's major problems in altruistic and efficient ways, or, conversely, it may prompt him to run away. It mainly depends on Vanessa's willpower, whether she chooses to revive and bring out her philosophical, even mystical conceptions of life and move forward, or whether she gives up because she wrongly interprets Johnny's generous but quite vague attitude and his commendable will to help.

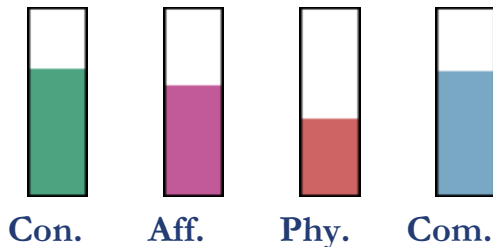

Awareness Gaining and Transformation Factors

In the area of ideas, as well as in that of daily and close relationships, Vanessa may bring the puff of renewal and evolution into Johnny's life and make him gain awareness of several aspects that were concealed so far. Sometimes, these pieces of advice, or influences, may be expressed in a domineering way. But, at the end of the day, it does not really matter, because positive transformation is achieved.

Whether you like it or not, there are power struggles between you. Johnny's influence, authority and power can favourably and irresistibly transform Vanessa's destiny. Johnny may be extremely demanding and appear as a mysterious and fascinating figure to Vanessa. Indeed, Vanessa feels a hidden and charismatic authority in Johnny. All this makes your couple all the more steady. It seldom occurs in real life, however, there is a danger that Johnny's domineering influence upsets Vanessa because its expression is too harsh, or only because Vanessa feels that it undermines her freedom.

Conclusion

We hope that this Report has shed light on how your relationship works, as well as on the various aspects of your respective personalities.

There is a point that we deem necessary to underline: in our conclusion, we want to insist one last time on the meaning of the compatibility ratings; the marks that quantify your affinities never give an implacable verdict regarding the quality of your couple's relationship.

Here, we are dealing with the more or less smooth way in which you actually experience your relationship, and under no circumstances, are we addressing its beauty or its strength.

For the sceptical ones who do not believe in astrology, we do not resist the pleasure to quote a few comments by persons of authority in this area. They are drawn from the excellent book authored by one of the undisputed French masters, André Barbault, *Traité Pratique d'Astrologie* (Practical Treatise of Astrology), published by the Editions du Seuil:

KEPLER: « Twenty years of practical studies have convinced my rebellious mind of the reality of astrology. »

HENRY MILLER: « Astrology considers man in his wholeness and I believe that it is essential: man is a comprehensive being. Astrology shows that nature has its rhythms and that each human being participates in these rhythms... »

C.G. JUNG: « If people whose education leaves a lot to be desired have thought that they could, until recently, make fun of astrology, considering it as a pseudo-science dead a long time ago, this astrology, dating back to the depths of popular wisdom, comes up again at the door of our universities, which they left three centuries ago. »

SAINT-JEROME: « I remain silent on philosophers, astronomers, astrologers whose science, very useful for men, is asserted through dogma, explained through method, justified through experience... »

ARISTOTLE: « This world is linked in a necessary way to the movements of the superior world. Any power, in our world, is ruled by these movements. »

BALZAC: « Astrology is a huge science that has ruled the most intelligent minds. »

PIERRE SCHAEFFER: « It seems to me that astrology can, in its way, through the configurations studied, detect the most secret relationships of human being's inner life. »

Conclusion

The list of personalities who are in favour of astrology is increasingly long. It is clear that, in the 21st century, astrology is gradually given back the place it used to enjoy, except during the past three centuries: a human discipline that works well, with its questionings, its research and its evolution, but also with the mystery over the reasons of its accuracy.

Regarding interpersonal relationships, the debate is quite similar to that of astrological forecasts. Although fate is not inescapable, it does not allow to dismiss a great number of peculiar behaviours that everyone finds astonishing. For instance, instinctive sympathies and antipathies, sometimes with no apparent cause and lasting for a whole lifetime, remain definitely mind-boggling.

Astrological rules applied to the comparison between two charts produce a quick answer because basic incompatibilities exist, in the same manner as fire does not blend well with water or a journalist's mind does not match a researcher's because their respective and basic objectives are too different.

Thus, astrology allows to quickly understand what could otherwise be ascertained after quite a long period of time. Isn't it already one of the justifications of its practice?

We do think so and we strive to draw information for the benefit of as many people as possible.

However, do not forget that the results and the explanations provided to you are only indications and that it is up to you, and to you only, to decide which path your couple is to follow: the stars incline but they do not compel.
