Compatibility Report

Katy and Orlando

Introduction: Relationship Analysis

This report integrates all the astrological parameters used by professional astrologers in their comparative studies of a couple's charts, also known as synastry, and uses a comprehensive methodology based on compatibility calculation: we compute the outcome of all the possible combinations existing between two charts and we establish a conjugal index, an affective index, a physical index for the couple's compatibility, and a communication index.

The programme takes eleven major and minor aspects into account, weighing with accuracy formulas for each aspect and rulership. It also analyzes fifteen astrological items (planets and angles, Chiron, Lilith and the Lunar Nodes axis). All the above factors are used for the study of couples and the assessment of our four compatibility ratings or indexes:

The conjugal index

describes the essence of the relationship in view of a marital relationship. It explains the basis and the structure of the link. It is the most important element among the four series of information that are provided here.

The affective index

describes the strength of the sentimental components; it is one of the elements of the relationship structure.

The physical index

gives an idea of the sexual attraction. It indicates only a tendency and you must bear in mind that this very subtle kind of forces may not always express themselves in a constantly equal way, but that they may vary significantly according to other modes of exchange.

The communication index

describes the easy flow of your exchanges, regardless of any affective and physical context. It provides additional and interesting information and may be a binding and amplifying agent among other modes of exchange.

These four indexes or ratings are given a grade between 0% and 100%.

Introduction

What is the concrete meaning of these ratings? They indicate the smoothness of exchanges between two persons and not the quality of their love. Indeed, both partners retain their own choices, their relationship problems or their peculiarities: therefore, it is possible to get ratings nearing 100% although the relationship does not have a positive outcome. Please, never forget a few obvious rules and facts such as in the following examples:

- everyone has one's own character and, for instance, if someone has a predisposition for a belated marriage, an encounter at the age of 18 with a compatible person does not necessarily result into a marriage or a relationship, even if the rating is very high.
- each life goes through very different periods. We may not be available for amorous relationships because we are already involved in a couple or because our state of mind is not conducive enough etc. Therefore, meetings with persons with whom ratings are very high do not necessarily result into a relationship.
- some couples may have quite low ratings; this does not mean unhappiness or problems in the relationship. A conjugal rating of 35% or 40% is absolutely not incompatible with a life-long relationship. The ratings cannot really give information on the intensity of your relationship, which defies these types of criteria. We underline again that we are dealing here with smoothness and not with quality and that two persons with an index of 30% or even 10%, will not experience an "inferior" quality of love, compared to a couple with an index of 80%: the difference probably comes from the fact that they will need to put a lot of energy and efforts in the relationship in order to enhance it and to make it last.

Please, do bear in mind that these figures represent a tendency and not a final verdict, because of all the factors we have just explained.

This report describes in detail the characteristics of your couple's relationship, sorted out in order of importance. They are arranged in two chapters, the first one deals with the relationship from an amorous perspective only, while the second chapter deals with its human aspect, not specifically amorous, which is the communication plane; of course, both parts are linked to each other since the relationship forms a whole. Read them once again, you will most probably be amazed and you will see for yourself how accurate they are. However, please bear in mind that a human relationship is complex and may contain contradictions, which our report cannot highlight, for obvious reasons: indeed, the synthesis of the compatibility indexes with their texts is the only tool that allows to understand properly your couple's relationship.

Your four compatibility indexes are provided with a comment regarding their values.

Love Characteristics

Your Strong Points

★★★★★ Conciliation aspect ☉ Sun ☾ Moon, Strength: 114.2

Your complementarity is perfect and you feel a strong mutual attraction. Katy totally matches Orlando's aspirations. Orlando will naturally do his best to adjust to Katy's objectives and thus, your couple will shine with harmony. Katy finds in Orlando the echo and the spontaneous support that help her live more intensely and more confidently. Your affection is real and mutual. In addition, your relationship has an almost mystical character, as if each of you had found your original half. If no tensions are indicated elsewhere, this type of relationship is a definite token of sustainability and shared happiness.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ♃ Pluto ☾ Moon, Strength: 102.8

It is likely that your relationship is very intense, even mesmerizing, because of Katy's arousal powers over Orlando. There is a strong polarity that creates a flow of attraction between you, with Katy's personality naturally and deeply influencing Orlando. It is often the sign of an important sexual exchange, the sources of which are buried deep down in you. They are instinctive forces that do not flow through rational or sentimental channels but that are expressed in the physical body, irresistibly. Katy will immediately pick up Orlando's mood and character and she will know how to take advantage of them, in most cases, for the sake of your common well being.

Your Relationship

★★★★★ Conciliation aspect ☾ Moon ♂ Uranus, Strength: 41.8

There is a strong stimulation between you and a nice magnetic attraction boosts your exchanges. Katy is sensitive to Orlando's originality and dynamism while Orlando easily feels Katy's charm and seductive powers. The relationship is bent towards an exoticism and a mutual amazement that may threaten your couple stability. But this tendency is not really serious because it can be offset by other factors. Often, amazement and discoveries are your couple's nourishments and... they are invaluable so, enjoy without moderation! Besides, it is very likely that you met under very unusual circumstances.

★★★★★ Conciliation aspect ♀ Venus, Strength: 37.1

Both of you immediately feel the pleasure of being together. Orlando irresistibly attracts Katy who falls under his spell straight away. Your amorous attachment is obvious and both of you are aware that you have the same feeling of mutual gratitude. Therefore, you emotionally identify yourself with your partner. One of the consequences of your relationship's nice characteristic is that the partner who pays the most importance to physical aspects can help the other one evolve aesthetically or find the best style or the best look!

★★★★★ Conciliation aspect ♀ Mercury ♀ Venus, Strength: 34.5

Gentleness and affection on the one hand, and easy communication on the other hand, your qualities are in a state of permanent receptivity and bring about a most pleasant comprehension. Katy enjoys continuously talking, explaining and expressing her ideas, while Orlando encourages her through a warm attitude, which provides her with the necessary confidence and stimulation. In this way, Orlando can inspire Katy's literary or intellectual creativity and, why not, he can help her disseminate her ideas and contribute to her success in this regard. Katy will always find in Orlando the affectionate support she needs in her difficult moments or when her creativity lacks inspiration.

★★★★★ Conciliation aspect ☾ Moon ♃ Jupiter, Strength: 32.3

You feel a soothing pleasure and a sheer comfort when you are together. Even when you are under the influence of other mutually tensed stimulations, the essential trend of your relationship is towards appeasement, generosity and esteem. Indeed, Orlando appears as a really generous person who provides all the protection Katy needs. And Katy readily adjusts her mood and her character to Orlando's reassuring and benevolent personality. Your easy and harmonious relationship is a token of success on the human and professional plane, as well as on the amorous plane. Your relationship may not be symmetrical, however, it is positive for both of you and if you are too lenient towards each other, who could ever blame you for that?

Your Relationship

★★★★★ Conciliation aspect ♃ Neptune ☾ Moon, Strength: 31.0

Sympathy of a mysterious and encircling nature prevails between you. Instinct and affectivity are tightly linked within a loaded and delicate atmosphere where Orlando is but moved and fascinated by Katy's fanciful, dreamy and peculiar personality. The bond between you is not really concrete or steady. It is more like clouds interpenetrating in an endless movement, as if your receptivity were in mutual osmosis. The relationship is devoid of action and concrete elements but emotions, imagination and fancy bring the essential to both of you, the pleasure of being together.

★★★★★ Conciliation aspect ♀ASAS ♂ Mars, Strength: 21.7

What a beautiful dynamic relationship! Sound emulation immediately happens between you and prompts you to move ahead at a frantic pace. Katy keeps Orlando's interests on the alert, plays an instrumental role in Orlando's choices and encourages him to take action in a direct and personal way. This configuration also indicates a strong physical attraction, with both of you perfectly responding to the partner's needs.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Conciliation aspect ♃ Jupiter ♀ Venus, Strength: 18.0

The compatibility within your couple is very good and there is every chance that all will be well: Katy's warm benevolence and Orlando's softness are in a state of constant receptivity. This link often translates into a legalization of the couple. You will harmoniously set up home and start a family where each of you will play a complementary role: Katy will take action and initiate your projects, while Orlando will wonderfully run the home and all matters related to it, from child-rearing to receiving your numerous friends. Orlando appreciates Katy's wisdom and optimism. In return, Katy is excited by Orlando's artistic qualities and soothing affection.

★★★★★ Conciliation aspect ♀ Venus ♀MCMC, Strength: 17.7

Orlando feels a sort of fascination for Katy and he idealizes her. Your relationship is warm and Katy is very happy to be object of Orlando's idolatry. In return, Katy contributes to the achievement of Orlando's objectives or she supports his professional destiny. Orlando's unlimited admiration for Katy is a sign of solidity for your relationship and both of you will find it very rewarding.

Your Weak Points

Your Relationship

★★★★★ Tension aspect ♀ Venus ♀ Venus, Strength: 28.3

You do not share the same tastes and your ways of expressing your feelings are different. Both of you must learn to know each other in order to avoid misunderstandings and risk feeling a lack of affection. However, there is nothing to worry about, since it is likely that other deeper connections are influencing the quality of your relationship. And if you do not have the same friends, it is not a disaster.

★★★★★ Tension aspect ☾ Moon ♄ Saturn, Strength: 27.6

This is a serious warning for caution. It is likely that in the course of time, sometimes quite rapidly, communication gets bogged down. Katy may be frustrated by Orlando's lack of warmth and in return, Orlando may be irritated by Katy's lack of seriousness. The danger is present, clear and tangible, and both of you must put in a lot of effort in order to adjust to each other. Katy often feels that Orlando's judgement is harsh, that he is too disciplined, too tidy and too selfish, while Orlando deplores Katy's lightness and triviality. If you really love each other, with time, you can overcome your differences but you must not allow time to wear out the excitement of the first moments. The ball is in your court...

★★★★★ Tension aspect ♃ Uranus ♀ Venus, Strength: 25.9

The tension between you is electric, almost too much. It is very probable that you met by a set of curious coincidences and that you were shaken up. But it is very unlikely that it will last. Both of you are too demanding, you are passionately drawn to each other but... things don't work the way you hope they would. Katy is quite eccentric or inconstant, or more simply, she is sentimentally or physically different. If other harmonious and enduring signs are found in your charts, you may overcome these obstacles. Otherwise, you may split as suddenly as you met.

Communication Characteristics

Your Strong Points

★★★★★ Conciliation aspect ♀ Mercury ♃ Uranus, Strength: 87.2

So many mutual intellectual and nervous stimulations! It is certain that there can be no boredom when you are together. One of the partner's original ideas and style of personality arouse the interest and the curiosity of the other one. Your exchanges are continuously lively and almost telepathic! Swiftiness prevails and reactions are quick. You can spend hours shifting from one topic to another one, both of you being carried away by innovative ideas or off the beaten path concepts, irresistibly engrossed in bright, endless, verbal and mental jousts. Your shared mental activities stir up your creativity with

Your Relationship

dazzling ideas sprouting all over. They make you evolve in such exquisitely original ways.

★★★★★ Conciliation aspect ASAS ☿ Uranus, Strength: 72.8

Your relationship is very dynamic and intellectually stimulating. A feeling of familiarity develops instantly between you: you encourage each other to scorn conventions and to express your individuality in the best possible way. Orlando continuously stimulates Katy's interest and prompts her to question herself. Often, the relationship is experienced under the form of cohabitation, discontinuity being the couple's main longevity factor. If you live together, Katy must allow Orlando his fair share of personal leisure and fully respect his need for independence. In any case, there is no danger that you might get bored together.

★★★★★ Conciliation aspect ♃ Jupiter ♀ Mercury, Strength: 52.7

Intellectual and professional cooperation has every chance to be efficient and warm. Orlando's nimble, nervous and quick side perfectly matches Katy's experience, charisma and wisdom, at least, this is the way both of you feel it. Whether as professional partners, or as a couple, it is certain that your relationship flows smoothly and that it enriches both of you. Katy's tolerance and benevolence go along well with Orlando's mental skills and creativity. You can share a great number of centres of interest and your association is a very beneficial one.

★★★★★ Conciliation aspect ♃ Jupiter ♂ Mars, Strength: 47.1

It is very likely that cooperation between you is fruitful: Katy brings in her experience, her generosity and her sound judgement, while Orlando brings in his efficiency, his capacity of action and his precise know-how. This configuration is very promising for the success of your common projects that require broad vision and concrete action at the same time. In a couple's life, this characteristic makes your home a very eventful place and not a haven of peace, for your mutual benefits.

★★★★★ Conciliation aspect ♂ Mars ♀ Mercury, Strength: 43.8

You mutually stimulate each other but in different ways. Katy's dynamism and provocations put Orlando on the alert. They prompt him to sharpen his mind and his conceptions, and thus, to constantly improve himself. Despite the tricky side of your exchanges, they constitute a positive drive. In the end, you are delighted by this pleasant joust because Katy always feels a real intellectual excitement in Orlando and the latter has only one desire: to brilliantly do more, in order to overcome her criticisms and to improve his own verbal strategies, which are already very impressive. Besides, you can efficiently cooperate on the professional plane, as the combination of your complementary talents proves very fruitful.

Your Relationship

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Conciliation aspect ♀ Mars ♀ Mars, Strength: 39.9

Some sort of enriching dynamism marks your relationship. Thus, you always feel that your joint efforts significantly increase your respective successes. Your presence boosts your partner's temperament and ardour, and vice-versa. You stimulate each other and it is very likely that you happily share many concrete activities such as sport etc. If you are already a couple, your physical relationship is lively and fulfilling. You are able to implement common projects and to work together efficiently, even though both of you must sometimes personally adjust to the other one's dynamism.

★★★★★ Conciliation aspect MCMC ♄ Saturn, Strength: 28.6

Orlando is particularly demanding and pernickety about Katy's objectives but he earnestly and persistently supports Katy's ambitions. Step by step, Orlando teaches Katy to make long-lasting efforts in order to achieve success. Katy quickly understands that, although Orlando may appear as a wet blanket, it is her own good that is at stake. Therefore, filled with admiration, Katy readily accepts Orlando's unfailing support. Orlando is somehow the power behind the throne in your tandem or in your couple.

★★★★★ Conciliation aspect ♃ Uranus MCMC, Strength: 21.6

You met under original and sudden circumstances and that was enough to bring you together. You appreciate each other very much. Katy's new, surprising and non-conformist ideas certainly radically alter Orlando's approach to life. Thus, opportunities to change his life are offered to Orlando in a way that is all the more positive because Katy fully respects his freedom and his enterprising mind. Katy values the fact that Orlando positively appreciates her influence.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Conciliation aspect ASAS ☉ Sun, Strength: 16.8

Mutual sympathy and closeness develop instantly between you. You often have the same reactions, and this fact brings about a feeling of familiarity that may create a very tight bond. Your instinctive trust in the other one facilitates your exchanges and you are mutually encouraged to project your best image and to increase your self-confidence. Each of you find your place within your couple and, without rivalry, you can cooperate with a view to achieve a

Your Relationship

common task.

★★★★★ Conciliation aspect ☿ Mars ☼ Sun, Strength: 15.0

This aspect brings a lot of energy within your couple; each partner feels boosted by the presence of the other one and both of you can better reach your objectives. You encourage each other, you assert yourselves more positively and you enjoy practicing a professional or sports activity together. Orlando encourages Katy to behave with more self-confidence while Katy prompts Orlando to take action more often. This spontaneous relationship, devoid of inhibition on both sides, also translates into great physical attraction. Although Katy may try to dominate Orlando, your common desires will always be strongly stimulated in your couple.

★★★★★ Conciliation aspect ☿ Mars ♃ Uranus, Strength: 14.6

Your exchanges are more than electric and, whether you like it or not, they are stimulating and make you move on! High tension prevails, multiplying the number of your joint activities and boosting your respective behaviour. Katy's energy overflows, while at her contact, Orlando keeps on releasing his originality and his inventive genius. Obviously, none of you can stay still. If you are a couple, you probably feel an... electric physical attraction and you think that you are meant for each other. Your daily life is full of surprises and changes and, although you are very fond of movement, above all, you appreciate staying together.

★★★★★ Conciliation aspect ♀ Mercury, Strength: 14.4

Your relationship is intellectually very stimulating, with each partner positively influencing the other one's personality and thoughts. Orlando gives ideas to Katy so that she can express herself better, while Katy encourages Orlando to take action and to implement his theoretical representations. This capacity to communicate helps alleviate any possible difficulties and allows you to pursue together this positive association of thought and action.

★★★★★ Conciliation aspect ♆ Neptune, Strength: 13.7

Orlando's ideals strongly influence Katy who wants to orientate her philosophical, moral or artistic conceptions in a similar direction. Orlando inspires Katy and contributes to her spiritual development. There is some feeling of inaccessibility around Orlando that may create strange emotions in Katy's heart. However, your bond is positive and your exchanges greatly influence Katy's destiny.

Your Relationship

★★★★★ Conciliation aspect ☉ Sun ♃ Uranus, Strength: 13.5

A magnetic attraction is instantly established between you and gives an exciting and non-conformist bent to your relationship. You stimulate each other in a cheerful and fraternal atmosphere and in this way, you live a continuously dynamic and eventful life. Katy encourages Orlando to get rid of any possible inhibition in order to fully express his originality and to assert his independence more strongly. Orlando prompts Katy to be less influenced by people's values, to show more open-mindedness and creativity in order to be at the front of the stage. Both of you know how to positively make use of the "liberating" effect you have on each other. You freely express your ideas and you communicate harmoniously.

Your Weak Points

★★★★★ Tension aspect ♂ Mars ♇ Pluto, Strength: 30.4

Both of you must avoid coming into conflict with each other, lest you are not able to solve it afterwards: due to the nature of your relationship, Orlando tends to provoke Katy, and then, instead of calming down the situation, Orlando seeks direct confrontations... If you don't watch out, you may even be caught in sadistic fights and none of you can come out unharmed. The key to serenity is to be extremely cautious and to never allow budding rivalry or tension to develop. Please bear in mind that in your case clashes are not the good solution.

★★★★★ Tension aspect ☾ Moon ASAS, Strength: 22.8

You do not really share the same approach to cooperation in a couple and both of you may have difficulties in understanding the other one's reactions. Orlando, who wishes that Katy were less sedentary, may be irritated by her excessive attachment to life principles and habits, whereas Katy disapproves of Orlando's impulsive way of expressing himself. Therefore, conflicts may crop up about domestic problems or about the children's education.

The texts following this sub-chapter describe characteristics having a lesser importance in your relationship: we strongly recommend that you go through them later, for instance when you have the time read it again with deep attention.

★★★★★ Tension aspect ♀ Mercury ♄ Saturn, Strength: 17.2

Intellectual cooperation may be quite difficult. Katy's ideas may be harshly judged and criticized by Orlando who tends to emphasize her errors and lack of precision. Of course, Katy is not willing to fully express herself any more and she may feel that Orlando's company is smothering and boring in the long run. Katy's natural self-confidence may be undermined and lead to inhibitions whenever you are together. But this applies to the realm of ideas

Your Relationship

only. For the rest, nothing is lost and the above description is only a tendency...

★★★★★ Tension aspect ASAS ♃ Saturn, Strength: 11.3

Orlando constantly criticizes and imposes limits on Katy whom he sees as self-centered and immature. Orlando may hinder Katy's freedom of expression and personal fulfilment. As a result, Katy may end up questioning her self-worth and Orlando's love. Orlando may also be frustrated by the decisions Katy takes hastily without consulting him beforehand. It is Orlando's turn to question his role within the couple. Therefore, your relationship may uncover both partners' complexes and shortcomings, and in some cases, it may even be stiffened by the boredom of routine.

This aspect is found in both partner's charts. Therefore, the description of the above paragraph constitutes one of the major features of your exchanges.

★★★★★ Tension aspect ♂ Mars ♃ Saturn, Strength: 9.8

You must be very cautious because there is a danger of confrontation and it is preferable to avoid it. Katy tends to "charge ahead" and Orlando criticizes and makes use of his desire for power to put a damper on Katy's impetus. The combination is explosive, regarding both content and form. Orlando loathes hastiness and does not hesitate to tell Katy accordingly, while Katy swears by movement and speed. If confrontation occurs, there will be no winner, but only two losers, with a heavy atmosphere loaded with bad omens. For both of you, wisdom and stepping back are the only ways to share pleasant moments together.

Potential Mutual Influences

When we compare two astrological themes, in addition to the blatant and directly active relations that were delineated above, there is a number of potentialities which describe secondary mutual influences playing out in different life areas: they are not visible at once, as their effect is not direct, but they shed complementary light which fine-tunes certain attitudes between two persons. Indeed, in the long run, these different energies play out in a more noticeable way and will contribute to the relationship's richness and complexity. We analyze them here in ten short chapters addressing each of the ten types of energy involved. Please, keep in mind that they will not be understood and felt until the relationship has matured.

Your Relationship

Your Mutual Encouragements

More often than not, Katy picks up Orlando's flaws too quickly and it is clear that none of you should rely too much on appearances because they are deceitful. There is a real danger that you undergo moments of doubts but, in compensation, Katy may operate a beneficial transformation on Orlando. Magnetism is the basis of your deep mutual physical attraction. In addition, the Tradition also associates this configuration with events that may cause financial problems.

As Orlando stimulates Katy's intellectual life and capacity for communication, he plays a revealing and amplifying role on her relations and offers her numerous and interesting encounters. Your association is profitable for your intellectual process and for the implementation of new ideas. It may also favour your professional short trips and your centres of interest.

Your Mutual Influence When Facing External Events

Your relationship's emotional intensity is such that there is always something exciting happening! You often shift from all to nothing. Katy's emotions and Orlando's ensuing reactions are prone to wide variations. In some cases, money issues interfere between you, in some other cases, Katy tends to have wrong ideas on Orlando's personality but most often, positive aspects prevail: thanks to Katy's help, Orlando becomes aware of many new facets of his own character.

The deep bond between you allows both of you to intuitively sense the other one's mood and feelings. In mother-like and protective ways, Orlando strives to help Katy to reveal more of her inner self and to get rid of complexes and unconscious fears. Orlando's insistence on having past events resurface gets Katy's defence mechanism in motion and Katy may feel quite embarrassed. However, with Orlando at her side, Katy will understand better the twists and turns of her own thoughts and irrational anxiety.

Your Mutual Stimulations in the Field of Communication

Katy has the capacity to understand Orlando's deep and hidden motivations, which may cause the latter to feel a bit worried or stressed. However, you are dealing here with intellectual perspicacity and not with a desire for ascendancy or power games. Katy may even help Orlando overcome problems, including psychological ones, through self-awareness. The other possibility is that Katy helps Orlando correct some of his flaws. On the financial plane, your association may prove tricky in some cases or... very profitable in some others, since stability is not on the agenda, in this regard.

Katy tremendously benefits from Orlando's perspicacity and ingenuity regarding the capacity for making money or for increasing her patrimony. Commercial transactions between you, or between your couple and others, are

Your Relationship

favoured or may be important, as Orlando easily displays his great negotiating skills or his accurate and quick vision in these matters.

Your Reciprocal Abilities for Creating Harmony

You share the same moral and cultural values, as well as a same philosophical approach to life or, at least, both of you try to accept the other one's ideas and you are successful in doing so. Katy's appetite for life and love for beautiful things being particularly contagious, both of you certainly feel the same impulse towards life's good things. In return, Orlando's concepts and idealism enrich Katy's discoveries. You also enjoy very much travelling together.

Katy may lack self-confidence and strives to win Orlando's appreciation. Orlando does not hesitate to show his warmth and his gentleness so as to comfort Katy: ensuing feelings of mutual well being and sympathy are immediate and reinforce your couple's fundamental basis. Once in a while, expenses for the home may be quite high because you pay a lot of importance to beauty and comfort in this space. But both of you are equally active. Orlando always tries to turn your home into a nice place where, often at Orlando's initiative, you can receive your friends and share together a delicious meal in a convivial, intimate and relaxing atmosphere.

Your Mutual Stimulations in the Field of Action

Orlando's open-mindedness allows Katy to feel free to act as she pleases without fearing his criticisms. Together, you can achieve many beautiful projects, with Orlando bringing in original and creative ideas and Katy providing the necessary energy and persistence for your common goals. Your cooperation may also be useful on a more social and collective plane.

Orlando's desire to conquer may be strongly increased at the contact of Katy who symbolically becomes the person to be caught and to be possessed. This will to dominate may play out in the financial area instead: in that case, Orlando urges Katy to take courageous initiatives in order to make more money, or he makes Katy spend money lavishly. Therefore, there may be disagreements about your couple's possessions and resources, if Katy does not accept such impulsive and quite intrusive manners.

Your Assets, Protections and Abilities for Success

Whether through her social relationships or through her knowledge, Katy protects Orlando and contributes towards the success of Orlando's projects, sometimes, too generously. The ensuing sympathy and warmth obviously favour the tie already existing between you.

Your Relationship

This sign of happy association between you is often found in married couple's charts. Orlando's fame and charisma efficiently contribute to enlarging the circle of your friendly or professional relationships and in the long run, they endow your relationship with longevity.

Lessons Drawn From Experience and Your Responsibilities

Katy is like a radar, peering into the depths of Orlando's subconscious, and she cannot help underlining Orlando's weaknesses and vulnerabilities, which inevitably weakens your relationship, unless this way of doing is accepted without revolt. It remains that durability is your challenge because Orlando must learn patience and tolerance in many circumstances, while Katy tends to press down with all her weight, with austere and quite harsh judgements against Orlando.

Orlando is particularly demanding and picky regarding Katy's objectives but he earnestly and persistently supports Katy's ambitions. Step by step, Orlando teaches Katy to make long-lasting efforts in order to achieve success. Katy quickly understands that, although Orlando may appear as a wet blanket, it is for her own good. Therefore, Katy admires Orlando, and readily accepts his unfailing support. Orlando is somehow the power behind the throne in your couple. At times, Katy may find Orlando's attitude too austere and rigid.

How You Motivate Each Other and the Impact on Your Uniqueness

You share a same interest in educational, religious or philosophical values and both of you want to arouse the other one's idealism: Katy encourages Orlando to discover new ideas and to be more creative, while Orlando offers his benevolent ear and his great wisdom. You may want to travel and to discover faraway horizons or to work for humanitarian causes, so that you can put into practice what you have learnt together.

Your relationship is very dynamic and intellectually stimulating. A feeling of familiarity develops instantly between you: you encourage each other to express your individuality in the best possible way and to scorn conventions. Orlando continuously stimulates Katy's interest and urges her to question herself. Often, the relationship is experienced under the form of cohabitation, discontinuity being the couple's main longevity factor. If you live together, Katy must allow Orlando to have his fair share of personal leisure and to meet his need for independence. In any case, there is no danger that you might get bored together. Don't forget that, in order to preserve harmony within your couple, both of you must learn to respect each other's freedom "spaces", lest conflicts crop up in a brutal and unexpected way.

Your Relationship

Idealism, Compassion and Euphoria

Katy's ideals strongly influence Orlando who wants to orientate his philosophical, moral or artistic conceptions in a similar direction. Katy inspires Orlando and contributes to his spiritual development. There is some feeling of inaccessibility around Katy that may create strange emotions in Orlando's heart. However, your bond is positive and your exchanges greatly influence Orlando's destiny.

Although it is not very worrisome, Katy must never heed any advice provided by Orlando who tends to be "spaced out", as far as finances are concerned. Indeed, Orlando throws some sort of deluding veil on his real material situation and his "intuitions", no matter how amazing and useful they are at times, must be considered with the greatest reservations...

Awareness Gaining and Transformation Factors

Orlando may become aware of new hidden facets of his qualities, thanks to Katy's valuable help, and he may evolve towards a better understanding of his inner self. Sexual and financial areas are favoured in your relationship, either in the form of a beneficial elimination of your mutual inhibitions, or in the mobilization of your respective energies, with a view to making good investments. However, there is a danger that some tensions may occur, depending mainly on other active factors in your couple.

Orlando efficiently protects and supports Katy's interests and projects. Orlando provides new helpful contacts that are quite mysterious but powerful ones, usually occurring under private circumstances. The intensity associated to your bond may bring about differing views that can be solved if Orlando accepts to soften a little bit his ascendancy over Katy.

Disclaimer

As explained in our introduction, the above ratings and comments constitute only average figures based on the inter-aspects found in your synastry. The most significant part you should read is in the important relevant paragraphs and not in this conclusion, which is given for information purposes only.

Very low compatibility ratings do not rule out long and fulfilling relationships. Conversely, high ratings may not lead to the couple you are dreaming of: one's astrological climate - especially that given by your transits - as well as your natal chart may provide valuable and additional indications for the future of your relationship.

Conclusion

We hope that this Report has shed light on how your relationship works, as well as on the various aspects of your respective personalities.

There is a point that we deem necessary to underline: in our conclusion, we want to insist one last time on the meaning of the compatibility ratings; the marks that quantify your affinities never give an implacable verdict regarding the quality of your couple's relationship.

Here, we are dealing with the more or less smooth way in which you actually experience your relationship, and under no circumstances, are we addressing its beauty or its strength.

For the sceptical ones who do not believe in astrology, we do not resist the pleasure to quote a few comments by persons of authority in this area. They are drawn from the excellent book authored by one of the undisputed French masters, André Barbault, *Traité Pratique d'Astrologie* (Practical Treatise of Astrology), published by the Editions du Seuil:

KEPLER: « Twenty years of practical studies have convinced my rebellious mind of the reality of astrology. »

HENRY MILLER: « Astrology considers man in his wholeness and I believe that it is essential: man is a comprehensive being. Astrology shows that nature has its rhythms and that each human being participates in these rhythms... »

C.G. JUNG: « If people whose education leaves a lot to be desired have thought that they could, until recently, make fun of astrology, considering it as a pseudo-science dead a long time ago, this astrology, dating back to the depths of popular wisdom, comes up again at the door of our universities, which they left three centuries ago. »

SAINT-JEROME: « I remain silent on philosophers, astronomers, astrologers whose science, very useful for men, is asserted through dogma, explained through method, justified through experience... »

ARISTOTLE: « This world is linked in a necessary way to the movements of the superior world. Any power, in our world, is ruled by these movements. »

BALZAC: « Astrology is a huge science that has ruled the most intelligent minds. »

PIERRE SCHAEFFER: « It seems to me that astrology can, in its way, through the configurations studied, detect the most secret relationships of human being's inner life. »

Conclusion

The list of personalities who are in favour of astrology is increasingly long. It is clear that, in the 21st century, astrology is gradually given back the place it used to enjoy, except during the past three centuries: a human discipline that works well, with its questionings, its research and its evolution, but also with the mystery over the reasons of its accuracy.

Regarding interpersonal relationships, the debate is quite similar to that of astrological forecasts. Although fate is not inescapable, it does not allow to dismiss a great number of peculiar behaviours that everyone finds astonishing. For instance, instinctive sympathies and antipathies, sometimes with no apparent cause and lasting for a whole lifetime, remain definitely mind-boggling.

Astrological rules applied to the comparison between two charts produce a quick answer because basic incompatibilities exist, in the same manner as fire does not blend well with water or a journalist's mind does not match a researcher's because their respective and basic objectives are too different.

Thus, astrology allows to quickly understand what could otherwise be ascertained after quite a long period of time. Isn't it already one of the justifications of its practice?

We do think so and we strive to draw information for the benefit of as many people as possible.

However, do not forget that the results and the explanations provided to you are only indications and that it is up to you, and to you only, to decide which path your couple is to follow: the stars incline but they do not compel.
